

BO LOVE LIFE 391

Chapter 391: Running Into Bo Hancheng

“Luo Zheng, you clearly know what I mean!”

Xi Mubai said sternly while glancing at her with his jaw clenched.

Unfortunately, Luo Zheng was not interested at all. What she was interested in was leaving this place, and asking about... his dream!

“Senior Mubai, I don’t have time to talk about these meaningless things with you! If you want to leave, hurry up, lest we get into more trouble...”

While speaking, Luo Zheng walked towards the door in a bid to see if it was locked.

Previously, Xi Mubai entered and hence, he knew that Bo Hancheng had locked the place. He walked to the balcony and said, “Luo Zheng, hug me and I will take you down.”

Xi Mubai paused and felt his gentle and tender face turning a little warm.

At the thought of Luo Zheng hugging him, his heart raced a little.

He still remembered her spiking his drink at the Gu Family banquet... It was raining that night. Although he was not sober, he remembered it clearly.

Hugging her felt refreshing, warm and alluring.

Now, he was sober and couldn’t help but want to experience it all over again!

Ka-cha...

Xi Mubai was still being a little shy, but Luo Zheng had already turned the doorknob and opened the door all at once.

Luo Zheng was slightly startled at the instant that the door opened.

She could somewhat guess the reason.

She reckoned that she should have bewitched Bo Hancheng with her actions, so much that he forgot to lock it.

She felt a little disappointed and thought to herself, he’s so heartless and yet he wants to be a womanizer!

While protecting Mu Nianqing, he keeps me by his side. Luo Zheng was feeling extremely complicated and she could not put her emotions into words.

She could not believe that Mr. Bodyguard had the potential of being a scumbag seven years ago.

“What are you stunned for?”

Luo Zheng looked down at Xi Mubai just as she was about to exit.

She unexpectedly discovered that Xi Mubai, who was as gentle as jade, had a peculiar expression on his face, as if he had fallen into a trance... he was even smiling foolishly.

“It’s up to you!”

Luo Zheng barked in displeasure and walked out while bearing with the pain in her ankles.

Xi Mubai finally snapped back to reality and watched as the door opened. Luo Zheng had already walked out, and his heart was filled with immense embarrassment.

He quickly caught up with her and the two of them made their way downstairs one after another.

“Luo Zheng, it’s inconvenient for you to walk. Do you want me to... carry you?”

Xi Mubai suggested when he saw her limping.

Luo Zheng could not be bothered to respond. After passing the first floor, she suddenly thought of something and stopped in her tracks.

Realizing this, Xi Mubai’s heart sank because he was worried that she might go back on her word. He stepped forward and grabbed her. “Luo Zheng, if you want to leave, hurry up. If you run into him, there’ll be trouble!”

Before Luo Zheng responded, he dragged her away forcefully.

Due to her injury, Luo Zheng was walking slowly and to her surprise, as soon as she reached the door, a slender figure came from a distance and was going to run into her.

“Oh dear! It’s him...”

Luo Zheng couldn’t help but be shocked when she instantly recognized Bo Hancheng. She held Xi Mubai’s hand and ducked inside.

Somehow, her heart began to race and she continuously felt guilty.

Fortunately, the sky was already dark, and Bo Hancheng did not pay much attention. He was carrying a large box of food and walking towards the house.

Luo Zheng didn’t expect him to be so quick and she broke out into cold sweat while feeling uncomfortable.

Not to mention, she was feeling a sharp pain in her dislocated ankle.

After Bo Hancheng walked far, far away, Xi Mubai could feel the moisture in her palm. He said, “Luo Zheng, don’t be afraid, I will protect you! If he imprisons you again, we will just call the police...”

Before he could finish speaking, Luo Zheng looked up at him coldly, and even pulled her hand out. “Xi Mubai, I don’t need your protection, mind your own business!”

Chapter 392: Recalcitrant Little imp, You’re Eloping With Another Man Behind My Back...

Xi Mubai clenched his jaw and was filled with displeasure about the fact that she was defending him.

He ignored her opinion and leaned over to pick her up in his arms.

“Xi Mubai, put me down...”

“Once Bo Hancheng returns and finds you outside, he will definitely chase us! Are you sure... want to be imprisoned by him?”

Xi Mubai interrupted and hurried to the front.

“Luo Zheng, I really don’t understand, how do you really... feel about Bo Hancheng?”

Xi Mubai questioned all of a sudden.

For a while, he did not get any response from Luo Zheng.

It was not that Luo Zheng didn’t want to answer, but rather, she... also didn’t have an answer!

She clearly knew that he wasn’t the one she wanted but she still couldn’t give him up.

