Chapter 1561: Didn't come back

With that, the strange man put his hand on Lin Yi's meridians, "Circulate your heart cultivation method and let me see!"

"Okay ..." Lin Yi smiled bitterly. He activated his practitioner's Arts and released his strength.

"Mystic late phase? Weren't you already an Earth Class? Why is he only Mystic late phase?" The strange man suddenly frowned and said.

Lin Yi jumped-he'd been discovered! "Yeah ..." Lin Yi said, bracing himself.

"That's right, you must have been injured at that time. For so many years, you didn't have the help of any heavenly treasures, so your strength has not recovered, right?" The strange man didn't wait for Lin Yi to explain and came up with a good excuse for him.

"Uh ... Yes," Lin Yi blinked before nodding.

"It's okay, we can start over again!" "All these years, I've already stolen the enemy's mental cultivation method. When the time comes, I'll pass it to you. We know ourselves and our enemy, and we'll be victorious in every battle. When you've mastered it, I'll take you back to take revenge!"

"Okay ..." Lin Yi didn't know what the weird man was talking about.

"Rest, I'm tired!" With that, the strange man fell asleep in the cave, not bothering with Lin Yi anymore.

Lin Yi looked at the map in his hand and smiled bitterly. He decided to return it to the strange man when he had the chance.

"Boss, we ..." Qikun didn't even dare to take a deep breath, afraid that the strange man would go crazy again. It wasn't until the man fell asleep that he pointed at him carefully and whispered, "Should we run now? He's asleep?"

Lin Yi shook his head. The man looked like he was asleep, but a Sky Class master's senses were undeniable-who knew if he'd wake up all of a sudden? If he woke up and mistakenly thought that she was pretending to be his student to trick him into giving her the treasure map, then she wouldn't be able to explain herself-she might even kill both of them!

"Let's talk about it tomorrow." Lin Yi really had no other choice-he had to think of an excuse to break up with this man. With the man's strength, he'd be able to catch up easily.

Qikun nodded and went to sleep, depressed. Lin Yi, on the other hand, sat down cross-legged and started practicing ...

In the middle of the night, the strange man was sleeping when he suddenly jumped up and shouted, "Run quickly, li'er, run quickly. They're coming, they're catching up!"

Lin Yi opened his eyes in surprise. He was about to say something when the strange man suddenly rushed out of the cave and disappeared into the night. When Lin Yi got up and chased after him, the strange man was long gone!

“Al!” Lin Yi sighed and looked back at the package on the floor. He couldn’t help but shake his head helplessly. This strange man was obviously mentally unstable. He didn’t know what kind of dream he had just now. Maybe he dreamed that an enemy came to his door and ran away in a hurry.

As for chasing, Lin Yi knew that he wasn’t a Sky Class “opponent-he couldn’t catch up! Lin Yi could only return to the cave and wait for the strange man to return.

“Boss, what’s wrong ... That old lunatic ...” Qikun was also woken up by the sudden situation. He opened his eyes and looked at Lin Yi in confusion.

“He ran away ... Maybe he’ll come back by himself in a while. You can sleep.” Lin Yi said with a bitter smile.

“Oh ...” Qikun nodded. If Lin Yi said he was fine, then he was fine. He went back to sleep.

When qikun woke up, the sky was already bright. Lin Yi had been waiting for the strange man to come back, but he still didn’t come back! It had been three to four hours since the strange man had left.

“You’re awake?” Lin Yi asked.

“En ... Boss, where’s that crazy old man?” Qikun opened his eyes, but the strange man was nowhere to be seen. Other than Lin Yi, there was only the Skybolt pig in the corner.

“He didn’t come back.” “I wonder if he’s coming back?” Lin Yi shook his head.

“It’s better if they didn’t come, they scared me to death ...” Qikun patted his chest.”Sky Class, that’s scary!”

“Ha ...” Lin Yi didn’t know what to do. He didn’t want to keep the map for himself, but the man never came back. Lin Yi was afraid of losing it in the cave, so he kept it with him,”“Let’s eat something. If that strange man doesn’t come back, we’ll be on our way,”

Qikun nodded and took out some compressed food from his bag. He gave Lin Yi some, and started eating a biscuit and a sausage.

The two finished eating and rested for a while. It was almost noon, and the snow outside the cave had lightened quite a bit. It hadn’t stopped yet, but they could see the road clearly. Lin Yi couldn’t wait for the strange man to come, so he got in the car with qikun and left the cave.

At the same time, something big happened in Songshan!

The criminal suspect had committed a series of crimes. Today, when he was robbing a few middle school students, a young man nearby saw it and stepped forward to pull off the criminal suspect’s mask. This scene was captured by a nearby college student photographer with his mobile phone and uploaded to the internet ...

As a result, the suspect’s true identity was finally revealed to the public. Although the suspect had injured the brave young man in a fit of anger, it was the first time that the police had seen his true identity ...

Lingshan looked at the video gloomily. She couldn't believe her eyes, but she recognized the person in the video-it was Lin Yi!

But how could that be possible? Was it really Lin Yi? Looking at the cruel and inhumane suspect in the picture, song Lingshan felt as if her heart was being stabbed ... No, it couldn't be. The Lin Yi she knew was not this kind of person!

"Captain song ... You can't judge a book by its cover ... Don't overthink it ..." Liu Wangli smiled bitterly. No one would believe him if he said that the suspect wasn't Lin Yi!

"It's not him ... It's definitely not him!" Lingshan shook her head."Liu Wangli, look at the suspect's eyes. They're dull and lifeless. They shouldn't be the eyes of a normal person ..."

"Maybe it's a criminal's numbness ..." Liu Wangli believed that the suspect was Lin Yi!

All the evidence, including this video, could strongly prove this point.

Chapter 1562: misunderstanding

"Definitely not!" Lingshan shook her head stubbornly.

Liu Wangli sighed. He knew that there was something going on between song Lingshan and Lin Yi, and Lin Yi suddenly became an unforgivable criminal suspect. Naturally, song Lingshan wouldn't be able to accept it!

Lingshan's phone rang when she was about to say something more. She picked it up listlessly-it was yang huaijun, calling for an emergency meeting!

It was obvious that huaijun saw the video at the first moment-did he believe that Lin Yi didn't do it?

Lingshan stood up and walked to the meeting room with Wangli. Huaijun was already there, and his face didn't look too good either. He was a little serious, a little nervous, and a little worried ...

"I believe everyone has seen the latest video evidence, right?" Huaijun said, seeing that everyone had arrived.

"That's right, chief yang, I told you that the suspect was Lin Yi, but Captain song didn't believe me!" Hekan Wang was the first to speak,""What do you think now? The suspect was Lin Yi, right? What kind of criminal can escape my eyes?"

