

BO LOVE LIFE 271

Chapter 271: Sister Zheng, Do You Take Me For A Fool?

“Sorry, we’re going to cause a little delay. Mr. Bo needs to settle some family matters!”

Everyone then recovered from the shock and watched as Bo Hancheng walked away while holding Luo Zheng in his arms.

Seeing this, Xi Mubai’s heart sank and he forced a smile before chasing after them.

“What’s going on?”

The Gu Family members watched in bewilderment.

A lackluster glow formed in Gu Changye’s eyes and he remarked, “Interesting, very interesting!”

He had found out not too long ago, that Luo Zheng and Bo Hancheng knew each other. He also knew that they had an unusual relationship.

After all, Luo Zheng took the lethal “Blue Vixen” for Bo Hancheng!

At the thought of this, Gu Changye put an arm around Qi Sumei’s shoulder and asked, “Sumei, are you feeling... a little nervous?”

Qi Sumei frowned and her heart seemed to have skipped a beat. “Ye, I’m not feeling nervous.”

“Are you worried about our marriage?” Gu Changye continued to probe, subconsciously glaring at Gu Jingxuan with a smile.

“Ye, I need some time to think about our marriage...” Qi Sumei said, hinting her refusal.

Sensing his displeasure, she frantically tried to explain, “You have too many lovers, I’m worried...”

“So you’re getting jealous, my Sumei! Don’t worry, I’ll get rid of them immediately and devote myself to you in the future, alright?” Gu Changye interjected calmly.

Qi Sumei answered with a veiled look of disgust in her eyes. “Alright.”

“How obedient, my Sumei! After we get married, I’ll treat you well. As long as you...” Gu Changye didn’t finish his sentence.

However, Qi Sumei was no longer in the mood to continue listening because she didn’t care at all!

She didn’t even notice the menace in his eyes.

As long as you don’t betray me!

...

Bang!

Luo Zheng remained silent along the way while being trapped in his embrace.

All of a sudden, he spun her around and pushed her forcefully, causing her to be thrown off balance. She hit her back against the wall and was overwhelmed with an excruciating pain.

Before she could even react, his familiar scent wafted up to her nose. "Sister Zheng, I've really belittled you!"

Feeling guilty, Luo Zheng explained, "Cheng, Cheng, Cheng... Brother Cheng! You, you, you... hear me out! I didn't do it on purpose."

"You're stuttering. What are you trying to explain?" He interjected derisively.

"The exams are round the corner and you need time to revise so you can't be my partner! Hah, what a perfect excuse..." Bo Hancheng's eyes turned gloomy while exposing her lie.

His voice grew deep and austere. He said coldly, "In fact, you're here to be Xi Mubai's partner!"

"Brother Cheng, I can explain, I really can! I..."

"Unfortunately, I don't want to hear it!"

He interrupted again, like a demon that was about to be unleashed. He looked absolutely terrifying.

Luo Zheng was no exception either. She then stared at him nervously, at a complete loss for what to do.

He then said firmly, "Sister Zheng, am I like a fool to you? After all, only a fool would be willing to let you play them out!"

"No! Brother Cheng, why would you think that way? How can you be a fool!?! I just didn't expect you to be referring to the Gu Family's banquet..."

...

Chapter 272: Xi Mubai Watched As Bo Hancheng Lowered His Head...

Luo Zheng quickly denied and retorted, only to realize at the end that her explanation seemed to be a bit unreasonable, and the more she explained, the more ridiculous she found it to be.

Just as she expected, his face turned cold at the next moment and he chuckled continuously. "According to what you said, do you mean that you can continue lying and hiding things from me if it's not the same banquet? What a pity!"

"Brother Cheng, don't twist my words on purpose..."

"Don't you already have your Brother Mubai, why do you still want Brother Cheng!?" He interrupted coldly.

Xi Mubai hurriedly rushed towards them, almost in a timely manner. "Luo Zheng..."

His words came to an abrupt end. Xi Mubai stared at the corner from afar, only to see that she was all huddled up while Bo Hancheng was supporting himself against the wall with one hand.

At last, he had no choice but to acknowledge the fact that Luo Zheng and Bo Hancheng had an intimate relationship.

That realization made him grow flustered and he almost lost his rationality, feeling a strong urge to dash forward.

