

BO LOVE LIFE 371

Chapter 371: Little Imp, You Want To Kill Me?

After the second dose of drug, how many relapses would she have to take before she can quit the other blue poison apart from “Blue Vixen”?

This should be the last relapse, after this, only the “Blue Vixen” will be left... The next relapse of “Blue Vixen” should be longer and it wouldn’t be that frequent.

The relapse shouldn’t have happened again. It should be the murder that agitated her and caused her to break down mentally, thus resulting in the relapse!

He saw her at the prison previously and she should have been suffering a relapse at that time.

“Where’s the drug... give me the drug...”

Luo Zheng fumbled about and could not find it and her eyes were bloodshot. There was a tinge of mania in them too.

She was in extreme agony, and no one cared about her or showed her affection.

Not only was Bo Hancheng not her Mr. Bodyguard, he even defended Mu Nianqing whom she almost killed... However, he saved Mu Nianqing because she was his woman!

She was in despair and on the verge of breaking down.

Luo Zheng felt extremely burdened and she was feeling so oppressed that she desperately needed a release.

The blue poison would be the best outlet for her and she could not stop getting those ideas.

Push myself to the doldrums? So be it!

“I don’t have any drugs. Even if I do, forget about touching it.”

Looking at Luo Zheng, Bo Hancheng’s heart was full of anger and he answered coldly.

He then stepped forward and tried to comfort her.

However, at this very moment,

Luo Zheng sensed that he was approaching and she soon noticed a penknife on the cabinet in the corner of the private room.

All of a sudden, Luo Zheng grabbed it and threatened him. “Give me the drug, otherwise... I’ll kill you!”

At the same time, she was holding onto the penknife with both hands and pointing it at him.

Bo Hancheng’s handsome face grew sullen as he felt disappointed despite knowing that Luo Zheng was not clear-headed. “Luo Zheng, do you want to kill me?”

“Give me the drug... give me the drug... or I’ll kill you...”

Seeing that Luo Zheng was murmuring incessantly, Bo Hancheng could no longer tolerate it and he strode forward.

“Don’t come over...”

Luo Zheng backed away, flailing her arms wildly.

However, Bo Hancheng did not retreat and instead stepped forward to grab the penknife.

“Don’t touch me...”

Without noticing, Luo Zheng thrust the penknife forward.

She accurately stabbed him on his arm and slit his skin.

Bo Hancheng glanced at his arm, on which there was a long wound that was bleeding. He laughed self-deprecatingly and exclaimed, “Little imp, you actually want to hurt me!?!”

Luo Zheng was stunned and glanced at his bleeding arm before staring at his familiar face. She immediately began to tremble.

She dropped the pen knife on the ground.

“Sorry... Brother Cheng... I’m sorry... Mr. Bodyguard... I didn’t mean it... I really didn’t mean it...”

At the next moment, Luo Zheng put her hands on her cheeks and muttered.

Trying his best to ignore the words “Mr. Bodyguard”, Bo Hancheng held onto her arm and slowly pulled her into his arms. “I know you didn’t do it on purpose. I don’t blame you.”

His hug comforted her for a moment.

Soon, she began to struggle violently while her body began to twitch.

Bo Hancheng hugged her carefully and slowly shifted her to the couch where he sat down. He then rubbed her back and said, “Be good, trust me, you’ll recover soon.”

After the second injection of blue poison, the effects that Luo Zheng suffered were not as strong as “Blue Vixen”. Although the relapses were frequent, the duration of relapses would gradually decrease.

It was the last time. As long as she made it past one or two hours, she would be alright.

Luo Zheng was buried in his arms and she trembled continuously, as if she had been severed in half. She was half sober and half dazed.

Chapter 372: It Was My Fault For Provoking You, Will You... Let Me Off?

All of a sudden, she began crying helplessly and hugged him while sobbing. “Bo Hancheng...”

Upon hearing her words, Bo Hancheng lowered his head and kissed her forehead, after which he said with pity, “I’m here, I’ve always been here.”

To his surprise, Luo Zheng reached out to grab the portion of his shirt in front of his chest and exclaimed while sobbing, “Let me off!”

Bo Hancheng's body stiffened a little and he was holding Luo Zheng tightly in his arms without responding.

However, she refused to give in and threw her arms around his neck before pulling him down forcefully until he was at her lips.

Luo Zheng's lips then opened and closed back and forth, while teardrops formed on her eyelashes. She said, "Bo Hancheng, I'm so tired, I'm really so tired. I admit, I shouldn't have provoked you! It was my fault for doing so back then and I really regret it now. Let me off... Okay?"

