

Bodyguard 1021

Chapter 1021: Feng Xiaoxiao Going Crazy

After a comfortable hot water bath, Lin Yi put on his clothes and picked up his phone. He was about to go out when he saw ten missed calls and more than twenty messages!

The messages were sent in different times, but Lin Yi received them all when he turned on his phone. The phone calls must have been from before.

Lin Yi looked at the missed calls- one was from Tang Yin, and the others- from Xiaoxiao!

Lin Yi blinked. He looked at the messages, speechless- all of these were from Xiaoxiao as well!

'Honey, I miss you!' This was from midnight.

'I woke up early today, don't be late!' Morning.

'I'm ready, should I go down first?' Morning as well.

'Lin Yi? Why aren't you replying?' Morning.

'Lin Yi, are you coming to get me or not? I don't see you! We're gonna be late!' Morning as well.

'Waaah, have you forgotten about me?'

'Your phone's turned off... You really aren't coming...'

'Lin Yi, you bastard, at least tell me if you don't want me anymore! I spent the entire damned morning to make myself look pretty!'

'I'll get a taxi, I'm not waiting for you anymore!'

'How come you're not at school yet? Where are you? What happened?' This was sent before noon.

'Why's your phone still turned off? What's wrong?' Before noon.

Lin Yi looked at the messages with a bitter smile. He slapped his head- he had promised to bring her to school this morning, but he couldn't because of Uncle Fu's healing!

What about Yin Yin? He wondered how she got to school. He checked his phone, and found Yin Yin's message among a sea of Xiaoxiao's messages.

"Lin Yi, Uncle Fu came to fetch me today, he said you needed to rest up after healing him. I'm okay, so you rest well!"

Lin Yi understood now, it was Uncle Fu who took care of her, since he knew that Lin Yi went to get Tang Yin every morning, and he took it upon himself to drive her! Xiaoxiao, on the other hand, wasn't a constant like Tang Yin, and even Mengyao and Yushu didn't think of her.

After all, Xiaoxiao always drove to school by herself- who knew that she had a date with Lin Yi in the morning?

Lin Yi sighed, but called her.

“Lin Yi, you finally called! I’m so happy, you called your mistress!” Xiaoxiao’s happy voice sounded from the phone.

Lin Yi was about to say sorry to her, since he felt that he was a little bit of a jerk judging from Xiaoxiao’s messages, making her wait for nothing. But at the same time, he couldn’t help but pull back the apology when he heard Xiaoxiao was so happy.

“I was healing someone and forgot the time, so I didn’t wake up this morning,” Lin Yi said.

“Okay, I know! I knew you wouldn’t ignore me for no reason- you even ignored your main wife, and called the small wife first! Yin Yin’s going to be jealous!” Xiaoxiao said happily.

“Xiaoxiao? What are you talking about, who’s jealous?!” Tang Yin said helplessly.

She didn’t feel anything from the fact that Lin Yi called Xiaoxiao first, since she never planned on fighting Xiaoxiao for this sort of thing in the first place. Plus, Xiaoxiao had sent more than twenty messages while she’d only sent one, in which she told Lin Yi that she understood the situation. Lin Yi calling Xiaoxiao first to explain was simply logical- what was there to be jealous of?

“Oh? You’re with Yin Yin?” Lin Yi paused, wondering if Tang Yin would be displeased that he called Xiaoxiao first. Although, she didn’t sound any different, so probably not.

“I couldn’t find you, so I had to go look for Yin Yin sis- she told me you didn’t come get me because you’re healing someone,” Xiaoxiao said, “Yin Yin’s call got through to you earlier, but you didn’t pick up, so I gave you a bunch more calls...”

“Haha...” Lin Yi shook his head. Xiaoxiao was quite optimistic- she got angry easily, and became happily equally as easily.

“Are you coming to school later?” Xiaoxiao asked.

“Yeah, in a bit.” Lin Yi said.

“Okay!” Xiaoxiao said, excitedly. She woke up early to make herself look extraordinarily pretty today, preparing to give him a surprise this morning only for him to ditch her. She’d be really disappointed if Lin Yi would not be able to see her at all today!

“Give the phone to Yin Yin, I’ll talk to her,” Lin Yi said to Xiaoxiao, since Tang Yin was right beside her he didn’t need to call her anymore.

“Alright. Yin Yin sis, Lin Yi wants you!” Xiaoxiao quickly gave it to Tang Yin.

Tang Yin took it with a smile, “Lin Yi, did you forget about your main wife so fast, after getting a small one?”

“Haha, of course not,” Lin Yi smiled, knowing that Tang Yin was joking.

“Anyway, are you okay? You should stay home if you’re tired,” Tang Yin cared about Lin Yi- she had been with him for a long time, and wasn’t in a rush to see him.

“I’m okay. See you later,” Lin Yi said casually.

“Alright, see you. You want to talk with Xiaoxiao?” Tang Yin asked.

“Nope, bye bye,” Lin Yi hung up.

Tang Yin gave the phone to Xiaoxiao, who took it happily, “I look good, right, Yin Yin sis? Should I touch up the makeup from this morning?”

“You already look good, there’s no need to.” Tang Yin smiled.

“Really? Good then...” Xiaoxiao nodded.

Lin Yi drove to school and parked behind the street food alley, next to Xiaoxiao’s car.

Except that there was another expensive car next to Xiaoxiao’s, a black Lamborghini.

One look at that car and Lin Yi smiled- this was probably that Xie Yufeng’s car, and from the looks of it, it had just been purchased. The licence plate wasn’t even prepared yet!

Chapter 1022: A Big Jump

This Xie Yufeng was pretty rich, wasn’t he? Buying a sports car from day one of his transfer?

But Lin Yi didn’t care about what car he drove, it had nothing to do with him. He turned to leave after one look at the car. As long as Yufeng didn’t mess with him, he could do whatever he wanted.

Lin Yi reached class, and it was already the first period in the afternoon. He sat down in his seat.

Not long after, the teacher came in and started class.

Xiaoxiao felt disappointed- Lin Yi didn’t give her any special looks when he came in- didn’t he realize that she was different from usual? Even that idiot, Xie Yufeng, realized!

A while later, realizing that Lin Yi wasn’t looking at her and instead was paying attention to class with a textbook in hand, Xiaoxiao felt a wave of displeasure!

She cleared her throat, hoping to attract Lin Yi’s attention.

“Hm? You have a cold?” Lin Yi said once he heard the coughing. But he didn’t raise his head.

“No...” Xiaoxiao felt quite troubled! “Hey, Lin Yi, talk to me?”

“Talk? What about class?” Lin Yi asked.

“You skip class all the time, what’s the point? Come chat with me!” Xiaoxiao said, panicking a little.

“Then talk. I’m listening,” Lin Yi nodded.

