Chapter 1611: The excited Tang family

Therefore, in the fight for the position of the young master, Tang Jizhi did not have any advantage. If he was willing to play some tricks, the position of the young master would have been his long ago!

Although that person was Tang GE's biological mother, the things that his mother had done made Tang GE despise her. Tang GE's relationship with her was also very cold, and she almost kept a respectful distance from her.

"That's true!" Elder Tang nodded. "But, Shi GE, do you know why I never agreed to let you be the young master?" he asked.

"Hmm?" Tang Qiqi was stunned. She didn't know why her grandfather suddenly brought this up.

"Giving Shi, you're a good person and a true man. There's no problem with your character, but you're too loyal and not good at scheming! I placed you in the position of young master too early. I'm not helping you, but harming you! In the family, there are many people eyeing that position. It's easy to Dodge a spear in the open but hard to defend against an arrow in the dark. If you really become the young master, you'll soon become the target of everyone. At that time, I'm afraid you won't even know how you died!" Elder Tang said with a sigh.

"Ah!" Tang Qiqi was stunned for a moment, then suddenly understood his grandfather's painstaking efforts! It turned out that her grandfather's heart had always been on her side! At the thought of this, Tang Gucheng was very touched. "Thank you for taking care of me, Grandpa ..."

"Forget it, let's not talk about this! This matter must be kept a secret. Don't tell anyone. At present, only you and I know about this! Once this gets out, it'll be hard to predict whether it'll be a blessing or a curse for the Tang family!" Elder Tang warned.

"Yes!" Tang Gezhi said solemnly.

"Good. Now, come with me to see your third concubine!" "You follow me," elder Tang said. "Be careful. Don't let anyone see you!"

"Yes!" Tang Gechi said.

So, old master Tang took Tang gezhi out of the secret room, avoided the eyes of the crowd, and went directly to the courtyard where third concubine was imprisoned! Elder Tang was a Sky Class master-this was as easy as flipping his hand.

The servant in third concubine's courtyard suddenly saw two more people in the courtyard and subconsciously wanted to shout in shock. But when he saw who it was, he jumped in shock. "Old master, first young master ..."

"Go do what you need to do, there's nothing for you to do!" Tang GE waved his hand and gestured.

"Yes, young master." The servant didn't dare to speak. He hurriedly left with his head lowered to do his own things, while Tang GE and old master Tang walked directly into third concubine's room.

What he saw was a young woman. She was dressed very simply. Although she was a little listless, she was definitely not mentally ill as they said! The young woman's face was no longer there, but one could tell that she must have been a beauty when she was young.

Looking at the third concubine in front of him, Tang Zhizhi couldn't help but sigh. When he was young, she had played with him, and she had been such a beautiful young girl, just like the current Palace Master of the Ice Palace. But now ... After so many years, she had changed! 'Search wuxiaworld – Org on google'

Over the years, although Tang Zhige had often asked someone to send food and clothes to third concubine, he had never come here to avoid suspicion. After all, he was the son of the first wife and grandson of the first wife. What was he doing with third concubine?

Old master Tang sighed at the unforgiving passage of time. It had only been ten years and third concubine had become so Haggard! Elder Tang shook his head at the thought of his eldest son, who was willing to resort to any means to obtain power.

If it wasn't for his eldest son's silent approval, no matter how jealous his eldest daughter-in-law was, this would still be the Tang family, not their home! This wasn't a place where she could do whatever she wanted! However, in order to use his eldest daughter-in-law's family's power to get hold of her, his eldest son had actually abandoned his own flesh and blood. He was simply inhumane!

Elder Tang had seen all of this, but he didn't say anything. The Tang family needed to develop, and they needed a ruthless person like him. As long as he didn't do anything to harm the Tang family's interests, then old master Tang wouldn't interfere.

Hearing the sound, third concubine turned her head. She was stunned to see an old man and a young woman. She naturally knew the old man, but the young man looked familiar. However, she did not dare to recognize him ...

"Father, why have you come ..." Third concubine quickly stood up and bowed." "Father, please take a seat ..."

The third concubine was filled with fear and trepidation. For the past ten years, no one from the Tang family had appeared before her. Now that the old master of the Tang family had suddenly appeared, she was a little flustered. She had been born into a poor family, not a member of a large family. She had been depressed over the years after losing her daughter. She knew that lady did not like her. If she stayed here, she could only wait for her life to slowly come to an end.

"Xiao Ming, it's been so many years. It's been hard on you, my unfilial son. Sigh!" Elder Tang waved his hand and sighed as soon as he entered.

"Father ... It's not his fault ... It's Xiao Ming's fault for not being careful ..." The third concubine was in fear and trepidation, not knowing what old master Tang was up to.

"It's been so many years, but I've never given up on searching for your daughter. But as you know, the influence of the eldest daughter-in-law's family is comparable to my Tang family's, so I could only have her investigate in secret!" Old master Tang didn't even blink when he was lying. He pointed at Tang

Gege and said, "Giving Zhi has always been close to you when she was young. The fact that his sister went missing has caused a barrier between him and his biological mother ..."

"Argh! It's young master!" After hearing old master Tang's words, the third concubine finally recognized that the young man in front of her was Tang zhige!

"Third concubine ... All these years, in order to avoid suspicion, I have not come to see you. I am truly ashamed!" Tang GE bowed deeply. This was what he meant. He was not as hypocritical as old master Tang. He had a close relationship with this third concubine. Otherwise, he would not have sent people to send gifts over all these years.

"Eldest young master, you're being too serious ... I've asked you to take care of me all these years, and I don't have to worry about food and clothing here ..." The third concubine did not doubt old master Tang's words. She would believe that others had forgotten about her, but all these years, Tang Yizhi had always taken the initiative to bring her some things during the holidays, which touched the third concubine! He had not been good to Tang Yingzhi in the past for nothing. He was really a good child!

When she heard that Tang geqi had been secretly looking for her daughter all these years, the third concubine asked excitedly, "Young master, then ... Then, did you manage to find out about Tang Tang?"

Third concubine's daughter's nickname was Tang Tang. It was a very nice name. Her real name was also called Tang Tang, but the words were different. (To be continued.)

Chapter 1612: preparing for the Ice Palace

"I have some news. Otherwise, I wouldn't have come here with Grandpa!" Tang jizhi sighed. Although his grandfather was lying, he couldn't refute his grandfather to his face, so he just said, "Third concubine, you are an elder, why are you calling him eldest young master? You can just call me giving ..."

"Xiao Ming, giving has indeed found information about Tangtang, but I'm not too sure if this person is Tangtang ... He took a photo and asked you to take a look!" Said elder Tang.

"Argh! Where is he?" The third concubine's spirits lifted after hearing old master Tang's words. She said excitedly, "Let me see ..."

However, she immediately felt that she had lost her composure and quickly said, "Father, I'm sorry ... I was too anxious."

"It's nothing. Giving, let Xiao Ming take a look at the phone!" Old master Tang's attitude had always been good. He was an old fox, so he was naturally good at acting. However, Tang geqi had always revealed his true feelings, so there was no need for him to put on a show.

"Third concubine, please take a look ..." Tang Yingzhi handed the phone to the third concubine.

The third concubine took the phone and glanced at it. She cried out in surprise and almost dropped the phone on the ground. Her eyes were fixed on the photo on the phone. There was a lump in her throat, and she couldn't say a word. However, her tears couldn't help but flow out ...

After a long time, he finally said in a low voice, "Tangtang ... Is that you? Tangtang, it must be you ..."

Old master Tang and Tang GE tacitly remained silent. They both knew that third concubine needed some time to digest this news. At this time, it was already a miracle that she did not faint from excitement. After all, no one could bear the sudden news of their long-lost daughter.

