

## **BO LOVE LIFE 181**

### **Chapter 181: Little Imp, Tell Him How We're Related!**

Bo Hancheng then looked up and glanced at Xi Mubai before exclaiming, "Nice to meet you, Classmate Xi!"

As soon as he finished speaking, he casually tightened his grip around Luo Zheng, seemingly trying to declare sovereignty.

Seeing this, Xi Mubai's pupils constricted and he froze completely, at a complete loss for how to react.

Luo Zheng, who was lying in his arms, frowned slightly and wiggled gently. "Brother Cheng, don't hug me so tightly, I'm finding it a little hard to breathe..."

"Do you want to breathe or do you want... me to hug you?"

He asked calmly, interrupting her complaint.

Feeling stunned and a little confused, she asked with uncertainty, "Must I choose one of the two?"

"What do you think?"

He looked down at her with gloomy eyes and a smirk.

Although Luo Zheng was lying in his arms and getting warmed up by his body, she still could not help but shiver. "I think, I want..."

"Zheng, think carefully before you answer. Don't provoke me or make me unhappy, alright?"

Luo Zheng was just about to say that she preferred breathing.

His words were like an indirect threat that compelled her into eating her words. She smiled in a thick-skinned manner and said, "I think, I'd prefer to have you hug me, Brother Cheng! I don't mind experiencing breathing difficulties. You're much more important, Brother Cheng..."

As soon as she spoke, she could clearly feel his displeasure fading.

Luo Zheng finally heaved a sigh of relief. The more she interacted with Bo Hancheng, the more she felt that he was not as simple as he seemed to be on the surface. He was fickle-minded and had an erratic temper!

Or is it that men are just as hard to understand? It's so hard to figure him out!

"Mr. Bo, how could you guys behave like this!?!"

At this moment, Xi Mubai finally snapped out of his trance and he sounded rather austere.

However, Bo Hancheng held onto Luo Zheng with one hand and twirled her hair between the fingers of his other hand before answering coldly, "Xi Mubai, what do you mean?"

"Mr. Bo, she's still in her freshman year! What's your relationship with her? If you hold her like this, you will make others misunderstand your relationship!"

A few days ago, Xi Mubai witnessed with his own eyes, Bo Hancheng carrying Luo Zheng away.

However, Luo Zheng was feeling unwell at that time and it was understandable for him to do so since they knew each other too... However, the scene now showed that their relationship was obviously more than just ordinary and it was indeed very suggestive!

“Misunderstand? Hah, misunderstand what!?!”

Bo Hancheng chuckled, not at all bothered.

His smile then faded and he said with a tinge of menace on his handsome face, “Her relationship with you is even fishier!”

“Mr. Bo, what do you mean?”

Xi Mubai’s face grew sullen and he did not seem to be showing Bo Hancheng any respect at all as a student, though he was still verbally addressing the latter with due respect.

Upon hearing their conversation, Luo Zheng could not help but feel confused.

However, it was their business. All she had to do was snuggle up and hide in Bo Hancheng’s embrace!

However, at this moment, Bo Hancheng pulled her out of his arms and made her face Xi Mubai. “Little imp, tell him what’s between us!”

“!!!”

Luo Zheng was greatly taken aback. She wondered, Why do I feel like I’m being made use of?

“Luo Zheng, how are you related to Mr. Bo? Did he force you... ”

Xi Mubai glanced at Luo Zheng with a serious expression.

Luo Zheng was instantly stunned. She quickly waved her hands and said, “No, no, no... he didn’t force me! I was the one who forced him... ”

## **Chapter 182: Relationship**

Luo Zheng immediately stopped when she heard herself.

Damn it, what am I saying?

She turned around conscientiously and glanced at Bo Hancheng who was composed and collected, giving Luo Zheng a sense of relief.

She then looked at Xi Mubai who had a peculiar expression and exclaimed, “We’re dating each other normally. No one’s compelling anyone!”

“Even if you’re dating normally, you should keep a distance away from each other! You shouldn’t exceed the boundaries... ”

Xi Mubai found the scene in front of him to be an eyesore and he reminded them in a low and austere voice.

Luo Zheng's heart skipped a beat and she was just about to tell him that it was none of his business!

However, Xi Mubai said, "Have you ever thought about the consequences that would entail if others see you behaving so intimately with him?"

