

BO LOVE LIFE 251

Chapter 251: Gu Changye's Fiancee

Young Master? Hah, so it really is Gu Changye!

At this moment, two bodyguards suddenly appeared and were about to drag Luo Zheng away.

Luo Zheng was just about to speak when a female voice barked from behind, "What are you people doing!?!"

"Miss Sumei... "

The maid immediately bent forward and greeted her politely.

Upon hearing those words, Luo Zheng felt a little stunned, after which she smirked derisively.

Qi Sumei was Gu Changye's fiancee and a pampered girl.

She was elegant and lofty, like plum trees in winter.

Gu Changye's sexual impotency was his greatest disability, but he had always been formidable to others... except the woman he loved, whom he felt inferior to.

The two of them were childhood sweethearts and a match made in Heaven.

Who would have known that Gu Changye would get into such an accident. Qi Sumei was extremely kind and she never once broke her engagement with him because of that... However, she did not love Gu Changye. That was a cruel fact. Well, no one would love a "eunuch"!

While Gu Changye felt inferior, he wanted to attract Qi Sumei's attention. Hence he kept changing his lover, and gradually became more and more extreme.

Luo Zheng had once served Gu Changye on Xi Qianqian's behalf and was even tortured badly because of Qi Sumei!

While she was thinking about it, the woman walked towards her and said, "Is this the new girl he likes?"

The maid froze and continued respectfully, "Miss Sumei, she's just a plaything. Don't bother about her."

Everyone knew that Sumei was the only one Gu Changye cared about even though he often changed his lovers!

Qi Sumei was actually not pretty but she had a good aura.

At this moment, she glanced at Luo Zheng.

Under the moonlight, the young Luo Zheng looked extremely beautiful and her red dress was like a fire. She was so gorgeous that nothing seemed to be able to rival her.

"Good, I was just about to look for Changye. I'll bring her along with me. You guys may leave..."

Qi Sumei raised her hand and brought the maids down.

The maid hesitated and did not dare to turn Qi Sumei down. Instead, she quietly retreated with the bodyguard.

All of a sudden, Luo Zheng and Qi Sumei were the only ones left. She walked towards the front and said, "Girl, follow me."

Girl?

Luo Zheng found it amusing but she did not answer and instead, followed her quietly.

Who would have thought?

Gu Changye was just a devil who tortured a different person each day, but there was someone he truly loved!

Seeing that they were reaching the rooms soon, Qi Sumei suddenly asked, "Girl, are you... unwilling to serve Changye?"

"Of course not! It'd be my pleasure to serve him!"

Luo Zheng hung her head low and put on a different attitude.

While listening, a look of disdain formed in Qi Sumei's eyes and she said, "You don't understand Changye. I'm afraid your mindset is too simple! If you're short of money, I can help you. You really don't have to taint yourself for the sake of some money..."

Oh wow!

Had she not known Qi Sumei's true colors, Luo Zheng would have almost believed that she was kindhearted!

Unfortunately, Luo Zheng knew exactly what she was like!

"Miss Sumei, are you getting jealous? Well, you're Young Master's fiancée after all!" Luo Zheng said that on purpose, but she was well aware that it was impossible.

A look of disdain formed on Qi Sumei's face and she decided not to explain any further. "Everyone is entitled to their own opinion. Since you're so stubborn, go ahead! However, Changye is very hot-tempered! At the very least, you'll be injured, but the more serious consequences will cost you your life. This is my last reminder..."

The two of them had already arrived at the door while they were talking.

Qi Sumei glared at Luo Zheng, only to see that the latter was smiling instead of backing out.

She sneered and thought, what a dauntless little b*tch!

The maid stood at the door.

She bent forward and said to Qi Sumei, "Miss Sumei, Young Master is waiting for you."

She then glanced at Luo Zheng coldly and took out a white handkerchief which she then tied around Luo Zheng's eyes.

Luo Zheng did not turn her down and instead smirked.

Tsk, tsk, Gu Changye's fetishes are still the same!

Due to the fact that Luo Zheng was blindfolded, she had to hold onto the maid's hand and followed her closely.

The sounds of water flowing could be heard when she opened the door and entered.

Luo Zheng was not unfamiliar with the place and knew that there was a natural hot spring in the middle. The maid was in charge of bringing her to the location, after which she made her stop there.

"Sumei, what took you so long?"

She was greeted with the sight of a slender figure in the hot spring and a handsome face.

Chapter 252: Her Eyes Are So Beautiful

He ignored Luo Zheng and kept his brown eyes fixed on Qi Sumei affectionately.

