

BO LOVE LIFE 51

Chapter 51: Brother Cheng, I Knew You Wouldn't Ignore Me...

Bo Hancheng spoke to Luo Zheng aloofly, as if they were strangers.

“Brother... no, I mean, Teacher Bo! I'm sorry to disturb you, Teacher Bo, I'm here for your lesson...”

In order to avoid unnecessary trouble, Luo Zheng hurriedly changed the way that she addressed him.

“You're here for the lesson?”

He sounded calm and a little sarcastic and derisive.

Next, he put the chalk down and looked away from Luo Zheng.

Luo Zheng shifted her gaze onto the blackboard.

She saw the words “Bo Hancheng” written in an assertive and perfect font on the blackboard.

They were lofty yet gentle.

Ah, Mr. Bodyguard is so outstanding, even at writing words with chalk!

Luo Zheng was just about to nod and admit that she was there for the lesson.

Someone stood up and disagreed, “Luo Zheng, this is an arts lesson. You're not a student from our school anyway. You don't have the rights to listen! Besides, there isn't any space for you.”

Luo Tingxue, the belle of Capital University, was the one who stood up.

She was indeed telling the truth.

According to the rules, outsiders were not allowed to attend the lessons of each major and there were barely anyone who belonged to the faculty of Arts in Capital University... To their surprise, Bo Hancheng's appointment sparked an uproar and lots of his admirers came forth to attend the lesson.

Of course, most of them were girls!

Luo Zheng said feebly, “I can stand at the back, I won't affect you guys...”

“These are rules that cannot be broken!”

Luo Tingxue sat down again after speaking calmly.

The rest of the students began chatting softly.

“She's Luo Zheng? That Luo Zheng who courted Senior Mubai?”

“I didn't expect her to be rather good looking. I almost didn't recognize her!”

“So what? Just because she's pretty, it doesn't mean she's good enough for Senior Mubai.”

...

One of the boys seated in the first row took pity on her and reminded softly, "Luo Zheng, Senior Mubai isn't here!"

Clearly, everyone thought that she was there for Xi Mubai.

Luo Zheng frowned and thought to herself, I really could care less if that Xi Mubai was here or not!

Upon hearing about Xi Mubai, Bo Hancheng stared at Luo Zheng and asked, "Do you know how to draw?"

Slightly stunned, Luo Zheng shook her head and answered truthfully, "No..."

"Have you learned how to draw before?"

He seemed to be trying to get things clear.

Luo Zheng continue to shake her head in remorse and said, "No..."

"This is an arts lesson. Since you can't draw, why insist on staying!?!"

Bo Hancheng looked away after speaking to her coldly.

Feeling a little daunted and aggrieved after being yelled at, Luo Zheng lowered her head and said, "Teacher Bo, simmer down. I'll go out."

Luo Zheng slowly retreated from the classroom before closing the door and comforting herself.

It is alright, do not think too much about it. Mr. Bodyguard just does not understand me.

Luo Zheng then squatted down in a corner.

She then whipped out her textbook to do some revision while waiting for Bo Hancheng to dismiss the class!

...

"During today's lesson, I want you guys to use 45 minutes to submit a portrait sketch of humans. You may use your classmates as models."

Bo Hancheng had never taught an arts lesson before and was only at Capital University to settle some personal matters.

An arts professor was just an identity that he took up at the last minute.

Hence, he decided to give them an assignment and just make comments on their drawings afterwards.

Luo Tingxue obviously chose Bo Hancheng to be her model.

However, she began to feel a little frustrated because she noticed that he would stare at the closely shut door every now and then, seemingly deep in thought.

Her feminine instincts told her that there was a threat... Bo Hancheng seemed to feel a little different about Luo Zheng!

Luo Tingxue gripped the pencil tightly and watched as he left the rostrum to exit the room.

There was still some time to go before class ended. Did he leave in such a hurry because he missed Luo Zheng?

Luo Tingxue did not have an answer. Even Bo Hancheng himself was clueless.

However, ripples formed in his heart when he caught sight of a girl squatting on the ground, not too far away from him.

Luo Zheng was biting her pen and trying to work out some math sums.

All of a sudden, Luo Zheng looked up and held his gaze. As happy as a lark, she said, "Brother Cheng, I knew it. You wouldn't leave me alone..."

Brother Cheng...

Bo Hancheng was slightly stunned to hear her address him that way.

She really does not understand the word awkward at all!

Chapter 52: Luo Zheng, Are You That Loose With All Men?

Bo Hancheng asked, "Are you staying behind because you're waiting for your crush?"

He was undoubtedly referring to Xi Mubai.

He did instruct Chu Ci to find out more about Luo Zheng, and the latter had generated a report too.