"Didn't you say it before? Maybe Lin Yi found someone who looked similar to him to impersonate him and commit the crime? If Lin Yi can find someone similar to him, why can't others?" Lingshan was getting more and more annoyed at this Wang hekan-what was he doing with Lin Yi?

"I did say that, but wasn't that when I was masked? Now that the mask was off, it wasn't just about looking like him anymore-he looked exactly like Lin Yi! You think this is a substitute?" Wang hekan pouted and said,"bureau chief yang, as you can see, your Captain song seems to have a good personal relationship with the suspect. In her current situation, she is no longer suitable to work in the special task force. I suggest that she be transferred away from the special task force and avoid this case. Otherwise, I can't help but think that she will be biased."

"This ..." Huaijun smiled bitterly. "Detective Wang, Lin Yi is a person I know. Logically speaking, he isn't like that, but we need evidence to speak for ourselves. Since we have enough evidence, we can basically confirm that the suspect is Lin Yi!"

"This is more like it!" "Yes!" Wang hekan nodded. "However, Captain song shouldn't take part in the capture mission. I don't think she's firm in her stand!"

"..." Song Lingshan was speechless. Would it kill you to talk less?

"Captain song, your current mood is indeed not suitable for the task force. You should go back to the office first. After the meeting, I will arrange other work for you!" Huaijun said.

"Director yang ..." Lingshan blinked-even huaijun believed that Lin Yi was guilty, and even kicked her out of the special task force! Her eyes were wide open, unable to accept this!

Lin Yi, wasn't he his comrade? The two of them had been friends through life and death-how did huaijun end up like this? Didn't he trust Lin Yi anymore?

"Don't say anymore. I've already decided. You just need to follow my orders!" Huaijun said in a serious tone.

"Yes!" Lingshan had no choice but to nod and leave the meeting room dejectedly.

Wang hekan, on the other hand, sneered. You're still too young to fight with me. I got you out of the task force with just a few words! Now, as long as song Lingshan was gone, Lin Yi would be a suspect for sure.

Huaijun and Wangli discussed the new plan and appointed themselves as the team leader, with Wangli as the Vice-leader, making plans and instructions for the future.

After the meeting ended, huaijun quickly made his way to Lingshan's office.

At this moment, Lingshan was sitting in her office, depressed. She couldn't understand huaijun's actions at all, and she didn't believe that Lin Yi was the suspect at all. This was a trust that came from the bottom of her heart-she didn't think that Lin Yi was that kind of person!

There was a knock on the door, and Lingshan gathered her thoughts and adjusted her state of mind. "Please come in."

Huaijun pushed the door open and entered Lingshan's office, closing it behind him and locking it.

"Director yang ..." Song Lingshan felt wronged. She couldn't believe what had happened today.

"Go to your lounge!" Huaijun said, pointing at the break room in Lingshan's office.

"Ah?" Lingshan blinked, remembering how huaijun had locked the door from the inside-she subconsciously raised her guard! Could it be that he was going to do something to her? Thinking back to how huaijun had kicked her out of the special task force today, and how he'd identified Lin Yi as a suspect ... Lingshan's heart was filled with even more worry.

"Director yang, you want to ..." Lingshan didn't follow huaijun into the room-she started channeling her strength as a Mystic, surprising huaijun!

“You ... You’re already a Mystic class master?” He couldn’t blame huaijun for being so shocked-Lingshan was only a golden class master the last time he saw her, and now she was a Mystic! Did Lingshan encounter something during this time?

Lingshan didn’t say anything, her eyes still on huaijun.

“Lingshan, you’re mistaken, right?” Huaijun saw Lingshan’s reaction, and remembered what he did before. He understood what Lingshan was worried about, and lowered his voice with a bitter smile.”I said the resting room because I’m afraid that the walls have ears, and I have something important to tell you ... Plus, you’re a Mystic, why would you be afraid of someone who hasn’t even recovered from the Golden class?”

“Ah? Oh, oh!” Lingshan blushed, realizing that she’d misunderstood. She opened the door and entered with huaijun.

Chapter 1563: The college entrance exam is coming

“I’m sorry, yang bro, I misunderstood you ...” Lingshan said, embarrassed.”Then ... What should we do now?”

“On the surface, our Task Force still has to lock Lin Yi as a suspect. There’s nothing we can do about that, but I’ll give you a secret mission in private. Investigate in secret and find out the truth. To the public, I’ll give you a break. I hope you can find out the truth. If you need anything, just give me a call and I’ll do my best to help you!” Huaijun said.

“Yes, thank you, brother yang!” Lingshan was surprised and happy at the words-she nodded. “Don’t worry, I’ll complete my mission and reveal the truth, clearing Lin Yi’s name!”

“En, right, I haven’t seen you for a while, and you seem to be interested in Lin Yi?” Huaijun said jokingly after they were done. “Weren’t you two quarrels before?”

“Yang bro, you’re making fun of me again ...” Lingshan said as she tidied her hair, embarrassed.

“What’s wrong? You’re embarrassed?” Huaijun asked with a smile.

“Not really. It’s just that I’ve been pursuing him, but I haven’t succeeded.” Lingshan decided to tell the truth,”Furthermore, he was the one who helped me increase my strength.”

“Him? Help you level up?” Huaijun paused-he was from a Noble House, too, and was very familiar with Lingshan’s practitioner’s Arts. They focused on dual practicing, but Lingshan said that they didn’t succeed yet? Since there was no dual cultivation, how could he improve his strength?

Suddenly, huaijun remembered the call he received from Lin Yi-he said that he had found a way to get back his strength. Could it be that Lin Yi used the same method on Lingshan?

“Yeah, it’s funny, he made both Yutian and I Mystic early phase ...” Lingshan smiled bitterly,”“Yang bro, do you think someone as powerful as Lin Yi would do those cases?”

“Even Chen Yutian ...” Huaijun took in a cold breath-he didn’t think that even Chen Yutian would level up. Then, didn’t that mean that Lin Yi was the only one around him who wasn’t even a golden class master?

“Yup!” Lingshan nodded, “so, yang bro, you know that Lin Yi has this method. He’d be a Noble House or even a hidden house, and he’d be a noble! He’d have as much money as he wanted!” And rob a bank? Moreover, it’s even more outrageous to tease a young girl. Not to mention the few little beauties in his house who are waiting in line, even I am waiting here. If he doesn’t come to flirt with us, why does he flirt with other people? What kind of mental factors are these?”

“Hehe!” Huaijun was amused by Lingshan’s words. He smiled. “Lingshan, I’ve always believed that these cases weren’t done by Lin Yi. I’ve seen the video, and although it’s Lin Yi in there, I don’t feel close to him at all. It’s a familiar feeling, like a stranger. On the surface, it looks like Lin Yi, but if you look closely, it doesn’t feel like it!”

