

BO LOVE LIFE 281

Chapter 281: She's Your Woman? Who am I Then!?! What am to you then...

Luo Zheng immediately retorted in a hoarse voice, like a fish out of water.

Bo Hancheng was her water source, her redemption, and her greatest hope... While speaking, she reached forward in a bid to grab his arm!

Seeing this, Mu Nianqing's eyes glistened and she took a quick step forward to hold Luo Zheng kindly. "Miss, are you feeling unwell..."

"Get lost! Mu Nianqing, you bitch, get lost..."

Seeing how disgustingly hypocritical Mu Nianqing was, Luo Zheng slapped her away forcefully.

"Ah!"

At the next moment, Mu Nianqing shrieked and staggered backwards.

She was about to fall down when she got pushed by Luo Zheng!

It was because Mu Nianqing was right in front of Bo Hancheng. Almost at the same time, he extended his arm and was about to catch Mu Nianqing.

At this critical juncture, Luo Zheng extended her hand and tried to hold his arm in a bid to stop him from moving. "Don't touch her! Bo Hancheng... don't touch her..."

After Luo Zheng stopped him, Mu Nianqing actually fell onto the ground and she grimaced in pain. Due to the fact that she was wearing a gown, she looked extremely disheveled.

At this moment, the excited Xi Qianqian scurried towards them and "kindly" helped Mu Nianqing up while adding fuel to the fire. "Luo Zheng, what's wrong with you? You hit her out of nowhere. Is there something wrong with your mental state!?!"

Everyone began gossiping and pointing fingers.

"Oh so that's why. I was just wondering what was going on. Turns out she's mentally unsound..."

"This is the Gu Family banquet. Whose family does this heiress belong to? Why aren't the adults keeping an eye on her..."

"Heiress? She seems like a lunatic to me! The Gu Family should send someone to chase her out immediately..."

...

Most of the people making comments at this moment were women.

Luo Zheng was extremely beautiful and the look of melancholy on her face made her look extravagant in a forlorn manner causing most of the men to just watch and remain silent.

Upon hearing the malicious comments, she began to feel extremely frustrated and she wished she could shut them up!

Seeing that Luo Zheng was still holding onto him with tears in her eyes, he said helplessly, “Luo Zheng, let go...”

“Bo Hancheng, you said that Mu Nianqing... is your woman? What about me!?! Who am I to you!?! Tell me, if she’s your woman, who am I to you...”

Before he could even finish speaking, she almost lost her rationality and began questioning him.

He almost felt amused.

What is she doing?

“You don’t have to worry, Brother Cheng. As long as I’m around, I’ll definitely ensure that you have a safe and carefree life. In the future, I’ll definitely help you find a wife who will give birth to a few adorable babies and give you a blissful life...”

Not long ago, she had said those words to him and it felt just like yesterday that she did.

What about now?

There’s only an insignificant woman who appeared beside me and yet, she’s already overreacting. She’s intervening too much for a partner in bed!

Seems like she’s always been acting and telling lies.

She was the one who lied to me first and her body is filthy too. So what right does she have to meddle with my matters!?!

I’m Bo Hancheng, I can have any woman I want. Luo Zheng has no right to interfere with my life!

“I’m asking you... Tell me... What am I... to you...”

Luo Zheng’s tone was messy and she seemed to continuously ask him the same question.

Mr. Bodyguard actually said that Mu Nianqing is his woman!

The realization made her feel the same as she did in her previous life when she discovered that Mu Nianqing was pregnant with Xi Mubai’s child and appeared in front of her.

Now, it’s still Mu Nianqing but the man is not Xi Mubai, it’s Mr. Bodyguard... my only obsession!

Luo Zheng broke down in despair and began shivering uncontrollably, unable to think properly.

Bo Hancheng’s eyes turned gloomy and he said coldly, “You used to be my partner in bed. You were always dispensable. But now, you’re nothing...”

As soon as he finished, he stared at her palm on his arm.

He then pried her fingers away and at the same time, said in disdain, “Or maybe, you’re not even worthy of being my partner in bed! After all, I’ve never touched you before, right?”

Chapter 282: There Are So Many Women in This World, You Can Have Anyone But Mu Nianqing...

So, I’m not even worthy of being his partner in bed?

“No... that’s not what the answer should be like...”

Luo Zheng refuted and shook her head continuously. She could no longer hold her tears back and they began to roll down her cheek. “I don’t want to hear it... I don’t want to hear that answer...”

She was still shocked and in disbelief and she held his arm tightly again, as if she were clutching onto him for dear life. She pleaded, “Tell me... I want you to tell me... that everything you just said isn’t true... it’s not true at all! Bo Hancheng, she’s Mu Nianqing! There are so many people in this world. Just tell me who you want and I’ll help you! But it can’t be her, Mu Nianqing, do you understand?”