Her mother, Luo Huawei was the youngest daughter of Old Mr. Luo's and her father Mu Tianwei, came from a humble background... Seven years ago, Luo Zheng and Mu Tianwei fell out with the Luo Family after her mother's death.

In the recent two to three years, she fell in love with Xi Mubai and did plenty of absurd things out of her obsession with him... She was then known as an idiotic, man-obsessed and lovestruck fool!

"Crush? Brother Cheng, I don't have a crush!"

Luo Zheng answered truthfully before getting up.

To her surprise, her legs had already become numb from squatting down for a long time and hence, she could not quite move them at all.

At the next instant, Luo Zheng put her textbooks away and extended her hands towards him with a pitiful expression on her tiny face. "Brother Cheng, my legs are really numb, help me out!"

Bo Hancheng could not help but wonder if the information that Chu Ci had given him, was real or not. Why is Luo Zheng behaving completely differently in front of me!?!

His heart sank and he stared at her from above.

"Luo Zheng, are you that loose with all men?"

Although the two of them did not know each other, she was extremely chummy with him. He could not understand it at all!

Luo Zheng immediately shook her head and explained, "No, I'm only like this with you!"

An icy cold gaze formed in Bo Hancheng's eyes as he glared at Luo Zheng.

She was either born heartless, or just too scheming... Regardless of which one it was, he was not interested at all. He would rather not see her, lest he became annoyed!

Bo Hancheng turned around in a bid to return to the classroom.

"Brother Cheng, wait a minute!"

Luo Zheng bent forward and supported herself against the wall in a bid to grab his hand.

Bo Hancheng shrugged her hand away and hollered, "Don't touch me!"

He disliked being touched by anyone, especially strangers. Hence, he could not help but feel irritated at the fact that Luo Zheng had crossed the line.

The pitiful Luo Zheng would have fallen onto the ground if she had not been pressing her back against the wall, for her legs had already turned into jelly!

"Bo Hancheng, do you detest me that much?" she asked in a tender voice.

Luo Zheng frowned and stared at him while biting her lips.

She then skipped towards him and continued aggrievedly, "Brother Cheng, I don't have any ill intentions. I really don't! I just want to get to know you better."

She then placed her hands together while blinking continuously, like a pet trying to please its owner.

Bo Hancheng could not put his feelings into words.

Of course, he could keep up with trends and knew that she was being cutesy.

She was staring at him with her big watery eyes wide open. She looked so tender and delicate that it was almost impossible for anyone to turn her down mercilessly.

A long while later, he stared at Luo Zheng and exclaimed, "Fine, I'll fulfill your wishes!"

Just as Luo Zheng was left dumbstruck, Bo Hancheng returned to the classroom and said to his students. "I have something to handle. You guys may leave after you've completed your sketches."

Before anyone could respond, he left the classroom.

"Teacher Bo... "

Luo Tingxue stood up and tried to stop him but to no avail.

She stared at the portrait of Bo Hancheng that she was halfway done with sketching... she could not help but wonder what it was that he had to attend to, so much that he left in such a hurry.

As soon as Bo Hancheng left the classroom, he grabbed Luo Zheng's wrist and headed to the arts room upstairs.

"Brother Cheng, you're not done with teaching yet!" Luo Zheng reminded while being pulled along.

Unfortunately, he did not answer her in the end.

The two of them headed upstairs to the seventh floor where Bo Hancheng opened the door of an arts room.

He then pulled Luo Zheng into the room together with him!

Chapter 53: Take Off Your Clothes!

Bang!

Before Luo Zheng could even react, Bo Hancheng pushed her into the door and closed it before pushing Luo Zheng forcefully.

The next thing she knew, he pinned her against the wall, making it impossible for her to move at all.

"Luo Zheng, do you have an agenda for getting close to me?"

He bent forward and questioned her with his warm breath lingering in her ear, making her feel a little ticklish.

"I don't have an agenda..."

"Are you trying to seduce me then?"

Before Luo Zheng could even finish speaking, he questioned her sarcastically.

Seduce him? Of course not. I would at most flirt with him!

She then looked up at him to see that his eyes seemed like gloomy blackholes. Her heart skipped a beat and she said, "Brother Cheng, I just want to get to know you better. We can be friends, or siblings, or each other's confidant..."

Anything except enemies!

Upon hearing Luo Zheng's words, Bo Hancheng stared at her coldly and asked in a clear voice, "Friends? Siblings? Each other's confidant?"

Luo Zheng nodded conscientiously. She could vaguely guess that he must have found her to be a weirdo... However, she did not have a choice. She was indeed very anxious and wanted to get to know him sooner so that she could repay him.

Bo Hancheng, did you know? You are my greatest goal!

