

I Signed-In For A Billion Dollar Mansion From The Very Beginning –

Chapter 510 - 511

Chapter 510: Wooing Su Muqing

The winter in Paris had some hazy beauty.

The night view of Paris was just as beautiful.

Today was Christmas Eve, and tomorrow was the annual Christmas Day.

As the “Chinese New Year” of Westerners, Christmas was sacred to them.

Xia Wanqiu and Su Xiaoyu had both gone home to visit their parents. Lin Fan was alone in Paris, admiring the scenery.

After Lin Fan left the business, Jiaxing Entertainment was still doing very well. Every year, its market value would increase.

Medical care, property, and driverless technology had all become branches of Jiaxing Entertainment and started an independent industry.

For example, Tencent had developed many apps such as QQ, WeChat, Honor of Kings, Peace Elites, and so on...

However, every industry was an independent department. They would even establish an independent company. It was just that Jiaxing Entertainment would be in charge of it.

Today, Lin Fan drove his sports car, the Maserati, and stopped at the entrance of the Paris airport.

He was picking someone up.

Lin Fan’s assistant was also the current chairman of Jiaxing Entertainment, the eldest daughter of the Su family, Su Muqing.

Xia Wanqiu and Su Xiaoyu would have to return home for at least half a month. In this half a month, Lin Fan would be alone in Paris. It could be said that he was quite bored.

Since he was too bored, Lin Fan called Su Muqing over.

As for Jiaying Entertainment, even if Su Muqing was not around, she could be responsible for it in an orderly manner.

At the entrance of the airport, Su Muqing was pushing a small black suitcase. She was wearing a white down jacket, blue jeans, and a pair of sneakers. She had a simple ponytail and a scarf. She was still filled with youthfulness.

Su Muqing was still the same as when Lin Fan first saw her. She was still so quiet. From afar, she was still so beautiful and quiet.

The 22-year-old Su Muqing was still as beautiful as ever.

However, Lin Fan thought about how he was already 28 years old and had become an old man.

Lin Fan had an important thought when he called Su Muqing over.

That was... to date Su Muqing!

Taking advantage of the fact that Xia Wanqiu and Su Xiaoyu weren't around, Lin Fan could go out and date Su Muqing.

No, how could such a serious meeting be called a date?

Lin Fan could use the time explaining work to Su Muqing.

"Hello, Boss Lin. I'm here." Su Muqing carried her small suitcase and saw Lin Fan immediately. She even saw the Maserati sports car behind Lin Fan and smiled.

She was slightly different from the Su Muqing from three years ago. The Su Muqing from three years ago was quiet and was Lin Fan's sidekick.

Today, Su Muqing had become more lively and cheerful. She even took the initiative to greet Lin Fan.

"You don't have to call me Boss Lin. I've already retired. What's the point of being Boss Lin?" Lin Fan smiled and walked to Su Muqing's side.

Damn... this figure was really good!

It wasn't just her figure. Even her looks were amazing!

Lin Fan still remembered that before the system untied him, it had already evaluated Su Muqing.

The highest evaluation for looks was 100 points, and the system gave Su Muqing 100 points.

After three years, Su Muqing's figure had become much better.

Especially her breasts... they were really fierce.

Lin Fan looked at Su Muqing openly. He didn't miss a single spot.

"Even if you retire, you'll still be my boss ~ You'll always be Boss Lin. Boss, aren't you afraid that Sister Wanqiu and Sister Xiaoyu will be angry if you look at a girl like that?" Su Muqing tilted her head and looked at Lin Fan.

If other people of the opposite sex looked at her like that, she would be very disgusted.

But Lin Fan was different.

When she was an assistant, Lin Fan often looked at her.

Especially in summer, Lin Fan liked to look at her even more.

If it wasn't for Xia Wanqiu and Su Xiaoyu keeping a close eye on him at the company...

Lin Fan laughed. "They've returned to their parents' house for at least half a month. This is my happy life."

Su Muqing puffed up her cheeks and said, "Boss, you've changed. You weren't like this in the past. Why are you so lecherous now?"

Lin Fan waved his hand. In the past, he was still thinking about how to earn money. He was very busy with all sorts of things, such as writing scripts.

His mentality was completely different now.

He was the richest man in the world!

The richest man in the world should live a relaxed life.

He was already the richest man in the world, who would still go to work? It was extremely tiring.

Perhaps some of the richest people in the world liked to work.

However, Lin Fan didn't like it.

He only wanted to lie at home and have endless money. He would shop around every day and look at the long legs of the ladies. How blissful!

To put it simply, Lin Fan only wanted to enjoy life now!

A person could only live for a hundred years, and a man's happy times were basically before fifty.

After turning 50, it was unrealistic to even carry a gun to the battlefield.

Luckily, Lin Fan was only 28 years old. Of course, he had to seize these 22 years to enjoy life.

