

Bodyguard 2181

Chapter 2181: New test subject

Speaking up to this point, li biao han's phone suddenly rang. He didn't want to answer it at first, but he saw that the caller was the Vice President of his Boxing Club. If it wasn't an urgent matter, he wouldn't call ...

"Answer the phone first. We'll talk about the meal later." Jianwen waved his hand, signaling for biao han to pick up.

"It's Gao Lutong, the Vice President of the boxing club." Li biao han answered the phone, "Hello? What's the matter?"

"Big brother brawny, someone's here to cause trouble ..." Gao Lutong said in a low voice. He was very depressed. The dignified Vice President of the boxing club was actually threatened. If this got out, it would be a joke.

"Someone's here to cause trouble? Who's there?" Li biao han was stunned, "someone actually came to the boxing club to challenge?" You don't need to report this to me, just get someone to teach them a lesson ..."

"But ..." Gao Lutong looked at his broken arm. A lesson?

"What's wrong? Does the person who came to cause trouble have some kind of background?" Li biao han asked.

"No... My arm was crushed by him, and the four King Kongs of our Boxing Club were also inexplicably knocked down by him ..." Gao Lutong said with a bitter smile.

"What?" Li biao han was stunned when he heard Gao Lutong's words, "Who's so ruthless? Are you from another club?"

"No, brother Biao Han, do you still remember the freshman who complained about us to the school leader?" Gao Lutong said.

"I remember. Didn't you bring your men to beat him up and send him to the hospital? Why, is he the one who found her?" Li biao han frowned. He had investigated that Zhao Shengji before. He didn't have any background, so how did he find such a powerful person?

"Yeah, that man is very strange ..." Gao Lutong said, "Brother Biao Han, not only is he going to teach me a lesson, he's also asking me to pay a million ..."

"A million? He really dared to open his mouth? I, li biao han, have always been extorted, and now I'm being extorted?" Li biao han was furious when he heard this, but he immediately calmed down. "Xiao Gao, who did Zhao Shengji find?"

"I don't know. He looks like a student too, but he doesn't look familiar. He should be a freshman, not someone from the other martial arts clubs in our school." Gao Lutong was still able to read the situation.

He knew all the people in the school who could fight but should not be provoked, such as Zhuang ni dao and you Panhu, who were ruthless people. He had memorized them all. However, the person in front of him was indeed very unfamiliar. "But I've secretly taken some photos and I'll send them to you ..."

"Alright, wait for me. I'll go over now!" Li biao han wanted to treat an Jianwen to a meal to pull some strings, but he didn't expect something to happen to his club. He had to go back and deal with it himself. After hanging up, li biao han said apologetically, "Wen bro, there's a problem with my Boxing Club ..."

"Oh? What's going on?" Jianwen asked.

"It's like this ..." Li biao han told Jianwen about how he forced people to buy and sell things at school, including teaching Zhao Shengji a lesson and how he brought people to his door ...

"Your Vice President Gao Lutong, from what I know, isn't a golden class master, but his physical style is infinitely close to golden class, right?" Jianwen asked.

"Yeah ..." Li biao han nodded and said, "He's someone I trust more than anyone else, and I've been nurturing him all this time. I wonder what kind of opponent he's met to actually be so formidable ..."

"Can you handle it yourself?" Jianwen asked.

"Let's look at the opponent first ..." Just as he was speaking, li biao han's mobile phone rang with a message notification. Li biao han quickly opened the message and looked at the photo on it. His face suddenly changed!

"What's wrong?" Jianwen quickly asked after seeing biao han's pale face.

"Wen bro, this guy is Lin Yi ..." Li biao han's mouth twitched. He didn't think that the person who kicked up the scene was Lin Yi!

"What? Lin Yi?" Jianwen took the phone and looked at it-wasn't this Lin Yi? An Jianwen's face didn't look good either! Even an Jianwen himself couldn't handle this guy, let alone li biao han!

"Looks like I really kicked an iron plate this time ..." Li biao han smiled bitterly, "Wen bro, that Lin Yi asked for a million, I ..."

"This Lin Yi always keeps his word, if you don't give it to him, the consequences will be very serious!"

"You'll have to handle this properly, otherwise, it'll be a big problem" Jianwen smiled bitterly.

"Jianwen, didn't Scorpion just say that the professor's latest O1 test product is out? He can even fight with a heaven rank for a while, so why don't we send a test subject? "That Lin Yi's only earth Class mid phase, and our test subject is very strong ..." An Mingyue suddenly said.

"Yeah! How could I have forgotten!" Jianwen slapped his thigh. "Don't worry, brawny. I'll help you settle this! I've got the latest test subject O1-it's much more durable than before, at least taking two hits from a Sky Class early phase, and killing those below Earth Class early phase with ease. It can barely kill those from Earth Class early phase to mid phase, and it can kill those from Earth Class mid phase to late phase. It can even take them down with it, and earth Class late phase peak and above-it can't kill them for the time being, but it can keep them busy for a while ..."

“F * ck, so awesome?” Li biaoan was overjoyed-that Lin Yi was an Earth Class mid phase! Even if Test 01 couldn’t kill Lin Yi, it should be a draw-it was enough to intimidate Lin Yi!

To be honest, li biaoan didn’t want to give in in front of Lin Yi. Jianwen did warn him that Lin Yi was strong, but now that there was an even stronger 01 test subject, how could li biaoan give up?

“Yeah, the test subject is strong in theory, but if he can’t beat Lin Yi, don’t force it. Just compensate him.” “We’ll have plenty of chances to mess with him when the medicine is more refined. There’s no rush!” Jianwen said calmly.

“Alright, thank you, brother Wen!” Li biaoan thought that he wouldn’t be able to escape the fate of apologizing this time, but he didn’t expect things to turn around. An Jianwen suddenly found a master to help him!

“No need to thank me, we’re all on the same side!” Jianwen waved his hand.”Scorpion, go and prepare the latest 01 test subject. Hypnotize him and make him listen to li biaoan!”

“Yes!” Scorpion walked over and answered.

“Wen bro, today’s dinner won’t work. We’ll have to do it another day,” Li biaoan said. (To be continued.)

Chapter 2182: I’ll give you a discount

“There’s no hurry, serious matters are more important. ” Jianwen waved his hand.

