

Bodyguard 1291

Chapter 1291: Plan Failed

“Ahh, Ahh. I’m not her fan, so I don’t understand it that well. So I don’t have much interest in it. You can go watch if you want,” Lin Yi smiled kindly. He didn’t continue Chen Yushu’s topic.

Meanwhile, the stage raised and the singing began. Feng Xiaoxiao and Chen Yushu refocused their attention back to the concert. They stood up and waved the glowing light stick along with other fans. They were celebrating the beginning of the concert!

Lin Yi watched Xu Shihan on the stage lift. She looks like she was in high spirits. At least, she was in a much better complexion than before. It seems like Xu Shihan had recovered back to normal. He smiled at Feng Xiaoxiao. Now he feels that he takes a real good look at her, he felt that Xu Shihan was worth saving!

There will always be someone who likes this outcome, as well as others who despise this!

Su Jiaonang didn’t know that Xu Shihan had reappeared on stage. When he was done with his conversation with Zhao Qibing on the phone, he ran down to the first floor to dial Wang Jingji’s phone number!

“Hello?” Miss Wang was just finished with Xu Shihan’s affairs so that she would step back onto the stage. This made her sigh out in relief. She had wondered why Xu Shihan was suddenly okay again. However, Xu Shihan didn’t have time to explain before she was forced to get on stage!

To find the truth, she had to wait till after the concert was over, then question Xu Shihan. As for Xu Shihan’s condition, Miss Wang was very familiar with it. Every time Xu Shihan is sick, it would take a while to recover. She never recovered in this short period of time before! And her conditions this time were a lot worse than before, seems like Xu Shihan had been enduring for a while...

Returning back to the lounge, she watched Xu Shihan through the live video. When Miss Wang’s phone rang, and she saw that Su Jiaonang had called her. What could Su Jiaonang want with her?

“Wang Jingji? I am Su Jiaonang!” Su Jiaonang proud tone, came off as condescending.

“Director Su, what is the matter?” Miss Wang asked calmly.

“So it is like this. I have heard that Miss Xu still has her migraine? I have some medicine from Zhao Yaowang. I wanted to know if Wang Jingji and Miss Xu could answer Master Qibing’s request?” Su Jiaonang came out with the truth. There was no reason to hide the meaning of his call. Miss Wang seemed like an understanding person if he would just cut to the chase.

“Who did you hear that from? Xu Shihan is doing great. There was just a problem with the stage. Director Su seems to have the wrong intel,” Miss Wang cleverly denied it. Even if it doesn’t escape Su Jiaonang’s eyes, there was no reason for her to admit to anything. In the end, she could deny it to the end!

As Su Jiaonang had asked, Miss Wang had a thought that Xu Shihan had obtained her migraine medicine from Su Jiaonang. Perhaps this is the price Xu Shihan had to pay for being able to perform normally for her concert!

Well, no one would blame Miss Wang for thinking this way; not many doctors can relieve the pain of Xu Shihan unless it was someone from the caliber of Zhao Qibing's company. Other than them, Miss Wang can't think of who else can be so capable!

From what Miss Wang knew of Xu Shihan's personality, she had a strong will. She would rather endure the pain rather than agree to Qibing's ridiculous request. She was unwilling to submit, no matter what. Unless it was the person she had her heart set on, she wouldn't do anything that steps over her boundaries!

Aside from what Su Jiaonang had said over the phone, this proved to Miss Wang that Su Jiaonang didn't know Xu Shihan had gone on stage. She was able to perform on stage without a hitch; otherwise, why would he suggest something so ridiculous.

"Wang Jingji, we are both intelligent people. There is no need to beat around the bush. As for the situation with Xu Shihan, we both know what had happened. As for whether it was really something faulty with the stage lift or her body failing her, we each have our own answer for it. I just want to know from you if you want the concert to continue. If you want it to continue without any problems, then you best agree to Master Qibing's request. I have the medicine in my hand to cure Xu Shihan's headache!" Su Jiaonang continued with his terms.

"Director Su, I'm sorry, but I think you really have the wrong information. Why won't you believe that the stage had already been fixed? And that Xu Shihan is performing on stage, if you don't believe me, then you can go take a look at yourself!" Miss Wang laughing it off. "Director Su, there is no reason for me to lie to you when you can just find out in a glance. What do you think?"

"Well..." Su Jiaonang was shocked. He can faintly hear the singing resuming from the gymnasium. However, he thought that it was just a recorded playback to pacify the crowd. After listening closely, it seems like it was really coming from Xu Shihan.

Could he have made a mistake? That Xu Shihan didn't fall off from the stage lift due to her headache. Was it possible that the stage lift had a malfunction?

Hanging up the call doubtfully, Su Jiaonang walked back up the stairs to the scene of the concert. He witnessed Xu Shihan dancing up and down on the stage, without any symptoms of illness. Her complexion was better than it had been before she showed signs of her headache. This was a pain for Su Jiaonang!

Perhaps it is as Miss Wang had said that Xu Shihan had nothing wrong with her. It was his own wrong judgment! Su Jiaonang sighed out of desperation, for he had promised Master Qibing that he would have this finished. Now how could he explain this back to Master Qibing?

The concert had reached the climax. Then it was all over. The fans were still screaming for more since they didn't want it to end. After the last song was over, Xu Shihan concluded the concert with this closing statement, "Thank you, everyone, for being able to come out to my concert! Thank you! Even though there was a small incident, this has been a success!"

“Xu Shihan! Xu Shihan! Xu Shihan!”

“We don’t want you to leave!”

“Xu Shihan! We love you!”

The crowd went wild with their cheers. Even Xu Shihan started tearing up, “I am very grateful for every one. Thank you for sticking with me! But, after four hours, I think everyone is tired. I’m also tired too. I hope there will be a next time we can meet. So until the next time, the next concert, that will have to be arranged by the public relations company...”

As the stage lift descended, Xu Shihan disappeared from view. Xu Shihan waved goodbye to her fans.

Lin Yi watched Xu Shihan’s expression. He didn’t know if she really misses them or if she was just faking it?

With Chu Mengyao, Chen Yushu, Tang Yun, Feng Xiaoxiao all leaving the gymnasium, they arrived at the parking lot. Lin Yi didn’t call back Xu Shihan because she had to change her clothes and take off makeup. It would be a while before she can be free to pick up the phone, which was why Lin Yi decided to wait until later to call her.

Chapter 1292: Veteran? Bodyguard?

“Hubby Lin Yi, why haven’t you started driving yet?” Feng Xiaoxiao thought it was strange that they were just idle in the parking lot while the other cars had already driven away.

“Wait a while, I will bring you to meet with Xu Shihan for a group photo,” Lin Yi calmly replied.

“A group photo with Xu Shihan?” Feng Xiaoxiao smiled, “Is that real or fake? Hubby Lin Yi, you will really take me to get a picture with her? No way? Me in a photo with Xu Shihan?”

“Yes. Just wait until everyone else leaves, I will give her a call,” Lin Yi replied.

“Shield Bro, can we go too?” Chen Yushu quickly asked.

“I’ll ask,” Lin Yi nodded.

“Lin Yi, how do you know Xu Shihan? Actually, how did you organise a group photo with Feng Xiaoxiao and Xu Shihan?” Chu Mengyao asked in a questioning tone.

“It’s just coincidence. I met her when I was going to use the toilet,” Lin Yi smiled.

“Wow, Shield Bro is so unbelievable. Going to the restroom, and you met Xu Shihan? Prophet Yushu was right again, I said that Shield Bro would meet with Xu Shihan privately for a date and it was exactly as I predicted!” Chen Yushu laughed.

