

BO LOVE LIFE 291

Chapter 291: My Mr. Bodyguard... Died On The First Night Of Snowfall In The Previous Life...

"I should have understood long ago... that my Mr. Bodyguard... is dead... He died on the first night of snowfall in my previous life... It's just that I refused to believe it... he's already dead..."

Her glistening eyes gradually became dim and dull, and her voice was hoarse and her tone was full of despair.

Almost no one could hear her clearly because her voice was too soft.

Bo Hancheng's eyes turned gloomy when he vaguely heard the words "Mr. Bodyguard".

At the next moment, Mu Nianqing recovered from the shock and could no longer be bothered to care about anything. Hence, she quickly looked at Bo Hancheng before saying, "Miss, you are too much! Just vent all your anger on me. Why do you have to vent it on Mr. Bo..."

She was well aware of how prideful he was and knew that he definitely couldn't stand being slapped.

All of a sudden, Mu Nianqing felt sympathetic towards Bo Hancheng and reached out to touch his face... Bo Hancheng shunned and avoided her touch. He continued to stare at the young girl Luo Zheng.

At this moment, Luo Zheng seemed to have realized the cruel truth and while holding her tears back, she raised her head to look at him again. "It was my fault... for mistaking you for him... how could you be Mr. Bodyguard... he wouldn't abandon me... or go for Mu Nianqing..."

Luo Zheng seemed to have found the core of her sadness as she had an epiphany. "Yes... you are not him... you are Bo Hancheng... not my Mr. Bodyguard... you are just Bo Hancheng... and you're not fit to be him... not at all..."

Her words had made Bo Hancheng stop in his tracks.

When he was a few steps away from her, he stared at her coldly.

After thinking about everything she said and linking them together, he thought, It turns out... she actually treats me as "Mr. Bodyguard"?

What a joke!

Or did she get close to me and show me her loyalty and willingness to give all she has, all because of Mr. Bodyguard? Am I just a substitute for another man!?!

After figuring that out, Bo Hancheng flew into a rage and he immediately felt an urge to kill.

No one can toy with him that way, no one!

Luo Zheng straightened her back slowly, trying her best to look less pathetic.

"You love her... he loves her... everyone loves her... I'm just a joke... Coughs..."

While murmuring, she suddenly lowered her head and began coughing violently while a faint sweetness and metallic taste emerged from her throat.

Blood then flowed out of her mouth, making her look absolutely daunting!

Seeing this, Bo Hancheng's heart wrenched up and he quickly dashed forward.

However, he hesitated again and during that instant, Mu Nianqing rushed forward to block him. "Miss, are you okay? I will take you to the doctor..."

Luo Zheng ignored Mu Nianqing and simply kept her eyes fixed on Bo Hancheng while wiping the blood off of her lips. "Bo Hancheng, I'll remember clearly, that you've abandoned me for Mu Nianqing! Didn't you say that you never want to see me again..."

She paused and smirked before saying sorrowfully, "Congratulations, from now on, I will do what you want!"

She then turned around resolutely and scurried out of the hall while ignoring everyone else.

"Zheng..."

Luo Shuyuan exclaimed, but he couldn't make Luo Zheng stay. Worry was written all over his face.

"Uncle Luo, don't worry, I'll go look after her."

Trying to bear with the intense and burning desire within him, Xi Mubai rushed forth.

Bo Hancheng then looked down and hid the raging storm that was brewing in his eyes.

At this moment, a gentle and tender female voice asked, "Mr. Bo, are you alright? Do you need some ointment for your face..."

Chapter 292: Once A Heartless Person Falls In Love, His Sweetheart Will Be His Only Weakness!

He watched as the fiery red figure disappeared outside the hall.

Sensing that he had been staring at Luo Zheng, Mu Nianqing stepped forward to block his vision while asking him some questions out of concern.

It was true that she did care about him, but she still had a hidden agenda and that was to remind Bo Hancheng that Luo Zheng was the one who slapped him. She wanted him to forever detest Luo Zheng and never care about her again!

Indeed, Bo Hancheng looked away and remained silent.

At this very moment, Mr. and Mrs. Gu stepped forward and said apologetically, "Mr. Bo, are you alright?"

Seeing this, Gu Changye smiled insidiously and stepped forward to gibe, "Congratulations for getting rid of a huge burden, Mr. Bo!"

Gu Changye was in a good mood when he thought about how pathetic of a state Luo Zheng was in just now.

Balance had been restored, since I'm about to plunge into hell, why should the people around me get to go to heaven? Since Luo Zheng will be going to hell with me, I probably won't be lonely!