“That’s right. Since brother yang also supports me, I’m even more confident. I’ll definitely find out the truth!” Lingshan said, clenching her fists.

The video was uploaded onto the internet, and when the police saw it, the other citizens saw it too, including Chu Mengyao, Chen Yushu, and Tang Yun!

The three of them sat in front of the computer, repeatedly watching the video that was posted online.

“This isn’t Lin Yi ...” Tang Yun shook her head first and said with certainty, “Although I can’t say why, I believe in my feelings. If I have to give a reason, it’s that I don’t feel any heartbeat or connection to this person in the picture ...”

“Yeah, yeah, if it isn’t shield bro!” “I’ve seen shield bro naked before, so I know him the best. This guy’s definitely not him.” Yushu nodded.

“I don’t think so ...” Chu Mengyao shook her head but said with difficulty, “The point is, the police don’t believe us, so we can’t find any convincing evidence!”

“This person doesn’t look like a spiritual master at all. He’s not weak, but he looks more like a physical master!” Chentian was a practitioner, a dual-practitioner at that-he could tell what was wrong with just one look!

“Oh? Lin Yi’s a spiritual practitioner-can this be used as evidence?” Mengyao’s eyes lit up as she asked.

“I don’t think so. It’s just a feeling, but I can’t prove it!” Wu Chengtian shook his head, “but we can basically confirm that this person isn’t boss Lin Yi. So we don’t have to worry too much. When boss Lin Yi comes back, he should be able to handle it!”

“That’s the only way.” Mengyao nodded after hearing Chentian’s words. It’d be great if this person wasn’t Lin Yi-even if they looked similar, the truth would come to light one day when Lin Yi came back.

The days went by, and the suspect was still as crazy as ever, but the police couldn’t catch him on the spot because of his strength. The pressure on huaijun was getting bigger and bigger.

Similarly, Lingshan was on leave on the surface, but she was secretly moving around all the business districts in Songshan city, hoping to meet the fake Lin Yi who was on the move. However, after many days of hard work, she still couldn’t figure out the pattern of the fake Lin Yi’s crime. This person didn’t have any order at all, appearing here today and there tomorrow without any order, making it even more difficult for her to find him!

After that, Lingshan decided not to look for the fake Lin Yi anymore. Instead, she stayed in a certain area, waiting for him no matter where he appeared! Lingshan's method was the best one at the moment.

In the blink of an eye, it was the day of the college entrance exam. Naturally, Chentian had to escort the three of them to the exam hall as their bodyguard! There were a lot of cars on the street since it was the day of the entrance exam, so the three didn't have uncle Fu pick them up. They had Chentian drive Mengyao's Audi S5 to the exam grounds!

Chapter 1564: What a coincidence!

He'd promised Lin Yi that he'd protect Mengyao and the girls, after all, so he had to do his best.

In order not to be late, Chentian printed out two tags and stuck them on the car. There are candidates in the bus, please take care of them!

Chu Mengyao and Tang Yun were surprised that Wu Chengtian had such a meticulous side to him. This follower of Lin Yi was not as stupid as he looked.

In fact, Wu Chengtian wasn't stupid-he was just a little arrogant, that's all. It wasn't a big deal, especially someone like Wu Chengtian, who had some strength at such a young age.

But now that he'd seen Lin Yi and ER goudan's strength, he understood that there was always someone better, and he restrained himself a lot.

The car was driving steadily on the main road of Songshan-Chentian was a pretty good driver, after all, and he was able to move the car through the traffic ...

"It's still early, there's no need to rush." Mengyao said to Chentian.

"It's better to be in a hurry. Who knows if there'll be a traffic jam later?" Wu Chengtian's mission today was to escort the three girls to the exam grounds, so he didn't dare to slack off at all.

"Yeah, I also have a feeling that something is going to happen. It's better to go to school earlier." Chen Yushu nodded.

Chentian slammed on the brakes right after Yushu finished, stopping the car in the middle of the road! A man appeared in front of Chentian's car, blocking his way. He was afraid of hitting him, so he stopped the car!

"You Crow Shu, what are you talking about? We almost had a problem!" Mengyao grumbled, depressed.

However, just as she grumbled, she realized that something was wrong. The person standing in front of the car was actually wearing a mask!

"Holy shit, this guy ... He's not pretending to be shield bro, is he?" Yushu's eyes went wide as she looked at the person in front of the car!

"I think ... It's him ..." Tang Yun looked at the size of the person in front of the car and was surprised. She didn't expect to meet him here!

Chentian frowned-if this really was a fake Lin Yi, then he wasn't here for good!

As expected, the man walked over quickly, reached out, and ripped off Chentian's Audi S5 noodles. He then reached out and grabbed Chentian!

Wu Chengtian was shocked, he didn't think this guy was this strong! He was confident that his iron hand technique was already very powerful, but this person was not weak either. He could actually tear the car door apart with one hand!

"Be careful, call the police. I'll deal with it!" Chentian jumped out of the car, ready to fight the man!

"Alright!" Mengyao nodded and took out her phone. Without hesitation, she called Lingshan! She wanted to call the police directly, but she remembered that she would have to go through the police Center and explain herself. She might as well go to song Lingshan, who was in charge of the case, and save her time!

Chentian got off the car and shouted at the masked man, "Who are you? Tell me your name and wear a mask to cover it up. It's not the doing of a martial arts practitioner!"

However, the masked man didn't seem to hear Chentian at all. He ignored him and walked to the back door of the Audi S5. He reached out and pulled the door open.

Wu Chengtian jumped in shock and raised his hand to hit the man's back, but the man didn't seem to feel it at all. He didn't move and continued to destroy the car door. Wu Chengtian's palm landed on the man's back, making a loud "bang" sound!

However, the masked man only shook a little after taking the hit-it was as if he wasn't hurt at all. He came back to his senses and sent a slap towards Chentian!

Chentian was the closest to the man, and he couldn't Dodge the attack. He raised his hand to meet the attack, and the two's palms made contact. Chentian wasn't hurt, but he was shocked!

This masked man's martial arts was actually not weaker than his Iron Fist technique's successor! The two weren't injured, but they were on par-this guy was at least Mystic early phase physical!

Wu Chengtian was shocked, but he also became more careful. Although he was a Mystic early phase who was a spiritual-physical practitioner, and seemed to be stronger than this masked man, Wu Chengtian's physical strength had just increased not long ago. It wasn't very solid yet, and he naturally didn't have the advantage against this masked man.

However, what confused him the most was that the masked man didn't pay him any more attention after that exchange. He turned around and went for Yushu!

"Ah!" Chen Yushu was startled as the masked man grabbed her arm and dragged her out of the car.

Yushu reached out subconsciously and pulled the mask off the masked man's face. 01's new orders didn't make him resist. Jianwen wanted him to throw Lin Yi's dirty water after he took off his mask!

