

I signed In For A Billion Dollar Mansion From The Very Beginning Chapter 395-399

Chapter 395: Break His Legs

Gao Yong walked in front of Xia Wanqiu. “Wanqiu, are you alright? I originally planned to come and have a drink with Old Master tonight. I didn’t expect to meet you. F*ck, how dare someone rob you in Jiang City? They’re tired of living.”

Xia Wanqiu looked at Gao Yong with her beautiful eyes and nodded lightly without saying anything.

She could tell at a glance that Gao Yong was acting.

This was a standard scene for a hero saving a beauty. If someone came to the market to buy groceries, they would be robbed and they would meet Gao Yong.

However, Xia Wanqiu could not say it out loud because she had no evidence.

Xia Wanqiu was an actress herself, so she could see through Gao Yong and these criminals’ clumsy acting at a glance.

If he was really a criminal, he would probably be eager to touch her.

“Thank you,” Xia Wanqiu said simply. Then, she held Xia Qianqian’s hand and prepared to leave.

At this moment, a sports car worth hundreds of millions, the Koenigsegg One, stopped.

At the same time, hundreds of motorcycles drove out.

The headlights of all the motorcycles lit up the entire market.

Lin Fan slowly got out of the Koenigsegg sports car.

Swoosh!

Everyone’s gazes turned to Lin Fan.

Lin Fan... was here!

Behind Lin Fan were hundreds of bodyguards in black.

Among them, these bodyguards in black even caught the robbers who had just attacked Xia Qianqian.

At this moment, the world was completely frozen.

Lin Fan walked straight to Xia Wanqiu and draped the windbreaker on her.

Lin Fan smiled brightly and patted Xia Wanqiu's head dotingly. "How can you be so careless? In the future, you have to tell me when you go out. You're not allowed to go out alone."

When the windbreaker was draped over Xia Wanqiu, it protected her safely.

Everyone's eyes were focused on this moment.

Their attention was on Lin Fan.

There was already a robbery here. Now that people were here, more and more people came to watch the commotion.

When they saw Lin Fan driving the Koenigsegg One to the center of the crowd like a domineering CEO to protect Xia Wanqiu,

Countless people were stunned.

"I'm crying with envy. I just met a robber and Lin Fan came. He even subdued the robber."

"Lin Fan is simply too handsome!"

“Oh my god, I actually saw Lin Fan here. Lin Fan and Xia Wanqiu are really loving. With such a boyfriend, I’m willing to marry him!!”

....

Xia Wanqiu looked at Lin Fan with her beautiful eyes and said aggrievedly, “I know. I’ll listen to you in the future.”

Acting coquettishly and feeling aggrieved was a girl’s nature, especially for a beautiful girl like Xia Wanqiu.

Lin Fan hugged Xia Wanqiu’s slender waist and gently kissed her red lips.

Countless cameras captured this scene.

Xia Wanqiu blushed and was shy, but she didn’t resist Lin Fan’s forceful kiss.

“Home,” said Lin Fan with a smile.

“Yes, I’m going home.” Xia Wanqiu nodded gently.

Xia Qianqian looked at Lin Fan like a fangirl, her face filled with joy.

However, there was still a clear slap mark on her face.

It was from the robber in black.

Lin Fan walked in front of the three men in black. The three of them were stubborn. After seeing Gao Yong, they didn’t dare to speak.

Boom!

Lin Fan stepped on it.

Click.

The hand of the man in black who had just hit Xia Qianqian instantly fractured.

“Ah...” The man in black was sweating profusely and in extreme pain.

“Remember, no matter who is behind you, there are some people you can’t afford to offend.”

After Lin Fan finished speaking, he didn’t even look at the three men in black anymore. He turned around and left with Xia Wanqiu. As for the three of them, he would naturally leave them to the police.

As long as these three people did not snitch on Gao Yong, they would be sentenced for robbery.

On the other side, Gao Yong’s face was dark.

The hero rescue segment that he had painstakingly designed was ruined.

Even Xia Wanqiu was taken away by Lin Fan.

In other words, everything he had done previously had lost its effect.

However, Gao Yong’s expression didn’t change. Lin Fan was walking towards him.

He was waiting for Lin Fan to thank him and greet him.

After all, on the surface, he had still saved Xia Wanqiu. If it wasn’t for him, Xia Wanqiu might have been captured.

Without evidence, no one could say that he had deliberately planned to save the damsel in distress.

Soon, Lin Fan and Gao Yong were getting closer and closer.

Three meters.

Two meters.

One meter.

Buzz!

Lin Fan walked over.

From beginning to end, Lin Fan didn't even look at Gao Yong!

