

BO LOVE LIFE 381

Chapter 381: Bo Hancheng Threatens Mu Nianqing to Protect Zheng

Soon, she realized that she was showing her emotions, and had no choice but to force herself to suppress them.

She then added, "I may be kind, but it doesn't mean... I'm a pushover! Sorry, Mr. Bo, I can't agree to your suggestion..."

Silence suddenly filled the air and Bo Hancheng glanced at Mu Nianqing, seemingly thinking about it.

All of a sudden, he leaned over and got closer to Mu Nianqing who was lying on the bed.

Mu Nianqing was suddenly shocked and she could not help but hold her breath. She watched as his handsome face expanded in front of her.

At the next moment, Bo Hancheng stretched his hand out and while she was feeling nervous and anticipating something, he took away the... glass of water.

"You don't agree?"

Bo Hancheng asked calmly while darkness began to spread in the surroundings.

After all, Mu Nianqing had never seen such a side to him and hence, she could not help but feel a little daunted. She said insistingly, "Yes, I don't agree..."

Before she could finish speaking,

Bang!

She was caught off guard by Bo Hancheng who crushed the glass of water in his hand, causing the shards to remain in his palm.

Soon, the broken porcelain cut through Bo Hancheng's palm and his blood mixed with the remaining water in the glass. The bloodied water then trickled down his fingers and landed on the snowy white blanket, staining it red.

"Mr. Bo, your hand..."

"If, you don't agree, you will... end up like this glass!"

Mu Nianqing snapped back to reality and tried to show some concern for his bleeding hand.

To her surprise, Bo Hancheng said those words hurriedly. Her pupils constricted and her body began to shiver.

Feeling suffocated, Mu Nianqing looked up at his icy cold eyes in a disheveled manner. "Mr. Bo, what do you mean?"

Bo Hancheng sat up quietly and wiped his palm with some tissue paper. "You either agree and live, or refuse, and die. You are a smart girl. You understand what I mean, don't you?"

She could either agree to his suggestion and accept the apology from the substitute to finish the act, or turn him down and refuse to accept the apology from the substitute.

If she chose the latter, she would end up in a state that was even worse than Luo Zheng. She might even... end up losing her life!

After all, Mu Nianqing was obsessed with Bo Hancheng, and understood his temperament. She was well aware that he wasn't joking.

He actually wanted to kill me because of Luo Zheng? If that's what he means, I'd rather be stupid. At least, I can pretend I don't understand the cruel truth!

"Mr. Bo, you're being partial to Luo Zheng and that's so unfair to me! Luo Zheng hurt me so badly and all I'm asking for is an apology. How am I going overboard? Why should I be treated in such a manner... "

Mu Nianqing asked in a hoarse voice. This time, she wasn't entirely acting and her intentions were mostly genuine. She was filled with resentment, indignation and anger.

"There is nothing fair in this world."

Bo Hancheng did not answer her and simply said those words.

If there was a reason, it must be because... between the two of them, Luo Zheng was the only one he cared about.

Humans are all selfish and there is nothing wrong with caring about the people we want to care about.

Indeed, Luo Zheng owed her an apology.

However, if Luo Zheng was forced to apologize and wished she was dead, he would not allow it!

"Chu Ci will arrange for the stand-in and the media to see you tonight. Just fully cooperate."

Bo Hancheng said calmly and walked towards the door of the ward.

Before he left, he glanced at Mu Nianqing again and warned, "Since you know my identity, you should know the way I usually handle things! If you do well, you will live. If you don't, you will die!"

He then left without looking back at all.

Chapter 382: I, Mu Nianqing, I Will Never Lose To A Pathetic Loser!

Mu Nianqing was seated quietly on the bed.

She suddenly lowered her head and lifted the duvet before ducking under it.

"Ah!"

She immediately shrieked hysterically.

Right from the beginning, she drugged Zhou Jingyi and went to Lanyuan Mansion in place of her with the intentions to agitate Luo Zheng.

She knew that she could only destroy Luo Zheng by acting ruthlessly!

Hence, she planned everything slowly and forced Luo Zheng to stab her. Although the injury seemed serious... she had calculated the time properly and hence, she wasn't stabbed in a fatal spot. She would at most lose an excessive amount of blood.

To her surprise, Luo Zheng detested her to the core and even stabbed her so deep that her womb had gotten affected.

However, it didn't matter because she felt like her sacrifice was worth it.

The people living in the vicinity of the Royal Orchid Garden, were all wealthy and she had allowed them to witness the scene. Things then blew out of proportion... and she contacted the media in private to expose the matter to them.