"Shield bro?" Chen Yushu saw the masked man's face and froze. She looked at the masked man in shock! It was too similar, it was really too similar! Although Chen Yushu was sure that this masked man wasn't Lin Yi, she couldn't help but call him shield bro when she saw his face, "Is that you? It wasn't you, was it? You won't hurt Shu, right?"

01 didn't care what Yushu was saying. The hypnotism he received today was to stop a student's car on the street. If the person in the car was a boy, he was to break his arms and make him unable to take the exam!

If the person in the car was a girl, he would tear her clothes apart and openly tease her on the street! It was obvious that Chen Yushu was a girl, so 01 automatically followed the second command. As for what Chen Yushu was saying, he didn't understand.

Scorpion, who was observing from not far away, saw Yushu coming down from the car and knew that things weren't good! He'd already done his research on Chen Yushu-she was one of Lin Yi's people, but he didn't think that 01 would be so lucky to stop them with a random car!

Chapter 1565: Not a match

However, Scorpion let out a breath of relief when he saw that it was Yushu. If he messed with Mengyao, master Wen would regret it to death. But now, although it was a little unreasonable, it did not lead to a big mistake.

"Release her!" Chentian yelled as he threw another punch at 01, but the guy ignored him and kept trying to tear Yushu's clothes off!

"Bang!" Wu Chengtian's fist landed on 01's head, and 01 only let go of Chen Yushu after receiving a heavy blow. He swung his fist at Wu Chengtian in anger!

At this moment, Wu Chengtian also saw that although this 01 had the strength of an early phase Mystic class physical practitioner, he didn't know any moves at all, and his attacks were completely random, giving Wu Chengtian a chance to catch his breath!

Otherwise, the two of them would've lost each other in a fight to the death, but 01 seemed to be a little stupid, and Chentian managed to Dodge his attack!

After understanding his opponent's strength, Wu Chengtian didn't have the intention to kill him. He wasn't Lin Yi, and he didn't have the ability to fight someone above his level. He couldn't even kill someone at the same level as him easily. So Wu Chengtian decided to turn his life into a life-or-death situation. He wanted to wait for the police to come, and then he could work with them to capture this 01!

The man looked like Lin Yi, but he knew that this wasn't the real Lin Yi from the first exchange. If Lin Yi were to fight him, he'd be dead by now.

Song Lingshan was waiting for Chu Mengyao's call, and she immediately got on a police motorcycle and rushed to the scene! She didn't drive because there were many cars in the city, and it was not as convenient as a motorcycle.

Alarms went off all the way, and Lingshan ran a few red lights before reaching the scene. She saw Chentian and "Lin Yi" fighting, and without a second word, she jumped out of the car and ran towards the fake Lin Yi.

“Raise your hands. I’m a police officer. Don’t act rashly, or I’ll shoot!” Lingshan was filled with anger at this fake Lin Yi-not only was she kicked out of the task force, but she’d also ruined Lin Yi’s reputation! She raised her gun as soon as she arrived.

However, 01 didn’t even look at Lingshan. He continued to swing his hand at Chentian. He couldn’t do much damage to Chentian, but he couldn’t handle it. He was afraid that he would fall into his trap!

“Bang!” Lingshan fired a shot at the sky, warning.”Stop immediately, or I’ll shoot!”

Naturally, 01 wouldn’t bother with Lingshan and let her threaten him.

Song Lingshan’s warning shot was ineffective. She aimed the gun at 01 and pulled the trigger!

“Bang!” Lingshan’s shot landed on 01’s leg, and he groaned, but didn’t fall.

Just as the bullet hit 01’s leg, 01 snapped out of his daze. He didn’t care about the wound on his leg. His eyes were red as he ran towards Lingshan. His speed was so fast that it made people speechless. He snatched the gun from Lingshan’s hand, crushed it into scrap metal, and threw it on the ground. His face was red!

Scorpion was about to report Lingshan’s arrival to Jianwen when he froze. It seemed like 01 had activated the Enhancement Program and bit open the capsule in his mouth!

This way, 01 “s strength would instantly rise to Mystic late phase peak. Then, be it song Lingshan or Wu Chentian, they were nothing in his eyes! Mystic early phase and Mystic late phase peak-they were two completely different things!

Lingshan didn’t expect 01 “s speed and strength to increase so much-even an early Mystic like her couldn’t react in time before his gun was taken away!

However, what shocked Lingshan was what happened next. After 01 took the gun, he didn’t seem to have any intention of letting her go. He sent a palm towards her, and it was so fast that Lingshan couldn’t Dodge!

In just an instant, Lingshan was sent flying by 01, landing heavily on the ground.

Lingshan spat out a mouthful of blood as she stared at the fake Lin Yi in disbelief! A Mystic late phase peak physical practitioner-the enemy was this strong?

Lingshan was starting to regret not asking for backup before coming ... She thought that she was a Mystic early phase and that she could easily capture 01! But then again, a Mystic late phase peak physical master, so what if she asked for help? A freak with such strength was no longer within her control. This would require the supernatural Investigation Bureau to take action ...

After sending Lingshan flying, 01 didn’t go after her. Instead, he turned back to Yushu and walked over, trying to take off her clothes.

“Yaoyao sis, this person is so scary ...” Although Chen Yushu didn’t have a good impression of song Lingshan, she still pitied song Lingshan after seeing her get hurt while trying to save them,””What should we do?”

“This guy’s strong, I’m afraid even Wu Chentian is no match for him ...” Mengyao frowned, but she couldn’t leave now.

“If only the real shield bro was here ...” Chen Yushu sighed and looked at 01 cautiously.

Chentian would let him get close to Yushu? Although he saw Lingshan being sent flying, Chentian braced himself and charged at 01. He aimed his fist at 01 ‘s chest this time, aiming to injure him severely!

01 saw Chentian charging at him and stopped looking for Yushu-he raised his hands and faced Chentian!

Chentian frowned at how fast 01 reacted, but gritted his teeth. He didn’t care if 01 would hit him or not, he just wanted to injure him!

This guy’s strength was already beyond Wu Chengtian’s expectations. He didn’t understand how this guy could go from early phase to late phase peak in just a second, but no matter what, he had to stop him!

Chapter 1566: Prophet Shu is amazing

He was a lot more injured than Lingshan-she was only sent flying by 01 ‘s anger, but Chentian was in a head-on collision. The damage they suffered wasn’t on the same level.

“Miss song ... Save them ...” Wu Chengtian held back the pain as he cried for help.

Even if Chentian didn’t say anything, Lingshan couldn’t just sit there and do nothing. She spat out a mouthful of blood, but it wasn’t a serious injury. She got up from the ground and ran towards 01!

Mengyao, Yushu, and Tang Yun were all nervous, but they couldn’t do much to help. They could only watch as the situation developed.

