

My Bossy CEO Husband

Chapter 122 – 125

Chapter 122: Shameless Wicked Father

‘What!’ Reese gasped for breath! She didn’t expect him to reveal that Eris was his biological daughter.

Now she understood why her father cherished Eris so much.

“Heck! It all makes sense now. Eris was the apple of his eye because she was his biological daughter. He favored her whilst he ill-treated Wendy and me. At first, I thought that he was loving and protective towards Eris because she grew up with him. But I never suspected that Eris was his daughter. In this way, everything can be simply explained” Reese thought to herself.

‘Eris is only six months younger than Wendy. You must have been with Cacia for a very long time.’

Pointing an accusing, trembling finger at Ruben, Reese yelled, ‘You betrayed my mother!’

Ruben didn’t deny it.

When her mother passed away, Reese was already a twelve-year-old sensible girl.

She was far closer to their mother than Wendy was.

Reese had fond memories of her mother’s gentle, considerate and giving nature.

Irrespective of how badly Ruben behaved, she made sure that she had three square meals ready for him every day.

Moreover, Ruben was unemployed and she bore all the household expenses from the inheritance left to her by her father.

In spite of this, he was an ingrate.

He squandered the money that Cassie's father left her, and then cheated on her!

'Beast!'

With red eyes, she cursed.

Then she added, 'No! You are worse than a beast. Even a beast treats its offspring with love. You don't deserve the honor of being called a father or a husband! Why didn't you set my mother free if you wanted to cavort with a loose woman? Back then my mother begged you for a divorce on numerous occasions but you were too chicken to agree. You wanted to have your cake and to eat it. You cheated on her and were only satisfied after killing her. I'll kill you!'

Reese screamed and pounced on Ruben.

'Bitch!'

As usual, Ruben was as alert as a sentinel.

As she pounced on him, he kicked her hard in the abdomen.

She went sprawling across the carpet.

The pain was so excruciating that she broke out in a cold sweat.

She stared at Ruben with utter resentment.

‘If I am a beast, then you are a little beast! We are tailored from the same cloth!’

Ruben came over, grabbed Reese’s neck and said angrily, ‘You are as stubborn as your mother.I gave you a fair choice but you refused it.Now face the consequences of my wrath!’

Chapter 123: No Escape

‘Auntie!’

‘Don’t worry, Ray.It’s going to be okay...‘

Reese threw the empty bottle away and looked at Ruben coldly.

‘There.Happy now?’

‘My dear daughter, if you just listened to me, you wouldn’t have to go through all this!’

Ruben’s smug face betrayed his satisfaction.

Everything was going according to his plan.

He winked at the two brawny men by his side, who immediately walked over to Raymond.

One of them grabbed the back of Ray’s shirt and lifted the boy off the floor.

‘Let him go! Ruben, I drank that thing just like you said. Why are you still make things difficult for Ray?’

‘Don’t worry. I just want to talk to him.’

The muscled man held Raymond closer to Ruben, who took some candies out of his pocket and said, ‘Well, grandson, tell me your mommy’s phone number.’

Ray just stood still, looking at him with raised eyebrows.

Ruben went berserk then and slapped the boy.

‘The number, boy.’

‘Ray!’

Reese tried to go to her nephew, but the other man stopped her.

All she could do was glare at her father from afar.

‘Ruben! He is just a child. You’ll bring God’s fury on your head.’

“God’s fury? If that was a thing, I would have been dead a long time ago.” Ignoring her, Ruben looked at the boy and asked again.

‘The number?’

Ray pursed his lips and turned his head sideways stubbornly.

‘You are just as stubborn as your mother!’

Just as he was about to hit Ray again, Reese shouted, ‘I know it! I know the number, too.’

Ruben took his eyes off the boy and focused on his daughter instead.

He slowly took his phone out of his pocket and drawled, 'Go ahead then.'

Reese gave him Wendy's phone number reluctantly.

He dialed it and in less than three seconds, Wendy picked up.