Luo Zheng's eyes were like shiny stars and her pink lips curled into a smile. "Brother Cheng, do you have any wishes? As long as it's within my means, I'll help you fulfill them, regardless of what they may be..."

In her previous lifetime, he gave up his life for her and ended up dying in a fire... In this lifetime, it was only right that she does something for him and repays what she owes him!"

What does he want?

Money, babes, or power? I can give him the first two but I doubt I can give him power!

"Are you willing to fulfill any of my wishes?"

Bo Hancheng's tone was complicated.

Since he was unsure why Luo Zheng wanted to get closer to him and what her agenda was... he decided to test her, for he was certain that he would be able to find some clues!

"Yes, Brother Cheng, you may take me to be Aladdin's magic lamp! I'm here to grant you your wishes, and they're unlimited..."

Luo Zheng was extremely thick-skinned to be describing herself as Aladdin's magic lamp and she looked extremely energetic.

Bo Hancheng stood up slowly and walked towards the middle of the arts room where there were easels. He lifted the canvas to reveal a white board.

It was the room that Capital University had specially assigned to him. There was nothing in there except a sofa and a few easels.

He took a seat in front of an easel before saying, "Come here and be my model."

"Model? Brother Cheng, are you going to draw me?"

Luo Zheng walked towards him and scanned the room curiously.

She suddenly thought about Xi Mubai's remarkable talent in arts... However, it was rather amusing because he had never once drawn a portrait of her in the ten years that she had courted him!

To her surprise, the person who wanted to draw a portrait of her in the end, turned out to be Mr. Bodyguard!

"Brother Cheng, what should my position be? Should I stand or sit?"

Luo Zheng was extremely excited because it was her first time being a model.

"Sit on the couch."

Luo Zheng did as instructed by the aloof Bo Hancheng.

"Then?"

While seated on the couch, Luo Zheng decided to strike a perfect pose and become the most beautiful model that he had ever sketched.

To her surprise, he smirked and exclaimed, "Then remove your clothes!"

"Oh, remove my clothes... what? Remove my clothes!?!"

Luo Zheng had yet to react and was trying to understand what he meant. She stared at him in disbelief with her eyes wide open.

“I need a nude model. How am I supposed to draw if you don’t take your clothes off?”

Chapter 54: Exuding Her Exquisite Beauty In Front Of Him..

Bo Hancheng remained composed, for he did not think that he had said anything that shocking.

Luo Zheng’s expression stiffened and she remained still.

He stood up slowly and sneered, “Didn’t you say that you’d be willing to do whatever I asked for? Are you going back on your word so soon?”

He would take a step forward for every word that he said before finally stopping in front of her.

He then bent forward and placed both arms on the sides of the couch, forcing Luo Zheng to be in between his arms.

Luo Zheng’s mind was in a state of frenzy and she totally did not expect him to demand her to be his nude model.

All of a sudden, she was reminded of the previous lifetime where she removed her wedding gown... During then, she was intending to seduce him into taking revenge for her and killing Xi Mubai and Mu Nianqing.

To her surprise, everything was different now.

Hmm, Mr. Bodyguard seems to have become worse. What an embarrassing request he has raised!

Luo Zheng’s chin began to hurt because of how tightly Hancheng was grabbing it. “Since you can’t do it, be obedient and stay far, far, away from me! Little Imp, I don’t have the time for games with you.”

He then turned around to leave after chiding her coldly.

Upon hearing his words, Luo Zheng snapped out of her trance and hurriedly tried to make him stay. “Brother Cheng, wait for me, I’m not unwilling! You just want me to remove my clothes, don’t you? I’ll do it!”

She then took a deep breath and proceeded to unzip her dress, after which it slowly slid off her body.

Although it was summertime, the air in the arts room was rather chilly and the cool temperature made Luo Zheng shiver.

However, she proceeded to unclasp her bra without hesitation.

Upon hearing the sounds of her bra being unclasped, Bo Hancheng turned around again.

He was greeted with the sight of Luo Zheng’s bare, beautiful chest.

Her skin was snowy and fair like porcelain. It also resembled the skin of infants. She was all huddled up on the couch with her long tresses cascading down her body, creating a visually appealing image.

The nipples on her fair breasts resembled red cherries that were waiting to be plucked.

At this moment, she was wearing nothing except a small pair of shorts.

Luo Zheng could not help but feel shy after realizing that he was scrutinizing her.

All of a sudden, it seemed to form a parallel with the events of the previous lifetime.

She reckoned that in this lifetime, he would be the only man who saw her exquisite beauty... no one else but him, would be able to see her bare body!

“Enough!” he barked, as soon as Luo Zheng was removing her shorts.

He grabbed her wrist tightly and forced her to stop.

Greatly taken aback, Luo Zheng looked up at him smilingly and asked,

“Brother Cheng, isn’t this what you wanted?”

