

Bodyguard 2194

Chapter 2194: promoting goods

It wasn't her first time hugging him-she'd slept like this every day during the military training, too, so it wasn't a big deal. As long as Lin Yi didn't go overboard, she'd just treat it as a friendly hug!

Besides, even worse things had happened during the military training, and Xinyan's fragile heart had been completely destroyed.

Lin Yi only hugged her as he trained, and as expected, he didn't do anything out of line. This made Xinyan's tense heart and stiff body relax, and she slowly got used to it. So ... Being hugged by a guy wasn't that bad after all ... Xinyan comforted herself.

At this moment, all the engagement and restraint were thrown to the back of her mind. She was quiet, and nothing was in her mind as she enjoyed the peace and quiet of this moment ... What was that saying again? Since he couldn't resist, he would just enjoy it quietly ...

"Handsome guys and beautiful girls, do you want to buy something good?" A sudden voice broke the silence, and Xinyan looked at the pimple-faced young man who'd just appeared out of nowhere. She subconsciously moved to the side, wanting to keep some distance from Lin Yi-she felt like she'd been caught red-handed.

Lin Yi opened his eyes as well. Although he was cultivating in the Jade space, his spiritual sense was still connected to the outside world. Lin Yi noticed this person's appearance. He thought that it was a member of the audience who went to the toilet in the middle of the session, but it turned out to be a salesman.

"I'm not buying." Lin Yi said.

"Don't be in such a hurry, handsome, let's take a look first!" The pimple guy seemed to have expected Lin Yi's rejection, but he wasn't in a hurry. He took out a few small boxes from his bag,"Condoms, they're really good to use. There's luminous ones, spiral ones, super thin ones, transparent ones, colored ones ..."

"We don't want it ... Just leave ..." Xinyan said, blushing as she looked at the man's ridiculous amount of condoms.

"Uh ... Don't be shy, beautiful lady. My things are all genuine and of the best quality. Many couples over there have bought them!" The pimple guy didn't expect Xinyan to flip out, but he still tried his best to promote her."Look, a lot of couples near you have bought it. If they start doing something, you'll definitely hear the sound. What if you're not prepared and you lose your life on impulse? it's not worth it ..."

"I already said I don't want it, how can you be like this ..." Wang Xinyan was a little displeased. After all, she was a girl, and she wasn't Lin Yi's girlfriend yet. It was embarrassing to be promoted like this.

"Oh ... I know ..." The pimple guy lowered his voice as if he'd just figured something out,""Brother, your girlfriend is so angry, are you okay with it? I still have some viagra, the effect is really good!"

"Ahem ..." Lin Yi was depressed, but it wasn't worth it to beat him up. Lin Yi didn't want to waste time with him. He waved his hand, "Alright, I won't buy the medicine. I'll buy one of the condoms you sold before."

"One is not enough. Brother, you're such a fierce man. You should at least do it seven times a night!" The pimple guy said.

"Didn't you just say that I can't do it ...?" Lin Yi was speechless.

"I'm just joking. Brother, you want to buy the set meal? It's the same, all kinds of enjoyment!" The pimple-faced man took out a self-sealing bag with one of each type of condom inside.

"Alright, how much is it?" Lin Yi asked.

"One hundred Yuan." The pimple guy said.

"You're really black." Lin Yi took out a hundred Kuai and sent the pimple man away. As for the bag of condoms, Lin Yi put it in his coat pocket.

"He's finally gone ... Why did you buy that thing?" Xinyan looked at Lin Yi, alert.

"Can he walk if I don't buy it?" "If we don't buy it now, who knows what he'll come up with ..." Lin Yi didn't know whether to laugh or cry.

"You're right ..." Wang Xinyan realized that she had misunderstood Lin Yi, and was a little embarrassed, "Why don't we close this folding door? Otherwise, what if there are more sales later?"

"That's fine too ..." Lin Yi had the same idea, but he was afraid that Xinyan would think he was up to something. He didn't think that Xinyan would bring it up herself.

Xinyan was actually quite scared of that guy-he could've sold anything, but he had to sell condoms! What an embarrassment!

Lin Yi closed the door behind him, turning the booth into a small room. It was dark without any light, and Xinyan subconsciously froze ...

"Ha ... Just treat it as military training in the tent." Lin Yi said.

"En ..." Xinyan wasn't as nervous anymore after hearing Lin Yi's words. She remembered that she'd spent time alone with Lin Yi many times already, and there was no need to be on guard. If Lin Yi wanted to do something, he would've done it already.

"Ugh ... Is it okay for me to hug you like this ...?" Lin Yi realized that he was still hugging Xinyan with his left arm. He'd completely forgotten about this because of the pimple guy ...

"You still dare to say that!" "I'm not okay, take it away!" Xinyan said, a little embarrassed.

"Okay, I'll take it off later ..." Lin Yi could tell that Xinyan wasn't really angry, and smiled.

"Hmph, you're so annoying! You're insatiable!" Xinyan hmped and closed her eyes, ignoring Lin Yi.

Lin Yi smiled awkwardly and closed his eyes to continue his training.

Xinyan wasn't really pissed off-to be honest, she'd be used to being in Lin Yi's arms if he didn't bring it up, and she'd even forget that she was still in his arms ... It was a familiar feeling, and she didn't feel like resisting anymore ...

Xinyan fell asleep-maybe it was because she was too nervous today, or maybe it was too easy to get sleepy in this environment. Lin Yi was training, too, and she didn't have much to do, either, falling asleep ...

Xinyan was asleep ... And to Lin Yi's shock, he realized that her scent was the strongest when she was in Dreamland, and his practicing speed increased again!

Lin Yi couldn't stop himself from thinking about this magical phenomenon-he missed the military training a little. How nice would it be if he could hug Xinyan to sleep every night, but he knew that it wasn't realistic!

Xinyan's fiancé wasn't a big deal-Lin Yi didn't even see Zhaolong as a love rival. He was more concerned about Xinyan's feelings!
