

Bodyguard 2041

### Chapter 2041: feeding the tiger

“Alright, let’s go there then. By the way, are there any restrictions?” Zhang duopan said.

“Normal visitors can’t go, but you’re different. You’re a friend of President su ‘s, and he said that we’ll follow your arrangements!” Uncle Yan said.

“Ha, thank you, President su. Let’s go!” Zhang duopan was constantly displaying his sense of superiority.

The extended Hummer started and slowly drove to the beast taming area.

As expected, they saw a sign at the gate. “This is an important place for work. Non-park staff are not allowed to enter!”

However, when the extended Hummer arrived at the iron gate, the iron gate was opened by the staff without any inquiry and the car was let in. Obviously, this car was a VIP car, and all the staff members here knew it.

This place was actually a training ground for the Acrobatic Arts Club in the Tiger garden. There were beast tamers taming all kinds of tigers and lions for them to perform. The Hummer stopped near a fake mountain. Uncle Yan said, “Everyone can get off the car to feed the Tigers. There are beast tamers here, and there are only two tigers. They won’t cause any harm to everyone. This way, everyone can look at the Tigers up close!”

Although uncle Yan said so, everyone looked at each other. After all, they were facing a Tiger. Even if it was domesticated, it was still very scary. Who knew if this Tiger would suddenly go crazy? It wouldn’t be fun if someone was injured!

“Get out of the car? That’s not good, right? There are more girls on the bus. What if something happens?” Bai Weitao’s heart was also pounding.

“I say, Bai Weitao, are you afraid? You’re afraid and you’re pushing the blame on a girl?” Zhang duopan looked at Bai Weitao in disdain and said, “I don’t think a coward like you can protect he meiyue at all!”

“I’m protecting her by not letting her get out of the car!” Bai Weitao’s face turned red. Although he was also a little scared, he still argued, “What if the Tiger goes crazy? It’s not a joke to bite someone!”

“Look, the beast Tamer is standing so close to the Tiger, and he’s still fine?” Zhang duopan’s mouth twitched. The more worried Bai Weitao was, the happier he was. He could look down on him and show he meiyue how timid this man was.

“That’s hard to say. Even humans can go crazy, let alone Tigers.” “But, even if the Tiger’s mad, it’ll only bite those who’re cocky and cocky,” Lin Yi said faintly, “so don’t worry, Bai Weitao, let’s go down!” Look at you, you’re worried about Zhang duopan, but he doesn’t know what’s good for him!”

“F \* ck! Who needs you to worry?” Zhang duopan heard Lin Yi’s words and was even more disdainful, “I’m going to get out of the car now. Let’s see who’s the coward!”

Bai Weitao's face changed slightly, but seeing that Lin Yi had already stood up, he gritted his teeth and followed.

Yushu, on the other hand, jogged after Lin Yi.

Since the girl got off the car, Bai Weitao didn't want to stay in the car anymore, so he said, "Meiyue, let's get off the car too, but be careful, don't get too close!"

After Zhang duopan alighted from the car, he gave uncle Yan a look. Uncle Yan nodded his head, indicating that everything had been arranged. Zhang duopan smiled knowingly.

"There's beef here. Everyone can feed the Tigers!" Zhang duopan said to everyone who had gotten off the car, "But, for safety's sake, we'll ask uncle Yan to help us demonstrate!"

Sure enough, the two tigers were only beside the beast Tamer and didn't come over. They didn't have any intention of attacking the people here. It seemed that they were really different from those wild tigers.

"Actually, the Tigers here are more obedient and it's easier to feed them!" Uncle Yan said as he took out a piece of beef and threw it at the Tiger.

Sure enough, the two tigers jumped up at the same time. One of the Tigers jumped higher and grabbed the piece of meat in the air, but the more interesting thing was that when the other tiger saw that the previous Tiger had grabbed the meat, it no longer fought for it and returned to the beast Tamer's side, no matter how much the previous Tiger had eaten.

"Tigers eat all the food for themselves. If one of them gets it, the other Tigers will also follow the rules and not fight for it. Of course, we can't rule out the possibility of a Tiger King, but there is no such thing here." "Who's next?" uncle Yan explained.

"Bai Weitao, why don't you go first?" "Haha!" Zhang duopan laughed and said, "but looking at you, I'm sure you don't dare to do it. So, let me do it!"

Bai Weitao was furious, but he had no choice. He was indeed a little worried.

"It's fine, let him perform!" Lin Yi patted his shoulder and smiled, "People make mistakes, horses make mistakes too. He won't be able to show off when he gets bitten."

"Ha, bitten? Aren't you guys too cowardly?" Fan ganhe looked at Lin Yi and sneered, "Girls usually don't like cowards!"

Lin Yi ignored him, making fan ganhe's words useless. He was a little angry, but he couldn't show it. He thought to himself, "I'll let you know what it means to be embarrassed and scared!"

Zhang duopan picked up a piece of beef and threw it towards the two tigers. Because one of the Tigers was eating, the other Tiger who didn't manage to grab the meat earlier grabbed it first and bit into it. It was quite interesting.

"How is it? Meiyue, why don't you give it a try?" After Zhang duopan finished his performance, he said to he meiyue proudly.

"I ... Alright." He meiyue saw that Zhang duopan was not in any danger, so she nodded in agreement. This method of personally feeding the tiger was quite interesting, so he meiyue was also interested.

"Just like me, pick up a piece of meat and throw it over!" Zhang duopan gave a simple demonstration.

"Alright," he said. He meiyue nodded, picked up a piece of meat, and threw it at the Tigers. However, perhaps because a girl's strength was relatively weak, the meat was thrown closer, and the two tigers rushed over with a "whoosh"!

It was as if he was pouncing on he meiyue, giving her a big fright. He meiyue immediately screamed and dodged to the back in fear ...

Actually, this was also Zhang duopan's intention. Those two tigers had always been acting under the instructions of the beast Tamer. Tamed Tigers were different from those that were raised freely. Even if they hunted for food, it was controlled by the beast Tamer. If the beast Tamer didn't allow them to eat, they wouldn't eat.

So the first two times they fought for food, it looked like they were doing it on their own, but it was actually under the instructions of the beast Tamer. Lin Yi, who had dealt with wild beasts for many years, saw it clearly! (To be continued.)

#### **Chapter 2042: The Tiger has gone crazy**

Zhang duopan's plan was well thought out. He had deliberately let he meiyue throw the meat, and then used the reason that a girl's arms were weak to let the Tiger pounce over. In fact, the beast Tamer had deliberately let him do this, and then Zhang duopan would use the opportunity to block he meiyue's body to save the beauty, or it would be even better if he meiyue was so scared that she directly pounced into his arms.

However, just as Zhang duopan was fantasizing, a figure suddenly stumbled in front of he meiyue and blocked her!

The figure was Bai Weitao, but he didn't rush over on his own. Lin Yi pushed him over!

Bai Weitao cursed in his heart, "brother Lin is such a scammer. Isn't he pushing himself into the Tiger's mouth?"

But Lin Yi's strength was very precise, making Bai Weitao's legs seem like they were out of his control. He couldn't stop even if he wanted to, and he directly stood in front of he meiyue!

Since he was already here, Bai Weitao couldn't back down. He could only say, "Meiyue, don't be afraid, I'm here!"

"Gah?" Zhang duopan was just about to make a move, but he didn't expect Bai Weitao to beat him to it, and his expression instantly turned extremely ugly!