“Yes! It definitely was! Father, the first time I saw her, I had a strange feeling in my heart, as if she was my daughter. This is a kind of blood connection. I’m sure it’s her, she must be Tang Tang!” “Where is she?” the third concubine asked. “I want to go find her!”

“This ...” Elder Tang smiled bitterly, “Xiao Ming, don’t get too excited. This matter is a little complicated ...”

“Complicated? “She ...” The third concubine wanted to say something, but she kept her mouth shut. She looked at elder Tang with anticipation and anxiety.

“Xiao Ming, do you know her current identity?” “She’s now the sect master of an ancient sect, the Ice Palace!” Elder Tang sighed.

“What? Ancient sect? The sect master of the Ice Palace?” The third aunt jumped-she had been born poor, but she’d been in the Hidden House Tang for so many years, and knew about the hidden houses and ancient sects. So when she heard that the person in the picture was the sect master of the ancient sect, the Ice Palace, she froze.

“This is also the reason why giving-out and I are uncertain ...” Old master Tang said, “The sect master of the Ice Palace is too far away from us-an abandoned child from house Tang, how could he become the master of one of the biggest ancient sects? This was too outrageous ... And, according to GE ke, she was Sky Class late phase peak! Even I’m only at the early phase of the Sky Class ...”

The third concubine gripped the phone tightly and did not speak. She looked at the person in the photo, her thoughts unknown.

As for old master Tang and Tang gezhi, they didn’t disturb her.

After a long while, third concubine said, “I have a feeling that she’s my daughter. She’s really ...”

“Xiao Ming, if you’re sure, let’s go to the Ice Palace in the snow Mountain ourselves. It doesn’t matter if we’re there or not ...” Elder Tang had already thought it through-it wouldn’t offend the Ice Palace if they went to meet their family. They weren’t like the everyday and every day sect, who didn’t follow the rules. They didn’t care about the small and weak forces-if he went, he’d just be kicked out if he made a mistake, but there wouldn’t be any danger.

“Can I? Good!” The third concubine agreed without a second thought. She also wanted to see her daughter as soon as possible. Not to mention the ice Mountain, even if it was the ends of the world, she would still go!

“Then it’s decided. Don’t tell the servants anything. I’ll make some arrangements. We’ll set off in a few days!” Elder Tang said after a moment of silence.

“I understand!” The third concubine nodded her head in agreement.

Third Auntie was born in a poor family and didn't have any bad intentions, but she wasn't stupid-she could tell that if Tang Tang really was the sect master of the Ice Palace, then the future of the Tang family would be greatly affected ...

However, would her daughter acknowledge her as her mother? At the thought of this, third auntie's expression suddenly became a little sad ...

Old master Tang and Tang gezhi left quickly. They had to make arrangements for their family's Affairs. They had to go to the ice Mountain, but they couldn't let the other people in the family suspect them. So, there were still many things to arrange ...

.....

Back at the resort, Lin Yi was chatting with Xiaobo on the sofa after a shower.

"I feel like I'm dreaming. I remember when you just transferred to school and had a conflict with Zhong pinliang. I can still remember it clearly, and now I'm a vice president of a company. What a huge change ..." Xiaobo said, a little emotional.

Lin Yi's heart was filled with emotions as well, hearing Xiaobo's words. At that time, he was just an ordinary little assassin, or a little bodyguard. In short, he took on some jobs similar to that of a bounty hunter, and his life was uncertain.

But now, not only did he have his own company, he also had the power to go against the noble houses! This was something that he couldn't have imagined in the past! At that time, he was just a normal bodyguard protecting the Hidden House Yu's little princess. He and Yu Ning were like a Cowherd and a Weaver Girl, but now, he had the guts to steal food from the Hidden House Yu's mouth. He took a Qi gathering pill and even dared to trample on their representative in the common world, the common house Yu. He even clamored for them to send two concubines!

Life was like this. It was full of adventures and twists. No one could predict their future.

"Xiaobo, have you ever thought about what to do with your university life?" Lin Yi asked.

"I don't know yet, but I'll probably look for an economics college. I'll just put my name there and get a certificate. Now, I want to focus on managing the company. When the time comes, if I'm really not capable enough, I'll go and study an MBA in Business Management." "But, I've been letting Fen study all night to gain some knowledge. She's different from me-she's good at quality inspection, and I'm planning to let her get some certification. Our company's lacking people like her in the future." (To be continued.)

Chapter 1613: intimate words

"Alright, since you've decided, I won't say anything more." Lin Yi nodded, a little regretful. It seemed that Xiaobo was on his own path now, and he wouldn't be able to spend his university days with Lin Yi anymore.

"Right, boss, Kang Zhaoming's not giving up yet. I saw him trying to get people from the purchasing and quality inspection departments to his side. It seems like he's also interested in our painkiller recipe."

“Although the procurement and quality inspection department don’t have the recipe in detail, I’m still worried that they’ll leak something out,” Xiaobo said.

“Don’t mind him. ” Lin Yi said faintly, “the most important parts of the painkiller are in your and fatty Lai’s hands. He can study the rest if he wants to. Be careful of the explosion!”

“Ah?” Xiaobo blinked.

“Didn’t I tell you guys that I bought some other medicinal ingredients as well?” Lin Yi asked.

“Yeah, after purchasing them, they’re all stored in the warehouse!” “Could it be ...” Xiaobo said with a nod.

“When he put those herbs together, they exploded,” Lin Yi said with a smile.

“Uh ... Boss, no way? You’re really something!” Xiaobo had wanted to warn his men to keep their mouths shut, or fire anyone who had any contact with Kang Zhaoming.

But after hearing Lin Yi’s words, Xiaobo couldn’t help but admire him. “So, boss, you already had the foresight!”

“It’s not really foresight, it’s just a coincidence. The annual output of the herbs I asked you to buy is relatively small, so I bought them in advance. However, if I mix them with the previous ones, they’ll easily explode.” Lin Yi said.

Xiaobo stuck out his tongue, sighing at Zhaoming’s bad luck. The ingredients he’d spent so much effort finding out would probably explode when he made them.

“Then, do we need to intentionally reveal it to him?” Xiaobo asked after some hesitation.

“Ha ... If he sends you money, then give him the receipt,” “Just like last time!” Lin Yi smiled.

“Haha, good!” Xiaobo was overjoyed to get Lin Yi’s approval-not only could he extort money from him, but he could also get Kang Zhaoming in trouble. Why not?

In the other room, Chu Mengyao and Chen Yushu were lying on the bed and whispering after showering.

“Shu, how did it feel when you kissed Lin Yi today?” Mengyao wanted to ask, but she didn’t dare since Lin Yi was right next to her.

“Hehe, why don’t you try it, Yaoyao sis?” Chen Yushu asked.

“I ... What should I try? If I wanted to try, I would’ve already tried it. ” “I’m asking you because I’m not trying,” Mengyao blushed.

“Oh, you were the one who kissed shield bro first, Yaoyao sis. Did you forget? You guys are kissing indirectly!” Chen Yushu replied.

Mengyao’s face darkened as she recalled the incident with the indirect kiss. At that time, she only had a strong reaction because of her dislike and dislike for Lin Yi, but now that she thought about it, it wasn’t much ...

If Lin Yi didn't mind her urine, why would she mind Lin Yi's saliva? However, Mengyao's face turned even redder when she thought about that! This was definitely the most embarrassing experience Chu Mengyao had ever experienced in her entire life!

"What about that time?" "It's fine if you don't want to tell me," Mengyao coughed.