“You... You... You...” Xiaoxiao was getting frustrated- she spit out three you’s, and couldn’t hold it in anymore, “Can’t you just turn around and look at me?”

“Look at you? For what?” Lin Yi asked.

“You’re afraid to look, aren’t you!” Xiaoxiao said, frustrated.

“Hah...” Lin Yi’s observational skills were high- the moment he entered the room he realized that Xiaoxiao was in makeup- and she looked stunning!

She never wore makeup in school, but today she was wearing a light makeup with carefully tended to hair, as well as a nicely dressed outfit, along with small accessories. It made her look tender and beautiful.

But Lin Yi knew what Xiaoxiao wanted- he just didn’t say it.

As expected, this Xiaoxiao couldn’t wait for him to see her.

“What are you smiling at?” Xiaoxiao asked again, “Are you afraid to look at me or what?”

“Yeah...” Lin Yi nodded.

“Huh?” Xiaoxiao froze, not expecting that answer! She gritted her teeth after pausing a moment. “Lin Yi... You... You... Why are you afraid?”

“Because you’re too pretty today- I felt an urge just from one look when I came in, and who knows if I’ll molest you if I look too much,” Lin Yi said.

“Ah?” Xiaoxiao’s mouth went open at the words, in shock- the next moment, however, she was smiling happily! So Lin Yi did see her! She was overjoyed, and couldn’t help herself, “It’s okay, look more! I’m not afraid of getting molested!”

Lin Yi cleared his throat!

“Lin Yi, what’s wrong? Do you have a cold?” Xiaoxiao smiled, knowing that Lin Yi was choking from what she said. Being able to mess with Lin Yi a little was a really fun thing to do.

“No...” Lin Yi smiled bitterly, “Xiaoxiao, you really do look pretty today.”

“Hehe, good thing I woke up early! I was so pissed that I almost went and removed all the makeup and messed up my hair because you weren’t there this morning!” Xiaoxiao smiled.

Lin Yi couldn’t hold back anymore- he had considerations before, but since Tianlong and Tang Yin all agreed for Lin Yi and Xiaoxiao to be an item, along with the Miss and Shu accepting the situation... Lin Yi suddenly felt his urges take over him, his hands going out of control...

Xiaoxiao felt her waist being grabbed by Lin Yi, and her face reddened! She was a daredevil herself, but they were in a classroom, and the teacher was right there! Xiaoxiao tensed up and panicked.

But, this was a rare chance of Lin Yi initiating a moment of intimacy- she didn’t want to pull his hand away, since it was hard for Lin Yi to do this sort of thing normally. She didn’t know what to think.

Her body, due to her nervousness, tensed up like a fried lobster.

Lin Yi felt that, and quickly took his hand away- he shouldn’t have acted on impulse. Xiaoxiao was a girl, after all, and brave and cocky as she may be, doing this in a classroom wasn’t really appropriate if someone saw.

Feeling the hand move away, Xiaoxiao breathed in relief, but felt disappointment, the next instant. That moment where Lin Yi touched her body made her heart beat fast- to tell the truth, she liked that feeling...

Was this the happiness that couples felt? Xiaoxiao knew that she didn't have much time left, and didn't care whether or not things were moving too quickly. Since she'd already chosen Lin Yi, he'd be her first boyfriend, only boyfriend, and last boyfriend!

She was about to be twenty soon, and who knew when she'd die suddenly? Now that she finally had a boyfriend, she had to enjoy this lovey-dovey stuff more! She didn't have time to have second thoughts!

But would she scare Lin Yi away if she was too passionate? Tang Yin was a more traditional woman, wasn't she? The thought of that made her have doubts again. What a headache, she couldn't even rush it...

"Xiaoxiao, I'm sorry," Lin Yi said, thinking that her silence meant that she was pissed. He quickly apologized with a bitter smile.

"It's... It's nothing..." Xiaoxiao shook her head, "We sit at the back, so people can't really see, so... If you want, you can continue..."

"Haha, maybe when we're alone," Lin Yi said, holding himself back.

"Oh..." Xiaoxiao nodded, a little disappointed. Although, Lin Yi did say they would do it when they were alone- and that meant he said yes! The old Lin Yi would reject her for sure, but now that he said yes, it made her very happy. She whispered in his ear. "When we're alone, I'll let you touch my boobs..."

"Wha?!" Lin Yi almost jumped off the chair! Xiaoxiao's words reminded him of that time at the auction, and his heartbeat quickened as he looked at the pretty girl with half-closed eyes... He really had the urge to kiss her.

## Chapter 1023: Xie Yufeng's Intention

But the thought that they were in a classroom kept him at bay. Xiaoxiao was way too strong at this, too seductive! How did she muster up the courage to say that?!

Xiaoxiao only blurted that out naturally, since the most intimate thing with Lin Yi she could think of was that time in the auction, where he touched her! She only said that without too much thinking.

But from Lin Yi's perspective, it was a little bit of a seductive offer.

"What's with that reaction..." Lin Yi's reaction made her heart jump- she was already tense, and that sudden 'Wha?!' from Lin Yi only shocked her more.

"It's nothing, Xiaoxiao, but maybe don't seduce me in class..." Lin Yi said helplessly.

"Ah?" Xiaoxiao paused, her face blushing. "What? I wasn't!"

"Haha..." Lin Yi smiled.

Xiaoxiao turned away, embarrassed. She couldn't look at him anymore- as brave as she was, she couldn't handle what Lin Yi just said.

But, just as the two were interacting, a not-so-friendly look came from Xie Yufeng. He looked at Xiaoxiao before giving Lin Yi a quick look.

His face was dark and cold, "This bastard's pretty good with women, huh?"

"Yeah, Master Xie! He really is a bastard, for what he did to you yesterday!" Congming nodded, "If it weren't for the fact that you had to hide your strength, he wouldn't be your opponent at all! He's just a Mystic early phase, that's nothing in front of you, Master Xie!"

House Yu's understanding of Lin Yi came completely from YuKun. Lin Yi was indeed a Mystic early phase at the time, but no one would've expected for him to have reached two levels higher in such a short amount of time, into Mystic mid phase!

As far as they were concerned, this defied all sense! After all, just how much practicing and training was needed to raise just one level- House Yu understood the practicality and effort required! This made them not even think about the possibility that Lin Yi had leveled up in such a short time!

And so, Yu Feng didn't know that Lin Yi was already a mid phase! From what he could see, an early phase Mystic like Lin Yi wouldn't be able to fight a Mystic early phase peak like Yu Feng! And one couldn't blame him for thinking so- he didn't have that hidden trump card that Lin Yi had, he couldn't see his opponent's strength.