Qi Sumei was dressed in a lotus-root-colored dress and was standing quietly with her finger pointed at Luo Zheng. "Ye, I bumped into your new lover outside. I guess you won't need me since you have her company now..."

She then turned around and left.

Gu Changye's face grew sullen and he asked, "What's the matter? Did she have the audacity to provoke you?"

He then turned to glance at Luo Zheng who was dressed in a fiery red dress.

All of a sudden, Gu Changye swam towards the edge of the pool and reached his arm out to grab Luo Zheng's slender ankle which he then pulled backwards forcefully.

Ploop

Luo Zheng was completely caught off guard and she stumbled backwards, falling into the hot spring pool.

At the instant that she was submerged in the water, she thought to herself in anger,

Gu Changye, you really haven't changed at all. Just like in the previous life, you don't know how to... treat women well at all!

Coughs

Luo Zheng struggled and finally managed to gain some balance when she was in the pool.

Unfortunately, she had choked on the water and was coughing continuously.

Luo Zheng was blindfolded and could not help but feel irritated. She had a strong urge to remove it.

However, to her surprise, she touched another arm which removed the handkerchief that was used to blindfold her.

At the next instant, Luo Zheng slowly opened her eyes and exchanged glances with a pair of light brown eyes which was full of menace and viciousness.

Hi, Gu Changye, it's... been a long time since we last met!

"Your eyes are so beautiful!"

That was Gu Changye's first impression of Luo Zheng.

Luo Zheng almost rolled her eyes because the way he behaved was exactly the same!

...

In her previous life, the Xi Family had gone bankrupt and wanted to get some help from the Gu Family.

However, Gu Changye raised a request and that was to let him bed Xi Qianqian and toy with her until he got sick of her!

Xi Qianqian refused to give in and was so traumatized that she had to be hospitalized. Xi Mubai doted on his younger sister dearly and hence refused to give in.

Luo Zheng loved Xi Mubai and did not want him to be caught in the difficult situation.

On that night, she stopped Gu Changye's car from advancing forward by falling in front of him.

She still remembered him getting out of the car slowly under the pouring rain, after which he glanced down at her. "Miss Luo, you want to replace Xi Qianqian and allow me to toy with you? How noble!"

That was the first time she met Gu Changye who was really handsome and unlike a terrifying devil.

Before he left, he said,

"Miss Luo, your eyes are really beautiful, like a baby! In the future, I'll definitely treasure them if I accidentally gouge them out."

...

Luo Zheng stared at Gu Changye while memories of the past flashed through her mind.

Thinking about everything that happened, she could not help but sigh.

Gu Changye was just like her. They were both equally pitiful, for they were living in major lies!

The Xi Family had no idea that Gu Changye wanted Xi Qianqian only because... Xi Qianqian had once offended Qi Sumei and hence, he wanted to torture Xi Qianqian to stand up for her.

Qi Sumei was like a goddess and a beloved gem to him... Unfortunately, it was all a lie because Qi Sumei was not actually kind, pure or nice at all.

Luo Zheng somehow sympathised with Gu Changye.

At this moment, Gu Changye looked away and smiled at Qi Sumei, his lips pressed together sinisterly.

"Mei, what do you say? Her eyes are so beautiful, why don't... I gouge them out and gift them to you?"

Luo Zheng immediately froze and cussed in her heart.

Still so perverted!

Qi Sumei turned pale and took a step back. "Ye, could you not be like this? She's your lover, not your toy. You must treat her kindly."

Luo Zheng was amused by her words. How kind of Miss Sumei!

Despite being his fiancée, she was not jealous at all and even spared a thought for her fiancé's lover!

Qi Sumei then turned around in a bid to leave. "If there's nothing else, I'll take my leave now. The banquet is about to begin soon. I still have to help Uncle and Auntie attend to the guests. Hurry up and finish your business so that you can take over... "

Chapter 253: Your Fiancee Tampered with Your Medicine

After saying her piece, Qi Sumei left swiftly.

Luo Zheng was left staring at him.

The two of them were standing extremely close to each other in the pool, so much that they could almost hear each other's heartbeat.

Bo Hancheng was the person whom Luo Zheng relied on the most while Gu Changye was the one whom she undoubtedly feared the most!

In reality, Luo Zheng could not understand his thought process and what he felt about Qi Sumei.

They were clearly childhood sweethearts who got engaged when they were younger. He was devoted to her... and felt inferior even after he got into an accident.

Yet, he actually tried to get her attention by continuously changing his lover!

He even acted intimately with other women in front of Qi Sumei.

How could a normal woman accept that? What more to fall in love with him!

