

Bodyguard 2131

### Chapter 2131: The fight for the championship

“Hmph, senior brother Ma’s strength is below mine. It’s not strange for you to be able to hurt him.” “I’m here to avenge him. I want you to know the power of the Golden Bell shield!” MA Dashen said.

“Oh, your old sect leader, Jin Wudi or something, died before he could wait for Wudi.” Lin Yi said.

MA Dashen’s face changed, and his eyes burned with anger. Ma Zhu and Jin Wudi were the humiliation and hatred of the golden clock sect, and the one who caused this was this Lin Yi! He wasn’t confident in killing Lin Yi, but he was confident in beating Lin Yi off the stage and crushing his ranking under his feet!

Although he was angry, he was not reckless. “I’ve seen your martial skill, it’s only average. You only destroyed a rock. You can hurt senior brother Ma Zhu, but you can’t beat the head chief. The head chief was killed by your tricks!”

“Oh, if you say we’ll use a trick then we’ll use a trick.” Lin Yi looked at MA Dashen and turned to Diamond, “He’s not my match. If you don’t want him to die, you’d better make him admit defeat!”

“You ...” Diamond didn’t expect Lin Yi to be this arrogant, but he had confidence in MA Dashen! MA Dashen was only Mystic late phase peak, but in terms of Golden Shield, he wasn’t any weaker than Jin Wudi!

Although Jin Wudi died in the hands of Lin Yi’s follower, Lin Yi himself might not be able to do anything to him. Otherwise, why didn’t Lin Yi kill Ma Zhu?

Plus, Lin Yi had been paying attention to all the matches he’d been in, but the two he paid the most attention to were the martial arts and the resistance. These two were the only ones he could use as reference!

The power of Lin Yi’s skill was only average in Jin Gang’s eyes, far from the power of a Sky Class master. He was confident that MA Dashen could take on the resistance of a Sky Class early phase master!

So, even if Lin Yi used that skill, it wouldn’t be of much use to MA Dashen! As for Lin Yi’s resistance, it was strong as well, but MA Dashen might be able to find his weakness. As long as he used it well, he could still take advantage of it. Just like the first two matches, MA Dashen was the weakest, but he was the final winner!

Thinking of this, Diamond said coldly, “Lin Yi, don’t be an alarmist—we’ll only know who’s going to die in the ring after we fight!”

“Oh, I’m just reminding you out of goodwill. Don’t let me kill your good disciple, and you, an old man, try to take revenge out of embarrassment and anger. In the end, you’ll also be destroyed, and your Golden Bell sect will be destroyed!” Lin Yi said faintly.

“You speak so fast!” Diamond sneered, “the arena of life and death? it’s his bad luck if he dies. This hidden house Summit has been held for many years, and many disciples have died in the arena. I’ve never heard of any house holding a grudge.”

“Forget it. Since that’s the case, I won’t say anything more.” Lin Yi sighed pitifully and shook his head.

“There’s no need to say anything. Since the nonsense is over, let’s begin!” Diamond said.

“Alright, old Zhao, please announce the start of the competition!” Lin Yi looked at the old man.

“Alright, hidden han clan and Golden Bell sect members, get into position. The group arena will begin ... Three, two, one, begin!” Zhao Yu’s father announced.

However, the match had started when the old man finished his words. Lin Yi didn’t move, and neither did MA Dashen!

MA Dashen looked at Lin Yi cautiously. Attacking was his weakness, and defense was his strength. He was used to finding the enemy’s weakness and opening in defense, and forcing the enemy off the stage with one strike!

Lin Yi laughed coldly in his heart. He’d already figured out MA Dashen’s tactics from his previous matches, so he wasn’t in a hurry. He just stood there and looked at MA Dashen without moving.

Time passed by. One minute, two minutes, five minutes, ten minutes, twenty minutes ...

The two people in the ring were still staring at each other, with no intention of fighting at all!

Originally, this match was supposed to be the most brilliant and interesting one in this year’s individual ring challenge. At the beginning, all the elders, sect leaders, and participating disciples present stared unblinkingly at the ring, wanting to see the exciting battle between these two experts.

But now, twenty minutes had passed, and the two still hadn’t made a move. This made the people in the audience a little anxious and lost interest. What tricks were these two playing? If you want to fight, then hurry up. Why is no one making a move?

Diamond frowned-he didn’t think that Lin Yi would use this kind of tactic! Normally, when MA Dashen fought with his opponent, the opponent would make the first move, and then MA Dashen would defend the entire way, looking for an opportunity to attack the opponent. But now, if Lin Yi didn’t make a move, was he supposed to let MA Dashen make the first move?

Once MA Dashen made a move, he couldn’t use the heart Sutras of the Golden Bell shield with all his heart and soul. If he was slightly distracted, the Golden Bell shield might not be as powerful as it was when he was lucky. What if he was thrown out of the ring?

And so diamond was panicking, cursing Lin Yi for being shameless-he knew that this was the golden clock sect’s strategy, but he copied it and just stood there, not attacking-how was the match going to go on?

However, he couldn’t say that. After all, Lin Yi didn’t even fight in the first two matches. He surrendered without a fight, so it was unrealistic to use Lin Yi as an excuse to attack him. He could only force Lin Yi to make the first move ...

But just as the diamond was about to speak, Lin Yi spoke first! Lin Yi paid attention to MA Dashen’s movements and the diamond’s movements. As long as one of them wanted to speak, Lin Yi would speak first!

"I say, MA Dashen, is this all your Golden Bell sect has? I'm just standing here for you to hit me, and you're not even going to do anything?" "Is it because of Ma Zhu and Jin Wudi's incident that you're too scared to attack?" Lin Yi mocked.

"You ... You're bullshitting!" King Kong Zuan was furious-this was what he wanted to say to Lin Yi, but Lin Yi said it first! He was both shocked and angry, but he had no choice but to retort,"Lin Yi kid, you know that Golden Shield uses defense as an attack strategy, are you trying to go against us with this? We've used this tactic in the previous few matches. Did you do it on purpose?"

"Which eye of yours can tell that I'm doing this on purpose? Besides, do you know what my strategy is? In the first two games, my opponent didn't make a move. How did you know that my strategy is not to defend instead of attack?" Lin Yi asked.

### **Chapter 2132: The reappearance of the energy bomb**

"You ..." The diamond said,"Hmph, I don't believe it. If you don't make a move, then let's just continue to waste time like this. I'll see who is more capable!"

"Oh, actually, the reason why I didn't attack is very simple. I might as well tell you my tactics." Lin Yi smiled,"my strategy isn't to defend instead of attack, it's to wait for the opponent to admit defeat!" Look at how angry you are, why do you have to do this!"

"Admit defeat? Ha? Lin Yi, do you think the Golden Bell sect will admit defeat? In your dreams!" "If you're afraid of losing, just say what you're afraid of," diamond said."Don't make so many useless connections!"

"Admitting defeat is actually for the good of your Golden Bell sect, because once I make a move, your disciple won't even have a chance to resist and will die in one move!" "One move!" Lin Yi shrugged.

"Ha! That's the funniest joke I've ever heard. Lin Yi, you think you're that great? Let me tell you, even yesterday, that Sky Class early phase attack was something MA Dashen could handle-don't think you're the only one who could! I don't believe that your attack can be more powerful than the one yesterday. Don't try to trick me into admitting defeat, it's useless!" Diamond said.

"Then I can only make a move. You're so stubborn!" Lin Yi looked at MA Dashen with pity, "You're dead. If you want to blame someone, blame your stupid master. He's too ignorant and arrogant. He's killed you!"

"Hmph!" Naturally, MA Dashen had confidence in his master-he thought that Lin Yi was just scaring him into surrendering, too. He immediately activated his Golden Bell shield when he heard that Lin Yi was about to make a move!