"Naturally! But for House Yu, I need to keep my qi hidden. I'll have to endure this!" Yu Feng hmped. "This Feng Xiaoxiao's a slut too, it seems. Look at that face, being so intimate and hot with Lin Yi, she can't be anything good! Right, those girls I asked you to check- what's their background?"

He wasn't able to claim Xiaoxiao yesterday, and that pissed him off- even more so when he saw Xiaoxiao being so close with Lin Yi.

"Master Xie, other than Chu Mengyao, who we already knew about, the others, I have finished researching on. This Feng Xiaoxiao's house isn't strong. Her father is a special ops, but he wouldn't cross House Yu for her." Congming said.

"Alright. Others?" Yufeng asked.

"That Chen Yushu's from House Chen, so it'd be best if you don't touch her, Master Xie."

"House Chen? Noble House Chen?"

"Yes. Her brother's Chen Yutian. The Chens may only have one practitioner, but they're still a noble house," Congming said, "So it'd be best if we kept away."

"Alright, I'll let her go then. That girl is quite a little devil, too, I would really rather not mess with her," Yu Feng nodded, "Tang Yin?"

"Just a normal family. His father's in the hospital, and they don't even have a house," Congming said, "This one we can do whatever we want, we can even kill her!"

“Oh, nice. We’ll go on Feng Xiaoxiao first, and then we’ll get to Tang Yin!” Yufeng nodded.

“Master Xie, this Xiaoxiao doesn’t seem to be an easy target- should we use some... tactics?” Congming suggested.

House Yu was powerful back in Yanjing, and the two followers did things without a fear of the world. From what they could see, doing this to get girls was perfectly normal.

“Not yet! We’ll see first. My sex appeal hasn’t come out yet, but once it does, I wouldn’t be surprised if they jumped into my arms!” Yufeng gritted his teeth with hatred as he remembered the scene of him getting beat up yesterday, “Fuck, that was such a good chance yesterday, but that Lin Yi bastard had to be there! Not only did I have to get beat up, I couldn’t even show off!”

“Master Xie, those people from yesterday.... Maybe Li Panghu and I could...” Congming made a head chopping gesture.

“No need- we just came here, don’t cause trouble!” Yufeng shook his head. “We’ll let them go for now, but I won’t forget them. Check their background first.”

“Of course,” Congming said.

They talked with their backs to everyone, so people wouldn’t be able to hear. Their angle, as well, would also prevent Lin Yi from reading their lips.

But, even though he couldn’t hear them, one look at them scheming like that was enough to put Lin Yi on alert.

The second class was PE. Many of these secondary subjects were cancelled in the twelfth grade, but PE stayed. It gave the students who were at their desks all day not only a chance to exercise, but also a chance to prepare for the PE test that the Songshan exams included.

PE included a number of options- Running, long jump, basketball, push ups, pull ups, sit ups, and the like, with different requirements for boys and girls. And so, in order to have good grades in the PE test, the twelfth grade PE class had become an intensive training class!

But it was summer, and they didn’t wear a lot- many girls wore skirts too, and so the sessions were separated between the genders. One week was for boys, the other, for girls.

This week, the girls were in the PE stadium, with a specialist female PE teacher training them. Many of the girls just took off their outer shirts and used the singlets they were wearing to train in them.

Xiaoxiao didn’t really want to go to PE- she was just getting steamy with Lin Yi, and she wanted to be with him at their seats longer. The other girls were getting up to leave, however, and so she couldn’t just stay in class, refusing to budge.

#### **Chapter 1024: Not Afraid**

Yushu came over, coincidentally, with one look at Xiaoxiao, “Oi, dumbass, you wanna come have a showdown with me at the gym?”

“You’re the dumbass!” Xiaoxiao hmphed, “Fine, let’s go, I’m not afraid of you!”

Xiaoxiao and Yushu hadn't been able to find a clear winner yesterday, after all, and now that there was an opportunity, Xiaoxiao naturally wouldn't let it go. On the other hand, she didn't know that Yushu was trying to get close with her! Mengyao and Yushu had already discussed it, after all, and had agreed to let Xiaoxiao spend her final moments in a relationship with Lin Yi.

If they were going by things from yesterday, then they had to be in conflict today as well. Changing suddenly would arouse suspicion, and so Mengyao told Yushu to find a way to get closer to her, so they wouldn't be butting heads so much in the future.

"Lin Yi, here's my phone. Help me take care of it!" Xiaoxiao said as she took out her phone for Lin Yi.

The sports gym didn't allow phones in it, since it would affect their training. Another reason was to remove the chance that someone might take photos of fellow students who weren't in full clothing.

As a result, there were detectors at the entrance of the gym, and people started not bringing phones there at all. Putting them in the gym lockers didn't make you feel safe, either.

"Okay," Lin Yi nodded and took the phone.

A smile appeared on Lin Yi's lips as the two left- Yushu was already making a move. It seemed that these two devils would get along just fine.

Lin Yi was right- Yushu really was making a move, and had prepared to be on Xiaoxiao's team as they messed with someone. It would improve their relationship easily.

Lin Yi's old phone was destroyed by Ma Zhu, so what he was using now was the Miss' old phone, an outdated one like that computer Yushu gave him. There weren't as many functions, and it wasn't a smart phone, either. No games could be played.

It was PE for the girls, and that meant self-study for the boys. You could stay and study, or you could leave and play- no one would say anything. Although, twelfth graders were pretty self aware of themselves. Who would go play around when the big exams were in the corner? Nobody would play with you, anyway.

Lin Yi may have been listening intently in class, but he never studied afterwards.

He casually used Xiaoxiao's phone and turned on Plants Versus Zombies after Xiaoxiao left.

"Boss, you're an item with Feng Xiaoxiao now?" Xiaobo peeked behind him after all the girls left.

"An item?" Lin Yi smiled bitterly.

"Heh heh, I heard you two whispering earlier- seems like Feng Xiaoxiao offered to let you touch her boobs?" Xiaobo grinned.

"..." Lin Yi didn't know what to say- Xiaobo heard even that? He explained helplessly, "I didn't touch her- you know how she is, she'd say anything if she felt like it."

"Oh, oh!" Xiaobo nodded. "I know you didn't accept the offer, but it looks like your relationship's going a little fast? And I saw her with Tang Yin this noon?"

"Yes." Lin Yi nodded.

“No way, Tang Yin’s that generous? She agreed to let you be with Xiaoxiao?” Xiaobo’s eyes widened with shock. He’d already guessed that Tang Yin and Xiaoxiao were at peace now, since he saw them laughing and talking like friends earlier. They didn’t seem like enemies at all, and now that he had Lin Yi’s confirmation, he made a thumbs-up, “Boss, that’s so great! You’re amazing, boss! You’re the master among masters at hitting on girls!”