Was she holding herself cheap?

It turns out, everyone is cheap and she was no exception!

...

Bo Hancheng was carrying the box of food and returning with a cold expression.

He was extremely disappointed.

After entering, he did not rush to go upstairs, but went to the studio on the first floor.

It was the place where Luo Zheng almost killed Mu Nianqing.

Although it had been cleaned up long ago, with no trace left behind, he still decided to let Luo Zheng stay on the second floor, for he considered the fact that she was potentially traumatized.

He casually caught a glimpse of the studio yesterday.

Most of the paintings that Luo Zheng tore up previously, had already been pieced back together one by one. A warm and fuzzy feeling filled his heart.

“Sister Zheng, don’t disappoint me!”

Holding onto the paintings that had been pieced together, Bo Hancheng muttered softly with an icy cold feeling in his heart.

Soon, his mobile phone rang and he took it out.

It was the surveillance camera recording of his home in Lanyuan.

As soon as he played it, he caught sight of Xi Mubai’s figure and he took note of the time stamp.

It was the time when he returned not long ago and ran into Luo Zheng.

Unless she was suffering a relapse and was muddled up, why would she be so nice to him and not feel repulsed?

Hence, it was again another act of hers.

However, it didn't matter and he decided to give her a chance. As long as she was obedient and didn't betray him, he would be able to tolerate her little tantrums and tricks.

He picked up the painting that she had pieced together, and walked out of the studio to go upstairs with the box of food.

With each step, the temperature decreased a little.

He had already guessed the truth and after opening the door of the room, he glanced at the emptiness and realized the cold hard truth.

"You are really... disobedient! Recalcitrant little imp..."

Bo Hancheng looked around and said coldly.

Bang!

He then threw the box of food onto the ground, after which the expensive and luxurious food that he had specifically ordered the chefs of Royal Orchid Garden to prepare, spilled out.

Soon, his mobile phone rang again, displaying the latest surveillance camera footage.

The scene showed the two of them walking towards the entrance of the mansion and running into him. She then pulled Xi Mubai up. However, it was a blind spot and he could not see clearly what was happening.

He only knew that Xi Mubai was carrying Luo Zheng away from the mansion when the two of them appeared again.

"Ah!" He chuckled in a terrifying manner.

He had been giving in to her time and time again, and could not bring himself to be ruthless to her. He often couldn't bear to do it... but to his surprise, she ignored his warning and eloped with another man, once again betraying him!

This time, he was not to blame!

He dialed the number and ordered, "Send someone to stop them..."

...

Seated in the car, Luo Zheng rubbed her ankle which had turned red and swollen.

She looked out of the window, at the passing scenery.

Luo Zheng was a little uncomfortable and assumed it was probably the side effects of the blue poison... Clearly, she had already had several relapses and it should have stopped!

Glancing at Xi Mubai, Luo Zheng suddenly thought about something and asked solemnly, "Xi Mubai, do you know who Li Ge is?"

...

Chapter 393: Untitled

Xi Mubai was slightly stunned and he didn't understand why Luo Zheng asked that question out of nowhere. However, he still answered truthfully, "I know that he's a painter who had recently risen to fame in the art world. His artworks are dark, and it is said to be a bit extreme, so it is rumored... he has already stopped painting..."

"Indeed, you're not him..."

Luo Zheng rubbed her temples and felt that what happened in her previous life had exceeded her knowledge.

For example, Xi Mubai was not Li Ge. In that case... why did he pose as Li Ge in her previous life to deceive her!?!

"Do you also like... his paintings? I have tried to imitate Li Ge's paintings. At best, mine can only be similar to his, but I can't reach his level of artistic concepts..."

"Stop talking! Stop talking..."

Luo Zheng interrupted Xi Mubai and her tone was full of displeasure.

Hence, her love and admiration towards Xi Mubai in her previous life, was... a joke right from the very beginning!

That joke lasted for ten years, until her death.

If it were not for Li Ge's paintings, she might not have fallen in love with Xi Mubai, and brought upon herself a ten-year tragedy.

However, Li Ge was Mr. Bodyguard who ended up giving up his life for her. Perhaps, it was... fate.

"Luo Zheng, do you believe in past and present lives?"

Luo Zheng was caught off guard by Xi Mubai's sudden question.

Astonished, Luo Zheng turned to look at her and answered carefully, "Senior Mubai, are you joking? How can humans have past and present lives?"

"Even if the past and present lives do not exist, have you ever had... the same dream?"

Xi Mubai slowed down the car while asking.

"I don't know what you're talking about..."

Luo Zheng was slightly confused and she denied it calmly.