"One move, I only need one move. If you don't die, I lose!" Lin Yi said as he looked at MA Dashen.

"Alright, Lin Yi, cut the crap! If you want to make a move, then hurry up. You said it yourself. If you don't die in one move, then you lose!" The diamond answered Lin Yi's question on behalf of MA Dashen. MA Dashen was in the middle of channeling, and the Golden Bell shield was all about breathing. If he spoke

now, he'd have to stop channeling. If Lin Yi took advantage of this moment to launch a sneak attack, it would affect MA Dashen!

"Alright!" Lin Yi nodded and pushed his hands out, "Earth-tier martial skill, third move, misty Vacuum Wave fist!"

After that, Lin Yi quickly retreated to the edge of the stage!

With a loud "boom," Lin Yi's energy bomb landed on MA Dashen's body, and in that instant, the ground cracked and the sky darkened. The stone stage behind MA Dashen exploded into countless small pieces, forming sand and stones that flew in the air, drowning MA Dashen in an instant!

Lin Yi's energy bomb used up three quarters of his pure Qi. Unless this MA Dashen was at the peak of his Golden Shield, there was no way he wouldn't die! When he fought with Ma Zhu, although Lin Yi used up all his pure energy, his strength was there. Now, even if he used three-quarters of it, he was several times stronger than before!

Even Lin Yi didn't expect the power of this move to be so great. Lin Yi was compressing the energy bomb with the diamond and MA Dashen, and he was shocked when he released the energy bomb!

After reaching Earth Class, Lin Yi had never released an energy bomb this powerful. He'd used a lot of energy bombs before, but most of them were those with a small amount of Qi compressed for a period of time. They were powerful, but not this powerful!

The arena was big enough, but the energy bomb's continuous waves of power still affected Lin Yi! Fortunately, Lin Yi had saved a quarter of his pure Qi to protect himself, so he wouldn't be blown up like last time!

However, even if he had true Qi to protect his body, he would definitely be injured by the explosion.

The entire stage turned into nothingness. The flying sand and stones in the sky became more and more dark. The old masters and clan disciples below the stage were all silent like cicadas in winter!

How did Lin Yi have such power? He had such a powerful divine power?

They clearly saw that Lin Yi was an Earth Class early phase peak using the vacuum Wave fist. In theory, the third move of an earth tier skill shouldn't be able to cause such a situation no matter how powerful it was!

Just how powerful was this? even Sky Class Masters might not be able to do it, but Lin Yi did it!

All the elders and sect leaders were protecting their own disciples from the strong Qi, but the flying sand and stones didn't hurt normal Mystic class practitioners much ...

"Boss's move is too powerful!" Han xiaopo looked in the direction of the ring in shock and admiration. Although the flying sand and stones hadn't dispersed and it was still dark there, it showed the power of Lin Yi's move!

"Mr. Lin, you always exceed our expectations!" "It's the hidden han family's fortune to be under your protection, Mr. Lin!" Han Tianba laughed.

Elder you, elder Yu, elder Tang, and elder Zhao all looked at each other in shock! The shock that Lin Yi brought to them now was far greater than the previous matches. This move was enough to make them feel inferior!

“Lin Yi, he’s definitely suppressing his strength-he’s not Earth Class!” After a long time, old master you frowned and said.

“That’s right, he was at the early Earth Class during the competition, and now he’s at the peak of the early Earth Class. He’s obviously suppressing his strength to confuse us!” Elder Yu said.

“Could it be Sky Class early phase ...” Old Zhao said, shocked.

“Early stage? Do you and I have that kind of power?” Elder Tang said, shaking his head.

“If the four of us join forces, is it possible to take this kid down?” Old master you asked.

“It’s hard to say. If we join forces, it’s almost the same!” Old Zhao said.

Elder Tang and elder Yu, on the other hand, didn’t say a word, each with their own thoughts ... They saw Lin Yi’s rise, and their thoughts were filled with regret. They should’ve tried to get Lin Yi on their side instead of rejecting, suppressing, and killing him!

If it was possible, they didn’t want Lin Yi to die, but the enmity had already been established. Wasn’t it ridiculous to try and win him over?

“Looks like it wasn’t a coincidence that Lin Yi took out three earth classes in one move, one of them being an Earth Class late phase!” “Even if we attack, are we sure we can take out three earth-class fighters in one move?” Grandpa Yu said faintly.

Old master you, old master Zhao, and old master Tang all shook their heads. Absolutely not!

### **Chapter 2133: winning the championship again**

Diamond’s face was the most terrifying. He looked at the flying sand and stones on the stage, his heart filled with anxiety! He thought that Lin Yi was just scaring him. One move? Who did he think he was, to be able to kill his opponent in one move?

However, after seeing the power of Lin Yi’s move, he regretted not listening to Lin Yi and making MA Dashen surrender!

Second place was fine too-it was better than death, but there was no medicine for regret now ... So Lin Yi was telling the truth?

Finally ... All the sand and stones on the stage were gone, and there was only one person on the stage, and only one person-Lin Yi!

MA Dashen had already disappeared, but from the blood and minced meat on the scattered sand and stones, it could be seen that he had already died!

“My disciple!” Diamond roared and was about to run up the stage, but his rationality still prevailed in the end! Lin Yi’s move had completely destroyed MA Dashen, and if he went up there, would he be a match for him?

At that time, Lin Yi’s words wouldn’t be true. If he impulsively went to court death, the Golden Bell sect would really be annihilated! At the thought, diamond calmed down. He couldn’t fight Lin Yi head-on, but he regretted not listening to Lin Yi!

“Diamond sect master, don’t be rash. In the arena, life and death are up to the heavens. This is the rule of all hidden house summits, no one is allowed to take revenge!” Zhao Yu’s father was afraid that Jin Gang would impulsively go to his death, so he quickly reminded him.

“I know that ...” Diamond sighed dejectedly as if he had suddenly aged. He shook his head and sat down on the chair ...

His disciple was dead, and it was impossible to even collect his corpse, leaving only a bloody mess of sand and stones ...

“The champion of the single player challenge has emerged, it’s the Hidden House of Han! Now, the battle for the second and third place will begin!” Zhao Yu’s father announced.

Originally, Lin Yi and MA Dashen should be the first and second place respectively, while Yu BA and Tang Qiqi would be the third place. But now that MA Dashen was dead, Yu BA and Tang Qiqi would have to fight for the second and third place ...

At first, Yu BA and Tang geqi were eager to fight for the third place. After all, the meaning of third place and fourth place was completely different!

But now, it was second and third place, so there was no need to fight anymore. Second and third place were treated the same-they took back their wagers, and as for the wagers, it was all up to Lin Yi!

If Lin Yi wanted to trade, then so be it. If Lin Yi didn’t want to trade, then it didn’t matter what treasure you had!

So, Yu BA and Tang Qiqi just made a few symbolic gestures on the stage and admitted defeat according to their strength level!

“Brother Yu BA, I, Tang Qiqi, am not as strong as you, and I will lose even if we continue. I admit defeat in advance!” Tang GE said as he cupped his fists.

“Thanks for letting me win!” Eighth Yu also cupped his fists.

Both sides knew that it would be stupid to fight to the death for the second and third place, so Tang Qi admitted defeat.

Elder Tang naturally wouldn’t say anything. Yu BA was a bit stronger than Tang Qiqi, and even if he defeated him, he would suffer a great loss. He might as well admit defeat!

“The rankings have been decided-hidden house han is the champion, hidden house Yu is second, and hidden house Tang is third. Is there anyone who wants to challenge them?” Old master Zhao asked.