As soon as she finished speaking, Luo Zheng sobbed and repeated, “Bo Hancheng... I don’t allow it... anyone is fine... except Mu Nianqing...”

Clearly, Mr. Bodyguard was just like a godsend when I was feeling hopeless in my previous lifetime.

He even sacrificed his own life and killed Mu Nianqing for me, just because I detested her!

So, he’s my benefactor, my saving grace, and my greatest obsession.

But why?

Why did Mr. Bodyguard tell me that Mu Nianqing is his woman and even defended her in this life!?!

What is this? What is this!?!

Bo Hancheng found it to be rather amusing.

So, she doesn’t care about me at all and she’s fine with any woman being with me except Mu Nianqing? Hah, I’ll insist on having Mu Nianqing!

“This is a misunderstanding... yes! This must be a misunderstanding...”

Luo Zheng muttered to herself incoherently and raised her head to stare at him with tears in her eyes. Seemingly trying to please him, she said in a shaky voice, “Brother Cheng... is it because... I don’t treat you well enough... is it because... you’re angry at me... is it because Mu Nianqing has been pestering you ... so you did it on purpose... is that why?”

Luo Zheng was incredibly flustered and she quickly tiptoed to cup his face in her hands. “I’ll change... it’s all my fault... it’s all my fault... I’ll change immediately... don’t treat me like this... okay...”

Mr. Bodyguard, do you know what you mean to me?

I feel like I’m going to die, I really am going to die!

Bo Hancheng glanced at her and thought, it’s just Mu Nianqing. Why does she have to react so intensely?

Or has she always had an ulterior motive for getting close to me?

After all, she may be young but she’s too scheming. She’s not as pure, innocent and kind as she seems to be on the surface... keeping her around, will only cause me to become flustered and confused. It’ll only do me more harm than good!

So, I don't mind it at all. I really don't. Even if she were to get ruined, so what? It has nothing to do with me!

"Luo Zheng, are you done?"

Bo Hancheng asked coldly.

He raised his hand and pushed her hand away before watching coldly as she staggered backwards.

Bo Hancheng then glanced at Mu Nianqing and grabbed her by her waist... causing her to feel flattered and surprised as she stood by his side.

Luo Zheng turned pale and glared at him while he hugged Mu Nianqing. He said, "She's my woman now. You hit her without any rhyme or reason. I won't tolerate it at all! So, apologize to her immediately..."

Chapter 283: You're My Only Saving Grace... You're Mr. Bodyguard...

Every word of his seemed like another dagger stabbing at Luo Zheng's heart.

Every thread that was holding her rationality together seemed to have broken completely!

"Apologise? Bo Hancheng, you want me to apologize to her!?! I'm telling you, no way! Over my dead body..." Luo Zheng's voice was sharp and shrill, and she sounded extremely miserable.

Everyone that was watching the commotion, suddenly began gossiping amongst themselves again.

"This girl looks pretty young. Even if she's mentally unsound, she shouldn't hold herself so cheap..."

"Tsk, ts, not only did she become the third party of someone else's relationship, she's even pestering him brazenly..."

"I've only ever seen the rightful spouse hitting the home wrecker and never the other way around. It's an eye-opener! She's denied the chance to be his mistress and yet, she still refuses to admit her mistake and even hit the rightful spouse..."

...

Mu Nianqing's eyes glistened upon hearing their discussions.

However, something was clear.

Luo Zheng knew who she was and harbored a strong animosity towards her. Why was that so?

All along, she had been abiding by the Mu Family's instructions and avoiding Luo Zheng. Hence they've never met before!

She thought that the only possibility was that Luo Zheng knew about her relationship with the Mu Family and that they were half-sisters.

However, they weren't actually half-siblings because Luo Zheng... wasn't Mu Tianwei's biological daughter and hence had nothing to do with the Mu Family at all!

Of course, only the Mu Family knew about that and there was no way Luo Zheng would know about it.

What a pitiful girl. She lost her mother at a young age and the Mu Family deliberately raised her to become a spoiled wastrel. She even ended up falling out with her only family left, the Luo Family... For more than a decade, she had been living in a world full of lies fabricated by the Mu Family!

Sometimes, Mu Nianqing could not help but take pity on the pathetic Luo Zheng.

After thinking for a few seconds, Mu Nianqing strode forward and said graciously, "Mr. Bo, I think this little girl is a little confused. She probably didn't hit me on purpose. I'll just forgive her."

Luo Zheng stared at Mu Nianqing who was standing beside him and she felt that they looked extremely compatible with each other, like a match made in heaven, regardless of which angle she looked from.