“Who are you?” Lingshan asked as she wiped the blood from her mouth.

01 didn’t have the intention to answer her at all. He waved his fist and punched at her!

Lingshan was shocked. She quickly used her Qi to defend and barely dodged the attack, but 01 didn’t stop there. He kicked out with his right leg again. It was so fast that Lingshan didn’t have time to react and her stomach was hit!

Physical Masters were all known for their speed and strength, so even if song Lingshan was a Mystic, she was still at a disadvantage against 01, a physical master with the strength of a Mystic late phase peak!

“Ah!” Lingshan screamed as she was sent flying again, but this time, it was more serious than the last time. 01 was clearly pissed at her provocation!

This was evident from the distance and height Lingshan was sent flying. She was only sent flying a dozen meters before, but this time, she was sent flying over thirty meters, flying towards the cars that were preparing to make a detour ...

Today, Lin Yi had just returned to Songshan city. He went straight to the exam hall as soon as he came back-he just made it in time for the first exam! Pengzhan had promised Lin Yi that even if he didn’t take the exam, he’d pay a sponsorship fee for him to go to college on his own, but Lin Yi still wanted to try!

The questions in high school were simple, and Lin Yi was doing pretty well. If the Miss and Tang Yin could take the exam with their own abilities, why couldn't Lin Yi?

However, what Lin Yi didn't expect was to run into a traffic jam on the way to the exam hall! This was the main road. Under normal circumstances, there wouldn't be any traffic jam. Today was the day of the college entrance examination, but there was actually a traffic jam?

Did something happen in front? Lin Yi followed the car in front of him and was about to take a detour when a figure suddenly flew over and smashed into his car's windshield!

Did he hit someone? Lin Yi froze, but he remembered that he wasn't even driving. The car was parked on the road, how could he hit someone? Could it be that he had been scammed?

Lin Yi raised his head subconsciously and looked at the figure in front of the car. He jumped in shock-the car's windshield was already covered in blood, and it was shattered into a spider web shape by the sudden appearance of the person!

A car's windshield was made of multiple layers of tempered glass, and a lot of force was needed to break it. Lin Yi didn't drive at all, so the force was completely from the person. If this was a scam, it was suicide unless the person's brain was damaged!

Frowning, Lin Yi looked at the figure covered in blood and felt a sense of familiarity. Could it be that he'd seen this person before?

With that thought, Lin Yi quickly got out of the car and helped the person up. When he saw the face, he was shocked. It was ... Song Lingshan!

That's right, the person who crashed into Lin Yi's car was Song Lingshan!

"Lingshan! What's wrong with you?" Lin Yi asked subconsciously.

"Ah!" Song Lingshan opened her eyes and saw Lin Yi in front of her. She was shocked. She didn't think that O1 would be this fast. He had just sent her flying and he was already here! Could it be that he wanted to kill them all?

"What's wrong with you?" Lin Yi looked at Lingshan, confused.

A trace of suspicion flashed across Lingshan's eyes as she heard the familiar voice. This Lin Yi in front of her was exactly the same as the one before, but the one before didn't say anything at all. This Lin Yi, on the other hand, seemed to be ... The real one?

"You ... Are you for real?" Lingshan asked subconsciously.

"What's true?" Lin Yi blinked, not sure what she was talking about.

"You're ... The Lin Yi who called me miss braindead?" Lingshan asked, unsure.

"Little song girl, are you stupid? What are you talking about? How did you get injured? What's going on?" Lin Yi didn't know what was going on, listening to Lingshan's weird words.

"Lin Yi! It really is you! It really is you! That's great!" Song Lingshan heard Lin Yi's words and confirmed that this person in front of her was the real Lin Yi. Then, what about the fake Lin Yi? With that thought,

Lingshan quickly said, "Over there! There's a fake you over there, he's the one who injured me! Chen Yushu and the others are over there, go help!"

"What?" Lin Yi didn't know if what Lingshan said was true or false, but he understood that there were enemies there-Shu and the others were in danger too!

Lin Yi didn't say anything else, but he suddenly picked Lingshan up and ran in the direction Lingshan pointed out ...

Yushu was in despair-she didn't think that this shield bro was this strong, beating both Chentian and Lingshan so easily! Yushu wanted to fight back, but she wasn't his match.

01 reached out to grab Yushu again after sending Lingshan flying, trying to strip her naked ...

"Don't ... You may look like shield bro, but you're not him ..." Chen Yushu crossed her arms in front of her chest and looked at 01 who was walking towards her warily, "Don't touch me, or shield bro won't let you go! If he finds out that you've touched his small wife, you're dead!"

01 didn't listen to her at all and kept approaching.

"I'm telling you, I'm very accurate with my words. People call me Prophet Shu, but if you take one more step, you'll be dead! Shield bro won't let you go!" Chen Yushu replied.

Chapter 1567: Lin Yi is back!

Chu Mengyao's heart was filled with sadness as she said this. Although she was very close to Shu and she would always be the first to rush to Shu's rescue whenever she was in danger, this time was different!

This 01 was obviously trying to ruin Chen Yushu's chastity, and if Chu Mengyao replaced her, the result would be obvious!

However, she thought that since Tang Yun was Lin Yi's girlfriend and Shu was determined to marry him, their chastity was more important to them. She didn't have anything to do with Lin Yi and didn't have a boyfriend, so she decided to deal with it herself!

At most, she wouldn't get married and live with Shu ...

"Yaoyao sis, what are you doing?!" Chen Yushu was shocked by Chu Mengyao's actions, she quickly replied, "He's coming for me, you and Tang Yun sis should run, or we won't be able to escape!"

"It's okay, I'll take your place." "It's fine, I'll just treat it as if I'm with Lin Yi. I'm not planning on getting married anyway, as long as you guys don't mind ..."Mengyao said faintly.

"Yaoyao sis, what are you saying?!" Yushu jumped at Mengyao's calmness. "Don't make things worse. Let me scare him again!"

Tang Yun, who was standing at the side, was also touched by the sisterly love between Chu Mengyao and Chen Yushu!

01 paused for a moment when he saw Mengyao suddenly get out of the car and block Yushu's way. However, the program in his mind was to grab any girl he wanted to flirt with, so be it Chen Yushu or

Chu Mengyao, they would all satisfy the hypnotism in his mind. In the next moment, 01 grabbed Chu Mengyao!

“Stop ... I’m telling you, I’m going to make a prophecy. Shield bro is coming, and if you take one more step, you’ll be punished by him!” Chen Yushu shouted at 01 with all her might.

Chu Mengyao and Tang Yun didn’t know whether to laugh or cry at Chen Yushu’s words. Chu Mengyao was about to tell Chen Yushu to stop messing around and run away when her eyes widened in disbelief!