As for the two tigers, they looked extremely fierce, but they had no intention of attacking he meiyue. The beast Tamer only wanted them to scare he meiyue. This kind of situation also happened when some

brave guests went on stage to cooperate with the circus performance, so the beast Tamer was very skillful!

Even though Bai Weitao was standing not far away from them, they did not intend to attack. They just aimed at the meat in front of them. After one of the Tigers snatched the meat, the two tigers retreated.

“It seems that Bai Weitao is still the most reliable person. Some people may say nice things, but at the critical moment, they become stupid and stand there!” Lin Yi said with a cold smile.

Damn it, you guys beat me to it, alright?

Zhang duopan was speechless. Who knew that Bai Weitao would be so fast? He was just trying to determine if he meiyue was going to jump into his arms or dodge. If she dodged, he would be standing in front of she meiyue. If she jumped into his arms, he would be able to sit and enjoy the fruits of her labor. Who knew that things would change so quickly?

In fact, no matter how fast Zhang duopan reacted, he couldn't be faster than Lin Yi. Lin Yi pushed Bai Weitao out before Zhang duopan could move.

“That's right. Although I don't like to do dangerous things, if my female companion is in danger, I will be the first to rush out!” Bai Weitao was extremely grateful to Lin Yi-it seemed like Lin Yi had already seen through Zhang duopan's plan.

“Meiyue, did you see that? Who's the one who's worth relying on?” Lin Yi couldn't do anything about he meiyue not making a decision.

“Hmph, you know that these two tigers don't hurt people, so why are you showing off?” Zhang duopan snorted. He hated Bai Weitao so much in his heart that he wanted to take this opportunity to teach him a lesson. So, he put on a fake smile and said, “Bai Weitao, if you're in a hurry to feed the tiger, then you're in a hurry, but you're still standing in front of he meiyue! I didn't move because I knew that the two tigers wouldn't hurt anyone. I was calm!”

“Calm?” Bai Weitao didn't refute, but picked up a piece of beef on the ground and said, “If that's the case, what's so difficult about raising a Tiger like this?”

“Whether there's any difficulty or not is also a form of training for courage. Don't talk so much nonsense!” Zhang duopan gave uncle Yan a look as he spoke.

Uncle Yan nodded his head without a word.

Therefore, when Bai Weitao picked up a piece of meat, the Tiger directly pounced on him and bit the beef in his hand before he could cut it off!

Although it didn't hurt Bai Weitao, it scared him so much that he fell to the ground!

Lin Yi frowned-he knew that Zhang duopan was probably behind this on purpose, but he couldn't say anything since he didn't have any evidence.

“Hahaha, Bai Weitao? It can't be, right? He was so scared that he sat on the ground? Aren't you a little too useless?” Zhang duopan immediately laughed out loud, “didn't you say that it's not difficult to raise this kind of tamed Tiger?” Why? Are you so scared that you peed your pants?”

A cold smile appeared on Lin Yi's face as he pretended to help him up. He suddenly released some pure Qi from his hand and aimed at one of the two tigers. He then let out a strange sound wave from his mouth ...

However, Lin Yi's disguise was very good. He made a sound like he was lifting Bai Weitao up with all his strength, so no one noticed anything wrong.

But Lin Yi did it for a reason-he was trying to anger the Tiger!

In the past, Lin Yi had been active in all kinds of forests all year round, and he had a set of ways to deal with these fierce beasts. Sometimes, using wild beasts to deal with enemies was also a method!

Lin Yi first used his Qi to hurt the Tiger, and then used the strange sound waves to make the Tiger go crazy for blood. This way, even a tamed Tiger would become a crazy tiger and attack the people closest to it!

Before, when Lin Yi didn't know how to use the energy bomb, he naturally used other hidden weapons to hurt the Tiger instead, but that was more obvious and could be seen through. It didn't matter if he fought in the forest, but it wouldn't work here.

Lin Yi wanted to harm Zhang duopan, and naturally, he couldn't let anyone see it, so he used an energy bomb.

After doing all this, Lin Yi quickly helped Bai Weitao up and pulled him back to a place further away from Zhang duopan,"Wei Tuo, forget it. This Tiger is not a joke. After all, it's a fierce beast. Even if it's tamed, it may bite people. You're not embarrassed. A man should know when to yield and when to yield. The key is to stay alive. Some people who don't want to live are stupid!"

"Ha? Brainless? If you're a coward, then don't say those useless things. If even this tamed Tiger is afraid, then you're really as timid as a mouse ... Huh?" Just as Zhang duopan's voice fell, he realized that one of the two tigers was pouncing towards him. Looking at its ferocious appearance, it was as if it wanted to swallow him whole!

Zhang duopan was instantly scared silly. He turned around and ran, but the Tiger was still in hot pursuit! It thought that Zhang duopan was the one who injured it-Lin Yi's sound wave had already made the Tiger a little crazy, and it was treating Zhang duopan, who was the closest to it, as an enemy!

The Tiger was fast, but one of its legs had been injured by Lin Yi's pure energy, so its mobility was severely affected. It wasn't able to catch up to Zhang duopan ...

### **Chapter 2043: -Lion King**

Lin Yi, of course, did it on purpose. Zhang duopan was annoying, but Lin Yi didn't want to kill him directly, so he decided to teach him a lesson.

"Uncle Yan, help! What's wrong with the Tiger? Wasn't it tamed? Why did you suddenly bite?" It was only now that Zhang duopan knew what fear was. His back was drenched in cold sweat. He would never have thought that this Tiger who didn't hurt anyone would actually want to harm him!

“You scared me to death ... You scared me to death ...” Zhang duopan couldn’t care about his face anymore. He was about to lose his life, what face did he still have?

Fan ganhe quickly ran over to help Zhang duopan up, and uncle Yan was also very embarrassed, “Young master Zhang, this ... No one knew that this Tiger would suddenly go crazy ...”

“I know, it’s not your fault ...” Zhang duopan waved his hand, and his face was very ugly. He had lost his face this time. He wanted to scare Bai Weitao, but in the end, he was the one who was scared.

“Let’s go. Let’s look at other things. This Tiger is boring.” “Didn’t I tell you that Tigers go crazy easily? you didn’t believe me?” Lin Yi said faintly.

“Hmph! This was just an accident!” Zhang duopan said, “let’s go and see the lion. This Tiger is nothing special. It was so fierce just now. One shot and it’s dead!”

Although Bai Weitao and the others did not reply, they still looked down on Zhang duopan. In he meiyue’s eyes, Zhang duopan’s impression of her was getting worse and worse. This guy was simply a somewhat arrogant foppish young master, he was not a suitable partner at all.

Uncle Yan heaved a sigh of relief when everyone got in the car. He quickly started the car and left The Taming area for the mixed area of lions and tigers. This was a pure wild area. The lions and tigers here were wild, and even ordinary staff did not dare to get out of the car at will. Only the professionals who were wearing professional equipment and holding tranquilizer guns dared to get out. As for tourists, even feeding them through the window was forbidden, which was enough to show the danger in this area.

“This is the lion-tiger hybrid area. There’s a Lion King here. In the past, the most powerful one here was a Tiger, but we recently bought a Lion in the park. This Lion has become the king of this place!” Uncle Yan explained as he drove. “This Lion is very intelligent. He took in many underlings as soon as he arrived. The Tiger King from before also became the lion’s underling!”

