

I signed In For A Billion Dollar Mansion From The Very Beginning Chapter 50-54

Chapter 50: Living Together

“Meow, meow -” Xia Wanqiu made a cute gesture at Lin Fan. Her face was slightly red as she giggled.

“Want some milk tea?” Lin Fan smiled and took out a cup of milk tea.

“Yes -” Xia Wanqiu nodded and took the milk tea.

“Ahwooh, Lin Fan, where’s my milk tea?” Su Xiaoyu pouted and looked at Lin Fan.

“There isn’t any.” Lin Fan smiled.

“Biased, biased!!” Su Xiaoyu was furious and aggrieved. He was showing off his love in front of her. If it wasn’t for her craving for Lin Fan’s delicious food, she would have been angry. Xu Yang felt his life turn dark.

It was fine if Lin Fan was more handsome than him.

What happened to not being thirsty? Didn’t she say that she would get fat from drinking milk tea? They were both gifting milk tea, but why was the difference so huge? The key was that Xia Wanqiu still made such a cute gesture in front of Lin Fan. In front of him, she would always be very polite and maintain a distance.

Xu Yang felt a little sad and even envious of Lin Fan.

“Do you want to eat? My treat,” said Lin Fan with a smile.

“Alright, alright. You’re only here now. I’m so hungry.” Su Xiaoyu looked excited. She could finally eat Lin Fan’s delicious food. “Mmm, braised fish -” Xia Wanqiu looked at Lin Fan and smiled sweetly. “Let’s go, get in,” Lin Fan said. He brought Xia Wanqiu and Su Xiaoyu into the car, leaving Xu Yang alone.

Xu Yang sighed. “Didn’t you say you weren’t hungry?”

Initially, Xu Yang thought that Lin Fan was poor, but now he realized that Lin Fan’s car was a Rolls-Royce Cullinan. How could he be poor?

Lin Fan was tall, rich and handsome.

Xu Yang felt like he had lost.

He had lost completely.

He felt like he was being stuffed with dog food. Xu Yang felt that life was too difficult for him!

“Wow, Master, Master, you’re driving the Rolls-Royce Cullinan. This car costs a few million dollars, right?” Su Xiaoyu sat in Lin Fan’s car, looking surprised.

“The seat is so soft. I’ve never sat in such a good car before.” Su Xiaoyu giggled and sat in the back seat with Xia Wanqiu.

“Yes, 6.4 million,” said Lin Fan.

“Wow, wow, wow. Master, please be my sugar daddy!” Su Xiaoyu was even more surprised.

She knew that Lin Fan already had a Bugatti. In order to pick her and Xia Wanqiu up, he bought a new car. It was a Rolls-Royce Cullinan SUV. It was a luxury car worth 6.4 million dollars.

She knew that Lin Fan already had a Bugatti. In order to pick her and Xia Wanqiu up, he bought a new car. It was a Rolls-Royce Cullinan SUV. It was a luxury car worth 6.4 million dollars.

“I still have to wait for you guys to be my sugar mummies. Xiaoyu, your salary for filming a television drama should be tens of millions. If you film another movie and other variety shows, you’ll earn even more.” said Lin Fan with a smile.

6.4 million was a sum that ordinary people would never be able to earn in their entire lives.

But to Xia Wanqiu and Su Xiaoyu, it was just a matter of filming one or two dramas.

Their endorsement fees were also astronomical.

“Ahwooh, alright. Then I’ll be your sugar mummy!” Su Xiaoyu patted her chest.

Looking at Xia Wanqiu’s fierce expression, Su Xiaoyu shrunk her head.

The cat was going to get angry. “Do I look like someone who would freeload?” Lin Fan smiled.

“Who knows?” Xia Wanqiu held the milk tea and was a little happy.

“Sister Wanqiu, I thought you didn’t drink milk tea. Xu Yang just gave you milk tea.” Su Xiaoyu giggled and looked at Xia Wanqiu. “Fierce!” Xia Wanqiu was furious and looked at Su Xiaoyu fiercely.

“Ahwooh~~~”

“I’m telling the truth. Master, Sister Wanqiu only wants your milk tea and doesn’t want Xu Yang’s. She even said she would get fat. I settled Xu Yang’s matters, but you didn’t even give me milk tea. How biased.” Su Xiaoyu stuck out her tongue. “Don’t say it.” Xia Wanqiu blushed.

If Lin Fan knew all of this, how could she raise her head in front of him in the future?

They stopped at the traffic light junction. Lin Fan turned around and stretched out his hand. He smiled and said, “Drink milk tea and you’ll get fat. Give it to me. I’ll throw it away.”

Xia Wanqiu protected the milk tea and said, "No."

Xia Wanqiu held the milk tea in her hand. "This is the first milk tea you bought for me after graduating from university. It's okay if I get fat. I just need to exercise more at night."

Lin Fan smiled and said, "I'll accompany you."

Su Xiaoyu: "Ahwooh! Children's Day is over. You two only know how to bully dogs. Count me in for exercise. That way, we can exercise together."

Lin Fan had a lot of gym equipment at home. It was pretty good for him to train his body.

When they reached the entrance of the district, a few security guards looked at Lin Fan's car in confusion.