“It was not a date, we had just met coincidentally,” Lin Yi said.

Most of the people in the stadium had dispersed. After most of the cars had driven away, Lin Yi decided that it was time to call Xu Shihan's number.

"Hello?" The phone was answered quickly. It wasn't Xu Shihan, but another person who had picked up the call.

Lin Yi frowned. Could it be that Xu Shihan had lied to him? She gave him a fake number? Could it have been a mistake? That wasn't have been possible?

"Is this Miss Xu's number?" Lin Yi didn't mention Shihan's name. He just mentioned Miss Xu. If it was a mistake, then at least the person on the other end wouldn't think that he was crazy.

"May I ask who you are?" Miss Wang was a little shocked. A stranger's phone number hadn't made a wrong call, yet mentioned the right surname. This made Miss Wang suspicious.

"I am the person who cured her, can you notify her that I called," Lin Yi replied calmly.

"Oh? Then can you wait a bit!" Miss Wang hesitated before she went over to Xu Shihan's side, "Miss Xu, there is someone on the phone for you. He say that he is the person who treated you..."

Xu Shihan had just taken off her makeup and got out of her stage outfit. She immediately replied, "Yes, I was expecting his call. Miss Wang can you hand the phone to me!"

Xu Shihan was still wondering when Lin Yi was going to give her a call. It was long after the concert had ended, so how come Lin Yi still hasn't called yet. She was feeling uneasy at how long it had been before Lin Yi had called her. She felt lost and upset! If Lin Yi couldn't remember her phone number, what will she do then? She didn't have a pen and paper, and she didn't bring a phone, so there was no way to contact Lin Yi.

When Miss Wang had said there was a call for her, Xu Shihan didn't hesitate, immediately asking for the phone.

Miss Wang didn't think that Xu Shihan would be this enthusiastic about just a phone call. Miss Wang really wanted to find out why Xu Shihan had fallen off from the stage lift and how she had her migraine treated. But before she was able to ask, Xu Shihan had already started changing out of her stage outfits. With the mysterious phone call, she now might have a clue as to how Xu Shihan was suddenly okay.

"I am Xu Shihan!" Xu Shihan quickly answered the phone call.

"It's me, I brought my girlfriend here. Can we get a photo together?" Lin Yi asked.

"Okay, I will send someone out to meet you, go to the basement floor stairway!" Xu Shihan answered.

"Okay, I will come now. There are several friends that I have with me, who want to meet with you. Can we all come?" Lin Yi asked.

"Well... Is next time ok? The company has rules that I can't bring too many outsiders to work. Why don't you come in first, then after taking the photo, you can swap out with your other friends?" Xu Shihan replied quietly.

“Well, forget it. That sounds like too much trouble. I don’t want to make it hard for you. If we have another time to meet, then so be it,” Lin Yi could tell that Xu Shihan wasn’t the person in charge.

This was a normal procedure, backstage access wasn’t open to just anyone. Even if Xu Shihan was a big star, she could only bring one or two people in, but having too many people coming in at once would make it hard for her to explain. Lin Yi didn’t want to make it hard for her.

“Oh it is no trouble... How about this, you can come in first. Wait until I leave and we can meet outside again with your friends!” Xu Shihan really wants to repay the favor she owed him. If she couldn’t fulfil a simple request like this, then she would feel guilty about it. Lin Yi’s request was simple, it was just a photo. If she couldn’t honor this, then what was she good for.

“That works too,” Lin Yi nodded, “I’ll head over now,”

After the phone call was over, Lin Yi turned his head over to look back at Chu Mengyao, Chen Yushu and Tang Yun. “I will head inside with Xiaoxiao first, and you girls can wait for me in the car. Backstage access doesn’t allow for too many people to enter at once. We can wait for Xu Shihan to come out, before bombarding her for more photos.”

“That works, but if it is too much trouble, then we should forget about it,” Tang Yun nodded.

Chu Mengyao and Chen Yushu didn’t have any objections. Their ultimate goal was to help Feng Xiaoxiao be happy. As long as Feng Xiaoxiao was happy, they didn’t care too much about it. Being able to meet with a star like Xu Shihan was a rare opportunity. But also, as long as they were alive, they could have another chance later. They were still young, but Xiaoxiao was different!

“Lets go Xiaoxiao!” Lin Yi opened the car door. He led Xiaoxiao by the hand to where they needed to go. Feng Xiaoxiao felt shy- only she had this special privilege. But she couldn’t even feel embarrassed for long, simply because she was too anxious!

Feng Xiaoxiao knew that everyone was doing this for her, and sighed in relief, not bothering to say anything more.

Lin Yi and Feng Xiaoxiao returned to the stadium. Inside the stadium, all the fans had left. There were only janitors cleaning up the room, no one else.

Lin Yi and Feng Xiaoxiao went to the basement stairway, there was a man standing guard right outside. Lin Yi noticed that he was a late stage Mystic class fighter! More importantly, he didn’t know this man!

These types of people were only one rank away from breaking through into Earth Class. It was such a rare sight in the secular realm as only a handful of noble houses could afford to have these fighters. However, in the hidden houses, there were very common!

Chapter 1293: The Superstar’s Envy

But in the stadium stood a master. This aroused his suspicion! If he was right, this guy must be Xu Shihan’s bodyguard. Otherwise, why would Xu Shihan allow a guy like him to welcome them!

Lin Yi was dumbfounded that Xu Shihan had a bodyguard this strong. How could a celebrity have such a powerful bodyguard? What did she offer to have a master at this level? Was this coincidence, or this bodyguard of hers had his untold reasons?

“Excuse me, may I ask what brought both of you here?” Feng Sanhuang strolled over when he saw Lin Yi and Xiaoxiao came down to the basement as he asked faintly. He didn’t ask Lin Yi if he was here to meet Xu Shihan, but he asked why he was here- even though he was sure that Lin Yi was the guy Xu Shihan invited over, but for safety reasons, he asked to confirm anyway.

“I gave Xu Shihan a call just now, she asked you to bring us in, didn’t she?” Lin Yi asked.

“Please follow me!” Feng Sanhuang only nodded and brought both of them to the entrance of the room.

Feng Sanhuang knocked on the door and gradually pushed the door open. “Miss Xu, they have arrived! This way, please!”

Feng Sanhuang made a gesture to guide them into the room as he spoke.

Lin Yi and Xiaoxiao entered the room to see Xu Shihan on the sofa, resting. She stood up immediately when she saw them entering the room, no matter how many issues he had with Lin Yi- he was still her savior, so he had to invite them personally. If it weren’t Lin Yi, she probably couldn’t make it through the whole concert, so she was rather polite to Lin Yi now. “You’ve come, thank you for helping out just now! I was super busy just now, couldn’t thank you properly!”

“Don’t mind, didn’t I tell you I did that for my girlfriend to have the best experience at your concert.” Lin Yi waved his hand with a poker face.

“Wah wah wah! IT’S REALLY XU SHIHAN!” Feng Xiaoxiao was super excited as Xu Shihan, her favorite celebrity, was standing right in front of her. “It’s really Xu Shihan! You look even more gorgeous and elegant without makeup!”

“You’re gorgeous yourself. Your boyfriend even said that you’re prettier than me!” Xu Shihan gave a light smile to Xiaoxiao and eyed Lin Yi as they spoke. Her heart didn’t feel comfortable with Lin Yi’s comment. No doubt, Feng Xiaoxiao was indeed pretty, but she wasn’t that bad, either! At most, they were on par, not inferior to anyone. Why would Lin Yi call her girlfriend prettier than her?!

“You must be kidding! Hehe, he only said that because he was blinded by love!” sweetness filled Xiaoxiao’s heart- it seemed like Lin Yi honey really did love her, even Xu Shihan’s charm wasn’t as strong as hers!