At first, those who didn't make it to the top four and were eliminated before wanted to take advantage of the situation. They wanted to see if the top three were exhausted from the battle, and then challenge them to take advantage of the situation. However, Yu BA and Tang Qiqi weren't stupid. They finished the battle easily and didn't show any signs of exhaustion. There was no chance of winning if they went up to challenge now!

Lin Yi, on the other hand, didn't want to die-the Golden Bell sect's MA Dashen was a good example! Isn't your Golden Bell shield powerful? No matter how powerful you are, I'll crush your bones!

"Since there's none, then the top three families can come and claim the wagers!" Grandpa Zhao looked at Lin Yi with mixed feelings. This guy won again? This hidden house Summit had become a competition specifically for Lin Yi, a place for him to show off!

Lin Yi took a look at the bet between the Hidden House you and hidden house Yu-he paused! This was because the hidden tang family's bet this time was a golden dan at the limit! This golden energy pill could instantly increase one's strength in battle. Lin Yi saw Yu Dake take one when he was in the resistance competition!

Compared to Black Panther's original method of increasing strength, this kind of elixir had much less side effects and harm. After all, the side effect of using this elixir was just a few days of lack of energy, which had to be slowly recovered, because this elixir would stimulate the potential of the human body at once.

But after a few days, there were no more side effects, so Lin Yi was quite interested in this pill! Lin Yi had seen the recipe and the properties of this elixir in Liju's personal notes-the ingredients weren't expensive, but they were rare!

But the price wasn't a problem for Lin Yi now, at least. The problem was that he didn't have a channel! Most of these were from the ancient sects, and Lin Yi didn't have a channel to buy them yet.

The side effects weren't that bad for Lin Yi, however-he could use the Jade space to make up for the excessive consumption of stamina, and so the pill's flaws were as good as non-existent to Lin Yi!

What excited Lin Yi the most was that it could instantly increase the body's potential, which meant that it could speed up the practitioner's Arts, pushing the body to its limit. Lin Yi was thinking about whether this pill could shorten the time he needed to compress the energy bomb.

The true energy bomb was powerful, but the compression time was too long! Just like today, if it wasn't for the fact that he'd been confronting MA Dashen for a long time without moving, and the sparring with the diamond for half a day, Lin Yi wouldn't have had enough time to compress the energy bomb!

However, other than fighting with someone like MA Dashen, where else would he get such an opportunity? Whether it was right-hand thirteen who kidnapped Guan Xin or Feng erbing who attacked Xu Shihan, they all attacked right from the start, giving Lin Yi no time to compress the energy bomb.

He could not even find the time to compress a small true energy bomb, let alone a super true energy bomb! Therefore, it was very important to shorten the compression time of the true Qi bomb!

**Chapter 2134: What do you mean?**

Of course, this was just Lin Yi's guess. Whether or not this golden dan could actually be realized was still to be seen.

"What do you want? I want that golden dan of extreme spiritual energy in your hands!" Lin Yi glanced at Tang Qiqi and asked.

This hidden tang Clan actually had medicinal pills? This surprised Lin Yi-it seemed like the Hidden House Tang had a solid foundation!

It wasn't strange for the Hidden House Tang to have pills. He had joined the Hidden House you and the sky elixir sect, so he naturally had more advantages than the other hidden houses. This extreme golden dan was given to him by the Hidden House you. If he could use it as a bet, it meant that the Hidden House Tang didn't care much about it. There should be a lot of it!

"Since brother Lin wants it, I'll naturally give it to you." "Brother Lin, can you give me the small reversion pill you have?" Tang Qiqi asked with a smile.

"Oh, you can have it!" Lin Yi was speechless-this hidden house you always bet on something like the small return pill, Meridian opening pill, Foundation pill, etc. They obviously didn't want to give Lin Yi anything good to disgust him!

However, Lin Yi's actions surprised elder you! Lin Yi actually used the small reversion pill to exchange for a golden pill? Lin Yi wasn't sick, right? The extreme golden energy pill and the small reversion pill required similar materials, but the small reversion pill was a golden class second level pill while the extreme golden energy pill was a golden class first level pill. There was no comparison between the two. Was there something wrong with Lin Yi? Using a second-grade pill to exchange for a first-grade pill?

It didn't make sense for Lin Yi to need pills. Who was the idiot here? If he wanted to exchange, shouldn't he have used something else? Besides, Lin Yi was a refiner, and he could make elixirs himself-there was no need to change! So Lin Yi's actions made people scratch their heads!

This was a level one extreme golden energy pill, and elder you had asked elder Tang to place a bet on it. The purpose was to annoy Lin Yi after he won. Didn't Lin Yi not want to bet on pills? Then he would have to give him the pills!

Of course, using a rank one pill as a bet was already a little against the Hidden House Summit's rules. Although it didn't clearly state the rank of the bet, everyone's bet was about the same, so it was a bit unreasonable for you to take out a lower rank than others.

But, surprisingly, no one objected this time-they'd all seen Lin Yi win so many matches in a row, and they'd already thought that Lin Yi's family would be the winner! The original plan was for house Yu to win, and the Golden Bell sect and the other hidden houses to go easy on them.

However, with Lin Yi's participation, no one went easy on him anymore, because even if they did, Lin Yi would still win. They might as well fight with their strength!

As for the Hidden House Yu's bet, Lin Yi wasn't interested in it. It was just a normal jade pillow that could help practicing, and it could help practice even in deep sleep. This thing was just a support item, and in this place where the Qi was thin, it had little use!

Lin Yi, on the other hand, was training in the Jade space every day, so the pillow was useless to him. Plus, what good could it be if it was something house Yu gave him?

After exchanging things with Tang gezhi, Lin Yi took the bet and was ready to leave. Han Tianba and han xiaopo followed behind him. The three of them left the trial ground, leaving behind a group of old men and sect leaders who were looking at each other and sighing.

"This Lin Yi, he used a rank two pill to exchange for a rank one pill, what's the meaning of this?" After Lin Yi left, old man you finally couldn't help but ask. This was a question that he'd been holding in for a long time.

"Who knows?" Elder Tang found it strange as well-he thought that Lin Yi's actions were a little out of the ordinary, Giving, do you know?"

"Me?" "I don't think so." Tang Yiqi shook his head and smiled bitterly."To be honest, I was just trying my luck. I didn't expect brother Lin Yi to agree to it at all. But he agreed to it. I was a little surprised ..."

"That's weird, could it be that Lin Yi really needs the Golden dan?" "But can't he make it himself?" the old man of the you family asked curiously.

"Grandpa ... I think it's because of lil sis Tang Yin ... Maybe bro Lin Yi gave us something good for lil sis Tang Yin's sake?" Tang yingshi said after hesitating.

"Is that so?" Elder Tang was taken aback, but he quickly shook his head,""Because of Tang Yin? In the previous few matches, they did not go easy on us ... I know, giving, perhaps it was because of you! As long as you're in a match, Lin Yi'll look at us differently ... But without you, he's treating us the same ..."

"I see ..." Tang Qiqi smiled bitterly. Although he was suspicious, he felt that Lin Yi didn't seem to be very close to him. At least, he didn't say anything unnecessary.

"Forget it, who cares what Lin Yi thinks!" "Elder Tang, could it be that you're trying to repair your relationship with Lin Yi?" elder you frowned.

"That's impossible ..." Elder Tang quickly said," "We're in the same camp now, I just want to use Lin Yi to get something good out of him!"

"This is more like it!" Old man you nodded."Alright, you're all dismissed. I'm leaving. I'll go back and study tomorrow's game ..."

Lin Yi had used up quite a bit of Qi, so naturally, he had to go back and recover. Although Lin Yi had already released his aura, it wasn't safe here. If these people attacked him together, or if King Kong Zuan lost his mind and fought Lin Yi alone, Lin Yi wouldn't be able to deal with them!

