

Blood Warlock: Succubus Partner In The Apocalypse Chapter 744

Bai Zemin was keeping track of the time he had left mentally, by the time about 40 minutes of the initial 60 minutes had passed, he finally put Lilith's legs down and adjusted his body so that he was almost completely lying down on the bed.

With her wrists still bound and her hands above her head, Lilith looked down obediently and watched wide-eyed as Bai Zemin planted delicate kisses on both legs, slowly moving higher and higher in tune with the sound of the sheets beneath their bodies accompanying their movements.

She didn't even notice that when he approached her crotch area, slowly kissing her thighs, she spread her legs even wider as if inviting him in.

Bai Zemin naturally noticed the hope and weak pleading in Lilith's eyes as she looked at him, but even though he was tempted to fulfill her wish, he bit his tongue and endured; he had already come so far and had about 1/3 of the original time left, he knew that for his plan to succeed he needed to be slightly mean.

As Bai Zemin ascended further and further up Lilith's legs, the smell of her arousal flooded his nostrils more strongly than before. However, when he began to kiss her inner thighs and that place that only he had seen since she reached a certain age, when her private zone came into his range of vision; that sweet rose-scented smell became especially enticing and for a moment Bai Zemin was tempted to drink from the fountain itself.

Lust was truly one of the seven deadly sins, an extremely dangerous feeling and emotion. Lilith was so horny at the moment and needed so badly to release the buildup of frustration that had been building up by Bai Zemin all this time that she didn't even realize the danger he was in.

Lilith was a succubus, and while the legend that succubi were beings that needed to absorb the life essence of men through sexual acts was false, the reality was that a succubus was indeed a charming demon; this was especially so in Lilith's case.

Due to the abnormally high charm of Lilith, her natural juices had an exquisite and tantalizing aroma that enticed males to taste them. Although she didn't know what would happen if someone drank them from the source itself since she had never had a man so close to her as Bai Zemin was at this moment, Lilith knew that man definitely couldn't get enough of her if such a thing happened.

What if a First Order existence tested Lilith's excitation? Even if Bai Zemin possessed skills such as Immovable Heart that helped him resist certain status effects, he would definitely fall prey to Lilith's charm without a doubt.

Fortunately, however, Bai Zemin remembered the words Lilith had said to him before his 60 minutes started running into reverse.

“Just hands and fingers... For now.” Bai Zemin murmured and with great difficulty moved his gaze from that precious garden of eden to her teary eyes.

Bai Zemin began to kiss the inner thighs of Lilith, but the sound of his lips caressing her skin was completely suppressed.

“Angh...”

“Ugh~”

“Ah!”

“Ahh~”

...

Lilith’s moans and grunts started out soft and low, but after five minutes, those low moans and grunts practically turned into screams similar to that of a wounded beast moaning in lamentation and in loneliness

Bai Zemin had no choice but to use a lot of strength to hold Lilith’s body in place as she was constantly writhing, and with only 15 minutes left, Bai Zemin decided it was time to put everything he had built up over the past 35 minutes to good use.

He reached his hands up and while now powerfully licking and kissing Lilith’s inner thighs he began playing with her nipples and squeezing her breasts using varying levels of mild strength.

The eyes of Lilith opened abruptly and a cry of joy escaped from her wide open mouth followed by a moan of uncontrollable pleasure.

“Finally!!!”

She had never been touched by a man like this before but she definitely didn’t expect such a cruel form of torture to exist!

Bai Zemin practically devoured Lilith’s inner thighs and while using his thumbs and forefingers to play with her rock hard nipples he molded her luscious breasts to his will. Bai Zemin’s mind went almost completely blank as his hands practically slid on those two big fluffy soft marshmallows!

The sheet under Lilith’s butt was simply a puddle at this point and the scent of her excitement had flooded the room by then. Her legs were shaking non-stop and she was shaking her head furiously as tears ran down her face.

Finally, by the time 5 more minutes had passed, Bai Zemin brought one of his hands to Lilith’s crotch and for the first time in 50 minutes began to play with her lower mouth.

“AH!”

A loud cry of surprise that immediately turned into a terrified moan fled Lilith’s exquisite lips. Her moans simply grew and slithered from within her lungs as if from her very soul, echoing inside the room.

Bai Zemin carefully caressed the edges of her lips at first, gradually moving closer to the center and finally used his thumb to reach the hard but at the same time soft little pearl that was hidden at the top of her swollen lips. Lilith’s butt practically jumped off the bed as he began to play with her clitoris but her biggest reaction was when he used his index finger to tentatively touch the little hole from which juices were gushing out like a broken dam.

“Yes yes yes yes yes! I’m almost there!” Lilith closed her eyes tightly and gritted her teeth in a gleeful smile on her tear-streaked face.

She had long forgotten about the piece of cloth that bound her hands and had shredded it several minutes ago. However, perhaps subconsciously, she held her hands together and above her head as if still imprisoned by invisible bonds.

Bai Zemin had no choice but to let go of her breast and use his free hand to pull her body down and hold it in place as Lilith’s back arched and her body began to spasm uncontrollably.

“I’m cumming? I’m having an orgasm?” Lilith began to mumble incoherently not even sure of herself as her eyes slowly began to roll as she felt a finger thrusting into her precious place.