Others only thought that the news was leaked by some wealthy person and wouldn't think of her.

She thought that Bo Hancheng would be compelled by the public's opinions and begin to detest Luo Zheng if she were to become a murderer... Besides, she could also ruin Luo Zheng's reputation and expose her own identity so as to acknowledge the Mu Family in advance.

However, she never expected Bo Hancheng to care so much about Luo Zheng!

What did Luo Zheng do to attract him? No... not only did she attract him, she even made him fall for her!

She had always known that Bo Hancheng was born heartless and hence, it would be hard for him to develop feelings for someone else. So... she climbed her way up and put in plenty of effort to be by his side. She was yearning for his affection.

What happened in the end?

Luo Zheng only knew him for more than a month and he actually threatened her for Luo Zheng's sake!

Bang!

All of a sudden, Mu Nianqing raised her head and smashed everything on the bedside cabinet, onto the ground.

Ever since she was a child, Mu Nianqing had always been outstanding and excellent in everything. She had never admitted defeat.

Besides, Luo Zheng was extremely pathetic. Losing to her? Impossible!

Luo Zheng, take it that I belittled you this time.

From now on, there'll never be a next time. I must make you... pay it back in double!

...

When Luo Zheng woke up again, everything around her was dark and she didn't know where she was.

She slowly propped herself up and sat there like a broken kite, with pain overwhelming her.

Her right hand was cold and Luo Zheng turned to the side, only to vaguely see some infusion tubes. Clearly, she was being put on the drip!

Leaning forward slightly, Luo Zheng randomly touched the wall and found the switch of the bedside lamp.

As the lights turned on, Luo Zheng found it to be glaring at first.

Luo Zheng soon found that the layout of the room was familiar, and resembled Bo Hancheng's home!

She looked around and realized that she was alone.

She then glanced at her hand and reckoned that she was having a transfusion. She pulled out the needle and stumbled down the bed.

Bearing with the discomfort, Luo Zheng went to the door, only to realize that she could not twist the door handle to open the door.

"Bo Hancheng... let me out..."

Luo Zheng smacked her hand against the door continuously, but unfortunately, no one responded.

In the end, she had no choice but to stop because she didn't want to waste her effort and energy.

She turned around casually, only to catch a glimpse of the clock on the wall. She discovered that two days had passed since she slipped into a coma!

Overwhelmed with anxiety, Luo Zheng walked towards the window.

She looked out and could basically be sure that she was in Bo Hancheng's home.

However, she used to stay on the first floor but now, she was on the second floor.

She reckoned that she must have stabbed Mu Nianqing on the first floor and hence, Bo Hancheng moved her to another place!

At midnight, there was silence everywhere and not a single soul was in sight.

Somehow, Luo Zheng felt a sense of loneliness and she reached out to hug herself!

Chapter 383: I Didn't Expect You To... Have Such A Problem, Senior Mubai

She initially thought that she could own everything again after the rebirth.

However, she discovered that the person she wanted the most was no longer present!

All of a sudden, a ridiculous thought came to mind.

Why don't I follow the trajectory of my previous life? If that's the case... will Mr. Bodyguard come back again?

Bang!

At the thought of this a surprising sound could be heard.

Luo Zheng was stunned and she looked in the direction of the noise, only to see that it was a balcony. There were some curtains draping downwards quietly.

Woosh

There was another sound which resembled that of someone opening the door of the balcony.

Later on, the curtain was opened, revealing the young man's face.

"Xi Mubai? Why are you here!?!"

Luo Zheng was stunned, and she was undeniably astonished.

Upon sight of Luo Zheng, Xi Mubai relaxed a little and took a few steps forward. "Luo Zheng, I have been looking for you for the past few days... "

"You were... looking for me?"

Luo Zheng was puzzled at first and she began to recall the last time she parted ways with Xi Mubai.

All of a sudden, she pursed her rosy red lips and gibed, "Oh, Senior Mubai, are you planning to settle scores with me? It seems that I should congratulate you and Gu Sisi for the fact that your love has come to fruition..."

At the mention of this matter, Xi Mubai's face grew sullen and he could not help but feel an urge to fly into a rage.

However, he still suppressed it and answered calmly, "If you're referring to that, I... must disappoint you! Nothing happened between me and Gu Sisi..."

Upon hearing his words, Luo Zheng frowned and glanced at him. All of a sudden, she suddenly snorted with laughter and said, "I didn't expect you to be... sexually impotent, Senior Mubai!"

"Luo Zheng, you..."

After hearing her words and seeing how thrilled she was, he immediately got infuriated.