"Mu Nianqing... who needs your forgiveness? Who are you to say that..."

Luo Zheng glowered at Mu Nianqing in disdain while her swollen and reddened eyes grew bloodshot because of all that crying. Her gaze was full of hatred and resentment.

She felt a wrenching pain in her heart and she felt as if she had returned to the previous lifetime where she was hopelessly in love with Xi Mubai for ten years. Yet, he still defended Mu Nianqing in the same way as Bo Hancheng did, and even forced Luo Zheng into getting a divorce and donating her kidney to Mu Nianqing. Back then, she had no choice but to admit defeat.

She mouthed, "Luo Zheng, you've lost."

Mu Nianqing's words were like an unbreakable curse that continuously replayed in Luo Zheng's head, making it almost impossible for her to breathe!

I don't want to lose, I won't lose and I can't lose... I've already lost in my previous life. Why should I let history repeat itself?

"How am I inferior to Mu Nianqing... you chose her... you chose her... why did you all choose her... what about me? Who am I to you!?! What do you people take me for..."

Luo Zheng glanced at Mu Nianqing before turning to stare at Bo Hancheng while questioning him.

At this moment, everything seemed to have overlapped with the previous life.

She felt like she was watching her past tragedy getting reenacted. Luo Zheng felt like she was trapped in the dungeon of her sorrowful memories!

Although no one could understand what was going on with Luo Zheng, they could not help but feel a little sympathetic after hearing her miserable and agonizing voice.

All of a sudden, everyone stopped gossiping and silence filled the hall.

All eyes were on Luo Zheng who was still beautiful despite being disheveled. They watched as she cried helplessly while slipping into a trance.

"I know... I've always known... that no man in this world will ever love me truly... but you're different... you're my only saving grace... you're my Mr. Bodyguard... how could you do that to me..."

Chapter 284: Mu Nianqing, Why Do You Have To Snatch Everything That Belongs To Me?

Luo Zheng felt like her body was turning numb and her soul was leaving her body.

If she loses Mr. Bodyguard too, what would she have left?

Her Mr. Bodyguard?

Bo Hancheng's eyes turned gloomy and he clenched his fists subconsciously.

This was the umpteenth time that he had heard the words "Mr. Bodyguard" from her mouth. She was certain that he was not Xi Mubai... Yet, there wasn't such a person in the information about Luo Zheng!

Initially, he got curious because he didn't know what was going on.

Now, he no longer wanted to find out who she had in her heart, because it had nothing to do with him!

Was she hallucinating now?

She was crying and saying those words to him, as if... he was the "Mr. Bodyguard" that she was referring to.

Absurd, ridiculous!

Sensing that he wasn't being calm enough, Bo Hancheng clenched his jaw as frustration was written all over his face.

She's just a woman, no... she's not even a woman yet. Why should I be bothered!?!

"Luo Zheng? I've already made clear the things between us. Since Nianqing is magnanimous enough to forgive you, you don't have to apologize but stop spouting nonsense! Go look for whoever you're thinking about. I don't have the time to play with you..."

Bo Hancheng said coldly without showing any emotion.

However, Mu Nianqing frowned because he was tightening his grip around her waist to the extent of causing her pain... in fact, it was also because he seemed to be treating Luo Zheng differently. She reckoned that something must have happened between him and Luo Zheng, this must be why he reacted that way.

Due to the fact that she harbored designs on Bo Hancheng, she had done all her research on him and knew clearly that he had always been lofty, prideful, arrogant and cold... especially since he came from the Bo Family from Britain.

Everyone in Britain knew that the men of the Bo Family were born without the ability to feel... In other words, they were cold, heartless and barely had any emotions, let alone love!

The men of the Bo Family were forbidden from love and Bo Hancheng was one of them!

Hence, it would be particularly difficult to impress him.

Although his "love" came with a price and was almost non-existent ... Mu Nianqing understood that if she could win his heart, he would definitely not let her down and he would love and protect her for the rest of her life!

It was a gamble that would give her everything if she won, but if she were to lose... she would end up losing everything and suffer horrible consequences!

Not long ago, she saw Bo Hancheng being intimate and affectionate with Luo Zheng, with her very own eyes.

Despite being in disbelief, she felt that she could not belittle Luo Zheng.

Since they've turned against each other, now would be the best opportunity for her!

At the thought of it, she smiled calmly and said, "Miss, I know my man... is very outstanding! But, he clearly isn't interested in you. Please... stop pestering him!"

Worried that Bo Hancheng might be disgusted with her, Mu Nianqing paid close attention to his expression and emotion when she said every sentence.

Fortunately, he remained composed and did not interject.

