

Bride Of The Mysterious CEO Chapter 91

Ryan did not get angry but laughed. He put down the documents and said teasingly, "Elena, it was just that there was someone in the lounge. What they do might not be what you and I did in there."

Elena did not know how to respond. When did this man become this much shameless?

Tina saw this and immediately went forward, "Elena, how can you treat cousin like this? Although you are his wife, this is the company. As subordinate like you questioning your superior like this is too overbearing."

Tina had never seen Ryan like this. Being scolded so badly, he actually responded with a smile. What was so good about Elena that Ryan could treat her like this?

As soon as she finished speaking, both Ryan and Elena looked at her coldly. Elena glanced at her, "In the company, I am your superior. At home, I am your sister-in-law. When did you have the right to interrupt when I am talking?"

Elena strode forward and angrily walked to the lounge. Her hands were not even placed on the lounge. The door was opened from the inside.

Jackson stretched and walked out with sleepy eyes. When he saw her, he was a still surprised. "Sister-in-law, it's work time now. Why are you here? It's not that you're not feeling well, right?"

After saying that, Jackson looked at Elena worriedly. Her face was rosy and did not look like she was sick.

"Why are you here?"

“I was too tired. I wanted to talk to Ryan about something, so I rested here for a while.”

Jackson scratched his head and said in embarrassment.

“I see.” Elena looked at Ryan guiltily. Seeing that he was still smiling, Elena quickly turned her head and blushed even more. It seemed that she really misunderstood Ryan.

“Sorry, can you let me go in and rest? I am really dizzy now.”

As she spoke, Tina propped herself up on the doorframe and looked like she was really about to faint.

Unexpectedly, Jackson reached out and stopped her. “You should go outside. It’s not convenient here.”

Elena narrowed her eyes. Could it be that there really was a woman here? Ryan asked Jackson to cover for her?

This time, no matter what she said, she had to go in and find out.

Ryan did not know when he had driven the wheelchair over. He reached out and pulled her, “Don’t go in.”

Elena shook his hand away, “Ryan, you better not stop me. I want to see how many people you can hide in this office!”

Jackson saw that Elena seemed to be really angry. He put down his arm, which was blocking the door, and said, “Sister-in-law, you have to be mentally prepared!”

Elena glared at him and walked into the lounge.

There was a person lying on the bed, and he was also a man. She fixed her eyes and saw that it was the sleeping Isaac.

Isaac turned over and the blanket slid down. He was only wearing an underwear and not any other piece of clothing was on his body. Elena quickly turned around, her face turned red.

“Hey, Jackson, you two are big men. You have a home but you don’t go back. Why do you have to sleep in Ryan’s office together? You are still naked. What do you want?”

Elena could not understand. Why these grown men were so shameless?

Jackson raised his hands to prove his innocence. “Sister-in-law, you can’t accuse me unjustly. I am wearing pajamas. It is Isaac, that brat, who loves to sleep naked. He said that he refused all restraints. Besides, I just told you, it’s not convenient. You insisted on coming in to take a look.”

Elena’s face turned red. Ryan saw this and reached out his arm to hug her. He smiled and scolded Jackson. “You are disrespectful. If you dare to speak like this again, I will not allow you to come again in future.”

Tina stood by the side. When she saw Ryan and Elena’s intimate appearance, her vision darkened.

“Bang.”

The three of them turned around and saw that Tina had fainted at the door.

Jackson was shocked. “I thought she was pretending, but I didn’t expect her to really faint. Quickly get someone to get her onto the bed.”

However, Ryan and Elena looked at Jackson at the same time. They did not have the intention of calling for help.

Jackson felt a little helpless. "You guys don't want me to hug her, do you?"

"Don't you like pretty girls? Don't tell me Tina is not your type?"

Ryan deliberately asked Jackson. Because this kind of thing was not easy to let outsiders handle. If Tina woke up, she would definitely take the opportunity to make a fuss again. As one of them, Jackson definitely would not say anything.

The woman collapsed on the ground. It could still be seen that her face was pretty, but Jackson took a look and his expression was somewhat disgusted, "I don't like this kind of pretentious woman."