Bo Hancheng then remained silent with a cold expression on his face. Gu Changye took another step forward and said loudly, "The people of the Bo Family are born heartless. You're indeed very ruthless! The best way to ruin someone is to break her heart. Mr. Bo, you've clearly managed to do that! It's such a huge pity for a beautiful girl like Miss Luo. Tsk, tsk..."

"Young Master Gu, if you want to take pity on her, go ahead! I'm just giving you a kind reminder. If you have any spare time, spend it on cherishing your fiancée lest... she feels neglected and throws herself into the arms of another man. What do you think?"

Bo Hancheng was clearly driving at something.

Upon hearing his words, Gu Changye's pupils constricted and he stared at Qi Sumei who was chatting merrily with Gu Jingxuan, at a spot that was not too far away from them. The two of them seemed to be getting along quite well, like a match made in heaven.

At the thought of the words that Luo Zheng had said to him, he clenched his fists in exasperation while darkness poured out of his heart.

Mr. and Mrs. Gu repeatedly invited Bo Hancheng upstairs and he finally gave in after a while.

However, before he made his way up, he glanced at the empty door of the hall.

The thought of everything that happened earlier on made him feel overwhelmed with frustration.

He felt that he ought to put an end to it immediately, or else... he would end up being involved further!

No matter what, it would be a good thing for her to stop pestering me, wouldn't it?

It's at least better than having her continue to pester me and mess my heart up.

If she no longer appears in front of me in the future, I'll be able to slowly calm myself down. What's the harm in that!?!

"Mr. Bo, Old Mr. Gu has sent someone to call the family doctor here. You'd better get some ointment applied on your face."

Mu Nianqing said gently in a caring manner while trying to hold onto his arm.

Bo Hancheng frowned and was about to shrug her away.

However, he decided to suck it up after realizing that it was a choice that he had made for himself.

Gu Changye watched as Bo Hancheng made his way upstairs, after which he looked down at the hall and his amber-brown eyes glistened. He chuckled and said, "Luo Zheng, the 'surprise' that you're giving me is really unexpected!"

Soon, his subordinate stepped forth and whispered into his ear, "Young Master Gu, we've already arranged everything according to your instructions."

Gu Changye then looked up at Qi Sumei before raising his arm and waving it gently.

Just as his subordinates were about to leave, he suddenly thought of something and said, "Send the chauffeur to tail Luo Zheng immediately. It looks like it's going to rain soon and we're on the

mountainside. If anything happens to her, it won't be fun in the future! Tell the chauffeur to send Luo Zheng wherever she'd like to go."

"Yes."

Although Gu Changye's subordinate had no idea why he made that command, he knew that he had to obey it!

Peace was restored in the hall.

Gu Changye smirked and looked particularly sinister.

He was destined to be enemies with Bo Hancheng, so... it would be good to have one more trump card in his hands!

Although the members of the Bo Family were born heartless, there was something about them that most people didn't know.

That was, once a member of the Bo Family falls in love, the person he falls in love with will become his only weakness... and no trump card would be more lethal than one's Achilles heel.

Luo Zheng... Her sultry and beautiful appearance surfaced in his head.

Unless the beautiful young girl was already in love with someone, just like himself, who could guarantee... that she wouldn't fall in love?

Chapter 293: You're Just A Rat Who Is Only Worthy Of Living In The Dark And Never Worthy Of Seeing The Light Of Day!

As Luo Zheng left, everyone in the hall moved away from each other.

They were still gossiping about the sudden incident but their focus had shifted from Luo Zheng, to... Bo Hancheng!

They wondered what his status was, such that the Gu Family treated him so politely like they were afraid of offending him!

The Luo and Xi Families had held close ties with each other for a long time.

Luo Shuyuan felt relieved because he saw that Xi Mubai, whom he understood well, was chasing after Luo Zheng.

He then stared at Mu Tianwei and said in open disgust. "Mu Tianwei, if you can't protect Zheng, the Luo Family will protect her!"

In the past few years, Old Mr. Luo began to miss his youngest daughter more and more as he grew older, who was also Luo Shuyuan's younger sister, Luo Huawei... Unfortunately, she passed on at a young age and only left her daughter behind. Yet, Luo Zheng ended up being brainwashed by Mu Tianwei from a young age and was coerced into harboring strong animosity towards the Luo Family!

Finally, Luo Zheng grew up and began to show some intentions of changing her mind. He would never allow Mu Tianwei to lead her astray again!

After hearing this, Mu Tianwei's face grew sullen and he smiled coldly. "Mr. Luo, what are you trying to do? Zheng is my daughter, I definitely love and dote on her! Even if the Luo Family wants to protect her, you still have to see if she's willing..."