“This Lion is quite powerful. Could it be the legendary Lion King?” Zhang duopan said this on purpose to divert everyone’s attention.

“You can say that!” Uncle Yan nodded his head. If we’re lucky, we’ll be able to see The Lion King!

Here, the cars were equipped with GPS, tranquilizer guns, and emergency satellite phones. This was to prevent the car from malfunctioning so that reinforcements could arrive in time. Because this was a mixed-breed area in the primeval forest, the area was very vast, unlike the previous sightseeing areas where there were many sightseeing cars!

On the other hand, most tourists chose to take the cable car to enjoy the scenery of the lion-tiger hybrid area. Very few sightseeing buses drove here, which was also for the safety of tourists.

Of course, there were a small number of adventurous tourists who chose to come here by car, but these tourists would buy insurance and sign an agreement before coming in. After all, this was not a joke. If the car flipped over or broke down, there might be problems.

“A Lion and a Tiger can actually co-exist. How interesting!” He meiyue and Chai Xiaoling exclaimed.

Xinyan and the Miss, on the other hand, didn't say anything. They both looked out the window silently. Xinyan had a lot on her mind, while the Miss was observing her, trying to see if she could become Lin Yi's girlfriend.

Chen Yushu didn't have a care in the world as she kept screaming along the way. She was especially Fond of Tigers and lions ...

"Wow, everyone's in luck. The lion in front is The Lion King, but it's very powerful. In order to avoid danger, let's watch from a distance!" Uncle Yan said, "not far ahead, on the highest stone, is The Lion King, and around it are its little brothers ... Do you see the biggest Tiger?" He was the Tiger King in the past, but now he's also the subordinate of The Lion King!"

#### **Chapter 2044: depressed Lion**

"Eh? What the hell, it can't be such a coincidence, right?" Chen Yushu's eyes widened as she looked at the lion on the rock! From what she could see, this was the same Lion she sold to an Jianwen!

However, why did the lion come here?

"What's wrong?" Lin Yi didn't pay attention to the scenery outside the window-he didn't care about The Lion King or anything like that. He'd seen a lot of these animals in the African grasslands and forests before, and it wasn't anything special.

"That Lion ... Why does it look like it used to belong to our family?" Chen Yushu pointed at The Lion King.

Lin Yi raised his head in surprise and looked in the direction Yushu was pointing at-it was a familiar figure! It was Gou huli's Lion!

Lin Yi didn't have a good impression of this Lion who bullied the weak and feared the strong, so he didn't give it any strength boost. Since Yushu sold it off, Lin Yi didn't mind.

However, this guy had been trained by general Weiwu and Skybolt pig all day long, so it was starting to become a spirit beast. Although it wasn't strong, it was still a half-step golden class physical practitioner.

With its strength, it was nothing in front of general Weiwu and Skybolt pig, let alone in front of Lin Yi!

However, in a place like this, the lion had relied on its strength and intelligence developed by general Weiwu and Skybolt pig to become the Overlord of this place!

"As expected." Lin Yi said with a nod.

"Drive over, drive over, hurry up and drive the car over. I want to see that Lion King!" Yushu said.

"Ah? Drive over? It's a little dangerous, isn't it?" After experiencing the incident with the Tiger going crazy, uncle Yan had become more cautious. He turned to look at Zhang duopan, "Zhang-Shao, are we driving there?"

"This ..." To be honest, Zhang duopan was still very fearful. Although he was in the car at the moment, he was still a little scared, so Zhang duopan was a little hesitant.

“Zhang duopan, don’t tell me you were frightened just now? You don’t even dare to get close to the Tiger in the car this time?” Bai Weitao didn’t let go of any chance to attack Zhang duopan, who asked this guy to always laugh at him!

“I ... Who said I was scared? It was that Tiger that went crazy. I’m not afraid of Tigers, I’m just afraid of crazy Tigers!” Zhang duopan waved his hand. “Uncle Yan, let’s drive. The girl in the car isn’t afraid. What are we afraid of?”

“Alright!” Uncle Yan nodded and started the car, approaching The Lion King.

The Lion King wasn’t the least bit afraid of the car’s approach, and the Tiger King’s underling even roared ferociously at the Hummer. He didn’t put it in his eyes at all, but had a kind of power that was asking for a meal!

Although tourists were forbidden to feed the Tigers, drivers were allowed to feed the tigers and lions. Of course, the tourists had to pay for it.

“Stop the car and open the door. I want to get down!” Yushu said suddenly.

“Ah?” Uncle Yan’s eyes went wide-what was she doing? getting off here? Wasn’t that looking for death?

Even if he was a Beast Tamer and a professional, he didn’t dare to get off here. When he fed tigers and lions, he had to throw the meat through the gaps in the iron bars. He didn’t dare to be too careless, and a girl like Chen Yushu wanted to get off?

“Shield bro, are you coming with me?” Chen Yushu suddenly realized that something wasn’t right. The lion had been sold and was now the king here. No matter what she did, she couldn’t risk her life. She turned to Lin Yi.

“Alright,” he said. Lin Yi said faintly without a trace of fear or obstruction. Even if he didn’t know these lions and tigers, these beasts wouldn’t dare to hurt Lin Yi and the people he was protecting! There was no other reason other than the years of fighting in the forest had formed a killing aura around Lin Yi. As long as these tigers and lions weren’t stupid, they wouldn’t act rashly when they felt Lin Yi’s aura!

It was just like general Weiwu, who chose to back off the first time he saw Lin Yi. Huli, the lion, was the same-she was scared out of her wits.

Lin Yi’s reply wasn’t loud, but everyone in the car heard it loud and clear-especially Zhang duopan, who was looking at Lin Yi like he was an idiot! Even if Lin Yi liked this Chen Yushu and wanted to please her, there was no need for him to go to death with her, right?

In The Taming site, the Tigers might go crazy. Not to mention this free-range breeding area, if he got off the car, wouldn’t he be eaten by these lions and tigers in an instant?

But, thinking back to the humiliation he’d suffered before, Zhang duopan didn’t mind letting Lin Yi suffer the same humiliation. If the two of them got off the car and got eaten by the Tiger, they couldn’t blame anyone else. Tiger Park was just paying a small sum of money, and the people in the car could testify that they wanted to get off the car, and it had nothing to do with anyone else!

At the thought, a cold smile appeared on Zhang duopan’s face. He didn’t know why Lin Yi and Yushu were in such a rush to die, but since they wanted to die, he’d give them what they wanted,” Uncle Yan,

the great hero wants to get out of the car to observe The Lion King up close. Let's stop the car and open the door!"

"Alright, young master Zhang!" Uncle Yan's orders were to listen to Zhang duopan's orders here. Since Zhang duopan strongly requested to stop the car, then they would stop the car. In any case, if the person was really eaten, Zhang duopan would be the one paying for the compensation from Hu garden.

Uncle Yan stopped the car and opened the door.

Chen Yushu got out of the car first, and Lin Yi naturally followed behind.

The lions and tigers started getting restless as soon as Yushu got out of the car-they wanted to rush at her and get rid of the delicious food, but the lion behind them was clearly taken aback when he saw Yushu. He shivered when he saw Lin Yi behind Yushu!

My good long di Dong, these two can't be trying to capture me and bring me back, right?

After spending so much time with general Weiwu and Skybolt pig, The Lion King had become more intelligent. Although his strength didn't increase by much, his intelligence had increased by a lot. Naturally, he knew how to scheme. This was a clear sign of him evolving into a spirit beast.

