

Bodyguard 1641

Chapter 1641: Yu Ning's letter

Now, qikun's words proved one thing-the rules of the test were like this-there was no such thing as intentional or not. If you were crippled, it just meant that you weren't as good as the other person!

Xiaochen had put the call on speaker this time, so he didn't have to explain-everyone in the meeting room heard it!

The second son's face was dark, and Yu Shan's face was even worse! He didn't expect qikun to turn on him-they were on the same side! But thinking about it, qikun's words were very objective-there was no way someone like him would lie for him at a time like this-that would be a huge risk!

"Alright, it's clear now-Yu Shan wasn't strong enough, and was crippled, so we'll let this go! If we keep making a scene, it'll look like we don't know the rules, and taking revenge on that Lin Yi now would be like slapping the Ice Palace in the face!" "The rules are set by them," the elder said faintly,"if you don't agree, you can choose not to participate!" Even if they want to take revenge on Lin Yi, the ancient sect will do it-we don't have to be the birds that stand out!"

"Yes!" Xiaochen nodded quickly-as long as Yu Bing wasn't responsible, he didn't care about anything else,"Are we still investigating Lin Yi?"

"We still need to investigate this!" "I can't attack now, but I'll remember this. We'll talk about it in the future!" The elder said.

House Yu's elder knew that his grandson was lying, but he was injured after all. If he didn't take revenge, then it would seem like house Yu was too weak. There were some things he had to say!

"Yes!" Xiaochen quickly nodded.

House Yu's meeting wasn't a secret, and it quickly reached Yu Ning's ears! She heard that her family's Yu Shan had been injured by Lin Yi, and that the family was going to investigate Lin Yi. She was very anxious, but there was no one to discuss this with!

In the past, when Yu Bing was at home, Yu Ning could still discuss things with him, but now that he was gone, she had no one to talk to! In the family, other than Yu Shan, no one else could make Yu Ning reveal her heart!

Even her father and grandfather, although they loved her, they didn't have a good impression of her love. So if Yu Ning begged them not to deal with Lin Yi, they would probably deal with Lin Yi even faster ...

Helplessly, Yu Ning thought of writing a letter to her brother Yu Bing for help! She didn't have the Ice Palace's contact information, so she could only write a letter to the address given on the invitation and try to send it out ...

However, Yu Ning's method was really right! If it was anyone else, the Ice Palace would've probably taken the letter and tossed it into the sea, but Yu Bing and qijiu were people Xiaoxiao had told her to take care of-any letters sent to them would be delivered to her immediately!

.....

Lin Yi ended the call and finished forming the energy ball. He'd been making energy balls all this time, and he didn't even leave his room-he decided to go out for a walk!

He walked out of the room to see Tang Yin sitting in the living room, watching TV. Lin Yi froze.

He'd been focusing on the energy ball earlier, so he didn't pay attention to what was going on in the living room. He was surprised to see Tang Yin. "Yunyun, what are you doing here?"

"I'm fine ... Lin Yi, have you recovered your strength?" Tang Yin didn't like what her mother was saying, so she wasn't in a hurry to say it. She was only concerned about Lin Yi's strength.

"Not yet, but it doesn't matter. I'm confident." Lin Yi didn't want Tang Yun and the Miss to worry, so he shrugged his shoulders and said casually.

"That's good!" "I'm here for my mother," Tang Yin said without a doubt. She asked me to tell you to accompany our family to attend the eightieth birthday of the hidden tang family's old master!"

"Hidden tang family?" "Hidden house Tang?" Lin Yi blinked. Is it related to your family?"

Tang Yun's words shocked Lin Yi. He didn't know which hidden house Tang was, but a hidden house would at least be on the same level as the Hidden House Yu and hidden house Zhao. How come he'd never heard of Tang Yun being a member of this hidden house Tang?

"My family is just a side branch of the hidden tang family. We usually don't contact each other for 800 years. I don't know what happened this time, but they sent an invitation to my family, asking us to attend the hidden tang family's old master's 80th birthday party!" Tang Yin said helplessly and with some disgust. "I don't agree to go. When dad was sick, mom wrote a letter to ask for help, but they ignored us. Now they suddenly invited us. I think there must be something wrong!"

"So that's how it is!" Lin Yi understood Tang Yin's explanation-the branch of a big family and the direct line were two completely different concepts. The simplest example would be miracle doctor Kang's house Kang and Xiaobo's house Kang. They might be from the same line, but they lived a good life. Xiaobo's family was just running a small business, and he wasn't afraid of gangsters looking for trouble! "Then what do you mean?" he asked. Do you want to go?"

"Of course I don't want to go, but mom ... Mom told me to bring you there to show off, saying that you're back in glory ..." Tang Yun frowned, "I just brushed her off, so I came here to stay. If you don't want to go, I'll just stay here and drag it over!"

"Haha ..." Lin Yi knew Mrs. Tang's personality very well. She was probably ignored and looked down on by the Hidden House Tang, and now that her son-in-law was strong, she wanted to go and show off. However, she probably didn't know the concept of hidden houses! The hidden houses weren't just about having a few companies, they were more about strength! But this was Mrs. Tang's only wish, and Lin Yi guessed that if he didn't go, Mrs. Tang would hold a grudge against him. Lin Yi's energy ball creation these days didn't yield any results, so he might as well go and take a break. Who knew, he might find an opportunity to recover!

Lin Yi, on the other hand, was planning to attend the birthday party with Tang Yun as a normal person. It wouldn't attract too much attention, so he said, "It's fine to go, but to return home in glory ... Hehe, I'm afraid they won't be interested in our strength."

"I know! I've already told mom that the hidden houses are mainly practitioners, they're different from us, but she didn't listen!" "How about we just not go?" Tang Yin said helplessly. I'll just delay it for a bit and deal with it." (To be continued.)

Chapter 1642: I'll give you a surprise

"Then let's go. I'll see if there's an opportunity to recover." Lin Yi said. He didn't know when he'd be able to finish making energy balls at home, so he decided to go out for a walk. Maybe he'd figure out something important.

"You ... Don't force yourself ..." Tang Yin was still worried.

"I won't." "When are we leaving?" Lin Yi waved his hand.

"It might be within the next few days." Tang Yin said.

"That's good, we can make it!" Lin Yi nodded-he'd only agreed to it because he needed to find an opportunity to recover. The past few times, for example, he'd found one at the Ice Palace and at the resort-who knew if there'd be an accident this time ...

With the deal settled, Lin Yi went back to his room and continued to form energy balls. This time ... He was only a little bit away ... Lin Yi wanted to recover his strength before he went to the Hidden House, so he didn't dare to relax and worked even harder ...

As for house Zhao, they were naturally happy to hear that Lin Yi had offended the Hidden House Yu as well. They didn't have to step in now-would the Hidden House Yu step in?

Zhao Guangyin took the phone and said after some thought, "Right, why don't we spread the news that Lin Yi was poisoned by the five step strength-scattering powder? we'll see if Lin Yi's enemies come for him then, and we won't have to do anything."

Zhao Guangyin took the phone and said after some thought, "Right, why don't we spread the news that Lin Yi was poisoned by the five step strength-scattering powder? we'll see if his enemies go after him, and we won't have to do anything-they'll go after him!"

"It's hard to say-if we all know about it, how could the other hidden houses not? I don't know which noble houses are the only ones left, but they're about to hold their Noble House meeting soon-they wouldn't have the time to deal with Lin Yi, would they?" Qikun naturally didn't want to cause trouble for Lin Yi.

