

Bodyguard 1151

Chapter 1151: Accidental Cooperation

Could this be the legendary passing through walls? Or was this an illusion the ghost created. It wasn't Mengyao's tent at all?! Was he always fated to run in circles in the ghost's palms?

The thought made him pale. He charged out and stumbled his way away from the tent, running to Jianwen's tent!

He was shocked to the core. Poor Taizao had a problem with peeing his bed in the first place, so this was more than enough to trigger that! He peed his pants!

"Ghost! There's a ghost!!" Taizao waved his arms around as he ran.

"Hahahahaha!" Yushu laughed loudly as he watched the man run out. "Seems like Tang Yun sis did good! Su Taizao's probably scared to death now—you and Tang Yun sis are good partners!"

Mengyao didn't know if she should laugh or cry. It was always Xiaoxiao who teamed up with Yushu to mess with people like this, but Tang Yun and her had become accidental accomplices with Yushu this time around!

"Alright, let's go check up on Tang Yun!" Mengyao shook her head helplessly, moving in the direction of the tent.

But Tang Yun was still wondering what the heck happened—the guy jumped in their tent and jumped out, and so Tang Yun followed him outside. Taizao didn't see them, but Tang Yun spotted Yushu and Mengyao.

"Yao Yao, Shu- you're back!" Tang Yun breathed out in relief. "Was that Su Taizao? Did you guys see him? Why was he running around like he bumped into a ghost?"

Tang Yun's obliviousness made Yushu laugh out loud!

"Haha, Tang Yun sis, do you think we look like ghosts?"; She smiled.

"Us?" Tang Yin blinked as she looked at the two girls before turning to herself. "Shu, you're not saying that Su Taizao thought the three of us were ghosts, are you?"

"Yep, that seems to be the case!" Yushu nodded.

"God!" Tang Yun slapped her forehead. "Why's he so dumb?"

"Hehe, I don't know, but thanks for cooperating with me, Tang Yun sis!" Yushu said.

Tang Yun felt a bit helpless. She wasn't the type of girl who liked causing trouble like this, and it wasn't her personality to be messing with people all the time Yushu did. This wasn't her hobby, but she accidentally helped her out today.

Tang Yun didn't mind, though- this deepened their bond, and it was a good thing. She was a defensive type in the first place, so she didn't have many friends, except for Xinwen and Fen. This part of her was quite similar to the Miss!

And so, Tang Yun, Mengyao, and Yushu were getting along. She hoped that their relationship would go on since this was a rare friendship. It was hard to find friends that didn't care about benefits and all that once they entered society, after all.

At that moment, Jianwen couldn't take it anymore. He was waiting for Taizao to scare Mengyao as a ghost so that he could be the hero! His plan was perfect. Lin Yi and Xiaoxiao were having a steamy time, so he wouldn't have time to deal with Mengyao! This was when he should show his manliness, and even if nothing happened between Mengyao and him, their relationship would deepen for sure!

But the guy was screaming out there about ghosts, and this troubled Jianwen quite a bit. What sort of spirit was this, screaming about demons like that? Nobody would be scared of him like this!

And so he was getting pissed. He stepped out of the tent, running over to Mengyao's tent—pissed off that this Taizao was ruining everything!

But, he didn't take a couple of steps out before Taizao charged at him at an alarming speed, slamming into him before he could react!

"An Bro, ghosts! There's a fucking teleporting ghost out there!!" Taizao hugged onto Jianwen, not letting go as if he found a hero to save him.

"What- What are you doing? You're choking me!" Jianwen raged as he tried to push Taizao away.

Magyar, Yushu, and Tang Yun came over after hearing the commotion, and so were Lin Yi and Xiaoxiao! The two were coming out of the tent.

"An Bro, there are ghosts here, there are ghosts here! Let's get the hell away!" Taizao was still screaming.

"Ghosts? What ghost, I told you to go be the ghost! What the hell are you screaming about like a damned idiot??" Jianwen said, pissed off.

"I was doing that, but I pissed off the real ghosts! I met a ghost right on my way, the face was white with a white dress, with the tongue out. It was a real ghost. It was so scary!!" Taizao said. "It even teleported around, it was behind me, and then it appeared in front of me! It's so scary!!"

"What the fuck are you talking about? There are no ghosts!" Jianwen was getting more and more pissed off at this nonsense.

"There is, An Bro, there is! I was running from it, right, and so I charged into Chu Mengyao's tent, thinking that it'd be fine if they laughed at me- I just needed to survive! And so I ran into Chu Mengyao's tent, but there was a ghost inside!!" Taizao continues, "Inside her tent was a ghost, sitting there! She was in the tent, and I remember clearly she was behind me when I ran in! It's a ghost. I'm so scared!!"

Just as Taizao finished speaking, a wave of laughter came. It was from Yushu and Xiaoxiao!

Chapter 1152: Yes or No

Mengyao and Tang Yun couldn't help themselves but laugh, either. They were a lot softer than Yushu and Xiaoxiao.

"Hahahaha! Su Taizao you really are an idiot!" Yushu laughed as she pointed at him. "Wooh, ghosts are coming... Hahaha!"

Jianwen didn't think that everyone would come out like this, but upon closer look- weren't these three looking like ghosts themselves? Could they be the ghosts Taizao was talking about?

The three were wearing white clothes and facemasks—they really did look like ghosts, and if Jianwen didn't hear Yushu's voice, he would probably be shocked as well!

But he wouldn't be shocked into that pathetic state Taizao was in!

Jianwen really got pissed off now—he had such a shitty follower who thought the three girls were ghosts!

"Open your eyes for me and look—where are the ghosts? This is Chu Mengyao, Chen Yushu, and Tang Yun! Where's the ghost? Where's the ghost??" Jianwen scolded.

Taizao blinked and raised his head, looking at the three girls.

"An Bro, aren't they ghosts? There are three ghosts now!!" Taizao said.

"Three ghosts, my ass.

It's Chu Mengyao, Tang Yun, and Chen Yushu!" Jianwen frowned.

"I..." Taizao paused and took a closer look- this wasn't a ghost, nor three ghosts—they were the three girls wearing white sleeping gowns and face masks!

"Wooh, I'm a ghost!" Yushu stuck out her tongue.

"Fuu..." Taizao sighed in relief, letting go of Jianwen, coming down from him. "Haha, it's you guys! I was just joking with you all. Otherwise, it'd be quite a boring night, right?"

"Ooh, of course!" Yushu smiled as she looked at Taizao, clearly looking down on him.