After a while, Scorpion brought a dazed Fire Wolf Gang disciple over. This was the latest test subject of 01. Beside the test subject was a cold-looking man. This man was the hypnotist. He pointed at li biaoan and said a few words to the dazed Fire Wolf Gang disciple. Then, he turned and left.

“Alright, li biaoan, you can control this fire Wolf Gang Disciple Now. We usually call him a puppet or test subject, but we call him a fire Wolf Gang disciple to the public.” Scorpion said to li biaoan.

“Thank you, brother Scorpion!” Li biaoan quickly said and tried to order the test subject. The test subject really followed him.

After li biaoan left, an Jianwen smiled,”Father, you’re really smart. Not only can we test the power of our new 01, but we can also teach Lin Yi a lesson. It’ll be good if we can beat him, but if we can ‘t, we’ll just let li biaoan be the gun, it won’t be a loss for us.”

“Haha, that’s true. I’ve been with you for a long time, and my personality has become more sinister.” An Mingyue smiled.

Li biaoan happily took the test subject and drove his Audi Q7 all the way back to school. He was also a big brother in school, so his car was naturally very luxurious.

They arrived at the boxing club’s building. After parking the car, li biaoan let the test subject follow behind him and swaggered into the boxing club’s venue. He shouted as he walked,”“Who is it? In East Ocean industry University, no one dares to not give me, li biaoan, face!”

Li biaoan's opening statement made Lin Yi speechless. He looked at Gao Lutong and said faintly, "Is your boss an idiot? You didn't tell him about the current situation?"

"I ..." Gao Lutong looked at li biaoan for help ...

"It seems like you lied about your military intelligence!" Lin Yi smiled coldly and ignored Gao Lutong for the time being. He turned to li biaoan, "You are li biaoan? Why does he look so familiar?"

"Kid, I know you. You're Lin Yi, right? You're a little famous, but this is my territory, it's not time for you to behave atrociously!" Li biaoan had a test subject behind him, so he was naturally full of confidence! He'd never seen how terrifying Lin Yi was, and he'd only heard about it from others. Lin Yi didn't really scare him.

The only thing he was worried about was Lin Yi's mid Earth Class strength! He was a golden class, and there was a huge difference between him and an Earth Class. He couldn't arm wrestle with Lin Yi without a test subject, but now that he had a test subject as his backing, he was cocky!

It wasn't that he had a lot of cards up his sleeves, but he was just too ignorant. As far as he knew, the higher the practitioner's level, the stronger they would be. Lin Yi was only earth Class mid phase, and this test subject could even fight Sky Class early phase Masters-what was there to be afraid of?

"Gao Lutong, there's something wrong with your boss." Lin Yi looked at Gao Lutong sympathetically, "Even if he wanted his subordinate dead, it wouldn't be so obvious. Gao Lutong, your boss should give up on you!"

"You ... You, you, you, don't try to sow discord. If my boss comes back, you're done for!" Gao Lutong saw that li biaoan seemed to be full of confidence, and he also became confident.

"You're really stupid. I was thinking that I'd ask for one million Yuan if your boss came and you all admitted your mistakes, but I've changed my mind. Originally, you, Gao Lutong, only needed to break his ribs, but since your boss is an idiot, he'll accompany you." Lin Yi said.

"O1 experimenter, go! Teach this troublemaker a lesson!" Li biaoan didn't want to waste time with Lin Yi. As far as he was concerned, strength decided everything. As long as he used his strength to shut Lin Yi up, then Lin Yi would be the one losing money!

"What's the O1 experimenter?" Lin Yi frowned.

"You'll know soon enough, and it'll make you feel like you're going to die!" Li biaoan laughed coldly.

"Your O1 experimenter isn't a woman. How can she make me feel like I'm dying? Is there something wrong with your head? It's really tiring to talk to people like you. It seems like you won't know how to pay up until I beat you up." Lin Yi looked at li biaoan with sympathy.

"O1 experimenter?" Li biaoan gave the order, but he didn't see the O1 coming to beat Lin Yi up. He was a little confused-didn't this O1 follow his orders?

"Is he the O1 experimenter you were talking about?" Lin Yi said, pointing behind li biaoan.

Li biaoan was stunned and subconsciously turned around. He was shocked when he saw it, "Gah!"

The 01 experimenter was lying on the ground, his life or death unknown.

“What ... What’s going on?” Li biaohan looked at Lin Yi in fear.

“He doesn’t want to be immortal, he just wants to die.” Lin Yi’s lips curled into a mocking smile. “What’s your relationship with an Jianwen?”

“Ah? “I ... I don’t know Wen bro ...” Li biaohan subconsciously denied.

“Pfft ...” Lin Yi almost burst out laughing. “It’s really sad for an Jianwen to have a stupid subordinate like you.”

“I ...” Li biaohan also reacted. He knew that he had let it slip, but he couldn’t change it. He could only brace himself and say, “This matter has nothing to do with brother Wen. I’ll take responsibility for my actions. I admit defeat!”

Li biaohan didn’t know what was wrong with subject 01, but Lin Yi was obviously prepared for this. He even exposed his relationship with Jianwen, and all of this made li biaohan very depressed. He was so confident that he could teach Lin Yi a lesson, but he didn’t expect Lin Yi to fail after all the boasting.

“Did you just say that I’ll admit defeat? Let’s talk about you first-I’ll talk to an Jianwen about this test subject 01 thing!” “Two million, and I’ll break your ribs,” Lin Yi said.

“Ah? Two million? Isn’t it a million?” Li biaohan said carefully.

“It was one million just now, but because you were acting tough, I’ll give you a discount,” Lin Yi said.

“Discount? “Why’s the discount getting higher and higher ...” Li biuhan said with a bitter face. Without the 01 test subject, it was impossible for him to deal with Lin Yi with his golden class strength, so he started to give in.

“Oh, I got a 20% discount.” Lin Yi said.

“Uh ...” Li biaohan had no choice but to admit defeat. Two million it is then.”Um ... Can you not break his ribs?”

“Then break all five limbs.” Lin Yi said.

“Then let’s go with the ribs ...” Seeing that there was no room for discussion, li biaohan could only say so.

Chapter 2183: rounding

“Okay, is the Audi Q7 downstairs yours?” Lin Yi asked as he looked out the window.