Luo Shuyuan's resentment and disgust grew within him and he retorted domineeringly, "Don't think I don't know what dirty designs the Mu Family is harboring!"

Hah, aren't they just coveting my sister's shares? They can forget about getting the shares through Luo Zheng and becoming a major shareholder of the Luo Family.

Even if Mu Tianwei really gets the shares and becomes a major shareholder, so what? I'll do everything I can to get the shares back and kick him out of the company!

I'd better talk to Zheng in private and tell her not to be too silly and keep her guard up against the Mu Family instead.

It doesn't matter if Zheng is spending the money left behind by Huawei but unfortunately... I know that all of the dividends that had been paid out in the previous years, were all taken away by Mu Tianwei!

"My sister was blinded to have fallen for a shameless man like you who's too lowly to be equal with others! You're just a lowlife who doesn't deserve to see the light of day!"

Luo Shuyuan barked menacingly and ignored Mu Tianwei before leaving with Luo Tingxue and Luo Yan.

With a sullen expression on his face, Mu Tianwei glowered at the members of the Luo Family with resentment in his eyes.

They look down on me because I'm poor, especially Luo Huawei!

One day, one fine day, I must find a way to trample all over them and make them see... how I will ruin the Luo Family especially since they think that I'm insignificant!

The man whom Nianqing had been accompanying, looks just like an outstanding and formidable person. Even the Gu Family, which is one of the four major families, had to treat him cautiously with due respect.

Is he the legendary Third Young Master Bo, the son of the British President and the candidate for the next president!?!

...

"Uncle, wait a minute..."

Luo Tingxue was extremely distracted, not because of Luo Zheng but because of Bo Hancheng.

She finally recovered from the shock and chased after Luo Shuyuan before asking in disbelief, "Uncle, who is Bo Hancheng? Do you know who he is..."

She actually thought that Bo Hancheng was an ordinary person just now and she felt extremely stupid for thinking so!

Luo Yan listened and asked curiously, “Yeah, Father, isn’t that Mr. Bo the same man who visited our home during Luo Tingxue’s birthday previously? Back then, you and Grandpa treated him differently too.”

He then paused and glanced at Luo Tingxue before saying, “Look at Tingxue, she’s obviously tempted. Why don’t you try to matchmake them?”

“Rascal, what nonsense are you spouting!?! Tingxue, is what Yan said real? Do you... really fancy Mr. Bo?”

Luo Shuyuan frowned and asked sternly.

Luo Tingxue blushed and explained softly, “Uncle, don’t listen to Cousin’s nonsense, I’m just curious...”

“It’s okay to be curious, but you definitely can’t harbor any other thoughts, got it? Mr. Bo is from Britain and he comes from an extremely complicated background. The Luo Family must not get too involved. You must keep this in mind!”

Sensing that Luo Shuyuan was not joking, Luo Tingxue got a great shock and she asked nervously again, “So, is his identity... really not ordinary? Is he a noble?”

Chapter 294: He Died In The Previous Life And Lives In The Present

Although Luo Shuyuan didn’t answer in detail, he simply said with a sigh, “How can a man as formidable as him be a commoner? Even so, we’d better stay away from him, lest... we get into trouble!”

He deliberately lowered his voice when he said those words and there were hidden meanings in his words, which no one could understand.

However, Luo Tingxue’s heart raced and she almost couldn’t control herself.

So that’s the truth!

“Ah! I’m so silly...”

All of a sudden, Luo Tingxue smiled and actually criticized herself for the first time with joy.

Why am I so silly?

I actually thought that that man was ordinary and I even thought that I could impress him just because I’m the princess of the Luo Family... I should have long guessed that he’s an extraordinary man since he’s so outstanding. How could he be an ordinary man!?!

Although she didn’t know the details of his background, she let her imagination run wild.

She was completely different from Luo Zheng. Luo Zheng is just a dull star who has an inferiority complex while she was like a shining star in the sky. They were worlds apart from each other... and most importantly, she knew that Bo Hancheng already had a female partner and hence, acted appropriately.

Luo Zheng was the only brainless one who actually went forth to provoke him, only to end up in a pathetic state!

Luo Tingxue was overwhelmed with love towards Bo Hancheng and hence, stopped thinking about Luo Shuyuan's reminder.

Or perhaps, she didn't bear it in mind at all...

...

The weather on summer nights were truly fickle.

The cold gust of wind took away the warmth and added a tinge of coolness in the air.