“Uh...” Lin Yi sweated, “Actually it was Tang Yin who accepted Feng Xiaoxiao first before letting me accept her... You got it wrong...”

“Wha??” Xiaobo almost rolled his eyes at the words! Tang Yin accepted it first before letting Lin Yi accept her? Seriously? How was that possible, was Tang Yin looking for mistresses for Lin Yi’s sake?

“Okay, this is a little complicated- I’ll explain in detail later,” Lin Yi wasn’t planning on hiding this from Xiaobo, either- he needed him to understand so that they could work together.

“What is it? You could tell me now,” Xiaobo was curious.

“Uh... Alright,” Lin Yi nodded, “Let’s go for a walk then...”

Xiaobo stood up and left the room with Lin Yi, heading downstairs..

Xie Yufeng, Wang Congming, and Li Panghu, on the other hand, seemed to be scheming.

“Master Xie, I heard that the girls don’t wear alot in PE- you can even see their nipples!” Congming whispered.

“Oh? Yufeng was interested, “Seriously?”

“Of course! Think about it, it’s summer now, and it’s already hot in there... A bit of movement and you’d be sweating a bunch, and then... Heh heh!” Congming smiled like a pervert.

“Then aren’t there a lot of peeping toms? You just transferred and even you know this- wouldn’t everyone else be aware?” Yufeng didn’t fully believe it.

“Of course they’re aware, but the windows to the gym are high, and the lowest one is three meters high. They can’t climb that high.” Congming smiled. “Only a master like you, Master Xie, can jump up!”

“Hm... But this isn’t very safe, is it? What if someone sees...” Yufeng said hesitantly. He wanted to feel the thrill of peeking, but he didn’t want to ruin his good reputation, especially when he still wanted to hit on girls at this school. It’d be over for him if he lost his face for a moment’s thrill.

“Behind the gym is the back mountain of the school, nobody will be able to see you!” Congming grinned, “I already know the layout!”

“You’ve plotted this from the start?” Yufeng nodded, relaxed now that he heard it was a mountain back there.

“Yeah, I’ve already planned to have you take pictures of those girls like Feng Xiaoxiao, and use it to threaten them into submission, or else you would post those pics!”

“Good idea!” Yufeng nodded, agreeing. All girls wanted pride, and posting pics like that would make them lose all of their pride. They might as well just let him do whatever he wanted to them!

## Chapter 1025: Showdown

“Alright, let’s go now then. Is the camera ready?” Yufeng asked, “Phones have bad quality cameras!”

“Of course, this is the newest item on the market, I just bought it!” Congming brought out a small DV camera, grinning, “How is it? Not bad, right? Newest technology, I heard they use this to shoot adult videos!”

“Oh, looks nice,” Yufeng took it and tried it out before giving it back, “Let’s go, peeping time!”

The three left the classroom, and only then did he realize that Lin Yi wasn’t in the room either, “That Lin Yi wouldn’t also be peeping too, would he?”

“It’s possible!” Congming nodded, “Why else would he go out?”

“Don’t let us bump into him!” Yufeng frowned.

“Bumping into him would be better- we could use the camera to record him peeping, and then we could tell everyone about it, ruining his life!” Congming grinned. He was the more evil type, always thinking up some evil concoction.

“That’s a great idea! We’d kill him with that! Heh heh, Lin Yi, this is what you get for being good with the ladies, we’ll see what happens once people know you’re a peeping tom!” Yufeng nodded with approval.

Lin Yi, naturally, didn’t know that Yufeng had already labelled him as the same pervert as him. He was only chatting with Xiaobo as they walked around the field.

“Boss... So Feng Xiaoxiao really is going to die? Even you can’t cure her terminal illness?” Xiaobo’s eyes were wide as he listened- Never would he have expected for such an energetic girl like Xiaoxiao to have a sickness like this!

“I can’t!” Lin Yi shook his head, helpless, “My medical abilities aren’t all-powerful, they’re only limited to some already known sicknesses, but those that are unknown... I can’t do anything. I told you, I couldn’t even detect any sickness in her body, how am I supposed to cure her?”

“You’re right! There’s no way to cure her if you don’t even know what the problem is,” Xiaobo sighed, “She really does have a tough fate!”

“Yeah, I thought she had some ulterior motive when she first started getting close to me, but it seems like it doesn’t matter now. If she wants me to teach her how to race cars, or anything else, I’ll try to fulfill it- she doesn’t have more than a year left,” Lin Yi said- he had thought about it this case before.

If Xiaoxiao wanted to race cars, then he’d fulfill her wish. Although, they couldn’t really do that on normal roads, it was too dangerous... And so he planned to bring her to a racing competition and show her what it was all about.

“Boss, actually, Feng Xiaoxiao talked to me about you before, but I didn’t tell you...” Xiaobo said after some hesitation.

“Oh?” Lin Yi narrowed his eyes, a smile on his face.

Xiaobo was a little embarrassed. He coughed his throat, "Boss, actually, she told me before that she liked you, and wanted to pursue you... I pitied her a bit, and couldn't help myself... So I told her how to chase you..."

"Oh? How?" Lin Yi smiled.

"I told her that playing hard to get or messing with you wouldn't work... She had to be nice and soft and try to ease into you, listen to you, and then there'd be hope..." Xiaobo said, embarrassed.

"Haha, it's fine." Lin Yi nodded. What Xiaobo told her wasn't a secret or anything, but as someone Lin Yi trusted, he still had to say something, "Xiaobo, you had good intentions, but try not to tell people about stuff like this next time. Try learning to keep secrets."

"I understand, boss! I actually regretted it a lot some days later!" Xiaobo smiled bitterly, "I read some books about business management, and they talked about keeping things confidential, but now that I've come clean to you, I feel a lot better!"

"Haha, this isn't anything confidential," Lin Yi waved his hand, "But if you just tell any girl to come chase me just because they like me, it'll be tough for me too!"

"Ha, I wish that would happen to me!" Xiaobo laughed as well, "Right, boss, next month there's a new product announcement, and Chairman Lai wants me to join, but I feel like I can't really walk on stage as an inter, can I?"

"What's wrong with it? This sort of event will be happening a lot, you have to get used to it at some point," Lin Yi said, "Just follow Fatty Lai and see what he does."

"Alright, boss!" Xiaobo nodded.

"Let's go, we'll walk around," Lin Yi felt that the sun was hot after sitting for so long.

Xiaobo felt that the exams weren't as important anymore now that he was doing business. He'd use some money to get into a college later, and there was no need to be serious. After all, studying for more than ten years was for the sake of a good future- now that he had a good future already, there was no point.

Looking at the familiar scene of the school, Xiaobo was deep in thought. Two months ago, he was still a regular student, but after meeting Lin Yi, everything changed! He was now the vice-chairman of a company, and even had a pretty girlfriend!

