

BO LOVE LIFE 201

Chapter 201: Brother Cheng VS Little Sister Zheng

The clear and alluring voice sounded behind her.

It seemed extremely abrupt and out of place on this quiet night.

“Who’s there!?!”

Luo Zheng got a great shock and her legs turned to jelly. However, she recognized his voice within just a second and could not help but feel troubled.

As the saying goes, speak of the devil!

Seriously, whatever I dread the most, always happens... Luo Zheng thought to herself. However, before she could even leave the hospital, she had already run into him!

With a sullen expression, Luo Zheng slowly turned around.

After bumping into his chest, she looked up only to see that he had his gloomy, abyss-like eyes fixed on her.

“Cheng... Cheng... Cheng...”

Luo Zheng put on a wry smile and tried to call his name.

She had no choice but to stutter, because she was too nervous to call his full name.

However, Bo Hancheng was looking down at her with a composed expression. He then teased, “You’re stuttering...”

“!!!”

“Stuttering? Stuttering!?!”

Upon hearing his tone of disdain and mockery, Luo Zheng could no longer remain afraid of him, as she was too busy trying to catch her breath.

“I’m not stuttering!” Luo Zheng held onto her tiny waist and retorted angrily.

Yet, Bo Hancheng pressed his thin lips together tightly and glanced at Luo Zheng again, after which, he continued to step forward and walked towards the ward.

All of a sudden, Luo Zheng was dumbfounded and she wondered, should I continue to flee or not!?!

She carefully made a turn and tried to continue with her plan to run away. His voice turned low and he asked, “Do you want to come back yourself, or... do you want me to grab you instead?”

Luo Zheng remained timid for a few seconds before answering, “I’ll do it myself, you don’t need to go through all that trouble, Brother Cheng!”

Regardless of how reluctant she was, Luo Zheng nonetheless hung her head low and scurried back to her ward.

Standing by the ward, she finally noticed that he was carrying something in his hand. He walked towards the dining table and took out some porridge and dishes.

Soon, Luo Zheng began to smell a faint fragrance.

Luo Zheng quickly stepped forward without hesitation and stared at him with joy in her dazzling eyes. "Brother Cheng, did you prepare this for me?"

Bo Hancheng stood up and allowed Luo Zheng to take a seat. "Yes, go ahead."

In an instant, Luo Zheng forgot about why she was unhappy as a warm and fuzzy feeling filled her heart. As happy as a lark, she sat down and began eating. "Ah! You're so thoughtful! Thank you, Brother Cheng..."

She praised him generously and said, "You don't have to thank me, Sister Zheng."

Coughs

Luo Zheng almost choked.

W... What? Sister Zheng!?!

"Slowly, don't choke. No one's vying with you." He placed his hand on Luo Zheng's back and caressed her gently.

Somehow, Luo Zheng got the chills. She smiled awkwardly and exclaimed, "Brother Cheng, you're so good to me!"

"Is that so?" Bo Hancheng asked with a stern expression.

Luo Zheng nodded in response. She then heard him sneer, "Not long ago, you said that you hate me."

Luo Zheng choked again and thought about the various things that happened before she fainted. She could not help but feel a little awkward.

However, after some thought, she found that to be extremely strange because she could not think of a reason for that.

At last, Luo Zheng asked carefully, "Brother Cheng, seriously speaking, is there... some misunderstanding between us?"

Unfortunately, he stayed silent and did not answer her sincere question.

Luo Zheng had no choice but to continue having her meal while a million thoughts filled her mind. She reckoned that it was because she had just dreamed of her pathetic self in her previous life.

Before she died, Mr. Bodyguard was the only one who gave her warmth!

However, he was now by her side, but in the beginning, he gave her the cold shoulder and then tried to force himself onto her too. She could not help but detest him for that.

She thought, the only thing I know about him in the previous life is his name. I know nothing about his background.

Perhaps, he really does have an erratic temper.

Well, I can't just forget about repaying him for his kindness, just because I saw his true colors!