In all, Gu Changye was a weirdo!

Luo Zheng cursed in her head and he suddenly leaned forward with his lips pursed. "Miss Luo, you're really brazen!"

Luo Zheng's reaction was unusually calm.

He immediately developed an interest and gripped her chin with his slender fingers. "Aren't you curious about how you got here?"

He pinched her chin while she froze, as if she had been targeted by a venomous snake.

Fortunately, she knew Gu Changye rather well.

At the next moment, she smiled and exclaimed, "I'm curious, of course! Young Master, why am I here?"

"Hah, interesting." Gu Changye chuckled while answering.

In terms of appearance, he was not as gentle-looking as the refined Xi Mubai, or as majestic as Bo Hancheng. Although his features were exquisite... His smile was extremely hair-raising and he resembled a devil, perhaps because he had a twisted mind.

His long and narrow, honey-colored eyes were his only unique feature. They seemed misty and ruthless.

At this moment, he was scrutinizing Luo Zheng sinisterly. Due to the fact that her clothes were wet, they were hugging her skin tightly and revealing the contours of her body.

Luo Zheng's face was puerile and her long hair was cascading down her back. Her porcelain skin was also extremely alluring and she was just like a charming vixen!

Luo Zheng felt extremely exposed because of his intense gaze.

However, she was really not in the least bit worried at all.

It was because she knew clearly that Gu Changye... was sexually impotent!

"It doesn't matter why you're here." Gu Changye said nonchalantly and ambiguously.

At the next second, he let go of Luo Zheng and walked out of the hot spring.

As soon as he did, he revealed his slender body that was clad in nothing but a pair of swimming trunks... From behind, his broad shoulders could be seen clearly, accentuating his narrow torso. His legs were also long and shapely, and he had a model-like figure.

It was a huge pity. Even Luo Zheng felt sad for him.

Such a wonderful man turned out to be sexually impotent!

Seemingly having sensed that she was staring at him, Gu Changye put on a dark purple robe and took a seat in front slowly while lighting up a cigar.

He then glanced at Luo Zheng again like an emperor.

"Most importantly, you were sold here to be my toy, Miss Luo! I want to watch you perform a striptease now..."

F***, he really only makes perverted requests!

Luo Zheng frowned and got out of the hot spring too. "I'm not here to be your toy! Gu Changye, I have a deal to discuss with you..."

"We can talk about that after you strip."

Gu Changye flicked his cigar against the ashtray and spoke nonchalantly.

Luo Zheng began to suspect if she had made the wrong decision to look for Gu Changye.

However, there was no turning back now. "You'll definitely be interested in this deal!"

Gu Changye glanced at her with dismay and said, "How boring. I want to watch a striptease. It's such a simple thing and yet, you're wasting so much time! In that case, why don't you pick a man and get intimate with him in front of me?"

At the same time, he stood up slowly and said, "Although I don't know what kind of man you like, it doesn't matter. I have plenty of subordinates and it's up to you to choose..."

"If I said that your fiancée Qi Sumei, whom you're deeply in love with, has been tampering with your medicine and causing you to have erectile dysfunction, would you be interested in the deal?"

Chapter 254: Gu Changye Strangles Her: How Dare You Defame My Wife?

Live show?

Damn it. I may want to experience what sex is like, but Mr. Bodyguard will be my only choice... Besides, Mr. Bodyguard thinks I'm still young and strictly insists that he'll only get intimate with me after I turn legal!

Who does Gu Changye think he is? First he asked for a striptease and next, he suggested a live sex show!

Luo Zheng was still thinking about how she should discuss the deal with him.

To her surprise, he didn't give her a chance at all. She had no choice but to take a deep breath and cut straight to the chase!

Silence then filled the air.

She could see that his eyes were slowly becoming gloomy and menacing, after which he questioned, "Hah, what did you just say?"

Luo Zheng's heart almost jumped out of her chest and she felt like he was staring at her like she was dead to him.

She carefully swallowed some saliva and tried her best to stay calm. "I said, Qi Sumei..."

Bang!

As soon as she spoke, Gu Changye picked up the ashtray and smashed it forward with all his might.

In an instant, the ashtray whistled past Luo Zheng's ear while stirring up a strong gust of wind.

Then, it fell heavily on the ground with a deafening noise.

Had the ashtray really hit Luo Zheng's head, it would probably be fatal!

Luo Zheng held her breath and turned pale, almost retreating uncontrollably.

At this moment, Gu Changye stood up slowly and said with a cold and sinister smile, "I didn't hear what you said just now. Will you repeat it again?"