Her leg had some problems still, but with Lin Yi here, he'd be able to cure her!

In the gym, both Xiaoxiao and Yushu were getting ready to have a showdown.

The two were at the start of the running track, their eyes wide as they glared at each other.

"I knew you really were weak, you're supposed to throw the gym ball far, but you barely managed to not hit your own foot!" Yushu said gleefully, "Now I know what it means to smash your foot with a rock!"

“You’re fat, that’s why you’re stronger!” Xiaoxiao was frustrated- she’d never practiced throwing the gym ball at all, she always skipped class or went to the hospital, of course she never touched a gym ball! This was her first time, and she lost completely to Yushu.

“Don’t drag in so many objective elements, you’re the type who blames the toilet for being unable to poop!” Yushu grinned, “Just admit you’re weak, stop finding excuses!”

### **Chapter 1026: Successful Retaliation**

“Shu, how could you say something like that?” Mengyao was right beside Shu- she gave her a glare upon hearing her words.

“Hehe, I know, Yao Yao!” Yushu stuck her tongue out.

“You!” Xiaoxiao was so pissed, her heart almost exploded. She glared at Shu, “I’ll beat you for sure at this short distance running- those two balls on your chest will be a big burden, you’ll have the time of your life when you start running later! You’d better cut them off if you wanna win!”

“You’re jealous, huh?” Yushu didn’t mind, “Don’t you see how your Yin Yin sis is already trying to fatten up her breasts? You’re still too flat, Shield Bro doesn’t like small boobs.”

Mengyao frowned. Lin Yi didn’t like small ones? Then... Was it time for her to do something about her boobs? Even Tang Yin was taking steps, she couldn’t fall behind...

The Miss had never even considered trying to nourish her breasts before. After all, the only friend in her life was Yushu, and she had no reason to think about who she should make her boobs bigger for, or anything like that... But now... Mengyao realized that she seemed to care about these things now!

No... As she grew up, she started to think about looking pretty! Mengyao made herself an excuse. That’s right, she grew up, and she became an adult, that’s why she thought about these things!

“Says who? Lin Yi touched mine, he said it felt great, he said he likes to touch them!” Xiaoxiao said, frustrated.

“He touched you? When?” Yushu paused.

“A while back, in Yanjing, when I sat with him at an auction!” Xiaoxiao had proof, and she wanted to make sure Yushu knew this was a fact.

“Oh, so just that once, then?” Yushu breathed out, a smile on her face, “Shield Bro touches me all the time when he’s home, you know! He’s touched me plenty of times already!”

“You’re lying!” A smile tugged at her lips as she watched the teacher raise her flag- the run was about to start!

“You’re the one who’s lying...” Yushu was about to make a retort when she realized something was wrong- Xiaoxiao was already running, and so was Mengyao, and everyone else!

“Haha, big dumbass Shu! See ya!” Xiaoxiao waved her arms happily as she ran, “I’ll win this one for sure!”

“Wait for me, hey! You cheater!” Yushu started charging after Xiaoxiao, but this was a hundred meter run, and Xiaoxiao was already so far out... No way Yushu would be able to catch up. She even held her chest together to be able to run faster, but Xiaoxiao was already at the finish line seconds before her!

“Hahahaha...” Xiaoxiao had tears in her eyes from laughing, “Hahahaha... I won!”

“Stop laughing! I hope you choke! No wonder you’re called Feng Xiaoxiao!” Yushu was pissed, “If it weren’t for you cheating, I wouldn’t have lost!”

(Xiao means laugh in Chinese)

“Cheat? The teacher raised her flag, so I ran- how did I cheat? It’s your fault you didn’t look, you’re just the type of person who blames society for her failures!” Xiaoxiao completed a perfect retaliation for what Yushu said to her earlier.

“You!” Yushu wasn’t expecting Xiaoxiao to be so tough- she couldn’t get the upper hand during their battle at all, and the two seemed to be equals clashing against each other!

“Hahahaha! Oh my god...” Xiaoxiao was still laughing, but all of a sudden she stopped- she held her stomach as she knelt down in pain...

“?” Yushu looked at her oddly, “What’s wrong?”

“I laughed too much after running... It hurts...” Xiaoxiao said as she knelt there, her strength leaving her.

“Ah?” Yushu’s eyes went wide- she almost laughed! This was what karma was, a pure example right in front of their eyes! But, remembering Xiaoxiao’s condition, Yushu naturally wouldn’t laugh. She knelt down and pulled her up, “Come, I’ll bring you to the bench!”

The teacher realized that something was up, too, coming over to ask what was wrong when Mengyao explained to her that Xiaoxiao laughed too much after running, spraining her sides. The teacher left, relaxing. After all, she had responsibility as a teacher.

Xiaoxiao looked at Yushu in shock! The two were still enemies just earlier, so she didn’t believe that Yushu would really be that nice to bring her to rest.

“You... You’re really bringing me to the bench for me to rest?” Xiaoxiao looked at her in disbelief.

“Oh...” Yushu’s brain quickly worked- she wasn’t being herself, after all, since she should be laughing loudly at Xiaoxiao’s pain as she looked at her suffering... That was what she was expected to do, but Yushu couldn’t! Though, she finally managed to come up with a reason, “We’re enemies, so of course I can’t let you die like this. I am a just woman, after all. I won’t take advantage of my opponents! We’ll continue a proper duel after you rest- now it’s one to one!”

“Haha, I see...” Xiaoxiao nodded- the explanation made sense, “You’re a pretty nice person- if you weren’t fighting me for Lin Yi, we’d be able to be quite a team.”

“Mm hm, I was thinking that too,” Yushu nodded.

The two sat there, resting as Xiaoxiao recovered. She didn’t dare do anymore intense sports, “Looks like I can’t compete with you today, I still feel sick, I don’t want to hurt my sides again!”

"It's okay, we can always use our brains instead of our brawn!" Yushu said casually.

"Brains?" Xiaoxiao blinked.

"Let's see who's better at messing with people!" Yushu said.

"Good idea! But, who could we mess with? Let me just say that I wouldn't want to mess with Lin Yi..." Xiaoxiao's butt hurt at the thought of attempting something on Lin Yi. Plus, she also didn't want to do anything to him anymore.

"Oh, we can't do anything to him, Shield Bro's too strnog. Only idiots would mess with him," Yushu shook her head as she suddenly looked at Xiaoxiao, smiling evilly.

"Hmph!" Xiaoxiao naturally knew what she was laughing at- she was making fun of her for being a naive kid and trying to mess with Lin Yi, resulting in her own humiliation! She blushed, "That was because I didn't know the situation, stop laughing!"

### **Chapter 1027: The Prank Team**

"I'm not laughing!" Yushu only looked at the sky, as if she didn't know what Xiaoxiao was talking about- when she suddenly froze and uttered an 'eh?'