Having figured that out, Luo Zheng immediately felt much more open-minded and she carefully explained, "Brother Cheng, I don't hate you! However, you did scare me a little at that time. That's why I said those words out of anger..."

...

Chapter 202: Brother Cheng ... You're Heartless...

She was clearly explaining in all seriousness.

Yet, Bo Hancheng did not give her much of a response and simply glanced at her calmly.

He then turned around all of a sudden in a bid to leave.

"???"

Luo Zheng was filled with questions but her body reacted faster than her brain did. She reached out to grab his shirt, after which she asked, "Brother Cheng, where are you going?"

"Let go!" Bo Hancheng barked coldly.

The way he behaved gave Luo Zheng a shock and she could not help but be reminded of when he lost control of himself previously.

Despite feeling afraid, she still persisted on nonetheless. "No, no, I'm not letting go!"

To Mr. Bodyguard now, I should mean something to him... Otherwise, he wouldn't have cared about me, right?

He even visited her at midnight with food because he knew that she would be hungry!

Bo Hancheng listened and remained calm even though he was speaking in a resentful tone, "Didn't you say that you don't want me anymore? What are you doing now?"

Luo Zheng immediately blushed and said while feeling vexed, "Brother Cheng, I said those words in a moment of anger. Don't take it seriously! I want you, of course I want you. You're the only one I want!"

"Hah, is that so?" He chuckled and was clearly showing his contempt and disdain towards her.

Soon, he asked nonchalantly, "You tried to sneak away when you were outside. How do you explain that?"

"Huh? Hehe, um..."

Luo Zheng smiled wryly and felt extremely embarrassed.

In reality, she almost lamented out loud, don't they say that women are the petty ones?

But why is my Brother Cheng so petty? He bears a grudge all the time and takes it out on me later!

“Luo Zheng, there’s a limit to my patience. Don’t try to fool me. Got it?” Bo Hancheng then turned around and looked down at Luo Zheng.

“Brother Cheng, I wasn’t fooling you...”

He glared at Luo Zheng coldly, making her feel timid and small as her voice turned softer.

“You’re clearly scared of me. Why are you pretending to suck up to me?” Bo Hancheng gibed coldly while staring at her, his heart wrenching up.

He then pushed Luo Zheng away relentlessly and clipped, “After all, you took the drug in my place and hence, I will keep you until you quit your drug addiction. As for what happens after that...”

Speaking of this, he paused and seemed to be thinking about what he ought to do with Luo Zheng.

Tears welled up in Luo Zheng’s eyes and she began crying before he even finished.

Stunned to see this, Bo Hancheng glanced at her pale and pitiful face which made her seem like an abandoned pet. He could not help but feel his heart skip a beat.

“Don’t cry!” His tone was still cold and aloof.

Luo Zheng began tearing up more and more while stuttering, “Brother Cheng... you’re heartless... you keep me around... when you need me... when you don’t need me anymore... you think of abandoning me...”

She then placed a hand on his shoulder and complained, “You said that I dislike you and don’t want you and even tried to run away! You’re clearly the one who hates me. You don’t want me so you’re trying to chase me away, aren’t you?”

After being shocked, Bo Hancheng burst into laughter.

Hah, I didn’t expect this little imp to be so good at twisting facts.

She’s the one who said she hates me and doesn’t want me. She’s the one who tried to run away... and look what she’s saying now. She’s turning it against me!

Chapter 203: Teach Me...

Luo Zheng knew that she was being unreasonable too.

However, she could not help but panic when she understood what he meant.

She could not understand how a man like him could be so petty. She had already explained that she only said those words out of anger and yet, he was still so heartless!

Is he... dissatisfied?

After all, he wanted to get intimate with her but she ended up fainting. Hence, she reckoned that he probably didn't do it in the end... Otherwise, she would have definitely felt some physical changes when she woke up!

While thinking, she heard his aloof voice. "Yes, I hate you, I don't want you, I want to drive you away! Sister Zheng, are you satisfied?"

"You..."

Tears welled up in Luo Zheng's eyes and she looked up at him.

He must have said that on purpose because he wants to punish me!

She was angry, furious, exasperated!