"D*mn, did you guys see that? There were two girls in Brother Fan's car just now." "Is this the life of a rich second-generation heir? Could Brother Fan be doing double at night..."

"Who knows? I'll pretend I didn't see it. But Brother Fan's car is really cool."

It was evening.

The lake was sparkling and the setting sun shone down.

From the Lake Heart Villa, he could see the sea in the distance. Many girls were wearing bikinis, and some children were playing. It was beautiful.

"Wow, Master, your house is so big -"

"Such a big villa. There are a total of three floors and a swimming pool." Su Xiaoyu entered Lin Fan's house and looked around like an old lady.

Although celebrities lived in a good environment, most of them were very busy. In Lin Fan's house, Su Xiaoyu and Xia Wanqiu felt very comfortable.

Here, they could be carefree.

"Meow ~" When the kitten saw Su Xiaoyu and Xia Wanqiu, it jumped into Xia Wanqiu's arms and rubbed its paws on her chest.

"Lin Fan, I want to eat." Xia Wanqiu looked at Lin Fan and petted the kitten, not caring about its actions.

"Master, I want to eat too. It's rare for me to come here, so I want to eat a big meal today ~" Su Xiaoyu sat on the sofa, her snow-white and smooth beautiful legs resting on the sofa. It was as if she had returned to her house, and she was not restrained at all.

Lin Fan nodded. He looked at the cat in Xia Wanqiu's arms and was a little angry. He had never touched her before, and this cat had gotten to her first? It seemed like the sterilization time for this cat had to be brought forward to let this cat know the evil of human nature.

In the villa, Su Xiaoyu was petting the cat and Xia Wanqiu was bathing. Meanwhile, Lin Fan was cooking a feast. He had already prepared braised fish, fish soup, lobsters, roasted duck, stinky tofu, smashed cucumbers and scrambled eggs. The last dish was Su Xiaoyu's favorite Yuxiang Shredded Pork.

Lin Fan sliced the pork into strips and added some wine. He added egg whites, starch, and salt. He stirred the meat evenly and had already marinated it for 20 minutes.

He made a fire and added oil into the pot. When the oil was heated to 50%, he turned down the heat to small heat and poured in fish-flavored seasonings, tree fungi, and winter bamboo shoots. Then, he poured in fish gravy and added seasonings.

A fragrant smell wafted over. Lin Fan stir-fried the shredded meat repeatedly and finally poured in a small bowl of gravy. He stir-fried it evenly and it was ready.

The meat was tender, fresh, and smooth. It looked delicious. Lin Fan took out the Yuxiang Shredded Pork.

Unknowingly, it was already past 8 pm. Lin Fan had made a whole table of food and they were all top-notch dishes.

"Wow... Master, how can your food be so delicious?" Su Xiaoyu had completely fallen for Lin Fan. Not only was Lin Fan handsome, but his cooking was also too amazing. "Yes, delicious!" Xia Wanqiu had just taken a bath and was wearing her pajamas, outlining her perfect figure.

The two girls had long, snow-white legs. Luckily, Lin Fan had a strong willpower. Otherwise, he wouldn't have been able to take it.

"Lin Fan, you're shameless." Xia Wanqiu saw Lin Fan's gaze and her face turned

red. She found a blanket and covered her long legs. "Ahwooh, shameless, shameless ~~~" Su Xiaoyu didn't care about that. Like a little foodie, she continued eating the Yuxiang Shredded Pork, her mouth still oily. "Hmph, smelly Lin Fan. If you peek again, I'll bite you." Xia Wanqiu snorted softly. However, she was a little happy in her heart. "It's not big anyway. What's there to see?" Lin Fan said.

"Angry!!" Xia Wanqiu looked at Lin Fan, her face red and angry. She stuck out her chest. Her chest wasn't small.

"Sister Wanqiu, bite him!!" Su Xiaoyu was also very angry. She was flat to begin with, yet Lin Fan still dared to say that.

On the other side, Xia Wanqiu's manager, Yang Qing, was at the entrance of Blue Wave Bay District.

She was blocked outside the door and could not enter the Blue Wave Bay district.

Yang Qing felt like she had nothing to live for anymore. She had already expected to be scolded by her boss.

Not only did she not keep an eye on Xia Wanqiu, but she also did not keep an eye on Su Xiaoyu.

Xia Wanqiu and Su Xiaoyu were both goddesses. They should take note of their image and impact.

In the end, both goddesses... lived with Lin Fan like this?!

Chapter 51: Need a Script

Ding... congratulations master, you have successfully signed in to [God of Singers: Master Level].

“The relevant information has already entered Master’s mind and is integrated into your memory.” The system’s voice sounded.

On a new day, Lin Fan woke up and received a new skill.

Master-level, God of Singers.

However, this was a waste because Lin Fan was already very familiar with singing and knew all the instruments very well.

He was already very handsome. Coupled with the fact that he could play the guitar and the piano, he could attract countless girls’ attention in university.

In the school’s art performance, many girls had fallen for Lin Fan.

Now that he had obtained master-level singing skills, his singing skills had improved a lot. All sorts of music theory knowledge and all sorts of songs that had never appeared in this world, entered Lin Fan’s mind.

