

BO LOVE LIFE 5

Chapter 5: Drugging Herself With An Aphrodisiac

She berated her foolish self for behaving that way in her previous lifetime.

At this point, she was sure that she was not dreaming. Somehow, she was reborn as her 17 year old self.

At the same time, she finally realized why she was drugged with an aphrodisiac. It was all because of her own wayward behavior... that was right, no one harmed nor set her up. She was the one who ate it willingly!

Her goal was to get Xi Mubai to help be her antidote and give herself a reason to sleep with him... On top of that, her skin was very sensitive and aphrodisiacs had the ability to relieve her pain.

Her "best friend" was undoubtedly the one who came up with that idea and supplied her with the drug!

On this very evening of her previous lifetime, she foolishly took the drug and laid on the bed to wait for Xi Mubai, while clad scantily.

What happened in the end?

She had an allergic reaction to the aphrodisiac and her body began to turn warm and itchy. After having been tortured for several hours... she was greeted with the arrival of a group of girls and not Xi Mubai.

The girls were Xi Mubai's admirers!

Everyone in university knew about her pursuit of Xi Mubai. However, no one dared to stop her and they simply treated it as a joke because she was the heiress of the Luo Family.

However, her decision to give herself to Xi Mubai greatly angered them. Not only did they insult and berate her, they even beat her up into a pulp and took unsightly photos of her bare body.

At the end of the day, she was only 17 years old. How could she not be afraid?

Hence, she pleaded continuously, kowtowed to them and slapped her own mouth to beg for mercy. "I'm shameless... I'm cheap... I'm a slut... I'm asking for it..."

At last, her face became as swollen as a bun and the bunch of girls finally agreed to be gracious and delete the photos from their mobile phones... Unfortunately, that was not the ending, and instead, it was the start of a nightmare. After the girls left, a bunch of gangsters entered.

They all had ill and filthy intentions.

That night, she was pinned onto the water bed by the men who groped her and left bruises on her body.

Most terrifyingly, someone exposed the matter and her reputation was badly ruined ever since.

She was clearly innocent but everyone berated her for lacking love and respect for herself.

Later on, Xi Mubai never laid a finger on her even after their marriage, all because of that!

He minded the fact that she was filthy.

Bang!

The more Luo Zheng thought about it, the more resentful she felt. She slammed her wrist forcefully against the mirror.

That was the beginning of the destruction of her life.

Fortunately, she was reborn on this night, thus allowing her some time to change her fate. She was determined to change her destiny!

She turned on the tap and began washing away her smoky makeup as hard as she could... she then looked at her translucent dress and removed it immediately before putting on the bathrobe provided by the hotel.

She again looked at herself in the mirror to see that she was extremely clean-looking and much more presentable than before.

She looked absolutely hideous just now. What a joke, I actually allowed Jiang Xinlei to convince me that I was beautiful and sexy. I was hopelessly foolish!

Due to the fact that she had just taken some aphrodisiacs and her body was still warm, she knew that she was still facing an allergic reaction. She thought about it, and reckoned that there was still some time before the girls would be arriving.

However, she did not wish to stay a minute longer in her nightmare.

She walked towards the door and tried to open it, only to discover that it was locked.

Luo Zheng frowned and returned to the bedside in a bid to call the front desk and get them to send someone to open the door for her... To her astonishment, she discovered that the wires had already been cut.

Jiang Xinlei was the one who booked the room for her and hence, she must have been the one who tampered with the lock and landline.

Clearly, her intentions were to stop Luo Zheng from escaping halfway. That was how much she wanted to ruin her!

Unfortunately, she was destined to disappoint Jiang Xinlei after her rebirth this time.