To her surprise, Xi Mubai extended his hand to grab her wrist. "Luo Zheng, you know it! If you don't you wouldn't have stopped loving me or treated me indifferently, and be full of disgust and repulsion towards me. The point is, Mu Nianqing..."

He then paused and said with a gloomy gaze, "You hurt Mu Nianqing, not only because you know that she is your half-sister, but for other reasons, didn't you?"

Luo Zheng remained fairly calm on the surface, and there was a storm brewing in her heart.

Is Xi Mubai's dream purely a coincidence, or... has he also been through a rebirth?

The more she thought about it, the more confused she felt. Her body began to warm up and she rolled down the car window to let some air in, but her discomfort still couldn't be relieved.

"Luo Zheng, what's wrong with you?"

Realizing that something was wrong with Luo Zheng, Xi Mubai had no choice but to pull over and he stretched out his hand to touch her forehead.

"Why is it so hot? You're running a fever..."

Xi Mubai asked, feeling a little worried.

He took a casual glance at her neck, only to see a faint red mark on it.

Even though Xi Mubai had never been intimate with a woman before, he could tell that it was a hickey!

His heart sank and he was filled with melancholy.

He couldn't help but stretch his hand out and rub it on the hickey, as if he were trying to wipe it off!

"What are you doing? Keep going..."

Luo Zheng shook away his hand and barked in annoyance.

She knew clearly that her body was too weak, and she often suffered from relapses but... after a few attacks, she was almost fine. She was now just feeling empty and could still bear with it!

Xi Mubai didn't know what to say all of a sudden.

With a sullen expression, he started the engine again, but before he could go far, there were suddenly several black cars in front of them, which did not avoid or pull away from them. It was as if they were trying to force them into pulling over!

All of a sudden, Xi Mubai quickly stepped on the brakes, causing Luo Zheng to jerk violently, which increased her discomfort.

"What happened?!"

With a solemn expression, Xi Mubai vaguely guessed something.

After they pulled over, they were surrounded by black cars that were impenetrable... they were surrounded!

...

Chapter 394: Caught In The Midst Of Running Away! He's Coming...

"Luo Zheng, go..."

All of a sudden, Xi Mubai's face grew sullen and he took the lead to open the door and get out of the car.

He then walked towards the passenger's seat and bent over to carry Luo Zheng in a bid to leave the place quickly.

He had a hunch that the black cars belonged to owners who obviously had ill intentions, and were likely to be related to Bo Hancheng!

Hence, Xi Mubai brought Luo Zheng away. Before they could even take a few steps, plenty of men in black alighted from the black cars and stepped forward to surround the duo.

"Who are you? What are you stopping us for!?!"

Xi Mubai questioned sternly with a bit of indifference on this silent night.

"We're not stopping you, we're just stopping... Miss Luo."

All of a sudden, a male voice came from behind, which was rather frivolous for some reason.

He turned around to see that the men in black had parted to make way in the middle for someone who stepped forward slowly, wearing a mysterious mask on his face, which glistened with an icy cold luster.

"Young Master Xi, I'm really sorry but I need you to cooperate and put Miss Luo down. After that, it will have nothing to do with you. Just leave... "

Chu Ci said with a sly smile.

"Who are you? How did Luo Zheng offend you in any way!?!"

Xi Mubai's eyes darkened and he was more or less certain that they were Bo Hancheng's subordinates.

It was because their target was not him, but... Luo Zheng!

"Offend me? Oh, no she didn't! She offended someone whom she shouldn't have. I really didn't expect it..."

Before Chu Ci finished his speech, he stared at Luo Zheng who was in Xi Mubai's arms, with utter disdain.

During the previous incident, he had interacted with Luo Zheng and knew that she was extremely infatuated with the eldest son of the Xi Family.

How could she have suddenly changed her mind and fallen for Bo Hancheng instead!?!

Originally, after the incident in the underground gambling den, his impression of her had changed a little bit. However, he didn't expect her... to even try and elope with Xi Mubai behind Bo Hancheng's back today. No wonder Bo Hancheng was exasperated this time!

Mu Nianqing was also Bo Hancheng's lover in name and that was like a life-saving talisman.

In the end, Luo Zheng almost killed Mu Nianqing and even refused to apologize. Hence, they ended up having to look for a substitute to resolve the matter.

Mu Nianqing was unwilling to accept it and ended up getting threatened by Bo Hancheng. That was how biased Bo Hancheng was towards Luo Zheng.

Yet, not only was she not grateful, she even ended up doing such a thing. She was too narrow-minded.

Actually, even if she didn't want to admit that she was Mu Nianqing's half-sister, how could she have such murderous intentions!?!