Bo Hancheng's heart wrenched up and he felt some pain, as if he was being pricked by a needle.

Hence, he tightened his grip around her again, as if that would make her belong to him!

Luo Zheng closed her eyes slowly and said as her voice grew softer, "Please... let me go... I was wrong... let me go..."

Gradually, there was no more sound, and she began to doze off, as if she was beyond fatigued.

Bo Hancheng looked down at her and stared at her for a long time.

At last, he kissed her lips and said softly, "Luo Zheng, you were the one who messed with me again and again and yet you regret it now? It's too late! I'll only let you go, if... you're dead."

...

By the time she woke up again, it was already noontime.

Luo Zheng sat up and looked around to realize that she was in the private room.

She got down slowly but realized that she didn't have any energy. Hence, she washed up but did not go out of the room yet.

Ka-cha...

The door of the room opened, and several maids came in, carrying a pile of clothes, jewelry, cosmetics, and many others.

"Miss Luo, Mr. Bo instructed us to dress you up when you wake up." the waitress said respectfully, and then waited for Luo Zheng to respond.

"Get out..."

Luo Zheng frowned and chased them out impatiently.

"Well..."

Feeling stuck in a dilemma, the maid wanted to persuade her again. "Miss Luo, Mr. Bo..."

Pak~

"Go out!"

Luo Zheng picked up the glass and smashed it against the ground with all her might, chasing them away coldly.

All of a sudden, the maids looked at each other in shock and dismay. They then put the things down and went out to report to Bo Hancheng.

Silence was restored in the room and Luo Zheng walked towards the window.

Regardless of what Bo Hancheng meant, she didn't want to play along at all, and she was filled with repulsion towards him.

Soon, the door opened again.

Luo Zheng's eyes dimmed and she took a casual glance, only to meet his eyes.

Bo Hancheng entered the room while holding some porridge, and a bottle of medicine. He said calmly, "You're throwing a tantrum as soon as you woke up, eh?"

At the same time, he picked up the new clothes after putting the items down, and walked towards Luo Zheng. "Be good, change into them."

Luo Zheng then turned around and stared at the clothes in his hands before grabbing it casually.

She then walked towards the desk.

She crumpled the dress and threw it onto the ground forcefully before grabbing the bowl of porridge and pouring the porridge all over the skirt.

Bang!

She then smashed the bowl in anger.

From beginning to end, Bo Hancheng calmly watched Luo Zheng like an elder who was watching a disobedient child.

He didn't react much.

"It seems that you don't like this one, I will get them to send another one."

He said indifferently at the end.

He then walked towards her and poured a few pills out of the bottle before pouring out another glass of water. "Finish your medicine."

Chapter 373: You're Holding Yourself Extremely Cheap...

Luo Zheng remained silent and reached for the medicine, trying to throw it away again.

"Do you want to eat on your own, or... do you want me to feed you?"

Bo Hancheng questioned, much to her surprise.

Luo Zheng had no choice but to stare at him in anger and grab the glass of water. She then raised her head to finish the medicine.

“Mr. Bo, are you satisfied now? If you are, please go out!”

Luo Zheng said coldly and turned around. She looked away and pointed at the door.

She was clearly trying to drive him away.

For several consecutive days, the blue poison continuously relapsed and Luo Zheng was in inexplicable agony.

She thought about herself being agitated by Mu Nianqing to the point of becoming irrational. She even tried to stab Mu Nianqing with the fruit knife!

Did she regret it? She had nothing to regret!

She felt that there must be something wrong, because Mu Nianqing was clearly intentionally trying to agitate her. What did Mu Nianqing want?

The more she thought about it, the more confused she got. Luo Zheng continuously rubbed her temples, feeling rather drained and exhausted.

Later on, she glanced at Bo Hancheng and said with a self-deprecating smirk, “What’s the matter? Do you still have something to do, Mr. Bo?”

At the thought of Mu Nianqing’s words, she added sarcastically, “I know you’re trying to help me quit blue poison, Mr. Bo. I know you don’t want to owe me a favor anymore! Okay, I’ll quit it. You’re right, if we want a break... we must make a clean break! But what should I do? I really don’t want to see you, Mr. Bo...”

Luo Zheng then suddenly walked towards him and said with a smile, “Why don’t you send me to the drug rehabilitation center, Mr. Bo?”

Bo Hancheng looked down at Luo Zheng and his heart sank a little. He then flew into a rage and raised her chin.

“Do you know what a drug rehabilitation center is? Once you go in, you’d wish you were dead!”