"That may be true, but what if there's someone who doesn't know?" Elder Zhu didn't want to give up, either, "I've spread the news-I heard that the Hidden House Pi doesn't have a good relationship with Lin Yi. Plus, I heard that the Hidden House Pi's disciples were kicked out in the first round of the test. They might not know how strong Lin Yi is, and they might be the ones taking advantage of him!"

"Not bad!" Zhao Guangyin nodded, "hidden house Pi is a suitable candidate. How about this? let's spread the news and see how they react!"

Qikun didn't want this to happen, but there was nothing he could do-he couldn't help much, and he'd already done his best!

After the meeting ended, qikun told Lin Yi what happened and how he couldn't get his hands on it,""Boss Lin Yi, I've tried my best, but my position in the house right now isn't even as high as Zhao Qibing 's, so ... I can only ask House Zhao to hold back for now. As for whether or not the Hidden House Yu and hidden house Pi will make a move, it's not something I can stop ..."

"Hehe, it's fine. This is already very good." Lin Yi nodded-he wasn't too worried about house Yu for now. With Yu Bing around, the Hidden House Yu wouldn't make things difficult for him! Their internal conflicts had not been resolved, so how could they still have the mood to find trouble with him?

Boss Yu took the pill for himself-if this got out, the Hidden House Yu would be in a mess! However, Lin Yi didn't realize that Yu Bing couldn't contact the Hidden House Yu yet!

So this matter was destined to be hidden for the time being, but luckily, the old ancestor had already figured out the truth and didn't look for trouble with Lin Yi for the time being, allowing Lin Yi to escape for now. Otherwise, Lin Yi would have to try using the Super energy ball!

But most of the time, a trump card wouldn't be a trump card if it was used too many times. His energy ball might be able to achieve a surprise victory at times, but as he used it more and more, many people would know about his trump card, and Lin Yi couldn't use it as a trump card anymore! At that time, everyone would be on guard against him, so he should use this move as little as possible!

At the very least, it was best not to use it until he found a new trump card to replace it! The only one who saw through Lin Yi's move was Bing Tang-the others weren't even aware of it, not even the two involved! As the old saying goes, you won't even know how you died.

"Boss, rest well ... Yaowang might have the antidote for the five step strength scattering, but I can't ask for it! I don't have a good reason, and I'm afraid people might get suspicious ..."Qikun said apologetically.

"It's alright, you've already done very well. " As for qikun's personality, Lin Yi had a rough understanding of it after this test. This person's loyalty wasn't bad-once he made up his mind to follow Lin Yi, he wouldn't turn back. This was the type of follower Lin Yi needed!

Just like the people gathered around Lin Yi now, they wouldn't betray him under any circumstances. Only people like this would make Lin Yi put in all his effort to train them! And so Lin Yi had already thought it through-if he succeeded in breaking through to Earth Class, he'd help qikun break through to Earth Class as well. That way, he'd be more competitive than Qibing in the Hidden House Zhao!

"Hey, boss, you be careful." Qikun said.

"During this period of time, try your best to rope in the Zhao family and cultivate some trusted subordinates. I'll give you a surprise." Lin Yi said to qikun. He was always willing to give his own people some benefits.

"Surprise? Good!" Qikun didn't know what surprise Lin Yi was talking about, but it had to be something big for him to be surprised. He quickly agreed happily, not asking what it was-Lin Yi wouldn't tell him now, but he'd find out later.

After ending the call, Lin Yi decided to go home with Tang Yun. He wanted to see for himself the invitation and see if he could find any clues! To be honest, Lin Yi found the whole thing weird as well. The Hidden House Tang, which had never contacted Tang Yin's family, suddenly sent an invitation. What was the meaning of this?

Although it was reasonable to invite the descendants of the Tang family's branch family to attend the eightieth birthday, what about the seventieth birthday? What about the 75th birthday? (To be continued.)

Chapter 1643: Lin Yi's analysis

Judging from Tang Yun's tone, none of the birthday parties invited any of the branch family descendants. The hidden tang family didn't really like branch family descendants either, as if they were afraid that they would take advantage of them. They only registered their names in the genealogy, and were no different from strangers at other times.

And so, Lin Yi decided to go with Tang Yin! If it was just a normal birthday party, then Lin Yi and Tang Yun could attend it as normal people and just join in the fun.

But if the Hidden House Tang really had an ulterior motive this time, then all the more Lin Yi had to go and see what was going on. Whether Tang Yin's family went or not, they would have something prepared, so Lin Yi might as well go and see what was going on.

Mrs. Tang was furious these two days-she'd been grumbling at home, complaining that she finally had the chance to return home in glory, but her daughter wasn't listening to her and was staying at someone else's house! Mrs. Tang didn't know what to do with the phone call!

Tang Jucheng could only smile wryly as he talked about this to him. He knew that his wife was not like this when they first got married. However, time was like a knife that had mercilessly changed her personality!

She didn't think much of it when she went to hide her marriage and gave birth to Tang Yin, and she didn't think much of it. As for the hidden tang family, she didn't think that they would be taken care of.

'''

However, after Tang Jucheng's leg was broken, Mrs. Tang's personality became greedy, petty and profit-minded! But there was nothing he could do about it. She was a woman, and she had to support the family. Tang Jucheng understood.

Especially when she had asked the hidden tang family for help. On one hand, it was her own family, and on the other hand, it was her own sister. In the end, her request was like a stone thrown into the sea. It was normal for her to have a grudge against the hidden tang family!

Of course, this was because Mrs. Tang didn't know that her younger sister wasn't having a good time. If she knew that her younger sister was locked up in the "cold Palace" all day long, she wouldn't think this way anymore and would only pity her!

At the end of the day, Mrs. Tang's personality was forced on her by life. If she had a life of luxury, she wouldn't be where she was now.

And so, he'd just laugh it off when it came to Mrs. Tang's personality, never getting angry.

Tang Yin didn't understand how hard it was for her mother to raise her up, but she'd understand when she became a mother.

The two of them arrived at Tang Yin's house, and Mrs. Tang was overjoyed to see that Tang Yin had finally brought Lin Yi back. She squinted her eyes into a line, "Yin, Yi, you're here? What do you want to eat? I'll make it. Barbecue?"

"It's okay, Auntie. We just ate." "I'm here to investigate the Hidden House Tang or something!" Lin Yi said with a bitter smile.

"Ah, Alright, alright!" Mrs. Tang knew that Lin Yi had agreed to her request and gave her a big thumbs up. She thought that Tang Yin had put in a good word for her, but it was Lin Yi who wanted to come.

Mrs. Tang nagged as she told Lin Yi everything about the Hidden House, including how she rolled her eyes at him and how she was so greedy.

Lin Yi listened quietly, not at all annoyed. Mrs. Tang's words might have contained some important information!

Tang Yin felt helpless-she'd matured quite a bit during this time, and understood her mother's struggles and grievances. No matter what, her mother was profit-oriented, but she still loved her. She'd wanted to "give" her to Lin Yi for money, and that was under the circumstances that her mother had a good impression of Lin Yi!

If it was someone else, why didn't her mother change when zou ruoming came to flirt with her? Tang Yin had slowly come to understand all of this, and she didn't have as much of a lack of understanding towards her mother as she did before. All she had now was a little helplessness.

"Aunty, I have a certain level of understanding towards hidden houses." Lin Yi's other purpose here was to persuade Mrs. Tang to give up on the idea of hiding the Tang family's glorious return! And so, Lin Yi explained the situation of the hidden houses to Mrs. Tang. "With our strength, they won't even take us seriously ..."

