

Bully Love 127

Chapter 127

Jace's First Game Night

After a lot of begging and pouting, and of course the best blowjob ever, I was able to convince Jace to go to game night with me this week since he doesn't have to work. Since he picked up the show, Elias gave him tonight off, which works out perfectly. I make sure to grab the snacks and drinks that I bought for everybody before we head downstairs. We arrive before Deke and Collin do, so we just sit around chit chatting until the rest of the group shows up.

As soon as she gets the chance, Reece pulls me to the side, "So, I haven't had much time to be able to tell you, but I wanted to give you a heads up. Owen is back in town and he's coming tonight."

I gasp, "Oh, my God, are you two a thing now?" | ask excitedly.

She shrugs, "I'm not sure what we are, but we have been talking a lot and he has vacation time, so he's coming back to spend it here. We will see how it goes and then decide."

"I am so happy for you, Reece!" I hug her tight.

"What's all the excitement about in here?" Jace asks as he grabs a hand of the popcorn from the bowl that I was in the process of bringing out to the living room.

| glance at Reece, and she rolls her head before nodding, "Owen is coming to see Reece and they may be a 'thing' if it all works out!"

"Cool, Owen is good shit." He smiles at my friend and then shoves the popcorn into his mouth.

"By the way," Reece lowers her voice, "apparently Gabe is seeing someone, and she's coming tonight as well."

"Oh yay, did he say who she is?" | ask. No way am I going to let her know that I knew he had been talking to someone. She would be totally hurt if she knew that I knew first.

"No, he hasn't said her name, but I never asked either." My friend responds, "I feel bad that I didn't show more interest in him telling me but, I was all excited from just learning that Owen was coming back," She frowns.

"Oh well, I guess we will find out soon." | state and head over to the couch.

A commotion at the door brings in the guys, Deke and Collin, arguing over who is the better driver. Obviously, they don't care that others are in the room as they continue to slam one another. Gabe finally whistles, getting his two friends to stop bickering.

"Damn, you two sound like freaking women!" Gabe states.

“Okay, okay, I get it. You’re a big, bad Dominant that likes to spank women and watch people have sex.” Deke rolls his eyes.

I can feel Jace tense beside me, but he doesn’t say anything, it’s Gabe that lectures his friend, “Deke, stop being a dick. Jace takes his job seriously and their lifestyle isn’t anything to joke about. It’s irresponsible guys like you that shouldn’t be trying to play the part as a dominant!” Gabe growls, which really surprises me.

“That’s a bit harsh, don’t you think?” Deke asks his friend.

“No, not at all,” Gabe states, “If you’re going to act immature about it then you don’t need to be talking about it at all.”

“Okay, fine!” Deke turns to Jace, “Sorry man, I didn’t mean to be disrespectful about it or to you. I didn’t realize how serious you all are about it.”

“Thank you, Deke. I appreciate it.” Jace responds with a nod.

“Awe, can we hug it all out?” Collin stretches his arms wide.

Reece picks up a decorative pillow and throws it at his face, “Shut up, Collin!”

“What? I was being totally serious!” He chuckles.

“Just sit the fuck down so we can get started!” Gabe

snickers and plops down next to Deke.

“I’ll be your partner and we can leave Collin out, just so we can play Pictionary,” Deke grins at Gabe, “Just don’t ask me to stay the night and spoon you, otherwise, you should know that I will always be the big spoon.”

“Oh, for the love of God! I will never ask you to spend the night with me, and don’t ever bring up spooning when talking about you and me!” Gabe scowls at his friend this time and moves over to the other side of the couch.

“Ouch!”. Deke grabs his chest, “That really hurt, Gabe! I was willing to toss my long time spooner to the side just for you!” Deke glances at Collin, “Sorry buddy...”

Collin rolls his eyes, “You’re such a dick!”

The doorbell sounds again, and Gabe goes to answer it this time. Jace and I are talking with Reece and Owen until we hear Deke give a whistle, “How is a hottie like that with our Gabe?” We all turn toward the couple, and I gasp.