Glancing at Xi Mubai, Bo Hancheng lowered his head and whispered into her ear, "Look, your Brother Mubai is staring at you!"

Because of the angle, it seemed as if Bo Hancheng was kissing Luo Zheng. Without hesitation, Xi Mubai looked up and warned, "Professor Bo, pay attention to your behavior! You can't treat Luo Zheng like this..."

"I can't? Why not?! Why can't I do that..."

Enraged by Xi Mubai's words, Bo Hancheng smirked coldly and grabbed Luo Zheng's chin.

While Xi Mubai watched, he lowered his head and kissed Luo Zheng forcefully.

Luo Zheng felt extremely uncomfortable and pressed both of her hands against his chest in a bid to get him to be gentler... Sensing that she was refuting, he stopped.

However, before he moved away, he bit her lips forcefully.

"Ouch..."

Luo Zheng gasped and winced in pain.

Soon, she felt an excruciating pain in her lips which had begun bleeding, the blood making them look even more tempting and alluring.

Bo Hancheng stared at Xi Mubai coldly and taunted, "I can do this. Can you?"

Xi Mubai didn't expect to see that happen at all. Upon hearing Bo Hancheng's provoking tone, he clenched his fists tightly and barked, "Bo Hancheng, how dare you be such a scumbag!?"

Luo Zheng pressed her fingertip against her lips to stop the bleeding. Seeing that Xi Mubai was about to dash towards them, she exclaimed while feeling vexed, "Xi Mubai, leave! This has nothing to do with you..."

What a mess... I have so much to explain. Can he not give me more trouble?!

Xi Mubai stopped in his tracks and he no longer looked as gentle as before. He yelled, "Luo Zheng, don't forget, tonight ... you are my female partner!"

Before Luo Zheng could even answer,

Bo Hancheng grabbed her waist, seemingly trying to claim sovereignty. He retorted nonchalantly, "She's your partner? So what?! Do you know who she is to me now?"

He then forced her into his arms and gibed, "She's now my partner in bed!"

Xi Mubai got a great shock.

"So, however I treat her now, is my business! Regardless of what I do, she'd be willing to accept it. Would you like... to enjoy a public display?"

Bo Hancheng suddenly adjusted her body and made her face him.

Even Luo Zheng was astonished. Her body stiffened and she murmured, "Brother Cheng..."

Chapter 273: He Strangles Her, "Are You Courting Death?"

Bo Hancheng frowned and reached a hand out to tug the straps of her gown, revealing her fair shoulders.

At the next moment he seemed to be startled by the blood that was flowing down from her newly opened wound.

At the same time, he finally realized the details that he had been neglecting.

There was a striking bandage on her collarbone, which was now stained with bright red blood.

The blood was flowing out of her wound beneath the bandage.

Is she... wounded?

Bo Hancheng thought about himself putting his hand on her shoulder earlier on... and reckoned that he must have caused her to bleed again because he had accidentally ripped open her wound by being too rough.

Just as he was about to stop, he noticed the white silk handkerchief on her neck.

Trying to bear with the pain, Luo Zheng looked at him and realized that he was staring at her neck... her heart tensed up because she knew that it would be hard to explain the welts on her neck.

She immediately covered the silk handkerchief with her hand instinctively.

However, that was also the reason he paid more attention to it.

Bo Hancheng tried to untie her handkerchief, only to be refuted by her. "Brother Cheng, don't untie it! My neck feels uncomfortable..."

"Is that so?" he questioned in an ambiguous tone.

He seemed to have calmed down a little as he slowly regained his rationality. He studied her carefully and noticed that... everything about her seemed wrong!

Her skin was dewy and glistening like jade, and her hair was pulled back into a simple updo. Her face was rather clean and she didn't seem to have dolled herself up meticulously.

She looked like she had just taken a shower!

Noticing that her expression seemed unnatural, he felt that her words were rather unbelievable.

He was not silly after all. He grabbed her wrist forcefully and tried to move her hand away from her neck.

The more he did that, the more anxious she felt, for she didn't want matters to get worse.

They continued to stop each other back and forth. Luo Zheng couldn't beat him anyway. However, he tried not to be too ruthless because of the injury on her collarbone.