Wish I was dead? I’m alive now but I already wish I was dead!

While thinking about it, Luo Zheng looked down and said, “It’s at least better than being imprisoned here and seeing you every day. This is... worse than death!”

As soon as Luo Zheng finished speaking, Luo Zheng felt a sudden excruciating pain in her chin because Bo Hancheng tightened his grip.

His abyss-like eyes grew even darker and he said, “Luo Zheng... does seeing me make you wish you were dead?”

“Yes!” Luo Zheng answered without hesitation.

She then sneered and said, “Mr. Bo, I’d rather never quit drugs and stay addicted for life than face you everyday!”

That’d be better than getting reminded of Mr. Bodyguard and treating you like him whenever I see you.

You're him but you're also not him. You're making me hallucinate!

Bo Hancheng knew that Luo Zheng was deliberately going against him but he couldn't control his emotions. He lowered his head and moved closer towards her. "It's such a pity. Sister Zheng, even if you're better off dead, you still have to stay here! You must see me every day..."

"Mr. Bo, do you know what your behavior is called?"

Luo Zheng did not retreat and instead looked at him dauntlessly.

"To put it nicely, you don't want to owe me any favors but to put it bluntly, you're holding yourself cheap, extremely cheap..."

"Luo Zheng, don't force me!"

Before she could finish speaking, Bo Hancheng moved his palm down and grabbed her slender neck.

Luo Zheng was still dauntless and she even continued with a smirk, "So what if I force you? Are you... going to kill me Mr. Bo? Well, I almost killed your woman. Why don't you kill me... to avenge her!?!"

"Kill you? That'd be too easy for you!"

Bo Hancheng tried to control his emotions and he slid his hand downwards from her neck before clenching it.

He then chuckled and said, "However, you've hurt her. So, you have to make up for it."

Chapter 374: Forget It, I Won't Apologize To Her, Over My Dead Body!

Make it up to Mu Nianqing?

Luo Zheng felt a prick in her heart but she still tried to put on a lopsided smile. "How would you like me to make up for it, Mr. Bo?"

Bo Hancheng's eyes grew gloomy and there was a tinge of complicated feelings in them. At last, he said calmly, "Go to the hospital and apologize to her."

"Impossible! Bo Hancheng, don't even think about it..."

Luo Zheng's rationality disappeared and she retaliated fiercely, as if she was a cat that had its tail stepped on.

"You almost killed her. If you don't want to go to jail, you must apologize!"

Bo Hancheng frowned and spoke extremely calmly.

That was the only way that the media can be appeased and the matter can be resolved completely!

"Luo Zheng, you must explain this matter..."

"Bo Hancheng, I would rather go to jail! Apologize? Impossible! Never ever..."

No longer able to listen to him, Luo Zheng's eyes widened and her voice was almost hoarse. It was full of dejection too.

“It’s just an apology, why is it impossible? Luo Zheng, you did something wrong, so you should take responsibility for it!”

Bo Hancheng continued to persuade her after losing a bit of patience.

“I did nothing wrong, the only wrongdoing of mine... is failing to stab her again! I should have skinned her, broken her bones, tore her ligaments apart and drank her blood...”

“Enough!”

Bo Hancheng interjected coldly after hearing her maniacal words.

He immediately put his hands on her shoulder and looked into her eyes. “Luo Zheng, are you out of your mind? You can’t have these ideas! You shouldn’t let your imagination run wild...”

At last, Bo Hancheng finally realized that Luo Zheng had an inexplicable hatred towards Mu Nianqing!

“You must come forth to explain this matter. Even if you don’t mean it, a perfunctory apology on the surface would...”

“Impossible, I can’t apologize! Bo Hancheng, don’t even think about it... I won’t apologize! I won’t apologize...”

Not in the mood to listen anymore, Luo Zheng’s eyes were almost dried up and she barked hysterically in response to Bo Hancheng’s words which had a tinge of compromise.

Upon seeing this, Bo Hancheng began to feel sympathy. However, if she didn’t apologize, she would go to jail!

Even though he could prevent her from going to jail, others would still see Luo Zheng as a murderer... After all, the matter had been blown out of proportion and everyone was already aware of her identity!

“Whether you like it or not, this matter... is not up to you! You must go to the hospital and apologize to Mu Nianqing...”

Bo Hancheng held onto Luo Zheng’s wrist and walked out of the private room.

“Let me go... I won’t go to the hospital... I don’t want to apologize! Bo Hancheng... let me go...”

Luo Zheng struggled desperately, hitting, kicking and biting Bo Hancheng.

