

BO LOVE LIFE 351

Chapter 351: Don't Die...I Don't Want You to Die...

On the night of the first snowfall, he broke through the window like an emperor and saved her from despair.

“Missy, continue living on, alright?”

His large, warm palm covered her face.

Luo Zheng couldn't help but rub his palm affectionately and said, ‘Mr. Bodyguard... don't leave me...’

Bang!

At the next moment, his palm disappeared and what followed next was a loud explosive sound.

She opened her eyes and looked in the distance, only to see the fiery flames engulfing him and burning him to ashes!

...

“No! Don't... ”

Luo Zheng broke out into cold sweat and she suddenly opened her eyes while her heart ricocheted violently.

At the same time, Bo Hancheng woke up from his sleep and opened his abyss-like eyes to stare at Luo Zheng who was sweating in his arms.

With a frown, he touched her forehead and wiped away the sweat. “Little imp, did you have a nightmare?”

Upon hearing his words, the stunned Luo Zheng raised her head to look at him, only to see that his face was the same as that of the man in her dream!

She then stretched out her arms all of a sudden and hugged him tightly. “Don't die... I don't want you to die...”

Bo Hancheng's body stiffened, perhaps because he didn't expect her to suddenly take the initiative to get close to him. Perhaps... it was because of her abnormal words!

He then moved his large palm downwards and rubbed her head gently while comforting, “Don't be scared, I won't die.”

While buried in the man's arms, Luo Zheng snapped back to reality within just a few seconds.

It was a dream just now, but this is reality!

So, the person hugging me... is not Mr. Bodyguard but Bo Hancheng!

Luo Zheng's pupil constricted immediately and she immediately noticed that the duvet had slipped off of her body, making her feel a little chilly.

Damn it, why isn't she wearing any clothes!?!

Luo Zheng began to gain her rationality again and she subconsciously tried to move out of his arms with shyness and shame written all over her face.

To her surprise, Bo Hancheng immediately discovered her intentions. He put an arm on her waist and questioned, "What are you trying to do?"

"Bo Hancheng, let go..." Luo Zheng struggled and pushed him back.

Upon seeing that, Bo Hancheng's eyes grew gloomy and he tightened his grip on her body, making her press herself against his body tightly. "You've just woken up. Are you being disobedient again?"

He paused and pressed his slender legs against hers. "Be good, sleep in for a little longer."

Luo Zheng was in disbelief about how self-righteous he was. After struggling for a long time, she began to grow a little weak as she started panting heavily.

"Bo Hancheng, you're a beast and a shameless hooligan! You took advantage of my relapse and removed my clothes. Call yourself a man..."

Luo Zheng was infuriated at the thought of being embraced by him whilst being naked.

"Ah!" Luo Zheng shrieked in horror.

It was only because he turned over unexpectedly and pinned her down beneath him.

At that instant, Luo Zheng was trapped beneath him and she looked up to meet his fiery gaze which was no longer cold, and was filled with a tinge of lust.

"Sister Zheng, shall I... help refresh your memory? How did you take off your clothes?"

Bo Hancheng pressed himself against her tightly and seemed to be berating her.

All of a sudden, Luo Zheng's face stiffened and she tried to recall what happened.

When she was suffering the attack last night, she felt her temperature rising and hence, removed her own clothes. As for Bo Hancheng... he entered the bedroom only after she stripped. Hence, it had nothing to do with him!

All of a sudden Luo Zheng questioned angrily, "What about yesterday? I woke up naked yesterday too. Surely... I couldn't have removed them myself?"

Chapter 352: Untitled

"Yesterday..."

Bo Hancheng answered calmly with composure.

While Luo Zheng watched, he lowered his head to bite her earlobe, making her feel a tingling and numb sensation.

"I was the one who removed your clothes yesterday!"

Luo Zheng was dumbfounded because she thought that he would definitely deny.

That was not all. At the next moment, he muttered, "Call myself a man? What kind of a man am I..."

She was not a fool after all. She knew what was going on and hence, immediately grew shy.

"Bo Hancheng, you, you, you..."

Luo Zheng muttered in a shaky voice that was somewhat angry.

He actually pinned her down shamelessly!

However, he remained calm and rubbed her stomach.

All of a sudden, Luo Zheng's body turned stiff and she blushed.