"Why? Isn't it good that I'm granting you your wish?"

He lowered his head and closed the distance between them.

"No, no, no!"

Luo Zheng sobbed, feeling extremely aggrieved.

Ever since her rebirth, the only thing she managed to do was to get closer to Mr. Bodyguard... In the end, not only did they not get closer, everything was on the verge of going back to square one!

How could she possibly accept that?

However, the more pitiful Luo Zheng looked, the more he refused to budge and instead, continued to treat her like a stranger.... He even extended his hand again to push away Luo Zheng's hand, which was on his shoulder.

"Once you kick the addiction, we'll no longer owe each other anything. From now on, we'll be strangers... Mmph!"

Bo Hancheng said coldly but he did not manage to finish his sentence.

Unable to tolerate it any longer, Luo Zheng threw her arms around his neck, pulled him downwards forcefully... and tried her best to tiptoe. She then kissed his lips with all her might.

Her kiss was full of passion and Bo Hancheng was greatly taken aback. Before he could even react, he was already getting into it because of her influence.

He felt that she was a fast learner in terms of kissing, for she had already mastered the necessary techniques after just a few kisses. Although she was not an expert, it was enough to arouse him.

Whenever he faced her, he would lose control of his rationality.

He wanted to cut off ties with her partly because he thought that there was someone else in her heart... and also because he was affected by her and did not wish for that to continue. He wanted to be himself again.

Since he knew that she would definitely resent him once they fall out in the future, he thought that it would be better to cut off ties now!

At the thought of this, he tried to push Luo Zheng away but the more he tried to do so, the more his body stiffened.

Luo Zheng was not only kissing Bo Hancheng, she even slid her hand beneath his shirt and tried to arouse him further by touching his abs.

“Little imp... cut it out...”

He did not expect Luo Zheng to be so brazen. He warned her while she stopped to catch her breath.

Luo Zheng’s face was flushed and her dazzling eyes were glistening with tears because she had just cried. Hence, she looked extremely pitiful and lovable.

However, she ignored his warning and even went all out by laughing and chiding, “Hush! Brother Cheng, don’t ruin the mood...”

Luo Zheng then moved her hand downwards and grabbed his belt which she then tried to unbuckle with all her might.

However, she could not do so after a long time. Feeling embarrassed, she began to turn red again... In the end, she had no choice but to raise her head pitifully and beg, “Brother Cheng, teach me how to unbuckle your belt. It’s so difficult...”

“!!!”

For the first time in his life, Bo Hancheng felt extremely helpless.

Chapter 204: Getting into Mr. Bodyguard’s Good Books

“Brother Cheng...”

Seeing that he did not answer even after a long time, Luo Zheng teared up again, looking extremely aggrieved.

At the same time, she continued to tug at his belt.

Bo Hancheng never knew that he had such weak willpower, for he was actually enticed by her subtle acts of seduction!

“Luo Zheng... don’t behave like this...”

At the next moment, Bo Hancheng tried to stop Luo Zheng from igniting the fire within him while he could still control it.

However, Luo Zheng was extremely stubborn and refused to let go at all.

All of a sudden, the once romantic scene descended into a childish tug-of-war, with both of them vying to be the winner.

His belt surprisingly unbuckled out of nowhere.

Bo Hancheng got a great shock and was about to buckle it again. However, he did not expect Luo Zheng to beat him to it.

At that instant, Bo Hancheng quivered and his mind went blank while being overwhelmed with disbelief.

Luo Zheng smiled alluringly and said, "Brother Cheng... why must you push me away..."

Upon hearing her words, Bo Hancheng held his breath.

Luo Zheng put a hand on his neck and continued in a low voice, "Clearly... you do like me, Brother Cheng... you're just denying it..."

She was clearly trying to entice him further with her actions and speech.

Bo Hancheng was clearly resistant to the idea but he could not stop his body from reacting!

Luo Zheng seemed dauntless, but in fact, she was clueless and did not know much about the details.

However, since she had already made up her mind to please him, she could not back out... especially since her only option now was to continue going forward!