She thought that Mr. Bodyguard needed a nude model.

It would be inappropriate for other women to strip down to nothing in front of him and hence, she decided to do it herself!

She thought to herself, after all, Mr. Bodyguard is so perfect and outstanding... What if other women take the chance to cling onto him and make him take responsibility?

Yes, I definitely cannot let that happen!

“Luo Zheng, do you know what you’re doing?”

Bo Hancheng’s tone was complicated and he was trying his best not to look at her beautiful body.

Does she know how dangerous it is to strip in front of a man!?! However, she does have a great figure and gives me an urge to get intimate with her!

Unfortunately, he only felt aloof about her.

Why did she bare her body? Who was it for? Is it... Xi Mubai!

“Brother Cheng...”

“Teacher Bo, are you in the art room?”

Chapter 55: Lay Still Obediently

Luo Zheng was just about to explain the reason she was willing to give in to his requests.

To her surprise, a girl showed up at the door. It was Luo Tingxue!

Luo Zheng’s face stiffened immediately and she hurriedly grabbed his sleeve before saying frantically, “Brother Cheng, it’s Cousin! Hurry and stop her from coming in!”

Luo Tingxue would definitely get the wrong idea if she were to see such an unhealthy sight... By then, things would definitely get more troublesome. The thought of it gave her a huge headache!

Bo Hancheng was somehow interested after seeing her reaction, he then stood up unhurriedly.

“Teacher Bo, may I enter?”

Luo Tingxue asked again after realizing that she did not get any response.

Upon hearing that she was going to enter, Luo Zheng immediately grabbed her skirt to cover herself.

Bo Hancheng stepped forth and picked up the canvas from the ground... after which he turned around and placed it on top of Luo Zheng to cover her private parts.

That was not all. He followed Luo Zheng and placed both hands on the couch before turning it around.

Luo Zheng got a great shock as the couch was no longer facing the door. It was now facing the wall instead.

“If you don’t wish to be discovered, just lay still obediently.”

Bo Hancheng spoke in a low and rumbling voice while his eyes glistened like stars.

Luo Zheng nodded, not daring to make a single sound.

At this moment, the door of the room was pushed open and Luo Tingxue strode towards him. “Teacher Bo, I guessed that you were in the art room and it turns out you really are here!”

Luo Zheng froze as she heard the sounds of Luo Tingxue’s footsteps becoming more and more audible while the latter approached her. She clutched the canvas tightly, not daring to move after being reminded of the fact that she was naked.

Bo Hancheng stood in front of the couch and said with a straight face, “Tingxue, isn’t it too inappropriate of you to barge into my art room without my permission?”

Upon hearing his words, Luo Tingxue quickly apologized in shock, “I’m sorry, Teacher Bo. I didn’t take note of that.”

She was born with a golden spoon in her mouth and was pampered by the Luo Family like a princess. She had a long list of suitors... and yet, Bo Hancheng was so cold and aloof to her, despite being a man.

However, his nonchalance towards lust made her feel incredibly attracted to him... She could tell with one glance, just one glance that he was the man she wanted!

“Why are you looking for me?”

Bo Hancheng was trying to brush Luo Tingxue off and make her leave.

“Teacher Bo, I experienced lots of problems when painting! So I wanted to invite you to be my private tutor and teach me how to draw. Will that do?”

Luo Tingxue lowered her pride and spoke sincerely.

She knew that Bo Hancheng was definitely lofty and reserved, hence, she could not rush to proclaim her love for him. She had to take it slowly, step by step. She had to conquer him slowly!

Luo Zheng laid on the couch and stared at him with glistening eyes.

Home tutor? What a good reason!

They would only get familiar with each other after spending more time together.

Luo Tingxue was obviously giving him an excuse.

Just like Xi Mubai, she was extremely talented in drawing and had even received accolades!

On the other hand, Luo Zheng knew nothing about drawing... She decided to make Bo Hancheng her teacher and get closer to him.

“Tingxue, I’m not free at the moment. You’d better look for another tutor.”

Bo Hancheng had never once considered her suggestion and turned her down without hesitation.

Luo Tingxue could not help but panic. She said solemnly, “Teacher Bo, do consider it. You don’t have to turn me down immediately! I’m willing to concede to any request of yours, as long as you’re willing to become my tutor...”

Chapter 56: Don’t Take Your Clothes Off Casually In Front Of Other Men!

Luo Tingxue was the most eligible heiress whom no one in the upper class society could compare to... Hence, he would shoot to success if he were to marry her!

“Tingxue, you may leave if there’s nothing else!”

Bo Hancheng sounded composed and emotionless throughout.

Luo Tingxue began to feel indignant but she had no choice but to back off, lest she angered him and cause him to detest her.

