

BO LOVE LIFE 231

Chapter 231: Luo Zheng, Are You... Luo Luo?

“Is that girl in the drawing, your crush, Senior Mubai?” Luo Zheng asked calmly, sounding a little sarcastic.

She could guess that the girl he sketched was Mu Nianqing.

She knew Xi Mubai rather well and was aware that he did not quite like doing human portraits... Throughout the ten years that she was in love with him in her previous life, she wished that he would sketch a portrait of her.

Unfortunately, he had never agreed to it!

She was sure that Mu Nianqing was the only girl he would sketch.

Well, according to the chronological order of events, it was right for Xi Mubai to have known Mu Nianqing by now.

However, in their previous life, they got acquainted because Mu Nianqing rescued Xi Qianqian... In this lifetime, she did not meet Mu Nianqing and Xi Qianqian was rescued from the underground gambling den by the police!

It seemed that something different must have happened in between.

“It was just a casual sketch. It’s not a sketch of my crush!” Xi Mubai immediately denied while gazing at Luo Zheng, feeling a little flustered.

He was supposed to sketch Mu Nianqing and he had indeed sketched her face shape right... but whenever he tried to draw her features, he would be reminded of Luo Zheng!

Luo Zheng is my crush? What a joke!

“I was just asking a casual question, don’t take it to heart, Senior Mubai. However, I have to say that your sketches are so different from your personal style!”

Luo Zheng found the fact that he was Li Ge, the artist she used to admire, to be particularly ironic.

Even though Li Ge’s artworks could connect with her soul, she could no longer bring herself to pay attention to Li Ge, simply because he was Xi Mubai!

Xi Mubai did not understand what Luo Zheng meant, but he could sense that there was something unusual about her tone. He could not help, but feel his heart sink.

Since when has Luo Zheng stopped admiring me and has instead begun to detest me!?!

Luo Zheng was preoccupied with Bo Hancheng and hence turned around to leave immediately.

“The dark sky is drooping ... The bright stars follow ... The fireflies fly, fireflies fly... Who are you missing ...”

At this moment, Xi Mubai's mobile phone rang and Luo Zheng found it to be familiar.

Luo Zheng immediately stopped in her tracks and looked up at Xi Mubai, keeping her eyes fixed on his mobile phone.

"The stars in the sky shed tears ... The roses on the ground have withered ... The cold wind blows... As long as you're with me..."

The nursery rhyme was continuously playing and Luo Zheng's eyes lit up, seemingly having been reminded of some memory. She remained silent for a long time.

Xi Mubai initially wanted to answer the call, but he noticed that there was something unusual about Luo Zheng's gaze.

Seeing that it was Mu Nianqing who had called, he was suddenly reminded of the person who saved his life in Pine Mountain one or two years ago, Luo Luo.

He didn't answer the call immediately.

It was as if something was bugging him.

For a long period of time, Luo Zheng stared at Xi Mubai until his mobile phone stopped ringing.

"This ringtone..."

"What about it?"

Xi Mubai asked eagerly as soon as she spoke.

Resentment grew within Luo Zheng's heart as her memories flooded her mind.

Her expression slowly became sullen and she blinked while smiling. "Nothing much, I just didn't expect your ringtone to be so childish, Senior Mubai!"

Xi Mubai listened and felt that Luo Zheng's answer was not what he wanted to hear. Hence, he somehow felt disappointed.

"Luo Zheng, even if my ringtone sounds childish to you, do you have... anything else to say?"

He asked solemnly.

"Anything else to say? Senior Mubai, I don't get what you mean."

Luo Zheng was filled with bewilderment.

As soon as he finished speaking, she turned around and continued, "I still have something on. I think you'd better return the call lest the caller gets anxious!"

Luo Zheng then scurried away like a butterfly that had spread its wings to leave.

Xi Mubai tried to sound her out. "Luo Luo!?"

Chapter 232: Xi Mubai, I Am Luo Luo, Xi Mubai Is Just An Imposter!

Luo Luo... Luo Luo... Luo Luo...

The simple words reminded her of plenty of memories.

Back then on Pine Mountain, maple leaves flew all over the sky and created an enchanting sight and a bed of flowers.

She heard that Xi Mubai had gone to the mountain to seek inspiration for his sketches. When she read the weather forecast, she realized that there would be a rainstorm in the afternoon and hence, got a little worried. She wanted to bring him an umbrella in hopes of getting closer to him.

However, the rain got heavier and it was said that a mudslide might happen in the evening.

Afraid that something would happen to him in the pitch darkness, she rolled down the mountains and almost fell to her death.

However, she found Xi Mubai who had been trapped there.

His leg was injured and his life was in danger.

She tried her best to save him. Knowing that he detested her, she decided to use the nickname "Luo Luo" instead of her real name.