Damn it, why would I dare to repeat myself when he's acting like this!?

However, Luo Zheng knew that her fate was tied to this decision and she could not back out.

She knew that Qi Sumei was like a religion to Gu Changye, just like how she was to Mr. Bodyguard in her previous life... Hence, she was undoubtedly defaming his life when she accused Qi Sumei!

It was only normal for him not to believe her. No one wants to believe the truth, because the truth... is usually cruel!

“I said that your fiancée is tampering with your medicine...”

Before Luo Zheng could even finish,

Gu Changye strangled her neck and tightened his grip slowly. “How dare you defame my wife!?!”

If Luo Zheng was telling the truth, wouldn't that mean... that Qi Sumei was ruining his life!?!

Being sexually impotent meant that he was just like an eunuch... no one knew how great of an impact those rumors had on his dignity and pride!

Unfortunately, it was an indisputable truth.

Qi Sumei, the woman whom he had loved since a young age, should be the one he grows old with.

However, destiny played a trick on him and caused him to develop an inferiority complex that would show when he was in front of her. He was afraid of tarring her clean body... he was well aware that he ought to call off the engagement, but could not bear to do so. Hence, he had no choice, but to continue holding onto her!

Luo Zheng was courting death by touching his weakness again and again!

Luo Zheng was well aware that Gu Changye was emotionally unstable, but she would be at a huge loss if he were to strangle her to death!

“Gu Changye... you're a coward... who doesn't have the guts to face reality...” Luo Zheng struggled to speak with contempt.

“Luo Zheng, you're courting death!” Gu Changye strangled her tightly and watched her turn pale before getting flushed, and then pale again. She almost lost all signs of life.

However, she was still smiling widely despite being on the brink of death.

It was as if she was trying to prove that she was not defaming his fiancée... but was in fact telling him the truth!

In the end, Gu Changye flung her onto the ground forcefully...

Chapter 255: Your Fiancée Is Noble and Dignified By Day, But At Night ...

Coughs

Luo Zheng fell onto the ground in a disheveled manner and she clutched her chest while coughing violently and gasping for fresh air.

Sensing that an icy cold gaze was fixed on her head, Luo Zheng chuckled. “Hah...”

Gu Changye clenched his fists tightly and the sounds of his knuckles cracking could be heard. “What are you laughing for!?!”

“I’m laughing because I find you pitiful. Gu Changye, to me, you’re just a pathetic loser!”

Luo Zheng was well aware that Qi Sumei mattered greatly to Gu Changye.

Hence, he would never believe her words at all... the only solution would be to agitate him so as to get herself out of the knotty situation!

“Luo Zheng, do you think... I’ll believe you?” Gu Changye sounded menacing and ruthless.

“Of course you don’t believe me! Nonetheless, I’m telling the truth...”

Despite being afraid of him, Luo Zheng still propped herself up and stubbornly maintained eye contact with him.

All of a sudden, silence filled the air.

Luo Zheng turned as pale as a sheet but she was still smiling and speaking in a tender voice.

However, her words were like daggers that pierced Gu Changye’s heart.

“Why? You can’t stand it already? In that case, I don’t mind telling you one more thing. Your fiancée, whom you treasure greatly, is noble and dignified during the day, and turns a blind eye to your actions. By night, she’s a promiscuous and randy woman who beds Second Young Master Gu, your younger brother! The two of them often go to bed and make love with each other...”

“Luo Zheng, how dare you?!?”

Gu Changye could not bear to hear anymore. He leaned forward and grabbed Luo Zheng before dragging her into the hot spring.

Bang!

Water splashed up at the instant that Luo Zheng fell into the hot spring.

Despite knowing from the start that she would be dancing with the devil by making a deal with Gu Changye, she was still feeling incredibly frustrated and she felt an urge to back out!

Gu Changye stepped into the pool and strangled her.

He then pulled her out of the water.

Luo Zheng felt terrible but before she could even react, he once again grabbed her and pressed her down forcefully, as if he was trying to drown her!

At the same time, he questioned sinisterly, “Luo Zheng, do you want me to strangle you to death, or... drown you to death?”

He then grabbed her by her hair and forced her to look up at him. “Or would you like me to cut your tongue off?”

At this moment, Luo Zheng thought, fate really plays tricks on me!

She already knew that he was paranoid and maniacal, and hence did not want to be close to him for she might lose his life at any time.

She knew that she was terrified of Gu Changye and that Mr. Bodyguard would never be so extreme and horrifying!

She swore that at some point, she would definitely ignore Gu Changye and stay away from him!