"What?" Xiaoxiao looked at her.

"Look at the window above us, up there..." Yushu pointed upwards.

"What about the windows?" Xiaoxiao looked up, confused- when she jumped in shock! There was someone crouching outside the window! He couldn't poke his head in due to the safety net, however.

"Xie Yufeng?" Xiaoxiao recognized the face immediately- it was the transfer student! She couldn't help but be a little angered, "This guy looks so proper on the outside, how come he's such a pervert? Peeping on girls?"

"Yeah, but we caught him!" Yushu's eyes lit up with excitement.

One look at Yushu's face and she understood and nodded- the two didn't need much communication and were already sneaking side by side to the storage area of the gym! The teacher didn't lock the doors when they took out equipment as they had to return it later- and she didn't expect for someone to go to the storage area during training!

Yushu and Xiaoxiao were there to look for some tools for their imminent deed. It was a big room, with a lot of items, even including a security uniform..

"Heh heh!" Yushu took out some ice skates and nail shoes, and started laughing.

Xiaoxiao looked at the weapons, and her lips curled into a small smile, "You want them to fall down and sit on them?"

"Yeah! But how do we make them fall down?" Yushu nodded and went into thought.

Xiaoxiao scanned the room and found something- she quickly ran over and picked it up, waving it happily. "Leave it to me, I'll show them the taste of electricity!"

In Xiaoxiao's hand was an electric baton, for the security guards patrolling at night! It was only an extra, like the security uniforms, and so was placed in the storage room.

"We'll split up!" Yushu felt that Xiaoxiao and her were born to be together- Xie Yufeng was a dead man walking!

"Alright!" Xiaoxiao raised her right hand.

The two of them high fived, "Here's to our complete victory! I'll set the trap and hide under the window- and signal to you with a meow! Shock them down at the signal!"

With that, Yushu ran out with her nail shoes, ice skates, and other things as she ran behind the gym. Xiaoxiao, on the other hand, got her electric baton ready and went to the neighboring window of where Yufeng was!

This was a blind spot, and if Yufeng hadn't been intentionally looking straight down, they wouldn't be able to see anyone on the bench under them. Xiaoxiao went to the spot under the neighboring window, too, so it was even harder to see her.

Yufeng, Congming, and Panghu all came up using the metal wires- and though they were high, Yufeng's qi was more than enough to help everyone up.

"Do you see her? How come I don't see Feng Xiaoxiao?" Yufeng had been observing for a long time, and Xiaoxiao was nowhere to be spotted! "This girl, she didn't skip class, did she?"

"I don't see her, too! But I see Chu Mengyao- she's wearing shorts and didn't take off her top, there's nothing to see!" Congming said regrettably.

"That big boobed Chen Yushu isn't here either!" Panghu said like a pervert, "Just thinking of her boobs at night keeps me up!"

Yushu was right below the three when she heard Panghu talk about her- it pissed her off! After all, her boobs were for Shield Bro, not for someone like him to think about! Hmph, it looked like the ice skates would be reserved for him, it'd be best if his balls landed there!

Yushu placed the skates and nail shoes in a row, in the spot where the three would land for certain if they were to fall. She then went and hid right under the window.

The three wouldn't be able to see her at this angle! After that, she pinched her nose and called like a cat, "Meow..."

The meow made the three jump in shock! Yufeng was a Mystic, but in order to hide his identity, he wasn't using any qi at all- he used a bit of it when climbing, but he suppressed the rest of it! Who knew when that Lin Yi bastard would jump out all of a sudden?

He saw Lin Yi leave the room, after all, so what if he was nearby? Naturally, since he wasn't using qi, he couldn't detect Yushu.

“What was that?” Yufeng frowned.

“Seems to be a cat, it’s okay!” Congming shook his head.

“Right, it’s a cat, and it’s probably in heat!” Panghu added.

“Oh!” Yufeng nodded and continued peeping.

Yushu was getting pissed off- he’s the one who’s in heat! She looked forward to his imminent suffering.

Inside the gym, Xiaoxiao heard the signal, and quickly and smoothly climbed up the back seats to the edge of the window- since the stacks of seats were high, it didn’t take much for her to reach the window and the safety net.

Xiaoxiao grinned as she turned on the electricity and slammed it onto the net! It was a metal net, and so the electricity flowed and shocked the three into cries of pain- they all fell down from the net!

But, just before they landed, Yufeng saw the ice skates and nail shoes! Their asses would be destroyed if they landed on something like this! He subconsciously used his qi to shield himself and jump away- he’d be able to move his two followers, at the same time!

“Hm? Isn’t this Xie Yufeng? You playing superman?”

A flat voice sounded beside him, freezing Yufeng- he subconsciously stopped all qi channeling! This voice was Lin Yi’s!

### **Chapter 1028: Tragedy Strikes Again**

Lin Yi was talking with Kang Xiaobo as they moved around the field. He remembered that they planted trees here before, and so he wanted to check it out with Xiaobo when he saw Yushu setting traps!

But Lin Yi didn’t make his presence known- instead, he was thinking about how he should get Yufeng to fall for it as he watched Yushu set the traps! After all, with Yufeng’s ability, he’d be able to jump away once he saw the shoes and skates.

The next instant, he saw Yushu hide and made the meow signal, and not long after, the three were zapped- falling from the metal net.

Upon closer look, he saw that it was Xiaoxiao at the other window, covering her smiling mouth and holding a baton in her other hand!

Lin Yi shuddered- these two girls were witches! This Yufeng had to have done a lot of bad things in his previous life to meet up with these two!

But, Lin Yi soon felt that Yufeng was using his qi to protect himself- and so Lin Yi made his move! He knew that Yufeng wanted to hide his strength from him, and so he didn’t mind letting him have some fun and enjoy the fall!

As expected, the instant Lin Yi spoke, the qi dispersed!

Yufeng only did that subconsciously, but once he had removed his qi he remembered the spiky things below him! This wasn't funny, it would be serious if he slammed his ass on there!

Even if Lin Yi saw him use his qi, he couldn't just let himself fall on those nail shoes! It was a death sentence!

But it was too late! He couldn't use his qi in time, and so his ass landed right into the nail shoes, and he cried out in pain, "Ouhhhhhhh!!!"

The two followers who fell with him weren't in a very good position, either- Panghu was fatter, so when he sat down onto the ice skates the blade sliced past his two butt cheeks, cutting his balls! He rolled his eyes and twitched, fainting instantly!

Congming didn't get his balls cut, but his butt got sliced into four pieces! It was hell!

Yufeng, on the other hand, felt that his anus was turned inside out...

"Oh!" Yushu clapped happily, not expecting Lin Yi to have come. She smiled and ran over, "Shield Bro, you came! Look, they're performing masochism!"

