

Bodyguard 2192

### Chapter 2192: it's for you

"Right, your house Zhao-that guy from the Ice Palace test with Yu Shan, that Zhao qikun or something, where did I get to see him a few days ago?" Lin Yi asked.

Lin Yi didn't see qikun at all during the Hidden House Summit, but he didn't want to expose his relationship with him, so he didn't ask.

After that, qikun didn't contact Lin Yi either-this made him very suspicious. Where did this guy go?

So when he saw Zhao Qibing, he just asked casually.

"Zhao qikun ..." Zhao Qibing's eyes looked weird when he mentioned the name, but he still shook his head,""I haven't seen him in a long time too. Boss Lin Yi, you're looking for him?"

"I'm just asking, this kid was with Yu Shan during the test trying to set me up, I was planning on teaching him a lesson a few days ago." Lin Yi said.

"Oh ..." Zhao Qibing heaved a sigh of relief, as long as they weren't looking for trouble,""I don't know, I'm not close to him."

Lin Yi saw that Qibing's eyes were flickering-he was definitely hiding something, but he couldn't ask too many questions. Qibing would get suspicious if he did. The kid wasn't very smart, but he wasn't an idiot.

"Since that's the case, it's fine. I was going to ask him for some money." Lin Yi waved his hand, signaling for Qibing to leave.

Qibing quickly left after hearing that Lin Yi was fine. He was afraid that Lin Yi would remember something if he stayed any longer.

"I'll give it to you." Lin Yi said as he handed the keys to Xinyan.

"Ah?" Xinyan's eyes were wide open as she looked at the keys in Lin Yi's hand."Give ... Give it to me?"

"Yes, your car is too small. It's not convenient to drive it. It's more convenient to have a big car." Lin Yi said.

He meiyue looked at Wang Xinyan with a hint of envy in her eyes. This Lin Yi was really something, getting two cars in one day and being so generous, giving one to Bai Weitao and Zhao Shengyi, and one to Wang Xinyan.

Xinyan didn't know what to say-she didn't know if she should accept it or not. If she did, what would be her relationship with Lin Yi? Accepting such an expensive gift from him? If he rejected it directly, Lin Yi would be embarrassed in front of everyone.

And so Xinyan hesitated. She knew that Lin Yi wouldn't care about a car, and she herself didn't care about a car, either. Her sports car wasn't any cheaper than this Porsche Cayenne, anyway. But if she accepted it, it'd confirm her unclear relationship with Lin Yi.

In fact, Lin Yi didn't have any other intentions! He got angry when he saw Zhao Qibing-he just got a car from him, but now that he had it, he had nowhere to go! The Miss and Shu had their own cars in Lin Yi's garage-an Audi S5, a Land Rover, a beetle, and now a Grand Cherokee.

Lin Yi and the Miss didn't need a car, but the genius han Jingjing had a BMW X5M, but she didn't even drive it. She used the excuse of saving fuel to get in Lin Yi's car, so Lin Yi really didn't know who to give the car to.

Of course, Lin Yi couldn't just give it to he meiyue or Chai Xiaoling for nothing. One car was enough for Bai Weitao and Zhao Shengyi, and the rest was for Wang Xinyan.

"Alright ..." Wang Xinyan hesitated for a moment, but still took the car keys.

So what if she had an unclear relationship with Lin Yi? She was only engaged to Zhaolong, not his wife. She didn't have to care about what others did, did she? Why should he be so careful? Wang Xinyan had always been submissive, but at this moment, she suddenly felt a little rebellious.

As far as she was concerned, her relationship with Lin Yi was already a little ambiguous, so a car wasn't a big deal! During the military training, the two's relationship was rumored to be even more ambiguous. They sat together every day in school. Zhaolong would marry if he wanted to and break off the engagement if he didn't want to.

"Xinyan, why do you still look so unwilling?" "If you don't want it, I'll line up with Ling!" He meiyue laughed.

"Haha ..." Wang Xinyan smiled quietly and put away the car keys.

"Boss, you're too awesome. I've lived for so long, but this is the first time I've seen such an awesome person. He doesn't need to buy a car, and someone else is giving him a car, and two a day!" Bai Weitao said in admiration.

"Let's go watch the movie. It's about to start, right?" Lin Yi said.

"As expected, let's go!" Bai Weitao looked at the time on his phone and exclaimed.

Bai Weitao had bought the couple's set on the internet. It was a three-seater couple's booth with some free popcorn, soda, and other things.

The entertainment venues near the University town basically had group-bought tickets online for college students nearby. The cinema was basically full of students.

The six of them entered the cinema and found their seats according to the group ticket. Then, Bai Weitao took the tickets to get popcorn and other snacks.

Xinyan blushed a little as she looked at the couple's booth. It was her first time going to the cinema with a boy, and it was a couple's booth, too-she wasn't used to it.

Sitting with Lin Yi wasn't a big deal-on the train, on the plane, on the exam grounds, in the car, in the classroom-they'd always sat with Lin Yi, and even slept in the same tent during military training, but that was a group activity ... This time, however, was a little different.

Xinyan was a little uncomfortable in the booth seat, not knowing where to put her hands and feet.

Moreover, in front of the booth, there was a folding door that could be locked from the inside after being closed. This design obviously made people's imagination run wild.

Of course, it wasn't surprising that there was such a design near the University town, where there were many universities. Most of the people who came here to watch the movie were couples in love. If they did something out of line while watching the movie, it would affect others if they didn't cover it up. It was also easy for people to peek at them. Therefore, the design of the pages was humane.

If they were ordinary roommates, they could choose the non-couple seats in front. Lin Yi and Xinyan weren't a couple, but they did because of the group purchase.

"Actually, it's my first time here too ..." Lin Yi said with a smile after seeing the unnatural expression on Xinyan's face.

"Ah ..." Xinyan blinked. "You ... You and your girlfriend never came here?"

"No..." Lin Yi shook his head, "It seems that Bai Weitao's intention is not pure!" (To be continued.)