"Aiya, Yaoyao sis, don't be angry, I'll tell you ..." Chen Yushu looked at Chu Mengyao who was blushing. "Wow, Yaoyao sis, you're shy?"

"What nonsense are you spouting? I'm feeling hot!" "Are you going to tell me or not?" Mengyao said. "It's fine if you don't want to tell me."

"Okay, okay, I'll tell you ..." With that, Yushu gave Mengyao a big kiss on the lips, and while Mengyao was still in shock, she said proudly, "I'll tell you. "That's it, now you know ..."

"You're the same as Lin Yi?" Mengyao didn't know if she should laugh or cry.

"Ah, Yaoyao sis, you should try it yourself. I really don't understand ..." Chen Yushu stopped messing around and said.

"Forget it, let's not talk about this." "Shu, do you really like Lin Yi?" Mengyao waved her hand.

"Oh?" Chen Yushu started acting dumb again.

"What's with the "oh oh oh"? Answer me!" Mengyao asked sternly.

"Of course I like it, don't you like it too, Yao Yao?" Yushu said seriously.

"Don't ... Don't drag me into this!" "You're the one asking questions now," Mengyao said. "We'll talk about my stuff later."

"I like that." Chen Yushu nodded.

"Then have you ever thought that Lin Yi already has Tang Yun and Feng Xiaoxiao by his side?" Mengyao's question seemed to be directed at Yushu, but it also seemed to be directed at herself. It was a question that had been troubling her for a long time.

If only ... If only I didn't reject him so much back then, would I be his girlfriend? Mengyao tried to guess, but she couldn't come up with an answer. There was no "if"! It was already in the past, so there was no point in telling him what had happened.

"Then why don't you include me?" Chen Yushu acted like she didn't understand Chu Mengyao's meaning.

"You won't be jealous?" Mengyao had no choice but to ask.

"Jealous?" "Why would I let you be the main wife if I was?" Yushu shook her head, confused.

"..." Chu Mengyao felt that she couldn't communicate with Chen Yushu's messy answers. Sometimes, she seemed to be smarter than anyone else, but sometimes, she would change the topic no matter how you explained it to her!

Sometimes, Chu Mengyao really admired Chen Yushu. This girl wasn't simple, she considered what she wanted to consider and didn't even consider what she didn't want to consider!

"Yaoyao sis, I understand what you're saying ..." Yushu changed her tone all of a sudden, her cheeky face gone."But sometimes, thinking too much is a kind of pain. Tomorrow will have tomorrow's troubles, so why should we worry about tomorrow's matters? As long as you're happy today, I don't want to think too much ..."

"But ... What about your future? Could it really be as you said? Tang Yin will be the big wife, and you and Xiaoxiao will be the small wives?" Mengyao felt a little dizzy-what would she be then?

"Future? It's too far ..."Yushu sighed, then smiled."I don't want to think about it, hehe ..."

Chapter 1614: The eldest young miss is sick

Looking at the carefree Chen Yushu, Chu Mengyao suddenly felt envious,"Go to sleep. It's getting late. I heard that you're going hiking tomorrow morning?"

"Alright!" Yushu nodded, smiling bitterly to herself. She didn't like how things were right now, either.

Around midnight, Chen Yushu got up and went to the toilet. She accidentally touched Chu Mengyao's body and found that her body was frighteningly hot. Chen Yushu's body temperature was higher than normal people, but Chu Mengyao scalded her. Chen Yushu jumped in shock,"Yaoyao sis, Yaoyao sis, what's wrong?"

Chen Yushu subconsciously touched Chu Mengyao's forehead and it was frighteningly hot! Chen Yushu quickly turned on the light at the head of the bed and found her phone. She called Lin Yi.

Lin Yi was in the middle of practicing when his phone rang. He quickly came back to reality and picked up.

"Shu?" Lin Yi looked at the caller ID-what was it, calling in the middle of the night?

"Shield bro, come quickly! "Yaoyao sis wants ... Wants ..." Yushu was panicking and couldn't catch her breath-she stopped mid-sentence, and Lin Yi jumped.

Yaoyao sis wanted it? He even asked him to go quickly? Lin Yi couldn't help but think of something evil But thinking was one thing-he subconsciously thought that Shu was joking. After all, he knew what kind of person Chu Mengyao was-she wouldn't ask Chen Yushu to call him in the middle of the night for something!

With the miss's personality, even if she wanted to do something, she wouldn't ask for Chen Yushu's help! "What's wrong, Shu?"Lin Yi quickly asked. If you have something to say, say it slowly. What happened?"

"Elder sister Yaoyao ... Elder sister Yaoyao is going to die from the heat!" Yushu said, taking a deep breath."Shield bro, come and save her! She's so scary, I think she's having a fever!"

"I'll be there immediately!" Lin Yi knew that it wasn't the case, and put on his coat as he prepared to leave.

Xiaobo was awoken as well, opening his eyes as he looked at Lin Yi. "Boss, what's wrong?"

"Yaoyao is sick. I'll go over and take a look. You should sleep." Lin Yi said to Xiaobo.

"Do you need my help?" Xiaobo asked subconsciously.

"It's fine ..." Lin Yi sighed. Chu Mengyao was a girl, after all, and it wouldn't be convenient for Kang Xiaobo to go. There was no need to avoid suspicion between Lin Yi and the Miss. So many things had happened, and there was no need to care about the small things.

"Alright, I'll wait here. If you need me to buy any medicine, boss, just tell me and I'll go!" Xiaobo said with a nod.

Lin Yi rushed to Chen Yushu's room and knocked on the door. The door opened very quickly.

Chen Yushu was only wearing thin silk pajamas, and the spring light inside was faintly visible. Under the dim light, it made people's imagination run wild! But Lin Yi only took one look and suppressed the evil thoughts in his heart. This kind of situation happened a lot at home, and Lin Yi had trained to the point where he could ignore it. 'Search wuxiaworld- Org on google'

It wasn't that Yushu didn't notice, but she opened the door after making sure that it was only Lin Yi outside. As far as she was concerned, Lin Yi had seen everything already, and Yaoyao sis was seen too- what was there to hide?

Of course, if Xiaobo had come along, she wouldn't have opened the door so quickly.

"Shield bro, come here!" Chen Yushu closed the door and pulled Lin Yi into the room.

Lin Yi followed Yushu into the room, and she wanted to turn on the light, but Lin Yi waved his hand to reject her. The light was dim enough for Lin Yi to see clearly, and there was no need to turn on the lights-it'd wake Mengyao up.

"No need to turn on the lights, I'll take a look first!" Lin Yi quickly walked to Mengyao's bed. Mengyao was wearing the same kind of silk pajamas, very thin. Because Mengyao was lying flat on the bed, her chest was visible. Lin Yi only glanced at it unintentionally, and he couldn't look away.

He'd spent a lot of time with them, but Lin Yi didn't go upstairs normally, and the girls wouldn't wear too revealing pajamas downstairs either. Lin Yi felt like he was short of breath right now.

"Shield bro, you should treat Yaoyao sis first. You can look at her when she's better ..." Chen Yushu saw the direction Lin Yi was looking at and quickly reminded him.

"Ahem ..." Lin Yi didn't expect Yushu to see through his actions. He coughed twice and tried to explain, "I'm just checking to see if there's anything wrong with Yaoyao's chest. I don't want it to be pneumonia or edema ..."

Lin Yi was just bullshitting. He didn't have X-Ray Eyes, so how could he see it? However, it was enough to make things less awkward for Yushu.