However, standing was tiring and it would be inconvenient to continue standing since there was a large difference in their heights.

Seeing that the hospital bed was behind him, Luo Zheng said coquettishly, "Brother Cheng... take a step back..."

As soon as she finished speaking, she pushed Bo Hancheng a little, after which he subconsciously staggered backwards and was pressed onto the bed by Luo Zheng.

All of a sudden, Luo Zheng was on top of him!

Luo Zheng even continued to grope and caress him.

In fact, it was her first time in both lifetimes... hence, she was still blushing with shyness regardless of how bold she was being.

What was next? What should she do!?!

Luo Zheng frowned and felt like she had dug her own grave. She felt flustered, helpless and confused.

Trying her best to do something while being in a state of panic, she started licking his Adam's apple like a pet... before mimicking the way he kissed her and proceeded to kiss his neck and collarbones.

She then removed his clothes and left plenty of saliva behind on his body.

Thinking that it was enough, Luo Zheng smiled in a bid to please him. "Brother Cheng, how do you feel?"

Bo Hancheng fell silent for a while. She was probably the only person in his life who had the audacity to pin him down and then seduce, flirt and tease him.

He found it unbelievable that he actually indulged her and allowed her to fool around with him!

However, after feeling amused, his heart somehow turned softer.

He began to wonder if... he was being too harsh with Luo Zheng.

...

Chapter 205: You're Still Young...

Isn't she trying to please me now?

Even though she was inexperienced, clumsy and senseless, he could not deny the fact that she made him happy.

Maybe, I should let nature take its course instead of rejecting her vehemently. Besides... can I even bring myself to turn her down?

She's passionate, straightforward, adorable, bubbly, sincere and genuine. Who can resist her!?!

"Luo Zheng..."

"Huh? Brother Cheng, do you feel comfortable? What should I do..."

Bo Hancheng had merely tried to say something and yet, Luo Zheng was already getting flustered and eagerly trying to please him.

At that instant, he felt like all the negative emotions within him had vanished as he returned to his usual composure.

So what if she had Xi Mubai and Mr. Bodyguard in her heart?

Well, at least, all she cares about is me when she's sober!

Bo Hancheng realized that he could not ignore the fact that he was getting physically intimate with Luo Zheng, but he could not push her away at all!

Seeing that there was saliva all over his body, he realized that he did not feel disgusted even though he was a clean freak. That was enough to explain how he felt.

"Let go of me first..." Bo Hancheng said in a clear and low voice.

He was blushing, especially in his ears, which was clear evidence of him being shy!

"Brother Cheng, am I not doing it well enough? But you can't blame me, I was just trying..."

Luo Zheng thought that he made her stop because he was feeling uncomfortable.

Upon hearing her words, his ears turned redder and he tried to hide from Luo Zheng's gaze. He coughed gently and said, "I'm not blaming you..."

"You really don't?" Luo Zheng blinked and repeated.

He gently expressed assent, after which she asked sincerely, "in that case, Brother Cheng, will you teach me?"

Bo Hancheng felt extremely helpless while hearing how innocent she was.

She was clearly a seductive vixen and yet, she knew nothing about those mature things and was extremely pure.

However, Bo Hancheng could not help but gasp.

How should I answer her? I can't possibly tell her that I'm inexperienced too!

Bo Hancheng did not want to embarrass himself in front of Luo Zheng.

Besides, he could not bring himself to do it since she was still so young.

He still had to control himself and not let himself go. "Be good, you're still young. You can't do such things..."

Luo Zheng was not stupid and she knew that he was sparing a thought for her since his voice was not cold and still a little warm.

She could not help but feel smug. However, she still did not stop touching him and instead allowed her hand to roam up and down his body confidently.

Just like she expected, he was as red as a tomato and was a little emotionally unstable. Feeling proud and excited, she exclaimed, "Brother Cheng, do you know what it's like to be aroused? It's the way you are now!"

Bo Hancheng's face grew sullen and he looked away from her.

Luo Zheng looked down and kissed his face again and again with all her might.

Bo Hancheng's face was about to turn swollen.