At last, Luo Zheng lost and she had her wrist taken away.

Due to the fact that she didn't tie the silk handkerchief too tightly around her neck, it came undone at the same time that he tugged it.

The white silk handkerchief fell onto the ground, revealing her jade-like neck and the bruises on it.

Although they were just marks, they seemed ambiguous and suggestive!

The more Bo Hancheng stared at them, the gloomier his eyes became. All of a sudden, he ripped the bloodstained bandage away and... was greeted with the sight of the striking bite mark.

She had taken a shower and there were bite marks all over her body. Putting the pieces together, he immediately understood everything!

"Luo Zheng, how dare you? How dare you!?"

Bo Hancheng's body stiffened and he exuded a menacing vibe that made him seem like a devil from hell.

He stared at her with a gaze that was full of murderous intent.

He wished he could kill her!

Luo Zheng knew that she couldn't explain it clearly. If others were to discover it, she could just ignore them... but this was Bo Hancheng whom she had no choice but to explain to. "Brother Cheng, this is nothing. Don't get the wrong idea..."

"Are you trying to lie to me by telling me that a woman bit you?" He questioned coldly while his knuckles cracked.

"I..."

Luo Zheng's heart seemed to have stopped beating as she fell speechless.

In the blink of an eye, she realized that she couldn't speak at all because he was strangling her!

"Have I ever told you that I don't care who you love?! But your body belongs to me, and I can't tolerate any filth! Yet, you gave yourself to another man. Are you... courting death!?"

Chapter 274: He's gone ...

His eyes were full of darkness by the end of his sentence.

"Fine, I'll grant you your wish!"

He continuously tightened his grip on her.

Coughs

Luo Zheng felt breathless and her face turned as pale as a sheet, with a slight flush. She felt as if she was on the verge of death.

All of a sudden, her vision turned blurry and she noticed that his face seemed to be exactly identical to that of his incarnate in her previous life.

However, he was determined to save her back then.

At this moment, he was out to kill her!

“Bo Hancheng, are you out of your mind?!” yelled Xi Mubai who had yet to leave and was dashing forward after seeing what happened.

Bo Hancheng stared at Xi Mubai before turning to glare at her. He gibed, “Have you given yourself to your Brother Mubai? Did you...”

He slowly let go of her and muttered under his breath, “Luo Zheng, how great would it be if I’m really ruthless enough to strangle you to death!”

He then flung Luo Zheng away and she staggered backwards like a broken kite.

Almost at the same time, Xi Mubai reached out and held Luo Zheng in his arms.

“Revision? Yeah, revising about how to sleep with other men is indeed a wonderful piece of homework!” Bo Hancheng gibed in disdain while staring at her.

Coughs

Luo Zheng panted heavily while feeling an immense pain in her chest.

However, the pain within her was nothing compared to the disgust in his eyes. She coughed and explained, “I didn’t... Bo Hancheng... I really didn’t... Believe me... will you...”

So what if he did and so what if he didn’t!?!

The truth was that she had lied to him.

All of a sudden, he felt extremely exhausted. He seemed to have cared too much about Luo Zheng, way more than he should!

He no longer wanted to pay attention to her smile, her sorrow, her desolation, her joy and everything else about her, including... her existence!

Suddenly, Bo Hancheng turned around and had his back facing them.

“Luo Zheng, don’t appear in front of me again! I don’t want to see you anymore...” He then strode away without hesitation.

Luo Zheng widened her eyes in shock, with loneliness and helplessness in her gaze.

“Bo Hancheng... don’t go...”

“Luo Zheng, can you stop being obsessed with him? He is toying with you!”

Luo Zheng pushed Xi Mubai away and tried to chase after Bo Hancheng.

At last, Xi Mubai grabbed her and pulled her back heavily in a bid to persuade her.

“What does it have to do with you? Let go! Let go...” Watching him leave, Luo Zheng panicked and wanted to break free.

However, Xi Mubai stood still, and even wrapped his arm around her waist. “Luo Zheng, did you hear what I said? Right from the start, he has merely regarded you as a partner in bed! Do you understand? What does a partner in bed mean to a man? It means less than a lover does! It means you’re dispensable and he can abandon you whenever he pleases!”

Luo Zheng listened indifferently and glanced at him calmly in the end. “So what?”