Luo Zheng stumbled and ran out of the hall, before passing through a corridor. She noticed that the Gu Family door was right in front and she would be able to make her way down the mountain after she exits.

Bang!

All of a sudden, she fell onto the ground with a loud thud, as she was caught off guard.

"Why... is he not Mr. Bodyguard... why... "

She was overwhelmed with pain that spread through her entire body, causing her to curl up with agony in her heart.

Perhaps, she only had an epiphany now.

Her previous life was just the previous life and the only person who was reborn, was herself!

So, Bo Hancheng has nothing to do with my previous life because he will always only be Bo Hancheng. Even if he looks exactly the same as Mr. Bodyguard, deep down... he will never be Mr. Bodyguard!

So, Bo Hancheng will only resent me and misunderstand me.

My Mr. Bodyguard is perfect. He loves me, protects me and takes pity on me... In the end, he even gave up his life to help fulfill my last wishes. He died in the fire in exchange for my new lease on life.

Perhaps, I should have understood and realized the cruel truth a long time ago. I was just... lying to myself because it was wishful thinking on my part!

The so-called "plan to repay him" is just a mistake.

I'm the only one who was reborn from the previous life.

The world is so large and yet, there is no place for me!

Tit-tat...

While she was in a trance, the raindrops from the sky fell onto her face, making her feel a cold sensation.

"Luo Zheng..." said a clear male voice that came from behind her.

Xi Mubai rushed forward.

Staring at Luo Zheng who had fallen onto the ground, he bent forward to help her up. "Are you alright?"

He was in more pain than Luo Zheng!

There was a burning desire in his body that seemed to be getting more and more intense. He had no choice but to suppress it and stay rational.

Upon hearing his words of concern, she raised her head to look at him. All of a sudden, she chuckled and said derisively, "I'm not the only one who's holding themselves cheap. You're just like me, Xi Mubai!"

She used to pursue him desperately while he ignored her and treated her with disdain... Now, he was actually taking the initiative to chase after her even though it had only been a short while since she left after ignoring him.

Despite her cynicism and sarcasm, Xi Mubai remained calm and picked her up in his arms without uttering a single word.

He then strode forward slowly.

Chapter 295: Luo Zheng, I Regret It

Luo Zheng allowed him to carry her while resentment grew within her.

If it weren't for the fact that Xi Mubai was heartless in his previous life, there wouldn't have been the resulting consequences. At the end of the day... it still had something to do with him!

The more she thought about it, the more disdainful she felt.

"Xi Mubai, are you feeling repulsed by me? What are you doing..."

"Xi Mubai, do you have any idea how disgusted I feel about you hugging me like this..."

"Xi Mubai, why are you so cheap? I don't love or admire you anymore. You're being really absurd and ridiculous..."

...

Those cruel words were coming from the girl in his arms.

Xi Mubai lost his rationality in the end!

He looked in front and realized that it was the entrance of the Gu Family home.

Xi Mubai suddenly stopped in his tracks and turned around to go to the other obscure corner.

Bang!

Unexpectedly, he put her down in a corner and leaned forward before saying painstakingly, "Luo Zheng, just take it that... I'm regretting it now." He seemed to be trying to restrain himself.

The raindrops in the sky then fell down heavily and it was no longer just drizzling.

Luo Zheng remained silent before asking again, "Do you regret it now?"

"Yes, I'm regretting it! Luo Zheng, you've won, and I admit defeat..."

He then raised her chin with his finger and said, "I don't know how much genuine feelings you have for him but... he has a girlfriend and he's not interested in you. That's a fact that you can't deny! Didn't you have a crush on me in the past two years? I refuse to believe that you don't fancy me anymore just because you say so..."

He then inched closer towards her while his desire and lust grew stronger because the effects of the aphrodisiac were in full swing. "Since you like me so much... Luo Zheng, shall we be together? I'm not him and I won't give up on you. I'll be responsible for you..."

Although Luo Zheng was feeling hopeless, she could not help but be shocked when she heard those words.

At the next instant, she seemed to have been reminded of something and suddenly smiled with tears in her eyes. Her smile was dazzling and bright.

Suppressing the pain within her, Luo Zheng scrutinized his face.

Despite being in the dark, she could still see that his handsome face was red... Not to mention, he was holding her in his arms and she could feel the heat radiating from his body through the thin fabric of his clothes.

She felt there must be something abnormal with Xi Mubai who actually confessed to her!

It turned out that it was because... of the aphrodisiac!

Xi Qianqian handed her a glass of wine which she then allowed Xi Mubai to drink. After calculating the time... she reckoned that the drugs should have kicked in and hence, she found his strong willpower to be incredible!