So leaving was the best strategy-Lin Yi had to return to his temporary residence first!

“Boss, it’s the championship again. I’m both nervous and looking forward to tomorrow’s arena challenge. Boss, do you think I’ll cause you any trouble?” As soon as han xiaopo returned to the temporary residence, she asked without stopping.

“No, we’ll talk about this tomorrow. I’m tired and want to rest for a while!” With that, Lin Yi sat cross-legged on the bed and started circulating the second stage of the art of Dragon mastery, quickly recovering his Qi!

“Alright, boss, you should rest!” Han xiaopo quickly nodded and said.

After a Night of Silence, the last day of the summit arrived in the blink of an eye! The duo challenge was the last match of the Hidden House Summit, and it was said that after this match, there would be an extra match. The details of the match weren’t announced yet, and with the Hidden House Han’s information channels, they couldn’t find out much.

Lin Yi had fully recovered to his peak condition, and he let out a breath of relief. He wasn’t afraid of the diamond anymore.

## **Chapter 2135:**

### **The final competition**

“Xiao po, let’s just take today’s two-person ring challenge as a show. If you can win, then win. If you can’t win, don’t force yourself!” “We’ve won so many matches in a row these past few days,” Lin Yi said, “I’m afraid that the other hidden houses and sects will target us. They won’t do anything to me for now, but we can’t let them off the hook for you!” If they do anything to you, just admit defeat. It’s just a competition, we can afford to lose!”

“I understand, boss. Thank you for your reminder!” Han xiaopo’s hot-headed mind suddenly calmed down! Yes, she did win a lot of matches in a row these days, but it was all Lin Yi’s credit, and had nothing to do with han xiaopo!

Lin Yi was confident in today’s fight, but han xiaopo wasn’t. He was an Earth Class early phase, and he’d been practicing the thousand changes of wood and forest for the past two days, but he was only able to use the first move—he wasn’t very familiar with it yet!

So with his strength, he’d probably just get beaten up on stage, and people would take advantage of this weakness and bypass Lin Yi to deal with him.

At first, han xiaopo’s idea was to grit his teeth and hold on no matter what, but Lin Yi’s words made him understand that he couldn’t let his head get hot, or he’d suffer a big loss. If someone killed him in the ring, then he wouldn’t be able to reason with them!

Han Tianba smiled in relief. He could tell that han xiaopo was a little hot-headed yesterday, but he didn’t want to dispel her enthusiasm. However, Lin Yi’s words today made han xiaopo realize some things.

“Is the old patriarch of the hidden han family here? Today’s first match, the two-person challenge, is about to begin. Elder han, please bring the participating disciples and wagers to the meeting hall to

register and place their bets. Today's challenge is for two, so the bets are also double!" The Zhao family disciple said.

"Double?" A cold smile appeared on Lin Yi's face. It seemed like these hidden houses were waiting to turn the tables on them.

It seemed that they had all considered han xiaopo's weakest link. If he could defeat han xiaopo in the ring, then no matter how strong Lin Yi was, he would be useless! After all, the rule of the two-person challenge was that if one of them lost or admitted defeat, both of them would lose!

"Boss, it looks like they are prepared. They are planning to get back their capital at the end ..." After han xiaopo calmed down, he also realized the conspiracy of the others.

"It doesn't matter, it's just double, so what if I lose? We've already won enough!" Lin Yi smiled and said nonchalantly, "In comparison, this is just a drop in the ocean."

"You're right, we've won so many matches, losing this little bit is nothing!" "At first, the Hidden House of Han's plan was to lose all the races except the car race," han xiaopo said. "It's already very good now. The result was completely unexpected!"

"We don't mind. As long as Mr. Lin thinks it's okay to give up, then there's no problem!" Han Tianba said with a smile.

The three walked to the Hidden House Zhao's meeting room, laughing and chatting. The Hidden House elders thought that they'd raised the bet, and it was obvious that Lin Yi was at a disadvantage in this match-why were the three still laughing and talking? Could it be that he had some trump card?

However, since the three of them were already here, it was not good for them to discuss and study. So, after recording the name list of the participants and the bet, old master Zhao announced, "This match is a pair challenge. The rules are similar to yesterday's single challenge. It's also a life or death match! However, the number of participants is limited to two people per side, and it must be two people. The Golden Bell sect has forfeited ..."

At this point, the atmosphere was a little sad. The Golden Bell sect's leader, Jin Gang Zuan, didn't come to watch the battle today, which showed how heavy his mood was! Of the disciples he brought, one was dead and one was injured. Why would they even participate in the competition?

Zhao Yu's father paused for a moment before he continued, "Next, there are only eight families and sects left. The top four will be decided by drawing lots, and then the top two and third place will be decided by drawing lots. The final winner will be chosen from the top two! Just like yesterday, if you don't want to participate in the competition, you can bring it up now. Otherwise, in the competition ring, life and death are all up to fate. Unless one side takes the initiative to admit defeat, otherwise, the opponent can be completely killed! As it was a pair challenge, as long as one of the players from both teams was eliminated or admitted defeat, the entire team would lose!

In addition, no Dharma Treasures or weapons were allowed in the competition. As for the other rules, there were no rules!

For the sake of fairness, after the top three were determined, the contestants who were ranked after the top four could be given a chance to challenge each other. However, the one being challenged could

not be their previous opponent! For example, if you had already lost to your opponent in the elimination round, you could not choose to challenge him again!

Due to the special circumstances of the GaN mountain sect, their battle style was one man and one beast, so only one person was allowed to bring one Spirit beast up to the stage to fight. It was also considered two-on-two! I wonder if anyone has any objections?"

The rules were the same as yesterday, and it looked fair. No one raised any objections, including Lin Yi's side!

"Alright, since there are no objections, the competition will begin. Now, let's draw lots to determine the order of the competition!" Old master Zhao nodded.

The draw results surprised Lin Yi-his first opponents were Pi Zhishan and Pi Zhihai! This result made Lin Yi frown. Pi Zhishan and Pi Zhihai had been living together since they were young, and they never fought for the position of head of the house. On the other hand, they were the hidden houses "brothers who had a closer relationship!

The two of them working together gave Lin Yi some pressure!

Of course, Lin Yi's pressure wasn't because he was afraid of the Pi brothers, but because of han xiaopo! If Lin Yi was fighting one against two, he wouldn't be afraid of the Pi brothers, but he was afraid that they'd let him go and start attacking han xiaopo!

"Boss, what tactics should we use in this group arena?" Han xiaopo asked worriedly as he looked at the two Pi brothers, who were smiling slyly.

"When you go on stage later, just hide behind me. There's no need to fight. You can hide wherever you want!" Lin Yi said after some thought.

"I'm sorry, boss. I'm too weak and I've caused you trouble!" Han xiaopo knew that she was a burden. She had the strength of an Earth Class early phase, but she couldn't help Lin Yi much!

### **Chapter 2136: Directly admitting defeat**

Pi Zhihai was only earth Class early phase peak, and Pi Zhishan was only earth Class early phase, the same level as han xiaopo. Plus, he was a physical practitioner, so he was weaker to begin with. It was embarrassing that he wasn't his opponent!

"Don't worry, just be careful of Pi Zhihai. Pi Zhishan is at the same level as you, and you're on par with him. Between him and Pi Zhihai, you'd rather be hit by Pi Zhishan than get hit by Pi Zhihai!" Lin Yi said.

"Alright, I understand, boss!" Han xiaopo nodded and said.

Zhihai still couldn't get over the fact that he'd lost in the 1v1 challenge, so he wanted to make a comeback in the 2v2 challenge!

