

Bodyguard 1261

Chapter 1261: That's the Pretty Boy!

This area was all considered the North District, and Scar Bear was put up in charge by Guang Bro. They hadn't even established their dominion, and Scar Bear was done for! It'd be a complete miracle if Guang Bro didn't come for revenge! Ziyu didn't want to be controlled by Lin Yi, but she didn't want anything to happen to her men, either. A great idea popped into her head.

Nan Feilong was clearly unreliable, and in order to continue living in Fushan High, she needed to get rid of this big enemy Guang Bro! Fushan was still a school, after all, and school gangs aren't on the same level as actual gangs!

"I can go with you, but the trouble you caused isn't over yet! Those people are going back to get back up, and when Guang Bro comes, I can't leave my men here to die! If you can deal with Guang Bro, I'll go with you!" Ziyu said as she got out of Lin Yi's grasp.

"Ah? What Guang Bro? But fine, I'll wait here." Lin Yi didn't think much about Guang Bro at all- even Zhao Qibing and Li Cihua were nothing to him, what the hell was some Guang Bro going to do to him?

"You may be special ops, but let me tell you, even if you're really good at fighting, you can't beat a whole gang! They have guns!" Ziyu reminded Lin Yi out of kindness. This guy was irritating and butting into her stuff, but she didn't want him to die just like that!

"Don't you worry about that," Lin Yi said flatly.

Just then, a group of people with black jackets walked over, all of them young men coming from the other side of the school field.

Ziyu's face darkened. Nan Feilong, this two-face! He came when Scar Bear left!

"Ying Ziyu, this is unexpected. You got yourself back up?" Feilong spoke before getting close. His information flow was quite smooth, already knowing that Lin Yi had taken care of Scar Bear.

"Nan Feilong, I can't find other help after you abandoned us?" Ziyu puffed up her chest. This was the first time she thought that Lin Yi's appearance was a good thing. She'd be able to fight against Feilong.

"Damn, bitch, it looks like you've seduced a man already!" Feilong's face contorted in violence as he looked at Lin Yi. "Pretty boy, it's over for you- you beat up Scar Bear, and Guang Bro's coming over right now! You're dead!"

"Ying Ziyu, who's this idiot?" Lin Yi had heard her call him Nan Feilong, but he still asked, evidently unfazed. "Wearing jackets in summer? Isn't he going to get a rash?"

"Pfft-!" Ziyu almost laughed out loud- although, Lin Yi's words were true, Feilong was trying to look cool, wearing a jacket around school!

She didn't think much of it before, but after his betrayal, Ziyu felt that this guy was always trying to look cool like he was in some drama!

“Fuck!”

“Ziyu sis, it’s Long Bro!” A lackey of Ziyu’s said.

“No need to get so pleased, pretty boy. Guang Bro’s coming right now. You’re dead!” Feilong hmped, not wanting to talk more with Lin Yi. He had heard of how strong he was, and he knew he couldn’t take him on. He chose the route of patience instead since Lin Yi was a dead man anyway.

“I was planning to wait for him anyway.” Lin Yi said as he looked at Feilong. This idiot was already on his list. He liked Ziyu, right? Good, he’ll let him be a eunuch. He wasn’t a good person anyway.

Feilong’s lips twisted into a mocking smile. Lin Yi didn’t even know what he was dealing with! Guang Bro was someone with a gun. Even if he was strong, he couldn’t do anything to guns!

“Lin Yi honey, that guy’s so annoying! His face is obviously a bad guy’s face! Can you off him?” Xiaoxiao pointed at him.

“Oh, I’ll tell that Guang Bro to off him later.” Lin Yi nodded.

Ziyu’s lips twitched. This girl with Lin Yi sure was cold-blooded? Giving the kill command just like that? Was she special ops too?

Feilong didn’t mind at all. It was completely impossible for Lin Yi to do anything big in front of Guang Bro! One should know that Guang Bro was the boss of the north district, a big name in Songshan!

A middle-sized bus burst into Fushan High, and a joyful look appeared on Feilong’s face.

The bus parked in front of the school and more than thirty young men jumped up, clearly more experienced and mature than the people Scar Bear had with him. These were proper gangsters, the strong ones of Guang Bro’s group. He’d brought out his best!

“What’s going on here? Who’s the one who beat up Scar Bear? Fucking around in my territory, you want to die?!” A blonde-haired young man said as he walked to the school gate with a bunch of men behind him.

Feilong looked extremely pleased when he saw Guang Bro- he quickly ran up to him. He already had some plans in mind. Scar Bear was going to the hospital for at least a year or two, and a new leader was needed in Fushan’s area!

And so, this was his chance! He might very well become the next boss of Fushan! After all, he was the biggest faction here!

And so he quickly ran over to kiss Guang Bro’s ass!

“Guang Bro! That’s the pretty boy who did it. Ying Ziyu brought him as backup!” Feilong was a cunning man, labeling the two as allies right away- now, Ziyu was no longer a candidate for the boss of the Fushan area! She was soon to be his plaything!

He gave her to Scar Bear earlier because Feilong had no choice, but now Scar Bear was done for, and it was his chance to climb up! Feilong knew how this girl was, after all. She may be a gangster and all, but she was really reserved. She was probably still a virgin!

Chapter 1262: Help Me Monitor Her

“Wha?!” Guang Bro looked at the person beside Ying Ziyu- he froze right ni place.

Lin Yi? Why was it Lin Yi??!

He wanted to die! He wanted to die so much! He would rather die than come here if he had known it was Lin Yi!

He could give this entire north district away, let alone just the Fushan area!

Guang Bro, naturally, was Zou Ruoming’s brother, Zou Ruoguang! And his face looked ashen!

He knew very clearly what happened to Zhen Yingjun, as well as Ma Zhu. All of them got destroyed into shit by God, Lin Yi! And God Lin Yi was still living his days peacefully as if nothing had happened!

Even though Ma Zhu’s mentor was coming down from the mountain, Ruoguang still didn’t think that there was any hope. This was God, Lin Yi! He’d beat that mentor into a pulp!

“You goddamn piece of sh*t!!” Ruoguang was intensely pissed! He sent a slap across Feilong’s face!

The slap cracked a loud sound into the sky, and Feilong froze along with his men, as well as most of Ruoguang’s men! Only a small part had seen Lin Yi before, his closest followers... And they knew what kind of a monster he was. Of course, their boss would slap Feilong!

“I... Guang Bro...” Feilong was in a blur- he didn’t know what was going on as he held his cheek. “Guang Bro, it wasn’t me, it was that pretty face, he’s the one that beat up Scar Bear, not me! You’ve got the wrong guy!”

“And good thing he did! An amazing thing, very amazing indeed!” Ruoguang jumped up. “You’re the one I slapped, I’ve got the right guy!”

All of Ziyu’s followers were speechless as well. What was going on with this Guang Bro, why did he slap Feilong right from the get-go? Had he lost his mind? Although, no matter what, they were all pleased to see Feilong get slapped.