"Brother Mubai, how would you like to be with me?" Luo Zheng asked calmly in a self-deprecating manner.

All of a sudden, Xi Mubai felt like he was losing control and he held her tightly in his arms while taking a whiff of her pleasant scent... while tension built up in his lower body. He wanted to get close to her body to seek some relief.

"Luo Zheng, I want you! Will you give yourself to me?" he whispered into her ear.

Xi Mubai was no longer as gentle and refined as he used to be because of the aphrodisiac in his body. The desire in his eyes was overflowing while he held her in his arms... Although he was still rational, he could not stop himself from thinking as he hugged her tightly again.

He then moved his thin lips and kissed her hair which was long like seaweed.

"Hah, Xi Mubai, are you awake now? Do you know what you're saying? Do you know who I am!?!"

Chapter 296: Marry You And Make You My Wife

When she asked that question, her voice was hoarse, perhaps because of all that crying.

Although she didn't push Xi Mubai away, she still refused to give him any answers and she allowed him to continue hugging her like she was a lifeless piece of wood.

“Luo Zheng, do you think... I’m not sober?” Xi Mubai asked with a wry smile as his heart sank.

He then continued softly, “I know... what I’m talking about... and I also know... that you’re Luo Zheng...”

If she weren’t Luo Zheng, he would have long left.

Perhaps, this was the only time that Xi Mubai had no choice but to admit... that he had fallen for Luo Zheng unknowingly, even though he had tried to push her away in the past.

Yet, in the blink of an eye, he actually developed feelings for her!

Since it was the truth that he could not deny, he would just... admit it.

Perhaps, admitting to the fact that he had fallen for Luo Zheng, wasn’t as difficult as he imagined.

The only awkward thing about it was the fact that he couldn’t leave now because the effects of the aphrodisiac were in full swing!

“Listen to me... I got drugged by someone... be my antidote...”

Xi Mubai asked in a pleading tone, even though he found it to be very absurd.

After all, he had yet to interact much with Luo Zheng and yet, he was already asking her to get intimate with him. It didn’t make sense at all!

However, he felt rather muddled up for a moment and he couldn’t control himself at all.

Before he lost his rationality, he kissed her clean forehead and said, “You’re still young... I know... I must control... I will try not to hurt you as much as possible... You can rest assured, I will be responsible for you! Luo Zheng, I will marry you and make you my wife...”

Luo Zheng found it to be rather amusing and ridiculous. She had never encountered such an absurd and ironic thing before in her life.

Xi Mubai actually said that he would marry her!

“Brother Mubai, you’re only saying that because you want to get intimate with me, aren’t you?”

She looked up at him with contempt and derision in her eyes.

Unfortunately, he seemed to be overwhelmed by his emotions and was too muddled up to hear the contempt in her tone. “Luo Zheng... I was drugged... and I couldn’t help myself. Are you willing, to give yourself to me...”

The only solution Xi Mubai could think of was hearing Luo Zheng agree to his request.

However, Luo Zheng simply retorted coldly, “Do you really want it that much?”

Xi Mubai did not intend to answer but the more he listened, the more he found it hard to digest. He looked down slowly and glanced at her injured collarbones, after which he took sympathy on her and wanted to kiss them gently.

However, at the same time, he heard her chuckle before saying, "What a pity, Brother Mubai, you're still kept in the dark even until now! Of course I know that you had been drugged! After all, I was the one who fed you the drink. No one would know better than I do..."

Boom!

A ray of lightning flashed past the night sky while it was raining.

For a moment, their faces were lit up.

Just as he was about to kiss her, he raised his head and his pupils constricted. "Luo Zheng, what... did you say just now?"

No matter how randy he was feeling, her words had still managed to make him sober up.

"Whatever you heard."

Luo Zheng looked up with a composed smile.

Since she was overwhelmed with immense pain, she decided to drag someone down with her. At the end of the day... he was the mastermind and he definitely wouldn't escape!

"You mean, you were the one... who drugged me?" Xi Mubai suddenly turned pale in complete disbelief.

He saw her irksome smile and realized that she didn't deny it and instead said with a nod, "Yeah, how does it feel? Brother Mubai!"

Chapter 297: Since You Need A Man So Badly, I'll Satisfy You!

Bang!

At the next moment, he put an arm around her shoulder and pressed her against the wall.

"Luo Zheng, how could you do that? How could you drug me!" Xi Mubai frantically questioned her as his body began to burn badly.

At this moment, he suddenly realized why Luo Zheng had always been staring at him with disdain... he reckoned that it was probably because she simply thought of his so-called compassion and affection, as a damned joke!