“It’s useless to have this master-level singing skill. I’m not going to become a superstar.” Lin Fan smiled and stretched. He put on his clothes and washed up. Then, he went out to the gym.

Lin Fan’s Lake Heart Villa had a gym. There were all sorts of gym equipment.

To be able to maintain such good looks, other than sleeping and waking up early, the most important thing was to exercise.

Lin Fan had four packs and a good figure. Coupled with his outstanding looks and handsomeness, he could kill many people with a simple outfit.

Xia Wangqiu and Su Xiaoyu stayed at Lin Fan’s house for the night. It was a pity that Lin Fan’s house was a little big and he had a lot of rooms. If he were to be in his rented apartment like in the past, he wouldn’t be able to sleep on the same bed as them. Maybe Lin Fan would sleep on the floor.

After exercising on the treadmill for two minutes, a cute voice sounded from behind.

“Meow, meow ~” Xia Wanqiu had already put on her clothes. Behind Lin Fan, she made a cute gesture and smiled sweetly.

“Huh?” Lin Fan stopped running and turned around.

“I’m... hungry.” Xia Wanqiu blushed and blinked.

“What do you want to eat?” Lin Fan touched Xia Wanqiu’s cute cat ears hat and asked.

“I want to eat everything.” Xia Wanqiu pouted, still reminiscing about last night’s feast.

“But I’ll get fat if I eat more. I’ll eat vegetable salad ~” Xia Wanqiu touched her flat stomach.

“You call this fat?” Lin Fan touched Xia Wanqiu’s lower abdomen. There was no fat.

“Stupid Lin Fan! You’re bullying me again.” Xia Wanqiu blushed and chased after Lin Fan.

“Wow, flirting so early in the morning. The two of you only know how to bully dogs.” Su Xiaoyu stuck her head out from the door and took a bite of a cucumber. It was really delicious.

Xia Wanqiu blushed and looked at Lin Fan. “Hmph, Xiaoyu and I want to eat vegetable salad. Otherwise, I’ll let Xiaoyu bite you. Dogs bite very fiercely.”

“Hehe, we can have a feast again!” Su Xiaoyu licked the cucumber with anticipation.

After the two girls finished their breakfast, Su Xiaoyu looked at Lin Fan in admiration.

Braised fish, fish soup, fish-flavored shredded pork, lobsters, barbecue, hotpot, everything Lin Fan made was especially delicious.

But this was the first time she had seen someone make a vegetable salad so delicious.

“Master, actually, I think you can apply for a national-level certificate. A national-level chef is super awesome,” Su Xiaoyu said with a smile.

“It’s so good to have such an awesome master. The food is so delicious. If I really want to live here, I won’t leave,” Su Xiaoyu sighed.

When Su Xiaoyu saw Xia Wanqiu’s fierce gaze, she immediately changed her words. “No, I can’t stay here forever. Work is important.”

After breakfast, the three of them exercised in the gym for a while.

At this moment, Yang Qing called.

Yang Qing was burning with anxiety. The two goddesses had been taken away by Lin Fan. If someone were to expose them, their reputations might be ruined.

Multi-people exercise was a taboo, especially when Xia Wanqiu and Su Xiaoyu were two big celebrities.

Even if Yang Qing knew the severity of the matter, she could only persuade them.

After the call, Xia Wangqiu and Su Xiaoyu went to work.

After Yang Qing picked up the two girls, she sighed in the car.

“Wangqiu, Xiaoyu, it’s not that I want to criticize you, but what you’re doing really makes me scared.”

“Luckily, there weren’t many people at the entrance of the company that day. Otherwise, if you were discovered living with Lin Fan... and you two are girls, who knows what Lin Fan’s character is like?” Yang Qing said.

“He has a very good character,” Xia Wangqiu said as she looked out of the car window.

“That’s right. Lin Fan’s character is super good. The food he makes is also very delicious. He’s equivalent to a national chef.” Su Xiaoyu nodded.

Seeing that the two girls were so protective of Lin Fan, Yang Qing shook her head.

Even if Lin Fan’s character was good, Xia Wangqiu and Su Xiaoyu were only in their early twenties. Their careers were rising.

If there were any other scandals at this time, it would definitely affect Xia Wangqiu’s career. To a female celebrity, the scandals were taboo.

If Lin Fan had enough status to gain the approval of countless fans, it wouldn’t be a big deal if Lin Fan and Xia Wangqiu had a scandal.

But in Yang Qing’s eyes, Lin Fan wasn’t good enough.

No matter how handsome Lin Fan was or how rich he was, in the eyes of the fans, he was just a handsome restaurant owner. He didn’t match up to Xia Wangqiu’s identity.

Furthermore, at this delicate moment, Xia Wangqiu had not accepted a script for a year. If any rumors spread, her competitors would seize the opportunity and directly affect her career.

She couldn’t talk to Xia Wangqiu, so she would talk to Lin Fan.

Yang Qing didn’t care how handsome Lin Fan was or how rich his family was. She was Xia Wangqiu’s manager and only cared about her.

At the same time, a huge piece of news was officially announced on Weibo.

Xia Wangqiu would be participating in the recording of “Keep Running” this time. At the same time, Su Xiaoyu was among the other stars who participated.