"Old man Pi." Lin Yi was walking towards the arena when he suddenly stopped and turned to look at Grandpa Pi.

“What is it?” Grandpa Pi’s heart skipped a beat when he saw the look in Lin Yi’s eyes, but he still pretended to be calm.

“Nothing. I just wanted to tell you that one move, only one move is needed.” “Don’t think that you’ve won just because you’ve defeated han xiaopo. I can kill two people in one move as soon as I get on the stage ...” Lin Yi smiled.

“Are you threatening me?” Elder Pi’s face changed! He’d discussed it with Pi Zhishan and Pi Zhihai before-Zhihai was confident that he’d be able to take han xiaopo out of the ring the moment he stepped on stage. That way, no matter how strong Lin Yi was, he’d have to admit defeat.

Plus, from Lin Yi’s fight with MA Dashen, it was clear that Lin Yi was very arrogant-he was the kind of person who would wait for his opponent to make the first move! This way, they would have the chance to strike before Lin Yi did!

This was also why Zhishan and Zhihai were so confident, but Lin Yi had changed his tactics this time-he said he’d start fighting as soon as he got on the stage! Grandpa Pi didn’t think that Lin Yi would have this in mind, and he couldn’t help but worry!

“I’m not threatening you, but you can think of it however you want. I’m just giving you a friendly reminder!” “I don’t want you to be as brainless as diamond,” Lin Yi said faintly.

“This ...” Grandpa Pi’s face changed, and even Pi Zhishan and Pi Zhihai who were about to go up stopped!

Lin Yi’s threat was undisguisable, but Zhishan and Zhihai couldn’t think of anything else to fight back! If Lin Yi said one move, then it was one move. Putting aside the fact that he’d killed three Earth Class Masters in one move, just that one move in the ring yesterday was enough to kill two people!

“Don’t think I don’t know what you’re thinking. Very good, let’s see who’s faster!” Lin Yi said faintly.

“Hu ...” Old man Pi took a deep breath. He was the head of the house, after all, and he had a certain level of tolerance and shrewdness. Lin Yi’s threat made him lose face, and it was a difficult decision, but he still made his choice!

Old man Pi wasn’t stupid-the Hidden House Zhuang was supposed to be the winner of the arena, and no matter how strong house Pi was, they’d only be second or third. With the man and beast of Yi mountain sect in the mix, who knew if they’d suddenly rise up?

With Lin Yi’s help, the Hidden House Pi’s chances of getting into the top three were extremely low-they’d rather admit defeat now than get pushed out of the top three! After all, Lin Yi had already put it that way-if the Hidden House Pi still didn’t come to their senses, they’d be sending themselves to their deaths!

If he died, people would laugh at him for not knowing what’s good for him-Lin Yi had already warned him, and he still wanted to hit him? Wasn’t that crazy?

“Ha, since you’ve put it that way, Mister Lin, then we, the Hidden House Pi, have to admit defeat!” Grandpa Pi smiled faintly,”but, we’re afraid of you, Mr. Lin, not han xiaopo. If we were talking about

instant kills, we could've just killed one of them, but we don't want to trade one for two. It's not worth it!" Besides, there's no point in doing so."

Lin Yi nodded,"that's for the best. I have a lot of enemies here. I hope that elder Pi will make the right choice. Don't regret it!"

"Ha, Mr. Lin, I've told you before, the hatred between us is built on house Xiao, so there's no big conflict in essence. Haha, I'll restrain house Xiao and tell them not to provoke you. We won't have any conflicts of interest in the future, so why would we be enemies?" Old man Pi laughed.

He was just a Sky Class early phase physical practitioner-if Lin Yi could take a full-force attack from a Sky Class spiritual practitioner, he might be able to take one from Grandpa Pi. As long as Lin Yi could take it and fight back, it'd be devastating!

Old man Pi knew that he had no chance of survival after Lin Yi's attack on the stage yesterday, and so it didn't matter if he was frustrated or not, or if Lin Yi and his lackeys had taken out a bunch of Masters-he could only accept it!

The world of cultivators was like this. The strong were respected. Without strength, you had to compromise, or you would be destroyed.

"That's good!" Lin Yi nodded.

"Pi Zhishan, Pi Zihai, just admit defeat!" Old master Pi said to his two grandsons, "It's not embarrassing to admit defeat in front of Mr. Lin. Those who act tough in front of Mr. Lin are idiots!"

"Yes!" Zhishan and Zihai weren't too happy about it, but they knew that Grandpa Pi was telling the truth. They had the power to kill han xiaopo, but Lin Yi could do the same to them. It wasn't worth it, so they might as well just admit defeat!

And so, Zhishan and Zihai cupped their fists, "We're no match for Mr. Lin Yi, we admit defeat!"

However, the Hidden House Pi's words were artistic-they said that they were admitting defeat to Lin Yi, not the Hidden House han. The result would be the same, but the meaning was different.

Lin Yi didn't expose him, and han xiaopo didn't want to argue with him. So what if the Han family was already clinging onto Lin Yi's leg? You're just sour grapes-you want to be Lin Yi's lackeys, but he won't take you in!

"Ha, it's fine. When you guys have a great boss, I, han xiaopo, will also admit defeat!" Han xiaopo said with pride instead of shame.

"Hmph!" Old master Pi was nice to Lin Yi, but he wasn't nice to han xiaopo anymore. With a cold Hmph, he left the stage with Zhishan and Zihai.

"The battle between hidden house Pi and hidden house han, hidden house han wins!" Old Zhao announced the result-he was the representative of the Hidden House Summit, after all, and there was no way he'd play word games with Lin Yi's win. (To be continued.)

**Chapter 2137: Going back on his word (1)**

The other two arenas were still fighting, and the winner was already decided-this was quite surprising, but it was understandable that the Hidden House Pi admitted defeat. No one called the Hidden House Pi a coward, though-if you wanted to call him a coward, why don't you go challenge Lin Yi?

"Boss, you're amazing! I was worried that I wouldn't be able to go on stage, but with just a few words from you, the Hidden House Pi admitted defeat. They were so cocky before, but now they're just paper tigers!" Han xiaopo said excitedly.

"It was just a fluke. They insisted on going on stage to participate in the competition. You might have been injured!" Lin Yi said.

"Hmph, I'm injured. If they go, they'll die immediately. As long as they're not stupid, they'll know which is more important." Han xiaopo said indifferently.

Lin Yi smiled, not denying or explaining.

After about half an hour, the results of the other matches were out. The top four were hidden house han, hidden house Zhuang, hidden house Yu, and the Qian Mountain sect. The Hidden House Yu saw the remaining top four and was a little scared.

These old men weren't stupid-grandpa Yu saw that the Hidden House Pi had to admit defeat when they met Lin Yi, and so if they were unlucky enough to draw Lin Yi, they'd just admit defeat. If it was someone else, they'd just have to try.

After a short break, the battle for the top four began. The order of the draw was revealed-hidden house han against hidden house Zhuang, hidden house Yu against the GaN Mountain Gate!

Lin Yi didn't mind the result, but the Hidden House Yu took in a cold breath!

The elders of the hidden houses didn't think much of the appearance of the man and beast of the Qian Mountain sect. After all, they felt that the cooperation between a man and a beast was not as good as the cooperation between a man and a man. Therefore, the man and beast should be the easiest to deal with.

However, the battle between the Hidden House you and the GaN Mountain Gate made the Hidden House Yu realize the danger! The man and beast duo from the Yi mountain sect wasn't just for show-their cooperation was even better than that between humans. The scariest thing was that the Golden class middle phase spirit beast could fight against an Earth Class late phase master, and it could slap the Hidden House you late phase Earth Class master to the ground with one slap!

