

Bully Love 147

Chapter 147

Book 3 - Ch. 147- A Plan

JACE POV

My mind isn't so much on the blow job that I'm getting from my girl as it is on the guy showing attention to her ass. I watch him, not in jealousy, but in rapt attention as he pays homage to the tight little hole. He's not doing anything that will hurt her, not that the little pain slut would really mind, but he seems to be very devoted to what he is doing and how he is doing it. He's doing something right, because normally, she waits until the plug is in before she starts to enjoy anything, but now, she's already moaning as he teases her hole with the plug.

I notice him adjust himself a few times, and I understand how he's got to be feeling; Ella has the very same effect on me as well. My friend is trying to ignore it the best he can, and for some reason the whole thought of him getting hard as he plays with my girl's ass has me coming hard and Precious is a good girl, swallowing it all. Jude watches the whole time I come in her mouth, both of our heated gazes meeting one another's at one point.

Once I pullout, I watch as my friend goes down on Ella as she cleans my cock off, his eyes never leaving her as she does. Hell, he could be staring at my cock, and I wouldn't know, but I would like to think that the desire in his eyes is for the action that Ella is doing, and not my cock; that would be too weird.

"Master Jude!" Ella stops cleaning me and gasps, "Master Jace's cum is still inside of me!"

"Don't worry your little head, sweet girl. It's not like I've never tasted another man's cum before." Jude states and I gawk across the bed at him.

"What? I've said it before and I'll say it again, if you're going to make them taste it then you better be prepared to do the same thing." He slaps Ella's ass, "Besides, I'm not doing it for your Master's nectar, I'm doing it for yours, beautiful." He then places a kiss over the red mark that he just left on her ass cheek. Ella giggles and makes me grin; I love that little giggle.

"Oh! Master Jude, can I please come?" Ella begins to moan. I'm not sure what he's doing with his tongue but it's working her up really fast.

"Do not come, Precious. Master Jude has not given permission." I remind her, and then go back to watching my friend torture my girl with pleasure.

"Are you fucking serious? How do you expect us to get in there? I'm sure there will be special invites sent out."

"Are you doubting me right now, Lil' Dick?" Laughter bursts from my friend as I punch him in the arm.

"Fuckyou, man! I'm only asking, and no, I don't doubt you. Believe me, I wouldn't have asked for your help if I had." I send an annoyed glare his way which only gets him laughing even more.

"Calm down, bro, I'm only giving you shit, but yes, there were special invites in which I have a man working on getting five for us."

Grimacing in confusion, "Why five?"

"Well, I assume Ella will want to go with us and watch everything unfold, and then there are my two guys that will be getting their hands dirty." Jude's grin is evil.

“How dirty are we talking?”

“Let’s just say that daughter dearest will be putting on a private show for the whole party where she will star as the only female in a threesome, willingly, of course.”

“How are you going to get her to do so willingly? I hate to be the one to say it but drugging her isn’t her doing it willingly.” I chuckle.

“Unlike that bitch, my two guys don’t need drugs to get women to sleep with them. Vanessa Jacobs may not be so willing but Nessa the sub will be very willing to be with two of the most talked about Dominants in the kink community.”

I give my best friend the benefit of the doubt, “Okay, if you say so.”