After turning 50, no matter how much Lin Fan liked 18-year-old girls, he wouldn't be able to hold his gun anymore.

Lin Fan: "Me? Perverted? Am I that kind of person?"

Su Muqing nodded. "Yes..."

Although she didn't want to contradict Lin Fan, in terms of lust... she still felt the need to nod.

After all, Lin Fan had married two girls.

How was this not perverted?

Furthermore, Lin Fan had called her to Paris when his two wives returned to their parents' house.

Were they going to spend time alone together?

Lin Fan smiled. "If you say he's that kind of person, then so be it. Get in. Today is Christmas Eve. Let's enjoy life!"

He opened the driver's seat of the Maserati and looked at Su Muqing.

For a moment, Su Muqing was stunned.

Usually, when boys brought girls out to play, didn't they let girls sit in the front passenger seat?

"You're my little assistant. Although I've already retired from the industry, have you ever seen a boss drive?" Lin Fan said as he shamelessly sat in the front passenger seat.

"..." Su Muqing.

She had never seen her boss so shameless before.

But she didn't dare to say it. What should she do?

She could only weakly drive for Lin Fan.

"Boss, where are we going first?" Su Muqing asked Lin Fan as she drove.

"Go home first and put your suitcase back," said Lin Fan.

"Ah? Boss Lin, when you called previously... you asked me to come to Paris for a day. There are still many things to do at the company."

"I even booked a flight for tonight..." Su Muqing said aggrievedly. Why did Lin Fan let her bring her luggage back to her place? Was he not letting her leave?

"Let you come to Paris for a day? Did I say that? For the next two weeks, you'll stay in Paris. Your job is to enjoy life with your boss. Someone will naturally be able to handle the company's matters," said Lin Fan. He could still smell Su Muqing's fragrance.

"But... I've already bought the plane tickets." Su Muqing blinked. After all, plane tickets were very expensive...

"?" Lin Fan looked at Su Muqing. Wasn't it just a plane ticket? Let alone a plane ticket, he could afford a plane with a flick of his finger.

After being glared at by Lin Fan, Su Muqing relented.

Oh, the boss was so fierce!

But... why did Su Muqing feel a little expectant?

Lin Fan smiled.

Hahahahaha, his wives had all gone back to their families. In the past two weeks, he had called his junior assistant to Paris. His life was so blissful.

Since he was already a scumbag, he should be more thorough about it!

Chapter 511: An Agreement with Xia Wanqiu in a Parallel Universe (Final)

Paris.

Winter had arrived. Paris' nightclub was so charming. The neon lights, flowers, and plants were all beautiful.

There were lights everywhere, preparing for Christmas.

The night before Christmas was Christmas Eve.

It was rumored that on Christmas Day, Santa would appear in the children's rooms and stuff their socks with small gifts that they liked.

At this moment, Su Muqing, who had just taken an international flight to Paris, stood beside Lin Fan as if it was her first time becoming his assistant.

Today, Xia Wanqiu and Su Xiaoyu weren't here. There was only Lin Fan and Su Muqing.

Su Muqing's cheeks were a little red.

She was secretly dating Lin Fan.

He hid it from Xia Wanqiu and Su Xiaoyu and put down his work in the company to look for Lin Fan in Paris.

This was... an affair.

In reality, this was Su Muqing's first date with Lin Fan.

Did Su Muqing have a good impression of Lin Fan?

It could be said that Su Muqing had always had a good impression of Lin Fan.

However, there were too many outstanding girls around Lin Fan, so Su Muqing would never take the initiative.

She was never a girl who would take the initiative.

She would only look at Lin Fan from afar and help him complete his career.

Even if Lin Fan had already left Jiaxing Entertainment, Su Muqing would still help Lin Fan take care of his work.

There were memories of their lives here, memories of working together.

It was really good.

“Want some candy?” Lin Fan smiled and bought two rolls of cotton candy in front of Santa.

“Mmm, Boss Lin, when I came to Paris, you let me eat cotton candy,” Su Muqing said softly. “However, even if I eat cotton candy, I’m still very happy.”

Lin Fan patted Su Muqing’s head.

Along the way, Lin Fan and Su Muqing walked through the night market in Paris.

Paris was beautiful at night, and it was very popular here. Many commercial streets were also very prosperous.

Every time they arrived at a place, Lin Fan would give Su Muqing some small gifts.

Su Muqing liked it very much and smiled sweetly.

Tonight was the happiest day in all her years of working.

He was really... happy.

It was her greatest happiness to be able to walk with Lin Fan.

The two of them walked like this and could feel each other’s breathing.

After walking for a long time, Su Muqing turned around and looked at Lin Fan. “Boss Lin, we can’t do this. If we do this... Wanqiu and Sister Xiaoyu will be unhappy. We can’t do this.”

Su Muqing was very serious.

