Chapter 60: Yuehua Entertainment's Sincerity

CEO Li nodded and said, "In the end, it all depends on Wangiv's decision. No matter who becomes the male lead, this movie will become popular."

"Help me contact Lin Fan and see if he has some time to meet. You're right. The company must rope in such a talent." CEO Li smiled.

As a boss, CEO Li was very smart.

In his eyes, Lin Fan was someone who could be on the same level as him.

With this script, CEO Li could tell that Lin Fan wrote the script for Xia Wangiu and the male lead in Xia Wangiu's heart was definitely Lin Fan.

Therefore, the first step to rope Lin Fan in was to make him the male lead of this movie.

The second step to rope in Lin Fan was to show some sincerity.

Lin Fan was working in the restaurant when he received a call from Tian Zheng.

"Mtr. Lin, do you have time tonight? CEO Li is having a private banquet and wants to invite you over," Tian Zheng said with a smile.

"Sure, send me the time and location," said Lin Fan.

"Alright." Tian Zheng smiled.

After Lin Fan finished working, he stretched his back.

It felt good to have more than 2000 yuan in income from opening a restaurant for two hours.

Lin Fan had already given Yuehua Entertainment the script. The rest of the matters were to discuss the role.

The script was so interesting, so the female lead would naturally be Xia Wangiu. As for the male lead, he would have to rely on the cat to help him.

After all, Lin Fan wasn't an artiste of Yuehua Entertainment yet. It would be difficult for him to become the male lead of the movie.

And this time, CEO Li's invitation might be a signal.

After the restaurant closed, Lin Fan received a message from Xia Wangiu on WeChat.

[Xia Wangiu: "~~~"]

Lin Fan: "Do you like the script?"

[Xia Wangiu:

Lin Fan: "Speak normally."

[Xia Wangiu: "Fierce!!"]

(Xia Wangiu: "Hmph, I don't really like it. There are too many kissing scenes between the male and female leads.")

Lin Fan: "The plot needs it. I have no choice."

[Xia Wangiu: "Stupid Lin Fan, I know you did it on purpose. You wanted to bully me."]

[Lin Fan: "Look, there are many relationship scenes. The male and female leads will often have intimate actions. Maybe there will be bed scenes occasionally."]

[Xia Wangiu's pretty face turned red. "Do you still want to have bed scenes? Angry.jpg]

Lin Fan: "There will be one in the future anyway."

[Xia Wangiu:

[Lin Fan has withdrawn a message.

Lin Fan: "Actually, I can choose not to act as the male lead."

[Xia Wangiu: "How dare you!!!"]

Lin Fan: "I'm not an artiste from Yuehua Entertainment yet. I don't have any acting experience and I don't know how to kiss either. It's more difficult for me to be the male lead. Furthermore, your company has many outstanding male celebrities."

[Xia Wangiu: "Oh, I don't have any kissing experience either. It's fine. I have the right to veto the male lead ~"]

Lin Fan: "Did you refuse to take up kissing scenes because of me?"]

[Xia Wangiu: "Narcissist!!!"]

[Xia Wangiu: "It's not because of you. If it's because of you, I'll be a little piggy!"]

[Lin Fan: "Alright, let's not tease my Little Pig. If anyone dares to snatch the male lead, I'll fight it out with him."]

[Xia Wangiu:

[Xia Wangiu: "Also, I'm not your little piggy. You're the piggy."]

Lin Fan: "4 (#)(0) "*"

[Xia Wangiu: "I heard the script was sold for 18.4 million? Treat me to a meal ~"]

Lin Fan: "It's only so little. It's not even as high as your salary."

[Xia Wangiu: "Hmph, the status of a cat is higher than that of a piggy."]

[Xia Wangiu: "I'm going to be busy. Can you send me home tonight?"]

Lin Fan: "I only be able to go there later."

[Xia Wangiu: "Yeah, I'm going home late too."}]

Su Xiaoyu: "Is Master around?"

Su Xiaoyu: "Master, don't be biased. I also want a good role. You're the screenwriter. You'll definitely be able to snatch it for me."

Lin Fan: "What role do you want?"

Su Xiaoyu: "I want to act as the protagonist's sister, Fan Ruoruo. She's very pretty and has a great temperament."

{Lin Fan: "No, Fan Ruoruo's character is dignified and virtuous. You're so cute, you're not suitable."}

Su Xiaoyu: "Ahwooh, my acting is very good."

Lin Fan: "Mmm, I'll try my best. I only have the right to advise and not decide. The company will give you any role you want, right?"

Su Xiaoyu: "How can it be so easy? Many people want to snatch my role. No matter what, thank you, Master."

Looking at Xia Wangiu and Su Xiaoyu's WeChat, Lin Fan smiled.

The script he wrote was indeed interesting. Fan Ruoruo appears many times in Joy of Life, and she was the protagonist's good sister.