“Keep Running” was a popular variety show, and with Xia Wangqiu and Su Xiaoyu joining at the same time, it caused a huge uproar online.

It had been a year since Xia Wanqiu last appeared on screen. This was her first time joining a variety show, and it surprised countless of Xia Wanqiu's fans.

They entered the company.

Yang Qing met Xu Yang.

'Xu Yang sat there and took a sip of tea. Although Xia Wangiu and Lin Fan had stuffed a handful of dog food into his mouth, he remained calm.

"Master Xu," Yang Qing smiled politely.

"Hmm, is there any good script for Wanqiu recently?" Xu Yang asked.

"Not yet." Yang Qing sighed and shook her head.

"We can't go on like this."

"Today, a company cut off their endorsement deal with Wanqiu and chose a celebrity from Jiaxing Entertainment as their spokesperson. Wangqiu's popularity in the industry is gradually decreasing." Xu Yang's gaze was deep.

Yang Qing understood immediately.

A company had cut off their endorsement deal with Xia Wanqiu.

'Why? Because Xia Wanqiu had no new works for a year, and her popularity was dropping.

Jiaxing Entertainment was also a very capable company in the entertainment industry. With many artistes under them, there would be a lot of competition.

This endorsement product had changed direction, which meant that there were already endorsement companies who were dissatisfied with Xia Wangqiu. If there were other scandals at this time, it would probably be even more unfavorable for Xia Wanqiu.

"CEO Li hopes that Wangiu can try to accept other scripts and try to accept scripts that match the current audience's tastes. Also, CEO Li doesn't want Wangiu to have any scandals again."

"Otherwise, the cutting off of one endorsement deal might just be the beginning. If Wanqiu doesn't receive a good script in the next six months, I'm afraid more endorsements will be snatched. At that time, let alone you, even I can't help her," Xu Yang said.

"Master Xu, I understand." Yang Qing nodded.

It was indeed a problem with the scripts.

Although participating in variety shows was indeed not bad, works could allow a celebrity to stand firmly in the entertainment industry.

What he needed most now was a very good script!

Chapter 52: The Youngest Entrepreneur

After Lin Fan sent Xia Wanqiu and Su Xiaoyu off, he posted on Weibo that the restaurant would be temporarily closed.

There were over a hundred comments on Weibo expressing their regret.

The most important thing now was to change a script that was suitable for Xia Wanqiu.

Because Lin Fan had also seen the trending topic on Weibo.

Xia Wangqiu's endorsement was changed to another celebrity's.

Although the impact wasn't huge, Lin Fan still felt that something was wrong.

He had wanted to maintain his salted fish mentality. He wanted to collect rent, flirt with girls, and open a restaurant. That would be great.

But now, Lin Fan knew very well that he should become more outstanding.

Accept Xu Yang's suggestion to become a celebrity artist at Yuehua Entertainment? That would probably not be of much help to Xia Wanqiu.

'What Lin Fan wanted to do was to make himself outstanding enough.

Xia Wanqiu liked acting and had high expectations for her works. She also liked to show her unique value in that world and make more fans like her.

It was because of this that Lin Fan had to go all out and write a good script.

Just relying on the sign-in rewards of the system alone was not enough for Lin Fan to become strong enough.

In order to become stronger, ability was the most important, followed by connections.

Only by becoming stronger could he protect Xia Wanqiu better from being bullied.

His interaction with Xia Wanqiu changed Lin Fan's mentality.

He was the only one who could bully Xia Wangiu. No one else could!

After working for so many days, Lin Fan was almost done with the script.

In the past three years of university, Lin Fan had written five to six million words worth of novels. However, no one had read them. This time, after Lin Fan's writing skills had reached master level, he could edit these scripts with ease.

Lin Fan had written a total of 400,000 words into the script for "Joy of Life".

This was only the first season. The rest of the story was also quite interesting.

However, this 4,000,000-word script was enough to film a television drama with dozens of episodes. If the television drama became popular, he could write a second season.

“It’s almost done. I just need to modify it a little more.” Lin Fan had been busy for the entire day and it felt pretty good.

Looking at the script, Lin Fan was instantly immersed in these stories.

The story was written exceptionally brilliantly. In the script, there was the breathtaking story of the male lead, Fan Xian, in the capital, the story of his relationship with the female lead, Lin Wan’er, and many kissing scenes.

Lin Fan was even looking forward to these kissing scenes.

After all, that would be Xia Wangqiu’s first kiss on screen.

‘When filming a kissing scene with Xia Wanqiu, Lin Fan didn’t have many requests. A few dozen NGs would be enough.

Lin Fan could already imagine the scene of him being chased by 80 million fans. He had no choice. The most important thing in a kissing scene was to be invested in relationships. It wasn’t too much to NG dozens of times.

Lin Fan even wrote the theme song of the script at the same time and fully displayed his master-level ability, the theme song, “A Will Forever”!

Just as Lin Fan was about to rest, a call came in. It was the manager of Yunhang Technologies, Zhang Jinxiu.

“Hello, Mr. Lin. Are you free tonight? Since you rented seven floors of the technology building to us, our boss wants to invite you to a banquet to express his gratitude to you in public,” Zhang Jinxiu said with a smile.