"Xi Mubai, will you forget me?"

"Xi Mubai, I'm very lonely, don't forget me."

"Xi Mubai, I'll look for you, you must remember me!"

...

During the rainstorm, she put on a bittersweet smile while thinking about him.

She thought that Heaven had finally given her a chance.

Later on, the rescue team arrived and she hid in a corner like a little mermaid watching her prince leave.

Why didn't she show her face?

It was because she was aware that he particularly detested her and she was afraid of letting him know that she was the one who saved his life, lest he gets even more disgusted with her!

However, she gave him and herself a chance in the end.

He said that he would never forget Luo Luo and would accompany her in the future. He promised that he would definitely recognize Luo Luo!

Hence, when he regained his consciousness in the hospital and everyone proceeded to visit him, she happily headed to the florist and picked out some beautiful stalks of roses. She then carried them to the hospital hastily.

However, he went back on his words and failed to recognize her.

Filled with disgust, he exclaimed, "Luo Zheng, what are you doing here? Stop pestering me!"

After they reunited, those were the only words he said and ever since then, he simply walked past her.

She was utterly disappointed and had no choice, but to turn around and leave after leaving the roses behind.

Later on, she hid in a corner and watched her prince look for his benefactor, Luo Luo.

She thought to herself quietly, if he thinks Luo Luo is innocent, beautiful, kindhearted and nothing like me... I shall let him continue having that fantasy. I shall not let him know the truth, lest I ruin the impression he has!

The story should have come to an end here.

However, Mu Nianqing appeared and Xi Mubai fell in love with her!

She stayed in Beijing for Xi Mubai and agreed to let Mu Nianqing go to Britain in her place... they clearly agreed that Mu Nianqing would never return. Yet, she returned to Beijing a few years later.

Besides, she even contacted Xi Mubai again!

Luo Zheng then fell out with Mu Nianqing and she found out the truth... Not only did Mu Nianqing assume her identity and background, she even posed as Luo Luo and became Xi Mubai's benefactor!

"Luo Zheng, thank you for telling me how you managed to save him. I recited all the details and he believed me completely! Maybe, that's one of the reasons he fell in love with me. You're such a fool... You were clearly his savior and yet, you didn't make use of that fact. What should I say about you!?"

At that moment, her heart shattered and she was full of shock and hopelessness.

How could Mu Nianqing do that to her? I was willing to give her anything she wanted!

Yet, she assumed her identity as Luo Luo. That was the secret that Luo Zheng had been keeping in her heart, for it was her only memory with Xi Mubai!

She could not tolerate it at all. Hence, she looked for Xi Mubai and admitted that she was Luo Luo!

What did he reply in the end?

"Luo Zheng, do you know how disgusting you are? Nianqing has been praising you all the time and yet, you're criticizing her!"

"Luo Zheng, have I ever told you that being loved by someone like you, is not something I feel lucky about. I feel ashamed to be admired by you!"

"Luo Zheng, how shameless must one be to reach your level? Go to hell. I'll never love you in this life!"

...

However, the person who saved him really wasn't Mu Nianqing! It was her.

She then burst into tears and was filled with agony.

In the end, he said, "Luo Zheng, listen up. Let's put aside the fact that you posed as Nianqing. Even if you were the one who saved me, so what? I would rather die than be saved by you!"

Chapter 233: The Girl Hidden in My Heart

Memories flashed past her mind and everything seemed to have passed quickly.

Luo Zheng closed her eyes and clenched her fists in a bid to stop her emotions from pouring out.

All of a sudden, time seemed to have overlapped.

Xi Mubai slowly walked towards her and placed a hand on her shoulder. "Luo Zheng, are you... Luo Luo? Are you..."

It would only take a moment for her to admit.

Luo Zheng opened her eyes again and asked smilingly, "Luo Luo? Senior Mubai, are you... calling me? How are we related? We're not that close yet. Why are you addressing me using such an affectionate term?"

"I'm asking you, is your nickname Luo Luo?" Xi Mubai stared at her and questioned.

Although Mu Nianqing admitted that her nickname was Luo Luo, he was still feeling apprehensive... After all, Mu Nianqing had once been in a car accident and suffered from mild amnesia. Hence, she could not tell him the details of her rescuing him.

At that moment, he suddenly realized that Luo Zheng's surname was Luo.

He thought of all the people who could possibly be Luo Luo, except Luo Zheng.

Perhaps, it was because he absolutely detested Luo Zheng for being so man-obsessed and pestering him all the time... Hence, he subconsciously denied the possibility of Luo Luo being Luo Zheng!

Besides, if Luo Zheng was Luo Luo, the person who saved him... she would have used it as an excuse to get him to repay her kindness since she still loved him...

However, he somehow felt a strong desire for Luo Zheng to be Luo Luo!