“Nope, he has good taste, I can see that he treats you very well too!” Xu Shihan shook her head- she was slightly envious of Xiaoxiao for having such a loyal boyfriend, how sweet! Even a big beauty like her wasn’t enough to move his heart as in like she was just a floating cloud- no matter how pretty she was, there was only his girlfriend in his eyes! Countless men had fallen for her, some wanted to take a photo, some even had impure thoughts, but this Lin Yi had totally no interest in her. He didn’t even want to be in the same photograph as her. He didn’t even have the slight intention to take a picture with her!

“Do you like him too?” Xiaoxiao was exhilarated as she asked, she felt that there must be something between Xu Shihan and Lin Yi! Otherwise, why would a celebrity like Xu Shihan this famous treat Lin Yi with so many manners? Could it be that Xu Shihan has fallen for Lin Yi too?

She felt that it was possible at first, but listening to Xu Shihan’s envious tone, she was certain her guess was right! To her, Xu Shihan must have feelings for his honey! If that was the case, she was willing to help!

“Ah?” Xu Shihan paused,

“Why not you become Lin Yi honey’s girlfriend too, we can play 3P later!” Feng Xiaoxiao had been playing with Yushu for quite a while, so she was much less affected, becoming more like her. However, Yushu was not the only reason why she became this bold. She knew that she was about to die soon, so she couldn’t care much anymore.

“Huh?” Xu Shihan widened her eyes, blushed! What, threesome? Did she hear wrong?

Lin Yi almost tripped over the response, barely managed to stay on his feet! Just what did she suggest? Having a threesome with Xu Shihan? Lin Yi suddenly recalled remembering it was one of the wishes in Xiaoxiao’s phone. He didn’t know how to react!

“Ahem, Xiaoxiao, I thought you want to take a photo with Xu Shihan? Get it quick, don’t joke anymore!” Lin Yi stopped her- who knew where the conversation would go if she continued?

“Ah, you’re right! Photograph! I almost forgot!” Xiaoxiao was shocked as she just remembered an important task to do. This was her first time meeting Xu Shihan face to face, so she talked too much and forgot her sole purpose of coming here. “I’ve to do some makeup first, be right back!”

Xiaoxiao ran out of the room to tidy up her image.

Lin Yi did not stop her, but instead, he took this opportunity and clarified things to Xu Shihan, there was something he had to explain!

“Miss Xu, don’t get serious with my girlfriend’s words; she is always messing around!” Lin Yi sighed and lowered his voice. “Actually, she has cancer. She won’t be in this world for long....so, I hope you don’t mind her words...”

“Ah!” Xu Shihan was flabbergasted with the sudden news. Previously, she was extremely disappointed with Feng Xiaoxiao and Lin Yi after conversing with Xiaoxiao. Their reputation was completely gone! She even thought that Lin Yi was a hypocrite? On the surface, he looked loyal and all, but in reality, he was no different from Zhao Qibing. Both of them were lecherous desperados!

But after the explanation, she was surprised. “She.... has cancer?”

“This is also the main reason why I didn’t want you to stop the concert just now!” Lin Yi nodded. “She likes you, and one of her wishes is to attend your concert and take a picture with you afterward. I don’t wish to see her bringing those unfulfilled wishes to the grave. So you really don’t have to be grateful, or whatsoever, I only saved you because I didn’t want Xiaoxiao to be disappointed!”

“This... but, aren’t you a superior doctor? Can’t you treat her disease?” Xu Shihan didn’t mind Lin Yi’s word choice and asked in a surprising tone.

Chapter 1294: The Superstar's Request

In fact, Xu Shihan knew that Lin Yi had no total interest in her- in Lin Yi's eyes, she was no different from a stranger on the street, so even if Lin Yi didn't save her, it was normal. For what reason did she have the privilege to be saved by Lin Yi? So Xu Shihan didn't mind when Lin Yi said the truth.

"Superior? Perhaps, but there's always a limit to how good a person can be. No matter how good they are, they will never be perfect. We are not all-powerful! Lin Yi shook his head as he remembered Xiaoxiao's condition, saddened. "A special herb is needed for his condition, but this herb is super rare..."

"Yeah, we aren't all-powerful!" Xu Shihan nodded, agreed. "I see, she's pretty, isn't she..."

"So if her way of thinking is slightly abnormal, I hope that you don't mind. One of her wishes is if she was a man, she'd push you down... but since she's a woman, she would like to have 3P.... It's equivalent to pushing you down, too..." Lin Yi helped Xiaoxiao to explain. Otherwise, Xu Shihan'd misunderstand Xiaoxiao's intention. As for Lin Yi, he didn't mind at all, even if Xu Shihan misunderstood, he wouldn't give two shits about it.

"Ha?" Xu Shihan was taken aback. "Erm... your girlfriend does have her own way of thinking..."

"Yeah, she knew she wouldn't live over twenty years old since she was young, so her thinking might be different from ordinary person..." Lin Yi continued. "So Miss Xu, I hope that you can accompany her more, hope you can do me this favor."

"Naturally, no problem." Xu Shihan accepted without thinking. Since it was a misunderstanding, and she sympathized with Xiaoxiao's condition after listening to Lin Yi's explanation.

Xu Shihan used to think that she was unlucky, having tragedies at a young age. Out of nowhere, she got a stupid headache that could possibly crack his brain apart, but after comparing it with Xiaoxiao, she realized that her story was nothing to her!

Very soon, Xiaoxiao tidied herself up and came back to the room, and at the same time, Lin Yi finished his explanation and ducked aside.

Xu Shihan had a professional photographer with her all the time. The photographer came in after being summoned by Wang sis. After knowing Xiaoxiao's story, Xu Shihan was extra patient and serious when they were doing the photoshoot, not a hint of disdain at all.

"Wah, I couldn't believe this day actually existed, I can have so many pictures with Xu Shihan! Lin Yi honey, why don't you join us?" Xiaoxiao waved her hand at Lin Yi, welcoming him to join.

"No thanks, you guys have fun, I don't like taking a picture!" Lin Yi casually rejected- he really didn't find any meaning to take a picture with a celebrity.

"Come on, Lin Yi, honey, come accompany me!" Xiaoxiao insisted.

"Okay then, just one!" Lin Yi smiled bitterly as he strolled over.

Xu Shihan was furious! She was a superstar, after all! How many people were fighting to take a picture with her, and this Lin Yi didn't like taking a picture? Do you really think that I'd like to have a picture with you?! Hmph, if you didn't save me and if Xiaoxiao wasn't this pity, do you think I have the leisure time for you? Am I that free to you?

However, those words were kept inside her. She was cursing Lin Yi a thousand times inside.

Lin Yi was standing beside Xiaoxiao, pushing her to the middle and pushing Xu Shihan to the side. Xu Shihan was a little pissed. Normally people would put her in the middle, standing by their side, but now she was pushed to the side like a side character!

Hence, in this photo, Xu Shihan didn't smile, but she was pouting as in like she was mistreated.

After the photoshoot, they were ready to leave the stadium to attend Xu Shihan's celebration party. Meanwhile, Xiaoxiao was satisfied too, so she didn't intend to trouble Xu Shihan any longer, preparing to take her to leave.

"Miss Xu, thank you very much." Lin Yi nodded to Xu Shihan. No matter what, Xiaoxiao was extremely happy today, his impression of Xu Shihan had improved a lot.

"You're welcome. I didn't do anything anyway." Xu Shihan shook her head with a smile.