The expected thank you and greetings did not happen.

From the start to the end, Lin Fan's eyes were on Xia Wanqiu.

Xia Wanqiu only had eyes for Lin Fan.

He, Gao Yong, became the backdrop.

When had anyone in Jiang City ever dared to be so rude to him?

Gao Yong didn't say anything. Instead, the bodyguard in black beside him said, "Lin Fan, are you blind? Why aren't you greeting CEO Gao? If it wasn't for CEO Gao, Xia Wanqiu would have been raped long ago, right? Hahaha."

That bodyguard in black had scolded Lin Fan in the morning.

However, it was the old man's birthday and Lin Fan didn't ruin the atmosphere.

But now, it was different.

It was fine if this bodyguard in black scolded him during the day, but it was fine if he scolded him for being blind.

But scolding Xia Wanqiu in front of him...

Lin Fan couldn't accept this.

He stopped in his tracks.

Xia Wanqiu looked at Lin Fan with her beautiful eyes and gently tugged at his arm. "Lin Fan..."

She was worried.

After all, Xia Wanqiu knew Gao Yong's ability and how terrifying the Gao family was in Jiang City.

If there was a conflict, it would definitely not be good for Lin Fan.

Lin Fan gently held Xia Wanqiu's hand and smiled. "It's fine. Be good."

He slowly turned around and looked at the bodyguard in black.

The bodyguard in black revealed a hint of disdain. During the day, he had still given the old man some face and was too ruthless.

Now, he wasn't afraid of Lin Fan at all.

The person standing beside him was the future heir of the Gao family, Gao Yong!

Lin Fan dared to touch him?

"Wow, do you really think you're someone important? Do you want to hit someone? If you want to hit someone, hit here." The bodyguard in black pointed at his leg and smiled sarcastically.

The many bodyguards behind Gao Yong also smiled mockingly.

The hundreds of bodyguards behind Lin Fan turned around at the same time, waiting for his orders.

At the same time, many passers-by left, not daring to watch anymore.

Even those who were curious were secretly pulled away by Su Muqing.

All the bodyguards were looking at Lin Fan.

Lin Fan raised his head and looked at the bodyguard in black.

“Break his legs.”

“Whoever dares to stop you will have their legs broken too.”

Once he said this...

The hundreds of bodyguards behind Lin Fan attacked at the same time!

When the bodyguards behind Gao Yong saw this, they sneered without any fear.

The bodyguards behind Gao Yong took a step forward at the same time.

For a moment, the atmosphere was tense.

Gao Yong had also brought many bodyguards, but there were only about 30 of them.

Lin Fan had hundreds of bodyguards with him.

Gao Yong said casually, “Lin Fan, I saved Xia Wanqiu. It’s fine if you don’t thank me, but I won’t bicker with you about this. In Jiang City, no one dares to touch my people. Do you dare try?”

The bodyguards beside Gao Yong were all lined up to protect him.

The bodyguards beside Lin Fan stopped and looked at him hesitantly.

If they really touched Gao Yong's people here, things would not be so simple.

Lin Fan looked at the bodyguards beside him and his voice became louder.

"I'll f*cking say it again."

"Go! Break! His! Legs!"

Chapter 396: The Battle With The Gao Family Has Started!

"I'll f*cking say it again."

"Go! Break! His! Legs!"

When Lin Fan finished speaking, all the surrounding security guards walked towards Gao Yong.

No one hesitated anymore.

They all knew that Lin Fan was the boss of Jiaxing Entertainment and also their boss.

They didn't have to consider their boss's orders. They just had to follow them.

"Whoever dares to touch the people here will have their legs broken," said Lin Fan. He looked at Gao Yong with a cold gaze.

Bang, bang, bang.

The surrounding atmosphere seemed to freeze completely.

Lin Fan's words made the bodyguards around Gao Yong not dare to move.

If anyone dared to move, Lin Fan would really break their legs.

Even Gao Yong stood frozen in the wind.

Lin Fan actually dared to...

He actually dared to touch his people.

He was looking down on him.

But even so, he could not say anything now.

"CEO Gao, save me, save me..."

"I'm your subordinate. What right does Lin Fan have to attack? What right does he have!"

"Who does he think he is? How dare he attack..."

"No, no... no!"

The bodyguard in black was stripped to the ground.

Then, there was a crisp sound of bones breaking.

Click.

The bodyguard in black's legs were broken!

"Ah..."

The bodyguard in black turned pale and fainted.

Throughout the entire process, Lin Fan and Gao Yong didn't say a word.

The other bodyguards did not say anything else.

The bodyguards beside Gao Yong did not even dare to move.

