

BOOT CAMP 2229

Chapter 2229: How Do I Start?

Ye Jian was very nervous. "Is the wound okay? Let me take a look!"

His words made her so nervous that her expression was tense. Xia Jinyuan hurriedly said, "It's fine, it's fine. Don't be nervous. I'm scaring him on purpose."

Instead of scaring the Demon King, he ended up scaring his little fox.

Ye Jian heaved a sigh of relief. It was good that he was fine...

Li Jinnian didn't get scared. If he were so weak, he wouldn't be Q King. He turned around and looked at Ye Jian with dark eyes. "Will you really cooperate?"

!!

"Yes, I'll cooperate the entire time." Ye Jian nodded solemnly. Ever since she knew that everything back then was out of the man's control and that he didn't mean to abandon his wife and daughter, Ye Jian knew that she was already accepting of the... father she had never met in her two lifetimes.

However, the word 'Father' was too unfamiliar to her. She had not called out 'Dad' and 'Mom' since she lost her parents. In addition, the word 'Dad' was so unfamiliar to her that she did not even know how to utter the word.

This was another piece of good news since Ye Jian promised to go home for a visit. A deep smile appeared on Li Jinnian's cold face.

His facial features were extremely handsome to begin with as if they had been carefully carved. Usually, his cold expression made people feel fear, so they ignored his appearance. Now that he was suddenly smiling, he was so handsome that people could not look away.

However, his breathtaking smile was short-lived. The next moment, his cold expression returned.

His grandfather had often told him that life did not give people disasters. Instead, it told everyone that they should cherish and let go of the past.

His cousin had suddenly said she would cooperate with him. Did he think she had let go of her prejudice against her uncle?

What about her obsession with the past?

Li Jinnian, who was filled with joy, looked at Xia Jinyuan, who had been speaking up for the Fu family, and thanked him very seriously.

Today, he was the one who kept encouraging Ye Jian to accept the Fu family. He saw deep love and encouragement for Ye Jian in Xia Jinyuan's eyes.

Xia Jinyuan was not only his cousin's lover but also her guide on the path of life. He used his own way to guide his cousin correctly so that she could go farther and have a broader state of mind.

Xia Jinyuan made him respect him and feel at ease.

Xia Jinyuan smiled. "You don't have to thank me. I'm only concerned about Ye Jian, not anyone else."

He didn't want to see his little fox trapped by circumstances. He didn't want to see her worrying about anything. He didn't want to see her unhappy at all. Hence, he would do his best to help her.

In the face of a dilemma, avoiding it would only make things worse. The only way to resolve the situation was to face it head-on and face it bravely.

After driving forward for a while, they saw a small bungalow surrounded by maple trees. The bungalow did not have an iron gate, so the car drove straight into the parking space that was designated by the bungalow.

Li Jinnian got out of the car briskly and walked up the steps to ring the doorbell.

Ye Jian, who was standing at the bottom of the steps, hurriedly straightened her clothes and asked Xia Jinyuan to see if her military cap was properly put on. Before she could straighten her military uniform, the closed door opened and an old man with white hair and a kind aura stood at the door. Read only on BOn nOvel.cOm for faster updates

The moment she saw the old man, Ye Jian suddenly felt her heart skip a beat for some reason. When the old man's gaze met hers, she couldn't help but hold her breath.

"Grandfather, I brought two friends to visit you." Li Jinnian held the old man's arm and tilted his body slightly so that the old man could see his friends better.
