

BO LOVE LIFE 19

Chapter 19: So Young Yet So Vicious!

Mu Sen had the wrong mindset.

Jiang Xinlei was also underage, just like Luo Zheng. She was not exactly ugly but she was a late bloomer and hence, did not develop many curves yet. There was definitely room for improvement in the future.

Due to the fact that he could not attain his agenda, Mu Sen was incredibly exasperated. He could not be bothered to continue messing with Jiang Xinlei and hence decided to be blunt about how he felt towards her.

“Mu Sen, what did you say? How could you do that to me!?! I must have been blind to have fallen for you...”

Jiang Xinlei turned as pale as a sheet and she finally realized that he had just been using her all this while.

“What did I do to you? Just blame it on yourself for being cheap!”

Mu Sen hollered at her in disdain and disgust, feeling a strong urge to hit her.

Wuzi scanned Jiang Xinlei from head to toe and asked lustfully, “Brother Sen, are you planning to give her up? Tsk, that seems like a pity!”

Without even taking another glance at her, Mu Sen waved and said. “She’s nothing. If you like her, you may have her! She’s not a virgin anyway, you can do whatever you want with her...”

“Mu Sen... you...”

Jiang Xinlei totally did not expect him to be so heartless.

In his eyes, she was just like an inanimate object that he could give away easily, so long as he did not like it anymore!

After all, she was rather young and immature. Hence, she began to feel rather terrified of the ill intentions harbored by Wuzi... In the past, she would often find Mu Sen and his underlings to be rather suave and cool because they were gangsters.

However, she was genuinely terrified at this point because they were truly sordid!

Still feeling indignant, Jiang Xinlei reminded in a shaky voice, “Mu Sen, you can’t do this! I... gave you my virginity! You said that you... would be responsible for me...”

“How could you believe what I said when we were in bed? Besides, you’re the one who willingly let me get intimate with you. Why should I be responsible!?”

Mu Sen scoffed and turned around to make his exit.

The few other men stared at Wuzi and teased, “I never knew you liked such young and bland girls!”

“What do you know? Young girls like her are more tender and they make me feel better...”

Wuzi began groping her lecherously.

He then spoke to her lewdly and callously while the rest proceeded to leave. Before they left, they reminded him, "Be mindful of your limits. She's been with Brother Sen before so don't cross the line!"

"I know, I know, you guys leave first. I'll be there soon!"

Wuzi answered nonchalantly and started to sense that Jiang Xinlei was about to leave. He pressed her onto the bed and said, "Don't be too eager. Let's have some fun!"

He then pulled Jiang Xinlei and began groping her again.

...

Luo Zheng turned around to avoid Mu Sen before he exited.

She only looked back after Mu Sen and his underlings left.

She could hear the sounds of Wuzi talking in the room next door. "You're not a virgin anymore so why are you pretending to be innocent? Brother Sen has plenty of women and he has already given you to me. So what if I really get intimate with you?"

Luo Zheng was beyond shocked.

She did not expect that Mu Sen would do that to Jiang Xinlei. It seems, his failure to ruin Luo Zheng had made him angry and panicky!

In her previous lifetime, Mu Sen and Jiang Xinlei were in a relationship for several years and they would have perhaps married if it were not because of the fact that Luo Zheng's father and stepmother objected to Jiang Xinlei who came from a village.

Even after Mu Sen married a wealthy heiress who was compatible with him, he still kept Jiang Xinlei as his clandestine mistress. It was indeed true love!

Jiang Xinlei cried uncontrollably while Luo Zheng smirked, clearly in high spirits.

Seemingly reminded of something, she turned around to look at Bo Hancheng and blinked mischievously. "Pretty Brother, do you like the show? It's interesting, isn't it?"

She was squinting like a child waiting to be praised by her elders for doing something good.

Bo Hancheng stared at her coldly and remarked disdainfully, "You're so young, yet so vicious!"