For some reason, he could not stand seeing Luo Zheng being so dependent on Bo Hancheng... especially since they were acting like lovers!

Luo Zheng was slightly stunned.

All of a sudden, she got reminded of the shameful video that was taken when she got framed by Mu Sen in her previous lifetime... Back then, it was spread around school and everyone was in disdain towards her. They even attacked her verbally and viciously!

She tensed up when she thought about the words that she heard from Luo Tingxue not too long ago.

Perhaps, Xi Mubai's words did make sense. Well, at least in front of others, she ought to keep a distance from Bo Hancheng. Otherwise, things would be dire if everyone were to find out.

It would be fine for her, but Mr. Bodyguard's pride, reputation and future would definitely be greatly affected!

The two of them were not lovers and were simply partners in bed. However, outsiders must never know about that.

Luo Zheng's heart began to wrench up and she pretended to be nonchalant by smiling. "Senior Mubai, you're making it sound so serious. How am I crossing the line? I only asked him to hug me just now because I was uncomfortable. I didn't mean anything else..."

Somehow, Luo Zheng felt a cold chill down her spine but she continued to reiterate, "He and I share an ordinary relationship. We're just like friends, siblings, soulmates.... ah!"

Before Luo Zheng could even finish speaking, she felt a hand on her waist, after which she was spun around all of a sudden.

She looked up in shock and met his gloomy eyes. "Ordinary relationship, eh?"

"Brother Cheng..."

Seeing the gloominess in his eyes, Luo Zheng swallowed her saliva and her legs began to shake.

Guessing that he must have been infuriated, Luo Zheng quickly blinked, trying to hint that she was just pretending in front of Xi Mubai!

However, her reaction was misunderstood by Bo Hancheng. He felt that her efforts to clarify could only mean one thing.

That was, she cared about Xi Mubai and did not want him to get the wrong idea!

So, does Xi Mubai mean that much to her?

Hah, good, very good!

“Friend, sibling, soul mates... Why didn’t I know that was our relationship?”

Bo Hancheng tightened his grip on her waist and was almost going to crush her.

“Brother Cheng, I’ll explain to you when we’re home...”

“Kiss me.”

Luo Zheng frantically explained herself, but she was interrupted by his shocking words!

“???!!!”

At that instant, Luo Zheng thought that she had heard wrongly.

However, at this moment, Bo Hancheng smirked and repeated, “Little imp, kiss me!”

### **Chapter 183: Are You Going To Kiss Me Or Not?**

Luo Zheng was taken aback after confirming that she had heard correctly.

If they were alone now, she would definitely leap towards Bo Hancheng without hesitation if he were to make that request!

However, the time was just not right. She had just mentioned that they had an ordinary relationship and that they were just like friends, siblings and confidants... Yet, if they were to kiss each other in the blink of an eye, wouldn’t she be going back on her word!?!

Damn it, men are really fickle-minded. He was still being all cold and aloof towards her in the ward... Yet, he was now being so affectionate and even asked her for a kiss in public! How frustrating!

Before she could even respond, Xi Mubai stepped forth and exclaimed aggressively, “You’re a teacher, how can you make such a request!?!”

“This is my business, what does it have to do with you?” Bo Hancheng clipped coldly in a disdainful tone with a sullen expression.

At the next moment, he looked down at Luo Zheng and asked, “Are you going to kiss me or not?”

Luo Zheng held her breath and muttered, “I...”

Bo Hancheng noticed her hesitation.

Before Luo Zheng could even take the initiative, he suddenly raised her chin in her hand and tried to press his lips against hers.

They almost kissed each other.

Luo Zheng thought about the consequences and chose to look away when his lips were about an inch away from hers.

Failing to kiss her, Bo Hancheng’s eyes turned gloomy and it seemed like a thunderstorm was brewing within him.

He pinched Luo Zheng's chin mercilessly.

Overwhelmed with pain, tears welled up in Luo Zheng's eyes and she glanced at him pitifully... The more she behaved that way, the more self-deprecatory Bo Hancheng felt. He sneered, "Hah, didn't you ask to be my woman previously? Why are you pretending to be pure now?"

Luo Zheng panicked and exclaimed, "Brother Cheng, I'm doing this for your own good!"

"For my own good?"

Bo Hancheng repeated, sounding rather dissatisfied and annoyed.

"No one can fool me, but you turned out to be the first one!" he said softly, seemingly criticizing himself and Luo Zheng at the same time.