"Su Taizao, what is this thing you got on my body? Why's it wet? What's this smell... It's... You didn't pee your pants, did you?" Jianwen called out all of a sudden, jumping around as the water dripped off his body...

"Holy moly, Taizao bro, you still pee your bed at this age?" Yushu suddenly remembered that truth or dare time back then.

"I- I don't pee my bed! This is peeing pants... No! Not! I didn't pee my pants!" Taizao tried his best to explain himself, face blushing.

"Hahahaha!" Yushu only laughed.

"Alright, Shu, let's go rest- we still have to watch the sunrise tomorrow, remember?" Mengyao smelled the weird smell, as well. She didn't want to stay here any longer.

“Haha, okay!” Yushu made a ghost face at Taizao. “Woohoo, don’t dream of me tonight or you’ll pee your bed again!”

Taizao took that reminder to heart- if he dreamed of this, he’d pee his bed for sure, and that’d be humiliating as shit! He felt awkward all of a sudden. “How is that possible? It’s been a long time since I- no, I’ve never peed my bed before!”

“Haha, let’s go!” Yushu didn’t say anything but only left with Mengyao and Tang Yun, getting ready to leave.

“Shu, why didn’t you call me if you were gonna mess with someone?” Xiaoxiao felt left out. She didn’t get to see what Taizao looked like earlier, and it seemed so interesting from what she could see!

“Of course, I wouldn’t interrupt your XXX time with Shield Bro!” Yushu grinned at her. “What stage were you guys at? Wanna tell me?”

“Of course, I can’t. This is a personal matter.” Xiaoxiao only shook her head mysteriously.

“You’re not a virgin, are you?” Yushu sized Xiaoxiao up by looking up and down.

“That- That’s not possible, of course! Of course, I’m not. You’re the virgin, right? What, you’re jealous of me?”; Xiaoxiao explained quickly- Yushu had no proof!

“Me? Why would I be jealous. I haven’t been a virgin for a long time ago!” Yushu said. “I’m Shield Bro’s first woman!”

“Everyone knows how to bullshit!” Xiaoxiao hmped.

“You’re sure you’re not? Why do you walk so properly then? The TV said that you can’t walk properly after the first time.” Yushu shook her head in response.

“The TV? So you learned from the TV, huh? You don’t have your own experience? Didn’t you say that you’ve done it a long time ago? What’s with the TV??” Xiaoxiao retorted.

“I... I slept after finishing, so the second day I recovered! It’s a different situation!” Yushu explained quickly.

Mengyao and Tang Yun didn’t know what to say—these two had to fight about anything.

“Alright, both of you are virgins! Xiaoxiao, go back and sleep- we still have to watch the sunrise tomorrow!” Lin Yi smiled bitterly, proving his innocence. These guys were all claiming stuff that he had nothing to do with! He didn’t do anything to them!

Yushu and Xiaoxiao got exposed, blushing. They smiled dryly at each other, “Not for long!”

Lin Yi was speechless, but he pulled Xiaoxiao away and left.

The Miss did the same with Yushu, going back to rest with Tang Yin, leaving Jianwen and Taizao alone.

“Why’s this Lin Yi so popular? Both the girls like him?” Taizao was a bit envious.

“Two? You dare play with those two? Just a face mask scared your pee out, you’d be in the grave if you took them home!” Jianwen hmphed. “Feng Xiaoxiao is the same type as Chen Yushu. You be careful in the future!”

One had to admit that Jianwen’s judgment of character was quite accurate- he could tell what type of person Xiaoxiao was from one look. Messing with these two girls would only mean trouble.

Chapter 1153: Deep Mark

“You’re right, I can’t let my guard down!” Taizao nodded. “Fortunately for us, Feng Xiaoxiao wasn’t involved this time. Otherwise, I’d be screwed!”

“Yes, so stop messing around, and go take a shower!” Jianwen said impatiently. “You got all your shit on me! How old are you, still peeing your pants?”

“Ugh... Stop mentioning it, An Bro, I’m getting embarrassed already...” Taizao blushed.

“Then go take a shower. What are you waiting for?” With that, Jianwen walked towards the beach.

“I’m not waiting for anything, but An Bro, the sky’s all dark now, I’m afraid!” Taizao said hesitantly.

“I’m going with you—what are you scared of??” Jianwen raged.

“I’m scared of ghosts! That scene from earlier is still fresh in my mind!” Taizao said weakly.

“Ghost? Didn’t I tell you that there are no ghosts, those were the girls! Are you absolutely stupid?” Jianwen said. “If you don’t want to shower, you better not sleep inside the tent tonight. You stay outside!”

“I... I’ll shower then,” Taizao said- it’d be a true horror experience if he stayed outside the tent at night! He might as well grit his teeth and be scared now.

The night passed in silence.

The second morning, Lin Yi opened his eyes.

He’d always enter his dreams and train, but Lin Yi was very good at controlling the time difference. He may be in his dream, but the bridge between him and the real world remained. Many people weren’t able to do this, but he could.

In his dreams, in the jade space, it was no different from reality for Lin Yi.

“Xiaoxiao, wake up. It’s time to go see the sunrise.” Lin Yi patted the deep asleep Xiaoxiao lightly.

Lin Yi slept separately with Xiaoxiao last night. Perhaps it was because of her big words with Yushu yesterday that she got all awkward and shy all of a sudden.

She was a child, after all, a girl. The big talk didn’t mean she would do it.

The latter half of the night, however, Xiaoxiao naturally rolled into Lin Yi’s embrace, but he didn’t push her away, continuing to sleep.

“Hm?” Xiaoxiao woke up slowly, still in a blur. “It’s time? Breakfast time?”

Xiaoxiao jumped out of Lin Yi’s arms and moved around in the tent. “The oven- where’s the oven?!”

Lin Yi watched Xiaoxiao move about, feeling touched and warm. She always made breakfast packed with love for him every morning, evidently getting used to it already. She woke up to open the oven when the alarm woke her.

It was a rare thing for them to come out and play this once and relax, but Xiaoxiao still treated this as her house.

“Xiaoxiao, we’re at the beach!” Lin Yi hugged her—it was the first time he hugged her by his own will. In his heart, this girl had already left a deep mark.

“Ah?” Xiaoxiao rubbed her tired eyes, realizing what was going on. She felt a bit embarrassed, “I thought it was my house!”