"Oh ..." Chen Yushu realized that she had misunderstood Lin Yi. She thought to herself, "that's right, shield bro can look at it whenever he wants to. He doesn't have to look at it now. There are many

opportunities at home!” “Shield bro, do you want to take off Yaoyao sis” clothes and look at her?” I can’t see clearly like this, right? Please don’t let it be pneumonia ...”

“Pfft ...” Lin Yi almost fainted at Yushu’s words. He quickly waved his hands, “No need for now, let me take a look ...”

“Okay ...” Chen Yushu was too anxious and didn’t realize what she said was wrong.

Lin Yi took a deep breath and calmed himself down before looking away. He felt Mengyao’s pulse with the attitude of a doctor.

“It’s just a cold ...” Lin Yi sighed in relief, “It’s a small problem. Did she catch a cold today?”

“Yeah, yeah, when you were trying to detoxify the poison, Yaoyao sis and I turned the air conditioner to the maximum. That’s probably when you caught a cold.” Yushu said after some thought.

“It’s been hard on you guys ...” Lin Yi sighed as he took out his silver needles and used his pure Qi to remove the poison. He then inserted them into Mengyao’s body a few times. “Just wait for a while, there’s no big problem.”

With that, Lin Yi picked up his phone and dialed Xiaobo’s number.

“Boss, is there anything you need me to do?” Xiaobo was on standby, and he picked up the call as soon as it came in.

“Go to the resort pharmacy and buy a box of cold soft capsules. If they don’t have it, get some for yourself. Ephedra, cassia twig, Bramble, Scutellaria, almond, incision.....Lin Yi gave a list of herbs.

“Alright, I’ll go now!” Xiaobo nodded. (To be continued.)

Chapter 1615: Really no problem

Lin Yi didn’t need to brew his own medicine for a normal cold-this was a recipe that had been around for thousands of years, and it didn’t need to be changed at all. There were plenty of completed medicines, and Lin Yi would only brew his own if he really didn’t have any.

Mengyao had been awake the whole time-she woke up when Shu called her and said that her body was burning hot, but she couldn’t speak! Mengyao knew that Lin Yi’s eyes were on her chest!

The young miss was so embarrassed and angry that she almost fainted! But in his heart, he was secretly delighted! Were her breasts very good-looking? Even better looking than Shu’s big milk cow? Otherwise, why would Lin Yi only look at her and not Yushu?

How was he compared to Tang Yin? The young miss was having a fever and her mind was running wild. After thinking about it, she was overthinking ...

Things that she wouldn’t think about in her normal state of mind all came to her mind at this moment ... But she was a little disappointed when Lin Yi said it was for pneumonia ... Was he really going to check for pneumonia?

However, that gaze didn't look as simple as checking for pneumonia. Chu Mengyao could clearly feel a perverted look in his eyes ... However, Chu Mengyao wasn't angry at this kind of perverted look. Instead, she was happy ...

Before she could even think about it, Lin Yi's needles were already on Mengyao's body, and she felt a cool sensation all over her body, as if she wasn't as hot anymore ...

Mengyao's eyes narrowed as she looked at Lin Yi.

"Shield bro, that's it? It's just a cold?" Chen Yushu heard that Chu Mengyao only had a cold and immediately let out a breath of relief.

"Yeah, it's just a cold." Lin Yi nodded, "do you think it's a serious illness?" By the way, didn't you use the air conditioner this afternoon? Do you feel uncomfortable? I'll help you check!"

Lin Yi suddenly remembered that Shu was there too. If she caught a cold, she should be treated as soon as possible! Although Chen Yushu looked fine now, the incubation period for a cold was different. Some people would get sick in an instant, while others might take a day to react.

"Me? "I'm fine ... My body temperature is higher than normal people, and the Heat's strong, so the air conditioning doesn't affect me ..."Yushu paused for a moment, but a strange light flashed in her eyes."Okay, okay, shield bro, check me! Let's see if I'm sick!"

"Ha ..." Lin Yi smiled, "Give me your hand,"

"Do I need to take off my clothes?" Yushu said as she reached her hand out. My chest is bigger than Yaoyao sis ", shield bro won't be able to see it if I don't take it off, right? I hope I don't get pneumonia!"

Lin Yi's foot slipped, and he almost fell to the ground. He rubbed his nose and smiled bitterly, "There's no need for that. Your symptoms don't match, so I don't think you have it."

"Oh ..." Yushu nodded, not too disappointed. She looked at Lin Yi anxiously, "Shield bro, what's wrong with me?"

"No, I didn't," Lin Yi did a simple check on Yushu, and found no signs of a cold. "You're very healthy. You're in better shape than Yaoyao. "

"Ah? "I'm not sick ..."Yushu let out a breath of relief."Shield bro, did you check carefully?"

"Of course!" "It's a simple disease, I can tell right away,"Lin Yi smiled.

"What if I have other complicated diseases?" Chen Yushu suddenly reached out her hand, "Shield bro, why don't you help me check if there's anything else?"

Lin Yi didn't know whether to laugh or cry, but he still held Yushu's wrist and checked it for her. He shook his head, "There's really no problem. There's definitely no pneumonia!"

"Oh ..." Chen Yushu was a little disappointed, "Do I need to take off my clothes to check again?"

"No need," Lin Yi said.

Mengyao was on the bed, and Yushu's words pissed her off. What did she mean by "Yaoyao sis" s chest is small while her chest is big "? This Shu was asking for a beating!

Yushu was about to say something when someone knocked on the door. Lin Yi said, "You wait here, I'll open the door."

It was probably Xiaobo, and Yushu shouldn't be showing her face.

Lin Yi walked over and opened the door. It was Xiaobo.

"Boss, I've bought the medicine!" Xiaobo was about to enter the room when he stopped after some hesitation. He handed the medicine to Lin Yi. "I'll go back first!"

"Alright, thanks!" Lin Yi nodded and went back to his room with the medicine. He gave it to Mengyao and removed the needles from her body, "Shu, you should rest early too. Yaoyao's fine now, she'll be fine when she wakes up tomorrow morning."

"En!" Chen Yushu knew that Lin Yi was about to leave and waved her hand at him.

After taking the medicine, Chu Mengyao fell asleep very quickly. When Chu Mengyao woke up the next morning, she felt very refreshed. She didn't feel any discomfort from last night.

Thinking back, it was like a dream. If it weren't for the half a box of cold soft capsules by the bed, Chu Mengyao would have thought that everything that happened yesterday was just a dream.

Mengyao didn't want to disturb the sleeping Shu-she knew that she'd been busy the night before and didn't get a good night's sleep, so she decided to let her sleep in.

After some hesitation, the Miss picked up her phone and sent Lin Yi a text, but it only had two words: "Thank you!"

Lin Yi couldn't help but smile as he looked at the text on his phone. The Miss "personality! "Don't forget to take your medicine in the morning!"He replied.

Chu Mengyao didn't reply, she went to take her medicine.

Shu woke up at around eighto' clock. She saw that there was no one beside her and said in a daze, "Yaoyao sis?"

"Shu, you're awake?" Mengyao had just taken her medicine, so she went to wash up and put on her clothes.

"Uh, Yaoyao sis, you've recovered?" Chen Yushu rubbed her eyes and sat up, "What time is it? Didn't they say they were going mountain climbing today? Is it too late?"

"It's still early. It's only eighto' clock. Didn't they say that we'll gather at nineo' clock?" "Thank you for yesterday," Mengyao said.

"Yaoyao sis, what's there to thank me for?" "Thank you, shield bro!" Yushu said. Yaoyao sis, shield bro has saved you so many times, have you ever thought of repaying him with your body?"

"You'd better strip naked and check his body!" Mengyao said, pouting. (To be continued.)

Chapter 1616: What a coincidence

"Ah? Yaoyao sis, you heard everything?" Yushu thought that Mengyao had been sleeping the entire night.