So what?

Xi Mubai lost his temper after hearing her response. “Luo Zheng, are you that cheap? You’re so eager to let him trample all over you! What has he done to make you so willing to sacrifice yourself over!?!”

Luo Zheng was slightly stunned and she seemed to have thought of something. She snorted with laughter and suddenly sneered, “Xi Mubai, do you know? When I used to be head-over-heels in love with you, many people asked me the same question. Surprisingly, you’re asking me that question now! Don’t you think it’s really amusing?”

Chapter 275: He Really Wants To Kill Luo Zheng!

All of a sudden, Xi Mubai held his breath and he fell speechless!

In just a few seconds, Luo Zheng’s eyelashes drooped and she said softly again, “Xi Mubai, do you know what it feels like to be betrayed and locked up for three days like an animal, by the person you have loved for many years?”

“Luo Zheng... what are you talking about?”

Xi Mubai didn’t understand the meaning of Luo Zheng’s words. All he knew was that he was feeling a dull and familiar ache in his heart again.

“You don’t. How would you know!?!” Luo Zheng said in disdain while staring at the confused Xi Mubai.

She then sighed and continued, “But I know that unforgettable feeling, I know it very clearly! You were the one who brought me despair, while he was the one who gave me a new life! So, it is worth doing anything for him, do you understand?”

Xi Mubai was beyond puzzled and all he could say was, “Luo Zheng, can you wake up? He’s hurting you, I’m doing it for your own good!”

“For my own good? Xi Mubai, what a huge joke! If it weren’t because of you, I wouldn’t have been tormented. If it weren’t for you, he wouldn’t have died in that fire. If it weren’t for you, why would I have been reborn?”

Luo Zheng asked sharply, her face turning extremely pale. However, Xi Mubai was at a complete loss.

In the end, he looked at her longingly and seemed to have lost his cool. “Luo Zheng, what do you mean by that? Make yourself clear!”

“It doesn’t matter anymore.” Luo Zheng smirked sarcastically.

She then met his gentle eyes and exclaimed, “Xi Mubai, you just have to remember, I’ll hate you regardless of whether you’re dead or alive! This hatred will stay within me for life and never disappear...”

Perhaps because the resentment on her face was way too daunting, he was at a sudden loss and let go of her.

At the next moment, Luo Zheng broke free and turned around to leave without turning back.

The fiery red scene froze in his mind.

Xi Mubai stood rooted to the ground and placed his hand on his chest in a bid to soothe the pain.

Why does my chest hurt whenever I’m with Luo Zheng?

He had long figured out that Luo Zheng hated him, but he always misunderstood that she had turned her love into hate because he refused to reciprocate her feelings for him.

He finally realized now, that that was not the case at all.

Her hatred didn’t seem to have formed overnight. Can someone tell me... what is this for!?!

...

The Bo Family rules forbid romance, emotions and love!

Bo Hancheng’s palm began to tremble a little while he walked through the hallway.

He actually felt an urge to kill Luo Zheng just now!

He almost, killed Luo Zheng! He would have probably done so if Xi Mubai didn’t stop him.

At that moment, he was not just thinking about Luo Zheng’s betrayal, but also his unusual reaction.

He didn’t expect that he’d care for Luo Zheng that much, way beyond his limits!

He will never allow anything to slip out of his control. Once it happens ... he would rather destroy it himself!

Hence, at that time, he thought to himself that Luo Zheng would disappear and he would no longer feel flustered so long as he strangled her to death.

He was just like a maniacal demon and he never knew that there was such a dark side to him.

All of a sudden, he thought about something that his family member said when he was younger.

“The men of the Bo family are born to be extreme and should never be embroiled with love. Once they fall in love, the consequences will inevitably be dire! If that person does not love him, he will not only destroy himself, but also the person he loves. This is an illness and their destiny!”

Chapter 276: Are You Willing To Be My Woman?

At that time, Bo Hancheng was young, and it sounded ridiculous to him.

However, those words were somehow deeply etched in his memory like a curse. In the blink of an eye, ten years passed!

Staring at the people coming and going in the hall, Bo Hancheng gradually began to feel frustrated.

The Gu Family had sent him an invitation a long time ago and he only accepted it because he had an agenda.