"If you may, please excuse us, we will be taking our leave now. I can see you guys have something else to do after this, a celebration party perhaps? Goodbye, as for pictures with my other friends, we'll see." Lin Yi didn't want to trouble Xu Shihan anymore. After all, they had taken a lot of her time, and Lin Yi did feel a bit bad too.

"Mister Lin, please don't leave..." Xu Shihan pondered. "Yes, we'll be going to a celebration party later, why not, you and Miss Feng come join us later?"

Xu Shihan didn't want him to leave just yet. She had her own reasons. First, she wanted to ask Lin Yi about her condition, her headache had been troubling her all this while, and if she was given a chance, she wouldn't let this opportunity slip that easily. Second, Xu Shihan did pity Xiaoxiao's condition, bringing her to the celebration party; it could count as spending more time with her.

"Attending the party together?" Lin Yi furrowed his eyebrows- he started doubting her real intention. Although he did save her life, there was no point in inviting him to the party as she had already repaid him by taking photos with Xiaoxiao. They didn't owe each other any favor by now, why would Xu Shihan invite both of them to the party? Wasn't this too much!

Could it be that she had other reasons? Lin Yi was not stupid- he knew that Xu Shihan must be asking him about her body condition. Yes, he did cure her headache earlier, but he only temporarily stopped the throbbing pain. There was no guarantee that the pain wouldn't come back. Other than this reason, Lin Yi couldn't think of any more suitable reason with Xu Shihan's invitation.

"Mister Lin, let me be honest with you." Xu Shihan pondered for a while and didn't hide. "First, I find Miss Xiaoxiao super easy to get along, we formed a bond so naturally, I don't have many friends, so I want Xiaoxiao to be my friend. Second, it's my body condition. I've something to consult Mister Lin with!"

“He—” Lin Yi was surprised to see Xu Shihan’s honesty, but her image of her became even better now. “Will see if Xiaoxiao wants to.”

Lin Yi didn’t reject Xu Shihan’s suggestion, but he asked for Xiaoxiao’s approval. If Xiaoxiao approved, then naturally, it wouldn’t be a problem. Lin Yi only had one intention right now- which was to make Xiaoxiao happy, if Xiaoxiao was happy, everything was possible.

Xu Shihan’s body illness was just a small matter. If Xiaoxiao was happy, Lin Yi would be glad to help Xu Shihan out.

Chapter 1295: You’re Healthy

“Xiaoxiao, would you like to join?” Xu Shihan turned to Xiaoxiao as she asked. Xu Shihan was really asking from the bottom of her heart sincerely. She didn’t know why she felt close when she first landed her eyes on Xiaoxiao.

“Really? I can go?” naturally, Xiaoxiao wanted to go, but she raised her head and looked at Lin Yi instead.

“Okay, we’ll go and have a look. I’ll call Chu Mengyao and them to go back first.” Lin Yi nodded.

“Brilliant!” Xiaoxiao cheered happily.

The Miss, Shu, and Tangyun were compromisable. They didn’t give any negative responses and agreed to wait after Lin Yi asked them to go back first. It was obvious that they were all standing in the same line regarding Xiaoxiao’s case.

Wang sis knew that Xu Shihan’s headache was cured by Lin Yi, so this time around, she didn’t object to them for joining the party. Besides, this celebration party was not just the company’s staff, people from the upper society were invited too, so bringing Lin Yi and Xiaoxiao along was not an issue at all.

Lin Yi, Xiaoxiao, and Xu Shihan left the stadium together, and while Feng Sanhuang was following Xu Shihan by the side all the time, not separating an inch. Although he might look carefree, Lin Yi could feel that his guard was never lowered!

Late peak phase mystic class master. Lin Yi was still dumbfounded to find a master this level being the superstar’s bodyguard.

“Miss Xu, your bodyguard is always by your side. Is his salary super expensive?” Lin Yi smiled lightly as he asked.

“Not bad, it’s more expensive than a normal bodyguard, thirty thousand a month.” Xu Shihan didn’t hide and said honestly.

“Thirty thousand? It’s indeed slightly higher than a normal bodyguard.” Lin Yi nodded, but he was scandalized inside! Paying only thirty thousand to a peak late phase mystic class master? With his strength, he could very much work for a noble house and earn more than three hundred thousand,

instead of a lowly thirty thousand... even when Lin Yi started working for Chu Mengyao, his salary was already this much. Besides, he worked for Chu Mengyao because he was introduced by his old man.... He hadn't had a choice, so he was very curious why a master like Feng Sanhuang was willing to work under Xu Shihan!

However, Lin Yi didn't continue asking, Feng Sanhuang's face was still the same, he hadn't noticed Lin Yi's true strength yet,

Lin Yi and Xiaoxiao got into the car with Xu Shihan. Xiaoxiao and Xu Shihan were still together on the same row while Lin Yi was sitting alone opposite of them.

"Mister Lin, please excuse my manners, can we start talking about my body condition? About my headache?" Xu Shihan told Lin Yi about her condition and her trouble.

"Lin Yi honey, why don't you go and have a look? I feel bad for Xu Shihan having a headache all the time!" Feng Xiaoxiao and Xu Shihan became closer now. Naturally, she would be worried about her condition.

"Sure, but I can't guarantee her full recovery." Lin Yi knew this was coming; he didn't reject and went straight to Xu Shihan's arm, grabbing her arm and examining her pulse.

Xu Shihan blushed upon the physical contact- she had never been this close with a guy before. She knew that this was for the treatment, it was inevitable, but she couldn't help but feel embarrassed- especially when his girlfriend was sitting beside her.

Feng Sanhuang, who was sitting at the back of the car, his face changed slightly when Lin Yi went to grab Xu Shihan's arm, but since she didn't resist, naturally, he had no right to stop Lin Yi.

"How long has it been?" Lin Yi released Xu Shihan's arm and asked faintly.

"More than ten years already.... I don't remember the exact time when it started. I was too young back then..." Xu Shihan frowned- her memories were blurry. As she recalled, her face turned painfully bitter.

However, her face changed from pain to white as in like there was no blood under her skin, and her forehead started forming cold sweat. She couldn't believe the headache was back! But it was a golden opportunity for Lin Yi to examine now!

"Headache..." Xu Shihan placed both her hands around her head. "It starts again..."

Lin Yi furrowed his eyebrows and swiftly examined her body again, from pulse to eyelid to tongue, much to his surprise, there was nothing wrong. He hesitated for a while and brought out his needles as he started giving Xu Shihan treatment.

This time around, Lin Yi did the treatment when Xu Shihan was awake with her consciousness, so when Lin Yi touched her chest area, she couldn't help but feel uncomfortable. She knew that Lin Yi wasn't taking advantage of her, and he was seriously giving her treatment!

He had known Lin Yi more than enough to believe that he didn't have any ill intention of her. She would never believe if someone told her that Lin Yi was planning on taking advantage of her! During the photoshoot, Lin Yi didn't even show any interest in taking a picture with her, and when he was

examining her pulse- he was super professional. How would a person like this take advantage of the situation?

Besides, his girlfriend was sitting beside, how would he have the courage? Wait a minute.... That was what his girlfriend wanted, wasn't it? Thinking until this point, Xu Shihan didn't know how to react.... His girlfriend was also one of a kind, wasn't she?

However, Wang sis was a little nervous when Lin Yi touched Xu Shihan- she was a public figure, after all. Touching her was already inappropriate, and he was touching her chest area, no less! But since it was for the treatment, she didn't voice out her dismay but observe Lin Yi's action with her full attention.

Meanwhile, Feng Sanhuang's heart was racing too- he was glaring at Lin Yi. If he dared to do anything improper, he'd charge and attack him immediately.