However, he couldn't make a decision on the specific role. Lin Fan was curious about what CEO Li was up to when he invited him this time.

At 7 pm, Lin Fan drove the Koenigsegg One to the restaurant.

Tian Zheng was at the entrance of the restaurant preparing to welcome Lin Fan.

Koenigsegg One was also a sports car worth hundreds of millions. When Tian Zheng saw it, his eyes were filled with shock.

He had been a screenwriter for so many years and hadn't earned so much money. But Lin Fan's cars were all sports cars worth hundreds of millions!

Tian Zheng only had one thought in his mind. Who said that rich second-generation heirs were ignorant?

Arich second-generation heir like Lin Fan not only had strong abilities, but he also had good qualities and was very handsome. He liked people very much.
Most importantly, Lin Fan's script impressed Tian Zheng.

'What made Tian Zheng feel a little regretful was that Lin Fan hadn't finished the entire story of the 46 episodes of the script.

Lin Fan's script had a grand view of the world and what the future story would be like. Tian Zheng was curious.

In other words, if Joy of Life could become a popular television drama, Lin Fan and Yuehua Entertainment would have to work together for a long time!
Joy of Life 2, Joy of Life 3.

Maybe every season would become popular!

"Mr. Lin," Tian Zheng said with a smile. He looked at Lin Fan with a hint of admiration in his eyes.

"Hello, Teacher Tian Zheng," Lin Fan said with a smile. He walked forward and shook Tian Zheng's hand.

"CEO Li is waiting for you." Tian Zheng smiled. He liked Lin Fan's way of dealing with people more and more. Lin Fan was very capable. His future development would definitely be better than his but he respected a senior like him very much.

"I know. Oh right, Teacher Tian Zheng, is there anything I need to change about the script I wrote?" Lin Fan said humbly.

'When Tian Zheng heard that, he waved his hand and said, "Mr. Lin, in my eyes, the script you wrote is a masterpiece. Every detail is very good, so how can there be any changes? As for the only regrettable thing, it's that there hasn't been a second season."

Lin Fan smiled. If there was nothing he wanted to modify, he could rest assured. Although he had master-level screenwriter skills, there was no harm in learning from his seniors.

Before he entered the door, he saw CEO Li welcome him warmly.

When Lin Fan saw this, he smiled and walked over. At the same time, he could see what CEO Li's true intention of inviting him here was tonight!

Chapter 61: This Is The Difference Between Him and the Big Boss

"Mr. Lin, hello, hello. I'm Li Xueyi, the CEO of Yuehua Entertainment," CEO Li said with a smile. He looked at Lin Fan. Although it was their first time meeting, he didn't feel distant.

"Hello, CEO Li. I'm Lin Fan, the screenwriter for the celebratory feast." Lin Fan smiled and shook hands with CEO Li.

"Mtr. Lin, haha. Of course I know your name. You're the most popular person in the company now. Countless people want to act in your script."

“A master of the screenwriter world can write such an interesting work. Only Mr. Lin can do it,” said CEO Li with a smile.

“CEO Li, you flatter me. I just casually wrote a script. Actually, it wasn’t very well written,” Lin Fan said humbly.

‘When CEO Li heard that, he smiled and said, “Mr. Lin is too humble. You can reach such a level just by casually writing a script. Our country lacks talents like you the most.”
Seeing CEO Li’s attitude, Tian Zheng could not help but be surprised.

CEO Li was the CEO of Yuehua Entertainment and had a high status.

‘The numerous top artistes nurtured by Yuehua Entertainment was also done by CEO Li.

Even the big-name celebrities in the entertainment industry had to be polite to Boss Li.

But this was the first time CEO Li praised someone like this.

Tian Zheng knew that Lin Fan’s status couldn’t be measured by a small screenwriter.

With Lin Fan’s ability, he could build his own entertainment company and nurture his own artistes.

Lin Fan’s capital wasn’t weaker than the entire company’s.

As for Xia Wangiu, Su Xiaoyu, and Lin Fan’s relationship, everyone knew it.

With Xia Wangiu and Su Xiaoyu’s popularity now, as the top female artistes in the industry, they had countless fans, and their contract with Yuehua Entertainment was less than a year ago.
If Yuehua Entertainment didn’t handle this problem well, with Lin Fan around, the company might lose these two big celebrities.

If they couldn’t rope in Lin Fan today, Lin Fan might even have the ability to overthrow Yuehua Entertainment.

Tian Zheng knew very well that he had no right to speak here.

He definitely couldn’t see Lin Fan as a screenwriter.

Lin Fan was someone that CEO Li had to take seriously.

“Mr. Lin, have a sip of our company’s best tea. West Lake Longjing Tea. It tastes mellow and fragrant,” CEO Li said with a smile.

“Mmm, the taste is really good,” Lin Fan replied.