All of a sudden, he took a few steps forward, grabbed her wrist, and exclaimed sneeringly, "Do you want to try and see if there's anything wrong with me!?!"

"You're disgusting, let go of me!"

Luo Zheng's face grew sullen and she began to struggle.

To her surprise, Xi Mubai did not seem embarrassed at all. He simply let go of her and said, "Luo Zheng, I'm asking you, were you the one who stabbed Mu Nianqing?"

"Hah, I was wondering why you painstakingly came here in the middle of the night, Senior Mubai. It turns out you're interrogating me on behalf of your sweetheart..."

Luo Zheng mocked and finally understood Xi Mubai's agenda.

Xi Mubai was stunned, and he subconsciously retorted, "Mu Nianqing is not my sweetheart..."

After hearing him, Luo Zheng said with even more derision, "You know clearly whether she is your sweetheart or not. However, I can tell you that she was stabbed by me. It is a pity that she did not die..."

“Why did you do that? I just found out that you and Mu Nianqing are actually half-sisters...”

Xi Mubai asked, filled with puzzlement.

In the past few days, he had been full of doubts ever since he woke up from the dream, and wanted to question Luo Zheng.

However, he couldn't find her at first, and later then, he found about the matter of Luo Zheng trying to murder Mu Nianqing, which caused such a huge uproar... As a last resort, he conducted various private investigations and discovered that Luo Zheng had never returned to the Mu Family home ever since the end of the monthly exam.

After going around in circles, he finally found Luo Zheng's whereabouts, and found out that she was in the hospital.

However, Luo Zheng was taken away by Bo Hancheng who let her settle down in the mansion behind the Royal Orchid Garden, before he could even see her.

He was worried about Luo Zheng's safety and didn't want to alarm Bo Hancheng. Hence, he made his way to the mansion carefully when Bo Hancheng went out.

“No reason, I just don't like her. Likewise, I don't like you either, which is also why I drugged you! But you can't blame me, if you must, you should blame your “wonderful sister” who handed me that glass of wine... Since you're her brother, I had no choice but to give it back to you...”

Chapter 384: How Can You... Make Me Admit That I Lost To Mu Nianqing...

Xi Mubai held his breath after hearing Luo Zheng's nonchalant explanation.

He felt extremely thankful as the thought flashed through his mind.

Fortunately, Luo Zheng didn't drink the wine. Even though she had plotted for him to drink it later, it didn't matter... Anyway, nothing happened in the end and it even made him dream of the special scene again!

“In that case, you're indeed not the one who apologized to Mu Nianqing!”

Although he didn't know much about Luo Zheng, he could tell clearly what her attitude was simply based on the words that she said. He was certain that Luo Zheng detested Mu Nianqing.

“Why are you apologizing?”

Luo Zheng frowned and asked in bewilderment.

Seeing this, Xi Mubai thought about it and answered truthfully, “Don't you know? There are so many media reports about you trying to stab Mu Nianqing and everyone knows about it! I don't know who revealed your identity too but Grandpa Luo and Uncle Luo are all looking for you...”

He paused and sensed that she had a sullen expression on her face, clearly still kept in the dark about the matter.

“Yesterday, the media reported again about you going to the hospital to apologize to Mu Nianqing, and it was also reported that you two shook hands and buried the hatchet! Besides, Mu Nianqing’s identity as your half-sister was exposed. Everyone just took it as a quarrel and the matter is in the midst of dying down...”

However, in the reports, there were no photos of the front view of the girl who apologized, and only her body was photographed.

She was physically similar to Luo Zheng and the ones who didn’t know Luo Zheng wouldn’t be able to tell that she wasn’t Luo Zheng.

However, he could tell from her voice that she wasn’t Luo Zheng!

“Hah, he actually found someone to stand in for me and apologize to Mu Nianqing? Why should I apologize!?! Mu Nianqing owes me something in the first place... how ridiculous! It’s really ridiculous...”

Luo Zheng’s heart trembled and her heart overflowed with a sense of loneliness.

Even if it was a substitute, she still could not accept it because the apology was made in her name!

“Bo Hancheng... how can you... make me admit that I lost to Mu Nianqing... how can you...”

“Luo Zheng, are you okay?”

Seeing that Luo Zheng’s eyes were wide open and her face was as pale as a sheet like she had been immersed in agony, she was unable to help herself.

“I hate her... I hate her so much... and yet, you still forced me... Ah...”

At the end, Luo Zheng covered her face and began wailing and sobbing in a hoarse voice.

She then staggered and almost fell to the ground.