Lately, Luo Zheng had been giving him the cold shoulder and was no longer in love or smitten with him as she was in the past... Besides, the dream that he had, had been bothering him for a long time and he could not stay calm at all.

The golden rays of sunlight were shrouding the both of them.

Luo Zheng's hair fluttered in the air and she suddenly smirked while staring at the anxious youth in front of her.

At the next moment, she shook her head and denied, "No, I don't have a nickname!"

"In that case, did you... go to Pine Mountain two years ago?" Xi Mubai asked, still carrying some hope.

Before he even realized, Luo Zheng's emotions had returned to normal. She tilted her head and said innocently, "Pine Mountain? I heard that it's a mountain for lovers. Unfortunately... I don't have a lover so I haven't been there before!"

Her answer was not the key to the question at all, and Xi Mubai was feeling absolutely confused.

“Senior Mubai, who’s Luo Luo? Is she that important to you? I got a great shock just now because I thought you were calling me!”

Luo Zheng acted as if she really had no idea what was going on.

All of a sudden, Xi Mubai slid his hands down her shoulders slowly in dejection.

Is she really not Luo Luo?

Well that makes sense. How can Luo Zheng be Luo Luo? It’s more likely that Mu Nianqing is Luo Luo!

“Luo Luo is important. She’s very important to me! She’s the girl who’s hidden in my heart and I’ve been trying to find her for a long time but, she... never once appeared!”

Although Xi Mubai was speaking to Luo Zheng, he seemed to be murmuring to himself too.

Luo Zheng smiled and remained still.

Never once appeared?

I’ve clearly been right in front of you since a long time ago, but... you just didn’t recognize me!

No, you even got the wrong person!

Xi Mubai slowly recovered from the shock and said, “Next week, Mr. and Mrs. Gu are throwing a lavish banquet to celebrate their 30th wedding anniversary. Luo Zheng, may I invite you to be my date?”

He initially planned to invite Mu Nianqing, but he happened to bump into Luo Zheng and things went out of his control... Without much consideration, he decided to invite Luo Zheng!

Chapter 234: Knocking Sense Into Xi Mubai

Date?

Luo Zheng frowned and wanted to turn him down without hesitation. “I...”

However, she stopped just as she blurted the words.

She had to attend the Gu Family’s banquet, but she initially wanted to turn down Xi Mubai’s offer for her to be his date... After all, he saw her as his enemy and she remembered how much he detested her.

If she remembered correctly, she met Mu Nianqing for the first time in her previous life, during the Gu Family’s banquet. Mu Tianwei was the one who introduced them to each other.

Not long after, Mu Tianwei married Zhao Manru and allowed Mu Nianqing to move into the Mu Family!

Well, her intentions were to deal with the Mu siblings and hence, there was no need to turn him down.

Xi Mubai and Mu Nianqing showing up at the same place together. Wonderful!

Mu Nianqing, my dear “Sister”, long time no see!

While thinking about it, Luo Zheng smiled and said joyously, “Sure, it’s surprising that you’ve invited me, Senior Mubai. I... am absolutely honored and pleased to go with you!”

She was looking forward to meeting Mu Nianqing together with Xi Mubai and she was immensely excited!

In her previous life, Mu Nianqing managed to defeat her simply because she was in love with Xi Mubai. He was also her greatest weakness... In this lifetime, she wanted to see if she would be able to beat Mu Nianqing.

“Senior Mubai, see you at the Gu Family’s banquet next week!”

The dismissal bell rang as soon as she finished speaking.

At the thought of Bo Hancheng being upstairs, Luo Zheng turned around and scurried upstairs happily.

At this moment, Xi Mubai stared at her slender back and realized that her slender figure was the same as that of Luo Luo who was drenched in the rain with him back then.

At this moment, he finally remembered an important point.

Her voice...

Compared to Mu Nianqing, Luo Zheng’s voice was closer to Luo Luo’s!

All of a sudden, he somehow felt an acute pain in his chest. Xi Mubai placed a hand on it and misery overwhelmed him.

“Luo Zheng... don’t leave...”

Even Xi Mubai had no idea what was going on.

He extended his arms and hugged her waist from behind. He then tightened his grip and said, “Luo Luo, you’re Luo Luo, aren’t you? Luo Zheng, you’re clearly Luo Luo!”

He looked broken and helpless while muttering to himself like a madman.

Luo Zheng’s body froze and a peculiar look formed in her eyes.

Before she could even think of an answer, he picked her up and turned her around, making her feel like she had fallen into a warm embrace.

“You’re angry because I failed to recognize you, right?”

Xi Mubai asked, seemingly having lost his rationality. He seemed to have lowered his pride and was trying to please her too.

Luo Zheng’s heart skipped a beat and it was as if her blood was surging through her veins.