Who would have thought that Lin Fan wouldn't give Gao Yong any face?

The Gao family in Jiang City was publicly slapped in the face by Lin Fan just like that.

"CEO Gao, the servants don't know how to speak. I'm here to help you teach the servants a lesson. Do you have any objections?" Lin Fan walked towards Gao Yong step by step with a calm expression.

"Lin Fan, the Gao family will remember what happened today."

"I hope you can remember the consequences of offending the Gao family. The Xia family can't protect you," Gao Yong said and turned to leave with his bodyguards.

Seeing so many people leave, Xia Qianqian stood in the wind in a mess.

Xia Qianqian looked at Lin Fan like a fangirl.

"Wow, Brother-in-law is really too handsome." Xia Qianqian blushed. Even her lower body was a little...

"Who asked that bodyguard to criticize my brother-in-law this morning? Now, he's even criticizing my sister. Anyone would be angry. Such a person should be taught a lesson," Xia Qianqian said.

Xia Wanqiu looked at Lin Fan with her beautiful eyes. She was still a little worried.

She knew the Gao family's influence in Jiang City. If they offended Gao Yong like this, something might happen to Lin Fan.

Even Jiaxing Entertainment and Emperor Entertainment might be in trouble.

Xia Wanqiu was wearing the windbreaker Lin Fan had given her. She stood in the wind and smiled beautifully.

“Lin Fan, if the Gao family really dares to attack, if it really doesn’t work out, I’ll go look for my mother. My mother definitely isn’t afraid of the Gao family,” Xia Wanqiu said.

“It’s fine. The Gao family has gone too far. There’s nothing to be afraid of.” Lin Fan patted Xia Wanqiu’s head and held her hand, preparing to go home.

After returning to the Xia family, these bodyguards temporarily rested there.

The Xia family was very big, so it was not a problem to accommodate so many bodyguards.

Lin Fan could already predict that Gao Yong would definitely take revenge on him.

Since Gao Yong wanted to take revenge on him, Lin Fan’s principle was to take revenge on Gao Yong first.

Soon, Lin Fan called Su Muqing.

“Boss Lin, I’m here,” Su Muqing said.

“Inform the celebrities of Jiaxing Entertainment, especially the girls, Lin Kexin, Chu Yaoyao, and Tang Xinran to protect themselves during this period of time. They have to bring bodyguards with them when they go out.”

“Inform the employees of Jiaxing Entertainment to work hard during this period of time. If anything happens in the company, report it immediately,” said Lin Fan.

“Alright.” Su Muqing nodded. “Boss Lin, with me around, nothing will happen to the company.”

Lin Fan continued, “Muqing, you have to protect yourself too. I don’t want anything to happen to you.”

After all, Su Muqing was also very beautiful. If Gao Yong wanted to target the people around Lin Fan, if anything happened to Su Muqing, it would be equivalent to cutting off Lin Fan's arm.

Su Muqing was Lin Fan's assistant and was also a very capable person by his side. Her loyalty to Lin Fan was 100.

It could be said that anyone could betray Lin Fan except for Su Muqing.

No matter what happened, she would stand on Lin Fan's side.

The system's evaluation was definitely not wrong.

"Also, remember to help me contact Boss Ma and the CEOs of the various companies. Tell them that... the war has begun."

"If the Gao family wants to start a business war, then start a business war. No matter how much money we lose or what price we have to pay, we have to fight the Gao family!" Lin Fan said.

Su Muqing nodded. "Boss Lin, I understand."

After calling Su Muqing, Lin Fan immediately contacted Su Xiaoyu.

The Gao family's influence in Jiang City was too great. Who knew what kind of bloodshed it would cause this time?

But Lin Fan would make all the preparations.

"Master, you know how to contact me?" Su Xiaoyu gently tapped Lin Fan's back.

"Xiaoyu, help me do something."

"The Gao family in Jiang City is very influential. They are involved in many industries, including real estate and finance."

"I only want to do one thing now, and that is to be prepared to destroy the Gao family at any time and let the Gao family be completely eliminated from Jiang City," said Lin Fan.

"Alright ~" Su Xiaoyu nodded.

"Master, but the Gao family is very awesome. It's a little difficult. Once we start a war, it'll be a long business war. It won't be settled immediately." Su Xiaoyu smiled sweetly.

"How long will it take?" Lin Fan asked.

"Mmm... I estimate that the Gao family will be facing an economic crisis for about 24 hours. When the Gao family goes bankrupt, it will probably take 72 hours." Su Xiaoyu calculated carefully.

1

Lin Fan: "..."

He had thought that it would take a few years to bankrupt the Gao family.