“Ah?!” Feilong was even more confused. Didn’t he get the wrong guy? Then why??

“Beat this kid up! Beat him near to death!” Ruoguang pointed at Feilong and ordered his men. This Feilong must be Lin Yi’s enemy for sure. He needed to beat him down for God, Lin Yi!

“Yes!” Ruoguang’s men didn’t know what was going on, but the boss had issued the command. Who cared who he was, they just had to beat him up!

And so, they beat him up. Feilong cried and screamed as he got surrounded.

These men of Ruoguang’s were veteran fighters, too, so they knew how to avoid the vitals but still cause plenty of pain!

Guang Bro said to beat him near to death, not to beat him to death! And so they didn't go on the vitals.

"You come here!" Lin Yi waved for Ruoguang to come over.

Ruoguang jumped, his heart beating fast and his face in pain. But he couldn't say no to God Lin Yi, could he? And so he carefully walked to him.

"God, Lin Yi, you've come! I'm sorry. There's still some troublemakers irritating you in the North District. It's my fault for not managing them properly! I'm sorry!" Ruoguang's entire body posture was very low. He didn't dare stand too straight!

Ruoguang was very much aware of the type of person Lin Yi was. He didn't even need to kill you if he really wanted to mess with you- he'd make it so that you wished he'd killed you!

Ziyu's eyes were as wide as they've ever been- why was the big boss of the North District talking like this to Lin Yi? Did Lin Yi beat him up before?

"Cut the bullshit!" Lin Yi frowned. "No need to explain, I'm not pressing charges or anything! Since you're here, I've got something you can do for me!"

"God, Lin Yi, do tell! I'll do it to the best of my ability. It's a guarantee!" Ruoming patted his chest right away now that Lin Yi needed him to do something. This was a great chance to repair his relationship with him. If he didn't take the chance, he'd be an idiot!

"That Nan Feilong or whatever, just cripple him a bit. There's no need to kill him." Lin Yi pointed towards the group that's beating the guy up.

Ruoming was just a gangster, and killing people in daylight would bring trouble. Lin Yi didn't want to send him to jail or anything.

"Yes!" Ruoguang nodded quickly, turning to his men. "Hear that? God Lin Yi commands you to cripple that Nan Feilong! Get his crotch!"

The followers responded, and what followed was a shrieking by Feilong...

Ziyu's mouth was twitching again- Lin Yi had no mercy at all. But why was he able to command Zou Ruoguang?

"God, Lin Yi, is there anything else I can do for you?" Ruoguang was confused- crippling Feilong was something Lin Yi could do himself, just like what he did to Scar Bear!

"Yes, another thing!" Lin Yi grabbed Ziyu by the collar again, bringing her in front of him. "Do you know her?"

"I do, Ying Ziyu, Fushan High, the third faction's boss!" Ruoguang didn't know what Lin Yi wanted, but he seemed to be quite close with this Ying Ziyu, and so he kept his tone neutral with the introduction.

He did know her- he even wanted to get her on his bed! But he thought that there must've been plenty of people who'd bedded her already, judging by how much of a gangster she was. He lost interest.

"Right, that's good- she's my little sister from now on, I want her to study well! You monitor her, and if she comes out causing gang trouble again, call me right away!" Lin Yi commanded.

“No problem!” Ruoguang was very relieved indeed- fortunately, he never even touched the girl, or he’d be a eunuch already! He wiped some sweat away, ignoring that insane glare Ziyu was throwing at him. “No problem, leave it to me! My information network is the best here in this North District, so don’t you worry, God Lin Yi, I’ll make sure she’s studying every day! Otherwise, I’ll be responsible for it!”

Ruoguang was pleased indeed- this was a big piece of great news. He was honored enough to do errands for Lin Yi! He was just fretting about how he was going to get closer to Lin Yi, and now it was here! He could wear Lin Yi’s name around his neck like a dog now, and Lin Yi wouldn’t do anything bad to him anymore!

And now House Zou was safe! He really wanted to tell his old man Zou Tiandi this great news. The man was always worrying day after day, traumatized, and wondering when Lin Yi would suddenly appear and destroy House Zou!

Chapter 1263: Can’t Resist

“You’re the boss of the North District, so why’re you acting like some dog?!” Ziyu looked at that disgusting look on Ruoguang’s face. She even admired him quite a bit, seeing how he’d become the boss of the entire north district at such a young age, but the guy wasn’t powerful at all, he was a damned ass kisser!

She was even more pissed when she heard that he now had the role of supervising her! She couldn’t help but bark at him! Lin Yi was here anyway, so Ruoguang wouldn’t do anything to her.

If she were to have said something like that before, she’d be screwed- but now Ruoguang didn’t mind at all! He turned to her with a smile. “Miss Ziyu, please don’t blame me. I’m just a little small fry, so it’s difficult for me! You’re the esteemed sister of God Lin Yi, but I still have to listen to God Lin Yi’s command, right? Otherwise, I’d be in trouble...”

Ziyu felt so disgusted when she saw that behavior. This person was hopeless.

“Do what you want! You’re a bully!” Ziyu grabbed Lin Yi’s arm and bit at it.

Lin Yi didn’t expect this and wasn’t defending himself. He naturally swung his arm away and was thrown three feet away with a solid landing on the ground.

Having failed at the bite, she was even more frustrated.

“You wanna get beat up?” Lin Yi looked at her. “Don’t get any funny ideas. We’re dying your hair right now!”

Ziyu’s lackeys also saw what the situation was. Fushan’s game of thrones was now altered completely! Feilong had been crippled, and would probably disappear in Fushan. Ziyu was also pulled forcibly to study by a ‘brother’ that came out of nowhere! The point was, this brother was extremely strong. Not only that, he even had the big boss of the North District Zou Ruoguang nodding his head and bowing to him!

So now all the power belonged to the second strongest faction! The second boss got all the benefits!

But these lackeys knew that they couldn't follow Ziyu anymore- even if they wanted to, Lin Yi wouldn't let them! He'd mess them up!

Bringing Ziyu away, Lin Yi gave Ruoguang a nod and left with Xiaoxiao.

Ruoguang, on the other hand, was full of respect as he bowed and sent him off. "God, Lin Yi, be safe!"

"Stop kissing my ass and remember what I said!" Lin Yi reminded flatly. "But, if someone bullies her, you're responsible!"

"That won't happen!" Ruoguang quickly said. "Miss Ziyu is the sister of God Lin Yi, that means she's our big Miss! Big Miss Ziyu, this old servant will protect you!"

"Pft-!" Ziyu almost burst out in laughter!

But a sense of fulfillment and success filled her head!

Before, she had a dream of going into the dark parts of society and conquering all the bosses- only now did she know that it was just a dream. Women can't go far at all as a gang boss!

But today she received the pleasure of being in that conqueror's position! Looking at how that Ruoguang was bowing to Lin Yi, she realized that her wish had come true in a different way!