However, he seemed to have made up his mind and dragged her out of the private room, refusing to stop in his tracks.

There was a maid waiting by the door and Bo Hancheng instructed calmly, “Get a new set of clothes and put them in the car.”

The maid nodded respectfully. She was so well-trained that she simply followed the orders and didn’t care about what happened.

“Bo Hancheng... I don’t want to apologize... You don’t know anything... Why should I apologize... Let me go...”

Luo Zheng yelled while swaying unsteadily from side to side, her voice almost turning hoarse.

“Little imp, behave yourself and cut it out, alright?”

Bo Hancheng once again felt like he was losing control of Luo Zheng.

If she had stabbed Mu Nianqing because she wasn't sober enough and was affected by the blue poison... what about now? Even if she's not sober, she should have realized that she had done something wrong.z

Chapter 375: Bo Hancheng... I Hate You... I Hate You So Much...

“No... I don't want to apologize... Bo Hancheng... I hate you... hate you so much... how can you make me... apologize to her... she deserves to die in the first place...”

Luo Zheng muttered, feeling immense agony and wishing she was dead.

Even if Bo Hancheng isn't Mr. Bodyguard, how can he force me to apologize to Mu Nianqing? That is Mu Nianqing, how can he do that!?!”

She detested him. She truly detested him at this moment.

Bo Hancheng clenched his jaw tightly and bent over to look at Luo Zheng. “Luo Zheng, why do you hate Mu Nianqing so much? Just because... she is your half-sister? Is that why you can't tolerate her?”

Upon hearing his words, Luo Zheng slipped into a trance and suddenly chuckled. “Sister? Yeah, she is my wonderful sister who snatched everything away from me and ruined my life...”

Luo Zheng's words were rather abnormal and he felt his heart wrench up.

He suddenly thought about the investigation report that the police station sent not long ago.

It was the blood test that Luo Zheng took before she entered prison last night.

The report stated that she had developed delusions because of the blue poison, which was a common symptom shared by most people who had a drug addiction.

Drug addicts were usually mentally debilitated and had stimulated senses. Hence, they would develop illusions of being oppressed. Hence, they would hurt others to protect themselves.

It was true that Luo Zheng was like that.

“Luo Zheng, sober up. You and Mu Nianqing may be half-sisters but you haven't been in contact with her before this... Be good and don't overthink, okay?”

Bo Hancheng said softly, rubbing Luo Zheng's long, seaweed-like tresses in a bid to calm her down.

“No, it's not like that! Bo Hancheng, you don't know anything, how could I have not had any contact with her? She destroyed me, she destroyed me...”

Luo Zheng shook her head, repeatedly denying it.

All of a sudden, she thought about something and grabbed his arm. “Bo Hancheng, leave her, alright? Don't let her be your woman anymore. She will hurt you...”

Luo Zheng then said softly, "No, I'd better kill her anyway. Everything will be fine if she dies, nothing will happen..."

Before Luo Zheng even said anything, Bo Hancheng lowered his head and kissed her cracked lips.

He kissed her gently while caressing her back to calm her down.

It was his own fault. The blue poison she had been drugged with in place of him, caused her to be in such a state now!

Had he not checked and found out that Mu Nianqing and Luo Zheng did not have any contact prior to the Gu Family banquet, he would perhaps believe her.

It seemed that she was really suffering from mild delusions due to blue poison!

After a long time, he stopped kissing her and said seriously, "Little imp, don't believe in your illusions, they're all fake! You're just affected by blue poison, these are just illusions..."

"Hah, illusions?"

Luo Zheng chuckled in a melancholic manner.

She wished that everything that happened in her previous life was just an illusion and not the real thing!

"Yeah, they're just illusions."

Bo Hancheng rubbed the top of her head and said calmly.

He was emotionally exhausted.

All of a sudden, Luo Zheng remained silent and seemed to be thinking about something as she refused to speak.

"Listen to me, as long as you go to the hospital and apologize to her, this matter will be resolved. In the future, I'll send her away if you hate her. Alright?"

Bo Hancheng coaxed Luo Zheng, who was in his arms, like he was coaxing a child.

In the beginning, he allowed Mu Nianqing to stay because she was sent by his mother... If he didn't allow her to stay, his mother would definitely send more women to him again. Hence, he decided to just let her settle down somewhere!

Chapter 376: Brother Cheng, If You Feel Sad For Her And Want Me To Apologize, I'll Do It...

Afterwards, at the Gu family banquet, he discovered that he was overly concerned about Luo Zheng, and wanted to use Mu Nianqing to take revenge on her... Later on, he wanted to test if other women besides Luo Zheng could invoke lust and sexual desires within him.

