

Bodyguard 45

Chapter 45 – Cihua Bro

Somewhere in Songshan City, in an abandoned warehouse, was a black SUV- It had no licence plate.

Fucking hell, are the cops fucking insane? All this for one million dollars, really? Baldy spat at the ground, very pissed off.

Boss! We cant continue hiding in here like this! Ma Liu was frustrated as well. God fucking dammit, fuck!

Enough, stop whining. Well just wait for Cihua Bros call here. Baldy waved his hand impatiently, the phone ringing as soon as he finished his sentence.

Is this Cihua Bro? Baldy here! Baldys tone was slightly flattering- it was his boss, after all.

What the fuck are you shits doing?! A cold voice sounded from the other end of the phone.

Cihua Bro, what do you mean..? Baldy paused.

Did you take all the banks money with you? Cihua Bro prodded.

I Yeah, I took it with me when we left, whats the big deal..? Baldy didnt deserve this treatment- it was a bank robbery! ltd be a waste if he robbed the bank but not take any cash with him, wouldnt it?

You fucking pig head!! What the hell did I tell you, I said not to take anything! Are you fucking deaf?! Cihua Bro yelled. The only reason the cops are going all out on you is because of those big ass fucking bags of cash with you!!

Ah! Baldy understood after some thought- that did seem like the case. It was all his fault for getting greedy, they wouldnt be in this mess in the first place if hed just went according to plan! With that, he started pleading. Cihua Bro! Ive been putting my life on the line for you, dont abandon me! Youve got to save me!!

Hmph. Hows the kid. Cihua Bro asked coldly.

Kid? What kid? Baldy asked, confused.

Chu Mengyao!! You didnt do anything to her, did you? Cihua Bros voice was starting to get rapid. Fuck, its all over if you do anything to her!

Ugh Baldy stammered- Chu Mengyao hadnt even crossed his mind before Cihua Bro mentioned her. Sorry Cihua Bro Shes been rescued

What?! Cihua Bro yelled. You fucking-! You dont have the girl?!

No Baldy replied softly.

Then go die in a fucking hole, Im done with you!! Cihua Bro yelled again. I shouldnt have assigned you the job in the first place, youre really a piece of work!! Good riddance when the cops get you!!

With that, Cihua Bro hung up.

Cihua Bro, Cihua Bro Baldy started panicking, and his pleading intensified. Cihua Bro! You cant just leave me!!

It took a while before he realized that Cihua Bro had hung up already.

Boss, what did Cihua Bro say? Ma Liu asked, panicking as well when Baldy put the phone down.

Cihua Bros abandoned us. Were fucked. Baldy replied, devastated.

Were fucked? Ma Liu stared. What do you mean, Cihua Bros abandoning us?

Yes, because we lost that Chu Mengyao girl!! Baldy sighed heavily as he thumped his ass on the ground.

Fuck! You, its your fault you damned baldy! She wouldnt have gotten away if you werent made hostage by that other kid!! Ma Liu cursed, bouncing off the ground and charging at Baldy.

Youre turning traitor?! Baldy stared as Ma Liu landed a fist on him.

Still acting the tough guy even now, huh? Ma Liu grinned coldly.

You fucking shit, you think wed be in this mess if you didnt let that kid take your gun in the first place?! With that, Baldy fired a punch in retaliation, and the two started fighting each other.

Two gunshots sounded, and both Baldy and Ma Liu fell dead in a puddle of blood.

It was the lackey that warned the police about killing hostages- A man named Li Laosan, the second in command of the group.

San Bro, you.. The two people left stared at Laosan, utterly shocked at the development.

Those two are a bunch of girls! Li Laosan hmphed. Look at the mess were in! And theyre still fighting among themselves? So what if Cihua Bros abandoned us, weve got hands and legs, dont we? More importantly, we have money! We get through this whole thing alive and well live lives of rich comfort, wont we?!

The two lackeys thought about it- it was true. Baldy and Ma Lius fighting was the last thing that should be happening right now. It was no time to be fighting amongst themselves, it might even lead the cops right to them if they werent careful. Working together as brothers was, without a doubt, the only way out.

At that thought, they nodded- Baldy was dead, and that made Li Laosan the new boss, a boss theyd put their newfound hopes on.

This money is enough to set the three of us for life! Li Laosan said as he pulled the bags open, revealing the heaps of cash inside. Words were air- what mattered now was real, genuine money to have the lackeys be on his side. Well have almost five hundred thousand each if we split this! Two people dead means more money for the rest of us!

Im following you, San Bro! Youre our new boss now! The two lackeys chanted in unison, pledging their fealty.

Laosan nodded, very pleased at the chant as he glanced nonchalantly at the corpses of Baldy and Ma Liu lying beside him

Mengyao and Yushu almost overslept because of how late it was when they went to bed; they only crawled out of the covers at the third alarm.

Lin Yi, on the other hand, was wide awake already. He had three bowls of noodles prepared, and was already putting them into the pot of hot water by the time he heard the girls waking up. Hed made Yangchun noodles yesterday, and was fixing up chicken sauce noodles- there was still a bit of braised chicken left from yesterday, and Lin Yi didnt see any reason to waste it.

The noodles were freshly completed when the girls came down.

Wow, it smells so good! Yushus nose was sharp, and it didnt take any time at all before she noticed the scent the chicken sauce noodles was giving out. She made her way to the kitchen excitedly, turning her head back to call for Mengyao as well. Yao Yao, your Shield Guys made us noodles again!

Mengyao was planning on going in with Yushu, but her words stopped her in her tracks. It was Lin Yis cooking- should she..?

If it were for the little bit of pride and face involved- Mengyao should turn the other way immediately, as if she hadnt smelled anything at all.

But the noodles were way too tempting!!

Slurping sounds could soon be heard as Yushu helped herself to Lin Yis cooking. Mengyao was itching with displeasure- the girl was never that loud when eating! Was she trying to tempt her or something?!