“You don’t have to wake up so early to do those breakfast boxes anymore. Rest a bit. Seeing you like this hurts me, you know.” Lin Yi said clearly as he looked at Xiaoxiao.

“Ah!” Lin Yi’s care took her by surprise. She didn’t respond in time. From her view, Lin Yi may like her, but being with her was more due to the gamble that Tang Yun lost.

But now, she saw that Lin Yi’s eyes were filled with love—Lin Yi loved her!

Xiaoxiao couldn’t react properly in time—the initial plan was to make him fall in love with her, and then she’d ditch him... This was a revenge plan! But now, that plan had been buried deep, and she didn’t even think of it anymore.

However, her disease was still there. Whether or not she wanted to revenge, it was inevitable that Lin Yi would be sad when she left. This wasn’t what she wanted to see!

“Why... Why are you so nice to me...” Xiaoxiao was getting scared- she felt so guilty like she was playing with fire- but she couldn’t stop now! You couldn’t just play around with emotions like this!

“You’re nice to me, so of course, I’d be nice to you.” Lin Yi smiled. “Sunrise, right? Let’s go. The sun’s not waiting for us.”

“Oh...” Xiaoxiao said, wondering if she should tell him the truth.

But what if he got mad once she told him, what if he left her? She didn’t want to let this relationship go just like that!

She didn’t know what to do!

“Yesterday night- did you sleep while hugging me?” Xiaoxiao changed the topic- she didn’t want to dwell on such a frustrating thing.

Lin Yi nodded.

“You...” Xiaoxiao bit her lip, blushing. “Do you want me? I... It’s okay now... I’ve thought it through...”

“Huh??” Lin Yi blinked.

“I want to be your woman!” Xiaoxiao said, not holding back anymore.

She was thinking that giving herself to him would be some form of compensation. It’d be to Lin Yi’s favor! She was about to die, but she was still a virgin! Weren’t these the things those delinquents she used to hang with bragged about? They always fought with each other, comparing how many virgins they had under their belt, how many women they tried...

Lin Yi was moved, but he kept his composure. “We’ll talk about that later. Let’s go see the sunrise first? It’s gonna be up soon.”

“Okay...” Xiaoxiao nodded, her face red and a little frustrated that Lin Yi rejected her! He was almost perfect, but he was just too serious!

But Xiaoxiao didn’t know what Lin Yi was thinking. It was just that Lin Yi had no cause to be thinking about that sort of thing! Xiaoxiao’s life was ending. Of course, his mind wouldn’t be occupied there!

The main thing now was to try and save Xiaoxiao’s life—Otherwise, Lin Yi would carry that regret for the rest of his life!

Chapter 1154: All-purpose Shu

Upon exiting the tent with Xiaoxiao, an intense wave of sea breeze flowed into their nostrils. It freshened them up.

Lin Yi looked over to Mengyao’s tent. Things seemed rather quiet there, and Lin Yi didn’t go and disturb them. He went to the sea with Xiaoxiao alone, sitting on the sand.

“It’s so dark,” Xiaoxiao said as she cuddled into Lin Yi.

“It’s always darkest before dawn,” Lin Yi smiled as he tightly held Xiaoxiao’s body, “You cold?”

“It’s okay- I’m a bit cold, but your hug warms me up!” Xiaoxiao smiled sweetly. “Lin Yi, honey, look! There are even stars in the sky!”

“Yeah...” Lin Yi nodded, remembering the time back where he was in some small country in Europe, remembering that night with Yu Ning.

That time, dawn was approaching. The stars in the sky back then reminded him of the situation today.

It was just that he had changed.

The stars were still the same stars, but the person beside him now was Xiaoxiao.

The Lin Yi back then was completely lost in life, unsure of where he should go in the future, drifting around without purpose. He didn’t dare get into a relationship and had always avoided stuff like that. He never promised Yu Ning anything, and he wasn’t able to give her the life she wanted!

She was a pretty flower in a greenhouse, and he was from a different world altogether!

He chose to run because of that.

(Refer to special side story 1-10, Valentine's special)

The missions and the interactions he had with her after that made him realize that Yu Ning wasn't as weak as he thought she was, but Lin Yi didn't cross the line. He always remembered who she was! He didn't want Yu Ning to suffer because of him; she deserved a better life, a happy life.

But, while this love was buried, Lin Yi's relationship with Yu Ning became more and more flirtatious. Until that time when House Yu's family appeared.

Lin Yi frowned, not wanting to continue thinking about it.

Let the past stay in the past- at least he was happy now, and satisfied.

This mission put him into a life in the city, and turned him into a normal person- he had emotions now.

He opened up because of what the old man promised- he said that this would be his last mission and that he could retire in Songshan. This would remove that feeling of drifting around that he used to olive in- this was why he could accept Tang Yun and Feng Xiaoxiao.

"Wow, it's so romantic!" Lin Yi's thoughts were pushed out as he came back into reality. He knew without looking that it was Yushu. Only she acted this way.

"You're all awake?" Lin Yi turned around. The Miss, Shu, and Tang Yun were all here.

"Why're you two so romantic here? I'm getting jealous! You guys are cuddling in the dark!" Yushu grinned. "Wanna switch?"

"Switch what??" Xiaoxiao blushed, "Isn't there another spot beside Lin Yi's husband? Go sit there!"

"Hehe, don't mind if I do! Shield Bro gets one to the left and one to the right!" Yushu smiled as she went over.

But Mengyao stopped her, "Stop messing around. Let's make some breakfast to welcome the sunrise."

"Oh, okay!" Yushu remembered that she had a mission this morning, and that was to prepare a poached egg for Xiaoxiao to eat. And so, she listened to Mengyao and went to the car to get the stuff.

"I feel so happy right now!" Xiaoxiao said as she rested her head on Lin Yi's shoulder, silently enjoying the peace.

"If you want, we can come here to watch the sunrise more often. We could come every year." Lin Yi said.

"Yeah!" Xiaoxiao felt her nose prick up, a bit sad. Every year..? Perhaps this was the last time she'd see a sunrise again.

Lin Yi guessed what she was thinking as well. He only became more determined that he would find some way to cure her!

The stars in the sky slowly faded, and the color of the morning filled the world.

"It's morning soon." Lin Yi said. "A new day."

“Yeah, we live another day!” Xiaoxiao said deeply.

The Miss, Tang Yun, and Shu were finished with the preparations.

They were able to finish these things by themselves, but the rest would have to fall on Lin Yi.

“Xiaoxiao, wait for me a bit- I’ll make breakfast.” Lin Yi said.