“This ... Yes ...” Li biaohan wanted to say no, but he was afraid that Lin Yi would get even angrier and give him a discount. He could only nod.

“Oh, I need the money to buy a car for Zhao Shengji. I’ll convert the Q7 into the money.” Lin Yi said.

“Alright ... Whatever you say!” Li biaoan did some calculations. He had spent 1.1 million on this Q7, but the model was already old. If he converted it to 1.1 million, it would be worth it. With the money saved, he could buy a new car.

“Alright, this car looks old. I’ll give you 100000 Yuan. There’s 1.9 million Yuan left. I’ll round it up to 2 million Yuan.” Lin Yi said.

“Ah?” Li biaoan almost cried. Even if this Audi Q7 was an old model, it could be sold for six or seven hundred thousand Yuan in the used car market, right? Besides, even if you say 100000, just let it be 100000. You still want to round up the remaining 1.9 million? It rounded up to two million? Isn’t this the same as cheating me of a car?

“What, you have an opinion?” Lin Yi asked.

“No... No...” Li biaoan smiled bitterly. He was really regretful. If he had known that this 01 test subject would screw up at the last minute, he wouldn’t have acted so pretentiously. He would have acted like a grandson the moment he entered the door. He probably wouldn’t have suffered such a heavy loss.

“Alright, you can pay now.” Lin Yi said.

“Okay, I’ll transfer the money ...” Li biaoan didn’t dare to play any tricks. He transferred two million Yuan to the account number Lin Yi gave him and took out the car keys obediently, “Lin Yi bro, can you please not break my ribs since I’m so straightforward?”

“Oh, since you’re so forthright, I won’t do it.” Lin Yi said.

Li biaoan was overjoyed, but Lin Yi’s next words made him worried, “The two of you can fight each other and break each other’s ribs.”

“This ...” Li biaoan looked at Lin Yi, stunned, “Fight?”

Gao Lutong’s face was also full of worry. Who could bear to do this to him? It would have been fine if his ribs had been broken unknowingly, but if they were to fight each other, wouldn’t that be destroying his willpower?

“It doesn’t look right? That’s fine, you guys can hit yourselves. If you can’t break me, I won’t just break my ribs!” Lin Yi said.

“Let’s fight, let’s fight!” Li biaoan quickly nodded.

As a result, a very strange scene appeared in the boxing club. Li biaoan and Gao Lutong, the Vice President and Vice President, were fighting. Li biaoan was in a better state, as he was a golden class master. He broke Gao Lutong’s ribs with one punch, but Gao Lutong wasn’t so accurate. His ribs were already broken, and he even broke his right wrist. He was asked to hit Li biaoan with his left hand a few times, but Li biaoan was in so much pain that he couldn’t do anything to him ...

“Alright, stop fighting. I’ll do it myself!” Li biaoan was speechless. He raised his fist, clenched his teeth, and smashed it on his chest bone. With a “bang,” his chest bone broke. He looked at Lin Yi pitifully, “Is this okay?”

“That’s enough,” Lin Yi nodded. He could tell that Li biaoan wasn’t happy about it, but he had no choice.

Lin Yi had already realized that Li Biaohan wasn't a normal student. If he was right, he was a member of the firewolves! The test subject lying on the ground at the door had the same dull eyes as the firewolves after being injected with drug O1 and hypnotized.

So it was impossible to make Li Biaohan submit to him, but Lin Yi and the firewolves didn't cross each other's path for the time being. Although Lin Yi didn't have the ability to fight the firewolves, the branch obviously didn't want to go against him.

Lin Yi brought Zhao Shengji, Bai Weitao, and Chai Xiaoling out of the boxing club. When he passed the fire Wolf Gang disciple, Lin Yi raised his foot and stomped on him. After four stomps, the disciple's limbs were broken. Lin Yi then pulled out a silver needle from the fire Wolf Gang disciple's body.

The firewolves had been through the O1 drug, and their resistance and strength had been greatly improved, but they didn't have Qi to protect their bodies like spiritual practitioners, nor did they train their bodies to be extremely strong like physical practitioners. So normal pressure points were enough to knock them out, but just in case, Lin Yi still used silver needles. As for the four men, Lin Yi only used normal pressure points.

This Firewolf gang disciple's four limbs were all crippled by Lin Yi, so even if he woke up later, he wouldn't be able to attack or pose any threat.

Zhao Shengji and Bai Weitao were still in a dream even when they walked out of the boxing club's stadium. Did they just teach the people of the boxing club a lesson? Moreover, they had broken each other's ribs. If this were to be spread, it would probably be treated as a joke. However, it had really happened in front of their eyes.

"Zhao Shengji, what's your bank account number? I'll transfer the money to you," Lin Yi said.

"Ah?" Zhao Shengji finally came back to his senses. However, he shook his head and said, "Boss, you've helped me take revenge. I'm already very grateful. You asked for this money, how can I accept it?"

"This money is for your medical expenses. It was yours to begin with." "Plus, you need money to date Chai Xiaoling, right?" Lin Yi said.

"Uh ... Then I'll take half. Any more and I won't be able to take it. I'll give the other half to Bai Weitao and Song Xiaodao, I can't keep it all to myself." Zhao Shengji was a kind person, and he was not greedy for money.

"Alright," he said. Lin Yi didn't argue with him anymore. In fact, Lin Yi was in need of money as well, but a million wasn't a problem. He planned to extort some money from Jianwen.

After transferring the money to Zhao Shengji, Lin Yi threw the car keys to Bai Weitao, "The three of you should get your driver's licenses. This car will be our dormitory's public car. It'll be more convenient when you go out."

"No way? You're giving us the car too?" Bai Weitao was surprised and happy. He didn't expect that he would also become a car owner, and a luxury car at that.

"Boss, why don't you drive this car yourself ... We don't need it?" Zhao Shengji also felt that it was not good to leave the car for public use.

"I have a car, so I don't need it." Lin Yi said with a wave of his hand. His Grand Cherokee had been modified, and he could take any route he wanted. Lin Yi really didn't want to change it.

"Then we'll accept it!" "Boss, you're so good to us!" Bai Weitao said shamelessly. "I have a driver's license. Shengji and Xiaodao can just take one. We have a driving school in our school."