After a few seconds, she smirked derisively.

Xi Mubai, is Luo Luo really that important to you? Is she so important that you’re willing to do anything for her, even if she’s me?

I only saved your life. Is it that unforgettable?

I had been chasing hard and wooing you for ten years but you could abandon me too. What's this small favor to you?

It's too late, Xi Mubai. It's all too late. We... are going to be separated because of the feud we had in the previous life!

Luo Zheng then pushed his chest with her hands, in a bid to break free from his embrace.

However, before she could even do so, he hugged her even more tightly to the point where she felt like she was almost going to suffocate... it was as if he would lose his precious gem once he let go!

Luo Zheng's patience began to grow thin after failing to break free.

Pak~

At the next moment, Luo Zheng slapped him tightly relentlessly.

At that instant, Xi Mubai snapped out of his trance.

"Senior Mubai, are you awake now?"

Xi Mubai shuddered and let Luo Zheng go.

Luo Zheng then placed her hand on her back to move his fingers away. With a smirk, she sneered, "Senior Mubai, why are you behaving like this for no reason? In the past, you used to shun me all the time and yet, you're pestering me now! Surely you couldn't have... really fallen for me?"

Luo Zheng's slap made Xi Mubai's chest hurt even more.

It was as if something deeply etched in his memories was making him feel absolutely vexed.

Was I... out of my mind? I actually hugged Luo Zheng!

Chapter 235: Brother Cheng, Don't Get The Wrong Idea

Maybe, he had really gone mad!

Xi Mubai smiled wryly and found it absurd that he had allowed a dream to constantly affect him.

Luo Zheng was bawling in agony in his dream.

However, in reality, Luo Zheng became distant and heartless.

If nothing changed and she was still in love with him, maybe... he wouldn't find it that strange!

If she were to slap him during normal circumstances, he would definitely find it to be an insult... Yet, during the two times that she had slapped him, he remained extremely calm and he even felt like it was as if he owed her something in his previous life!

If I'm not out of my mind, what else could it be!?!

Due to their height difference, he would be able to see Luo Zheng easily when he looks down and she looks up. He immediately found it to be rather interesting.

Luo Zheng did not break free from his embrace immediately. Instead, she raised her hand and pressed it on his forehead which had creased into a frown. "Senior Mubai, why do you look so miserable? Turns out you feel pain too!"

Xi Mubai, do you feel pain too?

However, the misery that you're feeling now is less than a thousandth of what I felt.

I wooed you devotedly for 10 years and ultimately got my wishes.

Do you know how delighted I was to don that wedding dress and marry you on the night of our wedding!?!

Yet, you made use of my love and destroyed the Luo Family in the end. You even chained me up and locked me in our matrimonial home like I was an animal.

For three whole days, you used your life as a threat and forced me to sign two agreements.

One was the divorce agreement and the other was the kidney transplant agreement!

It was because Mu Nianqing's body was feeble and she needed a kidney transplant. Since she was pregnant with your child, she needed a proper status... What about me then? Xi Mubai, what did you take me for!?!

Do you know how much pain, agony and despair I was in? Three short days felt like years to me and I was utterly dejected and hopeless.

No, you definitely have no idea. How could you have known!?!

Although my Mr. Bodyguard took revenge for me and killed the both of you... My hatred can never be abolished. In this life, I'm going to watch you two being miserable!

"Xi Mubai, remember this. Bear in mind that this... is only the beginning!"

Do you feel that miserable? What a joke!

I've yet to do anything and your pain hasn't begun yet. You're already finding it hard to tolerate? Brother Mubai, you've really disappointed me!

As soon as Luo Zheng finished speaking, she tried to move out of his embrace.

To his surprise, Xi Mubai frowned and held onto her waist tightly. "What do you mean? Luo Zheng, make yourself clear!"

At this moment, the sounds of footsteps shuffling could be heard coming from upstairs. Clearly, the arts lesson had just ended!

They were on the third floor where all students would definitely pass by. Everyone shrieked in horror when they walked past.

"Oh my god! Isn't that Senior Mubai? He's actually... hugging Luo Zheng!"

“Look how intimate they are. They’re obviously lovers! Could it be that Luo Zheng had really won Senior Mubai’s heart?”

“Tsk, tsk, Senior Mubai looks so prideful and he used to hate Luo Zheng! Now that Luo Zheng has become so pretty, he decided to give her a chance...”

...

Everyone began gossiping and their speculations became increasingly horrendous.

Luo Zheng frowned and she could not help but feel frustrated. She pushed Xi Mubai and said, “Senior Mubai, if you don’t let go, you’ll definitely be misunderstood and your reputation will be ruined!”

Xi Mubai glanced at Luo Zheng and realized that she seemed to be embarrassed about being embroiled in a knotty situation with him!

“Why?”

