

## **BO LOVE LIFE 2**

### **Chapter 2: Removed Her Wedding Gown To Seduce The Bodyguard!**

Bo Hancheng spoke softly in a clear and refined voice.

Not feeling exactly overjoyed, Luo Zheng asked in bewilderment, "Who are you?"

Bo Hancheng answered, "I'm your bodyguard. I'm here to rescue you."

"Bodyguard?"

Luo Zhen sneered as a derisive gaze formed in her eyes.

Well, as the heiress of a wealthy family, there was nothing strange about having a bodyguard. However... that was all in the past and the Luo Family was now bankrupt. The servants had also quit long ago. How would there still be a bodyguard?

Not to mention, I do not remember seeing this bodyguard at all!

"You may leave, I don't need you to rescue me! I can't even save myself now. You don't have to waste your efforts, I can't give you any benefits..."

Luo Zheng spoke sluggishly.

Upon hearing her words, Bo Hancheng frowned as he reckoned that she must have misunderstood him. However, he did not make any explanations and instead picked her up in his arms as he was preparing to leave.

Sensing his intentions, Luo Zheng pressed a hand on his chest and questioned sternly, "Who are you? What do you want!?"

"I'm your bodyguard, Missy. Of course I want you to live well."

Bo Hancheng was just like a cold robot that was answering her question monotonously.

"Is this really what you want?"

Luo Zheng found it extremely ridiculous and amusing, as if it was the greatest joke she had ever heard.

She was no longer an innocent or naive girl. She was well aware that he definitely had a motive... After some thought, she realized that she no longer had any money or power and the only value she had left, was her face and her body.

If he were to try and rape her, she would definitely retaliate and do everything she could to retain her chastity!

She was not afraid of death but she did not want to die indignantly.

Luo Zheng's eyes lit up as an idea came to her mind and she made her decision.

Luo Zheng supported herself against his shoulder and got onto the couch.

Bo Hancheng watched as she began touching her zipper and exposing a large part of her skin after removing her wedding gown.

She did not stop even after the wedding gown fell onto the ground. She continued to remove her bra and undergarments, standing stark naked in front of him.

All that she had left was her beautiful face and body... After all, she was known as one of the four great socialites in the past!

She wrapped her legs around the man's waist. Although she was feeling extremely ashamed, she had to expose herself for the sake of achieving her agenda!

Sensing the change in his expression, she smirked and tried to seduce him further. "Mr. Bodyguard, do I look good?"

Bo Hancheng remained silent while his eyes turned gloomy.

Her beautiful and flawless body that was covered in silky jade-like skin, and her slender waist, seemed like a perfect piece of art presented to him. He was instantly aroused.

Luo Zheng continued to move towards him and dangled her snowy white body in front of him. "Help me kill Xi Mubai and Mu Nianqing, and I'll make love with you once, alright? I'm still a virgin!"

Didn't Xi Mubai say that he would only love me when he was dead? In that case, I shall make him die with me!

"No."

Bo Hancheng said coldly and turned her down.

All of a sudden, Luo Zheng's body stiffened and she instantly felt embarrassed.

She sacrificed her image and offered herself to him, yet, he did not even consider it!

However, she soon thought it through.

Murder was a crime and the Xi Family would definitely make the bodyguard pay a price that was far worse than going to jail!

No matter how beautiful she may be, she was just a distressed heiress who was down and out. Who would be willing to sacrifice their life for her?

She was just being silly at the end of the day.

The thought of it made Luo Zheng feel extremely shocked.

However, Bo Hancheng removed his jacket and draped it over her naked body. He said coldly, "Missy, you don't have to give yourself to me. I just want you to live well."

"Live well?"

Luo Zheng repeated the thought in resentment and glared at him derisively. She sneered, "You're just a bodyguard. Why are you pretending to be so benevolent? You want me to live well? You're just afraid of

being charged for murder! If you're really that capable, go kill Xi Mubai and Mu Nianqing. I'll then live well! Otherwise, what does my well-being have to do with you?"

For the past ten years, she had lost everything because of Xi Mubai and even had her reputation ruined. She lost her family too... Now, she was in dire straits so how could she still live on?

"You'll only let yourself off after he dies, right?"

Bo Hancheng listened attentively with a complicated mix of emotions in his eyes.

"Yes, I want him dead. I only want him dead! Mu Nianqing has to die too! She was the one who caused me to be in such a pathetic plight. I hate her! I hate her..."

Luo Zheng seemed to be clutching onto Bo Hancheng like he was her last savior.

Bo Hancheng noticed her pain, agony and misery.

He caressed her face and said, "Okay, I'll fulfill your wishes."

He then turned around resolutely and left silently.

If it were not because of the jacket that was still on her body, Luo Zheng would have thought that it was just a dream.

What does he mean by leaving just like this?

Forget it. I should not have pinned my hopes on using a mere bodyguard to seek revenge.

I cannot die, I cannot die just yet. I must last till tomorrow to see Xi Mubai... Then I will do whatever I can to die with him!

I will ruin my kidneys before dying so Mu Nianqing can forget about it!

After making up her mind, she clutched onto the jacket and stood in front of the window while watching the snow.

One hour...

Two hours...

Three hours...

...

Luo Zheng stared blankly at the night sky like a sculpture.

"Missy"

The man appeared in front of her again.

"You..."

Luo Zheng stared at him in shock.

"There you go."

Bo Hancheng whipped out his mobile phone and flashed it in front of her.

Upon hearing her words, Luo Zheng ignored him and instead stared at the bloody scene on the television screen.

She snatched the mobile phone away from him and kept her eyes fixed on the video.

It was a video of a couple laying on the ground, surrounded by a pool of blood. It was as if she had met the Grim Reaper. They actually died without knowing why!

“It’s him... it’s really him...”

Luo Zheng stared at the video and confirmed their identity.

It was Xi Mubai and Mu Nianqing!

“He’s dead... he’s dead! He really is dead...”

Luo Zheng repeated those words over and over again. She clutched the phone tightly in her hand while her knuckles turned pale.

At last, she suddenly burst into laughter and said in a hoarse voice, “He’s dead... he actually died! Great... wonderful! Haha...”

Luo Zheng laughed and staggered forwards, almost falling onto the ground.

Bo Hancheng quickly grabbed her by her shoulder and asked, “Are... you okay?”

Luo Zheng suddenly sobered up and turned to look at Bo Hancheng, only to discover that he was covered in wounds and reeked of blood.

Her heart skipped a beat and she did not expect that he had really killed Xi Mubai and Mu Nianqing for her!

Is he unaware of the consequences? He... will die!