The different levels and strengths of different spirit beasts didn't have a definite relationship. Some spirit beasts might not even be a match for a human golden class master even if they were Sky Class, but some spirit beasts already had very strong combat skills in golden class. This spirit beast of the Qian Mountain sect was one of them!

But Lin Yi wasn't unfamiliar with this. Back in the tomb, the spirit beast guarding the tomb was also a golden class spirit beast, but it beat boss Yu to the point where he couldn't even fight back. But in front of general Weiwu, it was like a good baby!

The hierarchy of the spirit beast World was completely different from that of human cultivators.

The Zhuang brothers had heard of Lin Yi's strength and strength before, and how his opponents kept conceding in the 1v1 fights! And today, the Pi brothers had admitted defeat as well-the brothers Zhuang naodao and Zhuang naipao were very confused and unwilling to accept this!

Was Lin Yi really that strong? One had to know that the two Zhuang brothers weren't pushovers-they'd been training in joint attacks since they were young, and to put it bluntly, they wouldn't even be at a disadvantage against Sky Class early phase with their combined strength-they'd be invincible against anyone under Sky Class!

So when they first heard Lin Yi's name and battle record, they didn't care at all. After drawing Lin Yi's name, they didn't say anything and rushed up the stage, waiting for Lin Yi to come up!

Zhuang niodao and Zhuang niupao didn't know who Lin Yi was before-they'd only fought in the pairs challenge, and hadn't watched any of the previous matches. Naturally, they didn't know that Lin Yi was Ling Yi from the test.

Plus, Lin Yi didn't even go up the stage when the Hidden House Pi lost, so they didn't see him.

"Lin Yi? Come up and accept the challenge from the Zhuang brothers!" Zhuang niaopao said with a strong aura.

Lin Yi and han xiaopo went to the toilet and didn't hear Zhuang niaopao's yells.

"The competition hasn't started yet. Don't make any noise!" Old Zhao frowned. These two brothers Zhuang niaopao and Zhuang niaoqiang had just eliminated one of his hidden house Zhao's disciples. As much as he hated Lin Yi, he didn't have a good impression of the two brothers.

"Hmph, brother, I think this Lin Yi doesn't deserve his reputation. You and I will work together to hold him back, and then find a chance to attack han xiaopo!" Zhuang niaopao said.

"Of course. If we join hands, we'll be invincible!" Zhuang niaoqiang was also very confident. The two of them had been unbeatable all the way and had basically won against the two Zhao family disciples.

"Is that Lin Yi coming or not? Not coming is equivalent to admitting defeat!" Zhuang niaopao said impatiently.

"Admit defeat? Ha!" Lin Yi didn't say anything, but han xiaopo sneered,""If you know what's good for you, then admit defeat. Don't lose your lives when the time comes. Don't blame me for not warning you, once my boss makes a move, he can destroy any expert!"

"Hahaha! He could kill any veteran? With us two brothers working together, we're invincible under the sky Class-let's see how he's going to destroy me!" Zhuang Niao laughed coldly.

"Oh, really?" Lin Yi and han xiaopo walked over and smiled coldly at the Zhuang brothers,""And I'm specifically killing people who are invincible under the sky Class? when I was Mystic, I killed two people who claimed to be invincible under the earth Class. Now that I'm Earth Class, I'll kill two more people under the sky Class to test my strength!"

“You’re bragging ... Huh?” Niaopao was just about to say that he’d cut his tongue if he did, but he saw Lin Yi’s face and froze on the spot, speechless ...

“Bird cannon, what’s wrong?” Zhuang niaoqiang was a little confused when he saw Zhuang niaopao’s stunned expression. He followed Zhuang niaopao’s gaze and shivered when he saw Lin Yi, “Lord Ling?”

Ling Yi had left too deep an impression on the brothers-even a God-defying existence like Zhang naipao was crippled by Lin Yi! What right did they have to arm-wrestle with Ling Yi? Zhuang niaoqiang, on the other hand, was thinking that even now, the two brothers might not be a match for naipao.

The chrysanthemum Arts, wasp absorption Arts, it was a heaven-defying existence, it sucked away the Qi of others, who could withstand it? But Ling Yi did it-not only did he take it, he even disabled naipao!

He’d thought that Lin Yi was just bluffing, but he didn’t think so after seeing him ..

### **Chapter 2138: Going back on his words (2)**

And all the rumors about Lin Yi made Zhuang niaoqiang realize that Lin Yi wasn’t a good person!

If he could cripple the strongest person under Earth Class when he was Mystic, then couldn’t he do the same to those under Sky Class when he was Earth Class? Not to mention, this Lin Yi might be hiding his strength-he was a Sky Class!

At the thought of this, the two brothers looked at each other. They could see the deep fear in each other’s eyes. Their previous show of strength had suddenly turned into silence!

If one of them was afraid, it would be better. There would be another person to cheer for them. But now, both of them were timid. They had weakened before the battle. This was simply the most fatal weakness in the arena!

“You two, are you in a hurry to die? The Ice Palace test didn’t allow people to kill each other, but this is a life and death arena!” Lin Yi said as he looked at the two brothers. “Since you’re on stage, don’t go down!”

“Lord Ling, don’t do anything yet!” Zhuang niaopao jumped off the stage as if someone had stepped on his tail, “I’m below the ring, you can’t do anything to me ...”

“Yes, Lord Ling!” Zhuang niaoqiang also jumped down, “We admit defeat. According to the rules of the competition, you can’t hit us after we admit defeat!”

Everyone was dumbfounded by this turn of events. They didn’t expect the two brothers to be so retarded. They’d bragged so arrogantly in the ring before, and now that Lin Yi was here, they jumped off the ring and admitted defeat, as if they were afraid that Lin Yi would beat them to death!

However, Zhuang niaopao and Zhuang niaoqiang didn’t feel ashamed at all. Instead, they felt like they had done the right thing.

“Oh, since you’ve admitted defeat, then forget it.” “Old Zhao, you can announce the results now!” Lin Yi said.

“The Hidden House han wins, becoming one of the top two ...” Old Zhao announced. What made him speechless was that Lin Yi hadn’t fought a single match since yesterday. His opponents had been admitting defeat and admitting defeat!

“Boss, you’re really impressive. The two Zhuang brothers were clamoring for a while, but as soon as you came, they admitted defeat. It’s too funny!” Han xiaopo said.

“I’ve fought with their boss before,” Lin Yi said faintly.

“Ah? They had a boss too? No wonder they were so arrogant. What happened to their boss after that?” Hearing that, han xiaopo quickly asked.

“I’m crippled.” Lin Yi said.

“Crippled? Boss, you didn’t do it, right?” Han xiaopo said in surprise.

“If it wasn’t me, why would they be begging for mercy?” Lin Yi said with a smile.

“So that’s how it is! I say, why did these two arrogant guys suddenly cower!” Han xiaopo nodded and said.

When the Hidden House Zhuang’s old man heard that Lin Yi was that Ling Yi from the test, he didn’t have any objections to Zhuang niaopao and artificing niaopao’s conceding. He completely agreed with their decision. Since Lin Yi was so strong, there was no need to go head to head with him.

On the other side, the Hidden House Yu’s match with the GaN Mountain Gate had ended. The Hidden House Yu had already received orders from old master Yu to preserve their strength first, so after circling around the stage and realizing that they had no chance of winning, they gave up. They didn’t want to fight to the death and wanted to save their strength for the Zhuang brothers!

Originally, the Hidden House Yu’s plan was for the Zhuang brothers to waste a lot of their strength in their fight with Lin Yi, and it would be best if they were injured as well. This way, they could take advantage of the situation and defeat the Zhuang brothers for third place.

But now, it seemed that this idea was not very feasible. The two brothers had been arrogant before, but after that, they pretended to be cowards. What kind of logic was that?