Behind 01, there was another person who looked exactly like him! However, that person was holding song Lingshan in his arms, and his eyes were filled with a familiar feeling. Could it be ... That Lin Yi had really come?

Mengyao wondered if she was seeing things. She quickly rubbed her eyes, but she still saw two Lin Yi!

Yushu and Tang Yun, on the other hand, had the same reaction as Mengyao, both of them rubbing their eyes in disbelief ...

Lin Yi was shocked as well-he saw someone who looked exactly like him, but this person had to be the enemy Lingshan was talking about. Lin Yi didn’t care where this person came from, he just had to defeat him!

Lin Yi put Lingshan aside and patted 01 “s shoulder.

01 felt someone behind him and naturally turned around. However, he wasn’t surprised when he saw Lin Yi behind him, as if he didn’t think there was anything wrong with this person looking exactly like him. He naturally swung his arm, wanting to throw Lin Yi away.

“Pa!” 01 “s right hand was caught in Lin Yi’s hand!

“Ahhhhhhhhhhhhhhhhhh! It’s shield bro, he’s back!” Chen Yushu was finally sure that the person behind 01 was her shield bro, Lin Yi!

“It’s really Lin Yi!” Mengyao said, pleasantly surprised. This was the kind of joy that came from escaping death’s door. Just a moment ago, she was already disheartened, but now, hope was reignited. She was glad that she didn’t have to lose her innocence!

Mengyao had made up her mind, but that was only because she had no other choice. She couldn’t be happier.

Tang Yin was both surprised and happy-Lin Yi was really back! She’d like to see how this fake Lin Yi could still be so arrogant! She’d already poured dirty water on Lin Yi before, and now the truth was out!

“Prophet Shu’s amazing, you’ve succeeded again!” Chen Yushu clapped her hands excitedly, “Shield bro, don’t let him go! Shu’s innocence was supposed to be yours, but he almost took it away from you!”

Mengyao and Tang Yun sweated at Yushu’s words-how could she say something like that in public? This Shu really wasn’t a normal person! However, Tang Yun didn’t have any negative feelings towards Shu’s words.

Firstly, she had gotten to know Shu well, and she had accepted her existence. Secondly, she really had to thank the Prophet Shu-if it weren't for her prediction, one of them would have lost her innocence today!

Lin Yi knew that Yushu's words were a bit exaggerated, but the scene in front of him didn't seem too far off!

To be honest, Lin Yi was quite shocked by the fake Lin Yi in front of him. If he didn't know that he didn't have a brother and was an orphan, he would really think that this was his twin brother!

Of course, this didn't rule out the possibility that Lin Yi really did have a twin brother before he became an orphan! But that didn't matter-no matter who he was, Lin Yi wasn't going to let him go so easily! Lin Yi wasn't going to let this guy go easily, just because he injured Lingshan and Chentian!

In a car not far away, Scorpion wiped the sweat off his face as he called an Jianwen's phone!

"Master Wen, it's bad, something big has happened!" Scorpion said as soon as the call went through.

"What happened? Why are you panicking?" Jianwen picked up the call.

"Master Wen, Lin Yi's back! He's fighting with 01!" "What do we do now?" Scorpion asked.

"What? Lin Yi's back?" Jianwen blinked,"why are you back now?" Plus, how did he meet Lin Yi so coincidentally?"

"It's quite a coincidence, master Wen, it's like this ..." Scorpion quickly told Jianwen everything about how 01 robbed Mengyao's car and fought with Lingshan and Chentian.

"No way? What a coincidence! He actually ran into Chu Mengyao? Is Chu Mengyao alright?" An Jianwen was shocked. He didn't even bother to ask how 01 was doing, his attention was on Chu Mengyao!

If 01 did anything to Mengyao, he'd be so disgusted and regretful!

Chapter 1568: The moment of heartache

"It's good that Chu Mengyao is fine! Only I can touch the woman I like!" Jianwen sighed in relief.

"What about 01?" Scorpion asked.

"Don't worry about it. Let him die on his own. You don't have to wait there anymore. You don't want to be dragged into 01's mess. Come back immediately!" "01's value is pretty much gone now," Jianwen said to Scorpion," he'll be of no use to us in the future. Let the police take him!"

"Yes!" Big scorpion quickly replied. It was true after thinking about it. The only use of the fake Lin Yi was to frame him, but now that the real Lin Yi appeared at the same time, the purpose of framing him couldn't be achieved. Giving up and letting him bear all the crimes was the best choice!

This 01 was just an experiment, after all-if the professor wanted to make one, he could make another one in minutes!

After hanging up, Jianwen mumbled to himself,"I didn't think that Lin Yi would come back at this time. Isn't he on a trip? What a coincidence for her to return! Let's hope 01 can give Lin Yi a heavy blow!"

Jianwen wasn't stupid enough to think that O1 could kill Lin Yi! Although O1 could reach the peak of the late stage of Mystic class after taking the pill, it could only last for five minutes. Lin Yi was now at the peak of the middle stage of Mystic class, and even if O1 could suppress Lin Yi, there was only one level difference between a spiritual master and a physical master of the peak of the late stage of Mystic class. It wasn't two levels like the words said, and Lin Yi could often fight enemies above his level after using his power. Hence, an Jianwen didn't think that O1 could kill Lin Yi at all!

If O1 could deal Lin Yi a heavy blow in these five minutes, then he'd have completed his mission.

Scorpion started the car and disappeared into the traffic. Lin Yi and O1, on the other hand, were in a standoff!

O1 "s right hand was caught in Lin Yi's hand-he couldn't move at all! O1 "s eyes flashed with a trace of ruthlessness. His right hand couldn't move, so he swung his left hand at Lin Yi!

"Boss Lin Yi, be careful!" At this time, Wu Chengtian had woken up. He was weak, but seeing Lin Yi's return made him relax. His injuries didn't seem as serious as before!

But Chentian knew how strong O1 was-even his Iron Fist Arts, a physical practitioner's art at the early phase of Mystic class, was no match for him! One must know that the iron hand technique was a rather domineering internal cultivation method. If it was practiced to the extreme, it could even break the Golden Bell shield!

And this O1, on the other hand, was on par with the iron fist art, so Chentian was worried that Lin Yi would be at a disadvantage.

Even without Wu Chengtian's reminder, Lin Yi could tell that there was something wrong with this O1. This guy had a lot of strength, and he could feel it from his right hand. If Lin Yi hadn't gone through the assassin training before he started practicing, he wouldn't have been able to hold this guy!

Because, according to Lin Yi's senses, this O1 already had the strength of a Mystic late phase peak-what kind of level was that? no wonder Wu Chengtian and song Lingshan weren't his match!

If Lin Yi hadn't broken through to Mystic late phase with naipao's "help" before the test, he would've had a hard time dealing with this guy-even if he did win, he'd suffer serious internal injuries!