In the end, he still could not bring himself to stay still. He looked at Luo Zheng again and exclaimed in a hoarse voice, "Get off of me. Cut it out! If you go on, I will..."

...

Chapter 206: Are You Satisfied, My Sister Zheng?

Bo Hancheng was really embarrassed. He wondered if she really didn't know that she was playing with fire, or was she just pretending to do so.

If it weren't because he had taken pity on her, he wouldn't have held his desires back!

"Is that all you're going to do? Speak..."

Luo Zheng was really dauntless as she leaned towards him and questioned him, clearly overjoyed.

Due to the fact that Luo Zheng was on top of him, her luscious tresses were draped by her sides and cascading all over his body, making him feel inexplicably tempted.

"Luo Zheng!"

Bo Hancheng had never experienced such an embarrassing situation before. Feeling rather pathetic, his voice turned pale.

“Fine, fine, don’t get angry! I just won’t move...”

Luo Zheng did not want to anger him and immediately stayed still.

Immediately, she smiled and exclaimed, “I can let go of you, Brother Cheng! However, you must promise that you... won’t hate me in the future!”

Indeed, her goal was to make him take his words back!

“Are you threatening me?”

Upon hearing his words, Bo Hancheng frowned and barked coldly.

Seeing that he was about to look indifferent again, Luo Zheng puckered up and kissed his chin forcefully. “Brother Cheng, you have such a bad temper, you turn sullen and upset so easily! I wasn’t threatening you, I’m just negotiating with you...”

At the same time, she gasped and said self-righteously, “This is a minor punishment! Tell me, do you agree or not?”

Luo Zheng was just pretending to be brave. In fact, she lacked confidence and was afraid that he would get angry too.

However, there was something she had to admit.

Mr. Bodyguard’s member is really interesting and it feels nice to touch... Ahem, it’s just a little arrogant because it refuses to go down!

Bo Hancheng was amused by the fact that Luo Zheng was clearly threatening him but insisting that she was just negotiating with him... After a long silence, he said calmly, “I agree.”

In fact, Bo Hancheng was too focused on Luo Zheng, such that he forgot an important point.

He had plenty of ways to get Luo Zheng to let go of him and so there was no need to let her threaten him at all. At the end of the day, he was still being passive, not because Luo Zheng was aggressive but because he was a willing party!

“You must also promise that you won’t desert me!”

Luo Zheng continued, feeling aggrieved and mistreated.

I worked so hard, and yet, he still wanted to abandon me. This is really... atrocious!

“I promise.” he answered without hesitation.

As happy as a lark, Luo Zheng continued to push her luck. She exclaimed, “And, you mustn’t chase me away!”

Slightly stunned, Bo Hancheng nodded and answered, “I agree.”

Luo Zheng was overjoyed, for she did not expect him to agree so readily. She could not stop smiling at all.

Seeing this, he smirked and asked, “Are you satisfied now, Sister Zheng!?”

Sister Zheng...

Luo Zheng's smile stiffened. For some reason, she would tremble and feel peculiar whenever he addresses her that way.

"Yes, of course! Brother Cheng, I knew you'd agree..."

Luo Zheng continued calmly while trying her best to continue smiling.

She then forced herself to give in and gave him a light peck on his lips. Showing her compromise, she asked, "Brother Cheng, this counts as us making up, right?"

Bo Hancheng grinned ambiguously and did not answer her immediately.

Just as Luo Zheng was feeling the jitters and was about to lose it, he put an arm on her waist and pressed her against him. With a smile, he answered, "Of course! My Sister Zheng, do I have a choice?"

Chapter 207: Sister Zheng, Are You Addicted?

In the past, Bo Hancheng had always been indifferent about relationships... apart from the monthly relapses that he had. Apart from those situations where he did not have a choice, he would almost have no desires towards women.

He did not expect to act out of the ordinary after just a few days of getting to know Luo Zheng. It was unprecedented!

Hiding had never been a good way to solve the issues that he could not control.

However, she's just a little girl. Could she really harm him?

"Brother Cheng, are you... going to get angry again?"