Luo Zheng's body was feeble because of the drug.

She might even get a relapse in these two days.

Hence, Luo Zheng turned as pale as a sheet and was incredibly weak.

However, she still forced herself to put on a cold and mirthless smile. "Gu Changye, how capable do you think you are? What's the point of torturing me? If you don't believe me, you can investigate. I think... don't you have plenty of ways to find out whether I'm telling lies or not?"

She then raised her slender arm and placed her palm on his chest. "Or, are you afraid Gu Changye? Look, your heartbeat is telling me that you believe what I said... "

Chapter 256: Death vs Survival

Gu Changye looked at her porcelain hand that was pressed against his chest. He could feel the warmth of her hand even though he was wearing a bathrobe.

He suddenly grabbed her swan-like neck and raised her chin with his other hand. "Luo Zheng, I want you to tell me that everything you said just now isn't true!"

Seemingly not at all bothered by the fact that her life was in his hands, Luo Zheng looked at him with a smirk and taunted, "Hah, are you trying to deceive yourself? Tsk, tsk, turns out the head of the Gu Family... is so weak!"

As soon as Luo Zheng finished speaking, he tightened his grip, unable to contain his anger.

However, his grip on her neck weakened slightly. Clearly... he was still hesitant and unsure on whether he should believe her!

Luo Zheng could sense that his hand was trembling and he seemed to be getting a grip on his menace.

Gu Changye seemed to be exuding a gloomy aura that was slowly consuming the light.

Extreme people had to be dealt with using extreme methods!

Luo Zheng still knew him rather well. However, she still wanted to add fuel to the fire at this moment. "Not only is Qi Sumei betraying you together with your wonderful brother. Your great parents are too! Young Master, do you really have no interest... in continuing to hear me out?"

Upon hearing her words, he suddenly lowered his head and stared at her while she smiled.

One minute, two minutes, three minutes ... Finally, after some time, the two of them remained at a standstill!

Gu Changye was like a hungry wolf that was staring at Luo Zheng with a crimson, bloodthirsty gaze.

Luo Zheng could feel that he was once again tightening his grip on her neck and he seemed to really want to strangle her to death!

Just as she was about to pass out, he said, "Go on."

Finally, Gu Changye broke his silence, clearly trying to control himself.

Luo Zheng suddenly felt relieved.

Damn it, I almost made a wrong move and died of shock. Fortunately... I still won the bet!

"I said that I wanted to make a deal with you. Can I take it that the bargain has been struck?" Luo Zheng blinked in a cunning manner.

Upon hearing her words, Gu Changye curbed his urge to kill her and let go of her neck.

At the next moment, he pressed his hand on her waist and pushed her forward.

Bang!

Luo Zheng was caught off guard and her chest hit the edge of the hot spring, causing her to feel an excruciating pain. She could not help but gasp and seethe in pain!

Almost at the same time, he pressed his slender body against her and whispered into her ear, "Miss Luo, you are a little smart, but ... don't be a smart aleck! Hah, do you really think... I won't kill you?"

The danger in his tone was clear.

Any ordinary person would cave in out of fear!

However, Luo Zheng's agenda for risking her life was to strike a deal with him.

If she were to give up now, all her efforts would have gone in vain!

Bearing with the pain, Luo Zheng cocked her head towards the side and almost kissed his lips. "If you wanted to kill me, you would have done so earlier. Why would you waste so much time? Gu Changye, I only have one question for you. Are you... going to take up this offer or not?"

After staying silent for a moment, his breathing became heavier and he began to feel incredibly frustrated as his urge to kill became stronger.

"Gu Changye, are you often unable to control your emotions? The doctor has diagnosed this as being impetuous. And... you tend to feel the urge to self-harm sometimes. Ouch! It hurts..."

Ka-cha...

Before Luo Zheng could even finish, she shrieked in pain because he had twisted her arm and dislocated it!

Chapter 257: Father and Daughter Killing Each Other, What A... Wonderful Show!

"What else do you know? Speak!" The temperamental Gu Changye was utterly shocked, which was rather rare.

It was because the things that Luo Zheng mentioned were little-known secrets of his!

He could still tolerate Luo Zheng beforehand because he believed her words a little... but at this moment, he almost trusted her completely!

Luo Zheng turned as pale as a sheet and the pain of her dislocated arm made her break out in cold sweat.

"I've just dislocated your arm. If you dare to provoke me again, I'll disable your arm!" His cold words were still ringing in her ears.

Luo Zheng bit her lower lip which was bleeding slightly and continued to press on. "Young Master, there are rules and regulations, and even more so when it comes to transactions. We have to obey the rules! Since you want to know the truth, you must give me some benefits..."