Feeling relieved, she smiled widely.

Afterwards, Mu Nianqing kept her back facing Bo Hancheng and looked at Luo Zheng in disdain. "Miss, you look rather young. I reckon you still don't know what love is! In the future, you will understand that love is not about possessing. By doing this, not only will you not get what you want, you'll even end up torturing yourself. What's the point in that?"

Luo Zheng ignored the gazes of the people around her, as well as their gossiping.

However, she heard Bo Hancheng's cold words.

He then heard Mu Nianqing's hypocritical remark.

"Hah..."

All of a sudden, Luo Zheng put on a lopsided smile and said in between sobs, "It really... is exactly the same..."

The same scene, the same Mu Nianqing and the same hypocrisy.

Luo Zheng, Luo Zheng, look at yourself. You're in such a terrible state and you're being abandoned, betrayed, and tormented.

It turns out that you're still a complete failure even after your rebirth!

Not only did you lose to Mu Nianqing again, you even lost your only saviour... Mr. Bodyguard!

"Mu, Nian, Qing..."

Luo Zheng muttered. Due to the fact that she was hanging her head low, her hair was hanging down her face and covering half of her features.

"Are you going to snatch away everything that belongs to me? My assets, my identity, my man, and everything else. I've already given you everything and I only have him left. Why do you have to snatch him away from me too? He's the only one I have left..."

Chapter 285: Luo Zheng, Stop Holding Yourself Cheap, I'll Take You Away!

Mu Nianqing snatched away everything from her, including Xi Mubai whom she had been painstakingly wooing for ten years.

In the end, Luo Zheng had nothing!

However, it didn't matter at all. It really didn't.

The reason being? She didn't really end up with nothing, at least... she had Mr. Bodyguard!

He was the only light at the end of the tunnel and her only hope when she was feeling hopeless and desperate. He was the last ray of light that lit up her life again.

He was the one who let her know that someone in this world did cherish her genuinely... she remembered his name clearly — Bo Hancheng, the man who was sillier than her and secretly guarded her.

She had never seen him before or even knew who he was. Yet, he had been loving her and devoting himself to her... he was just like her but the only difference was, she loved Xi Mubai while he loved her and even ended up losing his own life for her sake!

After her rebirth, she decided to take revenge and make it up to the Luo Family. Mr. Bodyguard was all she had left.

Yet, she had also lost him completely at this moment!

"Miss, I don't know you and I don't know what you're talking about! It's indeed too much of you to be undermining me like this..."

Mu Nianqing's heart clenched up and she could tell what Luo Zheng meant. Hence, she retorted angrily.

Although she found Luo Zheng to be pitiful, that did not mean that she would be so kind as to be benevolent and let Luo Zheng have her beloved Bo Hancheng!

Luo Zheng slowly raised her head to look at Mu Nianqing before scrutinising her carefully.

Just like in the previous life, she was elegant, beautiful, graceful... and Luo Zheng was just like an ugly duckling compared to her. She was disheveled, pathetic and helpless!

Luo Zheng's vision grew blurry and she felt like she had fallen into a vicious cycle. As long as she runs into Mu Nianqing, she would end up losing everything.

"Ah..."

No one expected Luo Zheng to wail in agony and vent all the misery within her.

It was as if there was endless sorrow in her voice which made others feel like stepping forth to comfort her.

"Enough! Luo Zheng, enough..."

All of a sudden, someone from the crowd yelled.

Later on, a figure walked out. It was none other than Xi Mubai!

Xi Mubai's brain was initially in a whirlwind and he continuously thought about why Luo Zheng detested him to the core... Gradually, he began to feel a burning sensation in his body, followed by a sense of emptiness.

To make matters worse, he realized that he was actually feeling a burning desire for a woman to satisfy his lust!

However, he was not a fool and knew that he had been drugged even though he could not figure out why.

He had no choice but to go to the washroom and try to bathe himself in cold water.

After that, he realized that it didn't work and hence decided to settle the issue while he was still rational, so as to avoid embarrassing himself... To his surprise, he walked out of the hall to see that everyone was crowding around a certain spot. However, he was not in the mood to take another glimpse.

To his astonishment, he noticed that Luo Zheng was the center of attention.

She no longer looked as sultry and beautiful as she usually was, and now looked rather listless and dejected, as if she had suffered a huge blow.

It was as if he were fated to be bothered about her. Unable to ignore it, he stepped forward.

He finally discovered that Mu Nianqing was there with Bo Hancheng whom she was behaving intimately with. They were definitely more than friends!

Xi Mubai suddenly guessed the reason for Luo Zheng's miserable state.