And so, with Chentian's reminder, Lin Yi was even more careful. He moved at the same time O1 swung his left hand, but he didn't meet it head on. Instead, he created a small energy bomb in his right palm. The bomb would only blow O1 away and cripple his left hand, but it wouldn't cause much damage to O1's body!

However, this was already enough! Lin Yi could tell that O1 was good at martial arts-he'd just blow up his left hand first and make him lose some of his strength! As for the damage to Lin Yi's right hand from the rebound of the energy bomb, it could be ignored because Lin Yi could use his pure Qi to heal himself in an instant. After all, the area of injury was too small.

Now, after this test, Lin Yi was getting more and more familiar with the energy bomb's condensation. He could basically control it freely now, and he could basically control whatever result he wanted.

Of course, Lin Yi could have used a super energy bomb to cripple 01, but he didn't do that. This was also because he didn't have enough time to create a large energy bomb, and he had to take the college entrance exam later, so he couldn't get injured!

Energy bombs could hurt the enemy, but they could also hurt themselves. Lin Yi wouldn't use it unless it was absolutely necessary.

"BOOM!" A loud sound rang out. It looked like their palms met, but that wasn't the case. 01's palm hit the energy bomb and didn't touch Lin Yi's palm!

The next moment, Lin Yi let go of 01's right hand, and 01 was sent flying!

01 had the strength of a Mystic late phase peak physical master, but it was a forced upgrade, and his technique wasn't very mature yet. It was different from his own strength, especially since 01 didn't think and didn't know how to make decisions based on the actual situation. It was completely subconscious, so it was normal for him to be sent flying.

"Ah!" Lingshan and Chentian were so excited that they couldn't help but get excited-Lin Yi was so cool! Before, 01 was the one who sent them flying, but now that Lin Yi was back, he sent 01 flying with a seemingly simple palm!

On the other side, Chen Yushu, Chu Mengyao, and Tang Yun were also very excited. Lin Yi's return made him invincible!

"Go shield bro! Shield bro's the best! Shu likes you the most!" Chen Yushu put her hands to her mouth excitedly, as if she was amplifying her voice.

"This feeling ... It's so reassuring. It's like he's back, and all the trouble is no longer a problem ..." Tang Yun sighed.

"Yeah, ever since that time at the bank when Lin Yi saved me, I've always thought that he's pretty good ..." Chu Mengyao finally spoke the truth unintentionally.

Chapter 1569: the real Lin Yi

She and Lin Yi were still young, and it was still too early to talk about marriage. Who knew what would happen in the next few years? Plus, since Tang Yun had already accepted Feng Xiaoxiao, who knew what would happen in the future!

Although Tang Yun promised Feng Tianlong to let Feng Xiaoxiao be with Lin Yi at the beginning, she thought that Feng Xiaoxiao didn't have long to live. Even if she got together with Lin Yi, she would only suffer for a while. There was still a long way to go!

But later on, as she got to know Xiaoxiao, she accepted the girl from the bottom of her heart, and didn't want her to leave. So when Lin Yi brought Xiaoxiao to the hospital, she supported him with all her heart!

Since things had already come to this, Tang Yun decided to be more generous and not care about Chu Mengyao and Chen Yushu's matters. She would let Lin Yi make the decision anyway. She would only annoy her if she overthought it. It was better to let things take its natural course.

01 fell to the ground with a loud crash. Although he quickly got up from the ground, his left hand was a bloody mess. The White bones inside were clearly visible. 01's hand had clearly been crippled!

However, what surprised Lin Yi was that 01 didn't shout or say anything after he was injured. His eyes were a little red, and he seemed a little angry, but it was only anger. The pain didn't bring him any pain!

01 got up from the ground and charged at Lin Yi again, but this time, he swung his right hand at Lin Yi!

A mocking smile appeared on Lin Yi's lips. 01 seemed to be out of his mind-he'd been injured in the same situation before, and this guy was still using the same trick? Would he become braver the more he was defeated, or would he become a fearless hero?

Lin Yi created a small energy bomb in his palm and threw it at 01's right hand in the same way! As a result, 01 was tragically sent flying backward, landing heavily on the ground. His right hand had also become a bloody mess!

Lingshan and Chentian were both shocked that Lin Yi could cripple 01's hands in an instant, especially Chentian. He knew how strong 01's hands were, and even his Iron Fist didn't stand a chance against them-but Lin Yi took care of them so easily!

At that thought, Wu Chengtian couldn't help but feel a wave of fear. Luckily he recognized Lin Yi as his boss, otherwise he would still be like before, dumbly fighting Lin Yi for Sun Jingyi. Lin Yi's palm strike would break his Iron Fist art, wouldn't it?

01 quickly got back on his feet and charged at Lin Yi after falling to the ground, but this time, he used his injured right hand to hit Lin Yi again!

Lin Yi was confused-didn't this guy know what pain was? Moreover, wasn't there something wrong with using an injured hand to attack others? Was this guy stupid?

Silly? Lin Yi paused at the thought, remembering the confusion in 01's eyes when he first saw him. A bold guess crossed his mind!

Could it be that this 01 was a person without any thoughts? Thinking back to 01's strange actions, which were completely mechanical and unafraid of death, there was probably something wrong with this 01!

As a result, Lin Yi didn't plan on killing 01 anymore. To be honest, if Lin Yi were to do what he was doing now, it was very likely that he'd blow up both of 01's legs and feet. By then, he'd lose all his limbs, and Lin Yi would be able to kill him with a single move.

But now, Lin Yi felt that this 01 was a little weird. He decided to capture him alive and see what was going on! To be honest, Lin Yi was quite curious about the appearance of a similar-looking evil person in Songshan.

After making up his mind, a few silver needles appeared in Lin Yi's hand. He threw them out and they landed on 01's body! 01 didn't Dodge at all, confirming Lin Yi's thoughts-01 didn't have a mind of his own, or else there was no way a normal person wouldn't Dodge when they saw a hidden weapon!

Especially with 01's Mystic late phase peak strength, dodging these needles was as easy as turning his hand over. How could he let the needles Pierce his body?

Lin Yi was a medical student, and he knew the acupoints of the human body like the back of his hand. 01 was instantly rooted to the ground, unable to move! To put it bluntly, Lin Yi's move was similar to Nitian's heaven defying Arts!

Nitian used his Qi to bind the enemy, and Lin Yi used needles to pierce through the enemy's acupuncture points, making them lose their senses and unable to move.

Of course, this move was still effective against normal people and people who were weaker than Lin Yi. If it was against someone of the same level or higher, it would be a joke. The opponent could easily Dodge it, and Lin Yi had never seen someone as stupid as 01!

Lin Yi walked over and crushed 01 's limbs, making him lose his ability to attack. He then put away the needles, the whole movement was done in one smooth motion, stunning everyone!