I really don't know why Third Brother has such a different attitude towards Luo Zheng. Can't he tell how vicious she is?

Although she's indeed affected by the blue poison, her true nature is very important too!

"Chu Ci, it's you!"

Luo Zheng felt uncomfortable and empty. Xi Mubai continuously tightened his grip around her, causing her to feel a little pain.

She initially wanted to ignore it but to her surprise, she heard Chu Ci's voice. She then looked at the masked Chu Ci while her pupils constricted.

In her previous life, he was the one who shot Mu Nianqing to fame and groomed her into the queen of supermodels!

Filled with resentment, Luo Zheng retorted, "Chu Ci, I don't know you, why do you intervene in my affairs? Get lost!"

"Miss Luo, I don't want to either! I'm just following orders..."

Before he even finished, the piercing sounds of the car tires rubbing against the ground filled the air.

Chu Ci's eyes turned gloomy under his mask and he teased, "Look, he is here too, explain to him yourself."

He?

Luo Zheng's heart sank and she was filled with an ominous hunch.

Just as she was about to glance back, a car pulled over abruptly like an arrow that had left its bow...

Chapter 395: You're A Teacher And Yet, You're Vying With Your Student For His Girlfriend. That's Disgusting!

In the silent night, the sky was starry and there was a cool breeze that was dissipating the heat.

It was mid-summer and Luo Zheng's body was burning hot. She was breaking out into sweat as well.

When the car door was opened, they were first greeted with a pair of straight and long legs, followed by a man's slender figure, and then a delicate and exquisite side profile.

Seeing this, Xi Mubai's heart sank. It really is him!

Feeling Luo Zheng tense up in his arms all of a sudden and grabbing his shirt, he lowered his head and gently comforted her, "Luo Zheng, don't worry, I won't let him take you away!"

"Young Master Xi, if you want to play the hero, you should at least look at yourself! I advise you to spare a thought for the Xi Family and stop offending the people whom you should not be offending..."

Chu Ci gibed with a smile, though there would be no difference whether or not Xi Mubai offended them or not.

Bo Hancheng was initially not in a hurry to take action against the Xi Family, but because of this matter, he decided to accelerate the destruction of the Xi Family!

Everyone watched as Bo Hancheng stepped forward, keeping his eyes fixed on the couple who were embracing each other in front of him..."

"Third Brother..."

"Go away." he interrupted Chu Ci calmly and coldly with a gloomy vibe that was unfathomable.

In an instant, Chu Ci guessed Bo Hancheng's intentions and simply tried to persuade him once more.

"Third Brother, it's not worth it!"

Not worth what?

Bo Hancheng was not clueless and was in fact well aware that the heartless little imp Luo Zheng was not worth his efforts at all!

However, how can that be?

Since Luo Zheng had always been the one he wanted but hadn't gotten, and he couldn't bring himself to ignore the fact that other men had had her... he might as well destroy her!

"Sister Zheng, do you need... to give me an explanation?"

Bo Hancheng asked indifferently, as if he were just talking about the weather.

Only those who knew him would know that the calmer he was, the more infuriated he was and that he was simply suppressing it!

Luo Zheng's heart skipped a beat and she stared at him with glassy eyes, suddenly feeling an urge to put on a bittersweet smile.

Perhaps, I should have known long ago that I cannot escape from him?

"Why? Are you still reluctant to leave your... Brother Mubai?"

Seeing that Luo Zheng was remaining silent, Bo Hancheng clenched his fists, his eyes full of the determination to destroy them.

Great, wonderful, the two of them are like lovers, while I'm just an outsider!

Right from the start, she had been allowing Xi Mubai to carry her and she didn't even mind her image!

An inexplicable wave of emotions suddenly surged up in his chest.

The feeling was rather strange and would appear involuntarily whenever he saw Luo Zheng being involved with other men.

He didn't want to know what was going on. The only thing he wanted now was to get Luo Zheng and fulfill his thoughts. He would then forget about her!

Luo Zheng bit her lip to keep herself awake while struggling to get down.

She didn't want to be carried by Xi Mubai but she didn't have the strength to stand on her own... besides, the matter cropped up too abruptly and she hadn't been prepared for it.

Surprised that Luo Zheng wanted to get down, Xi Mubai tightened his grip again, refusing to let go!

"Xi Mubai, put me down..."

As a last resort, Luo Zheng had to push Xi Mubai in a bid to make him put her down.

For some reason, Xi Mubai looked down at her and suddenly said in a gentle tone, "Zheng, don't be afraid, since... he has already seen it, we will have to explain it sooner or later."

Explain? What's there to explain!?!