"What's wrong with me? Did I do that to you?" Bo Hancheng asked in a hoarse voice.

If she were to look closely, she would notice that his ears had turned red and he seemed to be as equally shy.

However, Luo Zheng was not in the mood to look at him. Hence he extended her arms and pushed him.

"Bo Hancheng, get off of me! Get off..."

"Don't move..."

As she wriggled her body, Bo Hancheng wanted to tease her but he began to feel aroused.

Luo Zheng wanted to push him away.

All of a sudden, Bo Hancheng placed his arm around her waist and held onto her tightly. "Little imp, don't move! Be good..."

All of a sudden, the two of them were hugging each other tightly.

Bo Hancheng was filled with complicated emotions and the dark side of him made him want to possess her... Since she was no longer clean anyway, he didn't have to bother about whether or not she was underage.

However, she was petite and tender like a rose and her body had yet to recover from being invaded by the blue poison.

Hence, he had no choice but to put away his dark thoughts and try his best to bear with it.

"Can you... move down a little?"

Luo Zheng asked, feeling embarrassed and uncomfortable.

Bo Hancheng was initially trying his best to endure but when he heard her complaint, he didn't go soft and instead turned even harder. He almost couldn't endure any longer.

It was especially because she wasn't wearing any clothes and was pressing her fair and tender skin against him.

"How do I do that? Sister Zheng, help me..."

Bo Hancheng's eyes turned gloomy and his breath was warm.

He immediately couldn't help but lean forward and kiss her neck to plant another hickey on her.

"No... Bo Hancheng... don't do this..."

Luo Zheng was feeble and she couldn't struggle out of his embrace. Her body shivered a little and she continuously wanted to hide.

However, there was nowhere she could go and she could only bear with it while feeling horrid.

"No? Why not? You don't want me again, is that so..."

Bo Hancheng deliberately warped her words and kissed her gently.

Chapter 353: Mr. Bo, Please Respect Yourself And Stay Away From Me

However, it was the same as quenching one's thirst with wine. The more one drinks, the thirstier he would get.

She stared at him to see that he was a little aroused.

If it were in the past, Luo Zheng would definitely be willing to be his woman and she might even agree to get intimate with him without putting up a fight.

However, at the thought of Bo Hancheng continuously saying that Mu Nianqing was his woman, she felt a strong sense of disgust.

Since he said that Mu Nianqing is his woman, has he... ever touched Mu Nianqing?

Has he ever been this intimate with Mu Nianqing too?

The more she thought about it, the more disgusted she felt.

Barfs

At last, Luo Zheng could no longer stand it and hence she pushed Bo Hancheng away forcefully before turning her head towards the side and barfing continuously.

In the past two days, she barely ate anything and her stomach was empty. Hence, she couldn't throw up anything.

Seeing this, Bo Hancheng's heart wrenched up and he no longer felt aroused. He initially thought that she was feeling uncomfortable and was about to touch her back.

"Don't touch me! Ew..."

However, as soon as Luo Zheng felt him touching her, she barfed again while dodging.

Bo Hancheng finally understood that she didn't vomit because she was uncomfortable but because... he had touched her!

The realization made his pity towards her disappear completely. "Are you really... that disgusted with me?"

She had also felt disgusted with his kiss previously.

Yet, she was now resistant towards his touch!

Not long ago, she was seducing other men, and yet, she can't accept me now!

"Yes, you're disgusting, you're absolutely disgusting! So, please respect yourself, Mr. Bo. Stay away from me. You'd better not touch me..."

Luo Zheng was feeling terrible and she retorted coldly.

There was silence in the air for a long time.

There seemed to be waves in Bo Hancheng's heart and he finally said in a self deprecating tone, "Luo Zheng, no one has ever dared to do this to me! Since you're so disgusted, why... bother pestering me in the beginning?"

Luo Zheng remained silent and thought to herself, I pestered him because of Mr. Bodyguard.

However, she felt extremely confused and she had no idea who she should treat him as!

"Great, great, just as you wish, I won't touch you again! From now on, I'll never touch you again..."

Seeing that Luo Zheng didn't answer, Bo Hancheng ignored her and simply adjusted the sheets. He then looked prim and proper again.

Staring at the petite Luo Zheng on the bed, he clenched his fists tightly.

