

BLACK PLAIN 580

Chapter 580: An Incredible Experience! (18+)

"Mmmm~"

"Mmm~"

Immediately upon entering that apartment, Minos didn't give a damn about the decor of that place and just pulled Regina's sensual body into his embrace, kissing her right away.

At the same time, that woman had a satisfied smile in the corner of her eyes as she felt Minos' wet tongue invading her mouth and dancing with her own. And as she kissed him back, she was already slowly helping young Stuart undress.

He was slowly unbuttoning his shirt while she was removing the belt around his trouser. That was a duo's job and one that they were performing to perfection!

This experienced cultivator had not had sex in a long time. Finally, after so many years, she would get a taste of what had once been one of her specialties... As such, at the moment, she was on fire, eager to feel part of Minos' body inside her.

Not only had she not experienced the pleasures of her sexuality in a long time, but she had also not felt as much sexual tension as she did now.

That was for two reasons. The first was because, as Minos had said, Regina had used sex to lure her enemies into traps on many occasions. In other words, part of her focus was always on things other than sex. And the second was young Stuart's previous attitude.

That was because Regina was a highly competitive human being who would always try to be the best at whatever she did. Hence, when Minos had rejected her more than once, she felt highly insulted and had consequently spent more time thinking about him...

From then on, it was not difficult to imagine how her plan to weaken him had quickly become a desire, something she wanted regardless of other plans.

The human mind was complex, and feelings were nothing more than 'disordered' reactions in the nervous system, something most cultivators could not interfere with. Hence, even though she knew what Minos was planning for her, Regina's body had still betrayed her.

Her body had begun to lust for Minos, and after she had found herself at a dead-end and accepted her defeat, she had let herself be carried away by desire and reached this point.

She had spent hours preparing for this present moment, having made several changes to her body, which she knew were more likely to work in situations like this. She had even spent a long time trying to decide what she should wear...

Anyway, after a while of going from one side of the apartment to the other while kissing, the young Stuart's clothes were already scattered throughout there when the two arrived at Regina's room.

At that moment, Minos had finally pushed that woman onto the large bed in that room, as he quickly removed his underwear.

Gulp!

She then leaned back against the bed and bit her lips, looking down at his crotch. "Hmm, he must be about 10 inches... That's good!"

"Hehe, don't be impressed by that. I'm still in the growing phase." Young Stuart humorously? said as he looked at the seductive body of the woman in front of him.

He then walked over to where Regina was leaning, standing with his rod being supported by one of his hands, right at the height of her face.

She then took her right hand on that hot piece of flesh and quickly made a back and forth motion while looking in the direction of Minos' face.

The young man then felt a soft, moist, warm sensation at the head of his rod, as finally, that woman began to suck it with vigor.

"Ohh~ You really can say those words from before..." He muttered as he remembered how arrogant Regina was about her sexual abilities.

Slurp! Slurp!

And soon, the characteristic sounds of that action began to sound, as Regina did good fellatio, and Minos enjoyed the heavenly sensation of her mouth.

After a while of doing this, he jumped up on that bed next to that woman, bringing her on top of his body, in a position where her ass was right in his face. At the same time, she continued to suck his rod with enthusiasm.

Slurp!

While Regina was sucking Minos' rod like a lollipop, young Stuart had finally pulled off her panties and seen the flower of this woman.

It was perfect, the most beautiful one Minos had ever seen in his short life, pink and of a size that was neither large nor small. And despite this woman's age, it seemed as full of vitality as the young man's girlfriends'...

As he looked at Regina's flower for a moment, this young man gently inhaled her scent, feeling a strong fragrance, which immediately made his rod pulsate twice.

'Ahh, that's truly amazing...' ? Young Stuart smiled just before he brought his tongue to Regina's slit that was dripping with her fluids now.

"Ahhhh~"

The moment young Stuart touched Regina's pearl with his tongue, she shivered as she felt an incredible sensation, something she hadn't felt in a long time. And amidst the involuntary contraction of part of her body, she had moaned aloud, just after release that young man's rod.

Pa! Pa!

Minos then beat her ass twice, until finally, he began to massage them, making this woman momentarily forget about his rod, standing there petrified.

She was pretty excited at the moment, and as such, her thoughts had wavered as she massaged her breasts and felt the movements of that young man.

"Ahhh~ That, that's right where I like it... Ahhhhh~"

"Ahhh~ You truly know how to do it, huh... Ahhh~"

"Mmmmm~" And it wasn't long before she was back to caring for little Minos, right after releasing a large volume of love juices on his face...

...

Sometime after they started to get to know each other better, Minos and Regina had already had several orgasms, both of them with smiles on their faces.

That was indeed an incredible experience for both of them, and as such, they had both made the most of the beginning of this long day ahead of them...

But after enjoying the foreplay to the fullest, neither could continue to wait for the following action. Both were on fire with desire, with their pupils completely dilated, while their faces were red, and they were looking at each other intensely.

Regina then looked for a moment at the young man just below her and bit her lips. As she did so, she used one of her hands to direct young Stuart's rod toward her cave, momentarily? having looked back and then smiled at him as she looked into his eyes once again.

"Ahhh~ Right there~" She moaned in pleasure as she lowered her body gently onto Minos, feeling this young man's rod penetrating her wet cavern.

She then closed her eyes for a moment and gently lifted her head forward, leaving her mouth slightly open as her two hands rested on Minos' chest. 'Ah, I truly missed this...' She thought, just as she began to move her hips.

"Ahhhhh~ Yes~"

"Ohhh~"

"Ahhh~ That's right, grab my ass..."

Finally, the two began to have sex like animals in heat, making several unique sounds in that room, composing an immortal symphony that neither would forget for a long time.

The sound of the bed moving, the noises of her liquids, and the pounding of flesh from both of them slowly increased as they both began to sweat in this high-intensity activity. Amidst this, they were both expressing their deepest animalistic feelings, directing the other party in the better way there could be.

And this was repeated in several different positions for almost 10 hours, with both parties feeling maximum pleasure, with several orgasms.

Regina had tried nothing against young Stuart in the end, having enjoyed the hours she had spent with him, attempting to satisfy her body's mundane desires.

...