“Luo Zheng, be careful...”

Xi Mubai held onto Luo Zheng and reminded her nervously.

“Let go! Xi Mubai, I hate you too...”

Luo Zheng shrugged him away with all her might and blood stains appeared on the back of her hand which was attached to the infusion tube.

Upon seeing this, Xi Mubai held his breath again and his heart wrenched up, seemingly having understood something. However, he was still somewhat puzzled.

“Luo Zheng, ever since you broke that bottle of wishing stars...”

He wasn’t bothered by what she said at first but whenever he recalled it, he would feel upset and depressed.

She smashed the bottle of wishing stars and said resolutely, “Xi Mubai, you must remember that you were the one who shattered my heart.”

“Since then, whenever you see me, I’d always feel that you seem to detest me! It’s just that I haven’t been able to understand why...”

Hearing Xi Mubai’s description, Luo Zheng leaned against the wall and began smiling coldly and satirically.

“Senior Mubai, how would whether or not I detest you, affect you? In your eyes, I, Luo Zheng, am nothing...”

Luo Zheng then suddenly thought of something and walked to the balcony.

At the thought of Bo Hancheng looking for a substitute to apologize to Mu Nianqing on her behalf, she was filled with immense hatred.

She was initially held in purgatory by him and forced to stay here to quit her drug addiction.

However, she really didn’t want to stay there for a second longer!

Chapter 385: Brother Cheng, Come back! Hide Xi Mubai In The Closet...

Luo Zheng lifted the curtains and was about to go to the balcony when she suddenly heard him say, “Luo Zheng, I had a dream. In the dream... you still carried a torch for me and we were still involved in each other’s lives!”

Luo Zheng shivered and even her blood seemed to have stiffened. She turned around in disbelief and met his eyes.

Step by step, Xi Mubai walked towards her and continued, “At last, we got engaged and ended up being tied together since then!”

Bang...

Luo Zheng’s mind was blank and she found it to be rather incredible. Is this a coincidence... or did he recall everything from his previous life?

Shouldn’t I be the only one... who was reborn? What’s the matter with Xi Mubai!

“Besides these, what else?”

Luo Zheng asked after a long while, trying to suppress her emotions as her nails sunk into the flesh of her palm.

Xi Mubai stopped and looked at Luo Zheng intently, “Let’s go out and talk about the rest! Luo Zheng, leave with me, okay?”

“Leave with you?”

Luo Zheng asked coldly, as if she had heard a joke.

“You don’t want to be imprisoned by him, do you? However, you are feeble now and your leg is injured. I’m afraid that you will be caught by him before you even get far!”

Xi Mubai observed casually and realized that Luo Zheng went to the balcony with the purpose of leaving.

However, at the same time, he also felt that it would be a little inconvenient for her injured leg. Although they were on the second floor, it would still take some effort for her to go down!

“It’s hard for you to leave this place alone! It happens that I can help you...”

Xi Mubai said calmly after seeing through Luo Zheng’s intentions.

Luo Zheng’s face grew sullen and she indeed wanted to leave this place.

Get him to help me? Sounds very ridiculous!

However, I’m really weak and I do want to leave Bo Hancheng... for real.

Forget it. Since I can make use of Xi Mubai, I’d be letting it go to a waste if I don’t use him. Besides... I have to ask about his dream in detail, lest things spiral out of control in the future!

“Okay, I’ll go with you.”

Luo Zheng made up her mind immediately.

“Shall we leave then? Do you have anything you need to bring...”

The tension in Xi Mubai’s heart eased up when he asked Luo Zheng that question.

Luo Zheng shook his head and muttered softly, “No, the things here don’t belong to me at all.”

She was about to leave after she paused.

All of a sudden, it seemed that Bo Hancheng had returned, and his footsteps were rather audible in this silent night.

Luo Zheng panicked and she could guess that it was definitely Bo Hancheng. She then glanced at Xi Mubai.

She shivered from head to toe, for some reason.

If Bo Hancheng were to see Xi Mubai there in the middle of the night, things would be terrible!

“Hide! Hurry up and hide...”

Luo Zheng urged gently and anxiously.

However, the room was small and the balcony was unsafe.

Luo Zheng looked around and grabbed Xi Mubai’s arm before walking towards the closet which she was staring at.

She opened the closet and pushed him in: “Don’t make any noise, got it?”

Xi Mubai felt his face turning red and he felt rather uncomfortable but he still nodded anyway.

Bang!

The door was pushed open almost as soon as Luo Zheng closed the closet.

All of a sudden, the two of them looked at each other.