At the beginning, he repeatedly warned her not to provoke him, she continued to persist passionately... In the end, she started despising him!

What a joke. However, even then, he still couldn't abandon her... Is he holding himself cheap? Seems like it. He was asking for it!

If he were to go on, he might do something irrational.

Bo Hancheng turned around and left the room.

Bang!

The door was slammed shut and Luo Zheng held her breath, as if the door was slammed against her heart.

She laid beside the bed for a long time until she recovered and got up slowly to go to the closet.

There were only men's clothes in the closet and Luo Zheng put a random one on.

After cleaning up, Luo Zheng walked out of the bedroom to see that he wasn't there. Hence, she walked towards the door.

As soon as she closed the door and twisted the door knob, someone opened it from inside!

...

Chapter 354: Luo Zheng, I'm Asking For It!

Hence, as soon as the door opened, Luo Zheng was forced to meet his eyes and she could not help but take a step back.

She saw Bo Hancheng slowly entering the living room with a set of breakfast.

Luo Zheng stared at the door that was wide open and was about to dash out.

“Sister Zheng, don’t try to provoke me! I’m going to catch you if you leave. Do you dare believe me?”

To Luo Zheng’s surprise, he managed to guess what she was thinking and hence said those words gently.

He then placed the breakfast on the table and asked unhurriedly, “So, you’d better retain some strength and energy for your next relapse, okay?”

Luo Zheng was infuriated and she knew that he was telling the truth. He would really nab her!

However, he clearly left angrily not long ago.

She initially thought that he would no longer care about her and yet, he actually served her breakfast calmly after just a short while. Is he still the Bo Hancheng I know?

“Come on, have some breakfast.”

Bo Hancheng glanced at her and calmly reminded her.

Upon hearing his words, Luo Zheng pretended not to hear him and remained silent.

Seeing this, he smirked and asked, “What’s the matter? Sister Zheng, are you waiting for me to go over... and carry you to have breakfast?”

“Of course not!”

Luo Zheng retorted, for fear that he would really walk towards her.

At the thought of something, he retorted, “Bo Hancheng, stop calling me Sister Zheng, we’re not that close!”

“We’re not that close? Indeed, we’re not!” He sighed with some unfathomable emotion.

Right from the beginning, she had been keeping secrets from him. He couldn’t understand her and he... didn’t know her that well!

“The drug in your body is very addictive in the first place. Since you had a double dose, you would inevitably suffer repeated attacks. Just have some porridge now and a nutritional shake in the afternoon. As for the rest, we’ll talk about it when I come back at night.”

Bo Hancheng explained.

At the same time, he poured some medicine and handed it to her. “Finish them.”

Feeling stunned, Luo Zheng grabbed it and asked, “When you come back at night? Where are you going...”

She paused and noticed that he had a sullen gaze in his eyes. She immediately explained, "Where you're going has nothing to do with me! I just wanted to ask if you're really planning to keep me locked up forever. Bo Hancheng, can you let me go? I was willing to take the drug for you. Whether or not I can kick the addiction, is my business. Can you not..."

"Luo Zheng, you don't have to remind me again and again, I'm being cheap by interfering with your affairs!"

Bo Hancheng interjected coldly when he heard that she was determined to leave.

He knew clearly that she detested him, but he couldn't feel safe about letting her leave, lest she gets herself drugged again.

If that were to happen, she would be completely ruined!

However, she hates me. If I stay, she would probably feel even more depressed.

All of a sudden, he picked up a glass of water and handed it to Luo Zheng. "We should make a clean break, I don't want to owe you a favor. Once your condition is stable, I'll stop caring about you. Now, drink your medicine."

His words made Luo Zheng feel like her heart had been stabbed by several daggers.

It turned out that the reason for his actions was all because she had gotten drugged in his place. Apart from that... there was nothing else!

Forget it. That's at least better than what he said about making me his kept woman!

Luo Zheng grabbed the glass of water angrily and shoved the medicine into her mouth before raising her head to chug the water down.

At the next moment, she frowned and muttered, "It's so bitter..."

As soon as she said those words, he suddenly leaned over to grab her chin before grabbing another glass of water which he then poured into his mouth. He then kissed her in a bid to get rid of the bitterness.

Chapter 355: This Is My Man's Home, Miss Luo Is Only A Guest, I'm The Mistress...