Chapter 2184: this isn't a loss

Bai Weitao had gotten his driver's license during the summer break of his third year in high school, but he had never had a car. Now that he had a car, how could he not be happy?

"That's great. You and Zhao Shengji can go to the movies tonight. I won't be going." Lin Yi said.

"Ah? Besides, LAN Xiaoru has her own things to do in Meiyue's dormitory, and she only comes back to the dormitory very late every night. Both Meiyue and Ling are out, so it's boring for Xinyan to go, right?" Bai Weitao encouraged.

"Is that so ..." Lin Yi was a little moved at the mention of Xinyan, not because he was going to the movies with her, but because he could practice while watching a movie. "I'll ask her in the afternoon."

In a single room in the school hospital, Li Biaohan had just had his bones reattached. Although a broken sternum was nothing to a golden class master like Li Biaohan, he was still quite depressed.

"Wen bro, that Lin Yi is indeed unusual. Test subject 01 fainted for no reason, but when Lin Yi left, I saw him pull out a silver needle from test subject 01's body ..." Li Biaohan told Jianwen everything that happened in the boxing club, hoping that Jianwen would help him.

"I know. Lin Yi, don't mess with him for now, and stay away from the people around him. That guy's a violent maniac, no different from a madman." Jianwen said faintly.

"Okay ..." Li Biaohan was disappointed. He thought that even if he broke a rib, Jianwen wouldn't care. But how could Jianwen let go of the two million and an Audi Q7?

Unfortunately, Jianwen didn't care at all. It was as if the two million and the car weren't a big deal to him.

In fact, it was true that Jianwen didn't care about it, but it would be a lie if he wasn't angry. However, there was no point in being angry. He didn't succeed in scamming Chu Pengzhan back then, and he even lost two billion to Lin Yi. This two million was nothing to him.

"Scorpion, go get the professor!" Jianwen hung up and ordered Scorpion.

"Yes!" Scorpion replied and went to get the professor.

Not long after, the professor walked over. "Greetings, master Wen!"

An Jianwen was now a small leader of the firewolves in Donghai city, and the professor respected him even more than before.

“Professor, li biaoan brought the latest test subject 01 to deal with Lin Yi, but there was an accident ...”
With that, Jianwen told the professor about the silver needles.

“Oh? “If my analysis is correct, then Lin Yi must’ve hit our test subject’s acupoints to knock him out ...”
The professor said after a moment of silence. “That’s a fatal flaw-I didn’t think it through before, but Lin Yi did us a big favor. We wasted a test subject, but we found the flaw-we’ll continue to fix it!”

“That’s great. ” Jianwen smiled.”This isn’t a loss. Two million for a car. Just take it as the experiment fee.”

“Yeah, we really have Lin Yi to thank for this!” An Mingyue also laughed.

However, as soon as the professor left, Jianwen’s phone rang. Jianwen’s face changed when he saw who it was!

“What’s wrong?” An Mingyue also saw an Jianwen’s weird expression and quickly asked.

“It’s Lin Yi ...” Jianwen said.

“Lin Yi? What’s he calling for?” An Mingyue was also stunned, but she still said,“Pick it up and take a look.”

“Hello? Boss Lin Yi, why are you calling me?” Jianwen said enthusiastically.

“I’m not your boss, don’t just call me that. ” “You’re the one who gave li biaoan that test subject, right?”Lin Yi asked.

“What test subject?” Naturally, Jianwen wouldn’t admit it.

“Don’t be in a hurry to deny it. I already think so. There’s no use in you explaining.” “Since your man didn’t cooperate with me at all, and you even provided him with help, I’ve decided to fine you 100 million Yuan. You have three days to transfer the money to my account.” Lin Yi said.

“Lin Yi, aren’t you going too far? Why should I give you a hundred million?” Jianwen wasn’t pleased with Lin Yi’s tone.

“Oh, if you don’t give it to me, don’t blame me for not warning you. If something goes wrong, this money won’t just be 100 million anymore.” Lin Yi said.

“Hmph, I don’t have time to listen to your threats. Don’t think that I’m easy to bully. Let me tell you, Lin Yi, Li biaoan is my underling, and he’s already given you his money. You can’t just ask for another hundred million!” Jianwen said.

“Do as you please. I’ll do the bookkeeping for you.” Lin Yi didn’t expect Jianwen to pay up right away-the guy was a stubborn man, after all, so he wasn’t in a rush.

With that, Lin Yi hung up the phone. Jianwen, on the other hand, was pissed off.”F * ck, do you think I’m a bank, asking for 100 million!”

“Lin Yi threatened you?” An Mingyue asked.

“Yes, this guy guessed that I was the one who gave the test subject to li biaoan, so he asked me for a 100 million Yuan fine.” Jianwen said.

“Those hidden houses are really useless, they can’t even take on one Lin Yi. I was hoping that they could kill him, but it seems like that’s impossible now.” “Jianwen, but don’t let your guard down-your position in the Firewolf gang is still too low. If you can move the Sky Class Masters from the headquarters, you won’t have to be afraid of Lin Yi anymore,” an Mingyue said.

“Not enough contribution points ...” Jianwen shook his head,“”Looks like I have to hurry up and continue to make money.”

Jianwen didn’t take Lin Yi’s warning seriously. After all, he stayed in the Firewolf gang’s territory every day and didn’t go out. No matter how strong Lin Yi was, he wouldn’t be able to find him.

Inside the school, inside a sports car parked in the corner, right coiling Tiger was on the phone with his uncle, you zhentian.

“Coiling Tiger, is what you said true? Lin Yi doesn’t know how to make elixirs?” You zhentian was extremely shocked when he heard the news. After all, Lin Yi was an Alchemist to house you’s knowledge. Moreover, Lin Yi had even performed the refinement of the alchemy fire at old master Tang’s birthday banquet. He couldn’t accept it when Lin Yi suddenly said that he wasn’t.

“That’s what Lin Yi said, and that’s what he asked boss Bai, but I don’t know if it’s true or not. Lin Yi’s a very cunning guy, and it’s possible that he’s hiding it from boss Bai. ” “Besides,” you Panhu said,”he knew that I was eavesdropping outside, but he still said those words. Isn’t he exposing his own weakness?” (To be continued.)