Throughout all this time, Luo Zheng no longer loved her and instead decided to love Bo Hancheng instead. She devoted all her feelings and love to him with all sincerity... but unfortunately, Bo Hancheng didn't care about her and only saw her as a partner in bed! He just wanted to toy with her!

He reckoned that Luo Zheng must have suffered a great blow and threw a tantrum when she saw Bo Hancheng with another woman, who was presumably his girlfriend.

However, he didn't expect Bo Hancheng's girlfriend to be Mu Nianqing, the person who had possibly saved his life!

Regardless of whether Luo Zheng was at fault or not, she ought not to be in such a state.

Even if he was being nosy, he couldn't bring himself to leave Luo Zheng in the lurch while she gets blamed by everyone else!

"Luo Zheng, don't hold yourself cheap anymore! I'll take you away..."

Chapter 286: You Clearly Know That He Doesn't Love You But You're Still Holding On To Him Dearly, What's The Point?

Xi Mubai then stepped forward to grab Luo Zheng's arm.

At the instant that he held her hand, he discovered that her body had stiffened and was trembling slightly!

He then noticed the dried up blood and scabs on her collarbone and the daunting and gruesome welts on her swan-like neck, which were the results of her being strangled.

No one knew what she had been through to end up in such a terrible state!

Luo Zheng was on the verge of despair when he dragged her away.

All of a sudden, she looked up at Xi Mubai and felt like she had gone back to her previous life. Full of resentment towards Xi Mubai whom she felt repulsed by, she pushed him away forcefully and snapped, "Don't... don't touch me... don't touch me..."

The memories of her previous life continuously haunted Luo Zheng and she felt that she could not break out of the dungeon of memories that was holding her captive!

Seeing this, Xi Mubai's face grew sullen and he was overwhelmed with a burning sensation... Yet, Luo Zheng refused to leave with him and even said some strange things to him. It was also impossible for him to insist on taking her away!

At the same time, Mu Nianqing could sense that Bo Hancheng was about to let go of her waist.

She looked up to see that he was staring at Luo Zheng.

At the end of the day, he still cared about her!

Mu Nianqing panicked and looked around.

Why aren't the Gu Family members sending someone to take Luo Zheng away yet?

If this goes on, Bo Hancheng will sympathize with her and give in. That would be disadvantageous to me!

Mu Tianwei initially wanted to lie to Luo Zheng and dupe her into going to Gu Changye's room, but due to the fact that Luo Zheng was still suspecting him, he pretended to go to the guest room to get some rest.

To his surprise, he walked out to see that everyone was crowding together and surrounding... Luo Zheng.

He then looked at his daughter Mu Nianqing who shot him a hinting glance that made his heart sink.

This stupid bastard child whom I've spoiled rotten, is really such a troublemaker. What trouble has she caused again this time?

No, this is the Gu Family banquet. If the Gu Family holds us responsible for the mess that she has created, we would suffer dire consequences!

Mu Tianwei was thinking about it and was just about to step forward.

At this moment, a man with a sinister voice said, "I heard someone is stirring trouble at my place, eh?"

Everyone stopped looking at Luo Zheng and instead turned to look behind them, where the voice was coming from.

They were greeted with the sight of a man clad in dark purple, appearing on the second floor. He was leaning against the railing with a glass of red wine in hand, staring at Luo Zheng who stood out from the glittering crowd.

The petite Luo Zheng was standing alone, with her hair all messed up.

She looked completely different from her bold and sultry self when she was negotiating with him a short while ago!

Wow, how disheveled!

He initially thought that Luo Zheng was a competent and shrewd vixen. Yet, she was so weak that she allowed herself to be the subject of gossip and criticism.

After hearing about the situation from his subordinates, Gu Changye managed to guess something.

Besides, he knew that Luo Zheng had an unusual relationship with Bo Hancheng. However, he didn't expect that Bo Hancheng would become so ruthless towards her in the blink of an eye.

Indeed... the members of the Bo Family were born to be heartless!

"What's the point!?!"

Gu Changye sighed and muttered but no one could hear him because he was too soft.

She clearly knows that Bo Hancheng doesn't care about her and yet, she's still so obsessed with him. What a stubborn child.

He took a sip of red wine and his glass covered his amber eyes.

However, isn't it the same for myself?

I clearly know that Qi Sumei doesn't love me and yet, I'm still so devoted to her and treasure her like a gem. What's the point?

In fact, Gu Changye was afraid that Luo Zheng might be telling the truth about Qi Sumei... Hah, he was just the same as Luo Zheng in this aspect. Pathetic, amusing and pitiful!

Chapter 287: Get Lost, Don't Touch Me!

"I seek your forgiveness, Young Master Gu. My daughter probably just had too much to drink. She's not stirring trouble on purpose! I'll take her home immediately..."