Yunhang Technologies had involvements in many sectors, not only in terms of research and development products, but also in offices, hotels, shops, catering, and many other fields. Of course, they were not limited to the technology building.

However, the Technology Building was also an important part of Yunhang Technologies’ businesses. There were five-star hotels and some important shops that could bring in hundreds of millions of yuan a year.

Of course, no matter how amazing Yunhang Technologies was, Zhang Jinxiu still wanted to invite Lin Fan.

After all... Lin Fan was the landlord of Yunhang Technologies. He was equivalent to the boss of Yunhang Technologies.

If Lin Fan didn’t rent the technology building to Yunhang Technologies, they would lose a lot of profits.

If she could invite Lin Fan, it would prove that Zhang Jinxiu’s work ability was outstanding.

“Yes, sure.” Lin Fan nodded.

To put it bluntly, it was a high-end gathering.

If it was in the past, Lin Fan would definitely not participate in such boring gatherings.

But this time, it was completely different. If Lin Fan went to the gathering, he could get some connections. It might be useful in the future.

If he wanted to become strong enough, he had to have both ability and connections.

“Alright, Mr. Lin. I’ll send you the time and address now. Welcome.” Zhang Jinxiu smiled gently, but she was a little happy in her heart.

She had successfully invited Lin Fan.

In Zhang Jinxiu’s eyes, Lin Fan was a big boss. Just the seven floors of the technology building were equivalent to 3.8 billion assets!

Furthermore, Lin Fan had only recently become their new owner.

In other words, Lin Fan had spent 3.8 billion yuan on the technology building. In addition, Lin Fan was driving a Bugatti sports car worth hundreds of millions and lived in a Lake Heart Villa. Lin Fan’s assets and skills were probably worth even more than her company’s boss!

It was because of this that Zhang Jinxiu wanted to invite Lin Fan.

Lin Fan’s status was enough to be on par with her boss!

In fact, Lin Fan’s status might even be above that of her boss!

The gathering was on the 33rd floor of the technology building.

At 7 pm, Lin Fan drove the Bugatti La Voiture Noire. He was dressed simply as usual and arrived at the entrance of the technology building.

Zhang Jinxiu was already waiting for Lin Fan.

“Welcome, Mr. Lin,” Zhang Jinxiu said respectfully. She looked at Lin Fan with a faint smile.

“Hello.” Lin Fan smiled.

After reaching the 33rd floor, it was the banquet hall.

The decorations were luxurious and there were bright crystal lamps. The waiters stood aside politely and the service here was very good.

Many people were already sitting at the banquet. Many bosses in their 40s and 50s were sitting there, drinking and chatting with each other.

'When Lin Fan arrived, he attracted the attention of some people.

Yunhang Technologies' manager, Zhang Jinxiu, personally welcomed Lin Fan. This was enough to show how much she valued Lin Fan!

And they could recognize it

'A few days ago, Lin Fan and the superstar Xia Wanqiu were on the hot search list and there were rumors spreading. Although the rumors were refuted, Lin Fan's status was different from the norm. Some people tried to check on Lin Fan's background. If they didn't check, they wouldn't know. But once they did, they got a shock.

Lin Fan wasn't just a small boss who opened a restaurant. He also had two sports cars worth hundreds of millions!

One was a Bugatti La Voiture Noire, and the other was a Koenigsegg One. They were both limited edition sports cars.

Furthermore, Lin Fan had a Lake Heart Villa that was worth 200 million dollars. This was something that could be easily searched up.

Most importantly, Lin Fan was also the second-largest shareholder of the five-star New Era Lisheng Hotel and held one-fifth of the shares.

This was only what could be found on the surface. They were gathered together today and knew an even more terrifying truth.

Lin Fan was also the big boss of Yunhang Technologies. He bought seven floors of the technology building at a fixed price. It was worth 3.8 billion!

Just the information on the surface alone was enough to make all the bosses present praise and admire him.. Lin Fan was young but he was already a successful entrepreneur!

Chapter 53: Banquet

The technology building was a place that was relatively expensive in Shanghai. Furthermore, the visitor flow here was very high and the market was quite wide.

Buying a seven-story technology building cost a total of 3.8 billion!

Although the people at the banquet, including Yunhang Technologies, were all from companies that had a market value of more than a billion, or even a few billion.

It was almost impossible for these companies to produce 3.8 billion yuan in cash at once.

Meanwhile, Lin Fan could buy the seven floors of the technology building and become the new owner.

In the eyes of everyone, Lin Fan's strength and status had already far exceeded theirs.

Indeed, all of Lin Fan's assets added up to a net worth of over four billion dollars.

The key was that Lin Fan was still so young yet he had such achievements.

If there was a way to describe it, it would be that heroes came from youngsters.

Under Zhang Jinxiu's lead, the big boss of Yunhang Technologies, who was also the one who held this banquet, came to Lin Fan's side.

"Mr. Lin, nice to meet you. I'm Yun Qian, the chairman of Yunhang Technologies. I welcome you to collaborate with Yunhang Technologies." Yun Qian extended his hand.