Meanwhile, The Lion King was currently living a carefree life in the lion Tiger garden. He had good food and drinks every day, and a group of lions and tigers as his little brothers that he ordered around. His life was simply wonderful. If he were to be captured, wouldn't he become the lowest existence in the family again?

He was not even as good as a dog or a pig. He was the great lion! A super powerful being, but in Lin Yi's house, he was extremely sullen! (To be continued.)

#### **Chapter 2045: There's definitely a problem**

Of course, let's not talk about the pig and dog that he had been following. The little girl in front of him was even more powerful. She was like a little demon. He had to perform acrobatics all day long, and it had tired him out. So, he was quite happy to be able to escape.

Although Yushu didn't have much strength, and the lion knew that she was just using her power, she had Lin Yi backing her up. Lin Yi could kill him with one finger in minutes, so The Lion King was smart and didn't dare to mess with Yushu.

At this time, it saw that its underlings were going to eat Chen Yushu and Lin Yi, and its heart almost exploded in fear. It quickly shouted, calling back its underlings!

Although the subordinates of the lions and tigers did not understand why their King had asked them to come back, they did not dare to disobey and turned back one after another!

The Lion King's roar startled everyone in the car, especially Zhang duopan. He looked at Lin Yi and Yushu gloatingly, thinking to himself, "what an idiot! How dare they observe The Lion King at such a close distance? they must be tired of living."

Xinyan's expression finally relaxed a little as she frowned and looked at the calm Mengyao. "Yaoyao, Lin Yi and Shu ..."

"It's fine, that Lion was raised by my family in the past." Mengyao, naturally, knew who The Lion King was.

"Ah? The Lion King?" Wang Xinyan's mouth was wide open.

"Yeah." "Yes, that Lion King ..." Mengyao nodded, "but Xinyan, you seem to care a lot about Lin Yi, don't you?"

"Are we ... Good friends?" Xinyan said, embarrassed.

"Haha ..." Chu Mengyao smiled ambiguously and didn't say anything else.

However, after the communication along the way, the two of them had become more familiar with each other. They had changed from calling each other by their names to calling each other by their nicknames.

"You, come over here!" Chen Yushu pointed at The Lion King under everyone's surprised eyes.

"Gah?" Zhang duopan looked at the scene below the car and felt that it was unbelievable. Were these two people crazy? Why did he do such a stupid thing?

Fan ganhe was even praying in his heart for the Lions and tigers to eat Lin Yi and Chen Yushu, so that no one would stop him from pursuing Wang Xinyan.

The Lion King, however, ran over to Yushu weirdly under everyone's surprised gazes, shaking its head as if it was trying to please her.

"You're doing pretty well, aren't you? And you're The Lion King?" Yushu said as she pulled the lion's ear.

With Lin Yi by her side, and with him not stopping her, Yushu was naturally bold! Of course, if Lin Yi wasn't by her side, she wouldn't do something as stupid as this.

"Wuwu ..." The lion nodded its head carefully. It was complaining in its heart. If it had known that the second miss would come today, it would have hidden itself better. Now, it had bumped into the muzzle of a gun!

"Looking at your pitiful appearance, are you still a Lion King?" Chen Yushu pouted, looking down on him.

The Lion King felt extremely aggrieved. He thought, "I am indeed The Lion King in front of others, but if I continue to be King when you are here, isn't that just courting death?" It's fine if you pull my ears, but the one beside you can send me to the southern Heaven Gate with one kick.

However, Chen Yushu had a reason for getting off the car. She grew up with Chu Mengyao, and the two of them were almost telepathic. Chu Mengyao went to talk to Wang Xinyan, and Chen Yushu understood that Wang Xinyan might become one of shield bro's girlfriends in the future.

Yushu didn't really care how many girlfriends Lin Yi had-she was more worried about Mengyao's benefits, and she didn't want to think about herself ...

And so, after she understood Mengyao's intentions, she decided to help Lin Yi and Xinyan. But for now, Xinyan had an annoying suitor, and this guy was ruining their relationship. Yushu was a little pissed, and wanted to find a chance to teach fan ganhe a lesson.

And now, it was a good opportunity.

Otherwise, Yushu wouldn't have gotten off the car to play with The Lion King.

"Fan ganhe, what are you doing in the car? Why aren't you coming down? I heard that Xinyan likes brave people! Look at shield bro, he's not even afraid of a Lion!" Chen Yushu made a disdainful gesture to fan ganhe.

"Pfft ..." Lin Yi almost burst out laughing. Why was she doing this again? A brave person? Didn't they say that Chu Mengyao liked brave people? Why did it become Wang Xinyan?

"I ..." Fan ganhe was already confused, but he panicked when he heard Chen Yushu's disdain, "Who says I'm not brave? How is this considered brave? This Lion is strange, it doesn't hurt people at all!"

"Yeah, there's obviously something wrong with this Lion!" Zhang duopan also said, "what kind of Lion King is this?" Uncle Yan, did you make a mistake?"

"This ..." Uncle Yan also felt that it was a little strange. This Lion was obviously very gentle. It didn't bite at all. Its ear was pulled, but it still looked so happy. What a silly lion!

"Isn't it a competition of courage? I'm just a sports student, how can I be weaker than you?" Fan ganhe made his decision without hesitation. Since Lin Yi and Chen Yushu were fine, then he would be fine too!

Lin Yi and Yushu, on the other hand, probably knew that something was wrong with The Lion King, and that's why they dared to get off the car-just like how Zhang duopan and the other beast tamers had agreed that they weren't afraid of Tigers!

They were the ones who cheated, so naturally, they thought that Lin Yi was cheating as well.

With that, fan ganhe jumped out of the car, and the moment he jumped out, Chen Yushu whispered something to the lion. The lion quickly nodded to show that he understood.

However, no one paid any attention to this scene. Could a human talk to a Lion? In their eyes, it was impossible.

In the car, Wang Xinyan heard Chen Yushu say that she liked brave people. Wang Xinyan was a little surprised. Since when did she like brave people? Lin Yi was brave, but ...

Mengyao only smiled faintly. "Shu wants to help you get rid of your pursuer, fan ganhe."

"Ah?" Wang Xinyan was stunned. She saw that fan ganhe had already gotten out of the car, and more or less understood.

"Hey, you stupid Lion, there must be something wrong with you. Tell me, were you tamed?" The moment fan ganhe got off the vehicle, he had pointed at the lion and asked. (To be continued.)

**Chapter 2046: This is a tragedy**

The lion didn't dare to make a sound when Chen Yushu and Lin Yi bullied it, but it was pissed off when it was bullied by a random person. However, it remembered Chen Yushu's orders and endured the humiliation with a "Wu Wu" sound, not doing anything to fan ganhe.

"Ha, I knew you were a coward!" When fan ganhe saw that the lion was so cowardly, he suddenly became excited. His previous words were just a test. When he asked, he did not dare to get too close. However, he found that the lion really had no attack power. He was overjoyed!

"Wuwu ..." The Lion King was being scolded and could only let out a slight snort to express his dissatisfaction!

"Haha, as expected. Brother Zhang, you also came to see this Lion. He's simply a coward!" Fan ganhe walked over and forcefully pulled off the fur on the lion's head, pulling off the skin on its face. However, the lion didn't have any reaction; it just groaned.