She took a casual glance at a corner of the couch.

Her pupils constricted as she noticed a bunch of long hair on the couch... She took a closer look and realized that Bo Hancheng was standing in front of the couch like he was hiding someone. To be more exact, a woman!

“Teacher Bo, think about it carefully. I’ll be ready to take you in no matter what decision you make.”

Luo Tingxue chuckled faintly while suppressing her doubts, after which she turned around and left.

“Brother Cheng, you’ve given me a great shock! I almost thought that Cousin would discover me...”

As soon as Luo Tingxue left, Luo Zheng sprung up and patted her chest continuously.

Upon hearing her words, Bo Hancheng turned around to look at her jade-like body... Although the canvas had covered most of it, his eyes turned gloomy at the thought of her being naked beneath the canvas.

“What’s wrong? Are you afraid that the Luo Family might find out that you acted as my nude model?” he asked sneeringly.

Luo Zheng supported herself against the couch and looked up at him. “I’m not afraid of others finding out that I was your nude model. I’m just worried about you, Brother Cheng! After all, you’re a teacher and it’s going to reflect badly on you if others were to find out...”

Bo Hancheng’s heart quivered and he pinned Luo Zheng down, almost kissing her. “In that case, am I supposed to thank you for sparing a thought for me?”

His masculinity made Luo Zheng blush shyly and she said, “You don’t have to thank me, it’s only my duty! Brother Cheng, do you still need to draw? Could you hurry up? I’m freezing...”

The room was extremely cold and seemed to have stripped her body of its warmth.

He glared at her and said coldly, “Little Imp, it’s better to respect yourself when you’re young! From now on, don’t take your clothes off in front of other men so casually. Otherwise... you shall bear the consequences!”

So, in the end, Mr. Bodyguard did not view me in a better light and he even thinks I lack love and respect for myself?

Luo Zheng frowned and thought about how she courted Xi Mubai for ten years in her previous lifetime... On top of that, she even got humiliated by Mu Sen and his underlings. Hence, she had been avoiding men ever since then.

Even after her rebirth, she did not have much experience with men.

“Brother Cheng, I only took my clothes off because you needed a nude model! It’s unfair for you to say that of me...”

Luo Zheng’s rebuttal was weak and she sounded rather aggrieved.

“You took your clothes off just because I said that I needed a nude model? If I said that I wanted to get intimate with you, would you have allowed me to do so too?”

Bo Hancheng was extremely sarcastic and merciless.

Luo Zheng turned red in embarrassment, finding it to be rather incredible.

I just wanted to repay him for his kindness and yet, he was thinking of getting intimate with me?

Seeing that she was remaining silent, he turned around and left.

Luo Zheng hurriedly put on her dress and said, “Brother Cheng, wait a minute, I have something to say to you! Why don’t you give me your mobile number and tell me how I should contact you...”

Unfortunately, he did not stop and instead vanished.

Luo Zheng realized that he had long disappeared by the time she was done putting on her clothes.

“Ah! I’ve failed again...”

Luo Zheng picked up her bag and planned to head downstairs.

As soon as she made a turn around the corner, she ran into a slender girl.

“Cousin, what are you doing here?”

Luo Zheng got a great shock.

The thought of her lying naked on the couch while Bo Hancheng spoke to Luo Tianxue, made Luo Zheng feel extremely uneasy.

Luo Tingxue questioned coldly, “Were you in Teacher’s art room just now?”

Chapter 57: Stop Pestering Teacher Bo!

Before Luo Zheng could even answer, she exclaimed haughtily, “Don’t think of denying it because I saw it with my own eyes!”

Luo Zheng smiled calmly and retorted calmly, “So? Since you’ve already seen it, why bother asking me again?”

“Luo Zheng, why are you pestering Teacher Bo?”

Luo Tingxue genuinely detested Luo Zheng.

“I didn’t expect that you’d be so concerned about my matters, Cousin! These are my private matters. You don’t have to worry!”

Luo Zheng then walked past Luo Tingxue and made her way downstairs.

Indeed, she was indebted to the Luo Family but that did not mean that she had to concede to all of Luo Tingxue’s requests... Besides, she was well aware that Luo Tingxue had always been arrogant, conceited and resentful towards her.

Hence, she had always been avoiding her on account of her grandfather and uncle.

“Luo Zheng, I can ignore the fact that you’ve been pestering Xi Mubai but you ought to be self-aware. Stop pestering Teacher Bo, he’s not someone whom you can harbor designs on.”

Luo Tingxue remake coldly while staring at Luo Zheng’s back.

Actually, there was no need for her to stoop so low as to give Luo Zheng a warning... After all, she was certain that an outstanding man like Bo Hancheng would never be interested in Luo Zheng.