In fact, Tang Yin had explained this to her before, but Mrs. Tang believed Lin Yi's words! Today's happy life and Tang Jucheng's recovery were all because of Lin Yi, and Mrs. Tang knew that her son-in-law would definitely be able to make her feel good!

For example, Lin Yi didn't mind helping Mrs. Tang with the house Lottery. He didn't mind helping her satisfy her vanity, but this hidden house Tang seemed to be a giant after hearing Lin Yi's words. Mrs. Tang's thoughts of showing off when she went back were also dispelled by a lot!

"Is that so ... Then forget it, we don't have to go! It doesn't matter whether the Tang family is hiding or not, it has nothing to do with us!" "I wonder how my little sister is doing ... It's been so many years, and I haven't heard from her. I've doted on her for nothing!" Mrs. Tang said.

Mrs. Tang didn't care about anything else, she didn't expect the hidden tang family to give her anything, she just wanted to see her sister! Mrs. Tang had a younger sister and a younger brother. Her younger

brother's family was also getting some benefits-it was Lin Yi who settled the matter for his brother's kid, Wei, when he was in debt and wanted to sell his kidney.

Mrs. Tang still felt guilty towards her sister. Although she didn't get a reply when she wrote to her sister for help, she knew that her sister must hate her. If she didn't want to take her out to play, she wouldn't have been chosen by the eldest son of the hidden tang family and forced to stay as a concubine!

So no matter what, Mrs. Tang missed her sister. Even though she said that, she was still worried.

Lin Yi could only smile bitterly at Tang Yun's family's complicated situation."Auntie, your younger sister ... Might not have a good life in the Tang family ..."

Lin Yi could tell from the way the Head of House Zhao, Zhao Guangyin, treated Zhao Qibing-hidden houses like this didn't really like the children of concubines. He didn't know why Zhao Qibing was so uptight these days, but it was true that he wasn't very well-liked before.

"That's right ... Xiao Ming must be in trouble too. Otherwise, why wouldn't she help us when she's so close to you?" "Lin Yi's right," Tang Jucheng didn't mind,"hidden house Tang's complicated. Ming might not have a high position!" Otherwise, why were the servants so cold to us when we brought Yunyun to the Tang family to register? We wanted to see Xiao Ming, but we were rejected? From this, we can see that Xiao Ming's words don't work!" (To be continued.)

Chapter 1644: let's take a look

Jucheng explained.

"Uncle Tang is right, so I think that there's something wrong with the Hidden House sending out an invitation all of a sudden ..." Lin Yi explained his suspicions to Mrs. Tang.

"Argh! What should he do then? It looks like I really can't go!" Mrs. Tang jumped at Lin Yi's words-it was already good enough that she didn't want to use the Hidden House Tang's power, but they better not have any designs on her house!

"I'll go, I'll definitely go!" "It's fine if they don't have any plans against us, but if they do, we need to be on high alert. There's no harm in going!" Lin Yi said.

"I see ..." Mrs. Tang was a little scared. She had long given up on the idea of returning home in glory. All she could think of now was how to avoid bringing disaster to her family ...

Hidden house Tang's guest house.

This was the Hidden House's most luxurious guest courtyard, used to receive important guests. Now, Bing Tang, Qing Zhu, and Feng Xiaoxiao were staying here.

"Aunt Qing, I want to see my parents first ... I want to see them secretly and see if they're doing well ..." Bing Tang was getting impatient after hearing about her biological parents' whereabouts. She couldn't wait until elder Tang's birthday!

Besides, wouldn't it be awkward to meet in that kind of situation? She didn't know if her parents would acknowledge her, and she didn't know if her sister or sister would be hostile to her and think that she had stolen her maternal love!

As the master of the Ice Palace, Bing Tang's thoughts were a little laughable. But in the end, she was just a little girl who wasn't even twenty yet.

"Sure, Palace Master, if you want to go, little Qing will bring you." Qing Zhu laughed, "what's the big deal?" At most, we'll just sneak a peek!"

"Um ... Then, do you want to bring aunty with you?" Rock Candy was hesitating at first, but after hearing what Xiao Qing said, he immediately made a decision.

"That's fine, but I don't know if Xiao Ming is willing?" Xiao Qing and Xiao Ming were of the same generation, so she also called them by their names.

"I'll go and find aunty now!" Rock Candy stood up and went out.

"Senior Sister ..." Xiaoxiao called out to her.

"Eh? What's wrong, Xiaoxiao?" Bing Tang was very precious to Xiaoxiao, and he always pampered her. She called him, so he immediately stopped and turned around.

"Then, can you take me with you when you go out? we can drop by Lin Yi honey!" Xiaoxiao ran over and grabbed onto Bing Tang's arm, shaking it.

"This ... Alright, then let's go together!" Rock Candy shook his head helplessly. He didn't know where his biological parents were, and if they were going the same way as Xiaoxiao. She only knew that her father's name was Tang Jucheng, and it was da Bo who told her the other day. As for whether she was a sister or a sister, or the name of her mother that she had never met, she didn't ask.

Because there was no need to ask about this. So what if he knew his name? Rock Candy wanted to see the person, not the name.

As for Xiaoxiao, she didn't know who Tang Jucheng was, nor did she know that he was Tang Yun's father! Tang Jucheng was a name only Lin Yi knew, but he couldn't just call Tang Yun's father by his name, and he wouldn't tell Xiaoxiao about this unless it was something important. Naturally, Xiaoxiao didn't know that Tang Jucheng was Tang Yun's father.

Otherwise, she wouldn't be begging for Rock Candy at this time.

Rock Candy could enter and leave the hidden tang family's house freely. The young mistress of the hidden tang family could only live in the cold Palace when Rock Candy was around. For this reason, eldest brother Tang specially ran over to comfort her for a long time!

As for Xiao Ming, she was still her sugar-coated aunt. She would definitely have a hidden status in the Tang family in the future, but it was destined that she would not be as high as she had promised before.

However, Xiao Ming was not a person who liked to fight for fame and fortune. These days, other than talking to Rock Candy every day, she spent more time sitting in her room, quietly fantasizing about her daughter ...

"Little aunt!" Rock Candy walked into Xiao Ming's room.

“Rock Candy, you’re here!” Ming had gotten to know her well, and wasn’t afraid of her being the sect master anymore. She now saw her as a junior, and the two were much closer.

“En, aunty, I want to visit my parents first. Can you come with me?” Rock Candy had been the palace Master for many years, so he was naturally very efficient in doing things. He would execute whatever he thought of directly without any delay.

“Ah?” Xiao Ming was slightly stunned. She didn’t expect that Rock Candy would suddenly make this suggestion. She was both happy and scared! She was happy that she could see her sister and her daughter earlier, but she was afraid that her sister would be happy if she knew that she was here to steal her child.

In fact, Xiao Ming wanted to follow her daughter’s opinion. If her daughter was willing to stay by her sister’s side, she would not stop her. As long as her daughter recognized her as her mother, she would be very happy!

“Don’t worry, aunty. I’m actually very nervous too. So, let’s take a peek after we get there. We’ll meet again when we get to know each other.” Rock Candy said.

“Alright, then it’s settled!” After Xiao Ming heard Rock Candy’s idea, she was also relieved and nodded in agreement.

“Then I’ll go to old man Tang and ask for his address and name!” Seeing that Xiao Ming had agreed, Rock Candy went to find elder Tang to ask for his biological parents’ names and addresses.

How could elder Tang dare to refuse? He quickly got da Bo to find the information and pass it to Bing Tang. Bing Tang then went to the guest house with Xiao Ming.