Before too long, as the bitterness was removed, he moved away from her lips without lingering any longer.

Luo Zheng was stunned speechless.

Bo Hancheng remained composed and explained, "Don't think too much about it. I promised that I'd kiss you to help relieve the bitterness whenever you take the medicine. That promise counts before you leave!"

While Luo Zheng was feeling dumbfounded, he turned around to leave.

After just a few seconds, he walked out of the room and closed the door. He then locked it and silence was restored again.

This time, Bo Hancheng really left!

Luo Zheng only slowly recovered from the shock after about a minute. Why does something seem amiss?

No, he clearly promised me previously that he would allow me to kiss him to get rid of the bitterness after I take medicine... but I didn't ask to kiss him just now even though I found it to be bitter. He actually kissed me first. That's the other way round!

But why do I only feel shy and not too repulsed?

Unable to figure this out, Luo Zheng had no choice but to stay behind and have her breakfast after realizing that he had already left.

As expected, she was sick and had no appetite. Since her stomach was empty she decided to make do with some nutritional shake.

Out of boredom, Luo Zheng could not help but enter the studio again, where she looked at the paintings that she had ruined.

She thought about how Li Ge was not Xi Mubai but Bo Hancheng!

She felt a strange sense of guilt and thought, Since he claims that he doesn't want to owe me a favor... I shall not owe him a favor too.

Hence, Luo Zheng picked up the broken pieces of paper and tried to piece them back together again.

Time passed gradually and in the blink of an eye, it was dusk.

Knock-knock!

All of sudden, there was a knock on the door coming from outside.

Luo Zheng was slightly startled and she quickly threw the paper away before leaving the studio hurriedly.

There were still sounds of knocking after she walked to the living room.

Just as she was thinking to herself that he could enter directly without pretending to stand on ceremony, she sensed that the key was being stuck through the keyhole and that the door was slowly being opened.

At the next moment, the person outside pushed the door to enter. Luo Zheng said subconsciously, "Bo Hancheng, you..."

Before she could finish the sentence, she stopped speaking.

At the same time, Luo Zheng's pupils constricted and her body stiffened. Her blood seemed to almost flow backwards as she stared at the person at the door.

It wasn't Bo Hancheng, but the woman whom Luo Zheng hated to the core in both her previous and present lives, Mu Nianqing!

"Hello, Miss Luo."

Mu Nianqing was dressed in a white long dress, appearing beautiful and elegant. Her long hair was also tied back neatly.

In terms of looks, she was definitely beautiful and she looked rather likable, especially since she was always smiling.

However, at this moment, Luo Zheng looked at Mu Nianqing with a deadpan expression and immense hatred in her eyes.

She clenched her fists tightly, causing her nails to sink deep into her palm in a bid to suppress her negative emotions.

Be it in her past or present life, Mu Nianqing was undoubtedly the person she hated to the core.

In her previous life, Mu Nianqing plotted against her and snatched everything away from her. Luo Zheng lost completely and her life ended up in a tragedy.

She hated Xi Mubai because he made use of her love for him and ruined the Luo Family.

However, Mu Nianqing couldn't be spared and Luo Zheng wished she could take revenge and get rid of her!

"Miss Luo, aren't you going to invite me in for a seat?" Mu Nianqing asked in a gentle voice, as if she was an understanding older sister.

However, before Luo Zheng could respond, she continued in a different tone, "Oh I almost forgot that I don't need your invitation. This is my man's home. Actually... Miss Luo, you're the guest and I'm the host. Isn't that so?"

Chapter 356: Mu Nianqing, We Are Half-Sisters, My "Wonderful Sister"

At the same time, she walked past Luo Zheng without restraint and entered the room.

"Miss Luo, these are some fruits that I bought when I was on my way here. I'm sorry, I don't know what your preferences are so I just bought a little bit of everything."

Luo Zheng took a deep breath and tried her best to stay rational while closing the door.

She turned around and looked at Mu Nianqing before questioning coldly, "Mu Nianqing, what are you doing here?"

Upon hearing her words, Mu Nianqing walked to the couch and took a seat, as if she were really the mistress of the home.

Luo Zheng could not help but let her imagination run wild.

This is Bo Hancheng's house and Mu Nianqing is his woman. Are they living together?