She wondered when the boss of Songshan Li Cihua would come bowing to her?

"What're you so pleased about? Another stupid idea? Remember, you better study hard starting tomorrow! I'll send someone to test you in every now and then, and if you fail, I'll spank you a hundred times!" Lin Yi threatened with a glare.

For Ziyu, Lin Yi wasn't holding back at all. She was a kid in his eyes, and he really did treat her like a sister now.

"It's- it's nothing!" Ziyu prodded testingly. "Then, if I go follow Li Cihua, you wouldn't be able to control me, right?"

"You can go try it. If he dares take you in, I'll burn his entire Floating Cloud bar!" Lin Yi frowned, speaking flatly.

"Oh..." Ziyu wasn't disappointed at all. She was actually a little excited! Lin Yi wasn't afraid of Cihua either? It seemed like her brother's captain was really powerful! She had a bright future ahead if she followed him!

But he didn't seem like a gangster at all? And that Zou Ruoguang kept calling him God, Lin Yi. What the hell was with that title?

"Did my brother really ask you to come to take care of me?" Ziyu said, accepting her fate and stopping her resistance after getting in the taxi.

Lin Yi nodded, his mood heavier at the thought of Armadillo.

"My brother... Where is he now? Why isn't he coming back?" Ziyu asked.

“He’s doing a special mission- he won’t be back for a long time! Your brother told me that your exams are coming up, and he wanted me to come to make sure you study!” Lin Yi said.

“Oh... I haven’t seen my brother in a long time...” Ziyu sighed. “You think someone like me can really get into high school?”

“If you study starting tomorrow!” Lin Yi said flatly.

“I’ll be successful too if I go the gang route, no?” Ziyu asked carefully.

“Like hell. Did you see that Zou Ruoguang? I can kill him as if he were an ant!” Lin Yi sighed. With Ziyu’s age, she was at a really rebellious—the most extreme phase. This sort of kid was the most prone to thrill and violence!

In their eyes, the boss of gangs are the biggest powerful figures, and Ziyu probably thought that too! He needed to tell her that this was a wrong perspective, that people like Ruoguang had no future, and even Cihua had no future!

“Then what do you do?” Ziyu asked.

“I used to be your brother’s colleague. Now I’m a student.” Lin Yi didn’t hide anything, she’ know anyway.

“Student?” Ziyu blinked, confused. “You’re a student?”

“Yes, Songshan’s First School. I came back to study.” Lin Yi said. “Why do you have so many questions? Fix your own life first!”

Ziyu pouted, still resistant to Lin Yi’s violent style of education, but she couldn’t do anything!

What did she have against him? The person she thought was extremely powerful was licking his boots, and there was no way Ziyu could fight Lin Yi! Lin Yi didn’t even mind being so mean to a girl. He was completely treating her like a kid. This was the point! She had no way to approach resistance!

Even using her, beauty wouldn’t work! She’d probably get spanked if she tried any of that on him!

Chapter 1264: Encountering Li Cihua

“There’s a barbershop right in front- driver, stop there, please.” Lin Yi pointed at a shop some distance away before turning to Ziyu. “We’re here- time to get your hair dyed.”

“I don’t want to. This place is too low-end...” Ziyu shook her head.

“Low-end? We’re just dying hair, why does it matter if it’s high end or low end?” Lin Yi frowned, not happy at the luxury Ziyu used in her life. But thinking of Armadillo’s income, Ziyu shouldn’t have any money problems.

“Low-end dyes could cause cancer!” Ziyu pouted sulkily.

“Is that so?” Lin Yi turned to Xiaoxiao.

“Yeah, that’s true. But it should be fine if it’s just once or twice.” Xiaoxiao nodded.

“If there really might be problems, then fine. We’ll go to a high end one.” Lin Yi decided. “Mister, let’s go to a high-end saloon then.”

“Alright.” The driver nodded. People like him knew all about the locations in Songshan, be it KTV’s or saloons.

Soon, they arrived at a beauty salon, very high end judging from just the amount of high-level cars there.

It wasn’t common for people to come out from taxis here, so the security paused a little when they saw Lin Yi and his company come out.

But the security here had class and had been strictly trained. They wouldn’t discriminate, and still maintained a respectful tone as they let Lin Yi in.

“Sir, will you be getting a haircut?” A staff member came forward with a smile.

“Yeah, she’s getting her hair dyed.” Lin Yi moved Ziyu in front of the waiter. “Make it black!”

“You see, sir, do you have an appointment?” The staff asked carefully, thinking that this girl probably dyed her hair behind her family’s back and got caught.

“No. Did we need an appointment?” Lin Yi blinked.

“If you don’t have an appointment, you’ll have to wait in line- there are still some customers in front of you.” The staff member said.

“I see.” Lin Yi nodded and raised his head, sizing the place up.

What he didn’t expect was that this was part of Pengzhan Industries’ business as well! There was the company logo in the middle of the saloon’s lobby. It seemed like Pengzhan Industries sure had a lot of businesses, no wonder so many people coveted it.

But since it was Pengzhan Industries’ business, there was no reason to hold back. Putting aside the fact that he was actually a big shareholder of the company, even by Lin Yi and Pengzhan’s relationship, along with his relationship to the Miss- there was no reason to hold back at all.

He took out a diamond membership card. “I have a member card.”

The staff member took the card, and his heart jumped when he saw the level of the card- why didn’t he take this out sooner if he had a card like this? Was it his first time here?

“Sir, you’re a diamond VIP, there’s no need to queue, you may enter the upper floor’s VIP section.” The staff member maintained his respectful face. “But there is already a customer in the diamond VIP room, is a normal VIP room fine?”

Pengzhan Industries gave a very small number of diamond cards, and those were always some big names with connections to the company. As a company under Pengzhan Industries, preparing one diamond room was enough already. How many diamond VIP's would you meet anyway?

But today was an unexpected incident- a VIP had arrived to test some hairstyles out, so Lin Yi could only use a normal VIP room right now. They couldn't just kick out the diamond VIP, right? His status was very high, too...

"Alright, sure." Lin Yi didn't mind at all- he just didn't want to wait and get Ziyu's hair done and over with.

The VIP room and the diamond VIP room were both on the uppermost floors. The diamond VIP room is a room by itself, while the VIP room is a very big room. The two had similar service by the staff, but just with different environments.

Ziyu was saying she wanted to go to a better saloon, but she actually never went somewhere so high class before. She always went to mid-end ones. This was the first time here, and she was admiring just how luxurious everything felt.

But, just as she was looking around, she saw someone she absolutely admired and respected!

Li Cihua was sitting in the corner of a VIP room, likely waiting for someone or doing something here.

Ziyu saw him, and Lin Yi saw him.

Li Cihua being here was no mystery to Lin Yi. Cihua was a big boss of the gangster world in Songshan, and having a diamond VIP card was reasonable. With his connections to Zhao Qibing now, of course, he'd be able to come to Pengzhan Industries' businesses. Who'd dare say anything to him? He probably had something to do here.