Luo Zheng was mentally weak and she was still in bewilderment but Xi Mubai had already made up his mind and raised his head to look at Bo Hancheng. "Bo Hancheng, you are a professor of fine arts at Beijing University, and you're even my teacher! As a teacher, don't you find it disgusting to vie with your student for his girlfriend?"

Chapter 396: Snatching Luo Zheng Away From Xi Mubai's Embrace

Girlfriend? Girlfriend!

All of a sudden, Luo Zheng's face stiffened and she stared at Xi Mubai in disbelief. If he weren't carrying her, she would have knelt on the ground!

Since when did I become Xi Mubai's girlfriend? Why don't I know about it!?!

The point is, does he know that by saying those words, I would be in deep trouble even though it doesn't matter to him or affect him!?!

Damn it, is he trying to help me or... harm me!?!

Just as she was thinking about it, she heard someone sneer, "Hah, girlfriend?"

All of a sudden, Luo Zheng lost all courage to turn around and look at him.

While carrying Luo Zheng, Xi Mubai said with a dauntless expression, "Yes, she is my girlfriend! Bo Hancheng, since she's my girlfriend, I will bring her away! What's the matter? Why were you locking her up?"

"Damn it! Xi Mubai, cut it out..."

Luo Zheng placed a hand on her forehead and she frantically scratched her ears with anxiety.

If he were allowed to go on both of them would be dead meat. She didn't want to die with him!

Feeling like her emotions were about to crumble, Luo Zheng felt a faint ache in her head and she was extremely vexed and worried.

"Sister Zheng, is that true?"

Not to mention, Bo Hancheng was at a certain distance away from her when he questioned her calmly at this moment.

“No!”

Luo Zheng denied it almost instinctively.

All of a sudden, Xi Mubai’s expression stiffened and he lowered his head to coax her, “Zheng, don’t be stubborn, we are dating, aren’t we?”

“Enough!”

Luo Zheng hollered coldly, feeling extremely vexed because she had been compelled by the both of them.

She then nudged Xi Mubai’s shoulder and exclaimed, “Put me down, now, immediately, at once!”

Sensing that Xi Mubai not only refused to put her down and even hugged her even more tightly, Luo Zheng hollered in exasperation, “Xi Mubai, did you hear me? Put me down!”

Xi Mubai’s jaw tightened and he asked softly, “Luo Zheng, didn’t you say that you want to leave him and let me take you away!?! Why? Do you regret it now and want to go back to him?”

Although he was being impulsive when he claimed that Luo Zheng was his girlfriend, he didn’t feel repulsed by her. In fact, he even... felt that it was reasonable!

It was just like everything that happened in the dream. She should be his wife and continue to love him.

Despite feeling annoyed, Luo Zheng still answered him, “I don’t need you to intervene with this matter. I will handle it myself. Xi Mubai, I’m saying this one last time, let go of me!”

Xi Mubai was still hesitating when he heard how infuriated Luo Zheng was.

All of a sudden, there seemed to be a gust of wind whooshing past his ears.

At the next moment, Xi Mubai had just noticed a hand coming his way, but before he knew it, he had been punched in the face!

The person who punched him was obviously Bo Hancheng who had lost his usual composure. When he saw the two of them whispering to each other, he couldn’t tolerate it anymore.

It seemed that Luo Zheng’s man was undoubtedly Xi Mubai!

After being punched, Xi Mubai staggered backwards, almost falling onto the ground with Luo Zheng.

Immediately after that, Bo Hancheng stretched out his hand to grab Luo Zheng’s wrist, pulling her out of Xi Mubai’s arms.

Seeing this, Xi Mubai’s determination sank, but he still wanted to make Luo Zheng leave with him.

Ka-cha...

Bo Hancheng extended his other hand and gripped Xi Mubai’s shoulder tightly.

In an instant, Xi Mubai's shoulder was clearly dislocated with the sounds of bones cracking. He had no choice but to lose to Bo Hancheng and let go of Luo Zheng!

Luo Zheng fell out of Xi Mubai's arms in a disheveled manner. Bo Hancheng did not extend his arms to pick her up and simply dragged her towards the side by grabbing her wrist.

She immediately felt a severe, tingling pain in her red and swollen ankles.

"She's your girlfriend, isn't she? Hah, watch carefully..."

Chapter 397: Bo Hancheng, Must You Humiliate Me In Such A Manner?

Bo Hancheng said coldly, and put his arm around Luo Zheng's waist to hold her in his embrace.

Before Luo Zheng could even react, he kissed her firmly.

In just one second, Bo Hancheng suddenly thought about the scene that took place not long ago.