Right from the beginning, Mu Nianqing was only his woman on the surface, and he had never had any substantive relationship with her.

Since Luo Zheng was so bothered by Mu Nianqing who was her half-sister, he might as well send Mu Nianqing away!

“You clearly know that I’ll never apologize even if I die, and yet, you still insist... on making me apologize to Mu Nianqing. Is that so?”

This time, Luo Zheng did not overreact and simply asked him that question calmly.

Bo Hancheng sighed softly and said with overflowing helplessness, “Little imp, you must apologize. The situation can only be resolved if you apologize!”

Upon hearing his words, Luo Zheng closed her eyes a little and wetted her eyelashes with her tears as she appeared extremely pitiful.

“Little imp... ”

“Brother Cheng, I’ll apologize.”

Just as he was about to say something, Luo Zheng suddenly reopened her eyes and gave in.

That was not all. There was a sudden change in her attitude and she even addressed him as “Brother Cheng”, as if they had returned to the past.

“Are you... awake?”

Bo Hancheng felt that something was amiss but he couldn’t bring himself to say it.

“Yeah, I’m sober now, so I thought that what you said is right. I stabbed her and all I need to do is apologize to escape the jail term! It’s really worth it...”

Luo Zheng’s eyes were hazy and full of tears. They were no longer glistening like they used to.

“Are you really... willing?”

Bo Hancheng frowned, feeling that Luo Zheng had changed too quickly.

“Yes! Why not? She is not only my “sister”, but also your woman, Brother Cheng! Brother Cheng, you feel sympathetic and unjust for her, so you continuously forced me to apologize to her...”

Luo Zheng said with emptiness while staring at the corridor in front with a gaze full of loneliness.

“Luo Zheng...” said a clear male voice that came from behind her.

“No matter what, I still have to apologize, right?”

She then raised her head and looked at him solemnly.

Bo Hancheng held his breath and felt his uneasiness getting more and more intense. However, he still nodded and said, “Yes, you need to apologize.”

“Sure, let’s go!”

After he finished speaking, Luo Zheng pushed Bo Hancheng away to avoid being touched by him and stepped forward.

Seeing this, he walked to the elevator and glanced back at Bo Hancheng. “Brother Cheng, aren’t you going to leave?”

Despite finding it to be extremely abnormal, Bo Hancheng still decided to keep up with her.

The two of them headed downstairs together and walked towards the hall.

Thinking about how Luo Zheng had yet to have her breakfast, Bo Hancheng sent someone to bring the food over and handed it to Luo Zheng. "You're too weak and you must go to the hospital after you finish eating."

Luo Zheng glanced at him and said in a surprisingly accommodating manner, "Sure."

She then quietly ate some food and fruit.

Seeing that she was being extremely obedient, Bo Hancheng ordered the subordinates to take the clothes that had just been placed in the car... Initially, he thought that she would refuse to give in and wanted to help her change into the clothes in the car.

To his surprise, he did not resist at all this time. The maid brought her to the dressing room and meticulously helped to doll her up.

After all, they had to go to the hospital later on, where there would be media personnel. Hence, he ought to pay more attention to her image.

After a while, Luo Zheng changed into a sky blue dress and put on some light makeup. She looked just like a mermaid from the ocean. She was beautiful, clean and pure.

Bo Hancheng was slightly stunned as Luo Zheng walked out.

He had always known that young girls were very beautiful.

She was usually dressed in red, which made her look passionate and fiery.

Now, she looked completely different and was a heartthrob.

He stepped forward and held onto her hand which was icy cold. "Are you feeling uncomfortable?"

Chapter 377: Bo Hancheng... Will You Believe Me If I Said That She Ruined Me In My Previous life?

Bo Hancheng asked in a low voice while Luo Zheng shook her head and exclaimed, "No! I'm fine..."

After leaving the Royal Orchid Garden, the two of them got inside the car. The chauffeur was supposed to drive.

However, Luo Zheng suddenly said unexpectedly, "Brother Cheng, I want the two of us to be alone in the car. I don't want other people."

Luo Zheng suddenly said.

Bo Hancheng was suddenly puzzled. However, he did not think much about it and simply got the chauffeur to alight while he got into the driver's seat.

He then started the engine.

All of a sudden, Luo Zheng turned to look at Bo Hancheng and said, "Bo Hancheng, do you believe in past and present lifetimes?"

Bo Hancheng was slightly stunned and he couldn't answer her all of a sudden, for he was unsure of what her intentions were.