Wang sis's stare was nothing to Lin Yi, but it was a different story to a master like Feng Sanhuang, Lin Yi had been observing him and had his guard up all this time- who knew if he'd come to attack him when he started treating Xu Shihan!

"I'm feeling better now...." Xu Shihan was grateful as she looked at Lin Yi. "I don't feel any pain anymore..."

Lin Yi nodded and quickly removed the needles from her body.

"You've no disease, super healthy!" Lin Yi had confirmed her condition this time as he announced with a serious face.

"Huh?" Xu Shihan flinched and looked at Lin Yi with her eyes opened wide. "I've no disease? Healthy? What do you mean?"

"I mean, your body has no illness or disease!" Lin Yi said slowly word by word. "You are healthy!"

Chapter 1296: A Heart Breaking Past

"No illness?" Xu Shihan was completely stunned, "You mean, I'm totally fine? Then, my headache...."

"The headache is there, but your body is fine," Lin Yi explained, "Illnesses in the body is not always the source of having a headache. You can be completely healthy while having a headache at the same time! There are many factors causing a headache. For instance, you are facing some difficulties in life, or you had a sad past, these are examples that will cause a headache! Bankruptcy or even losing a close member will cause a headache."

"I...." Xu Shihan suddenly recalled- she met a miracle doctor in Songshan city last time, after the inspection, he said that she was totally fine too! Even other hospitals couldn't determine the cause of her headache, could it be that what Lin Yi said was a fact?

Wang sis even called the miracle doctor a scammer after the result came out saying that she was fine. Xu Shihan was silent at that time because it was a conclusion from a famous doctor, but he couldn't

treat her headache. But now, Xu Shihan started to believe in their words because Lin Yi's medical prowess was obviously superior to others, even higher than the Medicine King Zhao she met.

So, she was convinced that Lin Yi's conclusion was accurate. She did believe him, but she was shocked.

Wang sis couldn't help but frown at Lin Yi's conclusion, she wanted to comment about it, but after seeing how Lin Yi performed his medical skills just now, she decided to shut up.

"But, I don't have anything that will cause me trouble right now, not even stress..." Xu Shihan pondered and asked.

"Not now, remember I asked you when did this headache start? You said that your headache started since you were young. In other words, some past events might be troubling you since you were young until now! You must have met something that causes your headache now. Something awful must have happened in your life experiences or your friends, but this event hasn't been resolved, so the headache continues!" Lin Yi explained. "This is more to a psychological level- it's like a knot in your heart. It has nothing to do with your body's well-being!"

"Ah!" Xu Shihan was flabbergasted by Lin Yi's analysis. He wasn't shocked by Lin Yi's explanation, but what Lin Yi said hit the jackpot. She did have a knot in her heart!

What Lin Yi said was right, she suffered greatly when she was young, and every time she thought of the event. Her head was always cracking, so she tried her best not to think of the matter as much as possible.

However, Xu Shihan didn't realize that this event was related to her headache. As far as she was concerned, she thought that her headache was always present, but whenever she thought of the tragic event, it triggered the pain receptor to act up. Never did she think that that event was the source of her headache!

On the other hand, Wang Sis who was suspicious of Lin Yi a few seconds ago was dumfounded now- she knew Xu Shihan's past really well, it was no secret to her, but as an outsider like Lin Yi, there was no way he would know about it but why was he able to point it out? There was only one reason his diagnosis was perfect!

"You're right.... When I was young, in fact, I did encounter some hardships, and it became a knot in my heart until now it's not solved yet...." Xu Shihan sighed, "Would you like to listen to my story?"

"Sure," Lin Yi nodded.

There were no other people in the car. They were all in the company's private big car. The driver's cab was separated from the passenger's compartment, so the conversation between Xu Shihan and Lin Yi could only be heard by Xiaoxiao, Wang sis, and Feng Sanhuang. Meanwhile, this even was no new news to Wang sis and Feng Sanhuang. Lin Yi could tell that from reading their expressions.

These people might be the closest people to Xu Shihan- there were no secrets between them.

"When I was young, I used to live with my mother, and my dad came back to visit us once in a blue moon. I remember asking mom, why couldn't dad stay with us every day?"

“My mom told me that dad’s work was super hectic- he couldn’t spend much time with us. He could come to visit when he had leisure time...”

“Of course, I was too young to know anything, so I believed what my mom told me, until later when I grew up, I slowly understood that I was the illegitimate daughter of my dad...”

“I followed my mother’s surname, so until now, I didn’t even know who my father is...”

“When I was four years old, on a silent night, a very fierce-looking woman broke into our house, she scolded my mom calling her a b*tch and called me a b*stard...” Xu Shihan’s face didn’t look good when she reached this part of the story. “After that, I realized that that woman was probably my dad’s main wife...”

“That woman and her underlings tried to kill my mom and me, but to save me from getting killed, my mom was injured seriously by that woman. In the end, we successfully escaped from the woman’s devil claw...”

“My mom fainted on the street after we escaped, I went seeking for help and ended up lost and was sent to the orphanage...”

“I was too young at that time, but as I grew up, I went back to that place to look for my mom, but to no avail, she was nowhere to be found...”

“From that day onwards, I haven’t met my mom ever since.... Not knowing if she....” Xu Shihan broke into tears.

Although the flow of the story was inconsistent and choppy, Lin Yi understood what Xu Shihan wanted to say!

Xu Shihan’s mother was probably the man’s mistress, but his main wife found out and tried to eliminate them completely. However, they were able to escape safely from the woman.

Xu Shihan had lost both her parents- this knot was obviously not easy to be resolved!

“Miss Xu, stay strong! Life is not a bed of roses, but since Miss Xu with your current achievement- it wasn’t easy to obtain as well, no ordinary human could reach this height like you. This is not an illness; this knot you have to open it yourself. I can’t do anything about it!” Lin Yi sighed.

“Thank you very much.... No matter what, I still have to thank you! You found the source of my headache, after all!” Xu Shihan added. “Then what should I do now?”

“Radical cure is impossible, but I can give you some medicine. When the headache appears, just consume one pill, then you’ll be alright.” Lin Yi continued. “This medicine is poison-free; you don’t have to worry. Remember, do not consume any other pain killers. It’s harmful to our body!”

Chapter 1297: Are you Threatening Me?

“Thank you, Mister Lin!” Xu Shihan was grateful to Lin Yi. Although Medicine King Zhao’s medicine was effective as well, Lin Yi would never demand anything like Zhao Qibing did.

“No problem. You don’t have to thank me. Fate connected you and Xiaoxiao, so we’re considered friends too!” Lin Yi only took Xu Shihan as a friend because of Xiaoxiao.

“Sure. How much is the medicine? Although we are friends already, I still have to pay for the treatment. I can’t take advantage of it, can I?” Xu Shihan nodded and asked.

“No need for that. If you weren’t a friend, I wouldn’t even help if you have money,” Lin Yi waved his hand. “It’s a gift. I don’t need the money.”

“That can’t do- that’s not a horse of the same color, and since this headache of mine is a long term problem, I might need to ask for the medicine all the time. I can’t just receive it for free, can I?” Xu Shihan said.

“Not really, the medicine I give you will only last you for a period of time, but the good news is that Miracle Doctor Guan’s company will launch the painkiller pill into the market real soon. You can buy the medicine there yourself. That’s one of my recipes that has the same effect.” Lin Yi said.

“Ah! Miracle Doctor Guan’s company?” Xu Shihan’s eyes widened and looked at Wang sis, embarrassed. “The company you’re mentioning? Is it the newly developed company that has just launched a new product into the market recently?”

“You knew? Oh yeah, I did ask Fatty Lai to find you as our VIP, but was rejected.” Lin Yi remembered.