In the surveillance camera footage, the two of them hid in a blind spot after running into Bo Hancheng, and it was unknown what they had done.

His heart was filled with menace and he tightened his grip on Luo Zheng ruthlessly.

Luo Zheng was getting weaker and weaker, and the torment that Bo Hancheng was inflicting on her made her wish she was dead instead.

Due to the fact that she couldn't push Bo Hancheng away, she had no choice but to pinch his shoulder tightly to express her agony and desire to resist.

"What's the matter? Are you not willing?"

Bo Hancheng smiled coldly after detecting her reaction. "Well, it makes sense. You already have someone else, so... you're no longer willing to be with me, right?"

Luo Zheng's mind went blank. At first, she didn't know what he meant but once she recovered from the shock, her face turned pale and she felt deeply humiliated.

"Bo Hancheng, you bastard!"

Luo Zheng barked while quaking in anger.

"Yeah, I'm a bastard, but what are you? You betrayed me and eloped with another man behind my back. Or are you a prostitute who enjoys having multiple men!?!"

His words were like daggers that pierced Luo Zheng's heart, causing her to almost twitch in pain.

Perhaps because of the extreme pain, Luo Zheng's tone was calm but her voice was shaky. "Bo Hancheng, is that what I'm like in your eyes?"

"What should you be like otherwise?" he questioned rhetorically with a mirthless smile.

"If you're not like that, what should you be like? Hmm?"

At the same time, he bit her earlobe, causing it to almost bleed.

The pain intensified and Luo Zheng tried to suppress the torment brought about by the medicine, as if she were feeling numb.

All of a sudden, he said, "But, how can he be enough? After all, you may be young but your private life is horrendous! Why don't you let me do it for him and continue doing this..."

"Bo Hancheng, must you... humiliate me in such a manner?"

Luo Zheng looked up at him with her lips tightly pursed, her face was full of stubbornness.

"Sister Zheng, how could you call that humiliation? I was just stating the truth..."

Bo Hancheng's eyebrows were beautiful and his tone was calm. However, the words he said were relentless and suffocating.

Staring at Luo Zheng's pale face and her watery eyes, he felt that she seemed to be complaining while feeling aggrieved and lost like a child.

Whenever she did that, he would become softhearted!

Does she really think it works every time!?!

While thinking about it, he extended his arm again to touch her seaweed-like hair with a gloomy gaze. "Why? You can't take it anymore? You're really disappointing me!"

"Bo Hancheng, you're not allowed to continue torturing her!"

Xi Mubai put a hand on his dislocated shoulder and staggered forward while staring forwards to stop him.

"It's not up to you to decide if I torture her or not!"

Bo Hancheng said in disdain as he glanced at Xi Mubai.

Seemingly having thought of something, he continued, "Well, it makes sense. She's your girlfriend. I wonder how you'd feel, watching your girlfriend being tortured by me with your own eyes, Young Master Xi."

At this moment, he looked completely different from before. He was no longer cold, aloof and restrained. Instead, he was menacing, cruel and full of darkness.

It was as if the devil imprisoned within him, was suddenly unleashed, and he emanated an aura of great danger!

...

Chapter 398: Mr. Bo, My Brother Mubai Is Still My Boyfriend, Regardless Of How Weak He May Be!

"Bo Hancheng, don't torture Zheng anymore, just come at me!"

Xi Mubai glowered at Bo Hancheng and hollered coldly.

When he saw Bo Hancheng bullying Luo Zheng just now, he felt anger burning in his chest and he couldn't control it at all!

Perhaps, he should have understood it at this moment.

Luo Zheng no longer ignored him like he used to, and she was no longer as silly, man-obsessed or idiotic as she used to be.

Whenever he faced Luo Zheng, he would be filled with complicated emotions.

The reason was unclear. It was perhaps because of Luo Zheng's change or because of the special dream.

"Zheng? What an intimate and affectionate term! Why? This is just the beginning and you already can't stand it? If I get intimate with her next..."

"Bo Hancheng, do you have the guts to!?"

Upon hearing his casual tone which had an inexplicable seriousness. Xi Mubai could not help but interrupt, for he couldn't stand the sight of it at all!

"Hah, why wouldn't I dare to do it?"

Bo Hancheng questioned rhetorically with a chuckle as he turned to look at Luo Zheng.

He suddenly extended his arm to press her on his chest, after which he glared at Xi Mubai and said, "Young Master Xi, just wait here, I will return her to you after I'm done with her."

Upon hearing his words, Bo Hancheng stepped forward without uttering another word.