Chapter 2185: mysterious visitor

“Maybe he didn’t lie to boss Bai, but self-destruction is his weakness ... The Hidden House Summit is already over, so what if everyone knows he can’t make pills? This doesn’t affect him at all!” You zhentian analyzed,”plus, Lin Yi might not be lying at the Hidden House Summit. He said he didn’t know how to refine pills, so it might be true ...”

“If that’s the case, then we’ve missed a great opportunity. At the Hidden House Summit, we were supposed to win, but we forfeited ...” The last bit of hope in coiled Tiger’s heart was shattered. He had been lying to himself, thinking that zhentian you would agree with his deduction that Lin Yi was pretending not to know how to make elixirs, but now it seemed that Lin Yi really didn’t!

Besides, Lin Yi had no reason to lie to boss Bai. It was just like what you zhentian had said-so what if he wasn’t a refiner? Whether or not Lin Yi was a refiner was clear for all to see-the hidden houses that had grudges against him wouldn’t dare to touch him ...

“If you miss it, then so be it. We, the Hidden House of you, don’t lack natural treasures or money.” “The only thing you need to be sure of now is whether the information in Lin Yi’s hands is boss Bai’s personal notes,” you zhentian said.

“That should be it. Boss Bai personally admitted it!” “Unless boss Bai and Lin Yi are working together, but that’s very unlikely ...” Youpan Hu said.

“That’s good. What price do you think you can pay to get that information back?” You zhentian also felt that since boss Bai had admitted it, there couldn’t be any more problems. The key thing was that, as far as he was concerned, someone like boss Bai who had a high prestige wouldn’t be lying with Lin Yi.

“It’s very difficult. ” “It’s different this time,” youpan Hu said.” Lin Yi’s on high alert, and he doesn’t seem to be playing hard to get. The point is, we don’t have anything worth Lin Yi’s interest in exchange!” Lin Yi might not be interested in the things we can offer, but not a cauldron. Lin Yi already has a grade one and two cauldron, we can’t trade a grade three one, can we? Our hidden you family doesn’t even have a few of those. ”

“That’s naturally impossible. ” “A Grade 3 medicinal cauldron is a treasure,” you zhentian said, “we can’t exchange it no matter what!” But you’re right, Lin Yi won so many treasures from the Hidden House Summit this time, he wouldn’t be interested in normal things ...”

“Oh right, uncle, there’s something I don’t understand-if Lin Yi doesn’t know how to make pills, why does he want our cauldrons? Plus, why didn’t you trade with us at the Hidden House Summit?” Youpan Hu still couldn’t figure out what Lin Yi was trying to do.

“Maybe he’s trying to make us lose at the Hidden House Summit on purpose. Lin Yi sure is capable of doing that.” You zhentian thought about it and felt that this was the only reasonable reason.

“I guess so.” “I’ll go test Lin Yi’s words this afternoon, and if it’s possible, we’ll discuss the terms!”

“That’s good. I’ll go and discuss it with your grandfather.” You zhentian nodded and said.

After hanging up the phone, just as you zhentian was about to visit old master you, a very distinguished guest came to the hidden you family. He was so distinguished that even old master you personally received him. Moreover, this guest was sitting, but old master you was standing respectfully by the side!

“Young master Tian’s presence brings light to our you family’s humble dwelling!” Old master you was surprised, happy, and a little surprised. He didn’t expect the person to come this time to be the young master of the sky elixir sect, the heavenly silkworm transformation!

“You’re welcome, elder you. Sit down and talk. ” “The Hidden House of the right has always had a good relationship with our sky elixir sect, and they’ve made a lot of contributions to our sect!”

This heavenly silkworm transformation’s face was very delicate and handsome. He was an out-and-out handsome man. However, no matter how you looked at him, he looked a little sissy. In his eyes, there was a faint trace of evil, which made people not dare to look at him directly. Behind him was an ordinary-looking old man, dressed in plain, coarse clothes. Although he didn’t look particularly impressive, he was Sky Class late phase peak-it was clear how much the sky elixir sect valued this young master.

“Many thanks, young sect master!” Old man you was a little scared. The Sky Class late phase peak elder behind the heavenly silkworm transformation didn’t sit down, but he did. This showed that the young master still valued the you family.

“Last time, the recipe of the bone washing pill that your you family contributed was very good. After my grandfather’s verification, it is indeed a rare ancient recipe!” As the heavenly silkworm transformation spoke up to this point, a trace of disappointment flashed in his eyes, “However, there is a prerequisite to refining the elixir in this recipe. This is also the reason why I came to you ...”

The reason why the heavenly silkworm transformation placed so much importance on this pill recipe was because it was extremely important to the sky elixir sect, so important that it was irreplaceable! For so many years, the sky elixir sect had been searching for this recipe, and now that they’d found it, they couldn’t make it. This was the most painful thing!

This bone cleansing pill recipe was only a Grade 3 recipe. In theory, if the sky elixir sect’s old ancestor, who was also the grandfather of the heavenly silkworm transformation, the heaven, earth, and man, refined it, the success rate would still be very high. But he failed!

The ingredients on the list were rare to begin with, but he had still failed. This made the heaven, earth, and man very depressed. As a result, he could no longer rush to refine the pill. Instead, he searched through many ancient books and finally found some clues.

There was a prerequisite for this bone washing pill to be successfully refined. That was, the person who refined the pill must be an Alchemist with a pure physique. In other words, an Alchemist who had taken the bone washing pill must be able to refine the bone washing pill!

Although the people of heaven and earth didn’t know how the first bone cleansing pill was made, or how the person who made it succeeded without taking the pill, this question was like whether the chicken or the egg came first. There was no way to prove it, and the people of heaven and earth couldn’t be bothered to think about it. They just wanted to find someone who had taken the bone cleansing pill and recruit him into the heaven elixir sect. They would train him to become a powerful Alchemist and make the bone cleansing pill.

Even if this person didn’t have the talent for alchemy, the people of heaven and earth would throw all kinds of treasures at him to change his body’s attributes and make him an Alchemist! Without a fire attribute physique, one could take the inferno intense yang pill. Without a wood attribute physique, one could take the ten thousand years Spring Wood pill. All of these pills were top-tier pills that were as famous as the ice heart Jade bone pill, and could change a cultivator’s physique. It was extremely difficult to refine or collect the medicinal herbs!

