## Chapter 966 Before The Peace Negotiation 1 (18+)

"Mmmmm~"

Quickly, Brooke melted into Minos' arms, feeling every part of her body burn as she tasted the heavenly sensation of being able to kiss this young man.

A man had not touched her since she discovered her mother's affair with her ex-husband. That was not only a trauma for Brooke that had prevented her from trusting other people but also a 'seed' of doubt in her heart, which made her wonder if she was not good enough.

After all, how could someone substituted by their partner for one of their parents not question themselves?

Obviously, wicked people did their actions out of pure desire. Still, victims like Brooke would always try to understand why and what they had done wrong.

Therefore, she distanced herself from her sexuality for this entire period.

However, intentional or not, abstaining from something her body already knew and liked was not good!

The decisive event of her life had happened seven years ago, so this woman's body was exploding in desire right now, silently begging her good friend to help her calm her flames.

And feeling Brooke's body heat, Minos gradually felt more comfortable in this situation, already playing with his friend's beautiful body while kissing her intensely.

"Hah... Hah... Minos... You don't know how long I've been waiting to do this with you..." Amidst their kisses and rapid breathing, Brooke whispered this to him as she enjoyed the feeling of being touched again.

"Brooke... Are you sure you want to do this?" Minos asked her right away, feeling that he should at least listen to the words of this frail woman before doing something irreparably.

"Minos, why ask such unnecessary questions?" She looked at him intensely as she felt her panties getting wet. "I feel your arousal..." PANDA-NOVEL.COM

"You want this as much as I do!"

After saying that in a determined tone, she began to unbutton young Stuart's shirt, feeling that she could not miss this opportunity.

Previously she had tried to seduce this young man in different ways, even making him rub lotions on her half-naked body. However, Minos had always held back with her, and on the few occasions that Brooke had almost succeeded in kissing him, someone always appeared to get in their way.

So, in this situation where the two were alone in her residence, Brooke did not want to waste any time!

Minos had spent months outside of Dry City before, significantly cooling off their relationship. So, now that he was under her, she just wanted to get out of his clothes and quickly start having fun before someone got in their way.

Seeing how she smiled and licked her upper teeth with the tip of her tongue, Minos smiled lustfully, ready to devour his good friend.

"Well, if that's the case, let me make you forget the past." He said in a low voice to Brooke as he tore off the pretty yellow dress she was wearing.

"Ahhh~" She made a short sound of surprise while feeling little shocks in her little sister.

"Minos..."

"What do you want me to do first, Brooke?" Minos asked as he stood up from that sofa and positioned her there, making her lean on the back of the couch with her back to him.

"Ahhhh~" She moaned once again after feeling a slap on one of her buttocks, simultaneously as Minos pulled down her panties.

And while waiting for a response from her, Minos slowly brought his nose closer to Brooke's precious area and took a deep breath of air.

"Hah... You smell great, Brooke." He said, already using one of his hands to feel her wet flower. "I'm starting to get my mouth watering..."

After that, he quickly began kissing Brooke's flower, causing this woman to moan uncontrollably. Various muscles in her beautiful body twitched due to the waves of pleasure in her body.

She then responded amidst their sacred sounds. "I want you to use me, Minos."

"Can you do that for me, please?" She begged.

Hearing that, Minos smiled, continuing with his play but slowly beginning to look at Brooke's second hole, that pink, pulsing hole.

He slowly lifted his face, causing that woman to look back in doubt.

But the doubt did not last long in Brooke's mind. In that instant, she swallowed her saliva in anticipation as she finally felt something warm and moist touching her second hole.

"Minos~"

"You shouldn't do tha..." She was about to tell him to stop when she suddenly felt her first orgasm in many years shaking her body. ρ??J???????

"Ahhhhhhhhh~"

"Ahhhhhhhhhhhhh~"

"Hah~ Minos~ Keep going~"

"Yeah, eat my ass~ Make me cum~"

...

After some time, Minos and Brooke collapsed on this woman's bed with their sweaty bodies and genuine smiles on their faces.

After starting their previous action in the living room of Brooke's residence, they had had a few orgasms in that place and then headed towards her bedroom.

Then, they continued to wildly mate with each other, with Brooke burning with desire as she felt the greatest pleasure of her life.

And even though Minos had already experienced great moments with his other companions, this beginning of the evening beside Brooke had been truly remarkable.

Not only were they long-time friends, but Brooke had been carrying such sexual frustration that when she finally broke free, it was as if she had lost control over herself and was merely acting like a pleasure machine.

Because of this, even someone as experienced as Minos had had one of the best sexual experiences of his life!

"Brooke, I didn't think you were so naughty!" He said this with a smile on his face, chuckling at the woman lying in his arms.

Hearing that, the woman who had been filled with Minos' seeds through her two holes blushed. "You are shameless, Minos!"

"You kissed me in that place and made me do things I never thought could be done... And yet you're the one who calls me naughty?"

"You're a pervert!" She slapped his left chest lightly as she felt one of Minos' arms around her waist.

"Hahaha, you say that, but a few minutes ago, you were asking me for... Uh... How did you put it? 'fuc...'" He was about to repeat her words when that woman's small hand covered his mouth.

"Don't repeat that!"

"That wasn't me!"

"Hehe, it's okay, Brooke. I liked seeing you like that." He took a deep breath as he hugged her tighter.

"Anyway, let's repeat the experience in a few more days. What do you say?"

"A few days?" She frowned her eyebrows.

"Well, I have to take care of several matters in the next few days. So, I won't have as much free time as today." He explained to her, smiling and thinking about this return of his.

"But don't worry, while I am in Dry City, I will take care of your needs..."

"Oh? I hope you don't forget that!"

"Hehe, I promise."

...

After saying goodbye to Brooke, Minos returned to his residence, where he promptly went to his room to find his two women.

Ruth was still sleeping when he arrived at that place, while Abby was sitting in an armchair, reading a book.

After seeing that, Minos quickly came to Abby's side and brought her onto his lap. "I have to tell you something..." He whispered in one of her ears.

Abby then sniffed him briefly as she looked into his eyes. "Did you have sex with Brooke?"

"Yes, but that's not what I wanted to talk to you about. But... Does that bother you?"

"Sigh..."

"No. Although I don't like you sleeping with other women, I don't feel bad about you doing it with her."

"Brooke has been through a lot of trouble in the last few years, so it's only fair to let her feel a little happiness with you." She sincerely said as she slowly rested her head between Minos' neck and right shoulder.

"Great!" He revealed a satisfied smile as he hugged her waist. "But what I wanted to talk to you about is regarding Ruth and me."

"Oh?"

"I asked Ruth to marry me."