“Can... Can you not go? I want to stay with you...” Xiaoxiao said unwillingly.

“Don’t worry. I’ll finish this before the sunrise!” Lin Yi smiled.

“Alright, I’ll wait for you then!” She nodded.

Lin Yi stood up and walked over to the fireplace with Yushu. He quickly lit it up, but one look at the eggs on the floor, and he was in trouble. He put the food on a barbecue rack yesterday, but this poached egg needed a pan of some sort or a metal plate... How was he supposed to fry it otherwise?

“If only we have a pan...” Lin Yi smiled bitterly.

“We do!” Yushu took out a pan for him.

“Huh?? You brought a pan?” Lin Yi blinked. “Do you have a spatula?”

“Yep! This isn’t a problem at all for All-purpose Shu!” Yushu handed Lin Yi a spatula.

“Wow... All-purpose Shu indeed...” Lin Yi smiled bitterly, not knowing if he should praise her or nag her.

Lin Yi felt that the car was heavy enough already when driving- if Yushu had brought even a pan and spatula, it meant that there was even more stuff in there!

But Lin Yi had no time to dwell on that- the eggs were waiting.

He speedily fried the few poached eggs and gave a couple to Tang Yun, the Miss, and Shu- the last two were sent to Xiaoxiao. “Here, eat up!”

Xiaoxiao froze when she smelled the poached eggs!

“How did you know I wanted to eat poached eggs in front of a sunrise??” Xiaoxiao said, surprised and happy.

“I didn’t- I just made eggs, that’s all.” Lin Yi naturally couldn’t admit that he peeked at her phone. “Isn’t this a normal breakfast item?”

“But, on the beach... I didn’t think you could fry eggs here!” Xiaoxiao said happily as she held up her plate.

Chapter 1155: An Jianwen’s Tragedy

“But, why do you want to eat poached eggs when watching a sunrise?” Lin Yi was quite curious.

“Because the sun looks like a huge poached egg- this way, I can imagine myself eating the sun in one gulp!” Xiaoxiao said.

"I see..." Lin Yi sweatdropped. This Xiaoxiao had a weird brain- what sort of special thinking did you need to make this connection?

The line where sky and sea connected into the paint of red- and the dazzling sight of a sunrise formed.

"Ooh!" Yushu started cheering, evidently enjoying the view.

"It's coming!" Xiaoxiao was very excited as well.

As expected, a burning ball of fire floated out of the sea, jumping into the air as it radiated the world in gold and red.

Xiaoxiao ate her poached egg as he enjoyed her morning in Lin Yi's arms.

The sun came out, and the sea was no longer cold- the temperature rose slowly.

The five ate breakfast, and while they were planning on going to the sea to swim, the water was still a bit cold- and so the five sat on the sand and bathed in the sun's warmth before going down.

When the sun was completely up, Taizao and Jianwen woke up. Jianwen didn't hesitate as he stepped out, walking to their side quickly. "Morning, Yao Yao sis! Everyone's hungry, right? I've got a healthy breakfast prepared, and it's still hot. I'll get Taizao too bring them- let's eat together!"

"No need, we ate," Mengyao said faintly. "You guys enjoy."

"Huh? Ate?" Jianwen blinked but realized that there were used silverware some distance away. He shrugged helplessly. "Well, I guess we'll eat quickly then. Today's weather is really good, why don't we all go dip in the water? Yao Yao, Shu, do you guys remember when we always came to the beach to play?"

"Of course, I do!" Yushu spoke up before Mengyao could. "Your wee wee got grabbed by a crab, and you cried so hard your snot came out! Oh, your wee wee is broken now, so Yao Yao can't marry you anymore- otherwise she wouldn't have a sex life!"

"Wha?!" Jianwen didn't know how to react to this, but he remembered that it was true! The crab almost snipped the entire thing off of him, and this was mostly Yushu's fault! It was her who put that crab there! He didn't have proof, but he deduced that it had to be her!

From then on, he developed a sort of trauma when it came to Yushu. This girl was toxic, toxic! He had to stay away, or who knows what would happen to his treasure down there?

At the thought, Jianwen started admiring Lin Yi- the guy was actually managing to be this close with her, did he not fear her??

"Hahahahaha!" Xiaoxiao started laughing loudly. she didn't expect this tragic backstory for Jianwen!

Mengyao and Tang Yun weren't bold enough to just laugh out like that, but they did have to hold back some laughter. Jianwen sure was unlucky.

"That was when we were kids!" Jianwen said with a haha. "Alright, drop that-what do you guys say to a swim later? Ah, I even bought you guys swimwear! Taizao, go bring the swimsuits for them to see!"

“Alright, I’ll go right now!” Taizao went away happily.

A moment later, he came back with a bunch of swimsuits in his arms.

“Yao Yao, Shu, Tang Yun, Feng Xiaoxiao, what do you guys think?” Jianwen asked as he gave it to Mengyao.

Mengyao didn’t take it, but Yushu did. She lifted it up.

“These are all the newest international fashion- I got someone to buy it overseas, especially for you,” Jianwen said proudly.

“What on earth is all this?” Mengyao said, blushing as she looked at them- these were sexplay outfits! The thighs were coming out, and the chest area would barely be covered! Mengyao would rather die than wear this in public!

Her swimwear was the reserved type- it covered her entire body!

“Ugh..” Jianwen didn’t expect that big a reaction from Mengyao. Although, he admitted that he did have those thoughts when he picked those out. These may be the biggest brands, but he chose the sexiest ones so that he could get a good look when she wore it!

“These are all international brands, the best ones! What do you mean?” Jianwen said. “These are all designed by world-famous designers, and maybe they’re a bit bold, but it’s really pretty! You’re at the peak of your youth now. You should show it off!”

“Show it off for you?” Mengyao frowned.

“Ugh... I...” Jianwen uttered awkwardly. She was pissed- she wouldn’t say stuff like that otherwise.

“I don’t want to wear this- you wear it if you want,” Mengyao said.

“That’s...” Jianwen said awkwardly. “It’s okay then, no need to wear it if you don’t want to, I was just trying to be nice... Taizao, bring those back!”

Jianwen felt that it was a pity, but he had no choice- he couldn’t force it on her or anything, could he? Lin Yi would kick him into the sea.

Lin Yi, after all, was someone who even House Yu couldn’t mess with- let alone An Jianwen! If Fighter Li weren’t dead, then he wouldn’t be afraid of Lin Yi, but the guy got killed by some Er Goudan guy, and his backup wasn’t here yet! No way he was gonna piss Lin Yi off.