Chapter 2186: Kang Zhaoming’s chance

But no matter what, no matter how difficult it was, the sky elixir sect had to concoct it. This was because the bone cleansing pill involved a grand plan, and they couldn’t afford to make any mistakes!

“Oh? What is the prerequisite?” Old master you saw the solemn expression of the heavenly silkworm transformation and quickly asked very seriously.

“Do you still have any more of these bone washing pills?” The heavenly silkworm transformation asked. If they still had more bone cleansing pills, and more than five of them at that, then they wouldn’t need

to find anyone else, nor would they need to train any alchemists. Even if they had one, it wouldn't be a problem, as long as they gave it to the people of the heavenly elixir sect.

"I've never heard of it." Old master you shook his head. "This marrow and bone cleansing pill was originally called the longevity pill and toxin cleansing pill. It was circulated in the auction of the secular world. The number of auctioned items was very limited, but the Kang family managed to get one. I don't know if they have more ..."

"Oh? "House Kang again? then I'll have to trouble old master you to contact House Kang. If they haven't taken the longevity pill yet, please ask them to bring it over as soon as possible. I'll buy it at ten times the price. If they've already taken it, please ask the person who took it to come. If they're above 30 years old, then they don't have to come ..." The heavenly silkworm transformation said.

"Yes!" Although old master you was puzzled as to why those over 30 years old couldn't do it, he didn't dare to ask. He just nodded and did as he was told.

As for the reason why the heavenly silkworm transformation required one to be under thirty years old, it was also because only those under thirty years old had the possibility of being trained to become an Alchemist. If one was too old, it would not be easy to cultivate, let alone concoct pills.

At house Kang, old master Kang, Kang Laicai, Kang Guifeng, and Kang cuipu were holding a banquet for the two brothers of house Xiao.

"Big brother Xiao Ji, little brother Xiao Ben, it's all thanks to you guys that we're in trouble this time! Otherwise, we'd be done for!" Guifeng said gratefully as he raised his glass.

Because of miracle doctor Guan's company's new product launch, house Kang's reputation and sales plummeted. They couldn't sell any of their products at all, and they had to be investigated every day. In the end, they had to pay a huge sum of money to keep the company.

House Kang, on the other hand, couldn't afford to fork out such a huge sum of money without a single cent. This huge sum of money came from house Xiao, and so house Kang was very grateful to them for stepping out in their time of need.

"That's right, the two Xiao brothers are really repaying evil with good!" CuiPu added, "when house Kang broke off the engagement, you guys let it go. You're here to help us out when we were in trouble. We're really grateful!"

"House Xiao isn't the noble House we used to be. We're just brothers in the same boat. We can only work together and stick together to preserve our prestige!" Xiao Ben sighed, "although we each have the support of a hidden house, Lin Yi's in the limelight right now. We're no match for him at all. We can only team up and live for ourselves ..."

Xiao Ben said helplessly. He thought back to the days when house Xiao was a Noble House, but now they were only a little stronger than a normal house.

"That's right, back in the day, our house Kang was full of ambition. Lin Yi, that little bastard!" Miracle doctor Kang said through gritted teeth. "Sooner or later, this old man will kill him!"

Xiao Wangba, Xiao wangdao, Kang Zhaolong, and Kang Zhaoming were all guests of the banquet, so they didn't have much to say. However, at this time, Kang Zhaoming's phone rang ...

"Zhaoming, what happened? You're still using your phone at such an important banquet?" Guifeng scolded. House Kang wasn't doing well anymore, but the old man still looked at Zhaoming differently, and that pissed him off.

"Uncle, it's a call from the hidden you family!" "Then I'll tell him that my uncle doesn't want me to take it?" Zhaoming said faintly. Should we let them fight later?"

"Gah?" Guifeng blinked, a little embarrassed at the call. "I'm just casually saying. Hurry up and answer the phone."

Zhaoming pouted and picked up the phone. "Hello, I'm Kang Zhaoming!"

"Kang Zhaoming, I'm the Head of House you, get your Grandpa on the phone!" Old master you only had Kang Zhaoming's phone number, but he didn't tell Kang Zhaoming about such an important matter. He went straight to Kang Laicai.

"Alright, please wait a moment!" Kang Zhaoming didn't think that elder you would call house Kang directly. This was a good thing! He quickly passed the phone to his Grandpa and said respectfully, "Grandpa, a call from the you family's head!"

"Ah!" Miracle doctor Kang heard that it was elder you's call and took it carefully, "Old master you, I'm old Kang!"

"Miracle doctor Kang, there's something I need to ask you," Old master you said, "didn't your Kangs get a longevity pill?" Does this pill still exist?"

"Yes, we did get a life-prolonging pill, but ..." Old master Kang smiled bitterly.

"But what? Could it be that there's something wrong with the pill?" Old master you asked.

"There's no problem ... It's just that the pill ... The pill was eaten by a dog ..." Old master Kang didn't dare to hide anything and said carefully.

"What? You're saying that this pill was ... Eaten by a dog? Your family fed the pills to the dogs?" Old master you felt that it was a little outrageous. The way house Kang did things was really strange.

"We didn't feed it to the dogs, we were just accidentally eaten by the dogs ..." Grandpa Kang smiled bitterly.

"Young sect master, house Kang's longevity pill has been eaten by a dog ... What do you think?" Old master you also turned his head helplessly to look at the heavenly silkworm transformation.

When the heavenly silkworm transformation heard this result, they didn't know whether to laugh or cry. "It's no use for a dog to eat it, it must be eaten by a human!"

"Old master Kang, I'm sorry, but it has to be eaten by a human ..." When old master you heard that the pill was eaten by a dog, he lost interest and said lightly, "I wonder if old master Kang knows who else has taken this pill?"

“Who else has eaten this pill ...” Grandpa Kang frowned. He didn’t know why Grandpa you was asking about this, but he had an idea and really thought of one person! “My grandson Kang Zhaoming took half of this pill before, I wonder if it’ll work?” he quickly asked.

“Half a pill?” Old master you was stunned and turned to look at the heavenly silkworm transformation.

“Let him come over, I’ll take a look.” The heavenly silkworm transformation said. (To be continued.)