Many of the people watching were shocked at the two Lin Yis! Lin Yi's face wasn't unfamiliar to them, either-this was the suspect from the video they saw online!

However, after seeing the two Lin Yis, the crowd wasn't stupid. They immediately linked it to the real and fake Monkey King in Journey to the West and roughly determined that one of the two Lin Yis was the good one and the other was the bad one!

In the end, the good Lin Yi easily defeated the bad Lin Yi, and the crowd cheered, praising the real Lin Yi for capturing the bad guy who made everyone panic!

As for Lin Yi breaking zero one's limbs, no one thought that it was cruel. Instead, everyone thought that it was very satisfying!

"That's great! I'll cripple this bad guy and see how he'll harm people in the future!" Passerby A said.

"That's right. I've said it before. This young man is handsome and doesn't look like an evil person. It turns out that the evil person is someone else!" Passerby B said.

"Yeah, they look so alike. I think they're most likely trying to frame him. This person is really wicked." Passerby C said.

Chapter 1570: victory

After Lin Yi had 01 under control, he didn't bother with him anymore and quickly walked towards song Lingshan and Wu Chentian. Although Lin Yi didn't have time to heal their injuries here, he could transfer some Qi to them for the time being and heal their internal injuries. As long as their internal injuries were fine, they were both practitioners and some external injuries wouldn't cause too much damage to them.

Lin Yi carried Lingshan and placed her next to Chentian before sitting down cross-legged, entering the Jade space with one hand in each and channeling his art of Dragon mastery to heal them!

Both Lingshan and Chentian knew what Lin Yi was capable of, and what he was trying to do. They didn't say anything and accepted Lin Yi's treatment.

At the same time, police sirens could be heard from not too far away-huaijun and Wangli were already on their way!

It had only been ten minutes, and Lin Yi had finished the fight in an instant! Huaijun's speed was considered fast!

Huaijun and Wangli got off the car, and the first thing they saw wasn't 01, who had his limbs broken by Lin Yi, but Lin Yi, who was standing behind Lingshan and Chentian!

Huaijun jumped at the sight of Lin Yi taking Lingshan and Chentian's pulse-he thought that the fake Lin Yi was holding them hostage, and the pain on their faces and the blood at the corner of their lips only made his face pale."You ... What are you doing? don't act rashly, you have to keep the hostage safe ..."

Mengyao didn't know whether to laugh or cry-the fake Lin Yi looked exactly like the real Lin Yi, after all, and it made sense for huaijun to misunderstand. Didn't Lingshan misunderstand the real Lin Yi as well when she first saw him?

"Yang bro, that's Lin Yi! He's treating officer song and Wu Chentian's injuries right now, and that guy over there is the suspect who framed Lin Yi-he's been taken down!" Mengyao pointed at 01, who was lying on the ground with all his limbs broken.

"Ah? Lin Yi's back!" Huaitian was both surprised and happy at Mengyao's words, forgetting the awkwardness of the misunderstanding. He quickly looked up and saw a man who looked exactly like Lin Yi lying in a pool of blood!

"Liu Wangli, take some men and lock him up!" Huaijun couldn't contain his excitement-he didn't believe that Lin Yi was the suspect, of course, and it was the negative evidence that made him feel helpless. Now that the real Lin Yi was back, and the fake one had been taken down, he was naturally overjoyed!

Wangli was the same-he didn't believe in Lin Yi as much as Lingshan and huaijun did, but he didn't want Lin Yi to become a suspect. It seemed like everything was a misunderstanding!

Wangli wasn't afraid of zero one fighting back-he couldn't do anything in this situation!

Lin Yi quickly transferred his Qi to song Lingshan and Wu Chentian, healing their injured organs. He stood up and said to them, "I'll take Yaoyao and the others to the college entrance exam first. We'll talk after I'm done!"

Lin Yi didn't keep his voice down, and naturally, huaijun and Wangli heard what he said. Lin Yi waved his hand at them, and huaijun nodded without saying anything more. Lin Yi was supposed to go to the police station for a statement, but this was an emergency, and Lin Yi had to take the college entrance exams. He'd have to wait until after the exams were over.

"Yaoyao, Shu, Yunyun, get in my car!" Lin Yi waved his hand at the three girls.

"Alright, shield bro's finally back!" Chen Yushu ran the fastest, she opened the door to the passenger seat and sat down.

Tang Yun and Chu Mengyao, on the other hand, looked at each other helplessly. Chu Mengyao said to Tang Yun,"Yunyun, don't mind her, that's just how Shu is ..."

To be honest, Chu Mengyao was still afraid that Tang Yun would have other thoughts. After all, Lin Yi was Tang Yun's boyfriend. Now that Lin Yi was back, Tang Yun should be sitting in the front passenger seat, but it was taken by Shu.

"It's fine." Tang Yin shook her head and smiled, "It's been so long, don't you think I know Shu?"

With that, he pulled Mengyao's hand and sat in the second row of the car. As for the back row, Lin Yi had already taken it apart, turning it into an ice coffin along with the trunk. He couldn't find Xiaoxiao anywhere after getting in the car, and it was a little strange!

"Lin Yi, where's Xiaoxiao? Are you still in the ice coffin?" Mengyao asked subconsciously.

"Eh? Where's my best partner?" Yushu realized that Xiaoxiao wasn't in the car, too!

"Could it be ... We didn't find the fire spirit fruit?" Tang Yin's face darkened as she looked at the ice coffin.

"It's a long story ... Let's talk as we walk!" Lin Yi knew that they were going to ask this question, but he had to confirm the location first. "Where are you taking the exam?"

"We're all in No. 2 high school, and so are you. The four of us took the exam in the same school, but the exam venue was different." "Your exam pass is with us," Mengyao said. "Thank God you brought it with you."

"Alright," he said. Lin Yi nodded and started the car. He drove towards the school and told the three what happened after they came to Bingxue town! This included meeting Zhang Naipao, participating in the test, getting first place, and haggling with the Ice Palace sect, and finally making her an inner disciple!

"Argh! It can't be, right? Xiaoxiao was an inheritor? The yin Qi in her body, it's a type of Yin that's hard to come by even in a thousand years! Doesn't that mean she'll become a Sky Class in two years?" "No, what's going to happen to me, your best partner?" Yushu said enviously.

Mengyao and Tang Yun were surprised as well—they didn't think that Xiaoxiao would have this kind of luck. Not only did she wake up, but she was also an inner disciple of the Ice Palace, and had a chance of becoming a Sky Class master and the master of the Ice Palace!

"Xiaoxiao is finally saved, and once she becomes a Sky Class master, it'll be of great help to you in the future ..." Tang Yun couldn't help but sigh. Now, even Xiaoxiao was a practitioner, and she had the chance to become a Sky Class master. It seemed that she was the most useless one ...