However, she somehow felt that there was something different about Luo Zheng. Well at least, Luo Zheng seemed to be as pretty as her!

She suddenly felt a little threatened.

Luo Zheng did not answer her and instead continued to strut away.

She was still thinking about something else.

During normal circumstances, she would definitely give Luo Tingxue and Bo Hancheng her blessings, for Luo Tingxue was the most eligible heiress of the upper class society... and she ought to bring them together for the sake of repaying him instead of ignoring Luo Tingxue!

However, she was not to blame.

Although she did not pay close attention to Luo Tingxue in her previous lifetime, there was something that she remembered clearly.

That was, Luo Tingxue was in love with a mysterious man for several years... Unfortunately, he seemed to be from an aristocratic family and was not from Beijing. Hence, he turned down the Luo Family's marriage request.

Luo Tingxue was still waiting alone for the mysterious man whom she was smitten with.

In her previous lifetime, that man appeared in the same year!

Luo Tingxue might have already met him and had only yet to fall for him.

Currently, Luo Tingxue must have developed a crush on Mr. Bodyguard because of his good looks... I do not want to watch her fall in love with another man after wooing Bo Hancheng.

She would definitely abandon Bo Hancheng after she meets her dreamboat. Would that not be akin to toying with Bo Hancheng's feelings!?!

I must protect Mr. Bodyguard and make him stay away from Luo Tingxue!

She headed downstairs and reconnoitered around the compound, only to realize that Bo Hancheng might have already left Capital University.

I am upset, I am upset, I am upset!

I tried so hard to chase Mr. Bodyguard and yet, I did not even get his number. This does not make sense at all!

"Are you... Luo Zheng?"

Luo Zheng walked towards the flowerbed in the middle of Capital University but she suddenly heard a female voice.

Upon hearing her voice, she turned around and said with a smirk, "Senior Gu, it's only been a few days since we met and you already can't recognize me? Seems like there's something wrong with your eyes. Hurry and go get it checked at the hospital, don't delay treatment!"

It was none other than Gu Sisi.

Just like Luo Zheng, who used to admire Xi Mubai the most out of all high school girls... Gu Sisi was Xi Mubai's top admirer amongst all the girls in university.

Both of them were from wealthy and prestigious families, and hence, neither of them were inferior to the other. At some point, they even got into fights and arguments because of Xi Mubai!

On the day of her rebirth, Jiang Xinlei and Gu Sisi colluded to humiliate her.

In the end, she made Jiang Xinlei take the rap and reap what she sowed. Jiang Xinlei ended up getting beaten to a pulp by Gu Sisi... who kept the nude photos of Jiang Xinlei in her mobile phone!

"Luo Zheng, how dare you berate me!?!"

Gu Sisi rushed forward in anger.

A few days ago, Xi Mubai headed to Luo Zheng's high school to turn her pursuit down... Luo Zheng then stopped showing up ever since and hence, Gu Sisi thought that Luo Zheng had already given up.

To her surprise, she heard the news of Luo Zheng heading to Capital University again not too long ago... Hence, she rushed back to school to stop Luo Zheng from harassing Xi Mubai.

She finally found Luo Zheng but she dared not accept what her eyes saw.

She could not believe that the beautiful girl in front of her... was Luo Zheng!

Chapter 58: I, Luo Zheng, Am Not Interested In Xi Mubai, Do You Get It?

In the past, Luo Zheng used to put on heavy makeup and dress herself in tacky clothing that made her absolutely detestable... Now, she looked extremely beautiful and clean. She had indeed changed drastically.

"Senior Gu, since when did I do that? I was clearly just showing you some concern! Ah, it's such a pity that you can't even tell the two apart. It seems your eyes are not the only ones that are problematic. There's something wrong with your brain too..."

Luo Zheng was extremely sarcastic and she even pretended to sound worried.

The two of them were surrounded by students of Capital University who were all there to watch a good show. Upon hearing Luo Zheng's words, they laughed smugly.

Gu Sisi turned red yet pale after hearing the laughter. "Luo Zheng, why are you so smug? Senior Mubai especially headed to the high school to turn you down! What's wrong? Are you refusing to give up? How dare you have the cheek to come to Capital University!"

The girls often said that everyone loved Xi Mubai.

Yet, Luo Zheng was the first to be rejected by Xi Mubai and he had even gone out of his way to do so!

"Who said that I came here for Xi Mubai? Tsk, Senior Gu, you're very narrow-minded eh!"

Luo Zheng frowned and felt that she had been too idiotic and obsessed with Xi Mubai, so much that she had left a deep impression on everyone else.

As a result, she seemed to always remind them of Xi Mubai.

It made her feel really troubled!