Yun Qian was in his fifties and was a successful businessman. Yunhang Technologies' market value was also very high, and their fields of development were very wide. That was all because of Yun Qian's ability.

"Hello, Lin Fan." Lin Fan shook hands and looked at Yun Qian.

Yun Qian's attitude was very enthusiastic. He patted Lin Fan on the shoulder and looked at the people at the banquet. He said, "Everyone, this is the honored guest invited by Yunhang Technologies. He's the big boss who rented seven floors of the technology building to us, Lin Fan."

Many people had already guessed it. They stood up and raised their wine glasses as they walked towards Lin Fan.

"Hello, Mr. Lin. I'm Liu Biao, the chairman of Hua Yue."

"Hello, Mr. Lin. I'm Lin Hu, the chairman of the Golden Age KTV."

"Hello, Mr. Lin. I'm Liu Qiang, the vice president of Huawei Technology."

"Hello, Mr. Lin. I'm Lin Bei..."

"Hello, Mr. Lin. I'm Yan Xue, the chairman of New Lisheng Hotel."

Many bosses walked over to shake hands with Lin Fan and introduced themselves warmly.

These people were famous entrepreneurs in Shanghai and even all over the country. Their assets were worth hundreds of millions.

But these entrepreneurs were polite in front of Lin Fan. They didn't dare to neglect him.

Lin Fan was dressed very simply. However, to be able to appear in such an occasion, who would dare to underestimate Lin Fan?

Not everyone could afford to buy seven floors of the technology building.

Especially Yan Xue. When she saw Lin Fan in front of her, her eyes were filled with respect.

Lin Fan was also the second-largest shareholder of New Era Lisheng Hotel, but Lin Fan had never been to the company before. He had even refused to meet her.

If it wasn't for this banquet, Yan Xue wouldn't have met Lin Fan.

Yan Xue was still a little shocked. She understood why Lin Fan didn't go to the company to take a look.

Lin Fan was someone who could casually take out 3.8 billion dollars to buy seven floors of the technology building.

In other words, Lin Fan's pocket money might even be higher than the total market value of New Era Lisheng Hotel!

Lin Fan sat down and drank a few glasses of wine. He had to admit that the red wine here tasted pretty good.

However, it was clear that Lin Fan had already become the center of attention.

Many entrepreneurs came to look for Lin Fan to get to know him. This was how connections worked.

For these entrepreneurs, the wider their connections, the more benefit they would receive.

Of course, this banquet was more of a formality. Many bosses would sit together and discuss the direction and opportunities of collaboration.

"Mr. Lin, you're young but you have great achievements. You have the rights to seven floors of the technology building. I don't know how many people will envy you." Yun Qian sat down and smiled at Lin Fan.

"You're welcome. Mr. Yun, you're also a very capable person. Yunhang Technologies' development in the past few years has been very fast," said Lin Fan with a smile as he clinked glasses with Yun Qian.

"Haha, you keep saying so many polite words. Mr. Lin, if you have any needs or difficulties in the future, you can tell me."

"If it's something that I can do, I will definitely help you do it." Yun Qian drank two glasses of wine and patted his chest as he looked at Lin Fan.

"Sure, then I won't stand on ceremony. If I have any trouble, I'll come look for you." Lin Fan smiled. Faced with such a passionate Yun Qian, Lin Fan didn't need to reject him. In the business world, the most important thing was not to make enemies for himself.

Lin Fan was naturally happy to make a few more friends. Furthermore, Yunhang Technologies was a company with a high market value and its development was not bad.

"Haha, that's true. I can't guarantee anything else but I'll definitely do my best to help you settle your troubles." Yun Qian took another sip of wine. He wasn't that restrained in front of Lin Fan.

"Come, have another drink," Yun Qian said with a smile.

In the eyes of Yun Qian, Lin Fan was definitely worth cozying up to.

Being able to get close to Lin Fan would be very beneficial to Yunhang Technologies.

If there were any difficulties, they could help each other.

In the future, the development of Yunhang Technologies might require Lin Fan's help.

After three rounds of drinking, Lin Fan and Yun Qian gradually became familiar with each other.

"won't be so distant from you. I'm older than you. In the future, I'll call you Younger Brother Lin," Yun Qian said happily.

"Since you've said so, Brother Yun, I really have something to ask you." Lin Fan didn't treat Yun Qian as an outsider.

"What is it, brother? Just tell me." Yun Qian laughed.

"I've recently written a script. Brother Yun. What should you pay attention to when adapting a script into a TV drama?" Lin Fan was unfamiliar with this industry. He could ask Xia Wangqiu, but the cat was busy.

"Brother Lin, you even know how to write scripts? You're really extraordinary. You asked the right person. The first and most important thing about a script is the copyright. Go and register a copyright first."

"The second is the channels to submit your script. If a company sees your script, they will spend money to buy it. I happen to have a few channels. I'll help introduce you to a few. Yuehua Entertainment, Jiaying Entertainment, and Joy Media, these three companies are not bad," Yun said with a smile.

"alright, then I'll have to trouble you after I register the copyright," said Lin Fan with a smile.

Out of the three companies Yun Qian knew, it happened that Xia Wanqiu was at Yuehua Entertainment.