“Xiaoxiao, where is Lin Yi? Is it far from my parents’ city?” Bing Tang held the documents in his hands and asked, “My parents live in Songshan ...”

“Ha?” Xiaoxiao’s eyes went wide after hearing that. “No way? Also in Songshan? Such a coincidence? Lin Yi honey is in Songshan!”

“Ah?” Rock Candy was surprised as well-she’d never asked Xiaoxiao where she lived, since it wasn’t important to her. They’d never mentioned it when they were chatting, and Xiaoxiao was always busy practicing, so she didn’t even mention the city she grew up in. Now it seemed like it was a coincidence!

“That’s great!” “This time, it’s really on the way, it’s on the way!” Xiaoxiao said.

“Yeah, I really didn’t expect it.” “Let’s pack up and get ready to leave tomorrow.” Rock Candy nodded. Chapter 4, later. (To be continued.)

Chapter 1645: The worried Rock Candy

“Alright!” “It’d be best if we leave today!” Xiaoxiao said. By the way, is aunt Xiao Ming’s daughter your cousin or younger cousin? Uh ... She’s still a cousin ...”

Xiaoxiao felt a little dizzy-was this what it meant to be close? This relationship was really messy.

“She’s my little sister. ” “She was born a month later than me. Haha, she’s the real Bing Tang. If I hadn’t been replaced ... I would be called Tang Yin now ...”

“Gah!” Xiaoxiao jumped up as if someone had stepped on her tail, “Senior Sister Bing Tang, what did you say? What’s your sister’s name now?”

Bing Tang, Qing, and Ming were all stunned by Xiaoxiao’s sudden reaction. What was wrong with her? Why was he so surprised?

“She’s called Tang Yin ... What a nice name ...” Bing Tang looked at Xiaoxiao weirdly, “What’s wrong? Xiaoxiao, do you know me, Tang Yin’s sis?”

“Uh ... I do know one ... But I don’t know if it’s the one you’re talking about ... But it looks like it ...” Feng Xiaoxiao’s face became even weirder, “No wonder I thought you looked familiar the first time I saw you, and that look on your face was so familiar ... You’re Tang Yun sis” sister ...”

“You ... You really know her?” Rock Candy was extremely excited and quickly asked, “Then ... What kind of person is she? Is he easy to get along with ... Is he very difficult to get along with?”

Rock Candy was excited, but at the same time, his heart was beating like a drum. He didn’t know what kind of person his sister Tang Yun was, what if she wasn’t easy to get along with?

Looking at the worried expression on Bing Tang’s face, Feng Xiaoxiao instantly understood why she was so worried. She couldn’t help but laugh, “Hehehehehe ...”

“What are you laughing at?” Rock Candy blinked, not knowing what was so funny about Xiaoxiao. “Would she think that my appearance would take away her maternal love ...”

“Her ... I know her the best ...” Xiaoxiao paused as she looked at Bing Tang’s worried face.

“Xiaoxiao! Hurry up and tell me, I’m so anxious!” Rock Candy looked at the silent Xiaoxiao and started panicking, “Just say it! What’s her personality like?”

“Hehe, she’s Lin Yi’s husband’s first wife,” Xiaoxiao said.

“Ah?” Rock Candy’s eyes went wide after hearing that. “Xiaoxiao, what are you saying? What Lin Yi’s husband’s first wife? Are you saying that lil sis Tang Yin is Lin Yi’s girlfriend? Then, you ...”

“I’m naturally the second wife!” Xiaoxiao said matter-of-factly.

“Xiaoxiao, I’m confused, what are you talking about?” “You’re saying that Lin Yi has two girlfriends? my Tang Yin sis is one, and you’re the other?” Bing Tang asked, a little confused. Is it like this?”

Because it was about her own daughter, Xiao Ming also perked up her ears. When she heard that her daughter was actually with another woman and a man at the same time, she couldn’t help but feel a little sad and worried for her daughter!

She knew who Xiaoxiao was-the next sect master of the Ice Palace-just how strong was her background? The reason why she was rejected and thrown into the “cold Palace” in the Hidden House Tang was because boss Tang’s wife was from the Hidden House you. And now, one of Lin Yi’s girlfriends was the

next sect master of the Ice Palace. Her daughter wouldn't have a good life anymore. Thinking of this, he couldn't help but feel a little worried. However, he didn't know the situation and didn't want to ask.

"That's right, sister Bing Tang is so smart!" Feng Xiaoxiao nodded, "I like Lin Yi honey, but I was sick before, and I was dying. Tang Yun sis pitied me, so she let me be Lin Yi Honey's small wife. Do you think she's easy to get along with?"

"Ah? It can't be, right?" Rock Candy felt a little dizzy-if it was really as Xiaoxiao said, then Tang Yun was easy to get along with, too easy. This person was a little too kind, wasn't he?

Just because Feng Xiaoxiao was sick and about to die, she had to share her husband with others? According to what Xiaoxiao said, she wouldn't have any ill feelings towards him if he only met his parents, right?

"Why wouldn't she ... She's very kind!" "Yunyun sis is a really nice person, I like her the most!" Xiaoxiao said.

"Uh ... That means she won't have any ill feelings towards us because of our appearance?" Rock Candy asked carefully.

"Of course not, you'll know when you get there! Tang Yun sis is a nice person, she'd be really happy to have a sister like you!" Xiaoxiao said.

"En, that's good ..." Bing Tang loosened her mouth. "Then we'll set off in a while!"

After hearing Feng Xiaoxiao's words, she felt that the knot in her heart had been cleared up, and she couldn't wait anymore.

Ming, on the other hand, let out a breath of relief-it seemed like Xiaoxiao and her daughter were on really good terms, and her daughter wouldn't get bullied anymore. From what she'd said, Xiaoxiao was more important to Tang Yun than her daughter. Ming was even happier now, as long as her daughter was happy!

As for the matter of having three wives and four concubines, Xiao Ming was also very open-minded. She had been hiding in the Tang family for so many years, how could she not understand this? But a weakling like eldest brother Tang would only be afraid of house you's power and leave him behind, but Lin Yi was obviously not that kind of person. From Feng Xiaoxiao's tone, he could tell that Lin Yi was a very opinionated person, and Feng Xiaoxiao wouldn't use her position as the next sect master to make things difficult for Tang Yun!

"It's rare for your first wife and second wife to get along so well ..." Xiao Ming couldn't help but sigh.

"Hehe, of course! There's still a big wife and a small wife waiting to take over!" "But Lin Yi honey hasn't accepted them yet!" Xiaoxiao said.

"Ah? There's still a queue? And they're a pair?" Bing Tang thought that it was weird-what was so good about Lin Yi that he was so popular? There's a queue?

"Yeah, but I'm pretty close to the small wives too, and Tang Yun sis is pretty close to their big wife too. I think they'll become Lin Yi's second and third wife in the future!" Xiaoxiao said nonchalantly, "but it's

okay. We're all familiar with each other, and we've been living together. We were two groups before, but now we're one."

"..." Bing Tang was a little speechless, and Xiao Ming was even more speechless! These two groups of people had become one? Why was Lin Yi so popular? (To be continued.)

Chapter 1646: Xiaoxiao returns

However, neither of them had experienced love before, nor had they felt the magic of love, so they had no right to speak about it! Although Xiao Ming already had a child, when it came to love, she had only looked forward to it but had never experienced it!

"Hehe, but I'll be able to see Lin Yi honey soon, I'm so happy!" "Ah, I left in a hurry this time-I don't know what's in the Ice Palace, I should bring some for Lin Yi's husband and Tang Yun sis!" Xiaoxiao said.