After all, the business competition was a competition of sharpness and insight into the market. Similarly, funds were also very important.

Once the war started, it would be a long battle.

In Su Xiaoyu's eyes, it would only take 72 hours for the Gao family to collapse.

Although the Gao family was quite impressive, the girls around Lin Fan were each more amazing than the other.

Su Muqing and Su Xiaoyu were almost bug-like existences.

The Gao family in Jiang City could not compare to Su Xiaoyu.

If Su Xiaoyu wanted to make a move, not many companies were her match.

She was a true genius girl and was second to none in business.

Even the amazing CEO Ma only received a system rating of 1,000+ in terms of business ability.

But Su Xiaoyu's business ability exceeded 4,000.

The battle with the Gao family had already begun!

Chapter 397: She Likes Lin Fan

At the same time, today was also Old Master Xia's birthday.

Unknowingly, it was already night.

In the Xia family, many relatives and friends gathered.

The old man sat at the head of the table and sipped his tea.

It had to be said that the tea leaves Lin Fan sent were really delicious.

The taste was different from usual.

For someone like the old man who loved tea as much as his life, having such good tea leaves was the best gift.

Other than tea, there was also good wine.

The old man treated these gifts as his treasures.

It was already night time, so of course they had to have a family banquet.

With so many people gathered together, relatives and friends would always chat together.

Just then...

The Xia family's door opened.

A girl wearing a JK skirt walked in lively.

When everyone saw the girl, they could not help but look over.

Su Xiaoyu was here!

"I was wondering who it was. So it's our precious granddaughter." The old man smiled in relief and laughed.

"Grandpa, happy birthday." Su Xiaoyu smiled sweetly and sat beside the old man.

"It's been more than a year. Xiaoyu has become prettier again." The old man was in a rare good mood.

"Grandpa has become younger." Su Xiaoyu gave the old man a hug, her face filled with joy.

"That's right. Grandpa is very young now and his health is so good," Xia Wanqiu said with a smile from the left of the old man.

The old master patted Xia Wanqiu and Su Xiaoyu's heads, feeling exceptionally happy.

He had not seen these girls for some time. This time, he could see both of them and they were both by his side. This feeling was really indescribably refreshing.

Xia Wanqiu and Su Xiaoyu were doted on by the old man, making others jealous.

How could there be such beautiful girls? When the two girls sat together, it formed a beautiful scenery.

"Xiaoyu, have you found a boyfriend? If not, do you want me to introduce you to one?" The old man looked at Su Xiaoyu.

Su Xiaoyu blushed and looked at Lin Fan with her beautiful eyes. "No, Grandpa. I already have someone I like, so I don't need you to introduce blind dates to me."

The Old Master had a tacit understanding. He saw that Su Xiaoyu's gaze towards Lin Fan was different but he didn't say it out loud.

"Wanqiu, help Grandpa make a cup of tea. The tea leaves are in the corner under the bed," the old man said with a smile and looked at Xia Wanqiu.

"Mmm ~" Xia Wanqiu nodded and happily went to make tea for the old man.

His relatives and friends were also chatting, and no one paid attention to what the Old Master and Su Xiaoyu were saying.

The old man held Su Xiaoyu's arm and walked into another private room.

"Xiaoyu, do you like Lin Fan?" the old man asked directly. At his age, he was indifferent to everything. Many things could be seen with one look.

"Xiaoyu, don't lie. Tell me honestly. Your acting skills in the entertainment industry can't fool me," the old man said with a smile.

Su Xiaoyu looked at her grandfather. She was the closest to her grandfather, so she would tell him everything.

Su Xiaoyu nodded and her tone became serious. "Mmm, I like him ~"

The old man asked again, "How much do you like him?"

Su Xiaoyu smiled sweetly. "I want to sleep with him, wake up with him, watch the sun rise and set with him, have breakfast with him, shop with him, go to the arcade with him, go to karaoke with him, change into beautiful clothes for him to see. I want to drive around with him and ride the Ferris wheel with him. Although I'm afraid of heights, I still want to ride the Ferris wheel with him."

“I want to hold his arm, wash the dishes at home tonight and sleep with him. I also want to give birth to many babies for him ~”

“Grandpa, but these are all dreams. They’ll never be realized. Master and Sister Wanqiu are together. They’re super loving. I’ll be fine alone. I don’t need these feelings anymore.”

As Su Xiaoyu spoke, her eyes turned red and tears flowed down uncontrollably.

That was her biological sister. How could she snatch her sister’s boyfriend?

Even if she could use some small methods to make Lin Fan take responsibility for her, she wasn’t willing to do that. There was no need to do that. She wouldn’t force anyone.