As soon as he finished, Luo Zheng was about to speak and he suddenly grabbed her wrist to pull her back.

Luo Zheng then glanced at Xi Mubai, surprised to see him walking towards her and standing in front of her. "Bo Hancheng, you are not worthy to be a teacher anymore! When I go back to school tomorrow, I'll lodge a complaint against you and make you leave Capital University..."

Bo Hancheng glanced at Xi Mubai, as if he were looking at an insignificant ant. He sneered coldly, "What makes you think you can?"

He ignored Xi Mubai's reaction and turned to look at Luo Zheng calmly.

Luo Zheng was dumbfounded and she could not recover from the shock at all.

"Ah!"

He chuckled again and turned around to leave.

Luo Zheng finally recovered from the shock and she quickly chased after him.

However, Xi Mubai was still holding onto her wrist and she could not leave at all. Feeling infuriated, she barked, "Xi Mubai, what exactly are you trying to do?"

"Luo Zheng, I should be asking you that question. Do you know what you are doing? Bo Hancheng is a scumbag. You must stay away from him!"

Xi Mubai frowned and warned her.

"F\*\*\*! Damn it! F\*\*\*!"

Feeling compelled, Luo Zheng began cursing and venting her frustration uncouthly.

"Who's a f\*\*\*ing scumbag? Make yourself clear! How is my Brother Cheng a scumbag? No one can be more of a scumbag than you!"

Luo Zheng retorted mercilessly.

However, she was still feeling conflicted. She shrugged her hand forcefully to get it out of Xi Mubai's hand.

“Xi Mubai, Senior Mubai, are your brains fried? We clearly agreed that we would stay out of each other’s lives. Are you too free? Why are you poking your nose into my business!?!”

#### **Chapter 184: Are You A Fool?**

Extremely infuriated, Luo Zheng placed her hands on her waist and glowered at him.

Xi Mubai almost choked and he looked rather embarrassed.

Clearly, he was sparing a thought for her but not only did she not acknowledge his goodwill, she even acted like he was hurting her!

Luo Zheng turned around to leave, considering the fact that Bo Hancheng was there.

However, she seemed to have suddenly thought of something a few seconds after she stepped forth. She strode towards him and said, “I’m warning you, you’re not to lodge a complaint against Brother Cheng! If he gets harmed because of you, I’ll definitely make you pay for it!”

“Luo Zheng, are you a fool? He just wants you to be his partner in bed. He’s clearly toying with you!”

Xi Mubai suddenly lost his usual composure and was no longer as well-mannered as he usually was.

However, Luo Zheng did not reciprocate at all. Instead, she retorted in disdain, “I’m a willing party and in fact, I was the one who requested it! I asked for it, do, you, understand?”

As soon as she finished speaking, she thought about Bo Hancheng’s reaction to her rejection.

“Oh dear!”

Luo Zheng turned pale and wished she could break down.

She extended her slender finger and pointed it at Xi Mubai angrily. “I painstakingly got Brother Cheng to agree to be my partner in bed! It better not be ruined because of you. If Brother Cheng goes back on his word... I’ll bite you to death!”

Luo Zheng immediately seethed when she stared at Xi Mubai.

While Xi Mubai was completely dumbfounded, she turned around and stormed off like an elegant swan.

While leaving, she muttered, “What do I do now? Brother Cheng is definitely angry. How do I coax him!?! Argh, this is really frustrating...”

Xi Mubai stood rooted to the ground in shock for a long time.

He thought that Luo Zheng was young and insensible, and thus got duped into becoming Bo Hancheng’s partner in bed... After all, Bo Hancheng was indeed outstanding on the surface. Otherwise, why would Luo Tingxue fall for him?

However, he did not expect Luo Zheng to have done it willingly!

How could a girl who was in her prime and the best stage of her life, be willing to be another man’s partner in bed... Xi Mubai’s heart sank and he felt a sharp pain in his chest while he was confused.

“Damn it!”

He clutched his chest and could not figure out why accidents kept happening.

He had lost his rationality just now and was entirely focused on helping Luo Zheng.

In the end, everything turned out to be a joke. He was just being nosy!

Since it did not concern him, he decided to leave her alone from now on.

“Luo Zheng, since you’re willing to sell yourself so cheaply, suit yourself!”