Lin Yi had guessed it- Cihua came here on an errand! Xu Shihan was here testing out hairstyles, and Qibing really wanted her, thus sending Cihua to trail her, seeing if she was planning to come back to cure her sickness.

And so Cihua had to come and tail her.

"Oh, isn't this Cihua Bro" Lin Yi turned around, a mocking smile on his face. "When are you going to pay up the money you owe me."

"!!" Cihua cleared his throat, his face instantly pale. He really had nothing to do against this die. He couldn't piss him off. He couldn't yell at him... House Yu was an example that nobody wanted to follow!

"See? If you don't study, you'll be like this idiot Cihua, owing money all around. See how sad his life is now. He needs to squat at some corner even in the VIP room!" Lin Yi pointed at Cihua and explained it to Ziyu.

"Ha?" Ziyu didn't think that what Lin Yi said earlier was all real- this Li Cihua was like a punching bag in front of Lin Yi, just smiling bitterly even with when Lin Yi was edging him like this!

His image! His image of power and status, it all crumbled! Why was this Li Cihua such a coward? Did no one have courage anymore?!

“Why are you here?” Since Lin Yi was here, he needed to address this. This was his and the Miss’ business, after all, and he couldn’t just let Cihua move around here suspiciously like this.

Chapter 1265: Finally Look Like A Student

“I-I’m waiting for someone!” Cihua froze instantly when he saw this guy put his hand into his pocket again. Was he going to do some needle trick again? He didn’t want to become like his brother, the guy had a bunch of holes in him, and even someone as powerful as Yao Wang became a living antenna! He didn’t dare cause trouble in front of Lin Yi!

“Waiting? For who?” Lin Yi asked.

“The person inside the diamond VIP room...” Cihua was troubled, but he couldn’t do anything but answer truthfully.

“Oh, then keep waiting then.” Since he was just waiting for someone, Lin Yi lost interest. As long as he wasn’t here to cause trouble.

He let him go and looked for a staff member, telling him that Ziyu wanted to dye her hair back to black.

And they did just that, applying the dye on Ziyu’s unwilling head.

“Miss, with your skin, it’s actually really suited for a yellow color- making it black would make you stand out less. I suggest a blue-black combination. It’d look good under the sun.” The hairdresser said to Ziyu.

“What I want doesn’t count... That guardian won’t let me..” Ziyu was troubled and didn’t want to call Lin Yi brother, settling for “guardian: for now.

The hairdresser was amused by her words, but shook his head and continued dying.

“This sister of yours is pretty cute!” Xiaoxiao said as she sat beside Lin Yi, who sat some distance away from Cihua.

Cihua sat there as if he was sitting on spikes- he felt so uncomfortable!

He decided to go down and wait for Shihan in the car. Just being in the same room as Lin Yi reminded him of what happened to his brother and Yao Wang. It was too risky.

“She’s alright, just a kid. Didn’t think a great anti-example like Li Cihua would be here waiting for me for a free lecture to Ziyu.” Lin Yi smiled.

“Wasn’t I the same as her?” Xiaoxiao said, remembering her old self.

“Your situation was different. There’s a problem with your body, which resulted in the development of extreme behavior. But she just leans toward and admires those violent type of stuff. After she sees that stuff for what they really are, she’d change.” Lin Yi said.

“Hope so... Then do you think she’ll get into high school/” Xiaoxiao asked?

“That’s fine if she doesn’t, as long as she tried. I’ll still get her to go to Songshan when the time comes.” Lin Yi smiled. “I’m just giving her some pressure.”

“Pressure’s good. You only improve when there’s pressure.” Xiaoxiao nodded. “Your pressure’s pretty big right now, right?”

“Oh? How so?” Lin Yi blinked.

“Because you’re trying to find a way to cure me. Actually, you don’t have to feel pressured at all, life and death is just a part of life- I don’t want to leave you, but I’ve thought things through. It’s fine. I’m already really happy.” Xiaoxiao said.

“Ah... No need to think that much, there’ll be a solution.” Lin Yi didn’t dwell long on the topic. Firstly because he didn’t want her to be sad, and secondly because he didn’t have a plan yet.

Ziyu had just finished, and while it wasn’t obvious that her hair was black now, washing it a few more times would turn it into a true black color.

“You happy now?” Ziyu looked at the mirror, displeased at that innocent look she now has. Her hairstyle had been tidied up, too, and now she had that youthful student’s look of shoulder-length hair. It didn’t match her tights at all!

“You finally look a bit like a student, at least. Let’s go shopping for clothes then!” Lin Yi grabbed her and started walking.

“Stop grabbing me. I can walk on my own!” Ziyu felt embarrassed at being led around like a chick- this person really was treating her like a kid! She was sixteen already!

Cihua hadn’t left, yet when Lin Yi came down, his car still parked in the parking lot. Lin Yi ignored him and brought Ziyu in a taxi to a clothes shop. They didn’t go anywhere expensive but went around some stores to get some normal outfits for a student. He asked Xiaoxiao to directly bring Ziyu to the dressing room and force her to change.

The Ziyu that came out of the dressing room was no longer some gangster girl- she was a cute little sister from next door, her eyes clear and her face clear, much more natural. Plus, her chest wasn’t as big as before.

“That’s more like it.” Lin Yi nodded, pleased. “Now, you look like a student! Push your chest up like that again, and I’ll cut them off!”

Ziyu glared at Lin Yi, her face red. She wanted to bite this bastard to death!

“We’ll go to the bookshop now and get some practice books. You’d better study them thoroughly from start to finish once you get back, I’ll check on you next week. If you get more than five questions wrong, I’ll spank you!” Lin Yi threatened.

“...” Ziyu didn’t know what to say. She didn’t even have any foundations, she never studied properly before, and now Lin Yi wanted her to do these practice books? That’s killing her! But Lin Yi’s violent ways made her completely helpless!

The big figures in her mind like Li Cihua and gangster bosses were nothing in front of Lin Yi, just punching bags- she couldn't throw a tantrum at all. She gave up completely. What awaited her if she defied him was clearly a spanking!

And so, they went to a bookstore- Ziyu, as if being brought there by a parent, was bought a bunch of revision materials, turning her face really sour. But she didn't dare say anything.

By the time the three were back at Fushan, the school's power dynamic was settled. Under Ruoguang's general management, the number two of the school was now the boss of the school, directly under Ruoguang.

Naturally, Hei Bro, being happy and all, was troubled. He had Ruoguang's approval, but there was still a big Miss above her all of a sudden! Ying Ziyu!

He didn't know how she met a 'God Lin Yi' all of a sudden, someone who even made Guang Bro turn into a servant- he even called himself a servant- but it was clear that it was no common man. Pissing him off was the last thing he'd dare to do!

Scar Bear and Nan Feilong had met their end- he knew about that, and he didn't want to become that! He was just a boss in name, but he'd actually become a servant as he waited at the school gates!