She did not have many relatives, so she could not hurt Xia Wanqiu for her sake.

The old man patted Su Xiaoyu’s head and smiled. “There are so many outstanding men in the world. Why don’t you change to someone you like? Go out and see more. You might like someone else.”

Su Xiaoyu shook her head and smiled. “Grandpa, Xiaoyu has never liked boys. I don’t know what it feels like to like them. Over the years, Xiaoyu has seen many outstanding boys and many have wooed me, but Xiaoyu doesn’t like those people.”

“Ever since I met Master, I finally know what it means to like someone.”

“Grandpa, Xiaoyu will probably only love him in her life, even though it’s impossible for her to love him. The best performance of loving someone is to let go, right? Furthermore, Master and Sister Wanqiu are super happy together now.”

After hearing Su Xiaoyu’s words, the old man said, “Then I have to let you get married and find someone you like. What will you do?”

Su Xiaoyu looked at her grandfather and smiled brightly. “Grandpa, I swear in the name of Su Xiaoyu that I will only love Lin Fan for the rest of my life. If there are any changes, I will be struck by lightning and split into pieces. I will never be able to reincarnate.”

As she spoke, Su Xiaoyu swore.

The old man hurriedly wanted to shut Su Xiaoyu up, but it was too late.

Su Xiaoyu was really too smart.

She was very obedient to the old man. If the old man wanted her to find someone to marry, she had to find someone to marry.

When she understood what the old man meant, she chose to swear.

In modern society, no one believed in swearing.

Because even if she couldn't, she wouldn't be torn apart by lightning.

But the old man believed it.

Old people believed in ghosts and gods. Some things could not be said carelessly.

The old man looked at Su Xiaoyu and could only sigh deeply.

Only now did he know how much Su Xiaoyu liked Lin Fan.

Even if she could never be with Lin Fan...

She still chose to reject marrying and falling in love with someone else.

Because someone else... wasn't Lin Fan.

She used her oath to tell Grandpa how deep her determination was.

In other words, after she swore, she would never be able to marry anyone else or like anyone else in her life.

She could choose to never marry anyone except Lin Fan.

But Lin Fan had a girlfriend. In other words, Su Xiaoyu only had one choice.

She would never marry.

After saying the oath, the old man could no longer force Su Xiaoyu to marry someone else.

The old man sighed. "Xiaoyu, why? Tell me, why? Is your happiness not the most important?"

Su Xiaoyu took out a photo of her and Lin Fan from her bag. She looked at it and gently kissed Lin Fan's photo.

"Grandpa."

"Girls have to be loyal to the end."

Chapter 398: Marry Both?

After the old man heard that, he said, "Mmm, I understand. Call Lin Fan in. It's such a simple matter. Just marry the two of you and it'll be over. I'll help you settle this matter."

Su Xiaoyu: "???"

The old man: "Are you unwilling? Although the law doesn't allow me to marry two people now, you're both my granddaughters. It's the same. The marriage certificate is just an identification card. In reality, you and Wanqiu can always live with Lin Fan. It's equivalent to marrying the two of you. There's not much difference. Furthermore, Lin Fan won't lose out."

Su Xiaoyu: "Grandpa, I can't. Lin Fan and Sister Wanqiu are so loving. I can't become a third party, much less destroy their relationship. Let me bear it silently ~"

The old man: "No, you're my granddaughter. No matter what, I have to help you find someone to marry. Lin Fan is a good child and you guys look quite compatible. Come, I'll go talk to Lin Fan."

Su Xiaoyu grabbed the old man's arm and said, "Grandpa, don't worry about me. Leave relationships to me ~"

The old man could only sigh helplessly. "Alright then. But Xiaoyu, if anyone dares to bully you, feel free to tell me."

Su Xiaoyu giggled. "Of course. Grandpa is the best."

Not long after, Xia Wanqiu walked in with the tea.

"Meow?" Xia Wanqiu blinked and looked at Su Xiaoyu and the old man in the room.

"Come, come, come in. This tea is very delicious," the old man said with a smile.

"Grandpa, you guys chat first. I'll go out first," Su Xiaoyu said with a smile. She stood up and left obediently.

After Xia Wanqiu entered, she sat beside the old man. "Grandpa, have some tea ~"

The old man wanted to say something but did not.

It was Xia Wanqiu who spoke first. "Grandpa, at the market today, Lin Fan..."

Xia Wanqiu told him about meeting Gao Yong.

After saying that, the old man's expression changed. "What did you say? Lin Fan and Gao Yong had a conflict and Lin Fan even broke Gao Yong's bodyguard's legs..."