"Lin Yi, you've got a Lion that can't attack, and you're still bragging about your bravery?" Zhang duopan was feeling very uncomfortable from being chased by the Tiger earlier, and now that he could bully the lion, he naturally took the responsibility and jumped off the car.

"Lin Yi, how is that brave? If that's considered brave, then I'm a warrior!" Fan ganhe punched the lion complacently.

Zhang duopan saw that the lion wasn't resisting at all, and went over to pull its ears,""Sure enough, this Lion is so gentle. Meiyue, look at how brave I am, I actually dared to fight against a Lion!"

"You two idiots, it's the lion that's scared of shield bro, okay? Do you really think this Lion is afraid of you?" Chen Yushu rolled her eyes at Zhang duopan and fan ganhe in disdain.

"Ha? Who would believe you?" Fan ganhe looked at Chen Yushu sarcastically,"Do you think I'm an idiot or brother Zhang is an idiot? The lion's afraid of Lin Yi?"

"That's right, this is the funniest joke I've ever heard. Do you think Lions are humans and can understand your language? You're an idiot!" Zhang duopan also had a look of disbelief.

"Forget it, since you guys don't believe me, shield bro, let's get in the car and let these two die Here!" Chen Yushu shook her head and sighed.

"Alright!" Lin Yi nodded and got in the car with Yushu without another word.

"How is it? The lie has been exposed, right?" Fan ganhe pulled the lion's ear again with pride, but the next moment, he felt that something was wrong! That was because the lion's eyes suddenly turned sharp!

"Roar!" The Lion King bit fan ganhe's arm! It bit through his clothes and tore off a piece of skin from his hands and neck! Chen Yushu told him to calm down when Lin Yi was here, and when Lin Yi wasn't around, he could punish fan ganhe and Zhang duopan!

"Ah!" Fan ganhe screamed. He didn't expect the lion to change its face and bite without any warning!

However, seeing that fan ganhe was bitten, Zhang duopan wanted to escape, but it was too late. He was the lion's next target!

After the lion bit fan ganhe, it turned directly to Zhang duopan and bit his buttocks. Not only did it tear his pants, but it also bit off a piece of flesh from his buttocks. He immediately cried out in pain and tears were about to come out!

However, the intense pain also made the two of them instantly clear-headed. They couldn't care about the pain anymore and ran into the car like crazy, their faces extremely pale!

"I told you, the lion was afraid of shield bro, but you guys didn't believe me and went down to pretend to be brave. Now you're done for, aren't you?" Yushu said gloatingly.

"..." The people in the car were speechless, but they didn't know what was going on. Chen Yushu's words might sound reasonable, but if the lion was afraid of Lin Yi but not Zhang duopan and fan ganhe, it was a bit too unbelievable!

This Lion can still tell who's stronger? Besides, Lin Yi didn't even fight the lion after he got off the car, so why would the lion be afraid of him? Wasn't this inexplicable?

"You ... You guys are playing dirty!" Zhang duopan was in so much pain that his tears were about to flow out, but he knew that if he cried now, he meiyue would definitely look down on him, so he endured the pain and scolded,""Did you guys do this on purpose?"

"On purpose? Are you retarded? I told you guys that the lion is afraid of shield bro. If you guys didn't believe me, you could have just stood there and died. But you guys didn't believe me, so who can you blame?" Chen Yushu said innocently.

"You ..." Zhang duopan wanted to say something more, but after thinking about it, Chen Yushu was right. It was him and fan ganhe who didn't believe it ...

However, the more Zhang duopan thought about it, the more he felt that something was amiss! Why was the lion afraid of Lin Yi? That's not possible, right? The lion wasn't human, so why would it be afraid of a tourist? Moreover, this didn't make sense!

So Zhang duopan's mind was spinning-it wasn't that the lion was afraid of Lin Yi, but that Lin Yi and Yushu had some sort of pattern! That's right, it must be like this!

They'd been provoking the lion the whole time, but since it was a Lion King, it had to have a bottom line. It didn't put Lin Yi and Yushu in its eyes at all, and didn't want to lower itself to their level.

After that, everyone mistreated it and offended it. When the lion was offended to a certain extent, even The Lion King couldn't take it anymore and finally flipped out!

But before he went crazy, Lin Yi and Yushu probably noticed something, and so they got in the car first and said something like the lion was afraid of Lin Yi. In the end, Zhang duopan and fan ganhe didn't realize it in time, and they were in trouble!

It must be like this! Otherwise, why did the lion only bite a piece of meat from him and fan ganhe? If The Lion King wanted to kill them, he could do it in a matter of minutes. However, The Lion King did not do so. This showed that The Lion King was still very proud. He did not want to lower himself to the same

level as people who did not have the ability to attack. In the end, he was forced into a corner and only spoke to scare people!

At that thought, Zhang duopan felt that he'd grasped the pattern as well-he didn't want to suffer like this, and so he turned to Lin Yi and Yushu. "Didn't you say that the lion was afraid of Lin Yi? If you have the guts, why don't you try getting out of the car now?"

"Why should we get off? Do you think we should get off just because you told us to? It's so tiring to get in and out of the car!" Chen Yushu said in disdain.

"Ha, you guys are scared, right? Now that the lion has gone mad, you guys must be too scared to get off the car!" "Don't they say Xinyan likes brave people?" fan ganhe sneered. Lin Yi, if you get out of the car now, I'll admit that you're a brave man!"

### **Chapter 2047: The lion presents its treasure**

Fan ganhe didn't know why Zhang duopan wanted Lin Yi to get off the car again, but he must have his reasons, so he just went along.

"You're going to give up on Wang Xinyan if I go down? And you also gave up on he meiyue?" Lin Yi glanced at fan ganhe and Zhang duopan and asked.

"This ... If you go down and we don't dare to go down, then we'll admit defeat!" Zhang duopan was playing a trick on them, not making it a dead end-if Lin Yi was fine, they'd have the guts to go down as well, but if the lion caught up to Lin Yi, then the bet they made before would no longer be valid. Lin Yi got into the car because the lion scared him, so what courage was he supposed to have?

"Oh, Shu, let's go down and check out the lion!" Lin Yi said.

"Alright, alright!" "This Lion seems to be living quite well, and it's a king. I wonder if it has any treasures for me?" Yushu said with a nod.

And so, the two got off the car as they spoke, while Zhang duopan and fan ganhe waited for the lion to go crazy again and bite Lin Yi and Yushu!

However, there was a huge difference between wishes and reality. The moment Lin Yi and Chen Yushu got off the car, the angry lion suddenly became docile, with a friendly smile on its face, as if it wasn't the one who was angry before.

"Bite him! Bite them!" Zhang duopan cried out in his heart, but the lion did not listen to him at all.

"Hey, Lion, you're living quite well here. Do you have any good treasures to give me?" Chen Yushu asked.

"Wuwu ..." The lion knew that Yushu was up to no good, so it started asking for something good! But the lion didn't dare to refuse. If he didn't, Chen Yushu's anger wouldn't be a joke, especially with Lin Yi beside him. If this girl let him beat him up, he might die and never be The Lion King again!

At the thought of this, the lion quickly ran back to its old nest at the back of its territory. It carefully rummaged through it and found something. It held it in its mouth and ran back, raising its head as if it was presenting a treasure ...

Yushu reached out her hand, and the lion spat something out. It was a round, milky-white Pearl. It looked like a Pearl, but it wasn't. It looked like a gemstone, but it wasn't. It was a weird thing, and Yushu couldn't make out what it was.