Xi Mubai muttered coldly and turned around to leave.

He thought that he ought to ask to meet Mu Nianqing next, in order to verify his dream!

...

Luo Zheng’s hair was messy and she scurried towards the ward while dressed in the baggy patient’s uniform.

She initially thought that he was probably not there and made up her mind to go look for him after settling the administrative procedures for her discharge from the hospital.

To her surprise, she was greeted with the sight of the tall and slender Bo Hancheng standing by the window as soon as she entered.

He was holding a cigarette between his fingers and the thick fumes of smoke swirled in front of him, covering his face.

“Brother Cheng...”

Luo Zheng called with a smile.

He cocked his head towards the side to look at her without much of an expression on his handsome face, though he looked a little stern.

Luo Zheng was immediately stunned. Her heart sank and she began tugging her clothes like a child who had misbehaved.

She then slowly made her way forward and approached him in a bid to break the tension. “Brother Cheng, I thought you were angry and had left the hospital! Turns out you’re still here...”

“Goog guess. I was about to leave.”

He said in a clear and monotonous voice.

However, Luo Zheng froze and was overwhelmed with fear.

At the next instant, he smirked and said coldly, “However, I’ve never liked owing anyone anything. So before I leave, I need to settle some scores with you.”

### **Chapter 185: Brother Cheng, Don’t Be Like This, I’m Scared...**

He sounded cold, calm and unhurried, showing no signs of anger at all.

However, Luo Zheng somehow shivered and felt a sense of fear in her heart. Trying to please him, she smiled and asked, "Settle scores? Brother Cheng, I don't get what you mean!"

"It's alright, you'll get it one day."

Bo Hancheng answered coldly as he flicked the ash off of his cigarette butt.

Luo Zheng could not help but freeze again. After giving it some thought, she stepped forward again and decided to explain her situation with Xi Mubai.

However, as soon as she took a few steps forward, Bo Hancheng barked coldly, "Hold it, don't come near me!"

Luo Zheng froze for a moment, and stopped in her tracks. Staring at him in bewilderment, he asked, "Brother Cheng, what's wrong?"

Seemingly reminded of something, she looked at him and continued to ask, "Are you still angry?"

"Why should I be angry?"

Bo Hancheng questioned rhetorically without much emotions.

"Because... I rejected your kiss just now..."

Luo Zheng answered softly and quietly.

Before he could even finish speaking, she anxiously explained, "Brother Cheng, I'm not doing this on purpose. I just don't want Xi Mubai to get the wrong idea about us! I'm just worried that it'll affect you if the rumors spread..."

While explaining, she realized that he was remaining silent. Thinking that he had listened to her explanation, Luo Zheng felt a sense of relief.

At the next moment, she subconsciously stepped forward again and said smilingly, "It's just the two of us now anyway. Kiss me however you'd like, Brother Cheng. I definitely won't turn you down..."

Bang!

"Ah!"

Before Luo Zheng could even finish speaking, she noticed that he smashed a bottle of medicine in front of her all of a sudden.

At that instant, the bottle of medicine fell onto the ground and shattered into pieces that were strewn all over the ground. Luo Zheng screamed in shock and turned as pale as a sheet.

However, Bo Hancheng kept a straight face and stared at Luo Zheng coldly. "Don't come here, stay away from me!"

While Luo Zheng's body was stiffening, he stared at her contemptuously and gibed, "Kiss you? What's so special about your kiss!?! Luo Zheng, stop being so self-righteous. You're only my partner in bed!"

Silence filled the air.

Luo Zheng's heart was about to stop and when she finally saw Bo Hancheng's face, she realized that he was pretending to be calm but deep down, he was all riled up.

She did consider the fact that he could have been bothered by it. However, she did not expect him to be so infuriated!

All of a sudden, Luo Zheng realized that she had made a mistake but she also felt aggrieved.

After all, she had shunned and turned down his kiss in front of Xi Mubai, all because she was sparing a thought for him!

Not wanting the situation to continue being tense, Luo Zheng bit her lip and said feebly, "Brother Cheng, don't do this, okay? I'm scared..."

She had never liked seeing him that way because he was as menacing as a devil who made her feel terrified.

"Huh? Scared? What have I done to make you so terrified!?!"

He pinched the cigarette and threw it onto the ground before stepping on it and rubbing it against the ground with his shiny leather shoe.