Bo Hancheng did not bother about it at all. Instead, he controlled Luo Zheng with one hand while hitting Xi Mubai with the other... After just a few rounds, he kicked Xi Mubai's leg and caused him to fall onto the ground.

"Sister Zheng, your boyfriend is really weak!"

Bo Hancheng then turned his head towards the side and whispered the sarcastic remark into her ear.

Luo Zheng finally snapped out of her trance, like she had just woken up from her dream. With a self-deprecating gaze, she seemed to have decided on something... after which, she raised her head to look at his emotionless eyes. She suddenly smiled radiantly.

At the next moment, she shrugged her arm violently and broke free of his control. "Mr. Bo, regardless of how weak by Brother Mubai may be, he's still my boyfriend! No matter how strong you may be, to me... you're nothing!"

The night was silent and there were occasionally some bugs on the empty road.

Her voice was clear and her words were rather harsh and piercing to the ears, causing Bo Hancheng's heart to wrench up!

"Luo Zheng, what did you just say?"

Bo Hancheng's jaw tensed up and he looked down at Luo Zheng from above, his eyes filled with darkness.

Luo Zheng's face turned pale, but she remained extremely determined. "Bo Hancheng, he is right, I am his girlfriend, so I'll definitely follow him! You are in no place to control me or humiliate me..."

After all, the matter happened all too suddenly and Luo Zheng's body was frail and her mind was weak. Hence, she couldn't think at all.

As a result, his humiliation made her break down.

She couldn't tolerate it at all, she really couldn't. Even if she could imagine him being infuriated about the fact that she had run away... how could he say something so vicious and derogatory to insult her!?!

He chose to ignore her explanation.

He had never bothered about Luo Zheng or ever believed her!

Who am I to him?

A partner in bed, a lover, or... a pet?

I should be a pet to him. When he likes me, he'll touch and fiddle me but when he doesn't, he'll just throw me aside and abandon me!

Since he insisted so stubbornly, fine... I'll let him suit himself!

Even if he's Mr. Bodyguard from seven years ago, I still don't want to have anything to do with him... From now on, I'll just give him help in secret.

Other than that, I'll stay away from him as far as I can!

Chapter 399: You Said That I'm The First Man Who Has Ever Touched You, And Also The Last One...

After confirming the idea, Luo Zheng decided that she had to break free from his control, so the only solution would be... to admit to possessing every trait he hated, so as to make him disgusted and ignore her forever!

"Little imp, say it again if you have the capability to do so!"

Bo Hancheng's voice was cold and sinister, as if it was full of endless darkness.

He was mostly feeling anger and trying to speculate at first but at this moment... Luo Zheng's admittance was undoubtedly a confirmation which caused him to lose his rationality.

"Even if I repeat it a few more times, the answer will still be the same! Bo Hancheng, Brother Mubai is my boyfriend. We have already done everything, regardless of whether we should or should not have. Are you... satisfied?"

Luo Zheng stared at him provocatively with a look of determination. She was almost going to swear with her heart.

His eyes turned gloomy and icy cold. Staring at Luo Zheng for a long time, he clenched his fists which seemed to have cracked with a loud sound.

All of a sudden, Bo Hancheng's black eyelashes drooped and he said in a cold voice, "So, you're going to leave with him and not come back with me?"

Luo Zheng had made up her mind but she could feel his dangerous vibes.

However, after only a few seconds of hesitation, she nodded and said, "Yes, I want to leave with him and I won't go back to you again! As for the blue poison, I'll be lucky enough if I can quit it but if I can't, it'll be my destiny! Please be magnanimous and kindly let my boyfriend and I leave..."

After Luo Zheng finished speaking, she somehow avoided his intense and burning gaze.

She tried her best to turn around quietly and walked towards Xi Mubai. She then held onto his arm and exclaimed softly, "Let's go!"

Xi Mubai glanced at Bo Hancheng, anticipating what might happen. He then held onto her palm and the two of them slowly returned to the car.

"Sister Zheng, you probably don't understand me..."

To her surprise, Bo Hancheng said those words gently all of a sudden. Although they were just ordinary words, they made her shudder.

"What belongs to me will never be given to others, even if I don't want it, unless... I abandon it! Otherwise, I would rather destroy it than let others take advantage..."

While speaking, Bo Hancheng slowly stepped forward.

"Besides, you're something I want. Do you think... that I'd watch you get taken away by someone else?"

For some reason, Luo Zheng's body shivered and her legs turned weak. She almost fell onto the ground.

At the next moment, she exclaimed, "Bo Hancheng, I don't belong to you!"

"You don't belong to me?"

Bo Hancheng smiled with raised brows and his emotions couldn't be read at all. There was darkness spreading from his body.