“No need- I’ll take all of them!” Yushu stopped.

“Shu? You like them? That’s great!” Jianwen said, thinking that it would be really nice to look at Yushu if Mengyao was out of the question. He didn’t dare do anything to her, but watching was fine.

Chapter 1156: Want To Eat Shark Meat Again

“I’ll take it home and wear it for Shield Bro to see!” Yushu’s words slammed onto Jianwen like a bucket of cold water.

“Wha??” Jianwen’s face changed instantly- for Lin Yi? Why was Yushu so obsessed with Lin Yi?? Jianwen was envious, but he had evil thoughts as well- he hoped that Yushu messed with him every day. It’ be best if she got some crabs to pinch him!

“Give me half. I want to do it too!” Xiaoxiao said strongly.

“Sure, I can’t wear them all anyway!” Yushu didn’t reject.

Jianwen was feeling a little down- these were swimsuits he spent a significant amount of money on buying, and now Lin Yi would be able to look at the things he was supposed to see! But this sort of money wasn’t much to him anymore. He waved his hand generously. “Alright, you guys take it- we’ll go down into the water then? Fish out some seafood, I’ll make you guys whatever you want to eat!”

Jianwen saw that crabs and other sea creatures had come out- he might even be able to fish a big fish yesterday, it would be different from yesterday night’s situation!

“You’ll fish whatever we want to eat?” Yushu narrowed her eyes at him.

Jianwen tensed up at that look- she wasn’t planning anything again, was she?

“Then it has to be something in the sea, right? I can’t fish anything not from there.” Jianwen said with a laugh as if he were joking.

“Yao Yao and I want to eat shark meat- you go fish it then!” Yushu said.

“Wha? Shark?!” Jianwen jumped- was one supposed to be fishing up sharks? Didn’t sharks eat people??

“Yeah, we want to eat shark meat!” Yushu nodded, “You’re an expert at beating up sharks, right? Punching out all its teeth with one hit? Or were you lying back then?”

“Wha!?” Jianwen remembered that he did make that boast back at dinner last time to show how brave he was, but all of that was fake! Yushu taking that stuff out right now made it very awkward for him!

If he said it was true, then he’d have to go get a shark, but if he said he was lying, then his image would drop in front of Yao Yao! He’d be branded a liar!

At the thought, Jianwen gritted his teeth and thought that the shallow waters might not have sharks- it wouldn’t be his fault if there weren’t any! “Fine, I’ll go get a shark with Taizao later! But, if there’s no shark in the shallow waters, there wouldn’t be much we could do! We don’t have equipment for deep waters!”

“It’s okay. I’ve got a great move for luring sharks!” Yushu smiled as she looked t Jianwen. “You cut your finger and drop some blood in the sea- sharks would come if you do that!”

“Wha??!” Jianwen jumped. “That isn’t good, is it..”

“Why not? Are you scared? Yao Yao doesn’t like guys who are cowards. She likes brave men!” Yushu said. “If you’re brave, you’d be able to win her favor- a knight has to face danger but remains calm! That’s what you should do! Yao Yao would cheer for you!”

“Really?” Jianwen felt his body fill up with adrenaline of a knight- he looked at Taizao. “Taizao put on your swimwear- we’re going fishing for sharks!”

"I... An Bro, with our bodies, catching a shark might be a bit..." Taizao said bitterly and carefully.

"No bullshit- let's go!" Jianwen was worried that Mengyao might laugh at him. He pulled Taizao over to get changed.

"Shu, isn't this a bit too dangerous? What if they get eaten by a shark for real?" Mengyao didn't believe that the guy could fight sharks at all! She'd think that Lin Yi could do it, but Jianwen...

"It's fine- I'm here!" Yushu said. "I brought down a shark with one rock last time!"

"Haha... Seriously..." Mengyao started laughing. "That was Gao Xiaofu, not a shark!"

"Hehe, you knew about it too, Yao Yao sis?" Yushu blushed- with her smarts, she knew after the fact that it wasn't a shark that she beat down. She thought she was the only one who knew!

"There was even a price tag on the shark you 'killed'- of course, I'd know." Mengyao gave her a look before turning to Lin Yi, feeling that she was troubling him. "Lin Yi, can you watch out for him later and not let them get eaten?"

"Sure." Lin Yi nodded, not saying anything else.

He understood what she was thinking- he was still her childhood friend. Even though he'd changed and become a bad person, they still had a past. Ahe didn't want him to die in front of her.

"Yao Yao, why do you even care? Just let him die!" Yushu didn't mind.

A while later, Jianwen and Taizao came out with their swimwear.

"Yao Yao, Shu, you guys don't wanna play in the water?" Jianwen asked.

"Yao Yao, do we go?" Yushu asked.

Mengyao nodded and turned to Tang Yun and Xiaoxiao. "Let's go together?"

"Okay!" Tang Yun nodded- this was the first time she came to the beach, and everything was so fresh. Songshan was a city near the mountains, and it took quite a while of driving before reaching the sea. There was one water park, but that place was on the mountain- the sea was below the cliff.

Her family wasn't very rich, either, and with her dad, on the sick bed, they didn't have time to go to the beach at all.

Mengyao and Yushu had purchased a lot of swimwear at the market, all the reserved type. They took it out for Tang Yun and Xiaoxiao.

"Yun Yun, Xiaoxiao, you guys choose first?" Mengyao offered.

Chapter 1157: Lin Yi Messed Up

"That's... You guys should choose first, right..." Tang Yun was feeling a bit embarrassed. After all, all of these were bought by Mengyao and Yushu.

“These are all the types Shu and I like, and we wouldn’t buy the ones we didn’t like. Whatever you don’t pick is our type too.” Mengyao explained with a smile.

“Okay, then!” Tang Yun didn’t insist. She and Xiaoxiao chose one each.

But, when changing, things got a lot awkward. While they’ve seen each other already at night when changing into pajamas, it was dark, and they couldn’t see anything other than some whiteness. It wasn’t too awkward.

But the sunlight was hitting through the tent, filling it with a dim but sufficient light!

The Miss felt a bit tense, and Tang Yun felt a bit tense.

But Yushu didn’t care- she stripped herself right away and got ready to put on the swimsuit.

“Wow, Shu, your boobs are so big!” Xiaoxiao looked at Yushu’s chest and jumped over, surprised. She lunged her hands forward. “Let me touch them!”