Yufeng almost fainted from the words! Performing masochism? Who the hell in their right mind would do this sort of thing?

But he knew that what he was doing wasn't acceptable, and his name would be ruined if people knew he was peeping, let alone chase after girls! With that, he gritted his teeth and got off from the ground, enduring the pain!

He was a practitioner, after all, and had strong tolerance! He kicked the half-dead Panghu before yelling at Congming, "Get up and go to the hospital if you don't want to die!"

Panghu's balls were cut, but he did still wake up from the kick! And so, he got up and ran to the hospital with Yufeng and Congming!

Xiaoxiao, upon seeing Lin Yi, dropped her baton and rushed out to him!

The teacher and students weren't aware of what had happened- after all, it was a hot day and they were all training. They were much louder than whatever took place outside.

"Lin Yi, why are you here?" Xiaoxiao didn't want to fall behind once she saw Yushu talking to him.

"You two..." Lin Yi smiled bitterly, "Isn't that too cruel?"

"Oh, Shield Bro, who do you think was crueler, then!" Yushu asked in anticipation, and Xiaoxiao did the same. They were at a tie, after all, so Lin Yi's rating would be vital.

Of course, even if they weren't at a tie, Lin Yi's opinion would still be the most important- since they wanted his approval!

"From what I can see, you two need to be together to reach your full potential!" Lin Yi said.

“Oh, is that so...” Yushu frowned as she listened to Lin Yi. After some thought, she forced herself to turn to Xiaoxiao, “Since Shield Bro likes our combo, I’ll give you a chance and team up with you occasionally!”

“Hmph, give me a chance?” Xiaoxiao curled her lips, “I’m the one who’s giving you a chance for Lin Yi’s sake! But if you mess with me then I’ll blast you away!”

“Fine, I won’t mess with you, but only if you do the same!” Yushu said, thinking, “Alright, the one who starts trouble needs to give up on her own accord!”

“You’re just a small wife, why would I cause you trouble if you don’t do anything to me? I’m a small wife too, so you wouldn’t be able to affect me!” Xiaoxiao said.

“You’re right!” Yushu nodded, “Fighting over it like this doesn’t change anything- we’re just the small wives! I guess I’ll let Yao Yao handle the fight for main wife position.”

Lin Yi smiled. He knew that Yushu was taking the initiative to call a truce- after all, if she didn’t compromise first, Xiaoxiao wouldn’t do so easily, either. The result now was ideal- the two weren’t enemies anymore, and while they couldn’t become good friends without time, they were getting there.

The two were a match made in heaven, after all.

“Alright, we’re still supposed to be in class- bring those nail shoes and stuff back before someone notices,” Lin Yi said as he pointed at the shoes with blood on them.

“Oh, okay,” Yushu picked up the stuff, and Xiaoxiao helped out- the two quietly sneaked them back in...

Xiaobo, on the other hand, stood there quietly the whole time, only sighing after Xiaoxiao and Yushu left, “This Xie Yufeng sure has shitty luck, his ass got split! Good thing you’re able to hold these two demons at bay, otherwise life would be so tough!”

Lin Yi smiled. It was true- Yushu and Xiaoxiao were demons to outsiders. Although, when it came to him, they were as gentle as could be.

“What’s this?” Lin Yi saw a silver white item on the ground- it seemed to have belonged to Yufeng, who left it when running.

## **Chapter 1029: Feng Xiaoxiao’s Wish**

“Dv?” Xiaobo picked it up- it was a small camera.

“They weren’t thinking of taking pics, were they?” Lin Yi shrugged, “See if they recorded anything and delete them.”

Xiaobo took out the videos and looked at it- they were all the girls training, and they all wore only small amounts of clothing! Although, Mengyao and Yushu weren’t there.

Xiaobo only looked at them quickly before deleting all of them. He was a bit of a pervert, but he wouldn’t look at immoral things like this.

“Boss, what do we do with this dv?” Xiaobo asked.

“Take it home I guess. Not like we can give it back to Xie Yufeng,” Lin Yi didn’t care about him at all.

“Oh, okay, I’ll give it to Fen,” Xloabo said happily.

After what had happened, Lin Yi didn’t have the mood to look around the school field anymore, “Let’s go back.”

Xiaobo wanted to go back and look at this camera, too, and take personal videos with Fen... Although they weren’t at that stage yet, they could do selfies...

Lin Yi and Xiaobo came back to the classroom to find the empty seats of Yufeng and his lackeys. They were at the hospital.

Lin Yi didn’t think about them- since the guy wanted to hide his strength, then fine. Let Xiaoxiao and Yushu mess with them all day, see how long they could take it.

Xiaobo was working on figuring out the camera while Lin Yi went back to playing the mobile game from before.

Feeling bored after a while, he exited the phone to see what else was in there.

Lin Yi was just casually scrolling around when he accidentally clicked into a diary called, ‘My Wishes’.

Lin Yi was about to quit the program immediately once he saw that it was a private file, but seeing the words ‘My Wishes’ made him pause! He knew what situation Xiaoxiao was in, after all, and she didn’t have much time left, and one year would be an idealistic date! They didn’t know when she’d pass away, and it might even be tomorrow...

And so, Lin Yi really did care a lot about what she wanted before her death!

If possible, he wanted to make these wishes come true for her! It would let Xiaoxiao pass away having lived a life without regrets!

But just as he was about to look at this file, the bell rang! He frowned- the girls coming back would only take about a couple minutes!

Without hesitation, he opened the file and looked inside.

He realized then that the file wasn’t something recorded in one day- it had many pages in there! Some pages only had one wish along with its date, and some wishes had been fulfilled, as can be seen from the checkmark Xiaoxiao gave.

Lin Yi smiled bitterly. He would’ve been able to finish in a couple minutes if everything was written on one page, but if he were to go page by page he wouldn’t be able to finish it today! Fortunately, there were PE classes every week, so Lin Yi didn’t need to finish it in one day. He decided to just take what he can and try to make those wishes come true!

He went back to the earliest page, and started reading.

'Will this sickness really be cured? I'm going to Yanjing with my father tomorrow, they said it was a hospital specialized on dealing with hereditary diseases! I hope they can cure me!'

Looking at this particular wish, Lin Yi didn't know what to say. If he was able to cure her disease why would he even be trying to fulfill her wishes in the first place...

Looking at the date, however, he smiled bitterly and shook his head. This was three years ago, back in a time where Xiaoxiao still had some hope...

But, had she been using this phone ever since three years ago? Perhaps she transferred her old file to her new phone.

Lin Yi closed the first wish, and opened the second one.

It was much more simpler than the first.

'I want a sports car!'

This was three years ago as well, but it'd been checkmarked. Only then did Lin Yi realize that he had no time to be looking at checkmarked wishes- he quickly exited to look for unchecked ones.

