

Bodyguard 2195

Chapter 2195: discovered

Lin Yi liked Xinyan, but he didn't know what to say.

Xinyan might think that he was after her scent if he told her all this, so Lin Yi decided to just leave it at that ...

Plus, what big wife and small wife? Lin Yi decided to ask Xiaoxiao about it himself. He always felt like he had a big wife. Did he really not have one?

The movie ended in a blink of an eye, but Lin Yi didn't stop practicing-he didn't want to give up on this once-in-a-thousand-years opportunity. If he woke Xinyan up, the practicing effect would be greatly reduced.

Lin Yi didn't want to disturb them, but someone had to ...

Knock, knock, knock ... Outside the folding door, there was a knock on the door, and then Bai Weitao's loud voice,""Big brother Lin, the movie has ended. Are you still not coming out?"

Lin Yi opened the door helplessly, and Bai Weitao and Zhao Shengyi looked into the room curiously ...

Xinyan yawned as well, stretching and rubbing her eyes,""Has the movie ended ..."

"There's an affair!" Bai Weitao looked at Wang Xinyan in Lin Yi's arms with a weird smile,"Boss, you can't deny it even if you don't want to now, right? They hugged each other to sleep ..."

"Yeah, I wonder if he did anything that wasted his energy before? Otherwise, how can you fall asleep while watching a movie?" Zhao Shengji also had an ambiguous smile.

"There's no such thing. " Lin Yi smiled faintly and let go of Xinyan."This movie is too boring. We all fell asleep just now ..."

"Are you bored? It's very good!" He meiyue looked at Lin Yi and Wang Xinyan mischievously,"This time, Xinyan, do you deny it?"

"What am I denying?" Xinyan said, a little embarrassed.

"You're denying your relationship with Lin Yi!" He meiyue said.

"We ... We're good friends ..." Xinyan said, blushing.

"Good friends can hug each other to sleep?" He meiyue asked.

"We used to sleep together during the military training, it's no big deal ..." Xinyan wanted to explain, but realized that she'd let it slip ...

He meiyue and Chai Xiaoling's eyes widened, while Bai Weitao and Zhao Shengji looked as if they had understood.

"So there was an affair all along! That's not right, you've been hiding it all this time!" He meiyue said.

"Alright, the movie is over. Go back early." Lin Yi didn't reply and only replied faintly.

Bai Weitao, he meiyue, and the others didn't hesitate any longer. They left the cinema and went to the parking lot, only to remember that there were two cars now.

"Xinyan, you can drive one, and Bai Weitao can drive one." Lin Yi said.

"Yeah ..." Wang Xinyan nodded.

And so, Lin Yi, Zhao Shengyi, and Bai Weitao got into one car, while Xinyan, Chai Xiaoling, and he meiyue got into another. The two cars headed towards the school together.

"Boss, you're so mean. You keep refusing to admit it!" Bai Weitao said after he got into the car.

"Ha, let's not talk about me. Let's talk about you guys. How is it? any progress?" Lin Yi asked.

"I ... Don't even mention it, I can't even touch your hand ..." Bai Weitao sighed, "It seems like I still need to work harder ..."

"Hehe, I've made some progress. Chai Xiaoling let me kiss her. Of course, it's nothing compared to boss ..." Zhao Shengji said.

"Wang Xinyan and I ..." Lin Yi wanted to say that there was really nothing going on between them, but he decided to do it after some thought, "Forget it, let's not talk about this."

Lin Yi got off at the school gate-he didn't stay in the dormitory, so he walked back to the xueshang District, which wasn't far.

After returning home, Chu Mengyao and Chen Yushu were watching TV in the living room, and grandma sun was cleaning the house.

"Mr. Lin, you're back. I'm going to wash my clothes later. Do you want to wash your coat?" Granny sun asked.

"Then take a shower." Lin Yi took off his jacket and handed it to granny sun.

Lin Yi went back to his room to change his clothes, while granny sun took out everything from Lin Yi's coat and placed it on the coffee table before going to the laundry room.

"Eh? What is this?" Chen Yushu looked at the colorful stuff that granny sun took out from Lin Yi's pocket and picked it up, confused."Can it be eaten?"

"What ..." Chu Mengyao took a closer look at the item and was speechless. Lin Yi bought this?

"Ultra-thin? Night light type? Screw type? What are these things?" Chen Yushu looked at the things in her hands curiously. Finally, she saw some words on a small package,"Super cool super luxuriant condom ... Pfft, I know, shield bro and the king Fox had sex!"

"It shouldn't be that fast, right?" Mengyao didn't think Lin Yi was that kind of person-he hadn't even gotten to that level with Xiaoxiao and Tang Yun yet, and he'd slept with a new classmate, Wang Xinyan? Was that even possible?

"So it's premeditated?" Chen Yushu replied.

"Why don't you ask him later ..." Mengyao was curious as to why Lin Yi would buy this thing, but she couldn't ask. She left the task to Shu.

"Ah, okay." Chen Yushu nodded.

After a while, Lin Yi changed into his home clothes and walked out of the room. He looked at the Miss and Shu with strange gazes. Lin Yi looked at his own clothes as well. The buttons weren't fastened in the wrong place.

"What are you guys looking at?" Lin Yi asked.

"Shield bro, Yaoyao sis wanted me to ask you, what are these condoms for? Are you thinking of F * cking me and Yaoyao sis in the middle of the night?" Chen Yushu raised the bag in her hand and asked.

"F * ck!" Mengyao smacked the back of Yushu's head."Shu, what're you shouting for? Why am I the one who asked you to ask?"

"You were the one who said it, let me ask you later ..." Chen Yushu held her head and said,""Genius Shu's been beaten silly."

"I didn't ask you to say the second half of the sentence." Mengyao said.

"Oh, Shu added that herself." Chen Yushu replied.

Lin Yi didn't know whether to laugh or cry at the two."The thing you're talking about is being promoted by someone in the cinema. If I don't buy it, he'll just drag it on and on. I have no choice but to buy it and give it to you."

"We don't want to." Mengyao didn't suspect anything after hearing Lin Yi's explanation.

"You can fill it with water and play with it like a water ball." Chen Yushu replied.

"Why don't you blow a balloon?" "You're so old already, don't you know what's good for you?"Mengyao glared at Yushu.

"Oh, we'll keep it then. If shield bro wants to F * ck us in the future, we won't have to go out and buy it anymore."