"What is this? You broken lion, you won't use this junk to trick me, right?" Yushu didn't think that the lion would really take out a treasure, but she didn't know if it was a treasure or what it was used for.

"Wuwu ..." The lion cried. It didn't know how to speak the human language, otherwise it would've explained, "this is a treasure that the Tiger King found in the forest, and I gave it to him after I became king. This is good stuff!"

"Let me see!" Lin Yi frowned and took the White bead from Yushu's hand, studying it carefully!

This thing should be a treasure, no doubt! It wasn't that Lin Yi trusted the lion, but the moment the white pearl appeared, he felt a powerful energy within it. He didn't know what it was or what it was used for.

"Shield bro, can you tell what this is?" Chen Yushu asked curiously.

"Temporarily not, but I'll take it first!" Lin Yi said as he put the bead away.

Zhang duopan and fan ganhe were in the car, and although they saw the lion giving Lin Yi and Chen Yushu a Pearl, they could tell from their eyes that it wasn't a Pearl or jewelry, but a useless stone. They didn't care much about it, but they were more concerned about why the lion seemed to have become docile again.

Could it be that this Lion was mentally ill and had two personalities, one good and one bad?

"Zhang duopan, fan ganhe, I'm already out of the car. What do you have to say?" Lin Yi was shocked at where the lion got this treasure from, but he acted like he didn't care, changing the topic to Zhang duopan and fan ganhe.

"This ... This doesn't mean anything. How dare we get off the car!" Zhang duopan's confidence returned after seeing that Lin Yi and Yushu were fine. He forgot about the pain for a moment and decided to get out of the car to take a look.

"Oh, then you guys can come down. If you get bitten again, don't blame me for not warning you!" "The lion's only afraid of shield bro, not you guys!" Yushu said.

"F \* ck! Do you think Lions are so smart that they can tell who they're afraid of?" Zhang duopan didn't believe Chen Yushu's words, "I think this Lion is suffering from schizophrenia. You must have grasped a pattern, that's why it's like this!"

"What the hell!" Chen Yushu's eyes were wide open as she looked at Zhang duopan in shock.

"How is it? surprised right? I guessed it right, right?" Zhang duopan saw Chen Yushu's expression and felt that he had guessed the truth.

“No, I just think that your idea is too fantasizing. You can enter Hollywood.” Chen Yushu replied.

“It’s useless even if you don’t admit it. Get in, let’s get off the car!” Zhang duopan was the first to get out of the car, but he suddenly remembered that his butt was still exposed. When he got in the car, he was facing the people in the car, so it was fine, but now that he turned around and got out of the car, his butt was exposed!

“Student Zhang is really good at being a hooligan!” “There’s a girl in the car!” Bai Weitao pursed his lips.

“Uh ...” Zhang duopan had almost forgotten the pain in his butt, but after being reminded, it suddenly hurt like hell again. However, he couldn’t show it at this time, or he’d be too cowardly. He could only take off his clothes and wrap them around his waist, saying, “Ha, I’m sorry!”

Fan ganhe was a sports student. It was common for him to get injured in fights, so he could bear with the bite on his arm. He nodded and got out of the car with Zhang duopan ...

However, what they did not expect was that as soon as they got out of the car, a tragedy came!

The originally docile Lion suddenly pounced towards Zhang duopan!

“F \* ck!” Zhang duopan had not finished getting off the car. When he saw the lion pouncing at him, he was so scared that he quickly dodged backward. In the end, he was not careful and sat on his butt in the car. He suddenly wailed and his butt landed on the ground. It touched his wound and he was in so much pain that he felt like he was dying!

Fan ganhe, on the other hand, was in a better state. He followed behind Zhang duopan, and although he was knocked down by Zhang duopan, he was not hurt. (To be continued.) |

### **Chapter 2048: quibble**

The lion had scared Zhang duopan back into the car, but it did not attack anymore. Instead, it looked at Zhang duopan provocatively and roared at him, “Roar ...”

It was like a winner looking down on a weakling!

Zhang duopan’s face turned from red to white, and then from red to white. The lion’s actions confirmed Chen Yushu’s words-the lion was afraid of Lin Yi, not him!

He’d been attacked the moment he got out of the car, and Lin Yi had been standing there for a long time-the lion was just trying to please him, and this almost made Zhang duopan puke blood. This Lion knew who was stronger?

But Zhang duopan didn’t see anything special about them!

However, Zhang duopan wasn’t willing to honor the bet from before. He laughed it off and said, “My butt hurts like hell. The injury seems to be very serious. I can’t even walk steadily. I can’t get out of the car. Uncle Yan, let’s go. I’m going to the hospital!”

“Zhang duopan, do your words from before still count? Stay away from he meiyue in the future?” Bai Weitao asked.

“What you said before? I dared to get out of the car, but my butt hurt and I can’t walk, so it’s not my loss. I’m just in a hurry to go to the hospital!” “Bai Weitao, you’re not going to make things difficult for a patient, are you?” Zhang duopan asked.

“...” Bai Weitao looked at Zhang duopan with disdain. This guy was obviously using this as an excuse to not admit to the bet. However, Bai Weitao had a certain level of understanding of Zhang duopan’s repeated renegations. This guy was thick-skinned and always found an excuse to go back on his word. Bai Weitao didn’t want to say anything more.

Lin Yi smiled coldly and got in the car with Yushu. As for Zhang duopan and fan ganhe, Lin Yi didn’t care anymore. He was thinking about the white pearl, and he wanted to go back and study it!

However, if it wasn’t for Chen Yushu’s luck, this thing would have been buried with The Lion King forever.

So Lin Yi didn’t say anything when Zhang duopan suggested leaving.

Lin Yi saw the Miss talking to Xinyan when he got in the car ... It confused him-the two weren’t that close, were they? Could it be that he had become better along the way?

Wang Xinyan heard Chu Mengyao’s words and smiled slightly. The two seemed to be getting along well. This surprised Lin Yi, but he didn’t eavesdrop on their conversation. Everyone had their own secrets. It was just like when Lin Yi was in the villa, he wouldn’t eavesdrop on Chu Mengyao and Chen Yushu’s conversation.

He’d thought that the Miss and Xinyan were sitting together, and that she didn’t have any other close friends other than Shu, and that Xinyan was the only female he was close to, so he just sat beside her. But it seemed like this was all planned?

The car started moving slowly. Uncle Yan was also full of questions as to why the lion didn’t bite Lin Yi and Chen Yushu but chose Zhang duopan and fan ganhe, but he didn’t dare ask after seeing Zhang duopan’s state. Since Zhang duopan didn’t pursue the matter, uncle Yan naturally wouldn’t meddle in his business!

He didn’t want President su to blame him for not being a good host!

Zhang duopan and fan ganhe felt very aggrieved. They could endure the physical pain, but the pain in their hearts was making them almost collapse! They felt weird and unwilling-why didn’t the lion bite Lin Yi and Yushu, and instead gave them a bead?

Of course, Zhang duopan naturally didn’t think that there would be any treasures in this Tiger Park. After all, this was a scenic spot. How could there really be treasures? It was probably a big marble or toy ball thrown by a child tourist, and the lion thought it was a good thing.

But no matter what it was, the lion’s behavior was strange! Even now, Zhang duopan still thought that Lin Yi had grasped some kind of pattern, or that he had grasped the way to communicate with the lion, and that was why he wasn’t bitten!

As for Zhang duopan and fan ganhe, it was because they had not mastered this skill that they were in a tragedy.