"Bo Hancheng, do you believe me?"

Before Bo Hancheng answered, Luo Zheng asked again.

After a moment of silence, Bo Hancheng answered softly, "I do."

"If I told you that Mu Nianqing ruined me in the previous life, and so... I utterly detest her, will you believe me... or not?"

There was a moment of silence in the car.

Bo Hancheng stared at Luo Zheng whose expression was very serious. She didn't seem to be joking at all.

In her previous life? Ridiculous!

She should have suffered too much in the past few days and ended up like this because she was mentally exhausted!

"In terms of identity, you are an heiress but Mu Nianqing is just an illegitimate daughter. You don't need to care about her."

Even if Zhao Manru and Mu Tianwei had given birth to the pair of twins first,

Mu Tianwei was still legally married to Luo Huawei.

That was also the reason Mu Nianqing had to be kept in secret... Even if Mu Tianwei acknowledged Mu Nianqing, Luo Zheng could just ignore her.

He didn't know why she had such delusions. Anyway, Mu Nianqing would never be a threat to her!

To his surprise, she simply sighed ridiculously. "You said that you believe me, but in fact... you don't at all! Bo Hancheng, you only believe in yourself..."

Hence, no one will believe her. Everyone lived in the present life.

She was the only one who lived all alone with the memories of both lifetimes!

Perhaps, it wasn't Bo Hancheng's fault but all ordinary people wouldn't believe... in the illusionary previous life.

"It doesn't matter that you don't believe in the previous life."

Luo Zheng smiled faintly and looked out the window at the passing scenery.

All of a sudden, she asked him again, "So, do you believe... what I said previously?"

Bo Hancheng was driving when he turned his head to look at her after hearing her words.

She had an unfathomable smile on her face and his heart sank. "Luo Zheng, what do you mean?"

"It seems that you still don't believe me."

Luo Zheng muttered and ignored him.

At the next moment, he said softly, "I said, it is impossible for me to apologize to Mu Nianqing... not even if I'm dead!"

The changes happened instantly.

Bo Hancheng had yet to react.

Luo Zheng suddenly unfastened the seat belt with one hand, pushed open the car door with the other, and then leaped out of the car...

In an instant, Bo Hancheng's heart wrenched up and he slammed on the brakes. He yelled, "Luo Zheng!!!"

Bang!

Luo Zheng was like a broken kite. She fell to the ground, and then rolled back and forth.

Almost at the same time, Bo Hancheng stopped the car but before it came to a complete halt, he hurriedly pushed the door and walked out.

When he stepped forward, he looked at Luo Zheng who was lying on the ground not too far away from him. It was as if his blood was about to freeze.

He immediately stepped forward and helped her up. He then patted her with his palm that was almost shivering.

Luo Zheng felt pain all over her body, but she was still conscious.

Chapter 378: Zheng Leaps Out Of The Car And Her Life Is At Stake!?!

Fortunately, traffic was light during their journey to the hospital from Royal Orchid Garden.

Besides, Bo Hancheng was worried about Luo Zheng, and hence dared not drive too quickly.

Hence, although Luo Zheng jumped out of the moving vehicle and fell onto the ground, she had fortunately only sustained some scratches and abrasions which did not put her life in danger.

Trying to bear with the pain, Luo Zheng slowly opened her eyes and asked, "Bo Hancheng, want me to apologize? Sure..."

While speaking, Luo Zheng's lips turned pale and they shivered continuously. She paused for a while to catch her breath before continuing, "Take my corpse... and bring it to apologize to Mu Nianqing..."

"Luo Zheng, are you crazy?!"

Bo Hancheng couldn't put the shock he felt at that moment into words.

It was not that he didn't know that she wasn't willing to apologize, but she just didn't expect that... she would be so stubborn as to risk her life rather than apologize!

"If I'm crazy... it's because Mu Nianqing is driving me crazy... So, I can't apologize, and death is impossible!"

Luo Zheng's forehead was stained with blood, and she sounded extremely feeble but there was a tinge of determination in her voice.

"Okay, Luo Zheng, great! You've won..."

Bo Hancheng had never been so infuriated to the point of being speechless.

Yes, she won. She even used her life as a threat. How could she lose?

He asked her to apologize because he wanted to save her!

However, if she'd rather die than apologize, what else could he say?

"Bo Hancheng... Do you want me to die... or do you want my apology... The choice is yours..."

Luo Zheng said while pausing in her speech from time to time. Almost every part of her body was in pain.

Even though she was covered in abrasions and was bleeding from her forehead, she still looked like a mermaid with a lost tail in her disheveled state.