Bo Hancheng stared at Luo Zheng who was flustered and seemed to have done something wrong. He closed the door and walked forwards.

“You’re up? How do you feel?”

Luo Zheng was repulsed by Bo Hancheng but she somehow felt a little guilty because of Xi Mubai.

The two of them were getting along harmoniously and she answered obediently, “I’m alright...”

Before she could finish, he grabbed her palm which was connected to the fusion tube previously. Due to the fact that she had pulled the needle out, she was bleeding. “Did you pull it out yourself?”

Upon hearing his questions, Luo Zheng’s scalp turned numb and she answered, “It fell off by accident...”

Her remaining words were drowned in the gentle kiss that he planted on her.

Chapter 386: Hey, Open Your Mouth

“Don’t, it’s dirty...”

There was blood on her hand and if he touched her, wouldn’t he be contaminated?

Luo Zheng wanted to withdraw her hand, but Bo Hancheng refused to allow her to do so. “You are not allowed to say that you are ‘dirty’, got it?”

It was because the word “dirty” reminded him that she had been touched by others before.

Even till now, he still didn’t want to know who the man who touched her was!

All of a sudden, he pulled her into his arms and said, “Good that you’ve come to.”

For the past two days, she had been in a coma but the doctor said that she was in a stable condition and did not suffer any major problem. However, she was too weak to wake up.

The matter about Mu Nianqing would blow over after some time passed.

He brought Luo Zheng home for her to recuperate and rest well in peace.

However, the thought of her sleeping lifelessly made him feel a slight ache in his heart.

He could not help but look down to kiss her lips and give her some comfort.

Luo Zheng panicked and wanted to turn him down when she thought about Xi Mubai being in the closet beside her.

However, men were naturally dominant in that aspect.

Especially for Bo Hancheng, the more Luo Zheng turned him down, the more aroused he would feel. He would even become uncontrollably ruthless.

He put one arm on her waist and pushed her backwards.

Bang!

Luo Zheng's back was slammed accurately against the closet.

She panicked and was about to break out into sweat. However, she still had to deal with him. "Bo Hancheng... don't do this..."

"Hah, don't do this? Do what?"

He chuckled and showed no intentions to give in.

In particular, he thought about how he had helped clean up the mess she created and yet, she was still so repulsed by him... At last, he couldn't help but want to bully her. "Why can't I kiss you, huh?"

Bo Hancheng questioned softly and grabbed her slender wrist before raising them high above her head and against the closet.

Later on, he kissed her forcefully before sliding downwards with desire for lust.

While sucking on her delicate lips, he began to feel increasingly horny.

Luo Zheng's body stiffened, thinking about the fact that she was leaning against the closet where Xi Mubai was hiding in, and her face turned hot.

Just as she was about to push Bo Hancheng away, he retreated slightly.

Bo Hancheng then said coaxingly, "Be good, open your mouth and stick your tongue out!"

"!!!"

Luo Zheng's mind turned blank and she thought, It would be fine if I'm the only person who heard such shameful words.

The point is, there's another person here in this room!

Just as she was thinking about what would happen if Xi Mubai were to open the closet in a moment of folly, Luo Zheng clearly felt... a sudden force coming from the closet that she was leaning against. It seemed to be coming out.

Luo Zheng panicked and kicked the closet forcefully. "Don't come out!"

"What do you mean?"

Bo Hancheng paused while kissing her and asked in a dangerous manner.

All of a sudden, Luo Zheng wished she could cry. "No, no, no... nothing much! I mean, you're not allowed to come out, I, I, I... I'll just move in..."

"Oh? I didn't expect you to be so enthusiastic as to take the initiative..."

Bo Hancheng was slightly astonished, for he did not expect her to say that.

"Hehe... I've always... taken the initiative with you..."

Luo Zheng said with a mirthless smile, feeling extremely awkward.

Is that so?

She was indeed behaving that way beforehand but ever since the Gu Family banquet, the two of them fell out with each other.

Even though they had been getting along well the past few days, she had been keeping a distance from him apart from during the relapses.

Chapter 387: Brother Cheng, I'm Really Urgent, Will You Accompany Me First?

However, she seemed rather sober and didn't seem to be suffering from a relapse. Hence, he moved his lips and said, "Alright, come in then."

Seeing that he had taken her words for real, Luo Zheng stayed still, feeling as if she had been put in a spot.

Her behavior had undoubtedly aroused Bo Hancheng's suspicion.

His aura turned extremely cold and dangerous... Afraid that he would find out, Luo Zheng immediately threw her hands around his neck without hesitation.

