

Bully Love 142

Chapter 142

The Video

JACE POV

We leave Ella asleep in the playroom while Jude and I go to the living room and talk. After grabbing a couple of sodas from the kitchen, I join my friend on the couch, "So, it's not like I'm not glad to see you earlier than expected, but why are you here already?"

Popping the tab on his can, he takes a drink before answering my question, "I wanted to give Beth space to figure out what she wants out of this relationship."

"Oh wow," his response takes me off guard, "I hadn't realized that there were any issues with the two of you."

He scoffs, "You and me both, bro." He takes another drink, "She's jealous, or at least that's how she's playing it off, any way."

"What do you mean?"

"Well," he sighs heavily, "First she brought up collaring Madison and I told her that I wasn't interested in collaring her, so then, she brings up Ella and asked me if it was because of her and how she can see how bad I want to fuck her."

I can't really say I'm surprised by what he's telling me; I've seen it myself, but I never thought it went further than what all the other Dominants want with Ella. Jude is smirking at me while I'm contemplating everything that he's just told me.

2002 "Why are you looking at me like that for?"

11 Woche "You're now wondering the same thing, aren't you?" He shakes his head in amusement.

"Yes and no, I mean I knew you were wanting to do more with her, though, I know you wouldn't without permission, but I never thought it was more than what others want to do with her." I explain.

Jude scoffs and then glares at me, "Are you honestly putting me in the same group as those perverted assholes? Yeah, she's a fucking innocent beauty, who wouldn't want to scene with her, but I see her for who she is, Jace." He scrubs his face with his hands, "Maybe my feelings do go a little deeper for her, but she's your girl, man, and I'm not crossing that line without your permission."

I can't help being the one to smirk this time, "I never thought you would, bro. You're the only one I trust her with because I know you."

"Fuck, I will fucking protect her with my life, man; the same as I would you."

I lift my fist, so we can bump it out, "So, what are you hungry for?"

"After that hot little session, I can eat anything! What are you making?" He chuckles.

"Fuck that, I'm doing takeout!"

Ella giggles, "Should I go get clothes on?"

| shrug, "Only if you want to. I don't mind this view, though." | wink at her. I settle her onto a stool and go grab paper plates to use.

Once we are all settled and filling ourselves full of pizza and wings, Jude slides his phone over to me, "Hey, isn't that what's her name from Shameless, that Domme?"

Wiping my hands off on my napkin, I pick up his phone and press play on the video. I think my eyes almost pop out of my head, "Holy Shit! Somebody recorded it!" | can't believe what I'm seeing on my friend's phone right now!

"What is it Jace?" Ella stretches her neck over to try and

see.

I move my stool closer to her, "This, baby, is Nessa getting her ass handed to her by Dark Queen after what she did to you." | glance at my friend, "Dude, Ava comes up with some sick shit just like you! The only sad thing is that Nessa is such

a slut that she's taking everything that Dark Queen is handing out."

"So how is this getting her ass handed to her?" Jude asks confused.

"She still has us to deal with, but Nessa is actually Vanessa Jacobs." | say it like he should know who that is, but it's Ella who gasps instead.

"That's Mayor Jacob's daughter?" My girl smiles broadly.

"Yep, and if this is all over the web, that means daddy's people have probably seen it and daddy's good girl is now in a heap of trouble."

Jude throws his head back and laughs, "Oh, damn! See, that's why I stay out of politics! Everybody is always under a constant microscope. That can't be good for the next election."

"Remind me to send Ava a nice gift as a thank you." Ella instructs and then goes back to eating her food.

Me, on the other hand, I hit play again, so Jude can watch the whole thing as well. It starts out with using the bullwhip on her, and when she is nice and wet, Ava picks a member from the audience to come up, and she teaches them how to insert a fat-headed dildo into Nessa's tiny asshole. The sub squeals a little but then begs for more. Ave then makes Nessa go downtown on her while the lucky male gets to wet his dick a little. By the end of the video, Elias's group of friends all had a turn with her, and Nessa is a sloppy mess with all sorts of bodily fluids on her, but I will refrain from naming them all. The best part is, she's the one that begged for all of it, including who was next in line to have her, and it's all on camera for

daddy and the whole world to see!

"Damn Lil' D, I don't even think I can go that far, but I'm not into some of those fetishes. The only bodily fluids I will squirt on a woman is my jizz, oh, and maybe some spit to help lube her up, and that's it!" Jude chuckles.

"I hear ya, but hey, we are now going to have to come up with a plan on how to get her back on our own, because I doubt Mayor Jacobs will be allowing his daughter out of his sight for quite some time."

"Oh, I do believe that we can come up with something," Jude rubs his hands together, "I have a couple of acquaintances who are on standby just in case."