“Some people aren’t very brave at first, but they still pretend to be brave. In the end, they got bitten by a Lion, right?” “You see that, he meiyue?” Yushu said sarcastically. Can this kind of man be trusted for life? You can’t compare to shield bro, but of course, I can’t let you have shield bro, so you’ll have to settle for the second best. Bai Weitao is not bad. ”

He meiyue didn’t know whether to laugh or cry at Yushu’s words. Lin Yi was indeed outstanding, and if Wang Xinyan wasn’t here, she wouldn’t mind pursuing him. But with Wang Xinyan, especially with Chu Mengyao and Chen Yushu by Lin Yi’s side, he meiyue paled in comparison. She knew her own place, and although Zhang duopan and Bai Weitao were infatuated with her, Lin Yi wouldn’t have any feelings for her.

Therefore, he meiyue would not have any wishful thinking and could only settle for the second best, placing her gaze on Zhang duopan and Bai Weitao, her two suitors.

However, he meiyue didn’t want to give up her happiness so early, so she was considering it!

Zhang duopan’s foppish aura was too strong, but that wasn’t what he meiyue hated. He meiyue was most afraid of Zhang duopan playing around and then dumping her when he was tired of her. Furthermore, Zhang duopan was a rather unreliable person. Although his family was rich, he liked to stir up trouble too much.

Bai Weitao, on the other hand, didn’t have such bad habits, but his family didn’t seem to be very well-off. Although Bai Weitao had the upper hand in the fights with Zhang duopan, he meiyue wasn’t stupid. She knew that it was Lin Yi’s credit that Bai Weitao had the upper hand!

It was like this when it came to drinking, and it was the same for the freshmen party, including this trip to the Tiger garden. If it wasn’t for Lin Yi, the one who would’ve made a fool of himself wouldn’t be Zhang duopan or fan ganhe, but him, Bai Weitao!

Just take the moment when the Tiger pounced on him and Bai Weitao rushed out. Lin Yi must have seen that the Tiger was tamed, so he dared to push Bai Weitao out. It wasn’t bai Weitao’s intention!

Of course, he meiyue didn’t see what happened when the Tiger went crazy, but it was most likely Lin Yi’s doing. Otherwise, why would he pull Bai Weitao to the back after helping him up?

At the end of the day, the strong one wasn’t bai Weitao but Lin Yi, which was why he meiyue hadn’t accepted him yet! Lin Yi couldn’t always help him, could he? If Lin Yi wasn’t by his side, his luck would be over!

Whether it was a drinking contest, the freshmen’s party, or even the trip to the Tiger garden, they would all lose miserably!

### **Chapter 2049: extremely shocked**

On the other hand, Zhang duopan would not be in such a sorry state as he was now. When that time comes, the one who would appear as the victor would be Zhang duopan!

If Lin Yi knew that he meiyue was thinking so much, he would be surprised. This girl was so scheming! Of course, it didn’t really matter to Lin Yi how scheming she was-he didn’t even like her.

Zhang duopan and fan ganhe were both injured, so after leaving the Tiger garden, the two rushed to see the doctor. Lin Yi and the others didn't go anywhere else and went straight back to school.

In the school's parking lot, Wang Xinyan got out of the car and was about to go back to her dormitory when the Miss blinked at her. "If you have any ideas, you have to tell me in advance."

"Ah ..." Wang Xinyan blushed, not daring to look at the Miss. She lowered her head and quickly walked away.

Lin Yi didn't know what was going on-what were these two doing? What did he mean by "have ideas"? What thoughts could Wang Xinyan have?

So, on the way home, Lin Yi asked curiously, "Yaoyao, what did you say to Wang Xinyan?"

"It's nothing. We just got to know each other and asked her to visit us when she's free." Mengyao said faintly.

"A guest?" Lin Yi felt weird-weren't the Miss and Shu never friendly with Xinyan? Why did he suddenly change?

Lin Yi didn't know that Chu Mengyao had just thought it through. Since Lin Yi wanted to find a main wife, it was naturally better to find one from an acquaintance. If he got a strange and overbearing girl, she and Chen Yushu wouldn't be at a disadvantage, but it would affect their mood!

Mengyao didn't reply and changed the topic, "Right, Lin Yi, what did the lion give you and Shu? It doesn't look like a good treasure. "

"I don't know, but it must be something good." "There's a lot of energy in that thing," Lin Yi said. "I'll find an expert to take a look at it when I get the chance!"

"Ah? It's really good stuff?" Chen Yushu was just trying to extort the lion, she didn't expect the lion to actually get something good for her. She was very surprised, "Could it be an energy ball?"

"Energy ball?" "I don't know," Lin Yi blinked, "but this energy is different from natural energy. Even if it's an energy ball, it's not a normal one."

"That's really a fortuitous encounter!" "There wasn't much to this trip at first, but you've gotten something good-it's worth it!" Mengyao said.

"Yeah, it's a surprise. I'm just accompanying Bai Weitao. He's boss Bai's grandson, and boss Bai is good to me, so I have to help him!" "When he catches up to he meiyue, I won't get involved," Lin Yi said.

"Shield bro, Shu doesn't think that he meiyue is a good person!" Chen Yushu replied.

"Shu, don't talk nonsense." Mengyao frowned. Although she wasn't exactly good friends with he meiyue, she didn't have any bad feelings towards her. It wasn't appropriate for Yushu to slander someone like that.

"Shu's not talking nonsense!" "Shu just thinks that he meiyue is really scheming!" Yushu said.

"But I'm still a little weaker than you, right?" Mengyao said.

“Uh ... Not really ...” Chen Yushu was embarrassed and shut her mouth.

“Heh, it doesn’t matter to us what he meiyue is like. As long as Bai Weitao likes her, we don’t have to interfere as long as she doesn’t do anything bad to him.” Lin Yi shrugged and smiled, “besides, it’s not a bad thing for girls to be a little scheming. Right, Shu?”

“Oh? “How did Shu know ...?” Yushu said gloomily.

Lin Yi drove the car back to the villa, but just as he got close, he saw Han Jingjing standing in the yard of her villa next door, looking left and right. She ran over excitedly when she saw Lin Yi’s car.

Lin Yi, Yushu, and Mengyao were confused by her actions-what was this girl doing out in the yard in the cold? Although it was not that cold yet, the weather in November was still very cold. Han Jingjing was standing alone in the courtyard. She would definitely catch a cold if she stayed there for too long.

“Han Jingjing, what are you doing?” Lin Yi got out of the car and asked curiously.

“Lin Yi bro, you’re back! I was waiting for the car!” Han Jing Jing said.

“Waiting for the bus?” “Wait for my car?” Lin Yi asked, a little speechless. You’re going out?”

“No, I’m waiting for your car to come back. I have something to talk to you about.” Han Jing Jing said.

“But you don’t have to wait in the yard. Aren’t you afraid of catching a cold?” Lin Yi didn’t know what to say to her actions.

“Jingjing, you’re not afraid of catching a cold? Lin Yi bro’s really good at treating colds, and it’s really refreshing. Last time, Jingjing had a lot of water, it was so comfortable.” Han Jing Jing said.

“Pfff ... Cough cough ...” Lin Yi choked on her words. Why did it feel like there were so many different meanings to her words?

“Oh?” Yushu was also looking at Lin Yi with a weird expression. “Shield bro, didn’t you say you didn’t touch it? Why would she feel so good and even have water?”