She tiptoed slightly and kissed his thin lips again, before being compelled into trying to touch his tongue with hers.

She initially wanted to just brush him off by sticking her tongue in perfunctorily for a brief moment and pulling it out quickly.

To her surprise, as soon as she moved her tongue in and wanted to pull it out, Bo Hancheng pressed a hand on the back of her head, forcing her to press her lips against him.

That was not all. He even curled his tongue around hers and drew her saliva. At last, her tongue turned numb and he seemed to be making her breathless.

He only let go after a long while.

Luo Zheng panted heavily and before she could even breathe properly, he lowered his head and tried to kiss her again.

Unable to deal with it, Luo Zheng said amidst the panic, "I need to use the bathroom!"

Upon hearing her words, Bo Hancheng paused and his lips were right beside her ears. Breathing heavily, he said, "Go ahead, I'll wait for you."

Luo Zheng could finally escape. She was about to leave the closet when she felt his hand being placed on the door of the closet, and she was so frightened that her heart almost stopped beating!

"What's the matter? You've turned so pale..."

Bo Hancheng patted her small face and asked with hidden intentions.

"No, no, no... nothing! I just feel like my legs are a little wobbly. Can you carry me down to the bathroom..."

Luo Zheng said pitifully, and even bent down.

Upon seeing this, Bo Hancheng nodded slightly and held onto her shoulders. "Okay."

After he finished speaking, he did not leave immediately and instead said, "I'll take a bath later. Let me get a bathrobe first."

Upon hearing this sentence, Luo Zheng almost scratched her ears and face. Feeling increasingly nervous, she suddenly hugged him and said, "Brother Cheng, I'm really urgent! Will you accompany me first?"

There's something wrong with Little imp who's in my arms. There's something very wrong!

After confirming that, Bo Hancheng stared at the closest and his eyes turned a little gloomy. However, he did not turn her down. "Sure."

He then picked Luo Zheng up and headed to the washroom.

The washroom was connected to the bathroom and after placing Luo Zheng on the toilet seat, he turned around in a bid to leave.

Luo Zheng was really afraid that he might open the closet again after going out. Hence, she hurriedly tugged his clothes and said, "Don't go, I'm afraid..."

"What are you afraid of?"

Bo Hancheng asked calmly with a tinge of nonchalance.

"I'm scared that my legs will turn weak and I won't be able to go back later. So, stay with me, alright?"

Luo Zheng also felt ashamed to say those words.

Bo Hancheng looked back at her with a mirthless smirk and said with an intent gaze, "Alright."

For a moment, Luo Zheng almost thought that he already knew something.

At last, she urged him, "Turn over, don't look."

Bo Hancheng obeyed entirely and turned away from her.

However, Luo Zheng didn't know that his face turned cold when he had his back facing her.

For a long time, there was no movement or sounds and Bo Hancheng asked, "Didn't you have to use the bathroom?"

"Yeah... I'm going to now..."

Luo Zheng answered hesitantly, feeling like she was digging her own grave.

The point was, she really wanted to relieve nature's call!

Now, there was no turning back for her.

She would probably really have to use the bathroom while he was in front of her.

The thought of it made her feel shy and ashamed. She slowly lifted her nightgown and pulled down her undies.

When the sound of liquid splashing filled the air, Luo Zheng felt incredibly ashamed and embarrassed, so much that she wished she could dig a hole in the ground and hide in it!

...

Chapter 388: I'm Hungry Too, Satisfy Me First...

The thought of it made her feel shy and ashamed. She slowly lifted her nightgown and pulled down her undies.

When the sound of liquid splashing filled the air, Luo Zheng felt incredibly ashamed and embarrassed, so much that she wished she could dig a hole in the ground and hide in it!

She had never thought that one day, she would willingly perform such a private act in front of a man.

Although it was just a few seconds, Luo Zheng felt that it was surprisingly long, as if it were years.

After everything ended, she hurriedly got up painstakingly.

Staring at the automatic flush in the toilet bowl, she turned around and went to the sink to wash her hands, and rinse her face with water in a bid to dissipate the heat.

At the same time, she was also thinking hard about how she could trick him into leaving the room!

However, she turned around and was about to say something after wiping her hands.

All of a sudden, he suddenly pressed her down and questioned, "Little imp, do you have anything... to tell me?"

Luo Zheng somehow had an ominous hunch and couldn't help but swallow his saliva.

While in a daze, she wondered, am I a little too cowardly? I haven't done anything, what am I afraid of!?!