“Ah!!” Yushu cried out, quickly jumping away.

“Hmph, stingy girl. You still want to do 3p? You won’t even let me touch them, why would I 3p with you!” Xiaoxiao hmped.

“I’ll let you touch them then, not now.” Yushu quickly put on the swimsuit. “Now, I’ll only let Shield Bro touch them!”

Yushu and Xiaoxiao’s little incident eased the tension in the tent, and Mengyao and Yushu took off their clothes as well.

Xiaoxiao, however, was starting to get awkward. After all, the three slept at night together, changing together- they’ve bonded a bit, while it was Xiaoxiao’s first time.

“Xiaoxiao, why are you taking so long? You’re not self-conscious because your boobs are too small in front of me, right?” Yushu laughed.

“Hmph, of course not! Yours are a burden, and mine are just right!” Xiaoxiao quickly stripped and started changing.

“Seems to be a bit bigger than Yao Yao’s? Yao Yao, you need to work hard!” Yushu mumbled to herself.

“Shu, that’s too much!” Mengyao was blushing red as she went at Yushu’s lips.

“I’m going swimming, bye-bye!” Yushu quickly dodged out of the tent, leaving Mengyao there.

Lin Yi had just come out finishing changing, as well. He saw Yushu running out.

Yushu had nothing holding her front back now, and her chest wobbled up and down- this made Lin Yi’s breathing grow rapidly! This was that typical scene you saw online!

“Woah, Shield Bro, you’re so muscular!” Yushu didn’t realize what was wrong with her running, but she was quite engrossed with Lin Yi’s abs.

“Uh... You look voluptuous too...” Lin Yi said subconsciously, but felt that something was wrong the next instant!

“Oh??” Yushu wasn’t expecting that as well, but it made her happy! Lin Yi had always spoiled her, but he never praised her like this before! “Shield Bro, you finally realize my good points?”

Lin Yi didn’t know what to say- it seemed that there was no way he could completely avoid thinking about these things once he lived extendedly with Yao Yao and Shu!

“You and Yao Yao are both good!” Lin Yi’s face returned to normal as he spoke faintly.

Yushu was a little troubled once Lin Yi went back to his old self, but thinking about it, Lin Yi had made it clear. It seemed that he liked her after all! Yes, Shu needed to work hard!

Mengyao and Xiaoxiao came out later, and they haven’t seen what happened. All they saw was Yushu smiling wildly.

Mengyao was a bit annoyed at that. “Shu, do my small boobs make you that happy? You’re smiling too much! You should be the one called Chen Xiaoxiao!”

“No... It’s not that...” Yushu shook her head, getting embarrassed.

“Then what?” Mengyao asked confusedly.

“Oh, it’s nothing. I’m laughing at Jianwen going to catch a shark, that idiot!” Yushu said.

Mengyao wouldn’t believe Yushu’s words, but she left it at that.

Jianwen and Taizao were walking in the ocean, and he waved out once he saw Mengyao come out with the others. “Yao Yao, hurry! The seawater is really refreshing!”

The sun had already come out already, and standing on the sand would be quite hot. The water, on the other hand, hadn’t absorbed all the sunlight yet. This was the optimal time to be entering.

“Jianwen Bro, why aren’t you hunting sharks?” Yushu asked after entering the water.

“Haha, I’m planning my moves- we could play around first? Otherwise, how are we supposed to play once the blood gets in?” Jianwen said with a haha. “We’ll do it after we’ve had fun!”

“Oh, that works too!” Yushu said, thinking that it would piss her off if the shark came swimming before she’s had her fun. Jianwen would fulfill his promise anyway if she insisted.

The shallow waters didn’t have many big sea creatures moving past, but Lin Yi still remained cautious as he observed the sea’s movements, ready to strike.

“Wow, there’s abalone on this rock!!” Xiaoxiao said excitedly as she pointed at a rock in the sea.

“Really? abalone?” Yushu’s eyes moved around, calling out. “Jianwen Bro, there’s an abalone here! Come catch it, it’s a bonus for lunch!”

“No problem!” Jianwen said without a second thought. As long as it wasn’t a shark, it was fine! He’s had his share of abalone, and this was just some shell creature type- it wasn’t dangerous at all! And so he came running with Taizao.

Chapter 1158: Tell You A Secret

"It's here. Hurry and catch it!" Yushu pointed on the rock.

"That's too easy. Watch me!" Jianwen thought that this was an excellent chance to show his bravery- he charged up with enthusiasm, "Here I come, little abalone!"

But, Jianwen's thoughts were too naive- the abalone stuck itself onto the stone. It was no different from being glued on it! Only someone with enough strength could pull it out!

But Jianwen didn't know that- he treated it like a clam. He thought one just picked it up. He realized that something was wrong- why was this abalone sticking onto the rock like this?

"Taizao, come help! We'll pull it together!" Jianwen said Taizao said.

"Alright, let's do it!" Taizao was afraid of ghosts and sharks, but an abalone was no threat to him. They started pulling together.

"Jianwen Bro go! Jianwen Bro go! Yao Yao's watching!" Yushu cheered as she walked away quietly with Xiaoxiao, leaving two idiots pulling an abalone.

Yushu and Xiaoxiao ran to Mengyao and Tang Yun, laughing.

"What's with you two?" Mengyao asked curiously.

"Jianwen and Taizao are there pulling an abalone with their hands!" Yushu said.

"Their hands?" Mengyao blinked. "Can you do that? Don't you need special tools or something, we watched that episode on discovery planet about abalones, right?"

"Yeah! Those two idiots didn't watch that for sure. They think they could pull it!" Yushu said. "Let them have fun- we won't be interrupted this way!" Yushu said.

Mengyao shook her head. Yushu was pretty evil.

Lin Yi didn't enter the waters but sat on the beach quietly as he watched the people playing in there, taking care of them.

"Lin Yi honey, you can come play now, right? You lied to me saying you didn't know how to swim, but Shu said you saved her before!" Xiaoxiao said as she looked at Lin Yi, not too pleased that he lied. That time they were at the beach with Zhong Pinliang; Lin Yi used that exact excuse even though she wanted him to play with her. Now that she was closer to Yushu, she started learning more about Lin Yi.

"I'm not going- you guys have fun." Lin Yi shook his head.

But Xiaoxiao wouldn't let it go that easily. With her as the vanguard, she started splashing water onto Lin Yi, while Yushu joined it very quickly. Tang Yun chipped in after some hesitation as well.