"Luo Zheng, if I can bring myself to be heartless, I'd really want your life!"

With a sullen expression, Bo Hancheng clenched his jaw and picked her up in his arms.

He strode quickly towards the car and placed her in the passenger's seat.

He fastened the seatbelt and quickly returned to the driver's seat, for fear that Luo Zheng would do something silly again. He then locked the doors.

He was just about to drive Luo Zheng to the hospital for treatment.

To his surprise, she reached out to grab his arm. "Bo Hancheng... I don't want to go to the hospital... I would rather die than apologize..."

Before she could even finish, Bo Hancheng, who was at the end of his tolerance, suddenly raised his hand to pinch Luo Zheng's chin. "Luo Zheng, if you dare to mention about dying and harming yourself again, I will..."

What will I do?

He couldn't say the words all of a sudden!

If a person doesn't even care about her life, what else would she care about?

He had always felt that there was a secret hidden in her heart which he never knew in the past, and still didn't know now!

He really couldn't think of what she had experienced since she was only barely eighteen years old.

She was paranoid, extreme and maniacal.

Before this, she was warm, clean, pure, and completely different from her current state... her attitude was completely different. She could be as bright as the sun, or as dark as darkness.

“I refuse to apologize...”

“Okay, don’t do it then.”

Luo Zheng’s words were drowned in his response.

As her wish was fulfilled, the blood trickled down her forehead slowly all the way to her face.

However, she didn’t seem to feel any pain as she smirked and smiled alluringly.

See, as long as you are ruthless, you can definitely achieve your goal.

It’s just a little tiring. I’m really tired and I feel like sleeping.

While thinking about it, Luo Zheng closed her eyes slowly.

All of a sudden, she heard him say anxiously, “Little imp, wake up, don’t sleep! Luo Zheng, you need to stay awake...”

Chapter 379: Find A Substitute To Apologize For Luo Zheng!

The noisy voice sounded rather familiar.

Who is it?

Anyway, the only person who loves me is already dead since a long time ago, isn’t he?

The one who looks exactly like him, unfortunately... still isn’t him after all!

...

There were plenty of people in the hospital.

Chu Ci wore a mysterious mask and was glancing at the man who was standing in front of the ward that was not far away from him.

Ever since he met Bo Hancheng during the kidnapping case a decade ago, he had never seen Bo Hancheng behaving in such a manner.

Bo Hancheng was like an emperor who was indifferent about everything and there was barely anything that could influence his thoughts easily.

At this moment, he was giving an icy cold vibe but he did not hide his concerns.

All of that was closely related to the girl named Luo Zheng.

The people of the Bo Family were naturally unfeeling and hardly developed feelings for others.

However, people like them were also the kind to face the beginning of destruction once they caught feelings.

Chu Ci thought about it while stepping forward. He then whispered, “Third Brother, what do we do now? I really didn’t expect Luo Zheng to be so bothered by Mu Nianqing. It’s just an apology but she’d rather lose her life than do it...”

However, the results of the investigation showed that Luo Zheng and Mu Nianqing did not have much contact with each other.

Bo Hancheng did not answer at first, and simply stared at Luo Zheng who was sound asleep in the ward.

Fortunately, there was nothing too serious about her injuries.

However, the bones in her feet were dislocated and she still had to rest and recuperate well. Besides, the blue poison was still eroding her psyche... In the future, she would have to be treated carefully and nurse herself for one to two years.

“Bribe the media, find a substitute to apologize in place of Luo Zheng, and let the matter rest.”

All of sudden, Bo Hancheng said those words.

Upon hearing him, the slightly stunned Chu Ci asked, “Find a substitute to apologize in place of Luo Zheng? It’s a good idea, but Third Brother...”

His eyes grew gloomy beneath the mask and he said, “Mu Nianqing just woke up not long ago and when she found out that... Luo Zheng’s stab might affect her fertility, she was utterly dejected. She probably wouldn’t agree...”

“There is nothing impossible, she must agree.”

While speaking, Bo Hancheng stared at Luo Zheng again and headed upstairs.

Seeing this, Chu Ci didn’t catch up with him and simply looked down at the girl who was on the bed. He sneered, “You’re really gorgeous!”

Ever since Mu Nianqing was sent from Britain to be Bo Hancheng’s lover, he had been grooming Mu Nianqing because of her identity.

Hence, he had been observing her character secretly and found her to be pretty good.

Although Luo Zheng didn’t betray them in the underground casino previously and even took the blue poison in place of Bo Hancheng, which changed his impression.