He then stepped forward and looked at Luo Zheng. "Or are you feeling scared because you have a guilty conscience for doing me wrong?"

"I didn't! Brother Cheng, I didn't do you wrong!" Luo Zheng immediately retorted without hesitation.

Feeling extremely wronged and aggrieved, she thought, this man really has an erratic mood. I've already proven my loyalty to him in the underground gambling den. Wasn't that enough!?!

The blue poison in Luo Zheng's body was affecting her emotions and making her feel incredibly frustrated.

She stared at him stubbornly and exclaimed determinedly, "Bo Hancheng, I didn't do anything, you can't suspect me like this!"

### **Chapter 186: Luo Zheng, I Think You're Filthy!**

"It doesn't matter to me whether you have or not." Bo Hancheng said coldly.

"But it is important to me! Bo Hancheng, I will not let you down. How could I let you down?" Luo Zheng retorted anxiously, wanting to get near him and leap into his arms.

After all, Mr. Bodyguard was being cold and aloof now, which was to her displeasure... Perhaps, she would only feel safe when she hugged him and felt his warmth.

"Luo Zheng, I said, don't come here! Stay away from me..."

Bo Hancheng's eyebrows furrowed into a frown and he hollered again in a bid to warn her.

Regardless of how strong Luo Zheng was, she still could not help but feel hurt upon hearing this. Tears welled up in her eyes and she stared at him before asking, "Why? I don't get it..."

I'm not a virus or bacteria, must he be so disgusted with me!?!

She looked just like a little pet that had fallen out of favor with her owner. She was soft, adorable and lovable.

However, Bo Hancheng glanced at her coldly and continued aloofly, "Because I find you filthy!"

I find you filthy... I find you filthy... I find you filthy...

The short sentence was like a dagger that pierced through Luo Zheng's heart. Luo Zheng's pupils constricted vigorously and she kept her eyes wide open while her face turned pale.

The daunting memories of her previous life replayed in her mind again.

"Luo Zheng, do you know why I refuse to touch you? It's because, I find you filthy!"

Whenever she wanted to be close to Xi Mubai in private, his answer would always be the same. As for others, especially men, they would often just criticize her without restrictions.

"Luo Zheng? Heiress of a wealthy family!?! She's just a filthy woman who's only fit to be a plaything! Who would want to marry a promiscuous woman like her?"

That was one of Luo Zheng's inner demons which she felt shackled to. It was also her weakness. After her rebirth, she tried her best not to think about it and when facing others, she could pretend by putting on a smile... However, she was now facing Bo Hancheng and not anyone else. He was Mr. Bodyguard!

He was right in front of her.

What did Mr. Bodyguard say? He says he's disgusted with me because he thinks I'm filthy!

"I'm not filthy... how am I filthy... I'm really not filthy..."

Luo Zheng turned as pale as a sheet and the memories that were deeply etched in her mind, seemed to overwhelm her and drown her.

She began to feel flustered and she glanced at Bo Hancheng with a tinge of resentment in her eyes. She wailed in between sobs, "Just why... is everyone maligning me... I clearly don't have any other man... Why do you people have to berate me..."

Bo Hancheng remained emotionless but he clenched his fists tightly below his sleeves, a sign of his agitation. He felt that she had misunderstood him.

He didn't mean to say that she was filthy. What he meant was that he disliked the way she behaved with Xi Mubai just now!

"I didn't berate you..."

"You did!"

She interjected as soon as he spoke.

Bo Hancheng took a deep breath and repeated, "I wasn't berating you..."

"You were! You did, you just did. You berated me..."

Luo Zheng retorted stubbornly to vent her anger and misery.

At this moment, she felt like Bo Hancheng was Xi Mubai and the other people who had misunderstood her!

Bo Hancheng could tell that Luo Zheng was being capricious and hence did not explain any further. Instead, he said calmly, "Go get a shower. After you shower... you won't be filthy anymore! Then, I'll settle the scores with you... "

### **Chapter 187: Untitled**

He then cocked his head towards the side coldly and stopped looking at her.

After she takes a shower, no trace of Xi Mubai will remain on her body... Perhaps, that would be the only way he could ensure there would be no trace of Xi Mubai on her body. Only then, will he be able to speak to her calmly.

"Hah, settle the scores after I take a shower?" Luo Zheng was emotionally unstable and she looked up at him while trying to hold her tears back.