Chapter 2187: movie invitation

“Old head Kang, get Kang Zhaoming to come to the Hidden House you right now. I’ll send the address to Kang Zhaoming’s phone, get him to drive over immediately!” Old master you said.

“Okay, I’ll go with Zhaoming as soon as possible!” Old master Kang didn’t know what the Hidden House you wanted, but it wasn’t a bad thing to keep in touch with them.

“No need, just Kang Zhaoming alone will do!” Old master you said. The sky elixir sect was a secret, so he naturally couldn’t tell anyone, nor could he let too many people come.

“Alone? that’s fine too. I’ll let him go over now.” Old master Kang said.

Elder you didn’t say anything else and hung up. Elder Kang was confused, but he still told Zhaoming to get ready and rush to the Hidden House you ...

.....

Lin Yi returned to class in the afternoon to find Xinyan focused on her book, while Jingjing was doing some calculations on her tablet. Lin Yi walked over and placed the notes boss Bai gave him on Jingjing’s desk, “This is an Alchemist’s personal notes. Take a look and learn from it ...”

“Okay, thank you, Lin Yi bro!” Han Jingjing put down her tablet and was about to pick up the documents when a person suddenly appeared with a “whoosh,” scaring her.

“Lin Yi, didn’t you say that this information can’t be shown to just anyone? Why did you let han Jingjing see it?” Yu Panhu had just entered the classroom when he saw Lin Yi passing the materials to han Jingjing. He was so excited that he ran up to Lin Yi and pointed at him.

“What? You’re thinking too much. ” Lin Yi’s hand was faster, he quickly picked up the documents and hid them behind his back, “I gave her something else, not an Alchemist’s personal notes!”

“Ha! Lin Yi, you’re confessing, aren’t you? Personal notes of an Alchemist? Didn’t you tell me earlier that the documents in your hands are the same as the ones you showed me last time? How did it become an Alchemist’s personal notes?” Youpan Hu seemed to have caught onto Lin Yi’s weak spot as he yelled out excitedly, “Also, how do you know that I’m talking about the personal notes of an Alchemist? I’m only talking about the information, and you’re giving me so much detail. Lin Yi, Oh Lin Yi, even the wisest man will make a mistake!”

Lin Yi’s face changed, a little unnatural. He frowned and said coldly, “So what if you’re right? The information is in my hands, I can show it to whoever I want to, what does it have to do with you?”

“Hehe, it has nothing to do with me, but back in boss Bai’s office, boss Bai seemed to have instructed you not to let anyone else see this information. Now that you’ve shown it to han Jingjing, what’s going on?” Youpan Hu thought that he had something on Lin Yi, and said proudly, “Well, it’s just one person, and you won’t lose anything if two people look at it. If you look at it for me, I won’t report you to boss Bai!”

“Oh, then you should go.” “You don’t have any evidence anyway,” Lin Yi said faintly.

“I ...” Right-hand Tiger didn’t expect Lin Yi to reject him so directly. He wanted to get the information, but he couldn’t report it. If he did, no one would be able to see it! Right Panhu had no choice but to say, “Lin Yi, it’s not like I’m looking for nothing. Like last time, I’ll trade something good for it!”

“Exchange? I’ve seen your house you’s trash at the Hidden House Summit, and there’s nothing I’m interested in.” Lin Yi said.

“Hehe, it’s not like we only have a few things. Our hidden you family has a big business and some precious treasures.” You Panhu lowered his voice and said enticingly. From Lin Yi’s tone, he could tell that there was a chance-if Lin Yi wanted to reject him, he didn’t have to say that there wasn’t anything he was interested in-he could just reject him.

As a result, from Yu Panhu’s point of view, Lin Yi was actually a little afraid that he would report it to boss Bai. Since he had already shown it to han Jingjing, there was no harm in showing it to Yu Panhu. It was just that Yu Panhu didn’t offer anything that Lin Yi was interested in, so Lin Yi refused.

“Oh? What’s there?” Lin Yi asked after some hesitation.

“If you want to change, I can call my uncle and ask for his permission.” You Panhu said.

Lin Yi went silent, as if he was thinking about the pros and cons of the whole thing. The more he thought about it, the more Yu Panhu felt that this was a good idea! He wouldn’t be this cautious if the information wasn’t important.

“Tell me first, what treasure do you want in exchange? if it’s really something good, then ...” Lin Yi didn’t continue, “You know ...”

“Haha, I understand, I understand. Don’t worry, I’ll just read it. I won’t say anything.” Youpan Hu was overjoyed. He nodded and went back to his seat. Class was about to start. If he continued to stay here, it would definitely arouse boss Bai’s suspicion. Also, he had to discuss with his two subordinates, the yellow-haired and the purple-haired, what treasure should he use to exchange for it?

“Forget it. I’ll give it to you when I get back tonight. Right Panhu is watching!” Lin Yi said.

“Yeah, I know, Lin Yi bro’s going to screw him over again.” Han Jing Jing nodded.

“Ha ...” Lin Yi smiled.

Han Jingjing continued to study her tablet, and Lin Yi turned to Wang Xinyan. He hesitated for a moment before asking, “Xinyan, are you free tonight?”

“At night? Is it tonight?” Xinyan didn’t quite understand what Lin Yi meant.

“Yeah, if you’re free, Let’s Go To The Movies.” Lin Yi said.

“Ah? Let’s ... Watch a movie?” Xinyan blushed-was he asking her out? Should I ... Agree? Wang Xinyan realized that she didn’t know when she started to feel conflicted. She had a fiancé, but she also had the urge to agree to it.

“Yeah, today is Bai Weitao’s first date with he meiyue, and he insisted on asking us to accompany him.” Lin Yi said.

“Is that so ... It doesn’t seem like there’s anything else, let’s go then ...” Xinyan let out a breath of relief, but at the same time, a little disappointed. So Lin Yi wasn’t asking her to go on a date, but for her to go on a date with someone else.

However, this reason also gave Wang Xinyan a legitimate reason to go to the movie with Lin Yi.

“It’s hot in the cinema, you can wear less clothes ...” Lin Yi didn’t want to miss this great opportunity to train. The movie was far less attractive to him than the smell on Xinyan’s body, and since he was going to watch a movie with Xinyan, how could he not take the chance to train?