However, the point was that the toxins in Bo Hancheng’s body were getting more and more severe. Every relapse would very likely be lethal.

Mu Nianqing’s special physique may just save his life during the critical juncture.

Hence, he still chose Mu Nianqing!

However, Bo Hancheng cared about Luo Zheng the most.

So far, it was suddenly revealed that Luo Zheng and Mu Nianqing were half sisters, making things even messier.

Whatever the outcome was, would depend on how things develop.

...

Mu Nianqing was wearing the patient’s uniform and leaning against the chair in the ward.

Although she had never thought that Bo Hancheng would not help Luo Zheng, she never expected it would be to such an extent!

All of a sudden, she forced a lopsided smile on her pale face and said, "Mr. Bo, she stabbed me and injured my uterus, thus affecting my fertility. In fact, getting married in the future will be a problem for me. What happened? Not only does she not have to go to jail, she doesn't even want to apologize..."

Chapter 380: As Long As You Cooperate With Luo Zheng, I'll Compensate You With Anything You Want...

Mu Nianqing paused and covered her mouth to cough gently before saying, "Jingyi was ill so I decided to go in her place out of kindness. I didn't expect... that person to be Miss Luo! Previously, I didn't know why Miss Luo hated me? Only then did I find out that... she and I would be half-sisters..."

With a bitter smile, she looked into her abyss-like eyes and said, "Mr. Bo, whether you believe it or not, I was raised by my mother ever since I was a child and as for Uncle Mu... who is also my biological father, I may have met him frequently but I never knew that he was my biological father..."

Bo Hancheng stared at Mu Nianqing and remained silent.

Her identity and background were complicated yet simple as well.

Mu Tianwei was the greedy one who held a wedding banquet with Zhao Manru in the village. According to rural customs, the two were already married.

After that, Mu Tianwei went to Beijing to carve out a career and after meeting Luo Huawei, he lied about being single and then married her later on.

No one could talk about what happened back then clearly.

However, it was said that Luo Huawei, the youngest heiress of the Luo Family, insisted on marrying a pauper, who was also Mu Tianwei.

Later on, Luo Huawei died in a plane crash and the matter came to an end!

"It's no wonder that my mother had been hiding it, clearly... my mother was his lawful wife and Luo Zheng's mother was the one who came in between them! Luo Huawei is the third party! Why is the media claiming that I'm his illegitimate daughter while Luo Zheng has every right to be the heiress..."

Mu Nianqing said and coughed violently again. She swayed unsteadily from side to side and almost passed out.

In the end, Bo Hancheng stepped forward to pour a glass of water and handed it to her. He then said, "You can't blame Luo Zheng for this matter, and all the more should you not blame Luo Huawei. It's your father's fault for being greedy. He shouldn't have deceived everyone for the sake of living a luxurious life..."

Mu Nianqing looked at the glass of water that was handed to her and felt a little relieved. She then stretched out her hand to grab it slowly.

Seems like he believes me and takes pity on me?

However, the thought of him wanting to find a substitute to help Luo Zheng apologize, and wanting her to cooperate, made Mu Nianqing feel extremely indignant.

Besides, the plan went awry beyond her expectations and she will never let Luo Zheng off. It was absolutely impossible!

“Yes, I admit, it was my biological father’s fault! So, what about me? What did I do wrong? Luo Zheng is already the lawful daughter and heiress. Surely she can’t still be afraid of me snatching her things away from her? Even if she doesn’t want Uncle Mu to acknowledge me, she can’t be so vicious as to try to kill me...”

Mu Nianqing began to get rather agitated.

“Luo Zheng was just muddled up. She didn’t mean to do it. As long as you promise to cooperate, I can compensate you by giving you whatever you want...”

Bo Hancheng said calmly with a cold expression.

To his surprise, Mu Nianqing shook her head and insisted, “I don’t need any compensation. Yes, she wasn’t sober, and on the account of our kinship, I can not sue her and save her from prison! I can tell the media that this was just a misunderstanding, but... she must apologize to me! Not get a substitute to do it...”

Hearing this, Bo Hancheng’s eyes grew darker and he reiterated coldly, “I said, she doesn’t want to apologize.”

Luo Zheng was at fault for this matter.

But so what? Luo Zheng was so vehement and adamant about apologizing. I can’t force her again!

“Mr. Bo, don’t you think she went overboard for doing what she did to me? All I want is an apology, what rights does she have to be unwilling!”

Mu Nianqing was rather emotional when she said those words and she was no longer as gentle and mild-mannered as she usually was. She even subconsciously sounded vengeful.