Has Mu Nianqing ever used the things and slept on the bed in the bedroom that I stayed in!?!

"Hancheng told me to come. He said that you're in a bad mood and you need someone to talk to and relieve your boredom." Mu Nianqing said while pouring herself a cup of tea.

She cocked her head towards the side and looked at Luo Zheng smilingly. "Miss Luo, take a seat! Don't restrain yourself. Just treat this place like your own home. I won't mind it..."

Over the past few days, Luo Zheng had been repeatedly suffering from her drug relapses and hence, her body was extremely weak and she was emotionally unstable as well.

Upon sight of Mu Nianqing now, she could not help but be agitated.

Luo Zheng knew Mu Nianqing rather well in the previous life, and she knew that the latter was scheming and often hid her malicious intentions behind her smile. She would also deliberately say some things to confuse others.

Luo Zheng repeatedly warned herself not to be influenced by Mu Nianqing. She propped herself up and sat down opposite Mu Nianqing.

It was her second time meeting Mu Nianqing after her rebirth.

The first time was at the Gu family banquet. She immediately lost her rationality because she was too astonished by the relationship between Mu Nianqing and Bo Hancheng.

After giving it some careful thought, she found many of the details to be rather strange.

She was reborn seven years younger than her actual age. If Bo Hancheng already knew her then, wouldn't that mean that... he had always known her?

In that case, why did Mr. Bodyguard still help me... kill Mu Nianqing in the end!?!

What actually happened in between?

"Miss Luo, why do you keep looking at me? Actually it feels pretty strange. Although I don't know you, I somehow... feel a little close to you! Besides, I'm also a little confused. How did you know me, Miss Luo?"

Mu Nianqing sounded full of doubt as if she was really puzzled.

Luo Zheng sneered at her and suddenly extended her arms to applaud.

"Piak... Piak... Piak..."

A crisp applause sounded in the room and it was rather abrupt. "Go on, continue acting! Mu Nianqing, you really deserve an Oscar award..."

Upon hearing her words, Mu Nianqing's eyes glistened and her smile stiffened. "Miss Luo, what do you mean? How am I acting!?! Do you... have some misunderstanding about me?"

All of a sudden, she said in a gracious tone, "Previously, you slapped me at the banquet but I can forgive you for that! I hope we can clear the misunderstanding, if any. We might even get to be sisters in the future!"

"Hah, sister?"

Luo Zheng sneered and found it to be rather pathetic.

Indeed, she's using the same tricks. In the previous life, Mu Nianqing used the same trick to dupe me and cause me to end up in the abyss of despair!

At the next moment, Luo Zheng rested her face in her chin and answered with a mirthless smile on her pale face, "Why wait till next time? We're half-sisters now, aren't we? My "wonderful sister"..."

Indeed, she really knows about it!

Mu Nianqing thought to herself as her face stiffened a little.

Chapter 357: You're A Pure And Innocent Girl, Why Do You Want To Be So Cheap As To Be A Homewrecker?

Take the Gu Family banquet for an example. Luo Zheng targeted me for no reason, and she was almost full of hatred... if it's only because of the fact that she carries a torch for Bo Hancheng and sees me as a rival in love, that'd be too much of an exaggeration!

Well, unless she knows that I'm Mu Tianwei's daughter too, or perhaps... she knows that Mu Tianwei was already married with children before he married Luo Huawei!

That's the only explanation for the animosity she bears against me.

"Miss Luo, what... do you mean? Why don't I seem to understand..."

Mu Nianqing continued smiling again as she asked in bewilderment.

"We're the only ones here and yet, you're still putting on an act. Aren't you tired of acting?"

Luo Zheng retorted in disgust, absolutely repulsed by Mu Nianqing's pretentiousness.

For a moment, there was silence in the air.

"Miss Luo, what fruits do you like? Why don't I peel you an apple..." Mu Nianqing asked all of a sudden.

She then took out a bright red apple from the bag of fruits, followed by a fruit knife which she then used to peel the skin of the apple.

"I don't know what you mean by acting but Miss Luo, there's something I'd like to ask you. You're a pure and innocent girl. Why do you have to be so cheap as to get in between someone else's relationship and become a home wrecker whom everyone despises?"

Mu Nianqing was still smiling but there was hair-raising malice in her smile.