Lin Fan could have gone to look for Xia Wangqiu directly, but if that happened, it might cause a scandal in the company and it wouldn't have a good impact on Xia Wanqiu. Furthermore, Lin Fan was very confident in the script he wrote. He didn't need to go through his wife's back door.

If any of the three companies were willing to buy the script and compete with each other, Lin Fan wouldn't lose money.

'As long as a company was willing to buy the script, Lin Fan believed that the female lead in the script would be Xia Wanqiu.

Because

The female lead of this script was tailor-made for Xia Wanqiu!

Chapter 54: This Is A Masterpiece!

At 10 pm, most of the people at the banquet had left.

“Xiuxiu, send Brother Lin home,” Yun Qian said with a smile as he looked at Zhang Jinxiu.

“Alright.” Zhang Jinxiu nodded and helped Lin Fan who had drunk a lot.

“Just drive my car. Blue Wave Bay District, Lake Heart Villa,” said Lin Fan with a smile as he sat in the front passenger seat of the Bugatti.

“Alright, Mr. Lin.” Zhang Jinxiu nodded.

Sitting in the Bugatti, Zhang Jinxiu had a strange feeling.

So this was Lin Fan’s car.

Arich man’s car was indeed different.

Zhang Jinxiu looked at Lin Fan with her beautiful eyes and her cheeks were slightly red. Which girl didn’t yearn for love? She even had a little anticipation in her heart.

Would Lin Fan use the fact that he was drunk against her?

Zhang Jinxiu was very confident in her looks. The main thing was that Lin Fan was so outstanding and handsome.

Not to mention her, even other girls would be tempted.

After all, once they slept with Lin Fan, they wouldn’t have to worry about the rest of their lives.

However, Zhang Jinxiu was a little disappointed. After sending Lin Fan home, Lin Fan didn’t even look at her, let alone have those bad thoughts.

“Mr. Lin, have a good rest.” Seeing that Lin Fan didn’t have such thoughts, Zhang Jinxiu took the initiative to leave. She wouldn’t chase after Lin Fan like a gold digger.

“Mmm, be careful,” Lin Fan said and fell asleep.

The next day, Lin Fan woke up and received a cash lottery ticket when he signed in.

Then, Lin Fan went to the copyright center to register his script.

After ensuring that the script was copyrighted, Lin Fan sent the script and outline of the first four episodes of “Joy of Life” to Yun Qian.

Yun Qian quickly helped Lin Fan make the arrangements.

The script for “Joy of Life” was submitted to Yuehua Entertainment, Jiaying Entertainment, and Joy Media respectively.

Since it was personally introduced by Yun Qian, the three companies quickly started reviewing the script.

After he was done, Lin Fan drove the Bugatti to the restaurant and started his busy life again.

Yuehua Entertainment.

The script master, Tian Zheng, was reviewing the scripts submitted for the new quarter.

Looking at these scripts, Tian Zheng shook his head. There were no outstanding scripts.

“Mr Tian Zheng, this is the script that CEO Yun recommended. Do take a look.” A staff member sent the script to Tian Zheng.

“Alright, I haven’t seen a good script for half a year. This script’s name is ‘Joy of Life’, right? I don’t think it’ll be a good script.” Tian Zheng sighed.

“Mr Tian Zheng, this was recommended by CEO Yun. He said it was of a very high standard,” the staff continued. After all, the Yun Qian and Yuehua Entertainment had a certain level of cooperation. “A high standard? Who know scripts better than me? This script’s name doesn’t look good. If it’s a good script, I would eat it on the spot.” Tian Zheng was a little impatient.

He had already read scripts for half a year but did not find any good scripts.

Xia Wanqiu had high expectations for a script. In order to help Xia Wanqiu find a good script, Tian Zheng’s scalp turned numb.

As for the scripts sent in by any layman, how good could they be?

Tian Zheng opened the document. He did not have much expectations.

Tian Zheng looked at Joy of Life’s script. Just by looking at the first page, his expression had already changed.

‘When he read the second page, Tian Zheng had already sat up straight and was reading the script word by word.

‘When he read the third page, Tian Zheng’s expression had already changed.

Who wrote this script?

How could it be written so brilliantly?

‘When he saw the tenth page, Tian Zheng’s gaze was solemn. He was a little surprised as he looked at every detail in the script seriously.

The female lead’s actions and expressions when she spoke, the way she met the male lead, and some of the stories the male lead would have to experience after he went to the capital.

‘When he flipped to page 25, Tian Zheng had completely fallen for it.

This script... was simply a masterpiece!

The relationship between the male and female leads, as well as the various crises the male lead faced in the television series, had completely attracted Tian Zheng.

Even he could not write such an interesting script.

Tian Zheng could already imagine what would happen if this script was filmed.

‘Tian Zheng was deeply immersed in the plot as scenes appeared in front of him.

Sometimes angry, sometimes touched, sometimes anxious.

‘When he saw page 30, Tian Zheng’s eyes turned red and he could not help but cry.

‘As a master of scripts, this was the first time Tian Zheng had seen such a good script. Whether it was how the story developed, the character profile of the male and female leads, or the relationship scenes, they were all exquisite!

On page 31, the script stopped.