Luo Zheng carefully scrutinized his expression and surprisingly managed to catch a grin on his face. However, she felt more and more uncertain.

Upon hearing her words, Bo Hancheng's eyes turned gloomy and twirled a section of her hair with his finger, fiddling with it every now and then. "What's the matter? Are you afraid that I'd be angry?"

"Yeah! Of course I'd be afraid..."

Luo Zheng nodded and admitted without hesitation.

Bo Hancheng continued smiling, after which he giped, "You're afraid that I'd be angry and yet you still have the guts to pin me down? Sister Zheng, you really aren't afraid of dying!"

Luo Zheng was immediately embarrassed and unsure of how she should answer.

She felt that the more she interacted with him, the more she found it hard to understand him.

He seemed just like a fog that could be seen from afar, but simply out of reach... one moment, she would feel like he was hers and yet, everything would feel like a dream the next moment.

“I’ve already agreed to your requests. Why are you not getting off of me yet?” Bo Hancheng asked in a hoarse voice.

Obviously, he had strong, lustful desires and yet, he could still remain gentlemanly and rational. He calmly let go of Luo Zheng’s waist, never once taking advantage of her.

Seeing this, Luo Zheng could not help but think, Mr. Bodyguard is a true gentleman!

She could clearly feel that he was still aroused, but he actually held himself back and urged her to get off.

Does that mean that the things written in books are not true?

They often say that men let lust rule their heads and that they would definitely become ferocious wolves when tempted.

The truth has proven that Brother Cheng is just that different from other guys and he defies the stereotypes.

“Sister Zheng, why aren’t you letting go yet? Are you addicted?”

Just as Luo Zheng was letting her imagination run wild, Bo Hancheng teased her ambiguously.

He then continued with a smirk, “Or do you like it a lot?”

“No, no, no... not at all! I’ll get up now...”

Luo Zheng began to feel her face turning extremely warm, as if it were going to burst into flames soon.

Somehow, she began to get thirsty after seeing Mr. Bodyguard smile widely... she even felt an urge to get intimate with him.

He stared at her with a pair of abyss-like eyes, as if he were about to devour her. Luo Zheng frantically cocked her head towards the side to avoid eye contact with him.

However, just as she stood up, she was suddenly reminded of something and hence asked awkwardly, “Brother Cheng, you won’t mind me pinning you down like this, right?”

She suddenly realized that most men were chauvinists.

Just like how she felt terrified and disgusted when he tried to force himself onto her... she wondered if he would feel the same now that she had tried the same.

She thought about it anxiously but to her surprise, he answered calmly, almost generously, “Why would I be? There’s nothing to mind. Well, you’re my Sister Zheng!”

He paused before adding, “No matter how terrible you may be, there’s plenty of time in the future for me to settle scores with you.”

Chapter 208: Pleasure

“...”

Somehow, Luo Zheng had an ominous hunch and felt that there was something more to his words.

However, she did not find any displeasure on his handsome face.

All of a sudden, she began to wonder if she had heard wrongly.

“Let go. If this goes on, something will go wrong...”

Bo Hancheng said while blushing again as he got increasingly aroused. Sweat had already broken out on his forehead.

However, he still remained calm and held himself back from doing something outrageous.

Luo Zheng blushed and just as she was about to withdraw her hand, she said softly, “Brother Cheng, are you... feeling terrible? If you’d like, I can give myself to you...”

“It’s not the time for it yet...”

Bo Hancheng interjected coldly and glanced at her.

Luo Zheng got a great shock and tried to figure out what he meant.

She was so astonished that she did not notice his intense gaze.

Sister Zheng is still young and has some growing up to do. So, it’s not the time yet.

I must be patient and wait for her to really grow up so that she can bear the impact that I give her... By then, she’ll have to pay the price for pinning me down today!

At this moment, Luo Zheng opened her eyes and said, “But, Brother Cheng, you can’t go on like this. Why don’t... I give you some help?”

Initially, he thought that he would be able to curb his desires slowly, as long as Luo Zheng stopped touching him.