Luo Zheng's heart wrenched up and she tried to curb the dull ache. With an icy cold gaze, she said, "What's the point of saying these to me? A home wrecker is indeed despised by everyone! Take Zhao Manru for an example. She's been hidden in the dark for more than a decade, as a lowly clandestine lover! Oh, right, even her children are illegitimate. How pitiful! Miss Mu, don't you... agree?"

Without a doubt, Luo Zheng's words were a thorn in Mu Nianqing's flesh.

Her mother had clearly married Mu Tianwei first but he married Luo Huawei again when he met her in Beijing, just because he had yet to register his marriage with Zhao Manru.

That was not all. For more than ten years, her mother had always been his clandestine lover and even Mu Nianqing and her brother had to be labeled as illegitimate children and other distasteful terms.

In the past, she really didn't detest Luo Zheng because she felt that she was much better than Luo Zheng, but what about now?

When she thought about how Bo Hancheng had kept Luo Zheng in his home and treated her meticulously, she felt an overwhelming sense of jealousy!

Besides, she was feeling infuriated about the fact that Luo Zheng was deliberately going against her. "Miss Luo, since you're well aware, why bother doing the same thing? At the Gu family banquet, Hancheng said clearly that I'm his woman and you are nothing! In that case, shouldn't you be staying away from my man to save yourself some face?"

As Luo Zheng listened, she looked down to hide her emotions.

After all, Mu Nianqing was not entirely wrong and she couldn't deny it!

Bo Hancheng, I really hate you. You publicly renounce me in one moment and yet, you pester and hold me captive the next. What are your intentions?

"Stay away from him? I'd like to as well, but it's just a pity that he can't live without me! You see, he was so afraid that I would leave that he even locked the door before he left. I'm really vexed and distressed too..."

With a throbbing headache, Luo Zheng tried her best to keep her cool as she retorted with resentment.

Mu Nianqing's face tensed up and a section of the apple skin was torn. She almost couldn't keep up with the pretense anymore.

"Miss Mu, I don't mean to say this but don't you know clearly what your relationship with Bo Hancheng is?"

Chapter 358: Miss Luo, Have You Ever Slept With Hancheng?

"Miss Mu, I don't mean to say this but don't you know clearly what your relationship with Bo Hancheng is?"

The sharp-tongued Luo Zheng began fiddling with her nails before continuing harshly, "If Bo Hancheng genuinely has feelings for you, why would a man like him ignore how you feel? Since he ignored you and kept me here, that just means that you're insignificant to him."

Luo Zheng paused and smirked before grinning widely. "By the way, I'm really touched that he had sent you to accompany me because he knows I'm bored and in low spirits! I wonder what you think, Miss Mu."

Holding the apple in one hand and the fruit knife in the other, Mu Nianqing almost couldn't keep calm.

Indeed, she had no choice but to admit that she didn't mean much to Bo Hancheng.

She was rather shocked when Bo Hancheng unexpectedly suggested for her to be his woman out of nowhere.

After that incident, she thought about it carefully and reckoned that it should have something to do with Luo Zheng.

Not long ago, she almost became Bo Hancheng's woman... Yet, at the critical juncture, he called Luo Zheng's name.

This time, Chu Ci found someone of the same age as Luo Zheng, allegedly with the intention of counseling a girl at Royal Orchid Garden.

She guessed that the girl was Luo Zheng, almost immediately.

Hence, she deliberately spiked the cup of coffee to make Zhou Jingyi feel sick, after which she turned up in Zhou Jingyi's place.

Indeed, her conjecture was right.

Chu Ci deliberately pointed out that the girl was emotionally unstable and mentally weak at the moment. During the conversation with Luo Zheng, she did notice those signs.

Even though Luo Zheng was being sharp and harsh with her words, Mu Nianqing could tell that Luo Zheng was rather sickly because she looked pale and haggard.

As long as I grasp her weakness and provoke her, she'll start to lose her rationality!

What is Luo Zheng's weakness?

In the past, she could be certain that Luo Zheng's weakness was Xi Mubai, but now she could not figure it out at all. Could it be... Bo Hancheng?

"Indeed, Miss Luo, you're right. Hancheng doesn't have strong feelings for me but Miss Luo..."

Mu Nianqing said gently with an ambiguous glow in her eyes.