“Luo Zheng, you’re really hilarious. Do you really think you can hide your agenda just by denying it? You’re just coveting someone who’s out of your league! Senior Mubai will never be interested in you! Luo Zheng, just give up...”

Gu Sisi simply felt that Luo Zheng was making up an excuse because she had been rejected by Xi Mubai.

Seemingly having thought of something, Luo Zheng was suddenly enlightened.

In her previous lifetime, there had been plenty of people who said those things to her.

“Luo Zheng, stop being delusional. Senior Mubai doesn’t belong to you!”

“Luo Zheng, look at yourself. How are you compatible with the son of the Xi Family?”

“Luo Family, if it weren’t because of the Luo Family, how could he have become engaged with you!?!”

...

Those words seemed to have planted their roots in her head.

She had always thought that she was worlds apart from Xi Mubai... Hence, she continuously tried to learn new things just to get into his good books so that he would take one more glance at her.

In hindsight, she thought, If I look down on myself in a relationship... it would definitely fail!

“I don’t have to give up...” Luo Zheng said calmly with a smile.

Just as Gu Sisi and the rest were feeling confused, she continued, “Because I detest Xi Mubai now and I’ve decided to give up on him! So, it’s not that he doesn’t like me, but rather, I’m not interested in him. Do you get it?”

Gu Sisi was in doubt. All she could think about was, Is this... still Luo Zheng?

As her love rival, she was well aware of that.

Luo Zheng was crazily obsessed with Xi Mubai!

How could she be so nonchalant and say such words?

Soon, Gu Sisi’s eyes lit up and said, “Luo Zheng, are you telling the truth? You said that you’re sick of Senior Mubai and that you’re not interested in him... Are you going back on your word now?”

Gu Sisi felt a little peculiar after seeing that everyone else was silent.

Luo Zheng was no fool and she definitely could guess what was going on.

However, she did not deny. Instead, she smiled and said, “Of course it’s real. He’s so scheming, heartless and merciless. In fact, he’s a well-dressed scumbag. What’s there for me to regret?”

“Luo Zheng, you’d better remember what you said.”

A gentle yet cold voice belonging to a man, sounded behind Luo Zheng.

Chapter 59: Senior Mubai, Your Place In My Heart... Is Not Worth A Single Cent!

Luo Zheng smirked in contempt after hearing the familiar voice.

Look, it was the scumbag with a decent facade!

Gu Sisi initially tried to set Luo Zheng up, purely because she loved Xi Mubai... Yet, Luo Zheng did not fall for her trick and instead even insulted her. She was clearly bringing death upon herself!

Everyone seemed to be staring on in a gloating manner.

Luo Zheng could not help but wonder if she was really that popular. Otherwise, why would they be so free as to stop and watch the commotion?

At this very moment, Gu Sisi stepped forth smugly and said to him, “Senior Mubai, good timing. Luo Zheng actually ruined your reputation in front of everyone.”

Luo Zheng turned around unhurriedly.

She then looked up to meet his icy cold eyes.

She guessed that Gu Sisi had only done that because she saw Xi Mubai and hence decided to say those words on purpose... Of course, she truly meant what she said about Xi Mubai too, because he was indeed no better than scum to her!

She stepped forth to see Xi Mubai standing still, clad in a white shirt that made him look absolutely suave. It was as if he had walked out of a painting.

Xi Mubai was the most handsome student of Capital University and in her previous lifetime, he was also... her newlywed husband!

Luo Zheng smiled, revealing her dimples. “Of course I’d remember what I said! I’ll remember it well! I hope that you’ll also remember this, Senior Mubai. In my heart... you’re not worth a single cent!”

Of course she would remember how pathetic of a plight she had ended up in after loving him for ten years in her previous lifetime... Hence, she could not let history repeat itself this time!

Everyone immediately formed their own thoughts.

Is Luo Zheng out of her mind or is she possessed? Otherwise, why would she have said that!?!

Maybe, she loves him too much but decided to turn her love into hate after being rejected by him?

After all, everyone knew that she had resorted to all sorts of trickery to woo Xi Mubai in the past year... How could she have changed so drastically in the blink of an eye? He was Xi Mubai, the man whom all girls loved!

Xi Mubai stared at Luo Zheng with an unknown emotion.

He finally smirked and said calmly, "In that case, that'd be for the best!"

Seemingly still indignant, he added, "After all, your pestering disgusts me!"

"In that case, congratulations, Senior Mubai. You're finally free from me!"

Luo Zheng was still smiling merrily, as if she was not talking about herself at all.

She then turned around, rolled her eyes at Xi Mubai before waving to her back. "Goodbye, Senior Mubai!"

In the past, Xi Mubai would be the one to ignore Luo Zheng and leave suavely.

The tables had turned and Luo Zheng was now the one to walk away.