"You don't have to get angry, Brother Mubai. It's just some drugs. There's another present that I've meticulously prepared for you!"

Luo Zheng said without emotion. She was no longer gazing at him with love and admiration in her eyes like she used to.

"Luo Zheng, why? Just why did you do that!?"

Unable to control himself any longer, Xi Mubai questioned her with resentment, "Did you do it because you used to have a crush on me but I never reciprocated your feelings for me so you started to hate me? Are you trying to resort to despicable means to take revenge? Luo Zheng, how could you be so shameless!?"

Luo Zheng turned away from Xi Mubai and looked into the distance amidst the rain. Clearly, there was someone around.

She then raised her hand and placed it on his face before smiling aloofly. "Seems like you still think you're innocent, Brother Mubai! You have no idea what wrong you've done to deserve such unfair treatment... do you feel really aggrieved?"

Her peculiar tone made Xi Mubai feel extremely uncomfortable while his desires grew stronger. He actually didn't feel like pushing Luo Zheng away!

Instead, he felt bewitched and wanted to get closer to her, even though he knew that she was the one who drugged him!

"But, what can we do? Xi Mubai, I simply refuse to tell you the truth! I'm going to watch you being overwhelmed with the agony of not knowing the truth..."

Luo Zheng's smile began to fade.

She was about to push him away.

However, at the same time, Xi Mubai burst into laughter and held onto her waist tightly. "Luo Zheng, I wanted to dote on you and give you some affection at first! But since you're the culprit, I'm afraid I don't need..."

He then put out his other hand and placed it on the back of her head, forcing her to look up at him.

At the thought of everything that happened previously, he smiled coldly and continued, "Well, you are very cheap. Just because I didn't reciprocate, you went on to look for other men! In the beginning, I didn't want to believe it and I thought that Bo Hancheng was just a scumbag, but now... it seems that I was wrong! You're the one who was willing to give yourself to him and shamelessly become his partner in bed..."

"Unfortunately, Luo Zheng, so what if you sent yourself to him? He still doesn't want you! Luo Zheng, do you know how pathetic you are?"

"Xi Mubai, shut up!"

Luo Zheng had a sullen expression on her face and she didn't want to hear it anymore. Hence, she reached a hand out in a bid to push him away.

However, she couldn't manage to push him at all. He was burning hot and even the rain didn't manage to reduce his temperature.

"Since you were the one who drugged me, you should be responsible! Luo Zheng, why bother going to someone else? You're so young and yet you're already so randy. You don't need to give yourself to Bo Hancheng, I'll satisfy you!"

Xi Mubai then kissed her forcefully.

Luo Zheng's pupils constricted, for she had never expected Xi Mubai to react that way... Clearly, he should have detested her and felt repulsed by her. Yet, he actually tried to compel her!

She frantically moved her head to avoid it. At last, his kiss landed on her face.

Luo Zheng immediately tensed up as she felt an overwhelming sense of disgust!

Chapter 298: I'm Willing

Indeed, she would feel extremely disgusted about being touched by another man, so long as he wasn't Bo Hancheng.

Although she had already seen clearly that Bo Hancheng was not the Mr. Bodyguard whom she loved, it was still the same!

He was still the only man whom she was willing to get close to!

As for the other men, be it Gu Changye or Xi Mubai, she would be fine with slight interaction but if they were to get closer... she would either push them away or detest them. She would instinctively be overwhelmed with disgust!

At the thought of that man, Luo Zheng's heart seemed to have skipped a beat again.

Why?

Why do I still feel that heartache despite knowing that he isn't Mr. Bodyguard?

It seemed like someone had taken her heart away forcefully and caused her to be in so much pain that she couldn't breathe at all.

"Who are you thinking about? Is it Bo Hancheng? Is it?" Xi Mubai was infuriated when he sensed that Luo Zheng was obviously distracted.

At the same time, he also noticed the disgust and repulsion that she had towards him.

If he were still rational, he would be able to stay calm now.

However, the effects of the drug were in full swing and he was constantly being agitated by her too. Hence, Xi Mubai instantly succumbed.

"Luo Zheng, I want you!" he exclaimed irrationally.

He then put a hand on her waist and pressed her against his chest forcefully.

He then lowered his head and kissed her deeply while his desires spread quietly in his heart. He was ready to seduce her!

"Dong..."

Luo Zheng tried her best to struggle and even kneed him in the process.

She struck him right in between his legs without missing.

At the next moment, Xi Mubai turned pale and took a few steps back before leaning over to cover himself. "Luo Zheng, you..."