"Good, very good! I'd like to know, what do you want, Miss Luo?" Gu Changye almost ruined her, for his patience was growing thin.

"I know that Mu Tianwei's company is relying on you and he has become a minor shareholder of the Gu Family! His illegitimate son, Mu Sen, is now your subordinate... I'm not asking for much. I just want you to hand over the Mu Family's shares and... Mu Sen's destiny!"

Luo Zheng stated her agenda calmly while trying to bear with the pain of her dislocated wrist.

Upon hearing her words, Gu Changye's amber eyes turned gloomy and he sneered, "Mu Tianwei is your father and yet, you're turning your back on him like this. Interesting!"

"Father? Haven't I become your plaything because of my wonderful father?" Luo Zheng smirked and sneered fearlessly.

"Father and daughter turning their backs against each other. What an... interesting and exciting show!" He whispered into her ear, not expecting her to have guessed that.

In response, Luo Zheng squinted and said nonchalantly, "That's at least better than Mr. and Mrs. Gu. Even a monster would not hurt its own children. Yet... my Young Master Gu seems to have been kept in the dark! After comparing our situations, your's seems far worse than mine..."

"Luo Zheng..."

"Shh, hear me out!"

Gu Changye's narrow eyes turned a little gloomy and he seemed to be questioning her again.

Suddenly, Luo Zheng turned around and used her intact hand to cover his thin lips... she then raised her hand to hook his neck and pull him towards herself. She then tiptoed and whispered into his ear.

Gu Changye didn't expect Luo Zheng to behave that way all of a sudden, but he found her aura to be clean, fragrant, pure, and breathtaking.

Gu Changye was again astonished because he realized that he didn't actually detest her.

Ever since the accident, he had never had any sexual desires towards women, and only enjoyed the thrill of torturing and abusing them to no end!

It was the same even in front of Qi Sumei.

Gu Changye was suddenly distracted and he wanted to find out the reason.

At this moment, Luo Zheng suddenly whispered an astonishing secret in his ear... Instantly, he felt nothing but a strong urge to destroy something!

“Luo Zheng, do you understand... what you just said?”

Gu Changye seemed to have suffered a huge blow as he was exuding a menacing aura and seemed like he was on the verge of going on a rampage!

“I know, of course I know, so... compared to me, aren't you worse off? Gu Changye, you're really pitiful!” Luo Zheng chuckled after answering nonchalantly.

Only then would he flare up and as a result trust her, thus allowing her to leave safely!

“F***! Gu Changye... you're a damned lunatic... hurry up and let go of me... “

Chapter 258: The Madman's Secret

However, at the next moment, Luo Zheng frowned and cursed as she was overwhelmed with a sudden, excruciating pain.

It was because Gu Changye suddenly lowered his head and bit her collarbone. Clearly, he still regarded her as a tool for him to vent his frustration on.

He only stopped when he was about to bite off a piece of flesh.

Tick-tock...

Blood began to drip from Luo Zheng's collarbones and accumulated in the hot spring, forming a trail of blood that was somehow beautiful.

“I'm a madman. Since you've found out about my secret, have you ever thought of... the consequences?” Gu Changye laughed because he knew the cruel truth.

His lips were stained with Luo Zheng's blood but he was not eager to wipe it off. Instead, he licked the blood and swallowed it to have a taste of it.

Seeing this, Luo Zheng quivered as if she were in an ice cellar.

She could not help but wonder.

What are the limits of one's tolerance? If I tell him everything that I know, will he be agitated to the extent of losing his mind?

She almost suffocated at the thought of the hidden meanings in his words.

Yeah, he was Gu Changye, the person whom she feared the most. Since she knew so many of his secrets, would he actually... kill her?

Ka-cha...

At this very moment, Luo Zheng heard the sounds of her bones cracking and she grimaced again.

Gu Changye had picked up her dislocated wrist and put it back in place unexpectedly. He was fast, accurate and ruthless!

At the next moment, he pinned her down beneath him and pressed her against the edge of the hot spring. He said sinisterly, "Luo Zheng, Miss Luo, you'd better pray that you're not telling lies! Otherwise, you will not only die, you will also... have an incomplete corpse!"

Clearly, Gu Changye had accepted the truth within a short period of time.

Or perhaps, he did not accept the truth and refused to believe that Luo Zheng was telling the truth!

He then pushed her away.

As expected, Luo Zheng fell into the water again.

She finally swam back to the edge of the pool and rested her head beside it as she adjusted her emotions.