After drinking a few cups of tea, CEO Li put down the teacup and looked at Lin Fan.

Lin Fan put down his teacup. They were finally getting to the main topic.

CEO Li smiled and said,

r. Lin, I won't keep you in suspense anymore. I'll tell you the truth."

"The script you wrote is one of the best scripts in the entire industry. And our country's market for movies and television can be said to be extremely easy to obtain. It's difficult to find a good script."

"To be honest, your ability to write scripts is no weaker than any famous screenwriter in the industry."

"So, Mr. Lin, your appearance has energized our entire industry."

CEO Li spoke sincerely as he looked at Lin Fan. He was the boss of Yuehua Entertainment. On one hand, he wanted to nurture good talents and create profits for the company. On the other hand, he wanted to develop the entire country's cultural career.

A good screenwriter was the soul of it.

"Mr. Lin, I want to formally invite you to work with Yuehua Entertainment and become a screenwriter for the company. However, I won't completely bind you to Yuehua Entertainment, and you don't have to work at Yuehua Entertainment every day. You just need to occasionally help the company read scripts, give some suggestions, and give some pointers to some of the company's screenwriters."

lion!" CEO Li

"Any script you write is not restrained by Yuehua Entertainment. Any entertainment company can come and buy the script's copyright. The copyright fee will all be yours. In short, as long as you are willing to be in the company, the company is willing to give you an annual salary of... five million said.

In other words, Yuehua Entertainment didn't need Lin Fan to write scripts for the company. They just needed his name and him to occasionally help the other screenwriters in the company. He basically didn't need to do anything.

From then on, Lin Fan had the right to enter Yuehua Entertainment at any time because on the surface, Lin Fan was equivalent to a member of Yuehua Entertainment.

CEO Li had made a huge move.

He wanted Lin Fan to come to the company and gave him a very high annual salary.

This was one of the methods the company used to rope Lin Fan in.

If five million dollars wasn't enough to move Lin Fan, CEO Li still had a trump card.

After Lin Fan had the right to enter and exit the company, he could come to the company to see Xia Wanqiu at any time and talk to her without being affected.

Even if Lin Fan and Xia Wanqiu ate together and were photographed on trending, there wouldn't be any rumors because Lin Fan and Xia Wanqiu had a legitimate working relationship.

Furthermore, Yuehua Entertainment letting Lin Fan have a title was equivalent to raising his status in the industry.

When Lin Fan wrote scripts again in the future, the price might be even higher!

If Lin Fan's "Joy of Life" script became popular, he would probably become a top scriptwriter in the industry!

Tian Zheng was also a very capable person in the screenwriter world, but his hard work for a year, coupled with the money he earned from selling the script, only added up to about three million yuan. But when Lin Fan arrived, the company gave him such high treatment.

The reason was simple. Lin Fan was worth roping in for the company!

As the company's CEO, CEO Li's taste was quite unique. Otherwise, he would not have been able to nurture celebrities like Xia Wangiu and Su Xiaoyu.

Ordinary female celebrities were still doing minor roles in their twenties, but Xia Wanqiu and Su Xiaoyu already had tens of millions of fans.

'When Lin Fan heard that, he chuckled out.

CEO Li's intention to rope him in was very obvious.

Not only could one receive a lot of benefits by hanging out at Yuehua Entertainment, but they could also receive an annual salary of five million yuan. There were no restrictions, and anyone would definitely agree.

"CEO Li, I still have to open a small restaurant. I'm usually quite busy..." said Lin Fan.

"6 million." CEO Li smiled.

"CEO Li, I still have to write scripts usually. I'm afraid..." Lin Fan continued.

"Seven million," CEO Li said again.

"CEO Li, I still have a cat to raise at home." Lin Fan looked at Chief Li silently.

"9 million." Chief Li looked at Lin Fan with admiration.

"Actually, it's not a matter of money. The main thing is that I think it's good to be a screenwriter in the company." Lin Fan smiled.

How could he not want to get nine million dollars for nothing? He could still see Xia Wangiu often in the future. Lin Fan naturally new the benefits of this. Working with Lin Fan was a happy thing for both parties.

At the same time, CEO Li waved his hand and a female assistant walked out. The contract had already been drafted.

After checking that there were no problems, Lin Fan signed his name.

“Mtr. Lin, welcome to Yuehua Entertainment. Pleasure doing business with you.” CEO Li stood up and extended his hand to Lin Fan.

“CEO Li, Pleasure doing business with you.” Lin Fan shook hands.

He had only written a script and accidentally received an annual salary of nine million yuan.

If Lin Fan wrote a script and sold it, he could earn a huge sum of money and he would not be restrained by Yuehua Entertainment.

On the other side.

Tian Zheng watched everything silently. He was also the company’s top screenwriter. Although his skills weren’t as good as Lin Fan’s, he was still a little envious when he saw the company give Lin Fan an annual salary of 9 million.