The Miss was feeling troubled- with her personality, she would never join in with Shu like this, but even Tang Yun was doing it, so she'd look like she didn't want to be included if she didn't.

And so she started splashing at Lin Yi as well- though Lin Yi didn't mind. He smiled slightly. "It's pretty hot on the beach anyway, that's a nice little shower."

"Sisters, what do you say we drag Lin Yi into the sea?" Yushu said as she riled up the group.

"Alright!" Xiaoxiao was the first to agree.

Tang Yun as well- it was the first time she came to the beach to play. After all, she had to play her heart out! And so, she went out of the water to drag him down.

Lin Yi didn't think that Tang Yun would be able to follow Yushu's craziness like that- it took him by surprise. But well, he let them drag him down anyway.

On the other side, Jianwen and Taizao spent their time struggling to pull this abalone out, suffering as he listened to the laughter on the other side. "Why's this abalone so hard to pull out? Is it growing from the rock?"

"Who knows, An Bro? I'm already using all my strength, but it's not moving!" Taizao smiled bitterly.

"There isn't something up with this abalone, right? Chen Yushu is always messing with people. Maybe we should change targets?"

Jianwen thought that made sense- the girl always messed with people, so who knew if this abalone was one that could be pulled out! They went to the other one, but it was the same, it wouldn't budge from the rock!

"Maybe all the abalones... have something wrong with them?" Jianwen frowned.

"No way, right? These are all wild abalones. She couldn't have to do anything?" Taizao was confused.

"Fine, whatever- she wants to eat abalone. We'll call Yang Ganglou and get him to buy some. She said it herself yesterday. The seafood doesn't need to come freshly fished!" Jianwen said.

"That's true!" Taizao and Jianwen got onto the shore and gave up, calling Ganglou instead at the tent, asking him to buy abalones as well as some shark meat.

"Shu, An Jianwen seems to have given up on getting abalone!" Xiaoxiao said as she looked at the shore.

"Let's mess with him again?" Yushu blinked as she started plotting.

"Sure! How?" Xiaoxiao said without thinking.

"Heh, well..." Yushu and Xiaoxiao started their plans.

And a while later, they walked up at him.

"Jianwen Bro, come here, I'll tell you a secret..." Yushu said to Jianwen.

"Oh? What secret?" Jianwen didn't dare be too slow- he felt that this secret wouldn't be something good in the first place, but he came over anyway.

"Lean your ear in!" Yushu signaled for him to crouch down- she wasn't as tall as he was, and naturally couldn't reach his ear.

“What is it?” Jianwen crouched down.

Yushu leaned into his ear and suddenly screamed. “WAAAAAAAAAAH!!”

Jianwen jumped up into the sky from that scream, his eardrums throbbing- he was almost deafened by Yushu’s piercing scream! Jianwen was instantly pissed- Yushu went over the line. Messing with him was one thing, but what was she trying to do here?

“I say, Lil sis Shu- you’re not a kid anymore, why do you still play these pranks? This is a kindergarten level joke, and you almost made me deaf!” Jianwen barked as he held his ears.

Chapter 1159: Why Didn’t You Say So Earlier?

“No, Jianwen Bro, I really wanted to tell you a secret...” Yushu said, as if feeling wronged.

“Really? What is it then?” Jansen frowned.

“An Bro, something’s wrong!” Taizao came running over, panting.

“Wait for a second- Lil sis Shu’s telling me a secret. I’ll help you later.” Jianwen said with a wave of his hand to Taizao.

“Jianwen Bro, actually, Xiaoxiao was planning to put a crab in your pants...” Yushu said.

“Then just tell me- why did you scream? You wanted to make me deaf or something?” Jianwen looked at her helplessly.

“No, it’s because Xiaoxiao already put it in your pants. That’s why I screamed!” Yushu said shyly.

“Wha?!” Jianwen jumped up, holding his two hands to guard his crotch as cold sweat dripped down. “It pinched my balls, gaaah!!”

“Oh, Jianwen Bro, I told you the secret, so bye-bye! Enjoy your ball pain!” Yushu said and turned around.

Jansen held his crotch as he jumped around the sand, but couldn’t just take his pants off in public- he rushed back inside his tent.

He took it off instantly, and a small crab was pinching onto his balls.

“Taizao, hurry! I don’t have the strength!” Jianwen said helplessly.

“Little crab, come down... It’s not fun there...” Taizao lowered his head as he looked at the crab.

“You think you’re a crab? He wouldn’t understand you, you idiot! Help get him off!!” Jianwen was furious- this guy was actually talking to the damn crab!

Taizao didn’t dare waste more time- he carefully grabbed the crab, pulling it- this drew tears from Jianwen’s eyes.” My balls! My balls are being ripped off!”

“But... It’s not letting go!” Taizao didn’t know what to do- should he stop or continue?

“Cant’ you be more careful? Pull out his pincers first?” Jianwen said.

"I... I'll try then..." Taizao nodded carefully.

And so, a loud howl came out from the tent- marking the origin of the Man with Ball Pains.

Yushu and Xiaoxiao, on the other hand, walked back to the group as if nothing happened.

"What's with An Jianwen? Is he injured? Mengyao didn't know what was up with him. The guy was screaming really loudly after all.

"His balls hurt," Yushu said.

"Balls... Balls hurt?" Mengyao blushed- saying the ball hurt was a popular Chinese way to express a troubling situation, but only males used it most of the time! Girls didn't have balls, and Mengyao wouldn't be saying that kind of thing as well.

Mengyao was a little troubled- why was Jianwen having ball pains all of a sudden?

"His ball got pinched by a crab!" Xiaoxiao explained.

"Huh?" Mengyao blinked- she didn't understand how that would feel, but it wouldn't be good. "Why's he so unlucky, getting... that, by that..."

"I planted the crab," Xiaoxiao said.

"Ah?!" Mengyao felt a headache coming- so it was Xiaoxiao? Looking at that face Yushu was wearing, these two were probably teaming up again- Jianwen sure was unfortunate to meet these two demon kings.

"He wouldn't get hurt, right?" Mengyao asked, worried.

"Nope, it's just a small crab- the worst would be a small cut or something," Yushu said.

Jianwen, on the other hand, finally managed to get the crab off of him- but his ball was also torn.

"Fuck, you damn crab, I'll stomp you to death!" Jianwen sent a foot at it once he got it off.

But the crab was on the sand, so the crab just got pushed inside- it popped back out to pinch onto his toe.

"Ahhhh!" He screamed.