"Ahem ... Xiaoxiao, you're the sect master of the Ice Palace-how can you help an outsider?" Bing Tang coughed twice and said.

"I didn't? Since I'm the sect master of the Ice Palace, then the Ice Palace is my house, and it's Lin Yi Honey 's-is there a difference?" Xiaoxiao asked.

"..." Rock Candy suddenly regretted letting Xiaoxiao stay. Did he just let a Wolf into his house? This girl wasn't even the sect master yet, and she was already thinking about taking over the sect's property-wouldn't she have to move in the future?

But Rock Candy knew that Xiaoxiao was just joking, so he didn't get angry."Hehe, once you step into the sky Class and pursue a higher realm, you won't care too much about these things ..."

"Yeah, but by then, Lin Yi honey has to become a Sky Class master as well, or I'd be bored too!" Xiaoxiao said.

Ming was a little envious of Xiaoxiao, but she was also happy for her daughter. Although it was the same type of girls who fell in love with the same man, their lives were completely different from hers. They were from two different worlds!

Their lives were filled with love and sunshine, and they lived in harmony with each other. As for herself ... In the Hidden House Zhao, her status was lower than even a servant ...

Fortunately, the rock Candy was here, so she was free ... To be honest, she didn't love eldest brother Tang at all. She had a longing for him when she first accepted her fate, but now, she didn't have any feelings for him at all. She even thought that if possible, she would leave the hidden tang family!

However, she was also afraid that her sister and brother-in-law wouldn't accept her. She was afraid that they would think that she was trying to steal Tang Yun from them ... At that thought, Ming couldn't help but sigh. She was a little lost about her future ...

"Aunty, don't worry. I heard from Xiaoxiao that my sister Tang Yun is a reasonable person, and she's easy to get along with. With Xiaoxiao's help, we won't be pushed out or made things difficult for us."

"Since Xiaoxiao is so confident, we have nothing to worry about!" Rock Candy said.

“Yeah, aunty Xiaoming, it’s fine. Tang Yun sis and I are the best!” “You’ll know when we get there,” Xiaoxiao said.

With Rock Candy and Feng Xiaoxiao’s persuasion, Xiao Ming was a little more at ease, and so the four of them prepared to go!

Naturally, elder Tang wasn’t too willing to let Bing Tang go to Songshan to see her biological parents. If she went by herself, it would be like going around the Hidden House. To be honest, it wouldn’t have much to do with the Hidden House anymore-the Ice Palace would definitely distance themselves from the Hidden House, and that wasn’t what elder Tang wanted to see!

And so, after Rock Candy and the others left, elder Tang once again gathered the family members for a short family meeting to discuss how to maintain a good relationship with the Ice Palace in the future!

Eldest brother Tang sat there with his head down and didn’t say a word. He had been very sullen these days. She was obviously his daughter, but suddenly she wasn’t. In order to maintain his position as the Tang family’s master, he had to go back and hug the thigh of the you family, and be ridiculed by you Xiaoxin!

As for Xiao Ming, he wasn’t so enthusiastic anymore. No matter what, Xiao Ming was just Rock Candy’s aunt. It wouldn’t be of much use to court Xiao Ming. Rock Candy didn’t even recognize him as her uncle!

There was a world of difference between a father and an uncle. If Rock Candy didn’t acknowledge him as her father, he would still have a chance to slowly mend their relationship. After all, they were father and daughter! But if it was her uncle, there was no hope at all.

Therefore, eldest brother Tang was relieved that Xiao Ming had left. It was fine if she had left. This time, he had a reason to let you Xiaoxin out of the cold Palace!

“Eldest brother Tang, tell me, how can we let the sect master take care of us all the time? We’re like cooked ducks that’ve flown away, and now we’re probably just like the Ice Palace’s vassals-they’re just using us as eyes and ears, not as trusted aides who they can just leave whenever they want-this isn’t a reliable relationship at all!” “We don’t have anything to do with the Ice Palace-it’s easy for us to go our separate ways ...” Elder Tang said.

“Father, this ... I have no choice!” Eldest brother Tang forced a smile and said, “if the heavens want rain, the mother will have to get married. This has never changed since ancient times. Rock Candy doesn’t have much of a relationship with our Tang family now. It’s unrealistic to expect her to always take care of our Tang family!” Plus, the Ice Palace doesn’t seem to lack money, and they don’t need our hidden house to help them run their business-it’s really hard to do!”

“Big brother’s words are wrong!” Elder Tang didn’t say anything, but the second son of the Tang family spoke first, “Isn’t that Tang Jucheng a branch of house Tang? He’ll be considered a member of house Tang then-we can give him a villa nearby, and they’ll move in as a whole. The sect master will come back to visit when she misses her parents, and that way she’ll have more chances to interact with us. Won’t that slowly develop our relationship?”

“That makes sense!” The Tang family’s old master nodded after hearing second brother’s words. “Second brother, you’re not bad. You have some brains. It’s settled then!”

“Dad, the villas around here cost tens of millions to hundreds of millions. Such a big investment ...” Tang eldest brother didn’t have much private money. Although he was the head of the family, he had elder Tang above him, so he only had a few million a year. It was a bit of a loss to spend tens of millions to hundreds of millions on a villa for Tang Jucheng!

“Compared to the sect master’s change of opinion, what’s a hundred million? I’m buying!” Elder Tang said.

Just as Lin Yi and Tang Yun’s family were preparing to pack their bags and leave, a few uninvited guests arrived at the Chu villa. Of course, one of them surprised Lin Yi! When Lin Yi opened the door and was hugged by Xiaoxiao, he was stunned.

“Xiaoxiao? You’re back?” Lin Yi may only be a golden class late phase peak now, but dodging Xiaoxiao’s pounce was still a piece of cake. He didn’t Dodge because he recognized her. (To be continued.)

Chapter 1647: losing face

“Lin Yi honey, did you miss me?” Xiaoxiao was very excited to see Lin Yi-it’d only been half a month, but it felt like three years to her.

“Of course I do!” Lin Yi let Xiaoxiao hug him, but he was a little shocked, “You’re already an early phase golden class master?”

“Yeah, only early phase golden class, far from you!” Xiaoxiao was a little depressed-she’d planned on showing off to Lin Yi when she reached Sky Class, but this was the perfect opportunity to visit her family, so she decided to come back first.

“Xiaoxiao!” Mengyao, Yushu, and Tang Yun heard the doorbell as well. Lin Yi came out first, and they followed behind. They were all surprised to see Xiaoxiao hanging on Lin Yi!

“No way, Xiaoxiao, you’ve become a Sky Class already?” Yushu’s eyes were wide open as she looked at her ex-partner, her face bitter. “I’m still an ordinary person, and you’re an expert. In the future, you’ll have to disband the two-man team ...”

“Hahaha! We can’t disband!” Xiaoxiao didn’t want to hang onto Lin Yi anymore after all the girls were here. She jumped off Lin Yi and smiled at Yushu, “Long time no see, old partner. Are you bored without me around?” “”

“Yeah, yeah, I don’t even know who to mess with, I can’t mess with shield bro!” “You’re not leaving this time?” Yushu said with a nod. Go to college with us?”

“I can’t, I’m only here to visit with Rock Candy sis-I’m only at the early phase of the Golden class, I still have to go back!” Xiaoxiao shook her head. “I have to reach Sky Class to fully use my cold Yin body. I won’t be affected by the cold Qi anymore.”