His annual salary in the company was already at the top of the industry. It was only 300,000 yuan. He could only earn about three million yuan if he produced a few scripts every year.

But Lin Fan signed a contract of 9 million dollars directly. It was the kind where he could earn money doing pretty much nothing.

Of course, although he was envious, he wasn’t jealous. Tian Zheng also knew that Lin Fan’s abilities far exceeded his. Lin Fan’s future development was immeasurable.

However, for some reason, Tian Zheng felt a little desolate and helpless.

This was probably the difference between him and the big boss..

Chapter 62: Instant Kill Again

Anyone else might feel a little jealous.

But Tian Zheng did not.

Although he was envious of Lin Fan’s status in the company, he had to admit that Lin Fan had his status in the company because of Xia Wanqiu.

CEO Li wanted to rope Lin Fan in partly because of Lin Fan’s value and partly because of Xia Wangiu.

Ifhe didn’t rope Lin Fan in, what if Lin Fan kidnapped Xia Wangiu?

Tian Zheng felt more comforted.

Fora talent like Lin Fan, no matter where he went, no matter which company he went to, he would be able to display his worth and promote the development of the entire film and television market. He would then be able to promote the rise of the entire country’s culture.

With Lin Fan's existence and the country's increasing development, perhaps one day, the country's movies would be able to compare to Hollywood ones.

As for Lin Fan being able to sign a contract worth 9 million, Tian Zheng could only be envious.

The world of big shots was different from that of ordinary people like him.

After chatting for a while, Lin Fan left the place satisfied.

He had received nine million yuan from attending a banquet.

Ever since he signed the contract, Lin Fan and CEO Li could take more amicably.

Both parties already had an official cooperative relationship, and their statuses were equal.

CEO Li wanted to rope Lin Fan in and Lin Fan could earn some money at the same time. Moreover, he could meet Xia Wangiu openly in the future.

The distance between Lin Fan and CEO Li decreased. It was easy to talk to smart people. Both parties had obtained what they wanted.

Of course, after Lin Fan received the money, he would care about the company's work and help some of the company's screenwriters.

Looking at the time, it was already 9 pm.

Lin Fan then remembered that he hadn't signed in today.

"Ding... Congratulations Master, you have received two lottery tickets."

"Note: You can get luxury cars, villas, cash, artificial islands, helicopters, and other products. You can get anything you want. There's even a chance of getting a young model." The system's voice sounded.

"Lin Fan.

"The lottery ticket has already been handed to master. Master, do you want to use it?" The system's dull voice entered Lin Fan's mind.

"Yes." Lin Fan nodded. He didn't want to get any young model. The main thing was that he wasn't interested and he didn't need such a woman.

If he could get cash, a villa, or a helicopter, that would be good.

"Ding... Congratulations Master, you have received a bottle of Coca-Cola."

"Lin Fan."

Looking at the Coca-Cola in his hand, Lin Fan opened it and took a sip. He was a little speechless.

He had never drawn anything good from the system.

The highest draw for the cash lottery was 100,000 yuan, and the lowest draw was one yuan.

A lottery ticket that could drop Epic and Gold equipment, a luxury car, villa, or helicopter, how grand.

But Lin Fan had drawn a bottle of Coca-Cola?!

"I draw again," said Lin Fan. He didn't believe it.

"Ding... Congratulations Master, you have received 50,000,000 DNF coins."

"DNE coins? They're not even as good as coke. At least coke can be drunk."

"F*ck your DNF coins. F*ck." Lin Fan couldn't help but curse.

If he signed in normally, he could at least get some things.

As for these lottery tickets, Lin Fan no longer believed in them.

This was even more scammy than QQ's giveaways.

Looking at this bottle of Coca-Cola and the 50,000,000DNF coins, Lin Fan sighed.

If he wanted to earn big money, he had to work hard.

He would rather believe that something fell into his lap than believe in the lottery tickets released by the system.

Unknowingly, it was already 21.20. Lin Fan looked at the time and remembered something important.

Xia Wangiu was still waiting for him at the company.

He had to send Xia Wangiu home.

But now, he had been delayed for twenty minutes for a bottle of Coca-Cola and DNF coins.

Sitting in the Koenigsegg One, Lin Fan stepped on the accelerator and drove along the roads of Shanghai.

Yuehua Entertainment.

Many celebrities were still working, and Xia Wanqiu was the same.

'The company was working overtime to study Lin Fan's script.

Xia Wanqiu had been reading the script in the office, and Su Xiaoyu had already gone home.

'As Xia Wanqiu's manager, Yang Qing had always been in the company.

Xu Yang drove a Maybach 62s sports car to the first floor of the company building.

“Lin Fan drove a Rolls-Royce Cullinan the last time. It’s worth 6.4 million dollars. Although Lin Fan is richer, he’s still lacking compared to me.”