As Bai Zemin carefully moved his thumb around Lilith’s little pearl, he didn’t hesitate to slowly insert his index finger into that little hole that looked like a tiny mouth constantly opening and closing in search of air. He felt her soft flesh clinging tantalizingly to his finger and Bai Zemin got the feeling as if thousands of little tongues were licking him all over making his steel-hard manhood tremble at the mere thought of getting in there.

When Lilith’s body began to quiver rapidly and when the soft juicy walls that clung delicately to his index finger began to tremble intermittently, Bai Zemin knew instinctively that she was on the verge of the climax.

If he pushed a little harder, he would definitely succeed.

However, Bai Zemin had another goal besides obviously giving pleasure to his partner.

Therefore, the worst of Lilith’s tortures happened.

She, who felt she would soon reach the ninth cloud and see the real heaven, suddenly opened her eyes abruptly and her pupils contracted repeatedly as she hurriedly looked down and screamed anxiously:

“Don’t stop, don’t stop! I’m about to get there!”

Lilith was no stranger to orgasms. Even though she was a virgin, this did not mean that in her entire life she had not indulged in self-care. After all, sexual release was one of the best ways to release some of the stress that built up after so many deadly battles; even Bai Zemin had helped himself sometimes when he felt he couldn't take it anymore.

However, Lilith was 5000% sure that the orgasm she was about to have now was by far the most powerful one she had ever given herself. She didn't know it but she was still sure that she was one step away from ascending even if her strength didn't go up at all!

Unfortunately for her, Bai Zemin didn't hear her words and stopped his thumb movements as he pulled his index finger out of her cave but still continued to kiss her inner thighs and kept her turned on.

"No no no no!"

Lilith cried out in fright as she felt that beautiful feeling from before start to disappear. Just then, Bai Zemin attacked her precious pearl again and the index finger returned home.

"Ah! Right there!"

Lilith immediately felt as if she was being rescued from the abyss and quickly climbed back up the ladder to heaven. She could feel the stimulation on her clitoris and how her man used his forefinger to gently but at the same time roughly stroke her insides.

However, the same thing as before happened.

"NO!"

The house practically rumbled as she screamed in frustration, anger, but mostly sadness as she felt the movements of Bai Zemin come to an abrupt halt. Lilith was in such a weakened state of mind that she didn't even realize that if she really wanted to she could pleasure herself; however, she subconsciously knew that the pleasure she would receive from herself would not be able to take her to the heights she would reach if he gave it to her!

For a little over five minutes, Bai Zemin gave Lilith pleasure and torture; both feelings at the same time. Every time she was about to reach the summit, he would stop, but when she was getting too low, he would quickly start stimulating her right away and make her climb back up to the same place she was before making her fall down again.

The feeling of having everything but at the same time having nothing was truly terrifying!

Lilith's face was a mess of tears and her moans were mixed with increasingly desperate sobs. She seemed to have forgotten her strength and everything else, she looked really pitiful but incredibly sexy at the same time; a true work of art that any man in the universe would be more than willing to sacrifice himself for.

With about only 5 minutes left, Bai Zemin stopped kissing the inside of both of Lilith's legs, and at the same time as he accelerated the movement of his hand and fingers, he moved his body upward.

His firm, hard chest pressed hard and dominantly over Lilith's two beautiful creamy breasts, causing their shape to change to that of two gorgeous ovals overflowing outward. Bai Zemin couldn't help but groan softly at the feel of her hard nipples caressing his chest, but he endured the pleasure and brought his mouth to her ear while using his free hand to hold her head still in place.

"Do you want to cum, my little Lilith?"

His voice was incredibly sexy, husky and raspy, dripping with lust and desire.

The hot breath caressing her ears and his voice made Lilith open her eyes weakly, and as she looked up at the ceiling dazedly subconsciously, she nodded in between sobs and moans.

"Then just say it." He whispered, as if he were a true sex demon trying to seduce his victim with sweet words.

"Say it...?" Lilith sobbed in a low murmur.

"Did you forget? Just call me like you know and I'll let you cum." Bai Zemin continued to press while secretly biting his tongue so hard that more and more blood filled his mouth.

His lust had reached a level too dangerous at this point, he wouldn't be able to take much more.

"Ah... Ugh... Ah~..." In between moans and grunts, Lilith's eyes flashed several times as her blurry mind cleared just enough for her to remember the key word she needed to say for her torture to finally end.

"..dy."

Bai Zemin's movements stopped for a split second but he immediately began to stimulate his partner with a lot more enthusiasm than before as he said in a slightly anxious and happy voice:

"What did you say? Louder, I didn't hear you."

"ddy..." Lilith whispered in a simply inaudible voice.

"Louder!" Bai Zemin gritted his teeth in frustration and lightly squeezed Lilith's clitoris like a button.

Lilith's body jumped as her eyes opened, and as if on automatic pilot mode she finally shouted out the word that Bai Zemin wanted to hear so badly. Lilith's scream was so powerful that the walls literally vibrated for a moment and as she screamed her moment of release finally came.

The mind of the proud and powerful Sixth Order succubus, one of the two most beautiful women in the universe, craved and desired by countless beings, went blank and as her eyes rolled to the back of her head as she screamed like a banshee finally released from her jail.