Seeing that Gu Changye had intervened, Mu Tianwei's heart skipped a beat.

If he doesn't stop Luo Zheng, she would definitely cause the Mu Family to be blacklisted by the Gu Family. If that were to happen, wouldn't all of his efforts go in vain?

After all, they needed Gu Changye to help the Mu Family and hence, he couldn't let the bastard child Luo Zheng ruin it!

“Zheng, are you feeling unwell? I’ll take you home...”

Mu Tianwei then stepped forward to grab Luo Zheng.

Seeing this, Xi Mubai felt an instant sense of relief and he reckoned that Luo Zheng would probably listen to her father and leave the place. Hence, he took a step back and made space for Mu Tianwei.

To his surprise, Luo Zheng was no longer in the mood to pretend.

Resenting Mu Nianqing would be the same as resenting the Mu Family.

Hence, before Mu Tianwei could even touch her, Luo Zheng snapped out of her trance and smacked his hand away. “Get lost, don’t touch me!”

All of a sudden, Mu Tianwei felt incredibly embarrassed to have Luo Zheng push him away and lash out at him.

At this moment, Luo Shuyuan too, stepped forward while feeling heartbroken about Luo Zheng.

Although he didn’t know what happened and why his niece had gotten into a conflict with Mu Tianwei... he could not help but sympathise with her because she was being criticized by others while feeling miserable.

However, Luo Shuyuan sensed that something was amiss with Luo Zheng. He did not reach out to grab her out of nowhere and instead asked softly, “Zheng, are you alright?”

Luo Zheng bit her lip while her eyes turned bloodshot, seemingly recovering from her extreme shock and bewilderment.

“Uncle... I’m alright...”

Her voice was hoarse and she sounded like she was sobbing when she replied.

Upon hearing her words, Luo Shuyuan felt relieved and he asked, “Will you come home with me?”

Before Luo Zheng could even answer, Mu Tianwei almost flew into a rage and he interjected, “Mr. Luo, please mind your own business. My daughter... is obviously going to come home with me to the Mu Family home!”

Mu Tianwei then stepped forward again in a bid to drag Luo Zheng away.

Being weak and feeble, Luo Zheng was almost being dragged helplessly by Mu Tianwei. Even if she tried to struggle, it was to no avail. “I’m not leaving... I still have something... to ask him...”

She had already said everything there was to say, even if she shouldn’t have. There was one last question she had left.

She had to hear his answer. Otherwise... she wouldn’t give up!

“Zheng, aren’t you embarrassed enough? Come home with me!”

Mu Tianwei had a sullen expression on his face and he ignored Luo Zheng’s incessant and incoherent murdering. He was just trying to drag her away, regardless of her febleness.

However, Luo Shuyuan stepped forward to stop him. He barked sternly, “She’s your daughter but she’s also my niece! Mu Tianwei, don’t go against your conscience. Aren’t you afraid that my late sister will hold it against you!?!”

Despite being held down and pulled away forcefully by Mu Tianwei, Luo Zheng turned around and stared at Bo Hancheng. “Bo Hancheng, I want to ask you a question! I still have something to ask you...”

Bo Hancheng was just like an outsider as he remained composed while staring at her.

All of a sudden, he said coldly, “I know you have a question but unfortunately... I don’t want to hear it.”

Luo Zheng’s eyes widened in shock and turned empty for a long time, as if she had lost her soul.

Her blood began to boil within her body and she began to show signs of a drug relapse!

All of a sudden, she raised her hand to cover her eyes while a ringing sound filled her mind. She muttered under her breath, “Are all men in this world... so fickle... even Mr. Bodyguard... is so cruel...”

Chapter 288: Gu Changye Defends Zheng Against Brother Cheng

Seeing this, everyone snapped out of their trances and continued to gossip and make comments about the situation.

“She’s so young and not only does she want to ruin someone’s relationship, she’s even so disrespectful towards her father!”

“He’s already made it clear and yet she still wants to pester him. How shameless!”

“If I were her, I would have left long ago! I’ve never seen someone as thick-skinned as her!”

...

Bang!

Everyone was gossiping incessantly amongst themselves while watching the commotion. Gradually, their comments began to get increasingly malicious!

All of a sudden, an object fell onto the ground, accompanied with a loud thud and sounds of something shattering. Everyone got a great shock and immediately fell silent.

They looked over to see that it was Gu Changye who had dropped his wine glass onto the ground, from the second floor.

A pool of red liquid began spreading ominously on the ground.

Gu Changye raised his brows and his narrow eyes moved upward. He barked impatiently, “How noisy! You either shut up and watch the show quietly, or... get out!”

All of a sudden, everyone shuddered in fear.

