

Bodyguard 2198

Chapter 2198: stopped again

Of course, there were also those who were lucky enough to complete their missions and return, and they did receive a generous reward from the sky elixir sect!

A third-grade pill! You can choose any Tier 3 pill that the sky elixir sect has! This reward was enough to make all the families go crazy, but because it was too dangerous, they couldn't send their powerful core disciples to the trial. If they died, they would have nothing, not even the pills.

After all, there were very few people who could get their hands on pills. So, all these years, the disciples who participated in the sky elixir sect's trial were either the sons of concubines of the family, afraid that they would threaten the direct descendants in fighting for the position of family head, or the disciples with other surnames. If they died, then so be it, but if they succeeded, they would receive Supreme glory and great rewards.

"We've already chosen Zhao Qibing as the next heir-if Zhao qikun is still alive, he'll always be a threat!" Elder bi said while the iron was hot.

"Alright, I'll find a chance to talk to qikun ..." Old man Zhao sighed. Qikun was his grandson after all, and he didn't have high hopes for him, but he didn't want anything to happen to him. If it wasn't for the fact that he wanted to tip Lin Yi off about the Hidden House Summit, old man Zhao wouldn't have decided to send him away!

"Actually, you don't have to be so hard on yourself, old head-a while back, during the family meeting, they talked about this sky elixir sect test, and qikun was actually quite enthusiastic about it." Elder bi said faintly,"he knows his position in the house. He knows that if he wants to get higher, he has to make more contributions. So, we sent him to the test. It's his wish."

"Alright ..." Old master Zhao finally made up his mind.

Qikun was very depressed-he didn't think that he'd be caught red-handed by Qibing when he called Lin Yi! He couldn't explain himself with the call history in his phone, and he couldn't! What reason could he have to call Lin Yi?

Qikun didn't think that even if he made it up, elder bi and the old man would see through it.

And so, qikun felt that he was really unlucky-it was already difficult enough being in the Hidden House Zhao, and the higher-ups didn't think well of him-he wanted to have some power in house Zhao, and he had to find a new way to do it. This time, he saw Lin Yi representing the Hidden House han in the competition, and he wanted to tell Lin Yi that Qibing's car was modified, but before he could spread the news, Qibing and elder bi caught him red-handed!

And so, qikun was put under house arrest-he was worried, but there was nothing he could do. All his communication devices had been taken away, so it was impossible to contact him even if he wanted to.

.....

Lin Yi arrived at the school and saw Xinyan's Porsche Cayenne in the parking lot-the damage was still there, and it seemed that Xinyan didn't have time to get it repaired at the 4S shop yet. However, Bai

Weitao's Audi Q7 wasn't parked there, and Lin Yi guessed that he heard the conversation from the boxing club.

He walked to the biology Department building with Han Jing Jing. Just like last time, he was stopped by right coiling Tiger, yellow-haired, and purple-haired.

"I say, right coiling Tiger, why are you doing this again? What are you up to this time?" Lin Yi could guess what right Panhu was thinking, but he didn't show it on his face.

"Ha, Lin Yi, there's something I want to talk to you about. I want to make a deal with you. You know, there are some things that can't be said in class-it'd be bad for both of us if boss Bai heard it!" You Panhu said.

"What did he say? Don't tell me you're thinking of getting that information again?" "I'm not going to trade with you this time, don't even think about it," Lin Yi said with a cold smile.

"Don't ... Let's talk this out!" Yu Panhu saw Lin Yi's firm attitude and felt that this was the real deal. Otherwise, Lin Yi wouldn't be so firm. He would've played hard to get.

"I don't have anything nice to say to you," Lin Yi said faintly.

"Lin Yi, there's a saying that goes, there's nothing you can't buy in this world, it's just a matter of whether you have enough chips!" "You don't want to hear my offer," youpan Hu said."Don't be in such a hurry to refuse."

"I'm not interested," With that, Lin Yi pushed right Panhu away, ready to leave with Jingjing.

"Eh? Wait a minute!" You Panhu became anxious and said,"how about five second-grade medicinal pills?" This is enough, right?"

"I don't want to." Lin Yi said.

"Lin Yi, don't be so ungrateful. I already know that you're not an Alchemist. You must be in need of pills. Five second class pills, think about it, they're worth cities!" You Panhu said.

"Are you retarded? If I'm lacking in pills, I'll have plenty of chances to exchange for them at the Hidden House gathering. Why wouldn't I take them?" Lin Yi asked.

"You ... Didn't you intentionally make me raise the conditions of the alchemy competition to create the illusion that you are an Alchemist?" You Panhu said.

"You're thinking too much," "I've won so many matches, one more won't make a difference. Plus, I didn't win at all," Lin Yi said faintly.

"Didn't you want the small Qi gathering pill? How about five small Qi gathering pills?" "I can help the few people around you break through to Earth Class, that's my bottom line!"

"Is there any difference between five small Qi gathering pills and five second-grade pills?" Lin Yi looked at him mockingly."Alright, stop playing word games. I don't have time. I have to go to school. You can play here by yourself."

With that, Lin Yi left with Han Jing Jing, leaving behind you Pan Hu, who was still complaining, "F * ck, even five second-grade medicinal pills can't do it?"

"Young master you, Lin Yi didn't hold anything back this time, and he wasn't putting on an act. I think the information he has is very important, or he wouldn't be unmoved. After all, just by showing us the information, he got five Qi gathering pills for free," The yellow-haired man said.

"That's right, I think Lin Yi thinks we're lacking in chips." The purple-haired guy said.

"I'll discuss it with my uncle ..." Right Panhu had no choice but to take out his phone and dial his uncle's phone ...

Hidden house you, after Zhaoming left, zhentian you carefully walked into the secret room of the heavenly silkworm transformation with an ancient looking medicine cauldron.

"You zhentian pays his respects to young sect master Tian!" You zhentian bowed respectfully to the heavenly silkworm transformation, then carefully said to old master you, "Father, I've already brought that treasure ..."

"Okay, please take a look at this medicinal cauldron, young master Tian and fifth elder ..." Old man you nodded and said.

"Yes! "Young sect master Tian, please take a look ..." You zhentian quickly handed the medicinal cauldron in his hand to the heavenly silkworm transformation. (To be continued.)