“I see ...” Chen Yushu was a little disappointed.

“That Rock Candy Girl is here too?” “Isn’t she an orphan?” Lin Yi asked, surprised. What was she visiting? She has a relative in Songshan?”

“Who are you calling a little girl?” Before Xiaoxiao could say anything, a cold voice sounded. He didn’t know when, but Bing Tang was standing in front of Lin Yi.

“...” Lin Yi jumped at her sudden appearance-this Sky Class was like a ghost, silent and undetectable! However, Lin Yi wasn’t afraid of her now. He said indifferently, “If you’re not a girl, are you a man?”

“Do you not want to live anymore?” Rock Candy was pissed off by Lin Yi’s words, but because of Xiaoxiao, he couldn’t attack! Plus, it wasn’t just Xiaoxiao anymore, there was Tang Yun as well. If she really touched Lin Yi, then they wouldn’t be able to recognize each other anymore. So, Rock Candy could only give Lin Yi a cold glare, but didn’t do anything.

Lin Yi didn’t think that Rock Candy would really take it, and he felt a little weird. Lin Yi wanted to use the moment when Bing Tang was angry to show off his strength as a late phase peak golden class master. After that, Bing Tang would definitely wonder why Lin Yi lost his strength, and Lin Yi would have a reason to ask Bing Tang how to deal with the five steps of strength dissipation powder.

Even if Bing Tang didn’t ask, Feng Xiaoxiao would ask, but Bing Tang didn’t give Lin Yi that chance.

Lin Yi didn’t want to ask Bing Tang directly without a good reason. He wasn’t that familiar with Bing Tang, and it would be embarrassing to ask directly! Lin Yi had told Bing Tang and Qing that a hero didn’t care about his background-he’d become a golden class refiner within two years!

But now, not only did he have no idea how to become an Alchemist, he even lost his strength! This made Lin Yi feel very embarrassed, especially in front of a Sky Class late phase peak girl like Bing Tang.

“I’m living quite well for the time being, but I can’t die before I fulfill my promise to refine pills for you.” Lin Yi said.

“Hmph ...” Bing Tang laughed coldly after hearing Lin Yi’s words, “Showing off your golden class late phase peak on purpose, just for me to see?”

“Ugh ...” Lin Yi didn’t expect his scheme to be discovered by Bing Tang, and he felt a little awkward, “Uh, I’ve been poisoned recently, so my strength has decreased ...”

“You’re poisoned?” Xiaoxiao froze, “Lin Yi honey, what poison are you in?” Are you okay?”

“Five step strength scattering powder ...” Lin Yi smiled bitterly, “I can only reach golden class late phase peak for now, but once I reach Mystic, my strength will quickly disappear, and I’ll become a normal person ...”

“Argh! Why is he so overbearing?” Feng Xiaoxiao was shocked and quickly turned to look at Bing Tang, “Sister Bing Tang, do you have any way to detoxify the poison? Hurry and help Lin Yi honey ...”

Lin Yi was happy that Xiaoxiao would bring it up herself-this way, he wouldn’t lose face in front of the Sky Class girl.

If Bing Tang was a senior, Lin Yi wouldn’t be ashamed to ask, but the problem was that Bing Tang was just a little girl about his age. Lin Yi didn’t want to be thick-skinned and ask that!

“Five-step strength-scattering powder? You can’t even cure such a simple poison, and you still want to be an Alchemist?” Rock Candy looked at Lin Yi sarcastically.

“Yes, but there’s a spring grass that I don’t have right now.” Lin Yi said, not willing to back down.

Bing Tang nodded-it seemed like Lin Yi wasn’t completely clueless. Since he knew about the spring grass, he naturally knew how to detoxify it.

“Sister Bing Tang, do we have spring grass in the Ice Palace?” Feng Xiaoxiao quickly asked.

“...” Rock Candy patted her bright and clean forehead, feeling a little dizzy.”Xiaoxiao, eternal spring grass doesn’t grow in our Ice Palace ... And it only grows in spring, and only works when it’s fresh. It’s already withered.”

“So that’s how it is!” Xiaoxiao finally understood why Lin Yi didn’t have the antidote. He didn’t have the ingredients! However, she was not discouraged and continued to ask,“”Sister Bing Tang, what should we do now?”

“There’s nothing we can do. We’ll wait until next spring, or maybe your Lin Yi husband has an even more magical way to solve it!” “I’m very magical, even a heaven-ranked girl like me can’t do it,”Rock Candy said faintly.

“There’s no other way, indeed-the poison would be gone as long as I break through to Earth Class, but breaking through from golden class late phase peak to Earth Class in one go is a little difficult. ” “I’ve been trying, but there’s no result yet,”Lin Yi said with a bitter smile.

Lin Yi’s words made Bing Tang surprised. From golden class late phase peak to Earth Class? Only the inheritor could do it, right? How could he have broken through so many levels in one go with other methods? (To be continued.)

Chapter 1648: An additional cousin

“Sister Bing Tang, do you have any ideas?” “For example, can we give some of our Qi to Lin Yi’s husband and let him break through?” Xiaoxiao asked.

“How is that possible? We cultivate different heart techniques, are you trying to freeze him to death?” “I’ll think about it ... Let’s not talk about this for now ...”Bing Tang shook her head helplessly. She knew that Lin Yi was in trouble, but she didn’t want to say it out of pride. Her sister Xiaoxiao cooperated and helped him say it!

“Yeah, let’s talk inside!” Feng Xiaoxiao suddenly remembered the main purpose of everyone’s visit this time. It was to let aunt Xiao Ming and Bing Tang recognize each other as family.

When the rock Candy appeared, Tang Yin was standing not far away, looking at her. She felt a sense of familiarity, like she had added it somewhere before, but she was sure she had never seen it before! Since she was Xiaoxiao’s sister, she had to be the sect master of the Ice Palace-how would Tang Yun know someone so high up?

The moment Qing and Ming got out of the car, Tang Yun’s eyes stopped on Ming. It was a suffocating feeling. If Bing Tang only gave her a familiar feeling, then this Ming made her feel a blood connection. It was a feeling that came from the bottom of her heart. She stood there, not knowing what to do as she looked at Ming!

Ming's eyes had been on Tang Yun the whole time-she didn't need anyone to introduce her, she didn't even need to confirm it. She was sure that this girl was her daughter, Tang Yun. This feeling of intimacy was even stronger than when she first saw candy!

If it weren't for her concerns, Ming would've rushed up to Tang Yun and cried her heart out! It had been almost 20 years, and this was the first time Xiao Ming had seen her own flesh and blood. She was actually still alive, and she was as beautiful as Rock Candy. Xiao Ming was so excited that she could not even walk steadily!

Qing reacted quickly and supported Ming, bringing her to Lin Yi's side.

Tang Yun was surprised, but she was even more surprised that Ming seemed to be paying attention to her! He was looking at her, but she was also looking at him.

"Yaoyao ... Look at that guy ..." Tang Yun held Chu Mengyao's hand guiltily and pointed in the direction of Ming.

Chu Mengyao didn't notice this at first, but after Tang Yun's reminder, she followed Tang Yun's gaze and looked at Xiao Ming. Then, she turned back to Tang Yun, and a strange expression appeared on her face.

"She ... And you ..." Chu Mengyao didn't know how to describe it. These two people, if you looked at them coldly, they were very similar ...

Lin Yi noticed Tang Yun's weird look as well and followed her gaze to Ming. He frowned and turned to Xiaoxiao,"Xiaoxiao, what happened? That person ..."