But fortunately, other than the fact that he had to be a servant of this big Miss, this school was his! His power here was much stronger than before!

Chapter 1266: Familiar Face in School

Seeing the pretty young girl that came down from the taxi, Hei Bro really couldn't associate her with the Ying Ziyu gangster that she was used to! How was this Ying Ziyu, was Ying Ziyu this cute?

She was pretty, yes- it was the first time he thought that she was really cute!

Cute, but... There seemed to be a young man grabbing her by the collar as she walked over!

But he was no idiot- he remembered what Ruoguang said before. This man was God Lin Yi, for sure!

With that thought, he quickly walked over respectfully. "Big Miss Ziyu, welcome back to school for your studies? This must be God Lin Yi, right? This servant's been waiting for you!"

"You... What?" Lin Yi didn't know where this shit came out from. "Who are you?"

"I'm Little Black, the new boss of Fushan under Guang Bro! Of course, in front of you two, I'm just a small measly servant. Guang Bro had told me that I must monitor Big Miss' studies and protect her, in case anyone tries to bully her. Don't you worry, God, Lin Yi!" Hei Bro patted his chest with a guarantee.

"Ugh... Alright, move aside! Your job is done here!" Lin Yi waved his hand, telling him to go away.

"Yes!" Hei Bro complied.

Lin Yi walked back to school with Ziyu, preparing to look at her classrooms when a familiar voice sounded.

“Lin Yi bro, Xiaoxiao sis! It’s really you guys!” Chen Xi said happily as she ran over. “I thought you looked familiar. It really is you! Why are you guys here, did you come to visit me?”

“Chen Xi? You study here?” Lin Yi was a bit surprised. He didn’t expect that she’d be in a chaotic school like this.

“Yeah...” Chen Xi was just nodding when she saw the face of Ziyu. She covered her mouth as she looked at the Ying Ziyu beside Lin Yi in disbelief. “You’re... You’re Ziyu sis?”

Ziyu had lowered her head when Chen Xi came running over. She didn’t want her to see her like this, but she still recognized her!

“Oh? You know Ying Ziyu?” Lin Yi was curious- these two seemed quite close.

“Yes, Ziyu sis always took care of me in school.” Chen Xi nodded.

She actually wasn’t too close with Ziyu since Chen Xi was the good girl type, while Ziyu was the gangster boss type. The two were in the same class, however, and Ziyu stepped up when Chen Xi was getting harassed by some boys one time, punishing them. She was named her sister from that point on, protected by Ying Ziyu herself! Nobody touched her since!

The blade in Ziyu’s hand was no joke, after all, and no one dared mess with that! Chen Xi was pretty, but Ziyu was pretty too. Nobody wanted to get themselves killed!

“Oh, that’s perfect- from today on, Ying Ziyu’s going to study and work hard. Since you’re classmates with her, Chen Xi, help her out in her studies. I bought her some study materials, so you guys can do them together!” Li Yi knew about Chen Xi’s family situation, and they shouldn’t be able to afford any study materials. Otherwise, she wouldn’t be staying in a horrible school like this.

This was good, too- Chen Xi could help out whenever Ziyu didn’t understand.

“Yeah, okay!” Chen Xi was really happy- she was grateful for Ziyu’s protection, but she also wanted her to be able to study honestly! From what she could see, Ziyu wasn’t stupid or anything- in fact, she was smart! If she could study properly, she wouldn’t have worse grades than her.

“Well, I’ll be in your care then...” Ziyu didn’t bother acting anymore now that she was recognized. Chen Xi was going to know sooner or later anyway, and with her help, she might be able to study faster! Chen Xi was number one in the whole school, after all!

“Xi, how’s your mother?” Xiaoxiao looked at Chen Xi.

“She’s fine- after the medicine Lin Yi bro gave her, she’s getting better!” Chen Xi nodded happily. “I really am too fortunate, meeting Ziyu sis in school and even meeting Lin Yi bro and Xiaoxiao sis outside!”

“Hm. Well, I’ll get some more medicine and go visit your mother at home later.” Lin Yi didn’t need to go to Chen Xi’s house since he already had a full grasp of the sickness. He could give consultation without even seeing her!

But he was curious regarding that Grandpa Zhu- the guy was obviously a Mystic late phase peak, what the hell was he doing with a little girl picking up trash?

Lin Yi followed Ziyu and Chen Xi to their classroom, all of them quite scared and respectful when it came to Lin Yi! They'd all heard about the big news. It was no secret at all.

Ziyu was not a big sis gangster now, but they were even more scared of her now than before! With a brother this powerful, the school was basically her home now! Even Guang Bro and Hei Bro were super respectful to him, let alone normal students.

Seeing Chen Xi being so close to Lin Yi, the people in the class were regretting as well. They didn't dare piss Chen Xi off when Ziyu was protecting her, but they still looked down on her type, studying all day and working hard. Nobody dared to do that now!

"This is your class? Why is it so messed up?" Lin Yi looked at the classroom. There were students outside of uniform, some playing poker and video games, with even a couple kissing and cuddling! A frown appeared on Lin Yi's face.

Just how old were they, doing stuff like that? How was Chen Xi able to study properly in an environment like this?

"All the classes are like this- you get used to it." Chen Xi didn't think much of it.

"It's probably because of a crappy leader, isn't it?" Lin Yi glared at Ying Ziyu. With a big sis like her managing the class, of course, the place would be more chaotic!

Chapter 1267: Pervert Lin Yi

Ziyu spat out her tongue but didn't dare talk back. She really was a bit scared when it came to Lin Yi.

Lin Yi walked over to the podium at the front of the class and tapped on it, quieting the chaotic classroom instantly. These people all knew who this person was. He was someone who even the North District boss called himself old servant for. Who would dare cross him?

"Listen up! Starting from tomorrow, those who want to come to school better wear normal clothes. Guys should not have their upper body naked, and girls shouldn't be showing their boobs and thighs! Dye all your hair back to black, and study in class! Those who don't want to come to school can scram!" Lin Yi's voice was calm and flat, but there was a lot of indescribable strength in it. "I'm done. Those who go against what I've said- you'll be responsible for your own actions!"

The students in the classroom were in pain- but there was nothing they could do in front of Lin Yi's overwhelming strength.

The school was almost done by the time Lin Yi came back with Ziyu, and the bell rang. The students started packing up.

"Aren't there any teachers?" Lin Yi asked, confused.

“The teacher comes in the morning to teach, but in the afternoons it’s study hall.” Chen Xi said. “Nobody likes studying, so even if the teachers come, they wouldn’t listen.”

Lin Yi shook his head, helplessly. Chen Xi was right. The entire school was like this already, it was messed up from top to bottom. You couldn’t just change it overnight.

These problems were something for the school to deal with, and Lin Yi really couldn’t be bothered to deal with that. He brought Ziyu and Xiaoxiao out of school.

Getting into a taxi, they got Ziyu home first. Lin Yi could come to get her if she caused trouble, too.