‘The script Lin Fan gave was only for the first four episodes and he didn’t give much after that.

But Tian Zheng was already deeply attracted to the story in this script.

“What a masterpiece!”

“This is a freaking masterpiece!!!”

“There’s actually someone who can write such a good script. If I were to grade this script, I would definitely give it 100 points. The story inside is really too interesting. It’s been half a year and I’ve never seen such a beautiful script.” Tian Zheng printed out the script as if he had discovered a rare treasure.

“Mr Tian Zheng...” The staff was stunned. This was the first time she had seen Tian Zheng praise a person’s script like this.

“Quickly contact the author of this script. Our company wants this script. We can discuss the copyright fee.”

“If we can film a television drama, it will definitely become extremely popular online! The author of this script probably has master-level skills. We can’t underestimate him,” Tian Zheng said excitedly.

This was the first time in his life that he was so excited about a script.

Tian Zheng immediately went to find CEO Li of Yuehua Entertainment.

“CEO Li, I saw a masterpiece today. The script’s name is Joy of Life’. In this script, every character’s is vividly portrayed.”

“Its plot has ups and downs and nervous and exciting scenes. The key is that the relationship scenes in this script are also very good. We must get such a script. We will definitely be able to film a television drama that is extremely popular online,” Tian Zheng said happily.

‘The appearance of an interesting script would be extremely beneficial to the entire company.

If it was filmed into a television drama that could become popular, the company's market value would correspondingly increase. The celebrities who acted in this drama would also become popular, and they could receive more endorsements. At the same time, the audience would be able to see higher-level dramas.

It was a win-win situation!

CEO Li nodded and said, "Send the script to Waniu and seek her opinion."

"Alright, CEO Li. Even if Xia Wanqiu is unwilling to act in this drama, the drama will still be able to become immensely popular with Su Xiaoyu as the female lead. To be able to write such a script, the author must have a master-level writing ability."

"In short, our company must think of a way to get this script. If we're slow, other companies might beat us to it," Tian Zheng said.

"Yeah, I know."

"The company will contact the author. It's rare to see a script that can receive Mr Tian Zheng's praise," CEO Li said thoughtfully.

On the other hand, Tian Zheng sent the script to Xia Wanqiu immediately.

A good script might create a brand new celebrity.

Normally, the company would definitely let everyone compete fairly to act in the drama for this script.

However, CEO Li directly handed the script to Xia Wanqiu to let her take a look.

Tian Zheng knew that this was Xia Wangqiu's status in the company.

Even though she had not taken on any dramas for a year, she was still Yuehua's number one female artist.

Xia Wangqiu was in her office. She had just finished recording the first episode of Keep Running and was a little tired.

She opened WeChat and saw that Lin Fan hadn't sent her a message.

"I'm angry. Stupid Lin Fan, if you don't send me a message, I won't send one to you either." Xia Wanqiu pouted and was a little unhappy.

Looking at Lin Fan's chat window, Xia Wanqiu stopped herself from sending him a message.

'At this moment, Xia Wangqiu received a message from Tian Zheng with a folder.

Script—"Joy of Life"!

“Xiaogiu, this is the new script the company gave you. What do you think?” Tian Zheng sent a message.

“Thank you, Mr Tian Zheng,” Xia Wanqiu replied politely.

Xia Wanqiu knew that the name of the script that Lin Fan had recently written was called Joy of Life.

While she was busy recording the variety show, Lin Fan had already written a script for her.

Of course, Xia Wanqiu didn't reply immediately. She looked at Lin Fan's WeChat and smiled.

Then let's see how well this script was written.

After Xia Wanqiu looked at it for a while, she was completely immersed in the world of the script.

There was a hint of surprise in her beautiful eyes.

It turned out that Lin Fan's script was so amazing.

The stories and plot were too attractive.

The female lead in the script was called Lin Wan'er. She was very pretty and was a dream girl.

Xia Wanqiu had high expectations for the script, and this script attracted Xia Wanqiu deeply.

Such a nice script.

Even if it wasn't written by Lin Fan, Xia Wangqiu still wanted to act in this drama.

The more she read the script, the redder Xia Wangqiu's face became. The male and female leads in this script had a lot of relationship scenes and some kissing scenes.

She knew that Lin Fan had promised her that he would be the male lead.

“Hmph, I didn't expect your script to be so well written. It's just that there are so many kissing scenes in it. You only know how to bully me. I'm really angry!” Xia Wangqiu's face was red as she gently touched her chest to calm down.

To Xia Wanqiu, this kind of script was almost the most perfect script.

At that moment, she decided to film this drama.

Of course, the prerequisite was that the male lead was Lin Fan. If the male lead wasn't Lin Fan, she wouldn't film so many kissing scenes with others.

“I've let you off easy, smelly Lin Fan. If you dare to keep bullying me when we're filming, I'll really bite you,” Xia Wanqiu said fiercely.

At this moment, Tian Zheng sent a message.

Tian Zheng: “Wanqiu, what do you think of this drama? Although the male and female leads have a lot of interaction, the plot is still pretty good. Are you willing to act as the female lead in this drama?”

[Xia Wangiu's pretty face was slightly red as she slowly typed out a word: "Yes!"]