"I'm not deaf," Mengyao said with a smile.

The two laughed and joked for a while before getting dressed and leaving the room. They went to the lobby downstairs, where most of their classmates were already there, Lin Yi and Xiaobo included.

Chu Mengyao and Chen Yushu walked over. Lin Yi said, "There's a free breakfast over there, do you guys want to have some? Xiaobo and I have already eaten."

"We're fine, Shu and I had some bread." Chu Mengyao shook her head. She had just recovered from a serious illness and her appetite wasn't that good.

Zhong pinliang and Gao Xiaofu's room.

"You're always dropping the ball at the most crucial moment, kid. How did the tag of Chu Mengyao end up in Lin Yi's hands? What the hell are you doing? Didn't I tell you to put it in the crack of the box?" Pinliang didn't get mad at Xiaofu yesterday, but held it in until this morning.

"Liang bro, you can't blame me for this. I don't know what happened, but I did put the note in the gap of the box. Who knew it would end up with Lin Yi?" "Liang bro, I'm the one who's going to be unlucky in the end. Why would I make things difficult for myself?" Xiaofu said, his face bitter.

"That's true!" "That Lin Yi's a Mystic, he might have some special methods we don't know about. I was thinking of getting closer to Mengyao yesterday!" Pinliang said with a sigh.

"Liang bro, should we go with the second plan?" Gao Xiaofu saw the unwillingness on Zhong pinliang's face. He knew that Zhong pinliang's dream was to be close to Chu Mengyao. Although he knew that it was impossible for them to be together, this thought was buried in Zhong pinliang's heart like a grudge, and he didn't want to give up!

"The second plan ... Isn't it a little dangerous?" Pinliang knew about Xiaofu's second plan as well, but he thought it was a lot more dangerous.

"I'm fine! I've already inquired about it in advance, there's a grass snake seller nearby, so there's no poison. When the time comes, I'll be the bad guy, and you'll be the good guy!" "I don't mind doing something evil for Liang bro!" Xiaofu said.

"This ... That's fine!" Pinliang thought that as long as he didn't touch the snakes, he wouldn't have to worry about getting bitten.

"Don't worry, Liang bro, I'll pretend to let the snake bite Chu Mengyao by accident, and you'll be able to get intimate with her after you suck her out of the poison!" Xiaofu said.

"We won't let Lin Yi get there first, will we?" Pinliang said, worried.

“It won’t. When we’re going up the mountain, you can teach everyone about first aid if you’re accidentally bitten by a poisonous snake. I’ll go with you, and when Chu Mengyao gets bitten, you’ll be the first to rush up. It shouldn’t be a problem!” Xiaofu said.

“Alright! Then it’s decided!” Pinliang said through gritted teeth.

After the two of them had come up with a plan, they went downstairs and organized everyone to go mountain climbing at the back of the resort.

“In a bit, Liang bro and I will bring everyone up the mountain. But please be careful, there might be grass snakes on the mountain, but they’re not poisonous. There might be poisonous snakes, so no matter if you’re bitten by a grass snake or a poisonous snake, you must inform me or Liang bro immediately!”

“Liang bro was worried that something might happen to everyone, so he learned some first aid knowledge in the wild, including how to handle a snake bite!” Xiaofu said. Liang bro’s a professional drug expert now, he can quickly suck out the snake venom!”

“Liang bro really does care about everyone!” Xiaofu’s classmates were all touched by his words-they didn’t think that pinliang would pay them to come and play, and that he’d be so thoughtful!

Lin Yi’s eyes flashed with a strange light as he listened to Xiaofu’s words. He didn’t know what the guy was up to this time.

There was a small hill behind the resort. The hill was not too high and was built half-man-made and half-natural, but it was a good place for leisure in the resort.

Elder Zhu made up an excuse to bring Chen Xi to the back of the mountain. The reason was simple-the people who climbed must have brought a lot of drinks. After drinking, they could pick up a lot of mineral water and drink bottles!

On the weekends, Chen Xi often went to the beach, amusement parks and other places with boss Zhu to pick up scraps, so she didn’t have any suspicions this time.

Furthermore, it was said that one could earn a lot of money by selling grass snakes here! Near the back of the mountain, there were indeed many local villagers selling grass snakes. Grass snakes were not poisonous, and many tourists bought them as pets to play with, so the sales were not bad!

Elder Zhu had heard about this before, and that was why he was selling grass snakes here! He thought about it and realized that it wasn’t easy to get a grass snake to bite Lin Yi after eating the five steps strength scattering powder. It was a bit complicated, so it would be easier for Lin Yi to buy a grass snake to bite him!

Of course, boss Zhu was afraid that Lin Yi wouldn’t buy the snakes from him, so he asked Cihua to bring a bunch of gangsters here. They threatened and gave Lin Yi money, driving away all the villagers who were selling grass snakes!

And so, elder Zhu became the only one selling grass snakes here! Plus, boss Zhu wasn’t afraid that Lin Yi wouldn’t buy it. Since he knew Chen Xi, he had to at least support her since she was selling snakes here, right?

Of course, elder Zhu wasn't afraid that the grass snake wouldn't bite Lin Yi, because other than the five steps strength scattering powder, the grass snake was also fed with another drug that made it go crazy, biting people the moment they were caught!

"Grandpa Zhu, can you make money by selling grass snakes?" Chen Xi was a little puzzled. Other than scrap picking, they didn't do any other business. This time, Grandpa Zhu wanted to sell grass snakes for the first time. It made Chen Xi feel strange.

"I can! It's fine if I don't earn money, I'm just trying! Anyway, this grass snake is a gift from your Grandpa Zhu's friend, so it doesn't cost anything!" Said elder Zhu.

"Oh, that's good." Chen Zhao nodded and didn't ask anymore.

Pinliang and Xiaofu walked in the front, with the rest of the class following behind. Xiaofu looked at the roadside and saw that there were no vendors selling souvenirs, but there was no grass snake vendor!

Xiaofu was confused-something wasn't right. Previously, when he came to inquire, there were many grass snakes selling on the roadside. Why were there no more today? Could it be that these people didn't even catch a single snake? Or was it bought by a restaurant for a snake banquet? (To be continued.)

Chapter 1617: What a coincidence

However, no matter how he looked around, he couldn't find a stall selling grass snakes!

"Fu, what's wrong with you? Didn't you say that you were selling grass snakes? How come we haven't seen a single one after walking for so long?" Pinliang's face didn't look good either-the plan was ready, but the prop was gone!

"Liang bro, this ... There really were a lot of grass snakes in the past, why aren't there any today?" "Last time, when we came to inspect, you saw it too. The whole street was filled with grass snake sellers!" Xiaofu said bitterly.

"Hmph!" Pinliang did see the street full of grass snakes last time, but he was still pissed."Always dropping the ball at the critical moment, what's going on!"

"Keep looking! "There must be ..." Xiaofu wiped the sweat off his forehead and said guiltily."Liang bro, don't worry, I'll find it ..."

"Forget it, if there really isn't anything, then forget it!" Pinliang waved his hand helplessly, thinking that he'd just have to endure it for now. When naipao came back from his training, he'd be able to trample Lin Yi to death under his feet-then Mengyao would be his for the taking! At that time, who could still protect her!

Even an Jianwen was just a small character in front of Pao, an ancient sect member!

"Eh? There's a grass snake seller over there!" Gao Xiaofu suddenly saw a stall not far away. It was an old man with a little girl, selling grass snakes!

"Oh? There really is?" Pinliang followed Xiaofu's finger and saw the stall selling grass snakes."Then why don't you hurry up and go? Buy a grass snake?"