Stroking her neck and her bleeding collarbone, Luo Zheng gazed at his slender back before saying with a smile, "Young Master, shall I come up with a suggestion for you? This matter is really very simple. You can get someone to check Miss Sumei's body..."

His back froze and he clenched his fists tightly.

Since she had already suffered the heavy consequences just now, Luo Zheng decided to go all out dauntlessly. "After all, you guys are childhood sweethearts who got engaged when you were younger. She never had another man! In that case, she should still be chaste, shouldn't she?"

"Luo Zheng, get lost!" Gu Changye did not turn around and simply said those words coldly.

Luo Zheng seethed in annoyance and stuck her tongue out while grimacing.

Damn it, you just want me to leave, don't you?

Sure, I'll leave. Why doesn't he think about how perverted he is? Who would want to stay with him!?!

While she was thinking about it, he suddenly turned around.

Luo Zheng's grimace froze.

Gu Changye's amber eyes turned gloomy while gazing at the pure and sultry Luo Zheng who was as beautiful as a vixen.

He then thought about his own health issues.

In the end, he ignored Luo Zheng and turned around to leave.

Sumei, Brother, Father, Mother.

What she said better not be true. Otherwise... I'll make your life a living hell!

...

Chapter 259: Miss Luo, Young Master Is So... Gentle With You!

“Hey, Young Master Gu, remember to engage someone you trust to investigate the matter! After all, the Gu Family is wealthy and it’d definitely be easy for them to bribe others. I doubt there are many who are genuinely loyal to you!”

Luo Zheng reminded him smilingly.

Just as she expected, his body stiffened again and he once again exuded an icy, cold aura.

Although it was Gu Changye’s territory, most of the servants there had been bribed a long time ago... Hence, the snitches would probably leak the information about him intending to conduct an investigation, before he even gets to it!

At this time, Luo Zheng felt an unbearable pain in her collarbone and she added, “Well, I’m still drenched in water and I need a new evening dress! I also need a first aid kit. You bit my neck and it’s still bleeding...”

Gu Changye had already left while they were speaking.

Bang!

Hence, Luo Zheng was greeted with the sounds of the door being slammed shut.

So, what is this?

Luo Zheng frowned and climbed out of the hot spring pool, before laying on the ground to get a grip on her emotions.

Fortunately, the door was opened again after less than ten minutes.

The maid was carrying a few evening gowns while the family doctor followed after. They then stopped in front of Luo Zheng.

Luo Zheng picked out an evening gown at random and asked the doctor to bandage the wound on her collarbone.

Although she seemed to be in a pathetic state, her behavior was bewildering.

“Miss Luo, are you only bleeding on your collarbone? Do you need some bandages on other parts of your body...”

The maid tried to ask but she sounded rather firm and sure that there were other injuries on Luo Zheng’s body.

Luo Zheng roughly knew what she was thinking. She waved and said, “No, I’m fine.”

“Miss Luo, Young Master... is so gentle with you!” The maid blurted out sincerely.

She didn’t expect Gu Changye to be so gentle with his new lover!

In the past, he would torture all of his former lovers, causing their bodies to be scarred... Even then, he never once cared about them or got the family doctor to treat their wounds.

Yet, as soon as Gu Changye exited, he got them to send some evening gowns to Luo Zheng and even instructed them to bring a family doctor. Hence, they almost thought that she would be in a terrible state!

No, the reality was the complete opposite.

Hence, that proved that... Gu Changye was extremely satisfied with the new lover!

Luo Zheng choked and smiled awkwardly. "Heh, he's alright! He's fine..."

Yeah, he was so nice to me that I almost died!

Of course, compared to the previous life, he really is much gentler!

Gazing at her wrist which was previously dislocated, Luo Zheng moved it carefully and realized that she could still use it normally, though it was slightly swollen.

He's so perverted that he knows how to dislocate bones and fix them back again. It's a pity he isn't a doctor!

After getting her wound cleaned and putting on her new dress, she put on some light makeup.

The marks on her neck were extremely obvious. Luo Zheng hesitated for a few seconds, and had no choice but to tie a white silk handkerchief around her neck to cover them.

Silk handkerchiefs were one of Gu Changye's quirks. Whenever he had a new lover, he would make them wear a white, silk handkerchief as a blindfold for their eyes, which he would then remove.

When leaving Gu Changye's residence and returning to the main hall, the same maid who ushered her just now, showed her the way.

She glanced at Luo Zheng in disdain and said, "Miss Luo, I kindly remind you, don't think that Young Master really likes you just because he's kind to you! In his heart, Miss Sumei will always be first. Other women are nothing but playthings!"