But, in this file, there were a large portion of wishes that had been checkmarked- he looked for one that wasn't, and clicked in.

'I want a best girl friend... I'd be able to tell my loneliness to her, and I'd be able to share the same bed with her as we share happy stories and sad stories... But there's no way I'm ever getting a true friend. I don't want them to suffer after I leave.

Lin Yi couldn't help but sigh deeply, his mood heavy as he looked at the wish. From the way she wrote this, Xiaoxiao probably knew at this point that her sickness couldn't be cured. Perhaps she had completely given up on the possibility she could survive!

Having a friend- a best friend- this was a simple thing in any normal girl's eyes! Who never had a good friend when they were small, and which girl never had a best friend to share a bed with?

But simple things had become wishes in Xiaoxiao's eyes- her kindness prevented her from bringing pain to her friends upon dying, and this touched Lin Yi deeply!

But, this wish wasn't something Lin Yi could fulfill... Because he couldn't be a best girl friend! He was a guy! Although, suggesting Tang Yin to be Xiaoxiao's best friend might be a nice option.

Lin Yi speedily used his phone to take a picture of this wish, and quickly moved on to the next unchecked wish without pause.

'I want to become a professional racer, and participate in a heart-stopping competition! The thrill you get when you race- I love that feeling. But... My driving skills are horrible, and no one's going to let me take part in a competition...' A sweat-drop emoji followed that sentence.

### **Chapter 1030: A Shocking Wish**

Hm... This wish was something Lin Yi could consider helping Xiaoxiao achieve. It wasn't too overboard, after all, and he was capable of fulfilling it!

Only now did Lin Yi understand that Xiaoxiao didn't race because she was a rebellious teenager or anything, it was because she had a dream of becoming a professional racer!

Yes, everyone had their dreams when they were kids... But as they got older, those dreams dry up...

What was Lin Yi's dream back then, at the beginning?

Farming? With a nice mountain spring and some land?

Yes, Lin Yi's dream was simple back then when he lived with his old man. He didn't think he'd become an assassin in the future, and he never considered what sort of life he'd have...

He thought he'd be the same as all the other farmer boys with him, like Er Goudan, farming and selling crops...

But when he got older, he started doing different types of simple and difficult missions... And his dream just disappeared.

That busy life of missions was all he'd ever known, and sometimes when he was resting, he'd chill with his old man or chat with Goudan- that was the most laid back moments of his life.

He got older still, and so did Goudan.

Because of his old man, his fate changed- he was never to become a farmer, while Goudan, because of Lin Yi's change of fate, was destined not to become a normal farmer... Instead, a farmer at his old home!

Thinking of Goudan, Lin Yi started to miss him. It had been a while. Did his spring crops grow out yet? It was that time, wasn't it? He wanted to give him a phone call sometime, ask him to come to Songshan...

The life Lin Yi had led until this point... The most laid back time, other than his childhood, was the life he was living now. There was food, and there were pretty girls. Dangers lurked about, but Lin Yi had accepted that.

Even so, he felt that his life was much more solid than Xiaoxiao's! His fate wasn't certain, and he moved around, but he had a friend like Er Goudan. Goudan might be a bit slow in the head, and a bit reckless, but he liked him.

He was a straightforward man, after all, and whatever Lin Yi said to him he would only respond with a 'haha', and never spread it to others.

So Lin Yi never hid anything when it came to Goudan, and Goudan himself was a very loyal listener.

Lin Yi suddenly remembered that he didn't have much time left- he was supposed to be reading these wishes!

He quickly recorded this wish with a picture and went to the next one.

"I want to know what it's like to be in love, to have a caring boyfriend... I'm so jealous of other couples... But I can't drag anybody down! My lover will be so sad if I die!"

But the wish split into two parts- this one was from one or two years ago, and there was a note under this wish, made recently!

“I’ve decided, I’ll be in a relationship with Lin Yi! This was what he got for peeing on me, and using fireworks on my butt! I’ll have my revenge! I’ll let him fall in love with me, and then I’ll die- he’ll be so sad! Good luck, Xiaoxiao!”

Lin Yi looked at the wish and sweated a bit. So this was why he felt Xiaoxiao was acting weird, suddenly liking him when she was supposed to be hating him? He knew that the change was too drastic. He looked at the date- it was the day when she suddenly changed her attitude...

But there were more notes under the note! Lin Yi couldn’t help but sigh after reading it.

“So this is what being in love feels like? It’s so nice... I wish I could live on...”

This was yesterday night when the note was made- Lin Yi felt his heart drop heavily.

It was already obvious: Xiaoxiao’s intention of revenge had already shifted... She wanted to live on, revenge wasn’t something she dwelled on anymore.

Lin Yi smiled bitterly. Xiaoxiao had probably gotten in too deep, and started to like him for real!

But this wish was technically fulfilled, and so Lin Yi didn’t spend too much time thinking about it.

It didn’t matter why Xiaoxiao decided to like him at the beginning, but Lin Yi could understand and tolerate that! Thinking of her fate in life, Lin Yi didn’t think she was going too overboard with the things she used to do!

After all, if it were Chen Yushu, for example... She’d be going crazy, bent on revenge if she got peed on, let alone if she got fireworks set on her butt!

Xiaoxiao wanting to use a big strategy to make Lin Yi fall in love and then fall into distraught after she died... That wasn’t a strategy at all, nor was it a revenge... It was a final lash at happiness in her life...

Lin Yi went to the next wish.

“I watched TV today, the main character and main female lead were at a beach watching the sunrise, cooking breakfast with seawater! So romantic! I want that too... Though I want to eat a poached egg!”

Lin Yi looked at this weird wish, amused. Poached egg? Watching the sunrise and eating egg? Why did it feel off? But since it was Xiaoxiao’s wish, he took a picture of it with his phone. It was one of the easier wishes, after all.

Time was running out. After closing this wish, he went to the next.

“Yu Shihan is so pretty! If I were a boy that’d be great, I’d be able to push her down...”

Lin Yi felt tired just looking at this wish- he couldn’t do anything here. Unless he went and gave her a sex change surgery?

But there was still more to this wish.

“I’ve decided. I’ll give my boyfriend this difficult task... I’ll have him push her down, and then the three of us will do a threeway... Hahaha! Xiaoxiao, you genius! But this seems like an impossible dream?”

Lin Yi almost threw the phone away- what was this stupid wish? Lin Yi felt that if Xiaoxiao were to live on, she’d be able to play a lot of things with Yushu. In some aspects, the two really had many similarities, and their mindsets were really shocking as well.

But Lin Yi still took the picture! Yes, if he had the chance, he would ask that Yu Shihan, a celebrity, if she was willing. If so, then this was a possible wish!