“A few days ago, I bit the bullet and spent ten million yuan to buy a Maybach 62S sports car. I’m not poor either. How can I not be able to afford a sports car?”

“Even if I can lose in everything else, I can’t lose in terms of my aura.” Xu Yang was very thoughtful. When a man went out to drive, of course he had to drive a big car.

Ever since Lin Fan appeared at the entrance of the company in his Rolls-Royce Cullinan, Xu Yang had been thinking about this.

How did he lose?

Wasn’t it just that his car wasn’t as good as Lin Fan’s?

Now that he drove a sports car worth tens of millions, Lin Fan’s Rolls-Royce Cullinan was clearly not enough.

Xu Yang was a little happy. His car could crush Lin Fan now. The next time he saw Lin Fan, he would have won in terms of aura.

It was late and Xia Wangqiu was still working. Of course, Xu Yang wanted to send her home.

After a while, Xia Wanqiu and Yang Qing walked to the entrance of the company.

“Master Xu.” Yang Qing greeted.

“Mmm.” Xu Yang nodded and leaned against the Maybach 62s. He looked calm, symbolizing success.

Xu Yang slowly walked forward, inadvertently revealing his Rolex watch. If a man wanted to defeat his opponent in temperament, not only did he have to have an awesome car, but his watch also had to be cool.

Xu Yang walked to Xia Wanqiu’s side and smiled warmly. “Wanqiu, Sister Yang, let me send you home.”

This was the correct way to flirt. Don’t appear too intentional. Xu Yang believed that he had done it properly and would send Yang Qing home as well.

“Thank you, Master Xu,” Yang Qing said. She looked at Xu Yang and was elated. After all, Xu Yang was Yuehua’s number one male artiste.

Xia Wangqiu smiled politely and said, “No need. There’s someone coming to pick me up later.”

Xu Yang’s eyes lit up. Could the person who was going to send Xia Wanqiu home be Lin Fan?

This was perfect. His sports car worth ten million dollars was enough to kill Lin Fan’s Rolls-Royce Cullinan instantly.

Xu Yang had some expectations. Although Xia Wanqiu had rejected him, he wanted Lin Fan to see his determination to compete with him.

At least in terms of the car he drove, he would not lose.

“Wandiu, let me send you home. My car is big enough. Look, it’s getting late,” Xu Yang said again.

“There’s really no need.” Xia Wanqiu smiled lightly. Her beautiful eyes looked forward, but she was a little angry in her heart.

Stupid Lin Fan, come pick me up already!

If he didn’t pick her up, she wouldn’t know how to reject Xu Yang.

And at that moment.

Not far away, a cool sports car turned.

The sports car’s headlights flickered with a dazzling charm. In the dark night, they were like dazzling stars.

A sports car stopped at the entrance of the company, next to Xu Yang’s car.

This sports car was the limited edition Koenigsegg One. It was a sports car worth more than 100 million yuan. In terms of looks and temperament, it was difficult for other sports cars to surpass it.

Lin Fan got off the car and walked in front of Xia Wanqiu.

“Let me send you home.” Lin Fan smiled and looked at Xia Wanqiu.

Xia Wangiu put on her cat ears hat and nodded lightly. “Ok!”

Lin Fan opened the passenger seat for Xia Wanqiu and she sat in.

Xu Yang was stunned.

He was also an A-list celebrity and had a lot of savings. He had seen many cars.

Xu Yang looked at his ten-million-dollar Maybach 62S and Lin Fan’s Koenigsegg One.

Why does it feel like... I’m being insta-killed again?

Lin Fan, don’t you f*cking... drive a Rolls-Royce Cullinan?

‘Why was he driving a Koenigsegg One? This was a sports car worth hundreds of millions. It was ten times more expensive than his Maybach 62S!

‘The Maybach 62S seemed like a timid elementary school student in front of the Koenigsegg One. It lost its unique temperament.

At this thought, Xu Yang could not help but secretly hide his Rolex watch.

Lin Fan did not notice Xu Yang's small actions.

"Xu Yang, good evening." Lin Fan greeted Xu Yang.

"Ohhh... good evening." Xu Yang laughed dryly.

"Well, look, there's no more space in my car. Sister Yang is a girl. I'll have to trouble you to send Sister Yang home," said Lin Fan with a smile.

Xu Yang looked at Yang Qing, who was full of anticipation beside him. He could only nod bitterly in his heart and pretend that nothing had happened.

What kind of fucking life was this?

"Alright, be careful. I'll send Wanqiu home first," Lin Fan said with a smile. He patted Xu Yang on the shoulder and entered the Koenigsegg One.

"Okay..." Xu Yang looked at Xia Wanqiu sitting in Lin Fan's front passenger seat, then at Yang Qing sitting in his front passenger seat. He felt like his life had become a little gray again.

They were both driving sports cars... Why was the difference so great?