"Lin Yi honey, let's talk inside!" Xiaoxiao didn't know what to say-it was better to talk about it after they all sat down.

Lin Yi nodded. His instincts told him that Rock Candy's sudden visit wasn't as simple as it seemed ... Visiting his family? Lin Yi's heart skipped a beat at the thought of Ming and Tang Yin-Rock Candy wasn't here for Tang Yin, was he?

Ever since Tang Yun got involved with the Hidden House, Lin Yi had been getting suspicious. He didn't dare to make such a bold guess at first. After all, Tang Yun and Rock Candy's status were worlds apart. How could they be in contact?

But now, if Tang Yun had a connection with the Hidden House Tang, then she might have a connection with Rock Candy!

Everyone entered the living room and sat down, with Bing Tang taking a deep breath. Even as the sect master of the Ice Palace, she was still nervous! However, Xiao Ming had not seen much of the world. At this time, she was the most suitable person to explain.

But if he wanted to explain, he needed a topic to talk about. Rock Candy couldn't help but turn to Xiaoxiao for help.

"Hehe, leave it to me, Senior Sister. But you have to help Lin Yi's husband!" Xiaoxiao said.

"Sure, sure, I'll think of a way!" Rock Candy was extorted, but he could only accept it.

“Lin Yi honey, Tang Yun sis, Yaoyao sis, Shu, let me introduce everyone-this is my Senior Sister Bing Tang, she’s aunt Qing, an elder of the Ice Palace, and she’s Bing Tang sis’s little aunt ...” Xiaoxiao introduced everyone first.”This time, sister Bing Tang and Auntie Xiao Ming are here to visit their relatives, and I’m also here to visit everyone ...”

“Visiting relatives, aunty?” Lin Yi frowned, “didn’t the sect master say that you were an orphan back in the Ice Palace?” How come you have an aunt and she’s here to visit?”

“Yes ... Through the Hidden House Tang, I found out about my identity. I’m here to see my biological parents and the daughter who was supposed to be my aunt’s daughter, but somehow, she became the sister of my parents ‘daughter ...” As he said this, Rock Candy looked a little guilty and looked at Tang Yin ...

Tang Yin seemed to have felt something. She looked at Bing Tang in disbelief, then at Ming. She had a guess! The rock Candy couldn’t be talking about herself, right? Rock Candy’s parents were his parents? And Xiao Ming was his mother?

The hint was obvious enough-if Tang Yin could pick it up, so could Lin Yi. He smiled and held Tang Yin’s hand tightly, telling her not to be nervous.”Sect master, you’re not saying that Yunyun is your sister, are you?”

Tang Yun’s face changed, and Bing Tang took a deep breath. Xiaoxiao interrupted, “It’s like this, actually. Rock Candy sis is Tang Yun sis “cousin, and Xiaoming is her mother. It’s a simple thing!”

It was a complicated relationship at first, but after Xiaoxiao pointed it out, it became much simpler. In an instant, everyone fell silent, especially Tang Yun, who was holding Lin Yi’s hand, not knowing what to do!

Ming and Bing Tang were still fine-they’d already been through the shock, after all, and were already mentally prepared for it. But the one who found it the hardest to accept was Tang Yun! All of a sudden, she had a birth mother, and the sister of the sect master!

“I ... I ...” Tang Yin didn’t know what to say. She looked at Lin Yi nervously and could only say two words. (To be continued.)

Chapter 1649: Rock Candy’s boyfriend

“Tang Yun ... Don’t be nervous, I didn’t come here for anything else ...” Ming said quickly after seeing Tang Yun’s panicked face.”We didn’t go to sister and brother-in-law’s place directly because we wanted to consider your feelings first. If you can’t accept it, then let’s forget about this. We’ll just pretend that it never happened. I ... I’ll just leave ...”

“Don’t ...” Tang Yun’s heart ached at Ming’s words. This person was his own mother. She hadn’t seen him for so many years. Now that she had seen him, how sad would she be if he rejected her?

Of course, Tang Yun didn’t think that Ming and Bing Tang would lie to her about this. After all, lying to her wouldn’t do her any good. Science was so advanced now, and there were even DNA tests. It was easy to see through it.

And so, Tang Yun said “no” subconsciously. She did feel a sense of intimacy towards Ming, but she just couldn’t accept the reality yet.

“This matter is complicated enough.” Lin Yi smiled bitterly. It was actually very simple, the complicated part was the relationship between everyone.

“Don’t worry, Tang Yun sis-she’s a really nice person, and she’s only here to see your parents-they’re her biological parents. She’ll go back to the Ice Palace after that, and won’t affect your lives!” “But if you don’t want to, it’s fine ...” Xiaoxiao explained.

“It’s not ... It’s not that I don’t want to, but it’s too sudden, I can’t accept it ...” Tang Yun shook her head. No one would be able to accept this! Even Lin Yi would be surprised if two people suddenly appeared and said that they were his parents, let alone a girl.

“Then ... Think about it. There’s no rush. We’ll talk about other things after you’ve thought about it?”
“Let Xiaoxiao keep you company, Tang Yin sis. Aunty and I will be waiting for you in the living room!”

Rock Candy gave Xiaoxiao a look, signaling her to help-she was the only one who could help now!

“Tang Yun sis, we haven’t seen each other for a long time, Wan na have a chat?” With that, Xiaoxiao took Tang Yun’s hand and walked up the stairs. She knew the structure of the villa well, since she used to be one of them.

Lin Yi didn’t follow, but turned to the Miss and Shu, “Yaoyao, Shu, you guys should go and talk to Yunyun too. She’s never been in such a big situation before, she’s probably clueless.”

“Alright!” Without hesitation, Mengyao pulled Yushu up the stairs, leaving Lin Yi, Bing Tang, Qing, and Ming in the living room.

“Lin Yi, your life is quite carefree, the four beauties ...” Bing Tang waited for the four girls to go up before mocking Lin Yi. Bing was no stranger to having a bunch of wives and concubines-many ancient sects and ancient families did this, but that was only because they had the strength. Lin Yi, on the other hand, was a small solo practitioner with low strength, but he had the favor of so many beauties. One of them was the future sect master of the Ice Palace, and the other was his own cousin and cousin. This made the rock Candy Girl a little uncomfortable!

If Lin Yi was a Sky Class master, then she’d accept it. Or if Lin Yi was an advanced Alchemist, that was a popular profession. It wouldn’t be strange for him to have a hundred wives, but Lin Yi was nothing.

“It’s alright,” Lin Yi didn’t seem to hear the sarcasm in rock Candy’s voice as he replied faintly, “Don’t you think that I’m weaker than you? that’s why you’ve been looking down on me,”

Bing Tang was a little embarrassed by Lin Yi’s straightforwardness! It was fine before, since Rock Candy wouldn’t care about what Lin Yi thought. But it was different now, with his sister here, he had to give her face, right? Now that Tang Yin was included, Lin Yi was basically Rock Candy’s double brother-in-law. Rock Candy couldn’t really belittle him with this kind of status!

“So what if I am? To tell you the truth, you’re not strong enough to match Xiaoxiao. ” But Rock Candy was a prideful person, and since Xiaoxiao and Tang Yun weren’t here, she spoke her mind.

“In your eyes, what kind of person is worthy of Xiaoxiao?” Lin Yi asked with a smile.

“Sky Class late phase peak, or golden class third level and above.” Rock Candy said.

“Oh, then what kind of person is worthy of you?” Lin Yi couldn’t let Rock Candy tease him all the time, so he would tease Rock Candy when he could.