The Hidden House Yu disciples didn’t know the situation and thought that the two Zhuang brothers were up to something. They didn’t dare to be slow and fought with the Qian Mountain sect for a while before admitting defeat and deciding the third place with the Hidden House Zhuang disciples.

“The last round of the championship competition, the hidden han family versus the GaN mountain sect. I hope that this will be the most exciting battle of all. Both sides are elites, so I hope that it won’t end with you guys admitting defeat. After all, everyone has high hopes for you!” Old man Zhao didn’t want the house of pengzhan to lose again-it’d be too easy for Lin Yi to get the championship, and so he didn’t mind saying something to push the house of pengzhan.

“Heh, admitting defeat is the behavior of cowards. Our gan mountain sect will never admit defeat!” The one who spoke was the direct disciple of the head of the Qian Mountain sect. He was called wo jindao. He was one of the best among the younger generation of the Qian Mountain sect who had established a

contract with spirit beasts. He had already established a certain level of communication with spirit beasts, and their cooperation could be considered very close.

Of course, this kind of spirit beast contract was actually established by living together from day to night, not by force. It was actually very difficult to get the approval of the spirit beast. It required enough patience and to make the spirit beast have a good impression of him. Only then could he establish the contract step by step and fight together.

This vol 'Jin blade was one of the more powerful ones, able to control a golden class middle phase Spirit Wolf. This Spirit Wolf was extremely fierce, and even Earth Class late phase peak Masters wouldn't dare to fight it head-on!

This was wo jindao's pride-he'd brought the spirit Wolf to the Ice Palace test last time, and had wanted to shine, but he'd never thought that he'd be so strong that he'd be eliminated early. It was a disgrace.

Hence, this hidden house Summit was full of energy and was prepared to make a name for themselves! The GaN mountain sect had agreed that they would win the last extra test. However, the situation was already in a mess now. It was no longer the original situation of one person one game!

With Lin Yi's participation, the winner would be determined by their own abilities, and so the GaN mountain sect wanted to win back a championship in this two-person challenge.

After vol 'Jin Dao finished speaking, the spirit Wolf beside him howled in agreement,""Aooo ..."

"Boss, this guy doesn't seem to want to admit defeat?" Han xiaopo asked worriedly.

"We'll see. If we can 't, we'll admit defeat. " Lin Yi said. He didn't care much about winning or losing. He just wanted to get some treasures back.

"No, I can't admit defeat. I've already reached this point. I'll grit my teeth and persevere!" Han xiaopo gritted her teeth and made her decision!

"Hehe, if you can 't, don't force yourself." Lin Yi could tell that the man and the Beast weren't going to be easy to deal with. He didn't know what the Hidden House Zhao was thinking, but they agreed to this rule. If he knew that this was the rule, he would've brought general Weiwu here to eat the spirit Wolf first and then take care of wo jindao! (To be continued.)

### **Chapter 2139: There's something strange!**

However, there wasn't enough time. The rules were announced on the spot, and Lin Yi didn't have time to go back and get general Weiwu. Even if he had someone bring it over, it would be too late.

"Both sides are ready. Get into position and prepare to start the match!" Old Zhao waited for Lin Yi and han xiaopo to get on the stage before announcing,"Three, two, one, begin!"

And so, with old master Zhao's words, the final battle for the championship began ...

Wo jindao didn't give Lin Yi the chance to create a pure energy bomb. As soon as the match started, he and the spirit Wolf charged at Lin Yi and han xiaopo!

The vol 'Jin knife's target was han xiaopo, and the spirit Wolf's opponent was Lin Yi. This situation was the wisest and most difficult for Lin Yi to deal with!

Wo jindao had been an Earth Class early phase spiritual practitioner when he joined the test, and now he was at the peak of the early phase. It didn't seem like he was leveling up that fast-it seemed like the sect was still focusing on communicating with the spirit beasts, and his personal strength wasn't improving as fast as the hidden houses.

Lin Yi frowned. He couldn't let this wo Jin blade hit han xiaopo. Even if it was an Earth Class early phase peak, it would be a one-sided fight against an Earth Class early phase han xiaopo. In a moment of desperation, Lin Yi activated his practitioner's Arts and used the second form of thousand forest illusions!

Lin Yi's other skills wouldn't be able to hit both of them in one move, unless it was an energy bomb. But this thousand forest transformation was different, the second form was equivalent to two punches!

"Boom! Boom! Boom! Boom!" Lin Yi's body charged towards wo jindao and spirit Wolf. A powerful burst of pure Qi exploded and condensed on Lin Yi's fists, turning into two fists that smashed towards wo jindao and spirit Wolf!

At first, wo jindao thought that Lin Yi could only choose one to attack-it was either him or the spirit Wolf, and the spirit Wolf's skin was thick-no one could touch it! And if Lin Yi went around the spirit Wolf to attack vol 'Jin, then vol' Jin could communicate with the spirit Wolf to make him attack han xiaopo instead!

This was the benefit of establishing a connection with a spirit beast-they could communicate with each other anytime they wanted, but what wo jindao didn't expect was that Lin Yi's one punch would turn into two! Was he seeing things or something?

He didn't believe that Lin Yi's one punch could really become two punches-one real and one illusory was a common situation in martial arts, but one into two was something he'd never heard of! It was not that vol 'Jin Dao was ill-informed, but that he had never heard of it before!

Even elder han thought that the skill was fake before Lin Yi used it, and that only one punch in each form was real. The rest was just an illusion, but after Lin Yi used it, he realized that the one punch actually became two or even three punches!

Therefore, since vol 'Jin blade had such thoughts, he made up his mind. He quickly communicated with the spirit Wolf in its language, ""Don't worry about him. One of these two punches is real and the other is fake. Let's rush over together. No matter which punch is real, we will take it head-on. Whichever punch is fake, we will rush over and kick han xiaopo out of the ring!"

"Aowu ..." The spirit Wolf let out a cry to show that it understood, so the man and beast didn't slow down and rushed towards Lin Yi's martial skill!

Wo jindao had been afraid of Lin Yi's Vacuum Wave fist before, but it was obvious that Lin Yi wasn't using that martial skill. From the energy fluctuations, it was strong, but not too strong!

Naturally, the second move wouldn't be too strong. Even if Lin Yi used it with great skill, it still wouldn't be enough to heavily injure the enemy! At that time, he had to fight with the earth-grade Man in Black for so many moves before he could kill him, and he had to use the limit of the third move.

"Bang!" "Bang!" Wo jindao and spirit Wolf were both sent flying by Lin Yi!

Although the man and Wolf weren't seriously injured, a look of disbelief still flashed in their eyes. This disbelief wasn't because they doubted Lin Yi's strength, but because they doubted the martial arts technique! Lin Yi only punched once, how did it become two?

What kind of martial technique was this? He had never heard of such a heaven-defying martial technique, right? One punch could become two punches?

Lin Yi sighed. Even if he used the fourth form of the thousand changes of woods, it would only waste his Qi. It was impossible to kill wo jindao and spirit Wolf with one move. Against Masters of the same level, it was impossible to kill them with one move. Qi bomb was a cheat, but it couldn't be used at any time.

"You ... This martial art technique is strange!" Wo jindao quickly stood up from his fall and ordered the spirit Wolf, "Don't get too close to him. One on the left and one on the right. Although his martial arts technique can turn one punch into two punches, it can't be too far away!"

Wo jindao's brain was pretty good, after all-he'd found a way to counter Lin Yi's skill in an instant!

The arena was huge, and if they were on either side, Lin Yi wouldn't be able to hit them at the same time even if he used the fourth move of the thousand changes of wood and forest, even if it were four punches! Unless he could use the tenth form, it would be impossible for him to launch such a wide-range attack!