"Didn't you say that you want to be my partner, and that you will satisfy me as long as I want it and as long as you have the means to? Didn't you say that... I am the first and last man who has ever touched you?"

Bo Hancheng repeated the words that Luo Zheng said to him before.

While listening, Luo Zheng's emotions were complicated and she suddenly couldn't deny it.

At this moment, Bo Hancheng was already approaching, and she couldn't help but take a step back before retreating again.

"Do your words... no longer count?"

Bo Hancheng's handsome face was calm and he seemed to be asking the rhetorical question calmly.

Luo Zheng's throat was slightly dry, and she couldn't help but swallow some saliva. Her eyes were shifty and she was biting her lip silently.

"I'm asking you, does it still count or... not?"

Bo Hancheng repeated the question with some menace.

During the critical juncture, Xi Mubai stood in front of Luo Zheng but because his shoulder was dislocated, his face was pale. "She is now my girlfriend, and what she promised you definitely doesn't count anymore! Bo Hancheng, don't force her anymore. From now on, you must... stay away from Luo Zheng!"

...

Chapter 400: Deliberately Kissing Xi Mubai In Front Of Bo Hancheng...

"Get Lost..."

Bo Hancheng said coldly, ignoring Xi Mubai.

At the same time, he glanced at Luo Zheng who was behind Xi Mubai, and menace filled his heart.

Forget it, after settling the scores for the last time, everything will end completely!

Thinking about it, Bo Hancheng did not hesitate to attack Xi Mubai, but at this moment, he did not show mercy at all. Every shot of his was ruthless.

Luo Zheng was frightened at first, but after she recovered from the initial shock, she stepped forward almost subconsciously, and stepped in front of Xi Mubai to stop Bo Hancheng from hitting him.

She then raised her head and exclaimed deliberately, "Bo Hancheng, you're not allowed to hit Brother Mubai!"

She paused, before she then added, "Mr. Bo, you can't be so cheap. I've already made everything clear, why do you still refuse to give up? Why must you repeatedly intervene with my relationship..."

Suddenly reminded of something, Luo Zheng smirked and asked, "Oh, or do you not believe... that he is my boyfriend?"

"So, is he?"

To her surprise, Bo Hancheng did not remain silent and instead asked that question.

As long as she says no... there will be room for redemption!

Contrary to his expectations, she smiled and answered dauntlessly, "He is, of course he is! Since you have already confirmed that I slept with him, of course he's my boyfriend. Otherwise... is he considered my partner in bed?"

She might have been saying those words out of spite just now but she's confirming it now!

"If you still don't believe me, I'll just prove it..."

While speaking, Luo Zheng seemed to have made up her mind as she leaned over to help Xi Mubai up.

Next, she faced Xi Mubai's lips and was about to kiss him.

"So what if he is and so what if he isn't? Do you think... I actually care?"

Bo Hancheng's handsome face was cold and sullen. He stepped forward to pull her but he was using so much force that he almost crushed her bones.

She actually really dared to kiss another man in front of me... Even if the two of them had done more excessive things without his presence, he could still tolerate it.

However, when he saw it with his own eyes, it was another issue altogether!

Trying to bear with the pain, Luo Zheng said softly, "Why? Do you still want to pester me, Mr. Bo?"

Xi Mubai hated how helpless and powerless he was. Not only was he alone, he was going against Bo Hancheng who outclassed him. Even he knew he had no chance of winning!

"I won't pester you, I just want to settle scores with you! Sister Zheng, you still owe me something that needs to be settled..."

No one knew how infuriated Bo Hancheng was when he said those words.

However, after saying those words, he dragged Luo Zheng away and walked towards his car.

All of a sudden, Luo Zheng's heart was filled with an ominous hunch and her ankles had begun to hurt because he was dragging her away. She had no choice but to continuously resist him. "Bo Hancheng, let me go! I don't want to go with you, you are not anyone to me, I only want my Brother Mubai..."

"Luo Zheng..."

At the back, Xi Mubai staggered forward and was about to help Luo Zheng.

While listening, Bo Hancheng pursed his thin lips and gibed, "What a tragic pair of lovers!"

He then glanced at Chu Ci who was not far away, and ordered, "Send Young Master Xi home..."

Chu Ci observed the situation here, and really didn't know how Bo Hancheng could bear with it... However, it was very obvious that Luo Zheng was definitely going to have a tragic end!

The eldest son of the Xi Family better not stay involved.

However, he found the situation a little strange.

In the past, he would avoid Luo Zheng like she was the plague and yet, there was such a drastic change in his attitude within such a short period of time... That was not all. If this goes on, is Luo Zheng going to lose her life too?