To his surprise, she continued to tease him.

Bo Hancheng sighed and asked helplessly, “Sister Zheng, are you that eager to please me?”

She was still too young for sex and he did not want her to get started too early... However, he again got reminded of the fact that she had already been exposed to the things that she shouldn’t be exposed to.

Hence, his lust gradually began to take over his rationality and he started to contemplate if he should change his mind.

With her hair draped on her petite body, she said in a soft and alluring voice, “I want to make you feel good, Brother Cheng...”

As soon as she finished speaking, she said innocently without blinking, “If you’d like, I’ll do anything... I can do it...”

She sounded extremely shy and she subconsciously lowered her voice, sounding as soft as a mosquito.

To her surprise, Bo Hancheng was not in the least bit happy at all. Instead, he questioned her coldly, “Luo Zheng, where did you learn these moves from?”

She wasn't completely clueless and even knew quite a lot. Not only did she know how to use her hands, she also knew how to use her mouth. How could an inexperienced person know that much?

His face suddenly grew sullen and Luo Zheng could not help but tighten her grip.

At the next moment, Bo Hancheng's expression changed and he actually ejaculated in her hand!

Luo Zheng felt a sudden warmth on her hand which gave her a great shock. She stuttered, "Brother Cheng... you... "

"Shut up, stop talking!"

Bo Hancheng felt embarrassed as his ears turned completely red. He barked coldly to stop Luo Zheng from blabbering nonsense.

Luo Zheng felt so aggrieved that she remained silent.

I was just trying to show him some concern. Why must he be so fierce!?!

Seemingly having thought of something, Luo Zheng stuck her hand out.

Staring at her palm, she could not help, but lower her head and look carefully at it in curiosity.

He stuck his hand out and grabbed her wrist before pressing it down onto the blanket and rubbing it forcefully.

"What are you doing? Do you know how dirty it is!?!"

Chapter 209: She's His First Girl

Bo Hancheng turned as red as a tomato and he chided her in a hoarse voice.

Luo Zheng glanced at her palm that had become clean and free of stains after it was wiped against the blanket.

She suddenly felt regretful because she initially wanted to study it carefully!

Seeing that he seemed to be a little shy, Luo Zheng stepped forward smilingly and asked, "Filthy? Not at all! Brother Cheng, you're the cleanest to me..."

"Stop it!"

He could not listen to her any longer.

It was driving him mad!

He had just embarrassed himself by ejaculating in her hand. However, he recalled the sight of her staring at the liquid on her palm in a beautiful, pure, innocent and confused manner, seemingly wanting to taste it.

After he wiped it away forcefully, she began to say such alluring words again. He actually failed to control himself and got hard again!

"Brother Cheng, you look so cold and aloof, why do you get shy so easily!?!"

She then looked at him while he was trying his best to hide his aroused state. Although she had been reborn, she was still clueless about men and romantic relationships.

That was also the reason she was extremely shy when she got intimate with him... However, she really did not expect him to be shier than her!

Luo Zheng seemed to be bolder in front of him.

“I’m not being shy, hurry and get off me!”

Bo Hancheng cocked his head towards the side and said while trying to hold himself back.

In the 20-odd years of his life, it was his first time encountering such a situation which made him feel rather helpless... and shy? How could he develop such emotions!?!

Yet, he was growing increasingly warm and the hotness of his face was constantly reminding him of the truth that he had to admit!

Luo Zheng stared at him and found it interesting how he was pretending to be composed despite being extremely uneasy. She felt an urge to tempt him further.

At the next moment, she seemed to have suddenly recalled something.

“Brother Cheng, you’re... still a virgin, right?”

She asked, anticipating an answer.

Bo Hancheng immediately shivered and glared at her silently.

“Even if you don’t say it, I know that Brother Cheng must still be one! Because only virgins would be so sensitive and react so easily...”

“Sister Zheng, you may continue going on if you’d like to see the consequences you shall face.”

Luo Zheng was getting all excited because he rarely got shy, which gave her the chance to tease him.

He broke his silence by laughing mirthlessly, exuding a dangerous aura that made her tremble.