“Ugh...” Xu Shihan stuck her tongue out. “Sorry, I didn’t know that you were a part of the company if I knew, I’d have attended the conference! I hope you don’t mind!”

“It’s nothing, just a new product conference.” Lin Yi didn’t really mind., “We only wanted to have a celebrity effect back then.”

“En, can I be the image representative? Don’t worry. I won’t take a single cent, it’s completely free!” Xu Shihan didn’t feel good for not doing anything to repay.

“Sure, just come when you are free.” Lin Yi said casually. It wasn’t a bad idea to have a superstar as their image representative, after all.

Wang sis didn’t stop Xu Shihan’s suggestion. After all, it was a huge favor from Lin Yi. Initially, she thought that it was a hopeless trip to Songshan city but who knew everything had changed and Lin Yi solved the issue!

Hence, not only could they avoid looking at Zhao Qibing’s face, they could even avoid treatment from a not so reliable-looking Medicine King Zhao who had needles all over his body.

“It’s a deal then!” Xu Shihan nodded in response as in like she had been the image presentative no matter what.

Feng Xiaoxiao who was sitting by the side, listening attentively. She found out that Xu Shihan was also a sad person- she wasn’t any happier than a short-lived demon like her! However, Xiaoxiao didn’t react

nor comment on it- she didn't want to disturb Lin Yi, "Xu Shihan, does that mean I can always see you in the future!" she only commented excitedly after the treatment was done.

"Hehe, yes, Xiaoxiao, we can play a lot together in the future!" Xu Shihan smiled. "Mister Lin has my phone number. Just call me anytime."

"Call me Lin Yi. Mister Lin is a bit weird." Lin Yi said.

"Sure, you should stop calling me Miss Xu as well. Call me Xu Shihan or Han will do," Xu Shihan nodded.

"Right, did you go to Zhao Qibing before?" Lin Yi suddenly recalled hearing the conversation of Su Jiaonang and Zhao Qibing in the washroom of the first floor of the sporting arena."

"En, I did... but what they requested was too much. I couldn't afford to receive their treatment," Xu Shihan said unnaturally.

"Good, don't go there, you might even lose your life getting treatment from him." Lin Yi reminded.

"Huh? Losing my life?" Xu Shihan flinched.

"Nothing, just remember, don't take any treatment from them." Lin Yi didn't explain.

The car slowly reached the entrance of the starlight hotel. Xu Shihan's celebration feast was held here. The entertainment company had invited people from the upper society to join the celebration as well.

"Lin Yi, Xiaoxiao, you guys enter the venue first. I've to do some makeup before going up the stage." Xu Shihan got down from the car and said apologetically to them.

After all, it was the procedure of the celebration feast. Xu Shihan couldn't change it so she could leave Lin Yi and Xiaoxiao as she left.

"No problem. Just go ahead. Don't worry about us." Lin Yi shrugged his shoulder. He just wanted to please Xiaoxiao, so Lin Yi didn't really care.

After getting down the car, Lin Yi and Feng Xiaoxiao had the invitation card given by Wang Sis in their hand as they entered the hotel. Meanwhile, Xu Shihan and Wang sis entered via the worker's passage to get prepared for the celebration.

"Mister Lin, please wait for a moment," Lin Yi was stopped by Xu Shihan's bodyguard after two steps.

"What's the matter?" Lin Yi stopped his forward and turned back.

"Mister Lin, I hope you won't disclose Miss Xu's illness and her past to the public. Otherwise, I can't guarantee your safety." Feng Sanhuang strolled over and lowered his voice as he said coldly.

Feng Sanhuang was afraid that Lin Yi would expose Xu Shihan's childhood past experience to the public, which would potentially ruin her image in public. He didn't want the master's enemies, and his master's main wife heard the news. Otherwise, only troubles would arise.

"Are you threatening me?" Lin Yi looked at Feng Sanhuang funnily.

Lin Yi couldn't believe Feng Sanhuang was this loyal- he even caught up to Lin Yi and reminded him about this matter!

“You can say that, even if you are mystic class mid-peak phase spiritual master,” Feng Sanhuang said faintly.

Lin Yi was slightly stunned by Feng Sanhuang’s words- he couldn’t believe he could see through his strength. He pondered for a while and understood why Feng Sanhuang knew his true strength!

Lin Yi was using his pure qi to disinfect the needles just now. It might be a split second of channeling his pure qi. He couldn’t believe Feng Sanhuang realized that.

“Don’t think that you can talk to me like that being a mystic class late peak phase spiritual master!” Lin Yi eyed Feng Sanhuang. “I can be persuaded by reason but not cowed by force. I’m not a big fan of betraying my friend, but since you’re not my friend, would you please excuse us.”

Feng Sanhuang didn’t stop him as he stared at Lin Yi’s back. His face was unidentified. He couldn’t believe- Lin Yi was able to pinpoint his true strength in such a period of time!

Chapter 1298: Who Is This Person?

Figuring out Lin Yi’s true strength wasn’t strange because when Lin Yi was disinfecting the needles, he had to reveal it!

But, Feng Sanhuang was certain that he never channeled his pure qi during the whole journey, so how did this Lin Yi figure out his true strength? Feng Sanhuang was astounded!

Feng Sanhuang didn’t know if Lin Yi was telling the truth or not, but he was able to figure out his true strength with a straight face. He might be serious, not joking at all! In other words, Lin Yi could content against him!

It was the first time Feng Sanhuang felt like he was a busybody- meddling too much?

However, what Lin Yi said put Feng Sanhuang at ease- he said that he wouldn’t betray his friend! Feng Sanhuang shook his head and quickly followed Xu Shihan at the back as he joined the team.

“Lin Yi honey, what does the bodyguard mean? Threatening us? Besides, he has the strength of a peak late phase mystic class?” Feng Xiaoxiao was dumbfounded as she asked.

“En, indeed, this man is kind of mysterious!” Lin Yi nodded. “I don’t know why a master like him is giving his service as a bodyguard to Xu Shihan, and his monthly salary is only a mere thirty thousand, the salary is just overly-underprized!”

“But it seems like he is doing all that for Xu Shihan? Threatening us is all for the good of Xu Shihan. Guess it has nothing to do with us if he does no harm to Xu Shihan?” Xiaoxiao said.

“Yeah, it has nothing to do with us.” Lin Yi held Xiaoxiao’s hand as they entered the hotel because of the photo- the schedule was delayed, so Xu Shihan’s gang, along with Lin Yi, were the last to arrive at the hotel.

Meanwhile, all the invited guests were already waiting in the hall.

Lin Yi entered the hall with the invitation card from Wang sis. He brought Xiaoxiao to a corner and sat down.

Lin Yi was keeping a low profile in the hall because he saw a few familiar faces there!

Li Cihua and Zhao Qibing! Xiao Wangba and Xiao Wangdao! Wu Chengtian was beside them too! Plus, there was a guy, he looked familiar, but who was he?

“Isn’t that the Wu Iron fist the idiot?” Feng Xiaoxiao saw Wu Chengtian. “And there are the Xiao stupid brothers too.”

“Yes, it’s him, just ignore them, we’ll wait for Xu Shihan here.” Lin Yi was disinterest with thee people- as long as they didn’t come looking for troubles themselves, Lin Yi wouldn’t go bother them.

Zhao Qing was especially happy today. He knew that Xu Shiahn didn’t want him to join the celebration, but as one of the famous young masters in Songshan city, an invitation card was sent to him by the entertainment company!

The entertainment company didn’t know that there was bad blood between Xu Shihan and Zhao Qibing. They only invited him because he was a man with high status in society!