"Have you and Hancheng... ever gotten intimate with each other?"

Her gentle words made Luo Zheng's body quiver.

Even though it was rather subtle, Mu Nianqing still noticed it. She continued, "Do you know which part of his woman Hancheng likes the most when making love? Do you know which is his favorite position?"

Her words were like daggers to Luo Zheng's heart and Luo Zheng began to sink her nails deep inside her palm, causing her to feel an excruciating pain in her tender skin.

"Miss Luo, Hancheng is heartless and cold by nature. I have no choice but to admit that he has no strong feelings for me, so sometimes, he won't care about me! However, no matter what, I'm still his woman and that will never be wrong! I wonder what you are to him, Miss Luo."

Mu Nianqing said calmly and glanced at Luo Zheng who was looking more and more unstable.

She added for the last time, "Also, Hancheng should have kept you here because he wants to repay you for his kindness! Actually, you probably don't know this but I should have been the one to approach Scarface in the underground gambling den back then. Who would have known, he couldn't bear to let

anything happen to me so he decided to find another substitute to suffer in my place. I think... you were the one he found, right?"

Luo Zheng's pupils constricted while she widened her eyes a little, revealing the whites of her eyes.

So this is what happened?

Chapter 359: Zheng Killed Mu Nianqing... (1)

In her previous life, Mu Nianqing had once rescued Xi Qianqian in the underground gambling den.

In this life, she ran into Xi Qianqian in the underground gambling den but Mu Nianqing wasn't present. She initially thought there was something wrong.

It turned out that that was the reason.

Why? She couldn't figure it out at all, she really couldn't. Why did the person she miss the most, get embroiled with the person she hated the most!?!

"Hancheng has always been a responsible person and he doesn't like to owe favors. I think, he got you to stay here because he wants to make it up to you, Miss Luo..."

Luo Zheng's heart quivered after hearing her words.

Her fragile rationality was wavering again.

She recalled Bo Hancheng taking her away forcefully.

He said that he would help her kick her drug addiction, after which they would make a clean break. That was all because he didn't want to owe her a favor!

Seeing this, Mu Nianqing smirked and smiled calmly.

She had once been interested in psychology during her two years in Imperial College. She would occasionally read about psychology from time to time.

Hence, she had a little bit of experience in observing and trying to figure out people's hearts.

Besides, Luo Zheng's rationality was extremely weak now and she would be the most susceptible to being taken advantage of!

"Actually, I really don't care whether Hancheng loves me or not. Anyway, I'm not with him for his love..."

At this moment, Mu Nianqing remarked deliberately.

All of a sudden, Luo Zheng raised her head to glower at her. "Mu Nianqing, what do you mean?"

She understood Mu Nianqing and knew that she had extremely high standards. She even rejected Xi Mubai's pursuit.

Hence, the man she loves would definitely be special.

In the previous life, she kept saying that Luo Zheng snatched her beloved man away. What a joke... even at her last moments, she had no idea who Mu Nianqing loved!

Bo Hancheng's identity was indeed loftier than she had imagined, but she felt that he shouldn't be from one of the four major families.

Xi Mubai was the eldest son of the Xi Family but Mu Nianqing wasn't attracted to him at all, let alone Bo Hancheng... Hence Luo Zheng guessed that Mu Nianqing wasn't genuine about him!

So apart from doing it for my sake, did Mr. Bodyguard kill Mu Nianqing at the end of my previous life, also because... Mu Nianqing had once hurt him?

The more she thought about it, the worse she felt. Luo Zheng looked at Mu Nianqing with immense hatred, "Tell me, why did you get close to Bo Hancheng then?"

Sensing that Luo Zheng was being agitated, Mu Nianqing leaned forward slightly and deliberately said softly, "What else can my agenda be? I don't love him but I'm willing to be his woman. Of course, someone arranged for me to get near him! My agenda is to hurt him, torture him and end up making him... live a living hell!"

"Mu Nianqing!"

After hearing her words, Luo Zheng grabbed Mu Nianqing's arm, and warned, "If you dare to hurt him, I'll make you pay for it a hundred-fold!"

Even though Bo Hancheng is different from Mr. Bodyguard, he's after all... still Mr. Bodyguard!