“Yes!” Gao Xiaofu quickly ran over to the stall selling grass snakes and said to the old man, “Hey, how much is this grass snake?”

Elder Zhu’s purpose in coming here was to sell the grass snake to Lin Yi, not to anyone else, so he didn’t set up his stall before. He only did so when he saw Lin Yi and the others walking over, not expecting someone to come out and ask for a grass snake!

The grass snake was tampered with, how could boss Zhu sell it to Gao Xiaofu? He was about to say that he wasn’t selling, but then he thought, if he said that, wouldn’t Chen Xi be suspicious? At that thought, elder Zhu said, “Two thousand for one!”

“What?” Gao Xiaofu froze. What kind of grass snake was 2000 a snake? Did he think that this was a gilded snake? Previously, he had also inquired about the market price. A grass snake was only ten or twenty Yuan. How could it be two thousand Yuan a snake? Wasn’t this clearly a black person?

“2000 a fish! If you’re not buying, then don’t be a hindrance here!” Elder Zhu didn’t want to waste time with Xiaofu, and wanted him to leave as soon as possible.

Damn it, you’re so evil, you old undying thing! Gao Xiaofu wanted to haggle, but he didn’t expect the old man to kick him out directly. Gao Xiaofu didn’t know what to do. He thought, “so be it. This old man is the only one.”

“Alright! Two thousand? Here you go!” Xiaofu took out his wallet and threw two thousand Kuai on the counter. He didn’t have time to waste with the old man, and Mengyao was walking over.

“You’re buying it for two thousand?” Elder Zhu was so angry that he wanted to curse. Are you an idiot? You have money but no place to spend it, right? Spending 2,000 Yuan on a grass snake? You can even hire someone to catch a basket of them for you at this price!

Chen Xi’s eyes widened. She didn’t expect that a snake could be sold for two thousand Yuan! Chen Xi was shocked when Grandpa Zhu said the price. Did he make a mistake? This grass snake was a gift from someone else, so it didn’t cost anything! Besides, this thing wouldn’t be so expensive even if he bought it.

He wanted to question it, but he didn’t expect that the person in front of him would really buy it!

“You snake-selling old man, why do you have so much nonsense to say? I’ve given you the money, so hurry up and give me the snake!” Gao Xiaofu was also very angry. The old man’s price was high enough, but why didn’t he want to sell it after taking the money? What’s wrong with thinking it’s too little? “”

“It’s so expensive, you’re buying it too?” Elder Zhu was speechless. Why did he have to meet a lunatic at this critical moment?

“Old man, are you crazy? Alright, I’ll get it myself!” Gao Xiaofu ignored him and took out a grass snake from the snake box. He turned and left!

Elder Zhu wanted to stop him, but he had enough time. With his Earth Class strength, stopping Gao Xiaofu was a piece of cake! However, the problem was that Lin Yi was not far away. If he exposed his strength and was discovered by Lin Yi, then all his plans would be useless! So, he could only watch as

Gao Xiaofu took the grass snake. He sighed at his bad luck. It looked like he couldn't do what he wanted today!

Gao Xiaofu had studied grass snakes before, and he'd done research on their characteristics. He knew how to hold the grass snake and make it not bite, and how to stimulate it to make it bite!

However, just as he was happily running back with the grass snake in his hand, he suddenly felt a sharp pain in his arm. He lowered his head and realized that the grass snake had bitten him!

"Achoo!" Xiaofu cried out in pain. He couldn't understand why the grass snake would suddenly bite him. Previously, he had specially learned how to get a grass snake from those people who sold them, but today, it was no longer effective!

He had no idea that the grass snake had been fed medicine by elder Zhu and had gone crazy.

Xiaofu felt the pain and subconsciously threw the snake away. The grass snake slithered into the grass and disappeared!

Xiaofu's arm, on the other hand, was swollen like he'd been poisoned! Gao Xiaofu jumped in shock when he saw his arm. Weren't grass snakes supposed to be non-poisonous? Even if he had been bitten, there shouldn't be such an obvious reaction. Could it be that it was a poisonous snake that bit him?

"Waa, liangy, Xiaofu's been bitten by a snake! Go and help him suck out the poison!" Yushu said excitedly to pinliang as she looked at the pained Xiaofu. "Hurry up and show me how you're going to treat him!"

"Ah?" Pinliang froze as well-he didn't think that Xiaofu would get bitten by a grass snake when he went out to buy one, and it didn't look like a grass snake, but a venomous one!

"Zhong pinliang, go and take a look, what should we do? Aren't you a professional in dealing with snake venom?" The other students remembered what Gao Xiaofu said before they left and quickly said to Zhong pinliang.

"Yeah, Zhong pinliang, look, Gao Xiaofu looks like he's in a lot of pain. Go and help him suck the venom out, you're the only one in our class who knows how to do this!" Another student said anxiously. (To be continued.)

Chapter 1618: sudden idea

"Ugh ..." Pinliang didn't know what to do. If he went, he was afraid that the snake might be poisonous. If he sucked the poison into his mouth, he would be in trouble! But if he didn't go, he'd already let Gao Xiaofu brag about it, and he was his good brother. If he didn't care about his good brother, then he wouldn't be able to raise his head in the eyes of others!

Thinking about the people around him, naipao's loyalty to him was all because of his acting-but this time, it was Gao Xiaofu's turn!

If he could help Gao Xiaofu suck snake venom, then Gao Xiaofu would be even more loyal to him in the future! Pinliang, on the other hand, saw that Xiaofu wasn't dead or unconscious, so he assumed that the poison wasn't too overbearing. He gritted his teeth and rushed over ...

In fact, the five step strength scattering powder wouldn't cause too much harm to ordinary people except for practitioners. At most, it would be a little red and swollen. However, the drug that made the poisonous snake go crazy was harmful to the human body. After entering the human body, if it wasn't cleared out as soon as possible, it would make the person's breathing short and heart beat faster. There was even the danger of suffocating and fainting!

However, this was only effective for ordinary people. For cultivators, this poison didn't have much effect, because cultivators had a stronger resistance.

And so, the unlucky Xiaofu started panting and twitching after a few cries of pain. Pinliang jumped in shock!

Oh my God, could it be that the snake's poison is acting up? Don't tell me that there's something deadly in the snake venom! However, as scared as pinliang was, he was already by Xiaofu's side. If he went back on his word now, he'd lose all his face!

Besides, losing face was a small matter, but it'd be bad if Xiaofu got angry at him. Pao wasn't with pinliang right now, and he only had one person he could use. What would naipao think if he really didn't help him?

Pinliang thought that naipao was loyal to him, and nothing bad would happen to him, but he was worried that the stronger naipao got, the harder it would be to control him! Therefore, winning over the hearts of the people was the only way! Back then, he'd used it to win naipao over!

With that thought, pinliang pounced on Xiaofu without hesitation. He grabbed Xiaofu's snake-bitten arm and started sucking on it ...

Gao Xiaofu was moved to tears! If he could, he'd rather suck the venom himself than let pinliang take the risk! However, the place where he was bitten by the snake was on his arm, close to the back of his shoulder. He was not a giraffe, so it was impossible for him to suck that part. He could only rely on the help of others!

"Liang bro, you're so good to my men! "I finally understand why Pao's so dead set on me ..." Xiaofu was touched-Liang bro really didn't care about his own safety! He'd been a little unhappy with Liang bro for making him play safe kiss with the two fat girls last night, thinking that he was just using him as a shield!

But now it seemed that he had to rely on Liang bro at the critical moment. It was normal for him to let his underlings do the small things yesterday, but if something big happened, he would be the first to rush up!