She then questioned softly, "Am I that filthy? Must I really take a shower!?!"

What's the point of going through that hassle? Why doesn't he just settle the scores now!?!

He says I'm filthy but... I refuse to admit it!

All of a sudden, Luo Zheng seemed to have thought of something. She smirked derisively in a self-deprecating manner and unbuttoned her shirt slowly before removing it.

Her perfect and beautiful chest was exposed!

Luo Zheng was running a low-grade fever and hence was feeling chilly, especially since the air was a little cold. She shivered slightly and caused her chest to jiggle... However, she insisted on stepping forth and stopped in front of him.

"Look, am I filthy?"

Luo Zheng stared at him with reddened eyes, like a child asking for candy.

Bo Hancheng lowered his head to see Luo Zheng's wonderful chest. As long as she raised her arm, he would be able to see all her beauty.

Her glistening gaze was full of stubbornness and determination.

"Bo Hancheng, take a good look. I'm not filthy, not at all! So you don't have to insult me by making me take a shower!" Luo Zheng turned as pale as a sheet and she sounded a little hurt.

All of a sudden, Bo Hancheng's heart sank. He thought to himself, she was the one who played me out... Yet, she's now weeping and complaining!

Am I the one at fault? Hah, what a joke. What an absolute joke!

“Are you sure... you don’t want to shower?”

He asked coldly in a composed tone.

She glowered at him and insisted, “Yes, I’m not going to take a shower!”

Bo Hancheng had never lowered his pride to give in before. Hence, he obviously wouldn’t do so now, especially since he was in front of Luo Zheng!

He extended his arm and placed it on her waist before holding her tightly in his embrace. “Good, very good. I’ll settle the scores immediately then!”

Forced to fall into his arms, the familiar scent of tobacco mixed with a faint scent of cologne... However, he seemed to be extremely warm at this moment, making Luo Zheng feel a little humiliated.

“What scores are there to settle?” She asked in a hoarse voice.

Bo Hancheng raised Luo Zheng’s chin with his other hand and exclaimed derisively, “I’ll satisfy you, of course!”

As soon as he finished speaking, he slowly moved his lips down to Luo Zheng’s ear while she was dumbfounded. “Once you turn 18 years old, you’ll become my woman, won’t you? I shall settle this in advance. From now on, we won’t owe each other anything!”

Luo Zheng suddenly panicked. She knew what he meant.

He wanted to fulfill the pact in advance by getting intimate with her now!

If this were in the past, she definitely wouldn’t mind it at all, even if she was not 18 years old yet... However, in her previous life she was already in her twenties and hence, could totally accept it.

But why did he have to do it under such circumstances?

She hated how aloof he was and in fact, was a little disgusted and resentful... She hated how temperamental he was and how aloof he was. She detested the way that he was humiliating her!

“Haven’t you been trying to seduce me? You should be very willing.’ Bo Hancheng said heartlessly while rubbing his lips against Luo Zheng’s earlobes.

Luo Zheng froze and a deadpan expression formed on her face while her gaze turned cold and emotionless.

Perhaps, she had been wrong right from the start!

### **Chapter 188: Disgust**

What was she wrong about?

Perhaps, she shouldn’t have been so eager and proactive about repaying his kindness. She felt that she should have taken things slowly... Maybe, she shouldn’t have been so intimate with him and crossed the boundaries of an ordinary relationship.

She was extremely miserable at this moment.

However, she had low levels of libido because of her previous life and hence, was resistant towards other men... Mr. Bodyguard was an exception because he was the only man she yearned for!

Hence, she felt that it was only natural for her to want to be his partner in bed so that she could know what getting intimate was like.

To her surprise, the more wonderful her imagination was, the more ruthless reality was.

She did not feel aroused or enticed because of how brash and rough he was with her. She was filled with resentment... Yes, she currently hated Bo Hancheng just like how she hated other men!

After confirming that she could not tolerate Bo Hancheng, she decided to back away temporarily and stay away from him.

She then analyzed things carefully and reevaluated their relationship.

However, at the same time, he moved his lips upwards in a bid to kiss her on his lips.

Luo Zheng moved her head towards the side without hesitation and exclaimed coldly, "Didn't you say that my kiss isn't special? If that's the case, why do you bother being extra!?!"

Those were the words that Bo Hancheng had just said. However, Luo Zheng repeated them to retaliate.