Even though Luo Zheng wanted to stay away from Bo Hancheng, that didn't mean that she would stop paying attention to him... she still hoped that he would live well and live in joy, bliss and peace for the rest of his life.

She wouldn't allow others to hurt him, especially not Mu Nianqing who had hurt him once already!

Mu Nianqing looked at her arm to realize that Luo Zheng had scratched her and almost caused her to bleed.

After confirming it, she raised her arm to pry Luo Zheng's fingers away one by one, while saying, "Miss Luo, who are you to intervene in my affairs? I can hurt him anytime I want. Can you keep an eye on him all day?"

Chapter 360: Zheng Killed Mu Nianqing... (2)

Mu Nianqing paused and smiled. "Of course, you can tell Hancheng, but make a guess. Do you think he'll believe you? Maybe, I am pregnant with his child now. How could he bear to doubt me!?! Besides, what evidence do you have to prove that I will harm him?"

Kid...

Luo Zheng held her breath and looked down at Mu Nianqing's stomach with an intense gaze.

She recalled that in her previous life, Mu Nianqing also showed up in front of her while being pregnant with Xi Mubai's child!

However, it was really different.

Xi Mubai let her down and even locked her up like she was an animal. He forced her to sign the divorce agreement and donate a kidney.

In contrast, she would protect Bo Hancheng for Mr. Bodyguard's sake, even though he was mean to her!

"Miss Luo, the apple has been peeled. Would you like to give it a try?"

At this moment, Mu Nianqing handed her the peeled apple along with the fruit knife in her hand.

Seeing that Luo Zheng was refusing to take it, she extended her arm and pulled Luo Zheng over before shoving the apple into her palm forcefully.

After that, she refused to let go and decided to provoke Luo Zheng further when she noticed that Luo Zheng seemed to be on the verge of collapsing and breaking down. "I know, you care about Bo Hancheng. Unfortunately, you can't do anything when you're watching me hurt him!"

Mu Nianqing then mentioned the key point, as if she had been bewitched. "Surely you can't... kill me? Do you dare to kill me? If you kill me, you'll be able to save Bo Hancheng! Otherwise, Bo Hancheng will die in my hands sooner or later."

Luo Zheng's thoughts were in a whirlwind and she was becoming increasingly emotionally unstable. All she had were thoughts of resentment against Mu Nianqing.

Clearly, she had already indirectly killed Mr. Bodyguard once and yet... she wants to kill him again!

No, I can't let her hurt Bo Hancheng, absolutely not!

What should I do?

As long as Mu Nianqing is alive, she will always be a thorn in my heart, unless... she dies!

Yes, as long as she dies, everything will be resolved. I'll no longer live in hatred, let alone worry about the safety of Bo Hancheng!

As long as she dies... As long as she dies... As long as she dies...

All of a sudden crazy thoughts filled Luo Zheng's mind and caused her to lose her last bit of rationality.

At this juncture, Mu Nianqing deliberately put the fruit knife in Luo Zheng's hand and taunted, "Luo Zheng, as long as I'm alive, you'll always be the loser! Just watch how I kill Bo Hancheng..."

"Mu Nianqing, you deserve to die! You deserve to die..."

Luo Zheng was extremely agitated and she was glaring daggers at Mu Nianqing with her hollow eyes.

She then gripped the fruit knife tightly while her mind went blank immediately.

She then raised her hand and stabbed Mu Nianqing while murmuring, "You deserve to die... You deserve to die... You deserve to die..."

"Ah..."

Mu Nianqing shrieked as Luo Zheng stabbed Mu Nianqing accurately in her abdomen.

At the next moment, Mu Nianqing placed a hand on her lower abdomen, and bright red blood oozed out, staining her white dress.

When the excruciating pain overwhelmed her, Mu Nianqing quickly got up and exclaimed, "Miss Luo... don't kill me..."

While yelling, she got up and began staggering towards the door.

Resentment and hatred were flowing in Luo Zheng's body and all she wanted to do was to protect herself. She lost her rationality and she seemed to have become empty for a moment.

All she could think of was to kill Mu Nianqing!

Seeing that Mu Nianqing had opened the door and was trying to escape, Luo Zheng gripped the blood-stained fruit knife tightly and sprung up to follow her closely.

'Mu Nianqing... I'm going to kill you... "

They scurried out of the room and headed outside.