Although Xu Shihan was a clean superstar, and no rumors were ever spread before, sometimes, young masters were needed in these events to raise the value of the celebrity, weren’t they? A superstar without any followers weren’t superstars, were they?

“Master Bing, your legs.... Why aren’t they recovering yet?” Xiao Wangba asked Zhao Qibing, who was still in the wheelchair. He had been sitting in a wheelchair for quite sometimes; besides, having an existence like Medicine King Zhao beside him, he should be recovering in no time, but why was he still in a wheelchair?

“Erm.... don’t mention it any more!” a scowl flashed across Zhao Qibing’s face, it was all because of Lin Yi! But he couldn’t do anything against him at all!

Xiao Wangba stopped asking when he saw Zhao Qibing’s face turned ugly and changed the topic instead. Even though House Xiao had the hidden house Pi’s support now, things had taken a great change- they were no longer the old House Xiao, but Zhao Qibing was still from a hidden noble house, they were no match to him. Naturally, he still had to give face in front of Zhao Qibing.

“Master Bing, Xu Shihan is truly a big beauty, what do you think, are you planning to bring her home?” Wang Xiaoba asked.

In fact, both the Xiao brothers were thinking about the same thing, but since Zhao Qibing was here, they had to ask Zhao Qibing about his thought first. Otherwise, it wouldn’t look good if they were to fight on the same girl!

As for Wu Chengtian, he came here to accompany the Xiao brothers- he had been staying with the Xiao brothers these days and became super close! However, Wu Chengtian was crazy over Sun Jingyi. He wouldn’t have the mood to play a superstar like Xu Shihan for sure.

“Ha, you’re right! I’m here for that purpose!” Zhao Qibing squinted his eyes when he smiled. “This Xu Shihan is much prettier in real life than on screen, I couldn’t take my eyes off her after a glance, she made me so horny- I wanted to bring her to my bed directly!”

Zhao Qibing wasn’t trying to hide his intentions at all, and his voice was loud- people beside him could hear him loud and clear, but most of them knew him, they knew how powerful was him and his background so they had to think twice before approaching Xu Shihan now as their first obstacle would obviously be Zhao Qibing!

“I see... then I wish Zhao Bro all the best in owning her!” Xiao Wangba’s face changed slightly- he wanted to own Xu Shihan initially, but since Zhao Qibing had the intention- he had no choice but to give up, hadn’t he?

Wu Chengtian didn’t really care. He was now talking to the young guy- it seemed like he was trying to please him, but this young guy wasn’t interested in him at all.

Who was this guy? Lin Yi furrowed his eyebrows- recalling, where he met this young guy!

Lin Yi was certain that he had met this guy before, but he couldn’t figure it out right now! But he was sure that this guy wasn’t very close with him, otherwise, why would he take so much time to remember who he was...

Just when Lin Yi was still cracking his brain, music started playing in the background. Xu Shihan was about to rock the stage again!

Indeed, with a round of applause, Xu Shihan entered the hall along with her agent, Wang Sis, and her bodyguard, Feng Sanhuang, beside her. However, there was a guy beside him, a middle-aged guy. He was probably the boss of the entertainment company!

Chapter 1299: Conflict in the Hall

The people in the hall quieted down after Xu Shihan’s entrance. Everyone had their eyes and attention at Xu Shihan on the stage.

Xu Shihan walked to the side of the stage. She went up the stage with the middle-aged man when everyone was clapping.

Wang Sis and Feng Sanhuang, on the other hand, stood where they were.

“Thank you for joining our company’s celebration feast for Miss Xu Shihan’s concert!” the middle-aged man gave his speech first being the CEO of the entertainment company. Naturally, he had to speak first, “The concert today was a huge success. Here, I show my greatest gratitude to everyone who has supported Miss Xu Shihan, and here, I wish Miss Xu Shihan all the best and giving her my blessings! Thank you!”

The middle-aged man’s speech was short and simple yet very formal. Xu Shihan might be under her, but he didn’t dare to treat her lightly. First, ignore the fact that Xu Shihan was a money tree, people

supporting her from the back was huge- they could cover the sky with their bare hands, this intimidated the middle-aged man greatly!

He still remembered, three years ago, he accidentally spilled out some nonsense after drinking, the cold stare Feng Sanhuang gave him, and the terrifying aura he emitted. He hired a golden class master as his bodyguard with an absence of money back then but was defeated by Sanhuang with a punch! The middle-aged man felt like his heart was about to explode at that time!

Especially when Feng Sanhuang revealed the person who was backing Xu Shihan from the dark, the middle-aged man was so terrified he bowed down instantly, asking for forgiveness and promised that he would treat Xu Shihan as his own daughter and glorified her in the company.

No one was interested in what the middle-aged man said, they were here to see Xu Shihan, after all, but since he was the CEO of the entertainment company. People still have to spare him some face, so when he ended his speech, warm applause was given!

After the applause, Xu Shihan started to speak.

"I'm super happy today, although there was a small accident during the concert, it was solved perfectly without a flaw." Xu Shihan smiled. "Thank you for those who helped me during the concert, thank you!"

To the public, it seemed like she was referring to the guests and workers, but in fact, this appreciation was directed at Lin Yi. She believed that Lin Yi was able to understand and receive the message. Lin Yi understood the message behind the speech, but he didn't react to it. He only smiled lightly, not even raising his head to look at Xu Shihan.

Seeing Lin Yi in the corner without any reaction, Xu Shihan was a little pissed. Who dared to not look at her when she was giving a speech? Everyone was listening attentively, and only Lin Yi wasn't looking at her. She didn't know what Lin Yi was doing, was he sleeping?

Xu Shihan had an urge to charge at him and send him flying with a kick, but there were so many people here, and being her savior, she could only swallow her displeasure! If Lin Yi were just a passenger, Xu Shihan would never get angry over it. But since they were already friends, he still ignored her.

Xu Shihan's speech was short too. She knew that there were no real fans on occasion like this, so genuine speech wasn't needed- she only had to show her face and handled them casually. Many people here didn't have pure thoughts joining this celebration. They only wanted to push her down. Xu Shihan knew this very well herself!

"Good, everyone can start the celebration already!" the middle-aged man took the microphone and ended the speech.

The celebration had officially started, Xu Shihan didn't give a toast to the guests- this was one of her rules, alcohol was out of her list. Naturally, she could skip this procedure.

However, when the party started, many raised their toast, Xu Shihan couldn't just walk away with everyone raising their toast, could she? She replaced the alcohol with tea and raised her cup, giving back the guest a toast, entertaining them.

Xu Shihan didn't like occasional like this very much, but of course, she didn't like it, didn't mean that everyone should hate it too. Some unknown artists were even dying to attend a party like this to raise their reputation.

"Miss Xu, what a coincidence, we meet again!" Zhao Qibing came over with his wheelchair along with Su Jiaonang.

Xu Shihan's face changed slightly when he saw Zhao Qibing- she couldn't believe her eyes. Even Zhao Qibing would attend her celebration like this! However the name list was prepared by her company, and she had zero ideas what guests were invited

Zhao Qibing's appearance cleared the space around Xu Shihan. The young masters who were trying to hit on her previously walked away voluntarily- Zhao Qibing's name was very popular, after all. All of them who represented their fathers here knew what a man Zhao Qibing was, and the reasons for them to be here were simple, some wanted to sleep with Xu Shihan, but most wanted to make more connections in order to expand their business.

Of course, Zhao Qibing had shown how eager he was to dominate Xu Shihan so the other young masters, naturally, wouldn't go against him.

"Young Master Zhao, nice meeting you," Xu Shihan nodded and smiled. Although she hated him, she didn't show it on her face.