He was there for two reasons.

One was because he wanted to confirm if Gu Changye was related to Old K... Since Old K could hide in Beijing, he definitely had the help of one of the four major families.

The other reason was none other than to meet his opponents sooner.

Since he would definitely destroy the four major families one day, he ought to do so.

As the greatest of the four major families, the Gu Family would definitely not be easy to deal with... Gu Changye was his greatest opponent and he knew that it would be easier to win the battle, only when he knows his opponent well!

He did not expect to run into Luo Zheng there!

Luo Zheng... Luo Zheng... Luo Zheng...

Thinking about her name, he wondered if she had put a hex on him... Otherwise, how could she have penetrated every part of him!?!

He was repulsed by her, but he also yearned to have her. At the same time, he also wanted to ruin her!

He's Bo Hancheng, the third son of the Bo Family from Britain. How could he have really developed feelings for an underage girl?

"Mr. Bo, are you ... uncomfortable?"

Suddenly, a soft female voice sounded in his ear. She seemed a little worried.

Bo Hancheng looked up and was greeted with a pretty face.

He remembered her.

His mother who was far away in Britain, had personally selected her to be his lover and his antidote, as well as his life-saver... He found that to be ridiculous for he would be too incompetent if he had to rely on a woman to suppress the toxins in his body!

However, he understood his mother and knew that she would definitely continue sending more girls to him if he did not accept her.

Besides, the girl was rather sensible and did not pester him. Hence, he simply gave her to Chu Ci and ordered him to arrange the rest.

Since he needed a partner for the banquet, Chu Ci decided to send her because she was a suitable choice.

However, ridiculous thoughts in his mind suddenly popped up when he stared at her.

At the next moment, he pulled her into his arms.

Originally, Mu Nianqing was full of joy, and thought that she had finally found the right opportunity to get close to him.

However, Bo Hancheng's aloofness and nonchalance towards her made her feel rather worried.

She quickly rushed over to show him some concern after realizing that he seemed to be in a bad mood.

She was rather bewildered.

He had clearly just left with the Gu Family a while ago to go upstairs to discuss something. As his female partner, she had to be sensible enough as to leave the hall and wait for his return.

Yet, he was done in no time.

He glanced at her with a gaze full of complexity and before she even figured out... he caught her off guard by pulling her into his arms!

The point was, he took the initiative to do so.

All of a sudden, Mu Nianqing was in disbelief, for her wishes had come true.

She then leaned backwards on his arm.

Feeling a warm sensation on her chin, she realized that he was placing his finger beneath it. "Are you Mu Nianqing?"

He called her name correctly!

Mu Nianqing's heart seemed to have stopped beating as she held her breath. "Yes, my name is Mu Nianqing!"

She was so close to him that she would be able to touch his stunning, perfect features as long as she extended her hand!

Bo Hancheng, the man whom she had been admiring for such a long time, was now in close contact with her.

"Are you willing to be my woman?" He asked calmly at the next instant.

Mu Nianqing's mind went blank because of her astonishment. "What? Become your woman... "

Chapter 277: Untitled

Bo Hancheng asked coldly with an ambiguous gaze. "Are you not willing?"

"No... I am... "

No matter how scheming she was, Mu Nianqing could no longer stay calm at this moment and she agreed as her heart tensed up.

Afraid that he would despise her, she said solemnly, "I was sent by Madam to be your lover in the first place! It's my pleasure to be able to serve you, Mr. Bo..."

Deep down, she was shocked, overjoyed and thrilled.

Not only was she close to the outstanding man, she was going to hold onto him too... Despite the unknown reason, she must seize this opportunity and grasp it firmly.

It was because the same opportunity wouldn't come twice!

She initially wanted to get her father to introduce her to Luo Zheng... because she knew that Luo Zheng had an unusual relationship with Bo Hancheng!

To her surprise, Gu Changye somehow insisted that the Mu Family send Luo Zheng to him during the banquet.

Although she was a member of the Mu Family, she knew that they were greedy... hence, she expected that her father would betray Luo Zheng by sending her to Gu Changye!

Gu Changye was rumored to be sexually impotent and extremely perverted, for he would never let his lovers leave in one piece... the key was, she understood Bo Hancheng well.