Hence, Luo Zheng could no longer finish her sentence as they seemed to have been stuck in her throat.

She was just about to ask if she was his first sexual encounter. Otherwise, why would he have finished so quickly?

She had read about it in books and heard from others that men usually don’t last long!

It seemed that she would not have the chance to ask him. After a few seconds, she quickly smiled and tried to please him again. “I won’t say it again, I’ll stop! It’s enough knowing what happened...”

At the same time, Luo Zheng was appearing extremely smug and she could not contain her joy at all.

Bo Hancheng’s heart sank and he found her expression to be an eyesore.

Before this, he had never thought that he would one day end up getting defeated by a girl like her!

He could tell that she was extremely proud... he only wished he could continue getting intimate with her without consideration of her age!

...

Chapter 210: Complimenting Her And Calling Her A Gem

The truth proved that Luo Zheng was sometimes thick in the head and would often land herself in trouble because of that.

She had no idea that he was harboring such dangerous thoughts and hence, immediately added, "Brother Cheng, it's normal to finish so quickly during your first time. Don't be traumatized! Of course, you should still have some tonic to nourish yourself for the sake of your future sex life..."

She felt a cold chill out of nowhere, after which she looked up and met his gaze.

All of a sudden, she shivered and finally realized that he should... probably feel extremely terrible.

"Brother Cheng, don't get the wrong idea. I'm not saying that you can't last long in bed but..."

Luo Zheng swallowed her saliva and explained herself.

As soon as she finished speaking, she began to feel more and more confused. She wished she could hit herself for digging her own grave!

Luo Zheng began to get goosebumps as he stared at her expressionlessly.

Just as she was about to be a wimp and apologize,

Bo Hancheng smiled warmly, devoid of the austere vibe that he was giving off previously. "Sister Zheng..."

He then extended his fingers and gently rubbed Luo Zheng's hair. "You're such a gem. How can you be so interesting!?!"

She was indeed very interesting. He could not seem to detest her even when she was saying such infuriating things.

If he were to miss a gem like her, how could he find another one?

Luo Zheng was stunned for a long while. She then sensed that his hand was sliding downwards and was pressing against her face.

She subconsciously rubbed her face against his palm like a kitten. With joy in her eyes, she asked, "Brother Cheng, are you giving me a compliment?"

"Yeah, I'm praising you. You're so special!"

Bo Hancheng said calmly with a grin that made his austere expression grow warmer.

He only got the idea of wanting her to get closer to him because she was special, and not because he had been planning it for a long time!

Although she could tell that there was more to his words, Luo Zheng did not think much about it, but felt that her efforts had paid off.

Her efforts did not go in vain and they had finally made up with each other. They were no longer that distant from each other.

“When’s your birthday?”

He asked calmly, revealing little of his emotions.

Birthday?

Luo Zheng was a little stunned. Seemingly having thought of something, she hesitated for a few seconds and answered truthfully, “According to my date of birth on my personal identification card, there’s still half a year to go before my birthday! However, I’ll be turning 18 years old in less than three months...”

“Three months...”

He repeated, murmuring to himself in a clear and mellow voice.

He then exclaimed, “Sure, I can wait!”

“???”

Luo Zheng was filled with questions and she had an ominous hunch as well. She could not help but ask curiously, “Brother Cheng, are you thinking of preparing a gift for me?”

Bo Hancheng nodded slightly and said indifferently, “Okay, I’ll give you a birthday gift that you will never forget.”

Little imp only has less than three months left. I’ll let her be smug for a while.

How dare she provoke me and hurt my dignity as a man? Hah I will make her cry and fill her with regret!

Luo Zheng ought to feel touched after hearing his words.

However, she could not understand why she felt there was something off about his words.

“Sister Zheng, I know you care about me and you are interested in me in some way! However, I need to clean up now, can you get up first? It won’t be appropriate if others run into you pinning me down...”

Such a coincidence did happen after all.

As soon as Bo Hancheng finished speaking, the door of the ward was pushed open all of a sudden. “Third Brother, I have something to...”