"Wanqiu, do you know how terrifying Gao Yong's influence is in Jiang City? In Jiang City, whether it's an aristocratic family or a rich second-generation family, they don't dare to go against the Gao family. And this Gao Yong is ruthless. Anyone who offends him will end up very miserable."

Xia Wanqiu said worriedly, "Grandpa, how does our Xia family compare to the Gao family?"

The old man shook his head. "In terms of power in Jiang City, the Xia family can't compare to the Gao family, but I've already left the business world for a long time. Only your father can help with this kind of thing. The Gao family will give your father some face no matter what."

The old man sighed. "Lin Fan could have provoked anyone but he chose to provoke Gao Yong. Lin Fan is still too young. My evaluation of him isn't accurate enough."

"Looks like Lin Fan isn't as stable as he seems."

The old man was very disappointed.

Because anyone could tell how terrifying Gao Yong was in Jiang City.

Lin Fan had casually offended Gao Yong and offended him to death.

Now, the old man was very disappointed.

The Xia family wouldn't offend the Gao family for Lin Fan.

Offending the Gao family meant billions of losses every year, and these losses were something the Xia family could not accept.

That's right, Su Xiaoyu could help Lin Fan.

Xia Wanqiu's mother could also help Lin Fan.

However... in the eyes of the old man, his evaluation of Lin Fan had already lowered.

If the Xia family wanted to find a son-in-law, they could not find a son-in-law who always caused trouble everywhere.

What was the use of such a son-in-law?

Xia Wanqiu looked at the old man and hurriedly explained, "Grandpa, Lin Fan did this to protect me. He didn't really mean to offend Gao Yong."

The old man said, "Yes, he can protect you, but he can't lose his mind to protect you. There are many ways to deal with it today, but Lin Fan chose the worst way."

"If he has the ability, then what he's doing is right. If he doesn't have the ability and casually offends a big boss in the business world, what awaits him is a calamity. According to what I know, Lin Fan's two companies only have a market value of four billion. How can they fight against the Gao family, who is the overlord of Jiang City? If the Gao family comes knocking, do you want the Xia family to help him clean up his mess?"

The old man was very disappointed.

Previously, he had wanted Lin Fan to marry two at once.

Xia Wanqiu's looks were devastatingly beautiful. She was a top celebrity in China and the daughter of the Xia family.

Su Xiaoyu was a genius girl. In terms of looks, there were not many who could compare to Su Xiaoyu.

In the eyes of the old man, Lin Fan could marry two.

However, Lin Fan had to have the ability to marry two people.

He couldn't just let anyone marry his precious granddaughter, right?

Xia Wanqiu looked at the old man with her beautiful eyes and explained, "Grandpa, Lin Fan is very awesome. He's not as rash as you think."

The old man smiled and took a puff of his cigarette. "Wanqiu, in your eyes, Lin Fan is indeed very good. But whether he can be my grandson-in-law or not, he has to prove it himself. He has to let me see that he can be worthy of the Xia family's daughter and you."

Offending the Gao family meant that the relationship between the Xia family and the Gao family might change.

The Xia family would directly lose a lot of economic benefits.

The old man continued, "I originally wanted Lin Fan to marry you and Xiaoyu, so I had to see Lin Fan's ability. I couldn't let my precious granddaughter suffer."

When Xia Wanqiu heard that, her face turned red. "Grandpa, what are you saying... why would he... marry us both?"

The old man coughed and said, "Pretend I didn't say anything. Cough, cough..."

Xia Wanqiu stomped her feet and exploded. "Grandpa, you're not allowed to make decisions on your own. Also... I haven't agreed to marry Lin Fan."

Xia Wanqiu was not ready to be a bride yet.

As for Su Xiaoyu, Lin Fan had to decide for himself.

However, Xia Wanqiu was still worried about Lin Fan and immediately went to look for her father, Xia Jiancheng.

After explaining the situation, Xia Jiancheng was shocked. "What did you say?"

Xia Wanqiu lowered her head. "If Daddy can't help Lin Fan, I can only look for Mommy."

Xia Jiancheng said, "No, you can look for anyone but your mother. Your mother doesn't like celebrities in the entertainment industry to begin with. If she knew that Lin Fan had caused such a mess, she would definitely take the opportunity to stop you two from being together. Your mother won't help you."

"Offending the Gao family in Jiang City... is almost courting death."

"Wanqiu, Dad might not be able to protect Lin Fan. If the Gao family really comes, I can only hope that Gao Yong will give me face and ask Lin Fan to apologize and not pursue the matter."