Xiaofu swore to himself that he'd become Liang bro's right-hand man, just like Pao had done-he'd help Liang bro deal with his enemies!

Pinliang spat out a few mouthfuls of snake venom, and his lips were swollen like sausages!

"Wow, liangy's mouth is so big, it looks like a butt!" Yushu started laughing when she saw pinliang's condition.

"Pfft ..." A student who was drinking water spat out the water in his mouth and almost choked.

The rest of the people also laughed.

Pinliang wasn't happy at all-he glared at Yushu with a venomous look, swearing to himself that he'd play with her until she died one day, you big milk cow! Who asked you to play with me and humiliate me!

But now, pinliang had to continue sucking the venom for Xiaofu.

"Grandpa Zhu, something's wrong ... That grass snake, why did it bite? it seems to be poisonous?" Chen Zhao looked at Gao Xiaofu and Zhong pinliang in shock, worried.

"Yeah, that snake seems to be poisonous. Let's run away and not get into trouble!" Elder Zhu's face darkened. He'd had a good plan, but this idiot Xiaofu had ruined it. He wanted to slap the kid to death!

But he couldn't do anything in front of so many people. All he could do now was leave and think of another way to deal with Lin Yi later! Even if he sold the snake to Lin Yi, he wouldn't buy it even if it was free!

However, just as he was about to run away with Chen Xi, he saw the two thousand Kuai that Gao Xiaofu had thrown on the bamboo basket. He was overjoyed, and a good plan came to mind!

Elder Zhu looked at Chen Xi with evil intentions, then pretended to take the money, but "accidentally" dropped the money into the bamboo basket, and it fell with the grass snakes!

"Grandpa Zhu, I dropped the money ..." Chen Xi also saw that boss Zhu accidentally dropped the money in the bamboo basket.

"Hurry, pick it up and let's go. We don't want the snake anymore!" Elder Zhu said to Chen Xi.

"Ah? "This money, shouldn't it be returned to the person who bought the snake ..." Chen Xi hesitated. She was a kind person. Now that the snake had bitten her, wouldn't it be a bit too unkind to take the money and leave?

Although the transaction was between both parties, one was willing to buy and the other was willing to sell, Chen Xi felt that she was in the wrong. She didn't want the money, even though it wasn't a small amount!

"Then you pick it up and return it to him, then we'll run!" Elder Zhu didn't care. As long as Chen Xi went to pick up the money, he didn't care if she returned the money or not.

"Alright!" Chen Xi reached out to pick up the money, but she didn't expect that the moment her hand touched the money in the bamboo basket, she screamed."Ah!" Her hand had been bitten by the snake in the bamboo basket!

Chen Xi subconsciously pulled her hand out, but the wound on her hand was still bleeding, and it instantly swelled up. Chen Xi was so scared that she didn't know what to do!

"Argh! Xi, how could you be so careless?" Elder Zhu pretended to be anxious."What do we do, what do we do? There's no doctor here, Xi, stay here and don't move. Grandpa will go to the nearby clinic to get you a doctor!" (To be continued.)

Chapter 1619: treating snake venom

With that, elder Zhu ran down the mountain, not bringing Chen Xi with him! Elder Zhu had a good plan in mind, and he was very proud of his spontaneous plan! Didn't Lin Yi know Chen Xi? Good relationship? This time, I'm leaving. You can't just leave Chen Xi alone, right? You're the only one who knows her and can help her suck out the snake venom. When you suck out the snake venom, the five steps strength-scattering powder will also be sucked into your mouth. Even if you spit it out, it'll be useless because the medicine will be absorbed instantly!

Lin Yi had been watching the whole thing. First of all, Chen Xi and boss Zhu selling snakes here made Lin Yi feel weird. He knew that boss Zhu had bad intentions, but what surprised Lin Yi was that he'd become an Earth Class in just a few days!

Of course, Lin Yi didn't think that Chen Xi was with boss Zhu. First of all, Lin Yi knew Chen Xi's personality. Second, boss Zhu wanted to harm Chen Xi's mother, so Chen Xi wouldn't be with him!

If elder Zhu was a poor scavenger like Chen Xi, then Lin Yi wouldn't find it strange that he was selling grass snakes here. But an Earth Class like him coming here to sell grass snakes was a bit strange!

And when Gao Xiaofu went to buy the snake, boss Zhu didn't want to sell it. Lin Yi saw that too, and he felt that there was something wrong with the grass snake! Xiaofu's wound was swollen, and he was breathing heavily-this was proof of that!

With Lin Yi's experience of surviving in the wild for a long time, this species of grass snake was not poisonous at all. It was impossible for them to have the symptoms that Gao Xiaofu had. And when boss Zhu saw that Chen Xi was bitten by a snake, not only did he not go to save her, but he also ran away. Lin Yi could smell a conspiracy!

Chen Xi's face was getting uglier and uglier, and her breathing became more rapid. She couldn't hold on any longer and was about to faint on the ground!

Of course, the students were all focused on Gao Xiaofu and Zhong pinliang, and no one paid attention to Chen Xi! Lin Yi sighed. It seemed like he was forced to make a move! Lin Yi could more or less guess what elder Zhu was thinking!

If Lin Yi didn't know that boss Zhu was an Earth Class, he wouldn't have thought so much about selling snakes. But now, he remembered how pretentious and fake boss Zhu's actions were.

Lin Yi didn't know what boss Zhu's goal was, but it was true that he wanted to harm Chen Xi and her mother. It was just that Lin Yi didn't know boss Zhu's real Background and Purpose, so he didn't act rashly!

Lin Yi quickly walked towards Chen Xi, "Xi, don't be nervous, I'll help you deal with the snake venom!"

"Argh! "Lin Yi bro" Seeing Lin Yi suddenly appear, Chen Xi's face blushed, and her breathing became even more rapid! "Lin Yi bro, you're here too?" Chen Xi was both surprised and happy.

"En ..." Lin Yi quickly took out the silver needles he always carried with him and sealed a few of Chen Xi's acupuncture points to prevent the snake poison from spreading. Then he grabbed Chen Xi's finger and started sucking! Lin Yi didn't think too much about it-normal poisons wouldn't have much of an effect on him, after all. He'd also seen naipao and pinliang's condition-the two looked like they'd been poisoned, but the fact that they hadn't fainted after so long meant that the poison wasn't overbearing.

That was why Lin Yi used his mouth to suck the venom for Chen Xi. Of course, the Jade gave a warning the moment Lin Yi touched Chen Xi's wound. Lin Yi didn't care. After all, the wound was poisonous, so it was normal for the Jade to give a warning.

Chen Xi saw that Lin Yi was helping her suck out the snake venom, and she suddenly felt shy, but her heart was very sweet! Chen Xi had always been living at the bottom of society, barely having food and clothing. She didn't have the heart to think about love! In school, Chen Xi was pretty, but with Ziyu as her big sister, no one dared to have any thoughts about her. So her life was very peaceful before this, without any waves!

But which girl didn't yearn for love? In the dead of the night, Chen Xi would occasionally fantasize about a Prince Charming appearing in front of her ... But this Prince Charming really did appear in Chen Xi's life!

From Lin Yi and Feng Xiaoxiao's first help to Lin Yi's care for her family, Chen Xi had a good impression of Lin Yi from the bottom of her heart! But Chen Xi knew that Lin Yi had a girlfriend, and her girlfriend was very pretty, and she had helped her before. How could Chen Xi do anything to hurt Feng Xiaoxiao?

And so, even though Ziyu had exposed her feelings, she still buried them deep in her heart and didn't dare to say it out loud. She only thought about it occasionally.