The place Ziyu lived wasn’t very high class and was considered a normal, traditional area. Lin Yi had guessed right- Ziyu shouldn’t have a lot of money left. Armadillo gave her money, but it had been a long time.

“Do you have enough money?” Lin Yi said as he looked at Ziyu’s place. It was considered tidy and clean, and he nodded.

Ziyu wasn’t someone who had given up on life or anything, and there wasn’t anything that wasn’t supposed to be here! This was a sudden inspection, too, so Ziyu shouldn’t have had time to hide anything, but Lin Yi checked everywhere in detail.

He was afraid there were some drugs or something like that- that was what he feared most.

Lin Yi was very observant- you couldn’t hide things in your apartment from him. He moved around and went into what seemed to be her brother’s room. It was empty, save for a bed and a table, along with a wardrobe.

He finished the inspection quickly. Other than some of Armadillo’s items and letters, there wasn’t anything out of place.

He couldn’t help but sigh as he looked at Armadillo’s pictures. Lin Yi recalled the memories from the past, but he couldn’t let himself look sad in front of Ziyu. It’d be bad if she realized anything.

Lin Yi walked out and went into Ziyu’s room, who didn’t think much of Lin Yi going into her brother’s room. She thought that he was taking something for him, but the fact that he just walked out and went into her room made it look like he was looking for something- this made her panic!

As if her tail got stepped on, she darted in front of Lin Yi. “You- What... What are you looking for?”

Lin Yi’s heart tensed up as he looked at that face Ziyu was making- was she really hiding something in her room she didn’t want him finding? Did she really do drugs?

“Stay here and stand still!” Lin Yi glared, not answering her and starting his search.

Ziyu stomped her foot- she couldn’t do anything to stop him! Her face reddened, but she couldn’t do anything.

She closed the door, at least she could stop Xiaoxiao from seeing what was going on.

“What are you looking for...? I’ll help you find it...” Ziyu said as Lin Yi got closer and closer to her item. She really was panicking.

“Stand still, didn’t you hear what I said?” Lin Yi frowned.

Ziyu felt so wrong, but she couldn’t do anything, only panicking as Lin Yi started getting close to it... Suddenly, he picked it up, and Ziyu felt like her heart was going to explode!

He found it! He really found it. She was about to die of embarrassment! She was going to die!!

Lin Yi was a bit speechless- he finally understood why Ziyu was panicking like that. There was a mini vibrator bullet under her pillow!

Holding the vibrator in his hand, Lin Yi was stood there quietly. But now that he’d found it already, along with the fact that he was her guardian, he should address this a little!

It seemed like she wasn’t a kid anymore, despite how he was treating her. She was already sixteen!

Lin Yi smiled bitterly. When he was sixteen, he did the same things, secretly looking at tapes and letting the old man catch him... He felt really awkward back then too...

And Ziyu was a gangster, big sis, in the first place, she should have quite some interaction with stuff like that, and probably saw those types of movies... She only bought a vibrator instead of bringing men home- this was a much better outcome!

It seemed like she still valued her body, and as for her pleasing herself with a vibrator, Lin Yi didn’t see anything wrong with it. He only cleared his throat. “Focus more on your studies; don’t use this too much! And be sanitary when you use this, don’t get some skin disease or anything! Come here and let me check you for a bit.”

“Huh? Check me?” Ziyu was already embarrassed enough when listening to him- now Lin Yi wanted her to go over to check her?

Skin disease? Check her a bit? Was he going to give her a body check?

She looked at Lin Yi at that moment as if they were in an anime as if a weird pervert uncle wanted to check the loli’s body... She felt a sense of disgust and chill! What did he want to do to her??

Chapter 1268: Opening Ying Ziyu

“Yes, a checkup!” Lin Yi nodded seriously. Since he’d pretty much confirmed that there weren’t any drugs or anything, he needed to be sure by checking her nerves if she’d actually taken those items before.

Of course, he could check if she got any diseases or anything.

“Ah? Do we really have to do that?” Ziyu gritted her teeth as she looked at Lin Yi unwillingly.

Upon closer look, this new guardian of hers was quite handsome, and strong, too, making even Li Cihua and Ruoguang treat him respectfully... This was the prince charming of her dreams she used to dream of, but... But this person didn’t care if she was a girl at all. He was a violent bastard!

When he said that he wanted to check her body all of a sudden, she resisted out of instinct! She couldn't let this happen. She really couldn't!

"Why are you wasting so much time?" Lin Yi frowned, grabbing her over and putting his hand on her arm, taking her pulse.

Ziyu came back to reality from the shock- realizing that Lin Yi wasn't taking her clothes off like she imagined but only checking her pulse instead, she let out a breath of relief, also feeling dumb for being so one-sided. The guy didn't think of her as a girl at all! She couldn't help but feel a bit disappointed.

"Good, you haven't done any drugs!" Lin Yi breathed in relief, treating Ziyu a lot softer now. "There aren't any gynecological problems either for now, but we can't be sure. Just be careful when you do it yourself to be clean, and don't put it inside, just use it outside..."

"Ah-" Ziyu was inches away from going berserk- she glared at him. "I'm not an idiot, putting it in will break the hymen! I'm still a virgin!"

Looking at Ziyu's pissed off face made Lin Yi realize that while he treated her as a child, she herself didn't think so. She was already sixteen, after all, so of course, she'd be angry with the way he was talking about her.

"Alright, then." Lin Yi smiled bitterly and let go.

"Hmph, I hate you! I hate you to death!" Ziyu ran to her bed and hid the vibrator away quickly before hiding her body inside her sheets. She started crying.

This was the most embarrassing and awkward day of her life! She let a guy discover this secret of hers. She didn't want to live anymore!

He was saying that he was her guardian and everything, but he didn't look like that in her eyes!

She felt so wronged- would he think that she was a shameless girl, buying these kinds of things at such a young age?

Ziyu's behavior made Lin Yi pause- he didn't know what to do. He sighed. He was treating her as a kid but forgot about the emotions of a young girl.

But this really wasn't something he can handle well, and so he walked out to see Xiaoxiao and Chen Xi chatting in the living room. He waved for her to come over- letting a girl handle this would be better.

Xiaoxiao walked over. "What's wrong? Where's Ziyu?"

"Can I ask you something? Have you ever... You know, touched yourself before?" Lin Yi said quietly beside Xiaoxiao's ear.

"What are you-?" Xiaoxiao blushed as she looked at Lin Yi oddly.

But the two were a couple now, so she wasn't too embarrassed. She just didn't understand where this was coming from.

"Ying Ziyu bought a vibrator bullet, and I found it so she's crying in her bed now. Can you go talk to her?" Lin Yi said, not continuing the question of asking Xiaoxiao whether or not she did those things.

“Ah?” Xiaoxiao blinked, amused. “Why’re you flipping through her stuff?”

“I was worried she had drugs and stuff.” Lin Yi shrugged. “I’ll leave it to you then!”