“He’s stronger than me, and he’s a Mystic first level Alchemist. ” Rock Candy said.

Lin Yi couldn’t help but find it funny after hearing Bing Tang’s words. Bing Tang was Sky Class late phase peak now, and surpassing her was the legendary path of heaven. Lin Yi wasn’t sure if there were other levels after that! As for the mystic first level, that was a legend-it was hard to say if they even existed in reality!

“Haha ...” Lin Yi smiled.

“Is it funny?” Rock Candy was just trying to piss Lin Yi off. She knew that it was hard to find someone like that, but she didn’t have any thoughts of finding a partner right now. Her ultimate goal was to pursue the path of heaven-once she did, her life would be extended. Even if she found a partner, they’d have to be at the same level, or they wouldn’t be able to be together forever.

“I think I’m the only one who can reach this level. You have to pray. If I can’t, you’ll have to be a widow for the rest of your life.” Lin Yi said, troubled.

“Pfft ...” Bing Tang almost burst out laughing,“”Hahahaha ... Lin Yi, you’re too arrogant, you?”

“What did I do?” Lin Yi said seriously.

“You still want to take in both sisters? Senior and junior sisters, cousins and cousins? “You have enough names ...” Rock Candy pursed her lips.

“I’m sorting you according to the order you enter. I don’t care if you’re a Senior Sister or a cousin. After you enter, you’ll be a small small small small wife.” Lin Yi said.

“Good ... Very good ...” Bing Tang laughed at Lin Yi,“”Then I’ll wait for the day I become Xiaoxiao’s small wife!”

“Actually, you look pretty when you smile. You’re usually so cold and boring.” Lin Yi said as he looked at the dimples on Candy’s face.

Bing Tang’s smile disappeared and he said lightly,“”I’m just joking, Lin Yi. Remember what I said-Xiaoxiao can’t wait for you for too long. Also, if I don’t have the ice heart Jade bone pill you promised me, I’ll have to make Xiaoxiao the inheritor!” (To be continued.)

Chapter 1650: Tang Yin’s confusion

“I’m not joking with you. I’m telling the truth. ” Lin Yi said.

“Which one? You want to surpass me in strength and become a Mystic first level refiner?” Rock Candy frowned.

“Oh, that’s one of them, but what I’m saying is that you should smile more. My Feng Xiaoxiao likes to smile a lot, and I don’t want you to paint her as a cold beauty,” Lin Yi said.

“Are you done?” Rock Candy gritted his teeth in hatred.

"I'm finished." Lin Yi said.

.....

In the room upstairs, Tang Yun was staring at the blue sky outside the window, not saying a word.

Xiaoxiao took her hand and sat down beside her. Mengyao and Yushu didn't know what to say-it was hard to get involved in other people's family matters like this. They understood how Tang Yun felt, but she had to solve this herself!

And so, no one said anything, just silently accompanying Tang Yun from dawn to dusk. When no one could be seen in the room anymore, Chu Mengyao walked over and turned on the light.

The sudden light seemed to have woken up Tang Yun from her melancholy. She turned around and saw Feng Xiaoxiao, Chu Mengyao, and Chen Yushu beside her. She was touched. She had been in a sad state before and didn't feel the people around her, as if they didn't exist. Now, she felt the warmth of a family!

"You're all here ... I'm sorry to have made you worry." Tang Yin said, a little embarrassed.

"Yunyun, what are you talking about? you're a part of the family now, you're our good friend. It's normal for us to worry about you!" "We didn't want to disturb you when we saw your silence," Mengyao said. "I have something to talk to you about!" You already had a mother, and now you have another one, whereas I ... I don't even know where my mother is ... In comparison, you're much more fortunate than me!"

"That's right, that's right, my mom's still in the ice coffin, and I need to become a Sky Class to be able to cure her. Yun Yun sis, you're much stronger than me!" Xiaoxiao said.

"Yes, yes! My parents are doing research every day, but I don't know what they're researching. I can't see them all day long. We're not even as good as you!" Chen Yushu added.

"Hehe ... Thank you! Actually ... I've thought it through ..."Tang Yin smiled and said,""I was just a little shocked before, and couldn't get over it, but now that I think about it, it's nothing. With you guys and Lin Yi here, I'm not afraid of anything!"

"You've thought it through?" Xiaoxiao saw the smile on Tang Yun's face and was happy. She thought that Tang Yun would need a long time to think about it, at least a night, but she thought it through in one afternoon. This was out of her expectations.

"Actually, there's nothing to be happy about. You're right. Although I feel a little uncomfortable, I suddenly realized that the parents I've lived with for 19 years aren't my biological parents. They're not blood-related, but they're closer than blood. What's there for me to worry about?" "Plus, I'm an adult now. I have a boyfriend, not a kid anymore!" Tang Yin said.

"Haha, let's go then. Let's go downstairs. I guess sister Bing Tang and the others are waiting anxiously!" Xiaoxiao said.

"Alright!" Tang Yun nodded and went downstairs with Xiaoxiao and the others.

Once he went downstairs, he saw Lin Yi sitting in the living room with Bing Tang, Qing, and Ming. The three didn't have anything to say, and Lin Yi was watching TV, while Bing Tang was helplessly watching TV with him!

She did watch satellite TV in the Ice Palace, but for a practitioner like her, she spent most of her time on cultivation. She wasn't really interested in TV.

"You guys came down?" Lin Yi saw that Tang Yin's face had returned to its usual calm, and he relaxed a little. He knew that she'd gotten over it.

"En!" Tang Yin nodded and walked to Lin Yi's side, looking at Ming and Bing Tang with a gentle gaze. "Then ... What should I call you?"

"Anything ... You can also call me aunty like rock Candy ..." Tang Yun was Xiaoming's daughter, after all.

"I ..." Tang Yin saw the bitterness on Ming's face, and her heart ached. She was a little shy, and calling out "mom" was a little awkward, but Ming's helplessness made Tang Yin say it out loud ... It was a little choppy, but it was the most difficult step ...

"Al!" Ming was both surprised and happy, her tears falling instantly. When she was waiting downstairs, she didn't show it on her face, but she was worried that Tang Yun wouldn't recognize her, that she was here to cause trouble. But now, her heart was full of comfort. She was about to hug Tang Yun, but her arms stopped ...

"Mom ..." Tang Yun hugged her mother. It was a natural feeling of kinship. Blood was thicker than water, and Tang Yun couldn't help but be affected by it. She called her "mom" a lot more smoothly this time ...

Bing Tang let out a breath of relief, so did Qing. Lin Yi and the others, on the other hand, were happy from the bottom of their hearts. This was a big deal to Tang Yun, but it didn't matter much to the others. They were nervous because they cared about her.

The two of them finally separated after a long time. Tang Yun's eyes were filled with tears. She seemed to have felt Xiao Ming's hardships all these years. She felt that Xiao Ming had missed her. Tang Yun felt that it was the right decision to acknowledge this mother.

Now that the matter was settled, all that was left was to go to Tang Yin's house. Now that Tang Yin was gone, it was much easier to deal with her parents. Tang Yin didn't even need to do anything-Lin Yi could handle it himself!

On the way to Tang Yin's house, Lin Yi had already made up his mind when Xiaoming was still wondering what to do. "Rock Candy is definitely going back to the Ice Palace with Xiaoxiao-they can't stay here for long, so Yunyun's life hasn't changed much. If you don't like the Hidden House Tang, you can stay here with Yunyun's parents-you'll be able to see her more often!"

Lin Yi's suggestion moved Ming-she had nothing to miss about hiding house Tang! (To be continued.)