It was only because Gu Changye was the one who interjected. He was the true head of the Gu Family and was a ruthless businessman. He was also the guaranteed successor of the Gu Family’s business.

Rumor had it that he had become eccentric and developed an erratic temperament ever since he got into an accident that left him sexually impotent for life.

Now that they had witnessed his behaviour in person, they were all certain that the rumors were true!

“As for you, Miss Luo.”

Gu Changye said while glancing at the young Luo Zheng.

He then stood up slowly and made his way down the stairs. Appearing laid back and dangerous, he said, “Miss Luo, no one is allowed to stir trouble at my home! All troublemakers have to pay the price for doing so, but...”

He paused deliberately and turned to look at Bo Hancheng.

The two of them held each other’s gazes and there were unfathomable emotions in their eyes.

Seeing that Gu Changye was making his way forward, everyone moved to the sides in fear to make way for him. No one dared to stop him at all!

He continued, “But, it doesn’t take much to make an exception sometimes! That’ll depend on if you’re worth it or not, Miss Luo...”

Gu Changye shifted his gaze onto her again.

He then glared at Mu Tianwei coldly with a disdainful gaze in his narrow eyes. “As her father, how can you not look after your daughter? Since she has questions to ask, let her do it.”

Slightly stunned by Gu Changye’s unexpected words, Mu Tianwei hurriedly let go of her and said cowardly, “Yes, yes...”

Gu Changye then walked towards Luo Zheng and stared at Bo Hancheng. “Mr. Bo, Miss Luo is such a beauty. She just wants to ask you a question. Why do you have to be so stingy with your words?”

At the same time, he took a quick glance at Mu Nianqing before looking away in disdain.

Everyone watched as Gu Changye grabbed a strand of Luo Zheng’s hair and twirled it around his slender finger. “If I don’t already have Simei, a beauty like her... would really win my heart!”

Bo Hancheng clenched his fists tightly as he subconsciously found the scene before him to be an eyesore. “That would depend on whether she’s worth being doted on or not!”

Luo Zheng trembled because she knew that he was referring to her.

To him, I’ve never been worth it, right?

“You never know unless you try, right?”

Gu Changye questioned with a sinister smile.

Seeing that Luo Zheng did not resist Gu Changye’s touch, Bo Hancheng’s eyes turned gloomy and he deliberately gibed in a bid to insult him. “Others may try but I don’t know about you... Young Master Gu.

Regardless of whether she's worth it or not, you definitely can't appreciate her, so what's the point of thinking so much!?!>

Chapter 289: I Want You To Choose, Do You Want Me... Or Her?

Everyone was shocked right after hearing those words.

It was clear what Bo Hancheng meant. He was just mocking Gu Changye for being sexually impotent!

Who is this?

Be it in terms of appearance or dominance, he is definitely outstanding and way superior to all the men present but he is rather conceited... or rather, ignorance is bliss?

Does he know that that's Gu Changye, the eldest son of one of the four major families, the Gu Family!?!>

How dare he behave that way in front of Gu Changye? Is he tired of living?

Gu Changye's eyes grew gloomy and dangerous while he exuded an icy cold vibe that made everyone shudder.

However, Bo Hancheng was not affected at all.

After a long while, Gu Changye suddenly laughed and pulled Luo Zheng towards him. He then put an arm around her waist and said, "Even if I can't appreciate her, it isn't a bad idea to treat her like a pretty vase! Well, at least, Miss Luo is clearly a better vase than the one you picked!"

Mu Nianqing's face stiffened and she began to look rather embarrassed.

Clearly, Gu Changye is criticizing me and hinting that... I'm worse than Luo Zheng.

Why is the eldest son of the Gu Family helping Luo Zheng out of nowhere? Or is it that he's just bent on going against Bo Hancheng!?!>

Bo Hancheng stared at the dejected young girl before shifting his gaze onto Gu Changye's hand that was placed on Luo Zheng's waist. He was trying his best to suppress the anger in his eyes.

"No matter how pretty she may be, there's no point if she's redundant!"

At last, he turned around in a bid to leave after making that cold remark.

Seeing this, Mu Nianqing frantically chased after him with an ominous hunch.

Boom!

At this moment, the skies had turned dark and the sound of thunder could be heard all of a sudden.

During the nights in late summer, the weather was often fickle and it seemed like it was going to rain soon.

Gu Changye could clearly feel Luo Zheng shivering in his embrace, seemingly having been shocked by the sound of thunder that jolted her awake immediately.

After staring at Bo Hancheng's figure while he walked away, Gu Changye glanced at Luo Zheng and said with a look of disappointment, "Ah, I thought you were really interesting! Turns out, you're just so..."