“Alright.” Xiaoxiao nodded and walked in.

Ziyu felt so wronged and humiliated! She was the big sis of a gang faction, and it’d been so long since she cried- but she couldn’t hold it in anymore! Lin Yi was a big bully! She was a girl! And he didn’t care at all, saying all those things in front of her!

“Ziyu?” Xiaoxiao smiled as she walked over to the girl crying in her pillow.

“Ah? Xiaoxiao sis?” Ziyu didn’t think that it would be Xiaoxiao coming in- she sat up quickly, embarrassed as she wiped away her tears. “Why are you here?”

Her impression of Xiaoxiao was rather good. They hadn’t talked much, but Xiaoxiao was way better than that violet bastard Lin Yi! She wondered where he found such a gentle and cute girlfriend.

Feng Xiaoxiao, gentle and cute? Ziyu just never saw the other side of her.

“Why are you crying all of a sudden? What happened to the Ziyu who waved a blade around?” Xiaoxiao smiled.

“Xiaoxiao sis, you’re making fun of me too...” Ziyu completely broke down today- she decided the old, touch Ziyu could go die for all she cared.

“Not making fun of you, but I did hear what happened. It’s just a vibrator bullet, so what? I used one before too. It’s not a big deal.” Xiaoxiao started speaking out of her ass. She didn’t use anything and wasn’t even thinking about stuff like love before, not daring to fantasize about anything, let alone masturbate.

But, she did do it a few times recently after being with Lin Yi, although she only used her hands instead of vibrators.

“Oh? You too?” Ziyu blinked, suddenly interested. “You’re not lying?”

“Of course not...” Xiaoxiao started opening her up.

She was a couple of years older than Ziyu, after all, and her mental state was different. She only told her about some things to pay attention to, thus making her feel better.

Although, whatever they talked about in, there stayed in the room, and only they knew. Ziyu was already not crying anymore by the time they came out, a shy smile on her face.

“It’s getting late, Chen Xi has to go home too. Ziyu, study well at home! I’ll come and check next week!” Xiaoxiao said to Ziyu.

“Okay...” Ziyu’s relationship with Xiaoxiao now was clearly at a ridiculous level- she was holding her arm and not wanting her to leave.

Chapter 1269: Testing Grandpa Zhu

But she wasn't putting on a friendly face for Lin Yi, the guardian, that's for sure. She didn't even want to say goodbye to him. She never wanted to see him again!

Lin Yi didn't bother being petty with a child, and so he left with a smile, along with Chen Xi and Xiaoxiao.

Ziyu hmped once she saw Lin Yi leave. She threw an old newspaper on the ground and started stepping on it intensely with her foot. "I'll crush you, crush you! You jerk!"

Lin Yi naturally didn't know his name was getting crushed by her foot upstairs. He went to the pharmacy to get some medicine and went to Chen Xi's house with the two girls.

Chen Xi's house was somewhere he'd come to before, except he never went up. This time, however, Lin Yi casually brought up the topic. "Xi, where's the old man with you the other day at the beach? That Xie Yufeng didn't beat him into the hospital or anything, did he?"

"That's not possible-" Chen Xi was just about to say that Grandpa Zhu was super powerful, beating up Yufeng when Lin Yi left.

But she was interrupted.

Grandpa Zhu was at the stairway, clearing his throat with a smile on his face. "Xi, you came back? This is..? How come you're worrying over a fight this old man had at the beach, I'm just a pile of old bones, a couple of days' of rest was enough!"

Chen Xi paused. She didn't know how Grandpa Zhu jumped out all of a sudden to interrupt her, but since he already said that Chen Xi cooperated. He did tell her to hide this information after all, but Chen Xi thought that Lin Yi was the savior of her mother, a good person, so it should be fine.

But since Grandpa Zhu didn't want that, she couldn't do anything about it. After all, Grandpa Zhu was someone she respected too. He'd taken care of her and her mother all these years, she had to listen to him.

"Ah, that's good to hear. But I heard that Xie Yufeng got severely beat up, I wonder who stood up for you?" Lin Yi said to Grandpa Zhu suggestively.

"Got beat up? Really? Could someone have seen the man beat me, and stood up for me? But I left the scene really quickly, wanting to avoid trouble. I'm not sure what happened afterward." Grandpa Zhu pushed aside all responsibility.

"I see." Lin Yi nodded, raising his head. "I heard your last name is Zhu?"

"Yes, is something wrong?" Grandpa Zhu tensed silently, keeping his composure.

"It's nothing, it's a rare name, and I did meet a guy called Zhu before, I wonder if that person had something to do with you?" Lin Yi said flatly.

"Oh? The world's a big place. There's plenty of people with the same last name. I'm sure I have nothing to do with that person." Grandpa Zhu shook his head.

"I didn't even say who the person was, how do you know? Lin Yi asked.

“Haha, I’m an old man with no partner. I lost my relatives a long time ago.” Grandpa Zhu smiled.

“I see.” Lin Yi nodded. “Well, if that’s the case, I’ll leave you then- I need to go cure Xi’s mother in her house.”

“Thank you for that, young man!” Grandpa Zhu nodded.

Lin Yi and Grandpa Zhu’s conversation struck Chen Xi as odd, but she just assumed he was trying to get along well with Grandpa Zhu. She didn’t know he was testing him.

If Lin Yi didn’t have the ability to see Grandpa Zhu’s strength level, and merely had suspicions- then his testing wouldn’t have yielded any results. But Grandpa Zhu’s words now confirmed that there was definitely something wrong with him!

After Grandpa Zhu walked down and Lin Yi’s group went up, a dark look snapped across his eyes.

“Little bastard, you dare to ruin my plans? Suspecting me, huh? Hmph, it looks like I’ll have to report this to the head of the house!” Grandpa Zhu gritted his teeth. “Testing me? You won’t be able to find anything, I’ve walked more bridges than the roads you’ve walked!”

After cursing at Lin Yi, Grandpa Zhu looked for a quiet place and made a phone call.

“Elder Zhu, why’re you calling me now? Didn’t I tell you not to call me if there’s nothing too important? If Jin finds out, I’ll be in trouble again!” It was a deep voice from the other end of the phone. “Is that woman not dead yet? She’s just a bitch, why haven’t you offed her yet?”

“I’m sorry, young master, the plan’s almost complete, but that Lin Yi kid’s interrupting halfway! You know how he is. He messes everything he touches up!” Grandpa Zhu said a little angrily. “That woman was about to die from cancer already, but that Lin Yi cured her! If the master didn’t say that this Xi girl was valuable, I wouldn’t even try to get close with her and go the roundabout way of using cancer! I would’ve killed her in one slap!”

“Xi’s been trained since young by you. She’s a good chess piece for us to deal with the other houses!” The man didn’t seem to care that Chen Xi was his own flesh and blood- she was a piece on the board!

But thinking about it, the man had gone around with many women in his youth, and it was only normal that he’d had a couple of bastards. It was just that Chen Xi’s mother happened to be a waitress, a lowly position- it was why he treated her like trash.