“Otherwise, with the Gao family’s protective personality, I’m afraid they won’t stop until they break Lin Fan’s limbs.”

Chapter 399: Who Dares to Attack?

As soon as he finished speaking, the door of the Xia family opened.

Everyone looked over. Gao Yong was standing at the door.

There were at least a hundred cars parked outside.

Gao Yong walked in directly.

“Old Master, Gao Yong wishes you happy birthday again.”

“I wish the old master all the best. I hope that the sun and moon will shine in your glory, that the pines and cranes will live forever, that the future will be endless, that you will be rich and healthy, and that you will never age!”

Gao Yong had a smile on his face. It was impossible to tell what he was here for.

Behind Gao Yong were eight bodyguards who were more than 1.9 meters tall.

These bodyguards looked very powerful and were not something ordinary bodyguards could compare to.

When the old man saw Gao Yong, he stood up. “Hahaha, it’s good enough that you’re here. There’s no need to care about so many formalities. Tonight is the Xia family’s banquet. We can eat today’s banquet later.”

Gao Yong cupped his hands. “Today is Old Master’s birthday. It’s only right to come and see him.”

Gao Yong looked over and saw Su Xiaoyu.

When he saw Su Xiaoyu, Gao Yong’s eyes widened.

It was too beautiful!

Su Xiaoyu was wearing a JK dress. She looked like a young girl in her prime. Coupled with her 99 points looks, Gao Yong immediately felt his blood boil.

He had played with so many women, but none of them were as attractive as Su Xiaoyu.

If he could play with such a girl, the feeling would definitely be different.

Gao Yong smiled and said, "Who is this lady? Why haven't I seen her before?"

The old man smiled apologetically. "This is my granddaughter, Su Xiaoyu. She's also a big star."

When Gao Yong heard that, he smiled faintly. "Miss Su, no wonder you're so pretty. I've seen so many pretty girls, but none of them can compare to you."

Gao Yong walked towards Su Xiaoyu step by step. He bowed gentlemanly and extended his hand. "Hello, Miss Su. I'm Gao Yong."

Gao Yong smiled. As long as it was a beautiful girl, he would flirt with her.

If he could sleep with Su Xiaoyu tonight, that feeling would be pretty good.

Seeing Gao Yong take the initiative to extend his hand to Su Xiaoyu, any professional woman would probably not ignore Gao Yong's friendliness.

But Su Xiaoyu was different.

Su Xiaoyu looked at Gao Yong and smiled sweetly. She said calmly, "Gao Yong?"

Gao Yong's smile deepened. Any beautiful woman who knew his name would come up to him. Those celebrities were no exception. When Su Xiaoyu asked him, he nodded. "Yes, I am."

Su Xiaoyu did not reach out to shake Gao Yong's hand. Instead, she looked innocently at her relative beside her and asked, "Who is Gao Yong? I've never heard of his name."

"Grandpa, not everyone can attend the family banquet. Is this person's surname Xia? Su? Since he's not, what right does he have to attend the family banquet? Could it be that he's very awesome?"

The surrounding relatives and friends gasped.

Su Xiaoyu was really not giving Gao Yong face.

Lin Fan had only hit one of Gao Yong's bodyguards. Su Xiaoyu was basically slapping Gao Yong in the face.

Gao Yong stood rooted to the ground, his expression turning dark.

There was a cold glint in Gao Yong's eyes, but he did not flare up. He had been in the business world for many years, so he would not be angered by Su Xiaoyu's words. Instead, it stimulated the desire in Gao Yong's heart. A woman like Su Xiaoyu dared to speak to him like this. When they were in bed, he would humiliate Su Xiaoyu ruthlessly. He would only be satisfied when he saw Su Xiaoyu under him.

Xia Lan was shocked when she heard that. She looked at Su Xiaoyu and said, "Xiaoyu, what are you saying?"

Su Xiaoyu shook her head. "I'll just say that."

Gao Yong said lightly, "Miss Su, my name is Gao Yong. I'm the eldest son of the Gao family in Jiang City. My company is the Gao Corporation's company, and it's ranked in the top 50 in China. The company's market value has already exceeded 400 billion. Most of the real estate in Jiang City is handled by the Gao family. If Miss Su wants to buy a house, you can contact our Gao family and give it to Miss Su at the best price."

Gao Yong was showing off.

The top 50 companies in China.

Its market value exceeded 400 billion.

One could imagine how rich the Gao family was.

Gao Yong was showing off to Su Xiaoyu and the Xia family.

Unexpectedly, Su Xiaoyu raised her beautiful eyes and looked at Gao Yong. "Oh, it's only the top 50. The market value is only 400 billion. I thought the Gao family was very awesome."