He could not help but ask.

Hasn’t she always wanted to be close to me? She’s been in love with me for so long and yet, she changed just like that!

“What do you mean why? Let go! If you still refuse to let go, I...”

“If you want to flirt with each other, go somewhere else. Don’t affect others here!”

Before Luo Zheng could even finish, she was interrupted by a cold and clear voice.

Luo Zheng immediately froze and her face grew sullen. She then turned to look in the direction of the sound.

She saw that a man was standing in the middle of a bunch of girls who were gawking at him in awe.

He was staring at her coldly with an icy cold gaze in his gloomy eyes.

Luo Zheng could tell that he was being aloof.

“F***!”

Luo Zheng cursed.

“Brother Cheng, it’s not what you think! Don’t get the wrong idea...”

Chapter 236: She Fell Straight Into His Arms!

Luo Zheng frantically explained and almost tugged her ears.

What a cliché. He always appears at such junctures. How accurate!

She initially wanted to clear the misunderstanding between them, not let the conflict become more intense!

Bo Hancheng glanced at Luo Zheng, more specifically, Xi Mubai’s hand that was placed affectionately on her waist.

He then listened to the students who were gossiping and discussing about Luo Zheng courting Xi Mubai in the past.

Hah, lovers?

Feeling disappointed, he turned around and headed downstairs.

Seeing this, Luo Zheng's pupils constricted and she tried to chase after him. "Brother Cheng... don't leave... wait for me..."

Xi Mubai was clear that Luo Zheng wanted to chase after Bo Hancheng and hence, refused to let her go.

"Xi Mubai, if you still refuse to let go, I'll bite you to death!"

Luo Zheng was infuriated.

At the next moment, she tried to push him away with all her might.

Xi Mubai began to feel a little distracted and he subconsciously let go of her before staggering backwards.

He then watched as she left him without turning back.

They were on the fourth floor and the stairwell wasn't too broad. Due to the fact that it was dismissal time, the students were crowding around the stairs.

Luo Zheng was trying to chase after Mr. Bodyguard and hence, nimbly made her way out of the crowd.

As soon as she arrived downstairs, she ran into a few girls who were linking arms and were obviously harboring animosity against Luo Zheng. They stood by the stairs to block her from going downstairs.

"Luo Zheng, you man-obsessed dimwit. You'd better wake up and stop pestering Teacher Bo!"

One of them said.

Luo Zheng squinted and looked down without giving any response.

Bo Hancheng then looked down.

"Bo Hancheng, you're not allowed to leave!" Luo Zheng exclaimed sternly.

Seeing that he did not stay, she extended her arm and supported herself against the stairs.

"Oh my god! Be careful..."

Everyone could not help but shriek.

One of them reminded her.

While listening, Bo Hancheng suddenly stopped and raised his head to look at her.

His eyes turned gloomy and his heart wrenched up.

Luo Zheng leaped over the railing and jumped onto him dauntlessly.

Bo Hancheng wanted to extend his arms to catch her but it was too late.

Luo Zheng was well aware that she would be alright after falling from such a height because she had a background in dance.

However, at the instant that she landed on the ground, she began quivering and tipped forward because of inertia.

“Brother Cheng... catch me...” Luo Zheng fell into his arms.

If he does not catch her, she would definitely roll down the stairs.

Fortunately, Bo Hancheng had already extended his arms and Luo Zheng fell into his embrace, after which the familiar scent of tobacco wafted up into his nose.

She was absolutely determined to take that leap of faith.

For a few seconds, Bo Hancheng found it surreal.

He only snapped back to reality after a while. She was still hugging his waist.

Everyone including Xi Mubai were shocked.

It turns out that she could be so passionate, enthusiastic and bold about the person she cares about... she used to treat me the same way that she treats Bo Hancheng now!

Needless to say, she must have been standing up to those hooligans for Bo Hancheng!

Should I be feeling fortunate... or unlucky to have gotten involved with such an extreme person?

For a long time, everyone stared at the tall and slender Bo Hancheng hugging Luo Zheng affectionately. They could not help but feel disappointed.

What could they do? They were green with envy!

“Brother Cheng, fortunately, you’re hugging me! Otherwise, I would have definitely fallen down the stairs and ended up in a terrible state! Brother Cheng, you’re really impressive. You’re so suave and domineering...”

Luo Zheng said, trying to curry favor with him. Her guilt began to fade while he stared at her with gloomy eyes.

Luo Zheng finally realized that there were plenty of people and hence, hurriedly tried to retreat and leave his arms.

Before she could even do so, he tightened his grip around her.

“Sister Zheng, are you trying to flee? What for? Don’t you like causing a scene? Let’s continue!”

Chapter 237: Jealous Mr. Bodyguard

Bo Hancheng chuckled and sounded extremely nonchalant.