Half an hour later, Jianwen limped out with one hand on his ball, both of which were bandaged. He was in pain. "Right, you said something was wrong earlier- what is it?"

Jianwen only remembered that Taizao had something important he wanted to report, but he was interrupted by Yushu.

"Well, An Bro, I wanted to tell you that Xiaoxiao threw a crab into your pants, but there's no need to say it now.." Taizao said bitterly.

"What?!" Jianwen almost jumped up from the ground. "You're saying you saw Feng Xiaoxiao throw this in, and you didn't tell me?"

Jianwen remembered clearly that the crab hadn't pinched on him when Taizao was calling him. He could've prevented this!

His face changed into a monstrous expression.

"But you told me to wait, to wait until Lil sis Shu told you the secret..." Taizao said weakly.

"Wha??" Jianwen blinked but remembering that it was indeed him who told him to wait. He supposed that he had no choice- he brought it on himself...

Jianwen looked at Xiaoxiao and Yushu with a trace of rage, but they were friends of Mengyao, so he couldn't do anything here. Even if he did cause a scene, they'd just say they were playing around. He couldn't do anything.

And so, he endured the pain and acted as if nothing was wrong, walking to the seashore casually.

Yushu was feeling a bit confused that Jianwen was walking normally after just jumping around in pain- but one look at that struggling face and she knew he was acting.

Chapter 1160: You're A Brave Man

"Jianwen Bro, how are you? Where's the crab?" Yushu's words stabbed into Jianwen right from the get-go!

One shouldn't hit someone in the face like that, but Jianwen took it and endured despite his rage. He didn't want Mengyao to look down on him, and so he put on a composed face as if it wasn't much. "It was just a small crab. What could it do to me?"

"Wow, Jianwen Bro, seems like you're powerful? Your egg is fine??" Yushu's eyes were full of admiration.

"Of course, it's fine. I've trained before. After that time a crab pinched me when I was a kid, I've started training. A crab can't do anything to me at this point!" Jianwen said proudly. "The same move wouldn't work on me!"

"Oh, so you've got iron balls, Jianwen Bro! The girl who marries you will have an amazing sex life!" Yushu said enviously.

"Haha, you can't say that. Although I think it'd be more amazing than average!" Jianwen thought that Yushu was quite cute sometimes- knowing how to praise him in front of Mengyao. It seemed like getting pinched wasn't a full loss.

"Jianwen Bro is a strong and brave man, as expected!" Yushu exclaimed.

"Naturally- Yao Yao sis likes strong and brave men, so that's where I'm headed!" Jianwen nodded.

"Oh, since you're fine, then come catch the shark for us. We're still waiting to eat it!" Yushu said.

"Wha?!" Jianwen realized at that point that he'd fallen for it. Yushu was trying to get him to admit he was strong and brave, and now he can't say no!

“Fighting a shark is a very dangerous thing. I don’t want to interrupt your playtime in the waters with violence! I shouldn’t.” Jianwen had a plan already. “I’ve bought some shark meat and abalone through Ganglou just now. He’ll bring it here later. We don’t need to hunt anymore!”

“Oh, that’s different. The sharks in the market are dead and frozen. They’re not fresh anymore! Yao Yao wants to eat fresh shark!” Yushu said. “Plus, what Yao Yao likes is the process of that brave fight between a warrior and shark, eating it is just secondary! It’s just to enjoy your fruits of the battle! Yao Yao might not even want to eat a shark someone else killed!”

“I see!” Yushu’s words made his blood rush up to his brain, but he still had a mind. He wouldn’t be able to fill the shark’s belly with his body size, let alone fight it!

But to not lose face in front of Mengyao, he hesitated. “I would like to do that as well, but it’s been so long since my last shark fight. My body isn’t at its best anymore! You know how it is. A brave man like me will feel uncomfortable after not doing brave things for a while. This shark thing- it’s shallow water, so they wouldn’t usually come. It depends on luck!”

Jianwen made it clear. He wanted to fight a shark, but there was no shark here!

Jianwen was right. Sharks didn’t come to shallow waters like this.

“Then let’s test it out- hurry and cut your finger to attract the shark!” Yushu said.

There were sharks around here. They all saw it with Zhong Pinliang’s school trip. Yushu felt that Jianwen would be ‘lucky’ and attract one.

“Sure...” Jianwen thought that just these few drops of blood in the water would disappear very quickly- sharks might not catch on to it. “Taizao, cut your finger to get the shark!”

“Ah? Why’s it me?” Taizao pointed at him, feeling troubled.

“What, you want me to do it?” Jianwen glared. “Hurry up, don’t delay my fight with the shark.”

“Alright...” Taizao gritted his teeth and cut his finger.

But Jianwen had made a miscalculation- he didn’t know about sharks at all. Otherwise, he wouldn’t have said that stuff about breaking a shark’s teeth!

If you were to drop blood into the sea, sharks in a quarter of a mile would be able to smell it.

They were especially sensitive to smells in the water, especially so when it came to fresh blood. They’d be able to catch a whiff of that blood from far away- their senses in this aspect were stronger than even a dog’s.

They were able to smell blood with 1ppm density (one out of one million). This meant that it could identify one drop of blood within one million drops of seawater!

A one-meter long shark had nose nerves that stretched over 4842 centimeters- a five to seven-meter shark- would be able to smell even blood coming from kilometers away!

Taizao wasn’t letting down just one drop of blood- it was multiple drops already, and sharks would be swarming over if they were close!

“Yao Yao, Shu, Yun Yun, Xiaoxiao, let’s go onshore. What if a shark comes out?” Lin Yi knew about all this, and he knew that Taizao very well may be attracting a shark. He wanted them to be onshore first.

Otherwise, he wouldn’t be able to protect all four at once when it came!

The Miss only nodded as she recognized the solemnity in Lin Yi’s voice. “Alright, Shu, let’s go rest in the sun first.”

Tang Yun and Xiaoxiao listened to Lin Yi. He must have a reason to ask them to go up.

“That’s true- with something as scary as a shark, only a true warrior can fight it!” Jianwen was a bit confused about Lin Yi’s cowardly behavior, but the more cowardly he seemed, the happier Jianwen was- for it made him look braver!

Lin Yi only smiled slightly, not saying anything else. The guy could act like an idiot all he wanted. He’ll know what genuine fear was once a shark came.

“Yeah! We’re not strong enough to be fighting sharks at all!” Yushu didn’t know what Lin Yi meant, but she felt that there was a reason for it, and so she cooperated.