Upon hearing this, Bo Hancheng's eyes turned gloomy and he tightened his grip around her waist. He pressed her against his arms and stopped himself from kissing her. "Do you want to get straight to it?" he asked softly.

Luo Zheng bit her lip and she refused to answer him.

She was then swept off her feet by Bo Hancheng who picked her up in his arms before lowering her onto the bed slowly.

In a moment of panic, Luo Zheng looked up to see that he was hovering over her. "Don't ... don't touch me ..."

At last, Luo Zheng voiced out and tried to push him away.

Upon hearing her words, Bo Hancheng grabbed her wrists with one hand and pressed them above her head... He then glanced at her pale face and whispered softly, "Don't you think it's a little too late to pretend to be pure and innocent now?"

While speaking, he scanned her from head to toe unrestrainedly and kept his eyes fixed on her swan-like neck which was covered in red hickeys left behind by him.

She belonged to him and could only be his!

The beautiful sight aroused him deeply.

He was cold and had always been good at controlling himself.

However, he would often break his own rules when he was with Luo Zheng and he could never stay calm and remain aloof. She was just like a poison that was tempting him... Not to mention, Luo Zheng was now half-naked and he was slowly losing his rationality.

He clearly knew that she was still young and yet to turn 18 years old... Unfortunately, darkness was consuming him and he felt that he couldn't show Luo Zheng any mercy because she was bringing it upon herself!

His rationality and lust seemed to be fighting each other and he could not decide between the two.

However, at this very moment,

Luo Zheng sensed that he was just pressing himself against her and not doing anything else. She glanced at him with determination and asked, "What's the matter? Do you find it hard to go on because you think I'm filthy?"

She regained some of her calmness at this moment and was well aware that she was just feeling angry about the fact that he had humiliated her!

He said that he found her dirty.

Perhaps, he had only said it in a moment of anger, like what he claimed. However, it bothered her greatly!

He had no idea. How could he have known? Everyone in this world could humiliate her, except him! It was because they were all outsiders who did not matter to her. However, he was her savior, her warmth and her weakness!

"Ah, are you that eager... to be touched by me?"

### **Chapter 189: Bo Hancheng, I Hate You!**

Bo Hancheng glanced at the blossoming girl beneath him who was like a vibrant flower petal.

Unfortunately, his hands wouldn't listen to him!

It was as if they were betting with each other and neither of them was willing to give in. They were both being stubborn and neither was willing to swallow their pride.

Upon hearing his teasing, the usually adorable Luo Zheng lost her temper and barked, "Yeah, I'm just really eager! Weren't you going to settle scores with me? Do it then! After this, we'll go separate ways... Mmph!"

Before she could even finish speaking, Bo Hancheng could not take it any longer and instead lowered his body to stop her from speaking.

That was the only way to stop her from making any nasty comments!

Luo Zheng widened her eyes and felt like he had taken her breath away... However, he was not gentle at all and was cold, rough and tormenting as usual.

Luo Zheng instinctively tried to shun but as soon as she did, he closed in on her.

"Mm..."

Luo Zheng burst into tears because of the pain and she continuously pushed Bo Hancheng away.

However, she was not strong enough and to make matters worse, her arm was injured and she could not push him away at all... In the end, Luo Zheng had no choice but to cry and let him bully her.

Bo Hancheng saw all of her reactions but he had never once given in. After punishing her for a long time, he finally let go of her in satisfaction when she was out of breath.

For the first time, Luo Zheng found kissing to be torturous.

The blue poison in her body was affecting her emotions and she was almost sobbing. "Bo Hancheng, I hate you! I hate you..."

Upon hearing her words, Bo Hancheng's eyes turned gloomy and he said in a hoarse voice, "I only did that and you already detest me? How about this then..."

He then lowered his head at the same time.

After all, Luo Zheng had never had such an experience in both her lifetimes... Although she was usually dauntless, she was clueless when it came to relationships and had no idea about the details of the process.

Hence, she was still reacting to his actions physically by squirming continuously, despite criticizing him in her head.

It was especially so when he added fuel to the fire. He frowned and questioned coldly, "I'll give you what you want now!"

He said coldly and picked her up without any mercy.

He then put out one hand and unbuckled his leather belt.

Luo Zheng had never seen him behaving that way before. She was truly terrified... but, she felt extremely humiliated and she felt like he was treating her like a cheap prostitute!

