

## **BO LOVE LIFE 14**

### **Chapter 14: I Won't Mind If You Warm Me Up Using Your Body, Brother**

Luo Zheng smiled innocently like a pure-hearted child.

Upon hearing her words, Bo Hancheng remained silent and stared at her blankly with no emotions. It was as if he was staring at an inanimate object.

He stared at her and asked, "Pretty?"

It was the first time that someone had ever dared to use the word 'pretty' to describe him. She was... asking for death!

Despite being filled with terror, she still forced herself to smile. "Yeah, you're wearing a mask and hiding your features. I bet it's because you're too pretty, right?"

Luo Zheng reckoned that he definitely loved compliments and hence, decided to say that.

In fact, she was thinking otherwise.

Under normal circumstances, no one would put on a mask... for no reason. It was either because he was too beautiful, or too ugly!

Although she felt that it was more likely for him to be ugly, she knew that she could not say it to his face.

Impossible!

However, her words almost made him express his joy.

Did I... suck up to him too much? Oh no!

At this moment, a bunch of gangsters showed up and walked towards them.

"Pretty brother, let's go in first!"

Luo Zheng decided not to let him ruin her plan.

She grabbed his arm before the gangsters noticed her and immediately pulled him into the room.

He retreated and entered the room.

Luo Zheng was just about to go in.

To her surprise, he extended his long legs and blocked Luo Zheng outside the door to stop her from entering.

"Brother, what are you doing?"

Luo Zheng panicked and glared at him.

Bo Hancheng looked down at her and asked, "Kid, you've barged into my room again in the middle of the night. Isn't that inappropriate?"

At this crucial juncture, Luo Zheng could no longer be bothered. She hurriedly charged in trying to hide away... however, he seemed to be rejecting her now.

At the next instant, Luo Zheng tugged her bathrobe and said pitifully, "Pretty brother, I know it's inappropriate but look, my bathrobe is all wet and it's a little cold now. Will you let me go in to warm myself up?"

At this moment, he smirked and remained still.

Luo Zheng flew into a rage and watched as the gangsters approached. She had no choice but to grit her teeth angrily and said softly, "I won't mind it if you warm my body up using yours..."

She sounded extremely flirtatious.

This time, he scanned her from head to toe before saying calmly, "I mind it."

Luo Zheng's face grew sullen and Bo Hancheng stood up in a bid to close the door of the room. "I'm not interested in underage girls."

Not interested? Oh please, he almost raped me when we were in the bathroom, before he found out about my age!

Yet, he is acting all arrogant and lofty. Not interested? My foot!

Luo Zheng had no choice but to lower her head and cover her face with her long hair when she heard the gangsters.

She prayed that they would ignore her and go inside the room for Jiang Xinlei instead!

However, what she feared the most, still happened anyway.

"Brother Sen, look! There's a chick over there..."

One of the gangsters pointed her out with ill intentions.

"I heard that this hotel offers plenty of special services at night! They also say that most of the rooms on the top floor are for couples. Do you guys think she's a prostitute? Why don't we get her to come over for some fun..."