After Gao Yong heard that, he just smiled and did not say anything. He did not lower himself to Su Xiaoyu's level.

In his opinion, Su Xiaoyu was just an ignorant woman.

It was only 400 billion. Did Su Xiaoyu know what 400 billion meant?

Did he know what it meant to be ranked in the top 50 in China?

After Gao Yong finished speaking, he started the main topic.

"Old Master, CEO Xia, I brought so many people to the Xia family this time not to ruin Old Master's birthday atmosphere."

"Today, I'm here for someone."

"Lin Fan broke my bodyguard's legs. This is a matter between the Gao family and Lin Fan. The Gao family wants to punish Lin Fan. Hand Lin Fan over and I'll leave," Gao Yong said as he looked at Lin Fan.

The reason why he wasn't angry with Su Xiaoyu was because his main target this time was Lin Fan.

If Lin Fan dared to mess with his people, he had to pay the price.

Xia Jiancheng looked at Gao Yong and asked, "CEO Gao, is there a misunderstanding? If there is, let Lin Fan apologize to you and give me some face. How about this?"

Bang, bang, bang.

A hundred, two hundred bodyguards... walked to the entrance of the Xia residence.

They were all Gao Yong's people.

Furthermore, these people were all holding weapons.

Gao Yong looked at Lin Fan and took a step forward.

"CEO Xia, if it was anything else, I could give you some face. Today, your face is useless here."

"I'll only f*cking say it once."

"Break all of Lin Fan's limbs!"

"Today, whoever dares to stop the Gao family will be our enemy."

"If you want to stop me, you can come out and try."

Gao Yong said as he looked at Lin Fan with anger in his eyes.

This was the consequence of offending the Gao family!

Who would have thought that the Gao family would not give the Xia family any face?

The many relatives of the Xia family were even more flustered.

Everyone knew the Gao family's power in Jiang City.

Everyone's eyes were on Lin Fan.

At this moment, Lin Fan was drinking tea and didn't even look at Gao Yong.

In the distance, a bodyguard in black with broken limbs lay on a stretcher after a simple bandage. He smiled sinisterly. "Hahahahaha, you've offended the Gao family. Lin Fan, wait for death! I can finally see your broken limbs. It's comfortable, too comfortable!"

Gao Yong shouted, "Take! Action!!!"

All the bodyguards walked towards Lin Fan.

No one dared to stop him.

No one dared to stop so many bodyguards.

And in the next moment...

There was a loud bang!

The Xia family's door shattered in an instant!

A girl's voice entered everyone's ears.

"Who dares to attack?"

When everyone looked at the entrance...

A professional bodyguard was already pointing his gun at Gao Yong's head.

Swoosh, swoosh, swoosh!

300 bodyguards appeared in every corner of the Xia residence.

The taillights of hundreds of cars shone at the Xia family's door at the same time. The night was as bright as day.

In the sky, the sound of a helicopter's propeller could be heard.

The sound of rotors could be heard in every corner of the Xia residence.

Ten helicopters hovered in the air.

The Xia family's glass, floor, and walls were all trembling slightly.

The strong wind from the propeller pierced the faces of the bodyguards beside Gao Yong.

The Gatling guns on the ten helicopters were all aimed at Gao Yong!

The bodyguards on both sides dispersed.

At this moment, a beautiful figure wearing a white off-shoulder top and sweet shoulder-length hair stood in the middle of the crowd. She was fresh and cute, revealing her snow-white long legs.

She walked at a steady pace. She was wearing white canvas shoes and looked clean. As far as the eye could see, she gave off a gentle, quiet, and pure feeling.

Without a doubt, the girl was the center of attention.

She was dressed simply, pure and flawless, and there was no dust in her eyes.

But she never dawdled when doing things.

No one dared to move.

Gao Yong did not dare to move.

The bodyguards beside Gao Yong did not dare to move.

One could hear a pin drop.

They could only hear the whirring of the propeller, the sound of a girl walking on the floor, and the sound of Lin Fan putting down the teacup.

The girl walked in front of Lin Fan and bowed slightly.

“Boss Lin, I’m sorry I’m late.” Su Muqing smiled sweetly and looked at Lin Fan with her beautiful eyes.

“It’s not late.” Lin Fan smiled and stood up. He looked at Gao Yong.

“Gao Yong, if I didn’t hear wrongly, just now... you said that you wanted to break my limbs, right?” Lin Fan’s voice rang out.

Everyone looked at Lin Fan in disbelief.

Because...

The girl who came was the second daughter of the Su family, Su Muqing!

At this moment, the crowd fell silent!