Chapter 63: Competing for the Female Lead

Xu Yang was a little tired.

However, this did not affect Xu Yang's determination.

How could he give up so easily for the girl he liked?

After all, he was still the top male-artist of the company and had a pivotal position in the company.

Lin Fan was a layman after all. Even if he drove a Koenigsegg One, he wasn't a male artist from Yuehua Entertainment.

In other words, he still had an absolute advantage when competing to become Joy of Life's male lead.

At that time, he would act with Xia Wangiu and Lin Fan could only watch from the side and get stuffed with dog food.

Xu Yang was full of enthusiasm. Tomorrow was the day of the script's casting, and tomorrow was the day he would kill Lin Fan!

Xu Yang did not know that Lin Fan was the screenwriter for Joy of Life, nor did he know that Lin Fan had signed an annual salary of 9 million yuan with Boss Li. If Xu Yang knew, he would not have such thoughts.

Lin Fan was a big boss that even CEO Li had to respect!

Lin Fan drove the Koenigsegg One to Xia Wanqiu's house. He got out of the car and opened the car door for Xia Wangiu.

A gentle breeze blew as Xia Wangiu alighted.

“Meow, meow ~” Xia Wangiu looked at Lin Fan with her beautiful eyes and let out a cute smile.

“Go home. See you tomorrow.” Lin Fan leaned on the Koenigsegg One and looked at Xia Wangiu with a bright smile.

“See you tomorrow?” Xia Wangiu blinked curiously.

“Mmm, CEO Li invited me to become a nominal screenwriter for Yuehua Entertainment,” said Lin Fan with a smile.

“Well, then I can meet you at the company. I want to eat... vegetable salad.” Xia Wangiu was a little surprised.

‘What she was surprised about wasn’t Lin Fan’s position. To be a screenwriter, there was a very formal selection process.

But CEO Li took the initiative to invite Lin Fan. In that case, the way he’d be treated would be completely different.

“CEO Li didn’t bully Little Piggy, right?” Xia Wangiu walked in front of Lin Fan and raised her beautiful eyes.

“No. It’s you who should hurry back and rest,” said Lin Fan.

“Oh, I know. CEO Li doesn’t dare to bully my little piggy. Otherwise, the cat will be very fierce,” Xia Wangiu said.

“Who’s your little piggy?” Lin Fan complained.

Lin Fan walked forward and said softly, “In the future, let Sister Yang send you home at night. Otherwise, if the media takes photos of us, we’ll be trending again.”

Lin Fan just didn’t want Xia Wangiu to suffer too much from public opinion.

Xia Wangiu turned around, her side profile making one’s heart flutter.

She looked at Lin Fan and smiled sweetly.

Everything around her seemed to freeze for her smile.

She walked to Lin Fan’s side and looked at him. Her smile could topple cities.

“But... I don’t mind.”

The next day.

Yuehua Entertainment was holding a meeting.

Because Lin Fan had become the top scriptwriter in Yuehua Entertainment!

‘When this news was announced, many people in the company were shocked.

A script written by Lin Fan had directly made him a top screenwriter in the company. A top screenwriter’s annual salary wasn’t low.

“Everyone, I hereby announce that Lin Fan has become the company’s top screenwriter,” CEO Li said as he looked at Lin Fan in admiration.

In reality, Lin Fan wasn’t the company’s top screenwriter. He was just a nominal screenwriter in the company. The script he wrote still had exclusive copyrights. The top screenwriter role also helped Lin Fan have a legal identity in the company.

Of course, with Lin Fan’s ability, it wasn’t a problem for him to be a top screenwriter. Even the script master, Tian Zheng, couldn’t help but admire Lin Fan’s screenwriting ability.

“Congratulations, congratulations. Master Lin will be a big screenwriter in the future. You have to guide us more in the future.”

“I’m satisfied to be able to learn from Master Lin.”

“A top screenwriter... Lin Fan is really amazing. However, Lin Fan’s script is really good. Congratulations!”

At that moment, everyone looked at Lin Fan and started clapping.

Some of the company’s screenwriters even called Lin Fan Master Lin.

The news of Lin Fan becoming the company’s top screenwriter spread like wildfire.

“Alright, we have to get down to business.”

“The screenwriter for Joy of Life is Lin Fan. The script’s production plan is about to begin. If you have any questions, you can ask Lin Fan,” CEO Li said.

After the meeting ended, CEO Li patted Lin Fan on the shoulder.

Just this action alone made many people in the company see how much CEO Li valued Lin Fan.

‘Without any selection, Lin Fan became the company’s top screenwriter. His annual salary was at least a million dollars!

Furthermore, Lin Fan was the scriptwriter for Joy of Life. Immediately, many people came to shake hands with Lin Fan.

“Hello, Mr. Lin. I’m the screenwriter, Liu Lin. Please take care of me in the future.”