A sullen expression formed on Xi Mubai's face because of the change.

He was suddenly very frustrated.

...

Luo Zheng hummed a tune merrily and headed home in high spirits, a stark contrast from Xi Mubai.

She was not eager to take revenge on Xi Mubai.

After all, the key character, Mu Nianqing, had yet to show up. She had plenty of time.

Besides, she knew that the Xi Family would soon face their downfall and no longer be considered as one of the four major families!

In about one or two years' time, chaos will break out in the Xi Family and they would become bankrupt... Otherwise, Xi Mubai would not have been willing to get engaged to her, especially since he was so detestably arrogant.

He wanted to use the Luo Family to give the Xi Family a little push.

Unfortunately, Luo Tingxue was in love with someone else and would not agree to the arranged marriage. The Luo Family looked down on the Xi Family... thus causing Luo Zheng to be the only choice left. However, Old Mr. Luo loved and doted on her greatly.

Thus, he had no choice but to shortchange himself by choosing her!

Chapter 60: The Stepmother Visits

Due to the fact that she had been throwing herself at him, Xi Mubai's mother had always despised her and would never think that she was enough, regardless of how much effort she put in. His mother would simply take her for granted!

Hence, their greed could be said to be limitless like a bottomless pit that would never be filled.

This time, I shall see how the Xi Family faces their downfall... I do not understand, who would be the one to deal such a blow to the Xi Family? I actually have to thank him!

As soon as she arrived at the door, she heard the surprising sounds of laughter.

Of course, Luo Zheng was dumbfounded when she saw the sight before her. Feeling like she had been struck by lightning, she froze and almost could not control herself.

It was no wonder that her “family” were so happy. It turned out her stepmother was there for a visit!

Li Shufen was seated on the middle of the couch with a woman on either side of her... On the left, it was her daughter, Mu Cuiyun. On her right, it was her “daughter-in-law”, Zhao Manru.

Although Zhao Manru was from a village, she was rather beautiful. In the past few years, Mu Tianwei had received lots of money from his mother.

He spent the money on Zhao Manru who was scheming and overly concerned about her appearance. She looked much younger than Mu Cuiyun who was the same age as her.

Of course, Mu Tianwei was not sick of her because she had given birth to a pair of twins, Mu Sen and Mu Nianqing.

Luo Zheng scanned her surroundings to see that Mu Nianqing was indeed not around... Tsk, tsk, how disappointing!

“Zheng, when did you come home?”

Mu Tianwei looked up casually to see that Luo Zheng was standing by the door, after which an awkward smile formed on his face.

He immediately began behaving like a benevolent father and walked towards her.

Luo Zheng adjusted her emotions and greeted him obediently, “Father, I came home a long time ago. Why did you take so long to see me!?!”

She then glared at Zhao Manru before asking openly, “Father, who’s this old woman?”

Old woman...

Just as Zhao Manru was about to step forth and get into Luo Zheng’s good books, she heard the remark and fell speechless.

Honestly speaking, Zhao Manru exuded a gentle and elegant vibe when dressed in a Cheongsam dress, and did not look old at all... However, she had no choice but to accept being addressed that way since Luo Zheng was still a 17-year-old kid.

“Zheng, she’s not some old woman, she’s your Aunt Zhao! Didn’t I mention her to you a few days ago? She dropped by for a visit today...”

“What? She’s Aunt Zhao!?! Father, didn’t you promise me that you wouldn’t marry her?” Luo Zheng screeched.

Luo Zheng’s face grew sullen before Mu Tianwei could even finish speaking.

Zhao Manru constantly persuaded herself not to get upset at Luo Zheng and instead tried to forge closer ties with her, in hopes that the latter would support her in the future!

She was incredibly angered after hearing Luo Zheng's words and almost broke her diamond nails.

Mu Tianwei promised Luo Zheng that he would not marry me? How absurd!

Back then, Mu Tianwei met Luo Huawei, the heiress of the Luo Family, by chance. He was then tempted by riches and a lavish lifestyle, and thus decided to marry into the Luo Family... However, Zhao Manru had already married him then and the two had a wedding in the village. They also had a wedding in the village and she gave birth to two children. The only thing they lacked was a marriage certificate.

However, she had no choice but to suck it up for the sake of a life of luxury, and thus decided to stay by his side silently after much persuasion from the Mu Family.

She finally waited till the death of Luo Huawei and she thought that she would finally get to enjoy life. Yet, they made her wait... They said that Luo Huawei had given Luo Zheng 10% of the Luo Family's shares which she could only inherit when she turned 18 years old!

In order to get into the good books of Luo Zheng so as to make her transfer her shares to Mu Tianwei, she could not marry Mu Tianwei at the moment.

Hence, she swallowed her pride and fulfilled his wishes!
