

Bully Love 128

Chapter 128

– We Meet Again

One-minute Jace and I are laughing and talking with Reece and Owen, and then all of a sudden, Deke whistles loudly, drawing our attention to him, but then his little comment has all heads turning to see who Gabe has just brought in. I gasp, not expecting to see her here, and I definitely didn't think she would be the one that Gabe has been talking to. A blush creeps up into my face, remembering the last time that I actually saw her.

The smile that graces her face when it lands on me and Jace tells me that she definitely remembers us. I've only met her once, but I will never forget her red pixie cut, because it's super cute on her. Kia comes over to us all excitedly.

"I didn't know you were friends with Gabe!" She says as she brings me in for a hug as though she's known me forever, when in fact, I'm pretty sure she spent more time staring at my pussy as Jace got me off down in the dungeon the first time I went to Shameless.

"Oh my, how did you and Gabe meet?" I pull away from her, still feeling a bit embarrassed.

"That's actually a funny story, now that I'm seeing the two of you here. I mean, I see Master Jace at work all the time, but I haven't seen you around. It's a shame really; I rather enjoyed our meeting." The use of Jace's Dominant name in this setting has me looking around to see if anybody else has heard, but nobody seems to be looking our way, so I turn my attention back to pixie girl, "So, as I was saying, I actually met him the same night I met you. After the two of you got me all hot and

bothered, I went up to the club, and that's when I met him. He was there with Deke, who seemed too busy with another female to even look our way. Gabe and I hit it off and we've been talking ever since."

"

"And he knows that you work as a..."

"House sub at Shameless? Yes," she giggles, "He wasn't too enthused about it but once we really started talking, I stopped letting the Doms fuck me, but I still play. I've been trying to get him to come to the club, but he prefers not to."

"So, that's why I haven't really seen you in any scenes lately." Jace nods his head in understanding.

"Yeah, well, if things turn serious between Gabe and I, I will find another job." She explains as she smiles over at Gabe.

"In this lifestyle...oh yes, it's very normal." I pat his shoulder and smile just as Jace and Kia come over and join us.

It's a little after midnight by the time we get to the door to our apartment. I'm trying to unlock it as Jace starts kissing on my neck and feeling me up. Next thing I know, my shirt is coming off right here in the hallway.

"You know what would be hot? Fucking right here and hoping the two neighbors don't catch us." He starts to undo the front of my shorts and I don't stop him until he begins to pull them down and I remember the cameras that my dad had put in.

Grabbing his wrist, I stop him, "We can't!" I point up to the corner of the hallway.

"Are you really worried about others watching?" He snick

“Uh, when it comes to our building manager who likes to ogle me anyway, yeah.” I rebutton my shorts and finish un locking the door.

“Very good point, babe.” No sooner do I get the door open, though, he’s on me, tearing the rest of my clothes off. He pushes me face first against the wall, “Ass out.”

I hear the rustling of his own jeans as I obey his command, and suddenly I’m being filled with his cock. He fucks me hard and fast, getting me off in the first three minutes before turn ing me around and picking me up. I’m impaled onto his shaft. once more as he slams into me and latches on to my bounc ing breast with his mouth.

“Oh God, Jace...yes!”

I love it when he fucks me as though it’s our last time, and it’s so rough that it leaves bruises on the inside of my thighs. This is one of those times. He doesn’t say anything, he talks to me through the motions of his body as he stokes the fires in side of me until I’m screaming out his name over and over. He comes hard, triggering yet another one from me as well.

When he slowly pulls out of me and sets me down, I move to go to the bathroom and clean up, but he stops me, “Don’t be going too far, I’m not done with you yet.”
