

# Spoiled By My Bossy CEO Husband - Chapter 19 Who Did You Offend

“Why?”

Lottie Green was confused. “Did I do something wrong?”

The director took a look at her irritably. “No reason. Someone gave an order. We’re not allowed to hire you as a stunt double.” “You’d better figure out who you have offended, rather than asking me!”

After this, the director looked at Lottie resentfully like she was failed to meet his expectation. “From today onwards, you can be the acting double. Although you will earn less, it is considered to be easygoing.”

“Just try to remember who you have offended!”

Lottie went back backstage with a gloomy face.

Connie comforted her, “Actually it is also not bad to be an acting double.” Acting double meant to be a double for the actor who wouldn’t fight in the film.

The sun was scorching.

Lottie was standing under the sun and was sweating from head to foot.

She was standing like a timber pile, and at the same time, she was having a bee in her head. ‘Who the hell is doing this to trick me?’

‘Isobel Mitchell or Luke Berry?’

In the office of the Chapman Group Building, Kayden Chapman was sitting on the sofa jauntily.

“Ralph, as the matter of looking after Lottie, you have found the right person!”

“I have already done something for her without noticing her. Don’t worry. Today when she comes back, she definitely will not have a new scar on her body!”

Ralph, who sat on the main chair, was examining the files in his hands. At the same time, he slightly frowned, “Claudia Green, are you familiar with her?”

“I have seen her before.”

Kayden was crossing his legs, drinking tea while chuckling. “She is not that pretty, but she still wants to seduce me. Definitely, I exposed her plan. She tried to date me, but I refused.”

“Meet her.”

Ralph indifferently turned over the contact. “Tell her that the funds which are given by the Chapman family to the Green family will be halved.”

“And tell her that Lottie is a member of the Chapman family. For the matter that happened yesterday, I just reduce the cooperation funds since they are Lottie’s family.”

“If next time it happens again.”

Ralph raised his head and looked at Kayden, “Then there will be no the Green Group anymore.”

Kayden was startled. “Ralph, they treated Lottie so terribly. How can you just let them go like this?”

Ralph picked up the teacup gracefully. He then gently took a sip. “Yes.”

However, he could only let the Green family go, not including someone else...

At night, Lottie just got off work. She got a call from Elijah right away.

“Fabian and I are at the restaurant nearby the Filming Town.”

“We are here to treat you a meal.”

Lottie frowned. “Treat me a meal?”

“Yes.”

Elijah was still speaking in a calm tone like an adult, “Quickly come.”

Hanging up the phone, Lottie went to the restaurant which was mentioned by Elijah though she felt  
eSpectrumausted.

When she just arrived at the doorway of the restaurant, a familiar red car stopped at her front.

Lottie was so familiar with the car.

This was Claudia’s car.

These years, Claudia worked hard at the Green Group and had a good performance. Kevin wanted  
to reward her, so he bought this car for her at a high cost.

The car stopped, and Claudia with heavy makeup got out of the car.

“Hey, Sister, why are you here?”

When she got out of the car, she saw Lottie.

She showed a mocking smile, “Why are you here in such a high-level restaurant?”

“Lottie, with the money that you have earned as a stunt double, you can’t afford the meals here.”

Lottie coldly looked at her, walking away.

She still needed to find Elijah, so she did not want to have any further contact with Claudia.

However, how could Claudia give up such a good opportunity to humiliate Lottie?

She pulled Lottie. “Lottie, don’t be in such a hurry to go.”

Yesterday, Mr. Miller’s matter was messed up, and Kayden also came to threaten her. Claudia was holding her anger and did not have a place to vent it.

Then Lottie came here just in time!

“Lottie, you’re in such a hurry...”

Claudia raised her eyebrows, and she laughed, “Which man do you want to date with again?”

“Couldn’t Mr. Miller satisfy you yesterday?”

Her words made Lottie become furious.

Turning her head, she looked at Claudia’s face. “So you were behind the disgusting man yesterday?”

She still could not figure out the people behind Mr. Miller. How could Mr. Miller know that she would go to the area nearby the slum?”

However, if Mr. Miller and Claudia were in cahoots, then everything made sense.

“It has nothing to do with me.”

Claudia laughed coldly. She did not have any guilty conscience on her face, instead, she looked complacent. "Lottie, you need evidence."

"Do you have the evidence to prove that Mr. Miller and I have any connections?"

Yesterday, all the surveillance cameras in the Spectrum Hotel were removed by the people with her orders. Even if Lottie wanted to find evidence, she absolutely could not find anything!

With what she said, Lottie understood at once. She was certainly behind Mr. Miller yesterday!

"You'd better not let me find out the evidence which shows that the man and you are in cahoots!"

Staring at her fiercely, Lottie turned around to enter the door.

Claudia laughed pleasantly at her back. "If you can find it, you should have found it a long time ago!"

"You invited Mr. Miller to the hotel."

"Today you come here, so which man do you want to date with again?"

"Lottie, you're really a slut..."

Lottie slightly halted before entering the restaurant. "No one is more like a slut than you."

How was Claudia's private life? Lottie was very clear about that.

This woman had a good performance in business all because she was incredible in bed.

"Don't slander me."

Claudia touched the diamond ring on her finger. "I'm now dating the future richest man in Rexwell, Mr. Poole..."

“My Mr. Poole is handsome and rich. He is genuine and sincere to me. Today he has asked someone to send me this 10 carats of the diamond ring...”

Speaking of this, she laughed again. “I simply find a net lover, and he is still better than Ralph Chapman a thousand times.” “Lottie Green, are you jealous or not?”

Lottie snorted. She even didn’t want to look back, “Hope that when Mr. Poole sees you, he won’t vomit.”

After that, she straight pushed open the door to enter the restaurant.

“You must be jealous of me...”

After entering the restaurant, Lottie did not find Elijah and Fabian on the first floor, so she directly went to the second floor.

“Lottie.”

At the corner of the second floor, Elijah was waving to her.

Lottie walked over there and sat down. “Why are you alone here? Where is Fabian?”

“Shh.”

Elijah raised his hand to hand her a cup of orange juice. “Fabian goes to do some preparation.”

“He is going to meet an online friend.”

Lottie was speechless.

Meeting an online friend?

She nearly spurted out the orange juice in her mouth.

Quite a while, she did not know whether to cry or laugh, looking at Elijah. "He is still so young, but he already learned to meet online friends."

Elijah prudently shrugged his shoulders. "Little kid is always playful."

Lottie was speechless.

"You're just older than him for five minutes only."

Elijah picked up the juice and took a sip, taking a look at the direction of the doorway. "Fabian's net girlfriend is coming." Lottie subconsciously turned around to look at...

Claudia!