Sister Zheng...

Luo Zheng's heart skipped a beat and she almost stopped smiling.

God knows how strange Luo Zheng felt whenever he addressed her in that way.

"Well, it's a little inappropriate for us to be hugging each other in public..."

Luo Zheng tried to explain while swallowing her saliva.

"Oh, so it's inappropriate to hug me." he said nonchalantly.

At the next moment, he suddenly leaned forward and pressed his face closer to hers before saying softly, "Yet, it's very appropriate to be flirting with him in public!"

"!!!"

Luo Zheng felt wronged and aggrieved.

How could she have been flirting with Xi Mubai?! She tried her best to think of a way to placate him.

To her surprise, he suddenly picked her up bridal style and swept her off her feet. Everyone watched in shock while he strode down the stairs while carrying her. Everyone broke into an uproar and began gossiping.

"Did my eyes play tricks on me? Mr. Bo is actually carrying Luo Zheng!"

"She must be thinking that she can seduce him just because she's pretty! How can someone like her be worthy of Mr. Bo?"

"Yeah, she's just gotten together with Senior Mubai and yet, she's now trying to make Mr. Bo hers! I didn't think she'd be so loose. I thought she was just man-obsessed."

...

"Have you had enough yet?" Xi Mubai interjected coldly.

He glowered at a few girls who were adding fuel to the fire and chastised coldly, "You guys are being so mean and gossiping about others behind their backs. Is this what you mean by self-love?"

Upon hearing his words, the girls looked at each other in shock and dismay.

After all, everyone knew how much Xi Mubai detested Luo Zheng... To their surprise, he actually stood up for Luo Zheng. Unbelievable!

After Xi Mubai finished speaking, he did not stop and instead headed downstairs to leave.

Soon, a few girls began to feel embarrassed and had no choice but to scurry away!

...

"Brother Cheng, you're attracting too much attention! Why don't you put me down..."

"Brother Cheng, you're a professor from Capital University! If others see us, you'll definitely be affected..."

“Brother Cheng, you’re leaving Capital University now right? Where are you taking me? Can we settle down and have a good chat...”

...

Along the way, Luo Zheng buried herself in Bo Hancheng’s arms and tried her best to talk to him.

However, he chose to ignore her.

Gradually, he hugged her and walked around the campus before arriving at the field. He then proceeded to advance towards a forest.

The forest was rather small and the students used it to stroll, have their meals and rest... Of course, the most important part was that they would have their dates there. It was love season for university students and hence, there would always be couples on campus.

“I didn’t know you were so considerate towards me, Sister Zheng.” He answered calmly after stepping into a small forest.

Luo Zheng’s heart skipped a beat and an ominous hunch overwhelmed her.

He then exclaimed, “If that’s the case, why do you bother letting me stay? Why did you jump off the building? My students have already seen everything they shouldn’t have, so don’t you think it’s too late to say this now, Sister Zheng!?!”

Damn it, how terrifying!

It was clearly a hot day in summer but a cold chill was sent down Luo Zheng’s spine and she broke out into cold sweat.

“Brother Cheng, I didn’t think about it, I didn’t mean it! Don’t be angry, okay?”

So what if she had to give in? It was Mr. Bodyguard and she didn’t find it shameful or embarrassing anyway!

“Sister Zheng, why did you apologize! How could I bear to be angry at you?” Bo Hancheng stopped suddenly and looked down at the girl.

Luo Zheng was speechless.

Mr. Bodyguard, are you sure you are not angry? Why are you acting so strangely then!?!

She thought about the scene just now and felt that it was only understandable for him to be angry. Hence, she explained obediently, “Brother Cheng, hear me out. There’s really nothing between me and Xi Mubai! Everything that you saw just now was really just an accident... Actually, he was the one who was pestering me! I hate him so much, how could I have been flirting with him... ”

“You hate him?”

She did not expect that he would focus on a different thing from her.

Turned her love into hate?

Ah, little imp, how dare she!

Chapter 238: I Can't Marry You

Luo Zheng choked and suddenly fell speechless. Is this the point?

Feeling anxious, Luo Zheng suddenly wanted to say something.

He immediately bent forward and let go, causing her to fall onto the ground.

"Brother Cheng..." Luo Zheng asked and watched as he squatted down.

He then placed his palm on her ankles gently and tried to caress her.

One of Luo Zheng's weaknesses was being ticklish. She could not help but retreat. "Brother Cheng... don't do that... I'm ticklish."

"Are you?"

Bo Hancheng repeated, glancing at her before asking, "Do you feel itchy? Do you need me to help you stop the itch?"

"What?"

Luo Zheng was still rather innocent and she widened her eyes in bewilderment, not knowing what he meant.