Luo Zheng first laughed without speaking, and followed her nonchalantly.

It wasn't until the maid was about to retreat around the main hall that she slowly answered, "She used to be so."

"What?" The maid was confused by her sudden words.

Luo Zheng stroked her nails and looked at the maid once more. "Well, I shall kindly remind you too, that servants will always be servants. Do your duty, and stop trying to nitpick on your masters! In my eyes, you're worse than a dog, because... dogs sometimes obey instructions and don't behave crazily. Get it?"

Chapter 260: Gu Changye Once Said: "I will send you abroad and make arrangements for the rest of your life..."

"You..." The maid suddenly stared at Luo Zheng angrily with an awkward expression.

Luo Zheng ignored her and left with a smirk on her lips.

Qi Sumei was once Gu Changye's favorite... but from now on, he's going to get to the bottom of the matter and investigate to find out if I was lying.

His favorite?

Hah, given how perverted Gu Changye is, he'd definitely destroy her!

What an interesting sight, eh?

If it weren't for the fact that Mu Tianwei and Mu Sen had been trying to depend on Gu Changye, Luo Zheng would have never wanted to be involved with him.

However, she had yet to figure out if she wanted to let Mu Tianwei dig his own grave, or send him to hell... In that case, she decided to strike the deal!

Regardless, Gu Changye would find out about those secrets himself sooner or later even if she didn't mention them... but if she were to tell him in advance, she would be able to reap some benefits while giving him a little help.

The Gu Family members were adding slow-acting poison to his medicine and hence, the effects wouldn't be easily noticed.

First of all, he would be made sexually impotent and next... he would slowly become deranged!

There was still two years to go before the Xi Family faced their downfall, just like her previous life.

At that time, Gu Changye was already an "eunuch" when she was sent to serve him in place of Xi Qianqian. He was extremely maniacal as well... A slight discomfort would cause him to flare up and he would continuously abuse women to feel the thrill of it!

She gritted her teeth and waited for three full months. When she finally left, she nearly died.

Since then, she heard that there was a drastic change in the Gu Family less than a year later... after which, Gu Changye went missing!

Although she wanted to use Gu Changye to control the Mu Family's shares in the Gu Family Corporation and ruin Mu Sen... she also wanted to let Gu Changye know the truth two years in advance out of goodwill. She hoped that he wouldn't end up in such a miserable state!

Although Gu Changye was like a devil, he was sometimes genuine but more often ruthless.

Even still, he had once given her some sage advice.

"Luo Zheng, you are too cheap, but ... you're also pitiful! What a joke, I actually saw a reflection of myself in you..."

"The Xi family are bloodsuckers who will drain you to the very last drop sooner or later! A man who doesn't love you will end up hurting you if you continue to stay by his side..."

“On the account that you have served me well, I’ll give you a chance to survive. One day, if you realize that you can’t control it anymore, come find me at the Gu Family home. I will send you abroad and make arrangements for you for the rest of your life ...”

...

Perhaps, Gu Changye was right.

Had I given up on Xi Mubai in my previous life, would I have... lived differently?

Luo Zheng was recalling the past when she heard a female voice. “Luo Zheng, why are you here?”

She turned around with a contemptuous gaze to look at the figure in front of her.

Xi Qianqian and Gu Sisi were striding in.

Ever since Xi Qianqian got shot by Scarface in the underground gambling den previously, her leg had been permanently damaged even though she had been receiving treatment.

She would limp when she walked, resembling a duck.

“Hi, Miss Xi, Miss Gu, what a coincidence!”

Luo Zheng nodded with a smile, as a form of greeting.

Since Xi Qianqian was there, Xi Mubai was obviously nearby.

Gu Sisi was her “ultimate rival in love”.

Just like Luo Zheng who admired Xi Mubai the most out of all high school girls... Gu Sisi was Xi Mubai’s top admirer amongst all the girls in university.

Of course, her identity was very interesting. The Gu Family often told outsiders that she was just a distant relative of theirs.

It was like Luo Zheng’s relationship with the Luo Family.

In reality, Luo Zheng was indeed the cousin of the heiress of the Luo Family. Unfortunately, Gu Sisi... was actually the illegitimate daughter of Gu Changye’s father!

Hence, the fact that Mr. and Mrs. Gu were pretending to be loving and throwing a lavish banquet to celebrate their 30th wedding anniversary, was nothing but a joke.

They were just putting on a show for outsiders and were grotesque deep down!

“Luo Zheng, I heard from Qianqian that you’re Senior Mubai’s female partner. Is that real!?!”