“I understand, but that woman...” Grandpa Zhu said, troubled. “Lin Yi’s interference is making things difficult for me!”

“Lin Yi... I’ll discuss this with my father, just ignore him for now and don’t let him expose you!” The man ordered.

“Yes, young master!” Grandpa Zhu nodded.

Miss Chen was looking rather healthy today, a lot better than before. One could tell that she was a high-class beauty when young, but time had not been kind on her.

After continuously taking this medicine, however, it was evident that she was changing for the better.

“Mister Lin, Miss Feng- you’ve come!” Miss Chen was especially happy when she saw her savior.

Chapter 1270: Something is Wrong With the Water!

“Aunty Chen, call me Lil’ Yi will do, Mr. Lin didn’t sound so good.” Lin Yi smiled. “I see you’ve recovered a lot- more than I’ve expected to be honest. We can proceed to the next treatment with this speed.”

“I won’t hold back then, Lil’ Yi!” Mother Chen grinned. “Thanks to your prescription, otherwise I wouldn’t have recovered this fast! Xi, go get some tea for the guests, why are you standing there not moving?”

“Yes, mom!” Chen Xi had gotten closer to Lin Yi and Xiaoxiao this afternoon, so she had completely forgotten to serve them with tea.

“There’s no need for trouble. We don’t need tea.” Lin Yi waved his hand. “I’m here just to check how aunty is going with the progress. We are pleased to see the result, Xiao xiao and I are leaving already!”

“That quickly? Why don’t you guys stay for dinner?” Mother Chen quickly asked them to stay back when she heard Lin Yi was leaving.

“Okay, let’s eat together then.” Lin Yi nodded- he didn’t really matter since he was free tonight. As long as Xiaoxiao was by her side, that was what mattered.

Remembering that as long as he was keeping Xiaoxiao happy, the Miss wouldn’t mind at all, no matter how late the night he returns home.

Feng Xiaoxiao was indeed happy- she became very cheerful after seeing the positivity in Chen Xi.

“Nice, Xi, and I will prepare for the dinner in the kitchen, Lil’ Yi, you stay in the living room watching the Tv with Xiaoxiao, okay?” Aunty Chen was glad that Lin Yi agreed to stay back for dinner.

“It’s okay. We can help, it’s always faster with more hands.” Lin Yi smiled. “You guys better don’t look down at me, I’m a master chef myself!”

“Haha, Lin Yi honey is seriously good at cooking!” Xiaoxiao added.

Mother Chen wanted to reject the offer formally, but after listening to them, did she allow them to the kitchen.

Chen Xi was cleaning the vegetables while Mother Chen was slicing the meat, Xiaoxiao was helping her out, but Lin Yi had nothing to do.

“This is the water to wash the vegetables...” Lin Yi froze and glared at the pile of water in front of Chen Xi.

“What’s wrong with the water? Brother Lin Yi?” Chen Xi didn’t understand.

“Let me have a look.” Lin Yi squeezed his way in and pushed Chen Xi to the side- her face blushed upon the physical contact. She relaxed after gazing at Lin Yi, who didn’t seem to have any reaction towards it.

How would Lin Yi know what this kid was thinking? It would be normal if Ying Ziyu had dirty thoughts- she was a gangster after all, but how could a good girl like Chen Xi had this kind of thought? However, as innocent as Chen Xi was, she was still in her puberty state- having fantasies about the opposite-sex was totally normal.

Meanwhile, Lin Yi had been helping her family- it was impossible for her not to have feelings towards him. Although the feeling was hazy, she didn't dare expose it out, either- she was afraid that Xiaoxiao would find out and thought that she was trying to seduce her boyfriend.

"Where did you get this water from?" Lin Yi soaked his finger into the water and tasted it before asking.

"Ah! This is the tap water, what's wrong?" Chen Xi was forcefully dragged back to reality from her fantasy by Lin Yi's word.

"Tap water??" Lin Yi furrowed his eyebrows and opened the tap water as he tasted the water again.

"Lil' Li, what's the matter?" is there something wrong with the water?" Mother Chen saw that Lin Yi was investigating the water; she quickly came to his side. "Is the quality of the water that bad? In an old city is like this, even though we have used a water purifier...."

"Water purifier?" Lin Yi lowered his body to find a water purifier underneath the basin. Without hesitation, he shut down the source of water and pulled the water purifier out.

Lin Yi's action stunned both Chen Xi and her mother. If this was another man, they would definitely stop him, how could someone just remove the water purifier without asking?

However, it was Lin Yi- he must have his reasons, so Mother Chen didn't comment on it.

"Where did you buy this water purifier from?" Lin Yi carefully analyzed the water purifier and asked.

"We didn't buy this water purifier, Grandpa Zhu gave it to us when he picked up the goods, he changed the filter and set up for us. What's wrong, brother Lin Yi, is there something wrong with it?" Chen Xi asked.

"Nothing, this water purifier is no longer useable, it's not clean anymore." Lin Yi frowned- it was Grandpa Zhu again? Could it be that Grandpa Zhu was the one who created Mother Chen's illness?

Inside the water purifier, there was a substance. After consuming it for a period of time- it would cause cancer. Lin Yi didn't know why Chen Xi was able to escape having cancer, could it be that because of her young age? Was her defense still strong? Or did she consume an antidote?

All in all, Mother Chen's cancer was not natural- it was man-made! After removing the water purifier, Lin Yi connected the hose to the pipe and tasted the water again. The water went back to normal!

Lin Yi was frowning harder and harder. His suspicion was getting stronger and stronger too!

Previously, Lin Yi didn't understand why Grandpa Zhu was staying by Chen Xi's side, but since Grandpa Zhu didn't do her any harm, Lin Yi didn't really mind as he was just curious why would a mystic class peak late phase master always be by her side?

But now, Lin Yi had confirmed his doubt- this Grandpa Zhu was a good for nothing! How dare insert poison into the water purifier, causing Mother Chen to have cancer! However, Lin Yi still couldn't figure out the reason why a mystic class master would go over all the troubles to harm Chen Xi's mother? Why not just kill her with a single blow?

Could it be there was a bigger reason behind all this?

Of course, Lin Yi didn't reveal anything to the mother and daughter- he only kept his thoughts with himself. In fact, they were closer now, but their relationship wasn't intimate, it was not a good idea for Lin Yi to go blame Grandpa Zhu in his face.

As far as he was concerned, Chen Xi's and Grandpa Zhu's relationship was super close, if he were to reveal everything out suddenly- Chen Xi might not believe him at all!

"The water purifier is not clean? Then we can't use that anymore! We really shouldn't rely on pick-up goods that much!" Mother Chen didn't think that it was a big issue. "We aren't no professionals, after all. Since Lil' Yi found out the issue, then we won't use it anymore!"

"The water quality isn't that bad, actually." Lin Yi continued. "No water purifier is needed, just use the direct source next time."