Staring at her eyes, Bo Hancheng felt that she seemed to be genuinely confused. Hence, he continued, "Does any part of your legs hurt? Try moving them and see if you sprained anything..."

"Sprained it? How could that be! Such a short height is peanuts for me! I'm not exaggerating. Even if it was twice the height, I would... still dare to jump."

Luo Zheng sounded full of confidence.

However, her voice began to grow weaker after seeing his gloomy expression.

"Go on, why did you stop?" At the next moment, the man smirked and questioned.

After ensuring that she was alright, he slowly stood up and forced a smile. Although he was still smiling, he did not seem to be smiling genuinely. "I didn't expect you to be so capable. Sister Zheng. I really feel ashamed! Why did you have to go to the extremes of jumping off the stairs? Since you're so capable, just jump off the building. What do you think, Sister Zheng?"

The thought of Luo Zheng jumping off the stairs made Bo Hancheng feel extremely displeased.

No one knew how tensed up he was at that moment. After all, the consequences would be dire if he could not catch her in time.

Luo Zheng was speechless.

However, she was not silly and hence smiled sincerely. "Brother Cheng, are you worried about me?"

"Yeah, I'm worried about you."

Surprisingly, he did not deny it and almost instantly admitted to it.

Luo Zheng frowned and thought, this is not Mr. Bodyguard's style!

Just like she had expected, he added, "If you break your leg and become disabled, how am I supposed to get intimate with you in the future? After all, you're my future partner in bed. I don't want to have you become disabled after I have wasted so much time waiting for you to grow up!"

Luo Zheng could tell that he was just being angry.

However, she still retorted softly, "Brother Cheng, you've got such a sharp tongue. Be careful, you may just end up with no wives"!

Bo Hancheng was clear about what she meant. He smiled and said, "How can that be? Aren't you Sister Zheng? If I can't find a wife, you'll marry me."

"No, I can't marry you!"

Luo Zheng immediately shook her head without hesitation.

In that instant, his eyes turned gloomy and it was as if he was about to lose his temper soon. "You can't marry me?"

The atmosphere turned dead silent.

Luo Zheng was a little surprised that that became the topic of their conversation. Feeling a headache, she said, "Brother Cheng, if you really need a wife, I can find one for you! But I definitely can't marry you..."

Bang!

As soon as she finished speaking, he continued to approach her, giving Luo Zheng a great shock.

There was a tree behind her and she suddenly hit the tree... At the same time, Bo Hancheng propped himself up against it with one arm. He then held her in his arms.

"Luo Zheng, I dare you to repeat this!"

Chapter 239: Bo Hancheng, Do You Love Me?

Bo Hancheng glanced at the girl beneath him and spoke coldly.

He was just saying those words casually.

Marry Luo Zheng? Impossible!

However, he did not expect her to be more against the idea than he was.

What does this mean?

She had always been trying to please me and even risked her life to take the "Blue Vixen" poison for me... could it be that she really does not want any returns for all that she had done for me?

He admitted that he had seen through humanity and he also believed that no one in this world would be so innocent and pure... To be exact, he felt that it was hard to predict one's mind!

People usually contribute with the intentions of gaining interests!

In that case, what are the interests... that Luo Zheng is looking for?

Luo Zheng frowned and began to feel a little confused because she could tell that he was really infuriated.

In her previous life, she spent 10 years wooing Xi Mubai and gave him all the love that she could afford to give, only to be put in a state of despair... Hence, in this lifetime, she decided not to fall in love with anyone, let alone get married.

Hence, she did not want to marry him and could not marry him... That applied to all men and not just Mr. Bodyguard!

As long as he does not develop feelings for her, history will not repeat itself and he wouldn't end up dying!

While thinking about it, Luo Zheng tugged his shirt and asked gently, "Brother Cheng, shall we not talk about that?"

She then added attentively, "I won't marry you or anyone else, Brother Cheng!"

What she meant was, she would not get married at all.

Bo Hancheng could not help but feel distracted as he thought about it.

It was not only confusing for her to say that since she was only a teenager, it was unbelievable!

All of a sudden, he smirked in a self-deprecating manner.

He then leaned forward and breathed into her ear.

"Sister Zheng, you may just say so if you think I'm inferior because of my background. What's the point of telling such a lie?"

Greatly stunned, Luo Zheng wondered, what is wrong with Mr. Bodyguard? We're not on the same page at all!

Before she could even finish speaking, he moved his hand away from her waist and said, "Forget it. That's not important. You're indeed not worthy Miss Luo! From now on, you don't have to look for me anymore unless you suffer a drug relapse!"

"!!!"

Luo Zheng could not understand what he was thinking at all.

He then turned around and tried to leave. She quickly extended her arms and hugged his waist. "Brother Cheng, I don't mind that you come from a lowly background, neither do I think that you're not worthy of me! You clearly know that's not what I meant..."