Chapter 124: Not A Simple Woman

Meanwhile, Ryan had also received the information, so he was able to locate Ray's whereabouts.

'I got it, Ryan.They're in Summertime Hotel.I've found out the room number.Apparently, Ruben booked two rooms in the hotel,' Luke informed him.

'I need the surveillance video of the room.Now,' Ryan ordered.

'Wait a moment.'

Luke took the laptop and began retrieving the surveillance video of the room.After a few minutes, the live feed of the room Ruben had booked appeared on the screen.

'Okay.I got it!'

The car was running at the high speed at that moment.

The instant Luke saw the live feed, he gasped in shock.

'Ryan, Wendy has arrived,' he said somberly.

Squeak! The sports car screeched to a halt at the side of the road.

Ryan immediately brought the laptop over.

On the screen, Wendy could be seen entering the room.

Meanwhile inside the room, Ruben was sitting on the sofa with a brawny man standing on either side of him.

Ray was on his lap.

They seemed to be close if it were not for the fact that Ruben was holding the little boy by the neck.

When Wendy entered the room, Ruben smiled, baring his big, yellow teeth.

‘My good daughter, I’ve been waiting for you for a long time!’ he exclaimed.

‘Mommy, he drugged Auntie Reese and sent her to another room!’ Ray revealed.

Upon hearing that, Wendy’s face changed in an instant.

‘Ruben, what the hell do you want?’

In response, Ruben threw a ready-made drink to Wendy and said, ‘Drink it, and I’ll let your son go.’

Wendy merely glanced at it and threw the bottle at his feet without a second thought.

Ruben was stunned.

He expected that his threat would frighten Wendy and would make her drink the concoction right away.

A sneer appeared on his face, and he asked, 'Don't you want to save your son?'

Of course, Wendy did! Not only did she want to save Ray but also Reese.

That was why there was no time to waste! 'Go to hell!'

Wendy exclaimed.

All of a sudden, she took out a knife from her pocket and drew it at Ruben.

For a split second, his eyes widened in horror.

However, he quickly recovered from the shock and even chuckled at her.

'Threatening me with a knife? Are you kidding me?'

'Why? Did I scare you?' Wendy retorted with a snicker.

To Ruben's surprise, she suddenly stabbed the man beside him.

Chapter 125: You Don't Know The Difference Between Chalk And Cheese

Meanwhile, in room 1122, Reese was struggling to save her dignity.

'Let go of me! Just let go of me!'

However, the brawny man dragged her forcefully to the room and threw her onto the big bed.

Room 1122 was honeymoon suite. There was only a round bed, two bedside tables and a single sofa in the large room.

Reese lay on the big bed, drowsy and weak.

In the room, Gavin was losing his patience.

When he saw how stunning Reese looked, he immediately stood up and strode to the bedside.

His dull eyes sparkled at the sight of how vulnerable she looked.

He rubbed his hands and gently called, 'Reese?'

'Get out!'

'Why are you so furious? But I like it. It turns me on.'

Gavin couldn't help himself.

He gently stroked her cheek and said obsessively, 'Reese, when I first saw you, it was love at first sight.'

Reese felt dizzy.

The drug had taken effect and she trembled all over in fear.

'No! I can't surrender! Wendy will come and save me soon.' Reese fed herself positive affirmations.

Then she bit the tip of her tongue really hard.

Soon her mouth was filled with the taste of blood but the pain made her feel less drowsy. She swerved her head to avoid his disgusting touch and she began to perspire all over.

‘Don’t touch me...‘

‘I’m afraid not!’

Gavin’s hand slid down from her cheek and touched her skin.

‘Reese, you’ll be mine soon. I can’t wait. Do you know that at first I thought you were out of my league? But when I heard that you had married Flynn, I thought that if someone like him could have you, then why not me?’

Reese lay on the bed, gasping for breath. Gavin watched the drug take effect.

Then he smiled and caressed her skin. His hand was cold and slithered like a slippery snake, coiling around her body.

Reese’s hair stood on end.

‘Don’t touch me, you filthy monster!’
