

BO LOVE LIFE 12

Chapter 12: Jiang Xinlei Gets Abused

“We’ll follow Sisi’s instructions. This cheap and shameless b*tch is in need of being taught a lesson!”

The girls chimed in agreement and dashed forward, as if they were going to face a villainous criminal.

Luo Zheng stood by the door and smirked while listening to their conversation.

Jiang Xinlei should have only given Gu Sisi some insider information without explicitly mentioning my name... Of course, given how obsessed Gu Sisi is with Xi Mubai, she would definitely rush here regardless of who it might be.

Just like me, she is a die-hard fan... unfortunately, neither of us won his heart in the end!

They opened the door with a loud bang and rushed into the room.

Pangs of panic engulfed Jiang Xinlei as she tried to think of a solution to leave. All of a sudden, she was surrounded by the girls... who then beat her up into a pulp without hesitation.

“B*tch, you’re so cheap and shameless. How dare you try to taint Senior Mubai!”

“Beat her to death. Shameless whore! How dare she harbor designs on our idol.... ”

“B*tch, do you really think you can succeed just by getting up to these dirty tricks?”

...

Jiang Xinlei’s hair was all messed up and her face was swollen too. They tore her clothes up and she looked extremely pathetic.

Those were the punishments that Luo Zheng ought to have suffered. However, no matter how careful Jiang Xinlei was, she still ended up making a mistake. Hence, she had no choice but to beg for mercy. “I didn’t... you guys have really mistaken me... I wasn’t the one who seduced Senior Mubai...”

However, who would believe her at this point?

Gu Sisi immediately stared at a corner of the bed and grabbed the clothing on it. She flew into a rage and hollered, “S!t, how dare you deny it?! Are you thinking of wearing this to seduce Senior Mubai? Damn it, let’s satisfy her and put these clothes onto her!”

Luo Zheng walked towards the door and felt a strong urge to applaud after hearing her words.

She had mindlessly cast that dress onto the bed after changing out of it, just so they would get the wrong idea.

Indeed, Gu Sisi did not let her down!

“Take some photos of her and expose them tomorrow! Let everyone know how filthy she is... ”

Gu Sisi forced her to put on the revealing apparel. Upon hearing her words, she was overwhelmed with terror and she immediately got down on her knees to kowtowed to Gu Sisi. “Don’t take photos of me... I’m begging you guys... it wasn’t me... it’s Luo Zheng! Yes, she was the one who planned this... ”

Jiang Xinlei pushed all the blame to Luo Zheng in a moment of panic.

Upon hearing her words, Gu Sisi beckoned for them to stop and stared at her condescendingly. "Make yourself clear."

Jiang Xinlei immediately explained everything smartly, without including her agenda.

"Luo Zheng was the one who wanted to sleep with Senior Mubai. That's why she booked a room here! However, she had an allergic reaction after taking some aphrodisiac so she got me to come here and pick her up..."

Gu Sisi was feeling apprehensive after hearing her words. One of the girls then pointed at Jiang Xinlei and said, "I was wondering why you looked so familiar. Aren't you Luo Zheng's best friend?"

Everyone stared at her immediately.

Gu Sisi chuckled and gibed, "Yeah, aren't you Luo Zheng's best friend? It's not nice to stab her in the back like this, is it?"

Jiang Xinlei was beyond terrified and distressed, for she felt that Luo Zheng should be the one suffering that treatment instead. "We're not best friends! She's so stupid and boy-crazy. She thinks she can order me around just because she's a wealthy heiress! I'm worthless to her..."

Afraid that Gu Sisi would not believe her, she went all out and admitted, "I was the one who sent that information to you! Luo Zheng doesn't deserve Senior Mubai and I can't watch her ruin Senior Mubai just like that! I know that you're devoted to Senior Mubai so you definitely wouldn't sit back and do nothing."