However, before she could even figure out, she sensed that there seemed to be hidden intentions in his gaze. For fear that he would notice the strangeness of her behavior, she frantically asked, "Bo Hancheng, can you go out... and buy me some food? I'm a little hungry..."

Seeing how involuntary her speech was, Bo Hancheng agreed, "Sure."

Upon hearing his words, Luo Zheng felt a sense of relief but to her surprise, he said, "However, before I go, I'm hungry too, satisfy me first..."

Satisfy? What satisfy!?!

Before Luo Zheng could even react, he lowered his head and sucked on her lips before moving his palm under her nightdress and grazing it against her skin.

His palm was slightly rough and she felt waves of electricity in the spots that he had touched.

Luo Zheng's waist and limbs were forced to rest on the basin and she couldn't move at all while he dominated her.

All of a sudden, he asked softly, "Sister Zheng, use your hand to satisfy me, okay?"

As he finished speaking, Luo Zheng suddenly thought of something and her face which had just reduced in temperature, suddenly became burning hot again.

However, he didn't allow her to turn him down at all and instead moved his hand downwards to pull out his belt and unzip his trousers.

Luo Zheng subconsciously wanted to look down but he covered her eyes and said, "Don't look, touch it with your hands."

Bo Hancheng's ear then turned slightly red.

Actually the only person who had ever seen his member was Luo Zheng!

However, he couldn't bring himself to allow her to look at him down there. It was not the time to do so.

He then held onto her palm.

Luo Zheng was taken aback, and she instinctively wanted to withdraw her hand. She had previously touched him before and the memory was still fresh in her head.

"Be good."

Bo Hancheng said in a hoarse voice and his desire for Luo Zheng was beyond expectation.

However, she was weak and he was worried that she could not take it because she needed to rest for a while.

That was the only way to relieve his desire.

Before Luo Zheng even agreed, Bo Hancheng was already kind of compelling her.

He then began kissing her neck.

"Bo Hancheng... Don't do this... I'll help you..."

Luo Zheng found it a little hard to tolerate his aggression, but at the thought of Xi Mubai being outside, she was reminded that she couldn't let Bo Hancheng find out!

She then clenched her jaw and buried herself in his arms to hide her shyness.

"Little imp... go faster... "

Chapter 389: You Know, I Won't Blame You...

Bo Hancheng wrapped his arms around her and enjoyed the thrill of it, feeling like he was addicted to it.

He did not feel that way about Mu Nianqing at all.

However, when he was with Luo Zheng, he would feel incredibly aroused at the slightest flirtation with her.

He could not help but tighten his grip on her waist.

"Bo Hancheng... how long more do you need... why aren't you done yet... "

Luo Zheng's hands were sore, but Bo Hancheng refused to stop.

"Be good, I'll be done soon."

Bo Hancheng coaxed and refused to let her stop, for he wanted her to continue repeating the same actions.

Luo Zheng had no choice but to persevere and look at his handsome face which had become flushed. He was clearly aroused.

He was initially already dashing enough but his lustful appearance made him look even more alluring.

Even though Luo Zheng did not want to be man-obsessed, she still felt slightly shocked.

She noticed that he was wrapping his arms around her and a fleeting scene appeared in her mind for a brief moment.

She still remembered that she had stabbed him with a penknife during her relapse previously.

After a long duration of half an hour, Luo Zheng really couldn't stand it any longer.

He immediately reached out to hold her hand.

Later on, Luo Zheng's palm turned warm while he panted heavily. The intimate and joyous session was finally put to an end!

Afterwards, Luo Zheng glanced at her palm but before she could even take a clear glimpse, he grabbed her hand and placed it under the stream of water to wash it clean.

He even carefully cleaned her fingers, leaving no trace behind!

While wiping her hands, Luo Zheng stared at him in displeasure and exclaimed, "You were clearly so quick previously. Why did you take so long this time!?! My hands are so sore..."

Bo Hancheng had an unnatural expression and he smirked faintly.

After staring at him a long time, Luo Zheng suddenly reached out and held onto his arm.

Bo Hancheng watched as she unbuttoned the cuffs of his shirt and pulled his sleeve up, revealing the gauzes.

Luo Zheng could not help but raise her hand and touch it gently with inexplicably complicated emotions.

However, he could sense that she was bothered by it and hence, retracted his arm calmly. He then said softly, "It doesn't matter, it's just a minor injury. You know I won't blame you, don't worry too much, okay?"

"I'm not worried about you! It's not my fault..."

Luo Zheng retorted and looked away.