Lin Fan smiled brightly and walked forward. “Su Muqing, what are we doing now?”

Su Muqing blushed and lowered her head. “This is wrong. We’re... on a date.”

Lin Fan smiled and knocked Su Muqing’s head. “Looks like you’re not stupid.”

Su Muqing tilted her head and said, “I’m not stupid. I’m your assistant. When have I ever been stupid?”

Lin Fan took the opportunity when Su Muqing wasn’t paying attention to hold her hand tightly. A warm touch came.

Su Muqing’s body trembled slightly. She stood rooted to the ground, at a loss and a little nervous. “Boss Lin, we really can’t do this... I...”

Lin Fan held Su Muqing's other hand and said, "Su Muqing, let me ask you a question. Do you like me?"

Su Muqing raised her beautiful eyes, her heart thumping.

Yes, did she like Lin Fan?

Did she... like him?

Su Muqing did not say anything and just hummed softly.

"Previously, we had a contract. The contract stipulated that you couldn't have any boyfriends or be in a relationship."

"Now, I announce that the contract is invalid!"

"Su Muqing, be my girlfriend. Although I already have Xiaoyu and Wanqiu, I'm really a scumbag. I already have two girlfriends and I still want to flirt with you," said Lin Fan with a smile.

"Mmm, scumbag," Su Muqing said softly. However, she didn't resist Lin Fan anymore and let him hold her hand.

"So, will you agree?" Lin Fan asked with a smile.

Su Muqing looked up with tears in her eyes. "I will. I like you so much and care about you so much, but you've never looked at me seriously. Even if I wear different clothes every day, you only have Xia Wanqiu in your eyes, only her and not me."

"I thought you would never care about me, but I still can't let go of you..."

"Lin Fan, you're really a scumbag. But... I like you. I like you. What's wrong with that?"

"I'm sorry. I won't agree to be your girlfriend, but I'm willing to be your woman forever, even though we're not husband and wife."

Su Muqing cried.

Even if she agreed with Lin Fan, how could public opinion agree?

"Lin Fan, you're a scumbag, so please... continue being a scumbag."

Su Muqing closed her eyes.

She said everything she wanted to say.

This was her true self.

After saying that, Su Muqing returned to the quiet girl from before.

“Happy Christmas Eve, Su Muqing,” said Lin Fan with a smile as he turned off the lights.

“Mmm, Happy Christmas Eve, Lin Fan... I really... love you so much.”

“If there’s an afterlife, I want to be your only woman, your only...”

.....

Half a year later.

Lin Fan was already a father of three. Su Xiaoyu had also given birth to a cute girl, and so did Su Muqing.

However, there was only one girl beside Lin Fan today.

Xia Wanqiu.

She looked at Lin Fan foolishly. She held Lin Fan’s arm and gently leaned on his shoulder, feeling the baptism of the sun.

Lin Fan also hugged Xia Wanqiu quietly.

After a long time, Lin Fan said, “I’m sorry. I didn’t do what I promised you.”

Xia Wanqiu smiled and gently kissed Lin Fan’s cheek.

“Silly, I know ~”

“I’m not angry,” Xia Wanqiu said softly as she looked into Lin Fan’s eyes.

“I’m sorry,” Lin Fan said again. No matter what, he had let down Xia Wanqiu, a girl who had treated him so well.

“There’s no need to apologize. Lin Fan, I know that many things didn’t come from your intentions.”

“Lin Fan, look at me. I’ve always believed that you only have eyes for me. You’ll always have eyes for me.”

“Our story is not up to others to decide. I don’t know if there is a Creator in this world, but I’ve always believed that the Creator has no right to interfere in our relationship.”

“Even if the Creator forcefully interferes, I won’t be angry or jealous.”

Xia Wanqiu looked at Lin Fan and smiled brightly.

“No...” Lin Fan shook his head.

“Listen to me, Lin Fan ~”

“The only person I like is you.”

“But everything in this life has been confirmed. It’s like this.”

“So I want to make an agreement with you under a parallel universe.”

“Lin Fan, if there’s still a story between us ~ You have to promise me that you’ll only love me.”

“In that case, I’ll be satisfied. I believe that we will definitely have another story in a parallel universe. I like you, and you like me. At that time, I’ll still be me, and you’ll still be you. Let’s meet again and love each other again ~”

“Lin Fan, I love you. I really, really love you.”

“In this life, I don’t blame you.”

“But in your next life, you’re only allowed to love me. No matter how many lifetimes you experience, I believe we’ll definitely meet ~”

“Lin Fan, promise me, okay?”

“This is an agreement that only belongs to the two of us.”

Xia Wanqiu looked at Lin Fan with deep love in her eyes.

Lin Fan hugged Xia Wanqiu and gave her the warmest hug.

“Xia Wanqiu, I promise you.”

“I swear...”

“If I have another chance to meet you in a parallel universe, I will only love you.”

The End.