So, what did I do wrong for him to trample and humiliate me like this?

The beautiful fantasies that she had, were all shattered now. At this moment, Luo Zheng really felt regretful. She frantically exclaimed, "Stop! Bo Hancheng, stop..."

"Isn't this what you want? From now on, we... will no longer be related to each other!"

Bo Hancheng tried to continue.

"No... Bo Hancheng... Don't..."

Luo Zheng widened her eyes and grabbed his hand tightly in a bid to stop him.

Bo Hancheng did not continue forcing her and instead glanced at her coldly. "Are you trying to go back on your word?"

...

### **Chapter 190: Bo Hancheng... I Don't Want You Anymore...**

He sounded extremely calm but there was a tinge of danger in his tone.

All of a sudden, Luo Zheng thought about the ancient emperors and the line “Being close to the sovereign can be as perilous as lying with a tiger.” She swallowed her saliva nervously and she seemed to have suddenly thought of something as her eyes glistened with joy.

At the next moment, she shook her head and frantically retorted, “I’m not going back on my word. I just can’t do it now!”

As soon as she finished speaking, he smirked and she tried to explain again. “I... I... I’m still on my period!”

I’m so flustered and muddled up. My mind is in a whirlwind and everything is in a mess... I must leave Bo Hancheng to think about this carefully!

What is it that caused this to happen all of a sudden!?!

“On your period?”

Bo Hancheng whispered into her ear, seemingly trying to get to the bottom of the truth. Just as Luo Zheng was about to nod, her face suddenly stiffened. She dared not move at all, seemingly having suffered a huge blow.

“Of course I know you’re still on your period! After all, I was the one who bought your sanitary pads...”

Seeing that Luo Zheng had turned stiff, he decided to “kindly” explain.

What!?!

Luo Zheng’s eyes widened in shock and she stared at Bo Hancheng in disbelief. She then opened her mouth and stopped talking.

She initially blushed because she felt shy about her period... However, she looked really pretty and caused his eyes to turn gloomy.

“You, you, you... you clearly knew it! Yet, you still... you still...”

Luo Zheng recovered from the shock and felt a strong urge to question him.

Despite being usually dauntless, she seemed to have become a pure and innocent young girl now. She felt too shy to even speak!

“What about me?” he questioned in a deep and low voice that seemed sinister and different from his usual self.

All of a sudden, Luo Zheng could not help but wonder if this man on top of her... was really Mr. Bodyguard.

Could he be Mr. Bodyguard’s twin brother? Or does Mr. Bodyguard have a split personality!?!

Otherwise, how did the cold, aloof and stern Mr. Bodyguard become like this? No matter what, she was still on her period and that was only a matter of fact!

At the same time, she heard a voice in her ear. “That’s all, right? I don’t mind!” Luo Zheng’s pupils constricted and she looked up in disbelief.

She noticed his cold lips turning into a smile cruelly. Luo Zheng suddenly felt overwhelmed with chilliness. In her previous life, he was her savior... but now, he was just like a demon that was about to drag her to hell!

Luo Zheng was immediately daunted and she could not hide the fear within her at all. She was shivering from head to toe.

She could accept his erratic mood and temper, as well as his insults. She could even accept the fact that he killed someone... as long as he cared about her, she would be able to accept anything. However, she could not tolerate how heartless he was!

“Bo Hancheng, you can’t treat me like this! You can’t treat me like this...”

Luo Zheng wrapped her arms around her body while complaining aggrievedly. She subconsciously curled up into a ball to protect herself.

Seeing this, Bo Hancheng felt his heart skip a beat and he reckoned that he must have scared her with his words just now.

However, if he didn’t do that, she wouldn’t learn her lesson and might repeat the mistake.

“Luo Zheng...”

“Don’t touch me!”

While Bo Hancheng was calling her name, he tried to hug her, only to be pushed away... she then stared at him vigilantly and said, “Bo Hancheng... you’re really scary... I don’t want you anymore...”

“Huh? You don’t want me anymore? Little imp, I dare you to say that again!”

Glancing at Luo Zheng who was wailing and crying while pushing him away, Bo Hancheng felt rather resentful.

She had yet to see his true colors and yet she was already so terrified.

However, she shouldn’t have provoked and harassed him time and time again... In that case, everything shall remain as planned. Without his permission, she was not to retreat!

...