“Congratulations to Mr. Lin for becoming a top screenwriter. I’m Producer Liu.”

“Congratulations, Mr. Lin. I’m Director Lu Benkai!”

Xia Wangiu and Su Xiaoyu didn’t specially come to look for Lin Fan.

After all, there were so many people in the company and they all knew that Lin Fan had become the company’s top screenwriter.

As for Xu Yang, he was not in the office at all.

In the afternoon, the casting selection officially started in Yuehua Entertainment.

Joy of Life’s script was completely popular in the entire Yuehua Entertainment.

Many girls wanted to be the female lead in Joy of Life’s script.

There was also a lot of competition in the company. Countless female artistes wanted to chase Xia Wangiu down and replace her.

Xia Wangiu’s biggest weakness was that she was unwilling to film a relationship scene.

The roles Yuehua Entertainment wanted to confirm today were mainly the male and female leads.

At the meeting, many people were sitting together.

Xia Wangiu, Lin Fan, Su Xiaoyu, Tian Zheng, the company’s producer Liu and other relevant professional staff.

“I want to be the female lead of this movie because I think I’m very suitable for this role,” a girl said. Her voice was clear and her singing was very good. She was the third-ranked female artiste in the company, Lin Jingjing.

Lin Jingjing was Su Xiaoyu’s best friend. She got along well with Su Xiaoyu, and there were a total of seventeen female artistes who were fighting for the female lead role!

“I also want to try to be the female lead of this drama...”

“Yeah, there are a lot of scenes for the female lead in this drama, and it tests her acting skills. I think my acting skills are alright.”

“Why don’t we try the female lead’s scenes and let the producer and director decide?”

“Ahwooh, I still want to be the female lead.” Su Xiaoyu pouted. She had also spoken.

At this moment.

A girl walked into the meeting and sat beside Su Xiaoyu.

“I want to be the female lead too.”

Xia Wangiu's beautiful eyes looked at everyone. It was just eight simple words, but they were powerful and resonating!

The company's number one female artiste, Xia Wangiu, was actually competing to be the female lead of this movie!

Chapter 64: Xu Yang: Why Is This Different From What I Thought?

When Xia Wangqiu sat down, the aura on her was no longer as cute as before.

In the entertainment industry, the competition was fierce and cruel.

This drama was indeed very good, so she would compete for the female lead role in this drama. There was no other way. Who asked the cat to have such good acting skills?

She usually looked like her usual self in front of Lin Fan. She was very cute and beautiful.

She looked completely different in front of everyone in the company, like a real goddess. When Xia Wangqiu sat down, the other female artistes were all a little shocked.

Even Xia Wanqiu was competing to be the female lead of this drama.

However, Xia Wangiu had not acted for a year, and her acting skills in relationship scenes were not necessarily better than theirs. It was not certain who could compete for the female lead role, and many female artistes still had no intention of giving up.

Xia Wangiu, Su Xiaoyu, Lin Jingjing, and some female artistes with outstanding looks were all here to compete to be the female lead.

For a moment, the producer, director, and other screenwriters were all stunned.

In a drama, the script was its soul, and the ones who could portray this script well were the actors.

Producer Liu smiled and looked around the room. "Lin Fan, you wrote the script for this drama. Who do you think is more suitable to be the female lead?"

Producer Liu, Director Lu Benkai, basically knew that the female lead was Xia Wanqiu.

However, they could not say it out loud.

The task of revealing who the female lead would be was handed to Lin Fan.

After all, Lin Fan was the scriptwriter for this movie and also the company's top scriptwriter.

'When Lin Fan heard that, sure enough, the problem returned to him.

"Everyone, when I first wrote this script, I spent a lot of effort on every character. You don't necessarily have to be the female lead. Every character has its unique shine."

“When I was creating the female lead, I created it with a girl in mind as the protagonist. In my heart, I already have a candidate for the female lead.”

“She is... Xia Wanqiu.”

‘When everyone heard Lin Fan’s words, they fell silent.

On the other hand, Xia Wanqiu’s face was slightly red as she looked at Lin Fan.

‘When Lin Fan was writing the script, his mind was probably filled with her.

Stupid Lin Fan. All he knew was to bully her.

Who asked her to be pretty?

Xia Wangqiu’s heart warmed. She would just give Lin Fan a small reward next time.

Mr. Liu and Lu Benkai looked at each other and said, “Alright, in that case, we’ll choose Xia Wanqiu as the female lead.”

Lin Jingjing: “..”

Other female artistes in the Company:” ...”

The screenwriters:” ...”

Were they going to choose the female lead so sloppily?

When Lin Fan said that the female lead was Xia Wangqiu, the female lead immediately became Xia Wangqiu.

But everyone could not say anything. That was Xia Wanqiu.

‘With Xia Wangqiu as the female lead of this drama, no one would say anything.

Furthermore, the script was written by Lin Fan. He had a say in the matter.