He was arrogant and would never allow anything that belonged to him, to be stained with filth... once Luo Zheng becomes dirty despite Gu Changye being sexually impotent, he would definitely not want her anymore!

Hence, Luo Zheng, her potential "rival in love" will no longer be a threat and there would be no need for her to get to know her!

"Mr. Bo, you must have a reason for making this sudden request! May I ask, how would you like me to comply with you?"

Mu Nianqing asked smilingly, having already practiced all sorts of smiles in private. Hence, she was putting on the most perfect one she could.

Bo Hancheng had no idea what he wanted.

He only knew that Luo Zheng's existence was affecting him and he hated the feelings that were out of his control!

He wanted to prove that he merely wanted a woman to satisfy his sexual desires since he was already of age.

Throughout the years, Luo Zheng was the only person of the opposite sex who dared to touch him intimately again and again... hence, he found her to be special. At first, he felt that there was nothing more to it, as other women could do the same.

Besides, her body had been touched by others, and he didn't want it anymore even though it was not completely filthy.

He felt a sudden emptiness in his heart, as if there was a void he had to fill.

What a joke, I'm Bo Hancheng, how can I be loyal to an underage girl... As long as I wish, I'll have plenty of women who can satisfy me!

"Kiss me." He said solemnly.

He had to prove that he was right about Luo Zheng being the same as other women!

At this moment, Mu Nianqing felt that she was really dreaming, because her wishes were coming true too easily.

"Mr. Bo, you want me to..."

"I want you to kiss me. Do you not want to do so?" Bo Hancheng interrupted coldly, clearly losing his patience.

Mu Nianqing didn't hesitate any longer, and took the initiative to move closer towards him while placing her hands on his shoulder.

Doesn't feel right!

Bo Hancheng felt peculiar at the instant that she moved closer towards him and he even felt rather displeased.

It felt different from his encounters with Luo Zheng. Whenever Luo Zheng moved closer to him, he would never feel any displeasure.

Has he been in physical contact with Luo Zheng too frequently... or has he already recognized Luo Zheng to be the one, right from the start?

Even then, Hancheng did not stop experimenting.

He even tried to make himself accept it as he lowered his head slowly.

Mu Nianqing's heart was racing and she could sense that there were others staring at them.

After all, she had never been in a relationship before and that was her first kiss!

She could not help but feel shy as she closed her eyes gently and raised her head to kiss him...

Chapter 278: She's Holding Onto Bo Hancheng...

Luo Zheng pushed Xi Mubai away and swiftly made her way out of the corridor. She searched around anxiously in a bid to spot Mr. Bodyguard.

She had no choice but to admit that she was at fault for hiding things from him.

However, she didn't expect that he would show up at the Gu Family Banquet.

From the start of their reunion, she had been thinking that he had an ordinary identity, until she found out that he was an arts professor, followed by the revelation at the hospital, that he was Chu Ci's subordinate.

She was obviously happy that his status was higher than she imagined.

However, she was at the Gu Family home with the sole purpose of dealing with the Mu Family and seeing Mu Nianqing... As for the feud from her previous life, she did not plan to let Mr. Bodyguard get involved because she didn't want him to lose his life again.

This time, she wanted his hands to be clean and free from darkness and filth!

"I'm your bodyguard, Missy. Of course I'd want you to live well."

Those were the words he said before he died in her previous life.

Now that she had been reborn, she ought to protect him and hope for him to live well too!

Yet, she ran into him here and created such a huge misunderstanding.

She still had no idea how she should explain what happened between her and Gu Changye... but at least, she wanted to tell him that she was still chaste and that she didn't betray him or let him down!

Luo Zheng could no longer be bothered to care about her pain and the bleeding wound on her collarbone as she placed a hand on her neck and looked around.

After scanning her surroundings, her eyes lit up.

She finally saw a familiar face amidst the crowd at the entrance. It was her Mr. Bodyguard!

"Brother Cheng..."

Luo Zheng was about to scurry forwards happily.

However, she fell silent at the next moment.

It was only because the guests had all covered his body, causing her to only see half of his face.

Now that the guests had moved away, she realized that he was not alone.

He was holding another girl in his arms!

To make matters worse, the girl's arms were around his neck and they were about to kiss each other affectionately!