Mengyao wasn’t as bold as Yushu, asking everything she wanted to, but she was frowning as well as she looked at Lin Yi, confused. She was just thinking about accepting Xinyan, but why did Lin Yi seem to like Han Jingjing?

“Acupuncture. She was sweating all over, so she took a shower. That’s why she felt great.” Lin Yi explained, sweating.

“...” Chen Yushu and Chu Mengyao were speechless. Han Jingjing’s words made it difficult for them not to think about it.

“Lin Yi bro, what’s wrong with them? Why was he looking at Jingjing with such a strange gaze? Is there a flower on Jing Jing’s face?” Han Jing Jing asked curiously.

“No... Let’s not talk about this. First, tell me, why were you waiting for me here?” Lin Yi didn’t want to continue the topic.

“Right, right, Jingjing almost forgot about the important thing!” “Lin Yi bro, I’ve made the fire!” Han Jing Jing lowered her voice.

“Gah?” Lin Yi’s jaw almost dropped from the shock! Pill fire? It had only been a few days, and han Jingjing had already condensed a pill fire?

“What’s wrong, Lin Yi bro? is Jingjing stupid? it took so many days for her to form the fire ...” Han Jingjing looked at Lin Yi innocently, “But Jing Jing has already worked very hard. The mental cultivation method to condense the alchemy fire has also gone through Jing Jing’s calculations and scientific optimization to be able to condense the alchemy fire today. Otherwise, Jing Jing would probably take a long time to do it!”

### **Chapter 2050: What’s a genius (1)**

“...” Lin Yi wanted to kill himself after hearing what han Jingjing said. He might as well die-he was the dumbest of the dumbasses! Han Jingjing was able to form the fire in just a few days. One had to know that she started off as a normal person-she had to become a practitioner first, cultivate her Qi, and successfully break through to the early phase of the Golden class!

Although it was relatively easy for a normal person to jump from normal to golden class with the help of a refiner’s mental cultivation method, it would take at most one or two years, at least one or two months. But that was still one or two months, how many days had it been for han Jingjing?

Even if han Jingjing was a golden class now, it didn’t mean that she had the strength of a golden class master. However, Lin Yi still felt that it was shocking!

“Yaoyao, Shu, you guys go back to the villa first. I have something to talk to Jingjing about!” Lin Yi took a deep breath, suppressing his shock as he spoke to the girls.

“There are no outsiders in our villa. Let Jingjing come in with us!” Mengyao wasn’t someone who didn’t know how to look at the big picture-if han Jingjing could really make elixirs, then she would be able to solve a big problem for Lin Yi and provide him with a lot of help. So Mengyao decided that she’d better get on good terms with this silly girl next door.

“Alright!” Lin Yi nodded and turned to han Jingjing, “Then let’s talk at my house.”

“Yeah, I haven’t been to Lin Yi bro’s house yet, I’ll go now!” Han Jingjing nodded and was about to enter the villa with Lin Yi when she smacked her forehead. “Wait a minute. Jingjing hasn’t brought her tablet yet. Wait for Jingjing to get it!”

With that, han Jingjing ran back to her own villa. Not long after, she appeared in front of everyone again with a tablet.

“Wow, Lin Yi bro, your villa is so warm!” Han Jingjing said in surprise as soon as she entered.

“It’s not as luxuriously decorated as your house,” Lin Yi said with a smile.

“But Jing Jing doesn’t like those retro decorations!” Han Jing Jing shook her head.

“Jing Jing, come to my room!” Lin Yi’s attention wasn’t on the decorations right now. What he wanted to see the most was whether Han Jingjing could really condense the pill fire!

“Alright,” he said. Han Jing Jing nodded.

Mengyao and Yushu didn’t disturb him—they didn’t know anything about alchemy, so they waited in the living room quietly.

“Lin Yi bro, is this your room? It’s so heartwarming, even Jingjing wants to move in!” Han Jing Jing looked at Lin Yi’s room, her eyes filled with love.

“En, sit anywhere.” “As for moving in, that’s fine. I’ll get someone to renovate your villa if you like it.” Lin Yi smiled.

“Then let’s not go to the trouble.” Han Jingjing shook her head and took off her shoes. She sat on Lin Yi’s bed with her legs curled up.

“You’re already able to form a pill fire? In other words, you’re already a golden class?” Lin Yi asked.

“Yes, yes. According to the manual, Jing Jing should be at the early phase of the Golden class now. She’s only at the entry level,” Han Jing Jing nodded.

“Initiated ... Golden class in a few days ...” Lin Yi took a deep breath, “I’m really surprised. Jing Jing, you’re amazing!”

Lin Yi didn’t pay much attention to her when they were outside, but once they were in the room, Lin Yi could tell that she really did have the strength of an early phase golden class spiritual master. Although this strength wasn’t much help in actual combat or attacking, Han Jingjing was still a true golden class master!

“Ah? Is Jing Jing really that powerful?” Han Jingjing touched her red face, embarrassed, as if she was happy to receive Lin Yi’s praise, “Jing Jing thought she was stupid!”

“You’re not stupid anymore, you’re one of the strongest geniuses I’ve ever seen ...” Lin Yi thought that Naipao and Xiaoxiao were geniuses too, right? Their cultivation speed was also very fast.

“Jing Jing is so happy! Jingjing was still very nervous before!” “Lin Yi bro, then I’ll show you how to refine the fire now, okay?” Han Jingjing said happily.

“Alright, you can start!” Lin Yi’s face turned serious as he nodded.

“En, en!” Han Jingjing’s happy expression disappeared, and her cute little face became extremely serious. She stretched out her right hand, and in a split second, a ball of red flame appeared in her palm!

This was the fire element pill fire.

“So fast?” Lin Yi’s eyes went wide as if he’d just seen a ghost!

This speed was much faster than Lin Yi’s! But the one Boss Bai gave him was a lot more complicated than the one Lin Yi got from Liju. It required Qi to flow through the meridians for a long time before the fire was formed in the palm of the hand!

However, han Jingjing didn't seem to have waited for long before the pill fire appeared in her palm. This was unbelievable! What kind of speed was han Jingjing at?

"Ah? Was it already very fast? "Jingjing feels that it's still a little slow ..." Han Jingjing put away the pill fire in her hand and said.

"That's slow ..." Lin Yi's self-esteem took a heavy blow. This han Jingjing was a demon! However, Lin Yi couldn't understand how han Jingjing's refinement speed was so fast.

According to boss Bai's alchemy formula, it was already very fast to be able to condense the alchemy fire within three minutes. Five minutes was the normal time!

Although the one he got from Zhang Liju's tomb was faster than this, taking about a minute or thirty to fifty seconds, it was not as fast as han Jingjing's. Han Jingjing's speed was like producing the fire in twenty seconds!

Of course, the speed at which the alchemy fire was congealed had nothing to do with alchemy, because alchemy was a quiet and patient work that could not be rushed. One must make full preparations before being able to concentrate on alchemy in seclusion, until the alchemy was completed or failed!

Therefore, at the beginning of the alchemy, the speed of the refinement fire did not affect at all. Dozens of seconds or dozens of minutes were almost the same, as long as the alchemy fire was condensed, it was fine.

This was also the reason why Boss Bai didn't study other mental cultivation methods after he got used to this one. After all, all roads lead to Rome, and the result would be the same. Boss Bai didn't need to study other mental cultivation methods. (To be continued.)