Chapter 2188: good news

“En ...” Wang Xinyan’s face blushed and snorted. She knew what Lin Yi meant, but she still blushed unconsciously.

Since he was going to the movies tonight, Lin Yi naturally had to inform Chu Mengyao and Chen Yushu. He texted them and explained the reason. Since the purple lightning Beast was in the villa, Lin Yi didn’t have to worry about anyone doing anything to them.

The Miss looked at the message on the phone and frowned slightly before passing the phone to Shu.

“Shield bro’s going on a date with Fox King?” Yushu said, surprised at the text.

“You’re not Fox Wang, so don’t give her that nickname. Wang Xinyan’s a nice person. ” At least Mengyao didn’t hate her, and since she couldn’t change anything, she could only accept it. She felt that Xinyan and Lin Yi being together was far better than being with a jealous woman.

“So, Yaoyao sis supports her?” Chen Yushu replied.

“I don’t have the final say in whether I support it or not.” Mengyao sighed, a little depressed. Why didn’t Lin Yi look for a wife at home if he wanted to? However, Chu Mengyao thought about it again. If he asked her, would she agree?

She’d been through too much with Lin Yi, and she couldn’t let go of that reserved feeling in her heart. She and Lin Yi were more like good friends, the kind of friends that weren’t very close, but cared about each other ...

There were some things that were missed, and Mengyao didn’t know how to make it back. She felt that she and Lin Yi were already too familiar with each other, to the point that they could only continue to be friends ... But was that really the only thing they could do?

“What’s wrong, Yao Yao?” Yushu asked, noticing Mengyao’s dazed expression.

“It’s nothing,” “Shu, if you like Lin Yi, then don’t hesitate. Compared to Wang Xinyan, I’m more supportive of you,” Mengyao said faintly.

“Me ...” A faint loneliness flashed in Yushu’s eyes, but she still smiled. “My happiness is all with Yaoyao sis. When you become shield bro’s main wife, I’ll be the second wife.”

“But, do you think I can become the first wife?” “Lin Yi doesn’t like me,” Mengyao replied.

“Who says he doesn’t like her? it’s just that Yaoyao sis doesn’t take the initiative. Shield bro doesn’t know what you’re thinking, so he didn’t dare to act rashly. Plus, he was your bodyguard before. What bodyguard would steal from a lady?” “Shield bro’s not a bodyguard anymore, so I think Yaoyao sis has a chance!” Yushu said.

“Forget it, I was just joking ...” Chu Mengyao backed off again.

“Fine ... Let shield bro and Fox Wang go on their dates then. It doesn’t matter if she’s with us, as long as she’s not one of those bossy mistresses, Shu can accept that.” Chen Yushu replied.

Kang Zhaoming ran all the way to the Hidden House you, but the person who received him wasn’t old man you, but the current head of the house, you zhentian.

“Greetings, young master you!” Zhaoming said politely.

“No need to be so polite, Zhaoming, come with me!” You zhentian seemed to be in a hurry. As soon as Kang Zhaoming arrived, he quickly brought him to a secret room. This secret room was where old man you received the young master of the heavenly elixir sect, the heavenly silkworm transformation.

Kang Zhaoming entered the room and saw old man you, the beautiful young sect master, and the sky Class late phase peak who looked ordinary but was extremely strong.

“Zhaoming greets old man you ...” Zhaoming only knew the old man, so he only bowed.

“Zhaoming, this is the sky elixir sect’s young master Tian, and this is the sky elixir sect’s fifth elder,” Old master you quickly introduced.

Zhaoming’s heart skipped a beat-he didn’t think that the person in the room would be of this level. He knelt on the ground, “Zhaoming greets young sect master Tian, fifth elder ...”

“You’re Kang Zhaoming from house Kang, right? don’t be nervous, get up and talk.” Tian can Bian waved his hand and said indifferently, “Speaking of which, you’re a great hero to our sky elixir sect, getting us the recipe for the bone cleansing pill ...”

“I just got it by chance, it’s not worth mentioning ...” Zhaoming’s mind was spinning-it seemed like this young master Tian didn’t have any bad intentions towards him, which meant that he was here for something good!

“Fifth uncle, check his Constitution!” The heavenly silkworm transformation ordered the fifth elder.

“Yes!” The fifth elder moved like lightning and grabbed Zhaoming’s wrist, checking it carefully.

Zhaoming didn't see how the fifth elder got to his side, but he was very cooperative. He couldn't do anything to the fifth elder here anyway, so he might as well wait and see what they were up to.

"His body is very pure. He can basically meet the requirements, but his kidney is a little weak. There's a wood element in his body, but no fire element ..." The fifth elder reported Kang Zhaoming's body condition expressionlessly.

"There's even a wood attribute?" This caused the heavenly silkworm transformation to be somewhat surprised! He'd prepared himself for the possibility that Zhaoming was an idiot at pill refining, but he didn't expect him to have a wood element. With that, a single pill would solve this problem.

As for his kidney deficiency, it wasn't a problem for the heavenly silkworm transformation. The sky elixir sect could just give him some pills to recuperate.

"Not bad, there's a wood attribute!" The fifth elder nodded.

"Good, very good!" The heavenly silkworm transformation was very happy. They didn't expect this matter to be resolved so easily. They had thought that it would take a lot of effort.

Zhaoming didn't know what they were talking about, but he didn't dare to ask. He just stood there and waited.

"Kang Zhaoming, are you willing to become a core disciple of the sky elixir sect? the fifth elder will take you in as a disciple, and my Grandpa will personally guide you in alchemy?" The heavenly silkworm transformation looked at Zhaoming.

"Ah?" Kang Zhaoming was dumbfounded. He didn't think that a meat pie would fall from the sky, and it was a huge meat pie! Join the sky elixir sect and become their disciple? Furthermore, he was a core disciple? Most importantly, he had an elder as his master. If that wasn't enough, he also had his grandfather, who was in the heavenly silkworm transformation, to guide him!

This treatment was way better than the normal disciples of an ancient sect. If Zhaoming worked hard, he'd definitely get an elder position in the future! An elder of the sky elixir sect! Just thinking about it made his blood boil!

However, Kang Zhaoming wasn't as stupid as he used to be. He was still a little cunning. He knew that something as good as this wouldn't happen without a reason!