He is so perfect, kind and brilliant, like a shining star.

Yet, my heart is full of resentment and I was reborn from hell. I'm dark and twisted... He's my greatest source of warmth, obsession and weakness!

Bo Hancheng lowered his head and stared at her wrist before asking calmly, "So, what do you mean?"

"I..."

Luo Zheng was suddenly speechless and at a loss for answers.

Bo Hancheng reached out and tried to push Luo Zheng away. To his surprise, she suddenly let go and stopped hugging him.

His heart sank and he wondered, is she trying to give up?

However, at the next moment, she leaped in front of him like a genie and asked attentively, "Bo Hancheng, do you love me?"

Silence filled the air all of a sudden.

"The first rule of the Bo Family Rules, is that all male descendants must make an oath that he will never fall in love for the rest of his life! Those who defy the rules will lose all rights to becoming the president. For the rest of their lives, they would never fall in love, otherwise, they would go to hell!"

Recalling the oath that he had made at the Bo Family's ancestral hall when he was seven years old, Bo Hancheng pursed his lips and he said derisively, "Luo Zheng, you're thinking too highly of yourself!"

Luo Zheng panicked and was worried that he would say that he really did love her.

Upon hearing his words, her heart sank to rock bottom and she said, "Brother Cheng, you gave me a great shock. I don't see myself highly! I know better than anyone else that no one in this world will genuinely love me..."

Except your previous incarnation. So... you're very precious to me and I really want to cherish you!

At the thought of this, Luo Zheng smiled and murmured, "You don't have to worry, Brother Cheng. As long as I'm around, I'll definitely ensure that you have a safe and carefree life. In the future, I'll definitely help you find a wife who will give birth to a few adorable babies and give you a blissful life..."

Chapter 240: Untitled

Luo Zheng sounded so sincere that he could not help but feel a strange desire.

As soon as Bo Hancheng lowered his head, he saw his reflection in her pupil.

All of a sudden, he seemed to have gotten an illusion.

She seems to be reminiscing over someone vicariously through me?

The realization made him feel disappointed.

Luo Zheng, what secrets are you hiding!?!

At this moment, she smiled and continued, "I just thought about something. Since you don't love me, there'll only be one reason for you to want to marry me... Brother Cheng, you want my body, right?"

That was the only reasonable answer that she could come up with.

"If a couple doesn't get married for love, it must be for lust! I've already become your partner in bed so you don't have to exchange for it with marriage. Brother Cheng, I'll give it to you whenever you want. I mean it!"

As soon as Luo Zheng finished speaking, she blinked and her eyes seemed to be full of tears, tugging at his heartstrings.

In the beginning, the way she planned to repay him obviously did not include giving herself to him.

However, she grew disgusted with men because of her previous life and Bo Hancheng was the only one whom he did not despise... Hence, she felt that he was the best candidate she should approach to get intimate with.

Coincidentally, Mr. Bodyguard had the same desire as her and hence, they became each other's partner in bed!

Although she was kind of making use of him, women would always be at the losing end when it comes to sex.

Of course, she had her own bottom line. If Mr. Bodyguard wasn't single, she would definitely stay away from him... In the future, she would leave when he gets married and has children.

Bo Hancheng was filled with displeasure when he listened to her straightforward words.

He suddenly recalled the times when she pounced on him and tried to seduce him when they were in the hospital.

Clearly, she was underage and still innocent like a blank piece of paper. Yet, she's already so bold?

Even though she has already said that I'm the only person she's intimate with, how can I believe that?

Not to mention, he saw her hugging Xi Mubai on the third floor of the arts building.

The thought of her possibly having had intimate contact with other men before him, made him feel extremely displeased and disgruntled.

At this moment, Luo Zheng also thought about the matter that went on with Xi Mubai and explained solemnly, "Brother Cheng, there's something I must explain clearly to you! I called Xi Mubai's name during my drug addiction relapse but that definitely doesn't mean that I admire him! Don't be mistaken, I'm not interested in him at all..."

Bo Hancheng remained composed.

Does she really not care about him?

In that case, why don't I destroy the Xi Family in advance? I shall see if it bothers her!

“Brother Cheng, believe me, Xi Mubai means nothing to me! You’re a hundred times more important to me. No! A thousand more times...”

Luo Zheng continued to speak while he continued to ignore her.

Hey, little imp, you’re making it sound nicer than it is!

If she could hug Xi Mubai even though he didn’t mean anything to her... what about Mr. Bodyguard?

Has she ever been intimate with Mr. Bodyguard?

He was filled with anger and resentment.

Luo Zheng obviously had no idea and hence could only explain, “Brother Cheng... Xi Mubai... I...”

She paused right after, because he suddenly looked down and kissed her to stop her from talking, catching her completely off guard!