“Miss Gu, if you still refuse to come out, I’m afraid you’ll no longer have the chance to get your Senior Mubai again in this life!”

Ignoring the angry gaze in his eyes, Luo Zheng stepped forward and said to the shadow in disdain.

The silence was sustained for a long time.

Upon seeing this, Luo Zheng sneered, “I’m counting to three. If you still don’t show up, the deal between us... will be called off!”

She then paused and stuck her fingers up. She counted aloud, “1... 2...3...”

Before she even finished speaking, a slender figure finally walked out of the dark.

The night sky was drizzling but the rain was getting heavier. The raindrops landed on the bodies of the people, making them feel cold.

The figure approached and finally revealed her face. Who else could it be except Gu Sisi?

Gu Sisi was feeling rather embarrassed. She first went to Luo Zheng and tried to keep her voice low. “Luo Zheng, this is completely different from what you said! You said clearly that you’ll cooperate with me to send Senior Mubai to my room. Why did you go back on your word?”

She actually spelled my name out in front of Senior Mubai and mentioned that we struck a deal. Wouldn’t that be the same as letting Senior Mubai know that I’m just as lowly as her?

Even if I get to be with Senior Mubai for a night, what would happen later? How am I supposed to act like the “innocent party” later?

“Things are different now,”

Luo Zheng answered coldly with composure.

“You...”

Gu Sisi gritted her teeth but there was nothing she could do.

Soon, her eyes glistened and she walked past Luo Zheng to go to Xi Mubai whom she helped up. “Senior Mubai, don’t get me wrong, Luo Zheng was the one who tried to get me involved. She said that she wanted to drug you and frame you! I’m just worried about you. That’s why I tailed her, I have nothing to do with her...”

Sensing that his temperature was burning hot, she moved closer towards him and asked, “Senior Mubai, are you feeling particularly uncomfortable now? I didn’t expect her to drug you. I can... be your antidote! I don’t mind, I really don’t...”

Chapter 299: I, Xi Mubai, Must Have Been Blind To Have Fallen For You!

At this moment, Xi Mubai was trying his best to control himself but his eyes were full of disbelief.

He didn’t expect Luo Zheng to drug him nor did he expect Gu Sisi to appear here, as if everything had been planned beforehand!

At that instant, his eyes turned bloodshot and he pushed Gu Sisi away. He could no longer be bothered to be gentlemanly too. Instead, he staggered forwards and glowered at Luo Zheng. "Luo Zheng, is this part of your damned plan too!?!"

Clad in fiery red, Luo Zheng looked at him with a calm and mirthless smile. "Brother Mubai, since you were drugged with an aphrodisiac, you definitely need a woman to provide you with some relief. I was just making preparations for you out of goodwill. Are you... upset?"

"Luo Zheng, you're really heartless! I must have been blind to have developed feelings for you!"

Xi Mubai thought about how he had been feeling perturbed and vexed because of Luo Zheng lately.

All because of Luo Zheng, his sister's leg became crippled and could never dance again for the rest of her life. He even turned his back on his sister and fell out with her for the sake of being able to get close to Luo Zheng, as if he had been possessed by a demon.

During the banquet earlier on, everyone was surrounding her and he felt distressed and infuriated for her. He was upset about the predicament that she was in, and angry because of how stubborn she was!

He admitted that he had indeed let her down in some way because he never once reciprocated her feelings for him in the past two years... but what is this? What a joke. This is Luo Zheng's response towards my confession!

Luo Zheng did not feel the slightest bit of sympathy for him at all. She simply recalled a certain memory of hers and chuckled lightly before saying, "So what if I've done that? It'll never be as terrible as what you've done, Brother Mubai!"

Xi Mubai could not figure out what she meant at all because he found her words to be somewhat genuine.

"Luo Zheng, what do you mean? Make yourself clear!"

He was trying his best to stay rational while lust overwhelmed him.

He suddenly stepped forward to grab her arm and questioned maniacally, "Luo Zheng, what wrong have I done to you? How could you take revenge on me like this!?! Tell me, how have I let you down!?! Why did you do that to me..."

Gu Sisi began to feel jealous when she saw the scene taking place in front of her.

She was particularly upset about Xi Mubai admitting that he had... developed feelings for Luo Zheng.

Having made up her mind, she scurried forwards and held onto his other arm. "Senior Mubai, ignore her. This is Luo Zheng's true colors! She's vicious, promiscuous and slutty. She isn't true to you at all..."

Gu Sisi could guess what happened after seeing everything that took place in the hall just now.

"She just wants to seduce Professor Bo now! She isn't worth your efforts at all..."