"Uh huh ..." Chen Xi's wound affected her nerves, and she moaned in pain. But after that, Chen Xi's face turned red. Would Lin Yi misunderstand her moaning? Or did he think that she was seducing him?

A girl's mind was always fragile, and she was afraid that Lin Yi would look down on her. In fact, it was just a painful groan, what could Lin Yi think of? It was really Chen Xi who was worrying for nothing!

Lin Yi sucked out the poisonous blood from Chen Xi's wound and spat it on the ground. He wanted to take out some medicine to stop the bleeding and apply it on her, but the next moment, Lin Yi's face turned extremely ugly!

Lin Yi suddenly felt that the Qi in his body was like a deflated balloon-it was rapidly disappearing! In the blink of an eye, Lin Yi went from Mystic late phase peak to Mystic peak, and it didn't seem like he was stopping at all ... His Qi was still flowing away ...

Mystic late phase ... Mystic mid phase peak ... Mystic mid phase ... In just a short while, Lin Yi had become a Mystic mid phase!

There was something wrong with the snake venom! Lin Yi immediately thought of the snake poison. After all, he had only just come into contact with the snake poison in Chen Xi's body! Then, the person who did this must be elder Zhu. Did elder Zhu want to harm him?

It was possible! If he didn't suddenly get involved in Chen Xi's family's life, Chen Xi's mother would probably be dead by now. Lin Yi didn't know what boss Zhu's purpose was, but he'd obviously ruined his plans. It was only natural for him to come after him!

"What's wrong, Lin Yi bro?" Chen Xi saw that Lin Yi's face suddenly turned bad and jumped in shock! Was it because of her groan that Lin Yi really thought she was trying to seduce him? (To be continued.)

Chapter 1620: There's a problem with the snake venom

“Lin Yi bro, I was in a bit of pain just now, so I just screamed ... It wasn’t on purpose ...” Chen Xi said with fear.

“Eh? “It’s nothing ...” Lin Yi paused, not knowing what she was talking about.”The poison in your body should be fine now. I’ll apply some medicine for you, and your wound will be healed!”

Fortunately, it wasn’t the first time Lin Yi lost a level or two, so although Lin Yi’s face was ugly, he didn’t go crazy. After Chen Xi asked, Lin Yi returned to normal. He was a practitioner, so he’d lose his strength. Pinliang, Xiaofu, and Xi weren’t practitioners, so it wasn’t a problem at all.

After the injury medicine was applied, the swelling went down, but Lin Yi’s strength was rapidly disappearing!

“Thank you, Lin Yi bro!” Feeling the coolness of her wound, Chen Xi knew that she was fine. She knew that Lin Yi’s medical skills were brilliant, and he could even cure her mother’s terminal illness. This snake poison was nothing!

But she didn’t know that Lin Yi had lost all his strength just to suck the snake venom for her!

Zhong pinliang had also finished sucking the snake venom for Gao Xiaofu, and he wanted to ask for some injury medicine from Lin Yi, but he was too embarrassed to ask for it, afraid that Lin Yi would reject him! After all, Lin Yi must’ve known about the drug last night.

Lin Yi smiled faintly when he saw pinliang’s pleading eyes. He wasn’t very happy with pinliang, but pinliang’s toasting to him yesterday was in front of everyone, so his classmates didn’t know what was going on!

Lin Yi didn’t mind if he was being too petty, but he was walking with Mengyao, Yushu, and Xiaobo, and he didn’t want to embarrass them. He didn’t care about these harmless things.

Pinliang was surprised by Lin Yi’s actions, but he understood the crux of the matter after thinking about it. He nodded silently and went to apply medicine for Xiaofu!

Elder Zhu didn’t come up until he was done with his work. Behind him was a doctor in a white coat. They didn’t know where he got him from! Lin Yi’s lips twitched. With his speed, Chen Xi would’ve fainted by the time he came back!

Who would believe that an Earth Class could run slower than a normal person?

But Lin Yi didn’t expose him. He just wanted to find a quiet place to recover his strength. He wasn’t a match for boss Zhu right now, not even normal practitioners! ‘Search wuxiaworld * Org on google’

Because Lin Yi’s strength had fallen from Mystic to golden class!

Lin Yi looked at boss Zhu, who was acting as if nothing had happened, and said to Chen Xi, “Little Xi, go back and recuperate. I’ll be leaving first!”

“En, bye, Lin Yi bro!” Chen Xi didn’t want Lin Yi to stay, but she had no reason to.

“Goodbye.” Lin Yi didn’t have the intention to meet with boss Zhu face to face, and took the chance to bid Chen Xi farewell before he arrived.

Big Zhu? We'll see. We've been tricked by you this time, so we'll settle this score slowly in the future! After the noble House meeting is over, I'll have plenty of time to play with you!

Lin Yi turned around and walked over to Mengyao, Yushu, and Xiaobo. Xiaofu was bitten by a snake, and pinliang's mouth was swollen like a sausage. Naturally, they didn't want to continue climbing, and were discussing returning.

Pinliang and Xiaofu looked fine for now, but they still wanted to go to the hospital. They didn't want to leave any residual poison in their bodies that could affect their future.

And so the group walked down the mountain, and Lin Yi said goodbye to Xiaobo before driving back to Songshan with the girls!

"Shield bro, aren't we going somewhere else to play?" Yushu wasn't willing to give up-she'd come out to play, but the party ended just like that because of the snake.

"Shu, Lin Yi doesn't seem to be feeling well, please stop!" The Miss was more careful and saw the unhappiness on Lin Yi's face. She asked with concern, "What's wrong, Lin Yi? What kind of trouble?"

"There's something wrong with the venom-my strength's rapidly decreasing, and I'm only at the early phase of the Golden class now, and it's still dropping!" Lin Yi didn't hide anything and told them the truth.

Lin Yi didn't need to hide anything from these two people-they wouldn't sell him out!

"Ah!" "You lost your strength again?" Mengyao asked, surprised. Then what should he do? Could he recover? You won't be leaving again this time, right?"

"He should be able to recover, but he won't have to leave ..." Lin Yi was amused by Mengyao's words, and a smile appeared on his gloomy face,""However, this poison is really strange. Moreover, I'm not sure who the other party is and which force he's from."

"That's good!" "That Chen Xi ... You know her?" Mengyao said, relieved. Was she the one who wanted to harm you?"

Mengyao couldn't be blamed for misunderstanding Chen Xi, since everything that happened today was too coincidental. No matter how she looked at it, it seemed like Chen Xi was helping Lin Yi!

"Yes, I do, but it can't be her." Lin Yi was pretty sure that Chen Xi was innocent-the problem was with that boss Zhu, and Chen Xi was just a poor victim. He started explaining how he met her to Mengyao and Yushu.

"Ah, so that's how you met her. She's such a poor girl!" Mengyao couldn't help but feel sympathetic after hearing Chen Xi's background."That Ying Ziyu, who is she?"

Lin Yi mentioned Ziyu a bit when he was talking about Chen Xi, and so Mengyao asked about her.

"Ying Ziyu ..." Lin Yi couldn't help but sigh at the mention of this girl,""I'm sure you're all aware of what I used to do. I'm a mercenary, or else I wouldn't have been hired by uncle Chu to protect you ..."

"En, I know, you're an assassin and bodyguard!" Chen Yushu nodded.

“Heh, almost!” “Yeah.” Lin Yi nodded, “Ziyu’s big brother was one of my men when I was a mercenary. He’s my comrade, and we fought side by side ...”

Lin Yi told Chu Mengyao and Chen Yushu about the pangolin. It was Lin Yi’s Secret before, and he wouldn’t casually mention it to others! (To be continued.)