"Miss Xu, would you like to drink with me later? We can take a seat over there and have a little chat?" Zhao Qibing went directly to the point and invited her to drink.

"Sorry, Young Master Zhao, I don't drink. Besides, there are many guests today. I'm afraid I can't fulfill your request talking to you alone, perhaps next time?" Xu Shihan rejected Zhao Qibing's offer politely.

"Many guests? Which guest? Why don't I see guests here? What are you guys doing? Don't stand here; get the hell away, and mind your own business!" Zhao Qibing eyed the young masters around and threatened them to fuck off from his sight.

These people came to make friends and build connections. Who would dare to fight Zhao Qibing for a woman? Even if the woman was a hot superstar and all, but it wasn't worth it to offend Zhao Qibing for that reason.

Sp, everyone moved away after hearing Zhao Qibing. No doubt, Zhao Qibing held the most power in this hall. If Xu Shihan couldn't become his plaything, the others shouldn't think about it, either.

"Zhao Qibing, I don't like your style. The way how you hit on a girl is so extreme. You are one of a kind," the man who was standing beside Wu Chengtian spoke up.

Zhao Qibing paused at the discrimination as he looked back and stared at the guy with cold eyes. "Oh? Isn't that the second young master of House Sun? Why, what's wrong, are you pissed that you couldn't be the successor of House Sun? So you came all the way here to release your frustration?"

"So what if I say yes? Second is still stronger than a bastard son like you," the man hmphed coldly and said lightly.

Chapter 1300: Getting Out of Trouble

Wu Chengtian was taken aback when the young man beside him stood up and fought against Zhao Qibing! Wu Chengtian knew how righteous this young man was, but he should know when to be righteous, shouldn't he? Even if he was a bastard son, he was still a member of the hidden noble house, and while they were just House Wu and House Sun, the common world's noble houses. The difference was too great!

"You lowly peasant from House Sun dares to talk so cockily in front of me. Don't think that I won't touch you because of your house. They won't care if a bastard son tried to kill you! They won't stand up for a person who isn't the successor of House Sun, Mr. Second!" Zhao Qibing laughed.

The man's face turned extremely ugly- Zhao Qibing's words were precise. He wasn't really an important figure in House Sun with his brother on top suppressing him, and it was hard being the second eldest, especially when this young man was so righteous- his brother had been summoning him to do this and that- he knew that he was being used, but he didn't mind and did it willingly anyway.

Due to this reason, his position in House Sun was just ordinary- always getting ordered by his brother. He even pointed out House Sun's disadvantages during the house meeting a few times, and his family members were not happy about it! But, this young man didn't regret his decision if he saw something wrong he had to correct it- if he knew someone was getting bullied, no matter what, he would stick his head in!

"You? Kill me?" the man looked at Zhao Qibing's legs and smirked sarcastically.

"Li Cihua, slap him!" Zhao Qibing pointed at the man and demanded.

Realization dawned upon Lin Yi after hearing their conversation. House Sun, was this the house Uncle Fu mentioned? Was he from the same house as Sun Jingyi? This man, was Sun Jingyi's brother?

Sun, Lin Yi suddenly remembered where he met this guy! Sun Yikai, this man is Sun Yikai!

He recalled meeting a young man driving Ferarri when he moved into Chu Mengyao's villa. That man called himself Sun Yikai and said that if Lin Yi faced any troubles, do not hesitate to look for him. He would always back Lin Yi up!

Lin Yi had a pretty good impression of him at that time and found him easy-going.

Lin Yi might be cold in handling things, but that was only to his enemies. Towards his friends and people who had helped him, he would treat them a hundred folds better! Ignoring the fact that Sun Yikai and Lin Yi were friends, Lin Yi's and Sun Jingyi's relationship alone was enough for Lin Yi to make a move against Zhao Qibing!

"I'll go have a look!" Lin Yi stood up and strolled towards Zhao Qibing.

"Me too, wait for me, Lin Yi, honey." Xiaoxiao loved drama, how could she miss out on the fun?

Sun Yikai's face turned extremely ugly. He couldn't believe Zhao Qibing was this much of a tyrant. He dared to ask his lackey to slap him in public! As an heir of a noble house, Sun Yikai had never been this

humiliated this big before! People would always give face to House Sun, settling issues peacefully. But today, it was different. After calming down, Sun Yikai suddenly realized that he was facing the heir from a hidden noble house- he was no ordinary common world noble house!

But Sun Yikai was no coward. Even after facing Zhao Qibing's naked treat, he was still puffing up his chest and standing straight!

Zhao Qibing had the upper hand here. House Sun might be special within the noble houses because of their healing ability. They mastered to heal not to fight, so Sun Yikai was different from other practitioners- even Li Cihua alone was enough to give him a good lesson!

"Master Bing, please give me face and let him go, Sun bro is still young and ignorant, Master Bing don't argue with him...." Wu Chengtian was in a difficult position. As difficult as the situation was, he had to stand up for Sun Yikai!

Sun Yikai was Sun Jingyi's brother. He had to protect him no matter what!

"Sure, if he apologies now, and scam immediately, I'll let this pass!" Zhao Qibing was somehow afraid of Wu Chengtian because of strength. He didn't have anyone that could fight him now- none of them was his opponent, so when Wu Chengtian stood up for Sun Yikai, Zhao Qibing took advantage of the situation and gave him face.

"Wu bro, you don't have to stick your leg in. I really can't let him do whatever he likes!" Sun Yikai couldn't believe Wu Chengtian would stand up for him. Although he didn't like Wu Chengtian, this person and didn't support him hitting on his sister, Sun Yikai realized that he was actually pretty faithful to a friend.

"Wu Chengtian, see? He doesn't even want you to interfere, just let us settle our score here, you don't have to stand up for him!" Zhao Qibing hmped and signaled him not to interfere.

The situation was getting worse. Xu Shihan couldn't help but sigh. Sun Yikai was standing up for her. Naturally, she didn't want him to be involved in the fight as well, "Young master Zhao, if it's the case, I shall have a drink with you over there, but I can only drink tea...."

Xu Shihan was trying to divert Zhao Qibing's attention back to her so he would stop his attack at Sun Yikai.

Zhao Qibing was over the moon when he heard Xu Shihan's words- he still thought that Xu Shihan was attracted to his aggressiveness! Previously she was still not impressed and reluctant to join, but a sudden change in her attitude made Zhao Qibing thought that his action had moved her heart!

As far as he was concerned, Xu Shihan might be a big fan of violence. It seemed his domineering strength could be used to hit on girls as well!

"Ha, sure, this way, please, Miss Xu!" Zhao Qibing was excited as he gestured and totally ignored Sun Yikai.

Sun Yikai, on the other hand, knew that he was saved by Xu Shihan. He felt very helpless inside as he sighed inside, shook his head, and was prepared to leave before hearing someone's objection.

“Han, Xiaoxiao is looking for you. Can you talk to her for a bit.” Lin Yi strolled over and blocked Zhao Qibing’s path. “I’ll keep this cripple company!”

“Eh?” Zhao Qibing was taken aback after hearing to that guy’s voice- this voice was way too familiar, wasn’t this Lin Yi’s voice? Both of his legs were crippled by him, while Uncle Zhu was still lying on the sickbed, and Yaowang had needles all over his body like a lightning rod. He was in horror to see the guy in front of him, how could he offend a man as powerful as him?

Xu Shihan flinched when she saw Lin Yi coming to rescue, she couldn’t believe her own ears, did Lin Yi just call Zhao Qibing a cripple? How would Zhao Qibing react?

However, Xu Shihan was surprised to see Zhao Qibing’s expression- he wasn’t furious, nor was he offended, oppositely, there were fear and horror written on his face!