Seeing her reaction, he did not fly into a rage and instead, found it to be rather interesting. "Okay, it's not your fault. My Sister Zheng, how could it ever be your fault?"

Hearing that he was trying to tease her, Luo Zheng frowned a little and said, "Don't call me Sister Zheng..."

Whenever he addressed her that way, she would feel... out of luck!

He did not respond again and instead leaned over and picked her up before placing her on the bed slowly.

Luo Zheng only snapped out of her trance when she looked at the closet, finally realizing it.

I was just wondering what I had forgotten. I actually forgot... about Xi Mubai who's in the closet!

"Bo Hancheng, you promised to help me buy food..."

Luo Zheng reminded him as she tugged the corner of his shirt nervously.

"What did you call me?" he reminded her in a cold voice.

Luo Zheng held her breath, adjusted her mentality and raised her head, trying her best to smile.

"Brother Cheng..."

Finally satisfied, he rubbed the top of her head and reminded, "Why don't we go out together? I'll take you to eat whatever you want to."

Chapter 390: Luo Zheng, Can You Love Yourself More!?!

Luo Zheng was taken aback and she shook her head without hesitation. "No, I'm a little uncomfortable, I want to rest more."

"Are you uncomfortable? Which part of you is uncomfortable..."

When asking that question, he placed his hand on her forehead to feel her temperature.

Afraid that he would sense that something was amiss, Luo Zheng coughed a few times and said, "My throat hurts a... a little and I have no energy to go out."

While listening, Bo Hancheng's eyes turned gloomy and cold without him realizing.

He then stopped insisting further and instead, agreed with a nod, "Okay, be good and wait on the bed."

Seeing that Luo Zheng had nodded, Bo Hancheng turned around to go out, but after taking a few steps, he seemed to have thought of something.

He then suddenly turned around to glance at Luo Zheng before walking towards the bed again.

"Brother Cheng, you... mm..."

Luo Zheng was about to ask him a question, but as soon as she spoke, he pressed his face down to kiss her on her lips.

Somehow, his kiss seemed rather emotionless, though she was unsure if it was an illusion.

Soon, their lips and teeth were in close contact and after tasting her lips, he whispered into her ear, "Sister Zheng, I don't like being lied to, got it?"

Luo Zheng held her breath and her hands curled up uncontrollably as she nodded profusely.

Later on, she watched as he walked out of the door and she only felt a sense of relief when his figure disappeared.

Damn it, I really have to admit that Bo Hancheng may be domineering, but I really can't guess his intentions at all... even if I lie to him, I'd feel extremely pressured. My heart almost stopped beating too.

At the next moment, Luo Zheng got up and went to the closet.

She opened the closet, only to realize... that there was no one inside!

Slightly startled, she thought that her eyes were playing tricks on her but a voice came from behind and suddenly questioned her in anger, "Luo Zheng, what did you and Bo Hancheng... do in there just now?!"

Luo Zheng was astonished and she turned to look at the source of the voice.

She was greeted with the sight of Xi Mubai standing in front of the curtain. She reckoned that he had come out of the closet and gone to the balcony.

"What I did with him is my business. Who are you to question me?"

Luo Zheng's rose-pink lips curled into a disdainful smirk as she answered calmly.

"I..."

Xi Mubai's heart wrenched up and he felt a sense of disappointment.

Indeed, who was he to question Luo Zheng?

However, at the thought of everything he heard when he was hiding in the closet while Bo Hancheng was kissing Luo Zheng, he almost lost control and tried to come out!

During the critical juncture, Luo Zheng kicked the closet and reminded him not to.

She then led Bo Hancheng to the washroom and stayed inside for a long time.

Finally, he could not help but leave the closet. The washroom was in the room, and was just a few steps away.

He couldn't stop himself from stepping forward, and simply continued eavesdropping.

For more than half an hour, the washroom was full of ambiguity. He told himself that he had to restrain himself and curb the impulse to barge in. He mustn't ruin the plan!

"Luo Zheng, you're still a student, can you love yourself a little more?! Didn't you make up your mind to break free from Bo Hancheng's control? How could you still... do that with him!?!"

Xi Mubai stepped forward and barked with agony in his eyes.

However, Luo Zheng remained calm and asked with a curious gaze, "Do that? I don't know. What are you referring to, Senior Mubai..."

After a while, Luo Zheng suddenly smiled while he was being embarrassed. "Oh, it seems... you heard everything just now, Senior Mubai? I didn't expect you to have a habit of eavesdropping!"

Xi Mubai had heard everything that happened just now... She did feel somewhat embarrassed, but she could not help but find his agitation to be rather fascinating!