Before he could even say the word "incompetent", Luo Zheng immediately yelled in a hoarse voice, "Bo Hancheng..."

At the same time, she raised her head and broke free from Gu Changye's embrace.

To everyone's surprise, Luo Zheng did not give up and instead staggered forwards and ran towards him stubbornly.

Bo Hancheng paused in his tracks and hesitated for a moment, for some reason.

She stopped in front of him and refused to give up.

However, she had already stopped crying and her eyes were red and swollen, though still filled with tears. There was an inexplicably complicated look in her eyes when she stared at him.

For a moment, Bo Hancheng slipped into a trance because he saw his reflection in her eyes.

It tugged ever so slightly at his heart.

"Bo Hancheng, I'm asking you, I'm going to ask you this for the last time! I want you to choose... Do you want me... or her?"

Luo Zheng sounded extremely determined.

Not waiting for him to answer, Luo Zheng said pleadingly, "Bo Hancheng, don't be too quick to answer. Think through it carefully, will you? I know it's my fault for lying to you and there's some misunderstanding that I've yet to explain to you clearly. But believe me, I didn't betray you, not a single bit at all..."

She then sobbed again as agony overwhelmed her. "You won't know... how much you mean to me! As long as I have what you want, I'll give it to you. If you choose Mu Nianqing over me, I'll be angry, I'll really be infuriated! From now on, I won't look for you, hug you or kiss you again..."

Chapter 290: It Was My Fault... You Can't Be Him...

Gu Changye chuckled and retreated towards the crowd alone. He glanced at the young girl Luo Zheng from a distance that was not too far away, watching as she went against Bo Hancheng.

Oh, that's interesting, isn't it?

Right from the beginning, Bo Hancheng had been staring at her without much emotion in his gaze. "Do you think I'll care about that?"

"So, do you choose... her?"

While Luo Zheng was asking in agony, she clutched her chest and almost felt giddy.

"Mu Nianqing is my woman, who do you think you are? I want her, not you!"

As he finished speaking, everyone in the hall stared at her peculiarly.

However, they dared not make a single sound because Gu Changye was around and they dared not offend him at all.

Their gazes were enough to agitate Luo Zheng and make her lose her composure!

“Ah!”

Clearly, she was in so much pain that she couldn't breathe. Yet, she chuckled.

Everyone including Bo Hancheng, kept their eyes fixed on her for a long time.

She then stepped forward and slowly closed the distance between her and Bo Hancheng until they were almost touching each other. She then raised her head to look at him.

“Bo Hancheng, repeat yourself! I want you to repeat yourself...”

Her voice was hoarse and she seemed to still be sobbing. Every word of hers seemed to hit the apex of her heart, making her quake a little.

Bo Hancheng shifted his gaze downwards to look at her. Her hair was draped across her body and her face as pale as a sheet. She was clearly shivering... Yet, the welts on her neck and her beautiful collarbones were extremely clear and deep. They were even still stained with blood.

At the thought of her lies and the way that she approached him with a hidden agenda... If that were to go on, he might just lose control and destroy her!

After all, cutting ties and making a clean break, would be great... for the both of them!

“The outcome will be the same regardless of how many times I repeat it! Mu Nianqing is my woman...”

Pak~

To everyone's surprise, Luo Zheng suddenly raised her hand and slapped him.

The loud and crisp slap sounded in the hall.

Not only was everyone shocked, the people upstairs were astonished too. Apart from Gu Changye, the rest of the Gu Family were about to intervene.

They received a report from the servant and hurried out to deal with it, though they were later than Gu Changye.

To their surprise, they saw Luo Zheng, a girl whom they did know, giving Bo Hancheng a tight slap!

They looked at each other in dismay, unsure of how they should handle the issue.

Gu Changye's eyes narrowed and it was beyond their expectation.

If they were in Britain, there would definitely be a huge uproar if the third son of the prestigious Bo Family were to be slapped in front of everyone!

Luo Zheng slapped him mercilessly with all her might.

Bo Hancheng frowned as he was overwhelmed with a burning pain and his eyes turned gloomy.

He rarely got slapped.

Although the Bo family had a lot of rules and severe punishment, slapping was too humiliating... Besides, under normal circumstances, no one would dare to hit any man from the Bo Family!

To his surprise, he was slapped by Luo Zheng, the partner in bed whom he no longer wanted!

“It’s my fault...”

All of a sudden, Luo Zheng’s palm trembled and she stared at him hopelessly.

She then smiled and burst into tears all of a sudden. She took a few steps back and quivered a little as if she were about to fall down. “It’s my fault... it was my fault since the beginning... you are not him... you cannot be him... my Mr. Bodyguard loves me... he will never be so cruel...”