The scene was extremely beautiful but it made Luo Zheng's smile stiffen as she quivered a little, as if she had plunged into ice.

Upon hearing her, he turned around and looked at her.

He could tell that she seemed to be in disbelief.

Is this incredible to you?

Bo Hancheng sneered in his heart without mercy.

Although the scene was an eyesore to her, Luo Zheng tried to keep her cool and slowly made her way forward.

At the next moment, Mu Nianqing missed and failed to kiss him because he had raised his head.

She opened her eyes and felt extremely shy, after which she looked in the direction of his gaze.

At that instant, Luo Zheng and Mu Nianqing met each other's eyes!

At the moment that Luo Zheng recognized Mu Nianqing, her mind went blank and blood surged through her veins continuously... Resentment flowed through her and made her look even sultrier.

Luo Zheng stared at Mu Nianqing for a long time, with resentment in her heart.

Mu Nianqing was rather shocked to see Luo Zheng.

However, she was certain that Luo Zheng's target was also Bo Hancheng!

She tensed up and her female intuition told her that Luo Zheng was not to be belittled.

Luo Zheng may be a man-obsessed dimwit in the past who only knew to foolishly pursue Xi Mubai... she knew that Luo Zheng had changed when she saw Luo Zheng behaving intimately with Bo Hancheng.

She knew that Luo Zheng was a potential threat.

She also knew that Bo Hancheng had been staying in the hospital for several consecutive days after the incident in the casino previously.

She had once asked around and found out that Luo Zheng hadn't returned home since she claimed to have stayed over at a classmate's home for revision.

That was enough to prove that she was at the hospital with Bo Hancheng!

Mu Nianqing leaned closer towards him and asked gently, "Mr. Bo, do you want to continue?"

Bo Hancheng looked away and lowered his head with a handsome smile. "Why not?"

Chapter 279: Zheng slaps Mu Nianqing

Bo Hancheng actually continued to lower his head and took the initiative to kiss Mu Nianqing in front of Luo Zheng.

Mu Nianqing's heart stopped tensing up and she kissed him again.

Luo Zheng was in disbelief and her rationality was almost crumbling.

She could no longer bear with it and scurried forwards, ignoring the fact that she was running into a few guests, causing them to be displeased.

Bo Hancheng knew that Luo Zheng had arrived, so did... Mu Nianqing!

Mu Nianqing was filled with the joy of victory and she deliberately kissed him slowly.

However, their lips were less than an inch apart and they did seem to be kissing.

Luo Zheng grabbed Mu Nianqing's arm forcefully and pulled her out of his arms with all her might!

"Miss, you..."

Pak~

Mu Nianqing pretended not to know Luo Zheng on the surface, and she was just about to speak.

However, Mu Nianqing was caught off guard and Luo Zheng slapped her before she could even react, causing her to stagger backwards.

The loud slap immediately caught everyone's attention as they quickly looked over.

Mu Nianqing was also rather stunned by the slap. Her gaze was full of disbelief as she pressed her hand on her face.

Luo Zheng stood in front of Bo Hancheng and glowered at Mu Nianqing with menace. "Mu Nianqing, you're not allowed to touch him... Who do you think you are? How dare you touch him!?!"

Mr. Bodyguard is mine and he can only belong to me... Mu Nianqing has snatched everything away from me but I'll never let her snatch Mr. Bodyguard away!

Unable to contain her resentment, Luo Zheng felt like the demon within her was about to be released.

At last, she raised her hand again and tried to slap Mu Nianqing once more, because she wasn't satisfied.

However, as soon as she did, someone grabbed her wrist!

Luo Zheng's resentment overwhelmed her and she turned her head to look at the person who was getting in her way.

What did she see in the end?

Surprisingly, she was greeted with a pair of gloomy and abyss-like eyes. She called softly, "Brother Cheng..."

The person who stopped her was none other than Mr. Bodyguard!

Bo Hancheng grabbed her wrist and glanced at Mu Nianqing who had been slapped. He questioned coldly, "Luo Zheng, what are you doing?"

"I..."

Luo Zheng was just about to tell him that she was just worried that Mu Nianqing would hurt him!

As soon as she did, he flung her wrist away at the same time.