"Gu Sisi, do you dare believe... that I'll make sure your wishes don't come true if you keep babbling on?"

Luo Zheng interjected, filled with disdain towards Gu Sisi who was intentionally trying to defame her.

Gu Sisi immediately shivered and dared not say a single word, for fear that Luo Zheng would go back on her word... after all, Luo Zheng used to carry a torch for Xi Mubai and had just failed in her pursuit of Bo Hancheng. Hence, it'd be normal for her to change her mind.

If that were to happen, wouldn't the deal fall through? I'll never get to be with my crush then!

At the thought of this, she hugged his arm even more tightly and slowly rubbed her bosom, which was slightly exposed, against his chest. She was trying to make him look away from Luo Zheng and shift his attention onto her instead.

Seeing that Xi Mubai was staring at her with an intense gaze, Luo Zheng lowered her head, only to see that he was grabbing her arm tightly with his slender fingers.

In the end, she flung his fingers away without hesitation!

Chapter 300: Past and Present Life: Xi Mubai's Memory Awakens

Luo Zheng was a little distracted, perhaps because of the huge blow that she had suffered. In fact, she was not even in the mood for a live show anymore!

"Gu Sisi is actually rather pretty. She's also a member of the Gu Family, so she's compatible with you! Brother Mubai, you should thank me for drugging you and helping you find such a perfect partner..."

Luo Zheng suddenly shrugged her arm and pushed him away before continuing with a chuckle, "I genuinely wish you a pleasurable and wonderful night, my Brother Mubai!"

She then pushed Xi Mubai's shoulders and pushed him into Gu Sisi's arms forcefully!

She then turned around to leave.

Xi Mubai staggered forwards and was hugged tightly by Gu Sisi as his body became weaker and was unable to break free!

All of a sudden, he suddenly felt a tinge of bitterness as he stared at her back view before hollering, "Luo Zheng, how dare you leave! Come back! Luo Zheng..."

Unfortunately, Luo Zheng continued to walk slowly towards the door and was about to disappear in the rain.

"Senior Mubai, what is so good about her? I can stay with you, and I'm willing to give what you want..."

Watching Luo Zheng leave, Gu Sisi felt relieved and a little shy.

However, she realized that Xi Mubai was only concerned about Luo Zheng and hence, she could not help but feel rather ashamed and angry.

"Senior Mubai, let me help you back to the room. Take me! I really adore you... Ah..."

Gu Sisi made a sincere confession but before she could even finish,

Xi Mubai pushed her away forcefully and increased the distance between them!

Afterwards, he stumbled forward and fell onto the ground because he couldn't resist the effects of the medicine.

Boom!

At this moment, the sound of thunder filled the air and looked like it was about to strike them.

Xi Mubai was lying on the ground and he raised his head to look in front.

At the same time that the thunder fell together with a ray of lightning that lit up the sky, Luo Zheng had already reached the entrance. He managed to catch a glimpse of red, and his vision became blurry.

"Luo Zheng..." said a clear male voice that came from behind her.

He murmured and clutched the mud on the ground.

All of a sudden, he felt a splitting headache that made the torment appear again.

The images flashed through his mind and he was overwhelmed with feelings of hopelessness. He could hardly bear with it and shut his eyes forcefully!

Suddenly, different voices seemed to have overlapped.

"That person from Britain is secretly dealing with the four major families and the Xi Family... might not be able to sustain any longer!"

"Mubai, once the Xi Family is destroyed, the people your father has offended in the corporate world throughout all these years, will definitely take revenge..."

"Brother, save me, Father and Mother want to sacrifice me by sending me to the Gu Family to take care of Gu Changye! He's a huge pervert and I will die..."

...

His father, mother and sister were the ones who first appeared in his head.

Finally, it was a young girl.

No, she wasn't young. She seemed to be two or three years older than now, and was much more mature.

Without a doubt, the girl was Luo Zheng.

Luo Zheng was only 17 or 18 years old in real life and she was beautiful, bright, and sultry... but she was no longer puerile, tender and innocent, and her features had yet to fully develop.

In his mind, she was around the age of twenty, and she looked absolutely beautiful, even more so than Luo Tingxue.

She smiled at him solemnly and sympathetically. "Brother Mubai, I know that the Xi family is going through a difficult time now and I know... that you definitely dote on your sister so you won't be willing to let her sacrifice herself! It's alright, I will help you, I'll wait on Gu Changye. Isn't he sexually impotent? I won't be at a disadvantage!"

She paused and sighed. “No matter what, I’m one of the “Four Great Socialites” now and Gu Changye will probably agree to let me replace Xi Qianqian!”

...