Lin Jingjing looked at Su Xiaoyu and felt that something was wrong.

Why did she smell dog food?

Su Xiaoyu spread her hands. The dog had already smelled it.

However, Lin Jingjing quickly compromised. Who asked her to not be as pretty as Xia Wanqiu?

Furthermore, Xia Wanqiu was her good friend. She was also happy for Xia Wanqiu that she could break through and act in a relationship scene.

‘When they confirmed that Xia Wanqiu was the female lead, the company was shocked.

Xia Wangqiu, who had not acted for a year, was finally going to make a comeback!

After a moment of stunned silence, everyone stood up and applauded.

Xia Wanqiu was going to be the female lead of Joy of Life.

Some male actors were also tempted.

It seemed that the male and female leads in this movie had a lot of scenes, a lot of relationship scenes, and even kissing scenes.

Xia Wanqiu's first kiss on-screen had never been given out. Countless fans were looking forward to this day.

Her first kiss was still there.

Many male actors wanted to be the male lead in this drama. Once they became the male lead, wouldn't they be able to.

Of course, they did not know that Xia Wanqiu had the right to veto the male lead.

After a round of applause, the female lead was confirmed.

Then, the male lead should be decided.

Xu Yang drove the Maybach 62s and stopped at the entrance of the company.

Xu Yang looked around and heaved a sigh of relief when he confirmed that there was no sports car like the Koenigsegg One.

However, Xu Yang saw another sports car, a Bugatti!

Was there anyone in the company who drove a Bugatti? No matter what, it couldn't be Lin Fan who drove the Bugatti, right?

Lin Fan already had a sports car. Could he buy a second sports car? Xu Yang didn't care.

"Master Xu, the company is currently selecting a male lead. Aren't you going to try?" the manager asked Xu Yang.

"It's fine. There's no hurry. You can go ahead." Xu Yang nodded with a calm expression.

After the manager left, Xu Yang straightened his clothes.

He was wearing a custom-made suit that was worth tens of thousands of yuan.

Was he going to fight to be the male lead? Of course he was going to fight.

However, Xu Yang did not panic at all.

'What kind of person was he? He was the number one male artiste in the company, and at the same time, the number two to number ten male artistes in the company had no time to take up another drama.

In other words, he was the only one in the company who could take up the role of the male lead in this drama.

Other than him, no one else could take it.

Although Xu Yang knew that Xia Wanqiu had the right to veto, who else could she choose other than him?

"Lin Fan, I invited you to my company but you didn't accept it."

"Now, the company has a good script, and this male lead can only be me."

"You've always been the one showing off dog food to me. It's time for me to show you dog food. Maybe I can even act and make her fall in love with me. After all, this is the convenience of work." Xu Yang was confident.

'As the male lead, he had to appear at the last moment.

Then, Xia Wangqiu would want him to be the male lead.

Such an entrance was so pretentious and cool.

Then, he would gesture to everyone with a cold expression.

It was simply a high-end and grand upgrade.

When the time came for the Weibo official announcement, he would be the male lead. He wondered how Lin Fan would react when he saw that.

No matter what, he had won this step!

'Xu Yang was looking forward to it. He lowered his head to look at his polished leather shoes and his hairstyle. Xu Yang calculated the time and walked towards the meeting hall. When Xu Yang arrived at the conference hall, he heard producer Liu's voice.

"Xia Wanqiu, who do you think is suitable to be the male lead in this drama?"

'Xu Yang smiled when he saw this.

Come on, your male lead is going to appear!

When Xu Yang walked into the conference hall.

Xia Wanqiu's face was slightly red. Under everyone's expectant gazes, she said, "I think... the most suitable male lead for this drama is Lin Fan."

The entire conference hall was in an uproar.

The male lead that Xia Wanqiu had chosen was the person that CEO Li valued, Lin Fan!

Seeing Xia Wangiu blush, how could the artistes not understand?

They were being fed dog food again.

Lin Fan wanted Xia Wangqiu to be the female lead, and Xia Wanqiu wanted Lin Fan to be the male lead. It turned out that everything had been decided long ago. They were only here to see the results. Of course, there were still cheers because the male and female leads of the company had all been confirmed.

All the attention was on Lin Fan alone.

No one noticed Xu Yang walking into the conference hall.

Everyone was clapping and congratulating Lin Fan.

Xu Yang, the top male artiste of Yuehua Entertainment, stood rooted to the ground, completely petrified!

For some reason, Xu Yang felt his heart ache. Luckily, no one noticed him.

He looked at his new clothes, his new shoes, and his new hair. He felt that there was a lot of excess.

Lin Fan looked at Xia Wangiu. Xia Wangiu looked at Lin Fan with a red face. Xu Yang looked at all of this and felt a little lonely and cold.

'Xu Yang: "Why... is it different from what I thought?"
