

BO LOVE LIFE 17

Chapter 17: You Like Harming Yourself?

She had no choice but to resign to fate and admit that she was too unlucky to have let him take her first kiss.

However, she still could not accept giving her virginity away easily, even though she was already mentally an adult.

The thought of it made Luo Zheng scan her surroundings while preventing Bo Hancheng from pouncing onto her.

At last, she shifted her gaze onto the ashtray on the bedside cabinet.

Luo Zheng picked it up without hesitation and decided to fight him to the end if he were to compel her.

Bo Hancheng stared at her from above, noticing every action of hers. He sneered, "Little imp, you kicked me to the curb after you've made use of me and now you're going to bite the hand that feeds you?"

Upon hearing his words, Luo Zheng bit her lip and stared at him calmly. Feeling a little flustered, she retorted, "I didn't..."

To her surprise, Bo Hancheng suddenly pointed at the door and threatened, "What do you think will happen if I open the door and let those people come in?"

He reckoned that she definitely knew the bunch of gangsters out there... otherwise, why would she latch onto him without hesitation, just so she could avoid them?

She panicked and exclaimed, "Don't!"

Mu Sen has definitely barged into the room with his underlings and is facing Jiang Xinlei now... I cannot let them find out nor allow them to ruin my plan!

Bo Hancheng stared at the ashtray coldly, causing Luo Zheng to freeze in shock and throw the ashtray away. "Pretty Brother, this is a misunderstanding! I just thought that this ashtray looked great so I wanted to take a closer look at it..."

She began to feel extremely awkward because of her lame excuse.

Luo Zheng took a deep breath before raising her head to look at him again. "What exactly do you want?" she asked straightforwardly.

Bo Hancheng suddenly bent forward and moved his hand towards her.

Luo Zheng's body stiffened as she thought that he was about to rape her. Hence, she tried her best to bear with it, convincing herself that it was okay to be short changed once!

However, he grabbed her wrist and raised it high up in the sky before pulling her bathrobe down, only to see that there were scars on her slender arms. Although the wounds have already stopped bleeding, they still looked rather daunting and gruesome because of how bloodied they were.

"You like harming yourself?"

Bo Hancheng sounded calm and emotionless.

Luo Zheng smirked and thought to herself, I am not crazy, why would I be into self-harm...

She tried to retract her hand and explained smilingly, "That was what I did to overcome the effects of the aphrodisiac. I wasn't harming myself."

Although she could not guess what his agenda was, she knew that he was not evil.

Luo Zheng heaved a sigh of relief and blinked at him mischievously, "Shall I treat you to a show?"

Before he could even answer, Luo Zheng stood up and walked out of the door.

She turned around to look at Bo Hancheng who was staring at her composedly while standing still.

After a moment of hesitation, Luo Zheng took a few steps back and tried to hold his hand carefully... His hand was large and broad, and her tiny palm was only enough to grasp his fingers.

She pulled him along with her. Fortunately, he did not turn her down and instead followed closely behind.

Luo Zheng stealthily opened the door into the corridor and started moving outside after making sure that there was no one outside.

She stopped in front of the couples' room and heard Jiang Xinlei sobbing and wailing. "Sen, I'm your girlfriend. How could you bring your people here to humiliate me!?!"

Girlfriend...

Luo Zheng smirked coldly.

Of course she knew that Mu Sen and Jiang Xinlei were in a relationship with each other, even though she did not know when they got together!

"What are you crying for? You're so useless! I want Luo Zheng. What are you doing here!?!"