But that was impossible. Lin Yi didn't even think about it. All he could do now was protect han xiaopo! So, wo jindao and spirit Wolf closed in on him from the left and right, while Lin Yi quickly dodged back and stood in front of han xiaopo, protecting him!

"Aowu ..." The spirit Wolf pounced on Lin Yi from the left ...

"Han xiaopo, die!" Wo Jin's blade was approaching han xiaopo from the right ...

Lin Yi couldn't use any skills at all! The arena was round and there were no blind spots at all. No matter if one stood on the edge or in the middle, they could no longer use the thousand changes of wood forest to fight against the enemy!

"Wild wolf fist!" Vol 'Jin Dao swung his fist at han xiaopo. His martial arts technique was a set of martial arts techniques that matched the spirit Wolf. It was a martial arts technique that was transformed from the spirit Wolf's attack method. It was not very powerful, but what he emphasized was the unity of man and beast!

If this wild wolf fist was used together with the spirit Wolf, the power would naturally be incomparable. However, if it was used alone, the difference would be huge.

However, in order not to fight Lin Yi head-on and kill han xiaopo first, he had to separate from the spirit Wolf. Otherwise, if the two of them were together, Lin Yi's ultimate attack would kill them!

In fact, wo jindao was also on guard against Lin Yi's ultimate move-it was too powerful, and he'd run without hesitation if Lin Yi had used it from the start! (To be continued.)

### **Chapter 2140: Not easy to deal with**

However, since Lin Yi didn't use it, he wouldn't give Lin Yi the chance to use it. He and the spirit Wolf kept attacking separately. Although the effect was weak, it prevented Lin Yi from using his ultimate move!

If Lin Yi used his ultimate move, he and spirit Wolf would run instead of standing there and waiting to be beaten up like idiots!

Lin Yi frowned and quickly made a judgment. He could take the wild wolf fist head-on, but not the spirit Wolf! This Spirit Wolf's attack power was obviously very strong. After fighting with attack-type spirit beasts in the ancient tomb, Lin Yi naturally knew that this Spirit Wolf was not easy to deal with!

And so, Lin Yi made the decision in an instant-he'd use his back to take the hit while he focused on the spirit Wolf!

After making his decision, Lin Yi turned around to face the spirit Wolf. He stood side by side with han xiaopo, staring at the spirit Wolf!

Lin Yi's actions surprised wo jindao-what was Lin Yi doing? Leave your back to me? To let him attack him and let han xiaopo go?

Although the pincer attack from him and the spirit Wolf could cause Lin Yi a lot of damage, wo jindao instantly dropped the thought. After all, hitting Lin Yi didn't mean that he would kill him. Since Lin Yi could take the full force attack of a Sky Class master, the pincer attack from him and the spirit Wolf probably wouldn't cause too much damage to Lin Yi!

As such, the vol 'Jin blade still turned its target to han xiaopo! In fact, Lin Yi knew that the skill wouldn't be able to do much damage to him after seeing it. After all, the skill was nothing compared to the earth-tier man 's!

Vol 'Jin sword's attack was only equivalent to the first move of the Man in Black, and since it couldn't kill him, Lin Yi didn't care. He started channeling his practitioner's Arts, preparing to throw the fourth move of the wild fire Fist at the spirit Wolf!

"Ha!" Wo jindao threw a punch at han xiaopo. Han xiaopo's heart tightened. Although he didn't know what Lin Yi was doing, he trusted Lin Yi and didn't do anything. He just stood there without moving.

But, to wo jindao's surprise, Lin Yi seemed to have eyes on the back of his head as he faced the punch head on!

In fact, Lin Yi didn't have eyes on the back of his head, but he could sense the direction of the blade through the Jade. The stronger the danger signal, the more Lin Yi knew where the blade was headed! Lin Yi didn't even need to turn around to know!

But the vol 'Jin blade had already been activated, and it was impossible to retract or change its direction at the last minute. It could only attack Lin Yi's back. Although it was a bad idea to attack Lin Yi together with the spirit Wolf, they had to attack Lin Yi first!

However, at this moment, it was impossible to inform the spirit Wolf to attack han xiaopo. Although the spirit Wolf had some intelligence and could communicate with the vol 'Jin blade, it was only a middle stage Yellow Class spirit beast. Its intelligence was not very high, and could not be compared to general Weiwu and the Skybolt pig. It was only as smart as the tomb Guardian spirit beast.

Although he knew how to listen to vol 'Jin's blade's orders, it was impossible for him to make a decision on the spot.

"Bang ..." Wo jindao's fist landed on Lin Yi's back with a loud sound. At this time, Lin Yi moved, using the fourth form of the wild fire Fist at the spirit Wolf!

"Bang ..." After Lin Yi was hit, the spirit Wolf was hit as well. It was sent flying by Lin Yi's punch and landed heavily on the ground. However, this guy was really good at taking hits. That punch didn't cause any serious injuries. It only struggled a little and got up. It still glared at Lin Yi, its eyes full of anger. However, wo jindao didn't give the next order, so it couldn't attack Lin Yi directly!

This strike wasn't as strong as the earth Class fourth move, but Lin Yi took it with his back without any defense, not fist to fist. The damage was naturally heavier! In fact, the most important thing was that the damage the spirit Wolf caused to Lin Yi was even greater than the vol 'Jin blade!

Lin Yi didn't know what skill the spirit Wolf was using, but the force of the backlash was enough to make the blood in Lin Yi's chest surge up!

"Pfff ..." Lin Yi couldn't take it anymore and spat out a mouthful of blood. The pent up energy in his chest was expelled, and he felt much better. However, the problem in front of him was still not solved. Lin Yi couldn't be careless. He circulated the art of Dragon mastery to quickly heal his injuries while vigilantly checking out the situation of Spirit Wolf and wo jindao!

"Hey! Lin Yi, that's all you've got, vomiting blood after one move!" Wo jindao was overjoyed to see Lin Yi spitting blood. He raised his fist and said to Spirit Wolf, "Buddy, let's continue!"

Under wo jindao's call, the spirit Wolf charged at Lin Yi once more. Lin Yi's punch had already shown the spirit Wolf's bloodlust-it just wanted to bite off Lin Yi's neck and kill him!

Wo jindao, on the other hand, wanted to test if Lin Yi would continue to block his attack on han xiaopo. The previous one could be said to be a coincidence, but the second and third one could not be said to be coincidences.

However, this test disappointed wo jindao. Lin Yi didn't turn around, but it was as if Lin Yi had eyes on his back. Wherever wo jindao's fist went, Lin Yi's body would appear!

This time, the vol 'Jin blade purposely missed a bit and hit han xiaopo's left arm. It wasn't a fatal area, but Lin Yi still stood in front of han xiaopo's left arm and took the hit!

But Lin Yi didn't care. His priority was to kill or knock this Spirit Wolf off the stage. Vol 'Jin sword wasn't very strong, but this Spirit Wolf was very fierce! Lin Yi didn't just punch it, it was more like he was fighting it head on!

And so, Lin Yi was basically being attacked from the front and back-he was fighting with force at the front, and the back was completely open for the enemy to attack. This kind of fighting made Lin Yi very passive and at a disadvantage, but there was nothing he could do! The rules of the group arena were simply too ridiculous. One person being knocked off the group arena would result in a complete loss!

"BOOM! BOOM!" Lin Yi used the fourth form of the wild fire Fist and punched at the spirit wolf's head again, but the spirit Wolf was like a copper head and iron arms. Although Lin Yi sent it flying, Lin Yi's arm was also numb from the impact. The force didn't stop until it reached Lin Yi's chest. With wo jindao's punch behind, Lin Yi spat out another mouthful of blood.