She then watched as he stood in front of Mu Nianqing, seemingly trying to protect her.

Luo Zheng stumbled backwards and looked at him with bewilderment and melancholy when she regained her balance.

Why? What is going on!?!

Why was Mr. Bodyguard the one who stopped me?!!

Why? Someone tell me why!

...

The incident attracted the attention of plenty of guests who stepped forth and criticized Luo Zheng.

Not too far away from them, Luo Shuyuan brought his niece Luo Tingxue and his son Luo Yan towards them.

“Zheng? What is she doing here!?!”

Luo Shuyuan was not interested in gossip, and had simply caught a glimpse of her unintentionally. Hence he could not sit back and do nothing!

Ever since he spoke to Luo Zheng at Luo Tingxue’s birthday banquet, he realized that Luo Zheng had already matured and was no longer as ignorant as she used to be. She could now tell right from wrong.

Hence, he wanted to invite Luo Zheng along in a bid to patch things up with her.

To his surprise, she was now being a troublemaker at the banquet!

Luo Yan stared at her and said in displeasure, “Father, you said that Cousin had already turned over a new leaf? Look, she’s making trouble again...”

Luo Tingxue glanced at Bo Hancheng instead of Luo Tingxue.

She muttered in bewilderment, “What is Mr. Bo doing here?”

...

Chapter 280: Bo Hancheng, Please Tell Me You’re Lying...

Not long ago, she specially sent someone to send an invitation letter to Bo Hancheng to be her male partner who would attend the Gu family banquet together with her.

She thought that if Bo Hancheng was smart, he would certainly agree.

After all, she was from the Luo Family and was a famous socialite in Beijing. Her looks, character and background were all impeccable... If he were to accept her invitation and go to the Gu Family banquet, he would probably get to know plenty of wealthy people.

He just needed to date her... and he would no longer have to work hard for a life of riches! However, he actually turned her down without giving her any response.

Luo Tingxue naturally felt awkward, indignant, ashamed and furious.

However, she felt even more smitten with Bo Hancheng!

The more he behaved that way, the more unusual, isn’t it?

If he were to really agree to her request, wouldn’t it mean that he was a gold-digger... How would he be different from the rest of her suitors?

Apart from her beauty, her suitors were all after the Luo Family’s wealth.

However, she felt thankful for Bo Hancheng’s reaction because it proved that her judgment was right!

She didn't expect to run into Bo Hancheng at the Gu Family banquet because she thought that he came from a humble background.

Luo Tingxue did not hide her disgust towards Luo Zheng, whom she did not care about at all.

She felt that she didn't have to waste any time and effort on Luo Zheng and that her grandpa, father and uncle would only care about her on the account of Luo Huawei!

Who would bother about Luo Zheng whose existence was redundant!?!

Seeing that Luo Shuyuan was about to step forth, she persuaded, "Uncle, we'd better wait and see."

Luo Yan chimed in, "Father, let's listen to Tingxue. There are so many guests watching. Wouldn't we be embarrassing ourselves if we just step forward?"

"What do you guys know? Zheng is part of the Luo Family too. We can't let her get bullied!"

Luo Shuyuan did not agree with his son and niece at all. However, he was certain that the situation was beyond chaotic.

...

Staring at the man in front of her, Mu Nianqing felt much more confident and she barked, "Miss Luo, why did you hit me for no reason? I don't know you at all and this is our first time meeting each other!"

Luo Zheng stood alone like an abandoned child.

At this moment, she could not be bothered about Mu Nianqing at all and was simply staring at Bo Hancheng. Her voice trembled and she said, "Brother Cheng... you defended her... you're actually defending her... why would you protect her... "

Bo Hancheng stared at her without emotion and said coldly, "She's my woman, of course I'd protect her"!

"Mu Nianqing is your woman!?! " Luo Zheng clipped as her mind turned blank, as if she had heard the greatest joke on earth.

She suddenly felt a sharp pain in her chest and her body grew weak. "Mu Nianqing... is your woman... she's your woman... "

Luo Zheng's mind was in a whirlpool and she suddenly found it hard to think. After feeling shocked, she propped herself up helplessly.

"I don't believe it... I don't believe it... I don't believe it! Bo Hancheng, are you lying to me!?! Please tell me that you're lying to me... "
