

BO LOVE LIFE 16

Chapter 16: Falling Onto The Bed

Wuzi was locked outside the door.

After making sure that she was safe, Luo Zheng's heart rate resumed to normal and she began complimenting Bo Hancheng.

However, Bo Hancheng remained as calm as ever and instead stared at her, making her feel uncomfortable.

She suddenly wondered if she was actually safe.

Why does he feel... much more dangerous than the men outside?

The thought of it made Luo Zheng tense up again.

Realizing that she was still latching onto him, she exclaimed with a stiffened smile, "Thank you for your help, Brother. I'll get down now!"

Luo Zheng then let go in a bid to jump onto the ground.

At the same time, Bo Hancheng placed his hand on her arm and asked, "Hey, what's the hurry?"

Luo Zheng's heart palpitated and she thought to herself, he... he... is so scary!

"Brother, men and women should keep a distance away from each other. You're not acting inappropriately..."

Luo Zheng said innocently and cautiously.

"Aren't I your husband?"

The mention of "husband" made Bo Hancheng's voice grow deeper.

Greatly astounded, Luo Zheng said, "I only said that in a moment of panic..."

"Didn't you ask me to warm you up with my body?"

Bo Hancheng noticed that she was blinking continuously, clearly feeling guilty.

"Brother, I don't feel cold at all. I don't need to be warmed up..."

Extremely exasperated, Luo Zheng did her best to deal with him in a thick-skinned manner.

Where did this man come from? He's so mysterious, dangerous and mean!

"You're so young and yet, you already know how to kick someone to the curb when they've outlived their usefulness."

He sounded rather displeased.

She was begging me so desperately just now and yet, she is already turning her back on me as soon as we entered the room!

This girl is really brazen and interesting!

“Pretty brother, don’t be mistaken. How could I have done that? I’ll always remember your kindness!”

Luo Zheng sounded extremely solemn and sincere.

“Is that so?”

Although she was young, she was very scheming.

“Yeah, don’t you believe me, brother?”

Luo Zheng nodded profusely like a woodpecker and stared at her innocently with eyes that were as bright as stars.

She watched as he smirked and carried her towards the bed all of a sudden.

She was plagued with an ominous feeling.

“I don’t believe you.”

He threw Luo Zheng into the air without warning.

She fell onto the bed with a loud thud.

The bed was neither soft nor hard but Luo Zheng was rather weak and hence, had a bad fall.. she frantically sat up straight to look at him before crawling towards the corner of the bed to pick up a pillow and hugged it.

“Hey what are you doing? I’m warning you, I’m still underage! It’s illegal for you to rape me.”

Luo Zheng gritted her teeth and reminded him of that fact so as to stop him from doing anything to her.

Although she had been reborn and was no longer adamant about remaining chaste... she was still protective of it. She had already made preparations to be raped by him in the bathroom!

However, she was drugged by an aphrodisiac then and was just afraid that she would have no choice... Now that she had gone through immense hardship to keep her virginity, she would treasure it more.

After all, she had standards and only wanted to lose her virginity to a man whom she liked!

Who knows what he looked like beneath the mask? If he were to be extremely ugly, would that not be devastating?

A woman’s first sexual experience was very important and her future sex life would be affected if she were to be traumatized. That would be terrible!
