

BLACK PLAIN 262

Chapter 262: Mendy Stokes (18+)

Upon hearing Mirya's confident comment, the young woman named Mendy had an uncertain look on her face, as if she wanted to refuse such an idea.

She was flushed with embarrassment at this point, as this was the first time a man had seen her without clothes! And to make matters worse, it was someone she didn't even know, a stranger who had come out of nowhere...

But that wasn't just why she felt ashamed, but also because Minos himself was in front of her, just as he came into the world.

Completely naked!

The young Stuart's rod was ready for battle, and Mendy couldn't help but see it, especially with Mirya pointing at it like a treasure...

She was already sitting on the bed, beside Viola, while she had one of her arms covering her breasts and the other her little sister. Her straight black hair was down this time, while her fluffy cheeks flushed, making her look even more provocative.

Her body didn't have 'rich' measurements like Mirya's, but she was beautiful. She was proportionate to her 1.6 meters tall, medium-sized, firm breasts with pink nipples that matched her pale skin well.

Her face had a charming shape, making her look young, like she was just entering adulthood. And allied to that, her red eyes were what drew the most attention from this beauty.

And finally, Mirya introduced her to the young Stuart. "Minos, this is the daughter of the Stokes family's patriarch, Mendy Stokes."

Mendy was the only child of the current patriarch of that family, currently at level 48, at age 34, and with a Black talent.

Minos then smiled at the embarrassed young woman as he took a good look at her body. "Oh? Hehe, nice to meet you, Ms. Mendy!"

"Hmm, Aunt Mirya, what's going on? Did you happen to plan this?" She asked doubtfully, trying to understand the situation.

As for why she called Mirya her aunt, it wasn't because they had blood relations. They didn't. But it was because Viola's mother was this young woman's bodyguard about 20 years ago.

As for why their relationship had come to this, well, Viola was the culprit. This young woman was not much older than Mendy, and just as for an extended period, she had levels close to the young lady of the Stokes family.

Because of this, the two had formed a friendship a long time ago, back when Mirya was still working as a bodyguard for this young lady of the Stokes family.

Things developed, and first, Mendy ended up in Viola's bed, who, as a 'good friend,' helped her experience the pleasures of the female sex...

After that, years passed, and finally, things developed until this young woman lay down with her former bodyguard and started this occasional relationship.

Mendy had taken a liking to the thing when she'd first experimented with Viola. Since then, she'd never been curious to know what it would be like to sleep with a man.

Consequently, this was her first time being watched by a man in a situation like this.

Mendy had tried many other women, but occasionally she would still go wherever this mother-daughter pair was, for threesome nights. And that was why she was here today, a visit!

Finally, seeing Mendy's confused face, Mirya smiled and then began to explain. "I didn't plan this. Although it's something I've always wanted you to do, Minos didn't come here because I asked him to. This young man is a 'friend' of Viola and me, and I didn't expect this visit today."

Simultaneously, as she explained to Mendy, Minos had ignored their conversation and was already hugging Mirya from behind while gently sucking on her mature ear and exploring her seductive body with his hands.

And Mirya didn't mind Minos' actions, continuing their conversation while Mendy questioned her. "I understand you guys already know him, but I don't know if I want to have my first time with a stranger!"

Mendy hadn't really come to that point, as she had lost interest in men even before she had her first time...

"Mmmm~ I know you're confused, but trust me. Minos is a great lover, and this will be amazing for all of us... Ahh~" She said, feeling a hand that wasn't hers, rubbing her little sister while her neck was sucked.

Mirya then took one of her hands and held the young Stuart's rod in front of Mendy as she knelt and prepared to suck it. "Have I ever let you down?" She asked, looking to the side of that young woman, with Minos' stick almost touching her face.

Hearing that question, Mendy excited for a moment and then said. "No."

"Then allow yourself to do this. You won't regret it. Minos is certainly worthy of someone like you!" She finished her line when she finally licked the young man's stick that was in front of her, from the base to the head, taking it into her mouth after that.

'Ah! This will be interesting...' He thought about it briefly, already holding Mirya's head her green hair.

While Mirya was giving Minos a blowjob, Viola was still in the same spot as before, where she watched the situation unfold. She looked at her friend and then encouraged her.

"Mendy, why don't you get up and kiss our unexpected guest welcome? Don't miss this opportunity. I'm just not on top of him yet, because I need a moment of rest..."

Upon hearing this, Mendy was silent for a moment as she watched Mirya voraciously devour the young Stuart's rod, making saliva enveloping 'flesh' sounds permeate that room.

She felt dubious about it, but both these women, Viola and Mirya, had taught her a lot. Therefore, this young woman had some confidence in their advice, even if she had never done anything like this.

She then stood up, standing right next to Minos and Mirya, close enough for him to do as he wished with her.

Seeing this, Minos quickly threw one of his arms around this young woman's waist, drawing her into his embrace as he looked deep into her eyes. "It will be my pleasure to be your first male partner." He said before finally kissing her.

"Mmmm~"

Amid that first contact, things developed little by little until these three were in bed together.

At this point, Mirya was already intensely riding the young Stuart's little brother. At the same time, Mendy had positioned her hips over the young man's face so that he could taste her...

"Ahhh~"

During this action, Viola had fully recovered from her last orgasm and had finally joined the group. She was kissing Mendy's cherry lips while this young woman felt the pleasures produced by Minos' tongue.

"Ahhh~ Ahhh~"

"Mmmm~"

Pah! Pah! Pah!

Several sounds reverberated through the room as the four people enjoyed animalistic sexuality when Mendy and Mirya finally reached their first climaxes, generated by the young Stuart.

Squirt!

Squirt!

"Hah, hah, Mendy, hah, it's your time to enjoy Minos' rod..." Mirya said this with cloudy eyes, full of lust.

When she heard this, the young woman, who had already forgotten that this was her first encounter with a man, abruptly stepped off young Stuart while her younger sister dripped, dripping the liquids of love that had been expelled earlier.

"Hah... Isn't it better if I wait a bit? I'm pretty sensitive right now." She said as she had a sideways glance towards Minos' rod.

And hearing that question, Mirya smiled and said. "No, it will be better this way. You're more sensitive now, and you can enjoy it to the full!"

After having this answer, Mendy said nothing more and then lay down beside Minos. He had pointed this out to her right after Mirya had finished speaking, as it would be better if they started that way.

Mendy was a virgin, so it would be better if Minos had better control over penetration at the start of the thing. Therefore, this position in which he would go on top was the best in this situation...

"It might hurt a little at first, but it will soon go away, OK?"

"OK."

And quickly, the young Stuart had his little brother leaning against Mendy's slit when he began to move, slowly destroying the young woman's hymen.

"Ahhh~"

"Mmm~"

Again moans echoed through the room as Mendy had her first time with a man. She had quickly gotten used to the young Stuart flesh inside her body. She was slowly screaming in delight, thanking Mirya for the earlier advice.

On the other hand, Viola and Mirya did not stand still and began to indulge while Minos took Mendy's virginity. This was the young woman's first time, so until she finished her first round, the mother and daughter pair did not intend to participate in the act...

But that wasn't an inconvenience to them, they both didn't mind doing that to each other, and it wouldn't be long before Minos and Mendy rejoined them.
